

**RCW 4.24.500 Good faith communication to government agency—
Legislative findings—Purpose.** Information provided by citizens concerning potential wrongdoing is vital to effective law enforcement and the efficient operation of government. The legislature finds that the threat of a civil action for damages can act as a deterrent to citizens who wish to report information to federal, state, or local agencies. The costs of defending against such suits can be severely burdensome. The purpose of RCW 4.24.500 through 4.24.520 is to protect individuals who make good-faith reports to appropriate governmental bodies. [1989 c 234 § 1.]
