

RCW 28A.170.075 Findings—Intent. (2) The legislature finds that it is essential that resources be made available to school districts to provide early drug and alcohol prevention and intervention services to students and their families; to assist in referrals to treatment providers; and to strengthen the transition back to school for students who have had problems of drug and alcohol abuse.

(3) Substance abuse awareness programs funded under this chapter do not fall within the definition of basic education for purposes of Article IX of the state Constitution and the state's funding duty thereunder.
