

RCW 9.94A.810 Transition and relapse prevention strategies.

Within the funds available for this purpose, the department shall develop and monitor transition and relapse prevention strategies, including risk assessment and release plans, to reduce risk to the community after sex offenders' terms of confinement in the custody of the department. [2000 c 28 § 35.]

Technical correction bill—2000 c 28: See note following RCW 9.94A.015.
