

RCW 82.08.9995 Exemptions—Restaurant employee meals. (1) The tax levied by RCW 82.08.020 does not apply to a meal provided without specific charge by a restaurant to its employees.

(2) For the purposes of this section, the following definitions apply unless the context clearly requires otherwise.

(a) "Meal" means one or more items of prepared food or beverages other than alcoholic beverages. For the purposes of this subsection, "alcoholic beverage" and "prepared food" have the same meanings as provided in RCW 82.08.0293.

(b) "Restaurant" means any establishment having special space and accommodation where food and beverages are regularly sold to the public for immediate, but not necessarily on-site, consumption, but excluding grocery stores, mini-markets, and convenience stores. Restaurant includes, but is not limited to, lunch counters, diners, coffee shops, espresso shops or bars, concession stands or counters, delicatessens, and cafeterias. It also includes space and accommodations where food and beverages are sold to the public for immediate consumption that are located within hotels, motels, lodges, boarding houses, bed and breakfast facilities, hospitals, office buildings, movie theaters, and schools, colleges, or universities, if a separate charge is made for such food or beverages. Mobile sales units that sell food or beverages for immediate consumption within a place, the entrance to which is subject to an admission charge, are "restaurants." So too are public and private carriers, such as trains and vessels, that sell food or beverages for immediate consumption if a separate charge for the food and/or beverages is made. A restaurant is open to the public for purposes of this section if members of the public can be served as guests. "Restaurant" does not include businesses making sales through vending machines or through mobile sales units such as catering trucks or sidewalk vendors of food or beverage items.
