The department of social and health services shall send the office a list of all individuals receiving benefits under the public assistance programs listed under RCW 28B.92.200(5) on at least an annual basis. The office shall use the list to confirm students' eligibility for the Washington college grant program, without requiring the student to fill out a separate financial aid form. The office may also use the information to conduct outreach promoting the Washington college grant.

(2) For high school students in 10th, 11th, and 12th grades whose families are receiving benefits under one of the public assistance programs listed under RCW 28B.92.200(5), the office shall issue a certificate to the student that validates the student's financial need eligibility for the Washington college grant program. The certificate is good for one year after high school graduation and may be used upon enrollment in an eligible institution of higher education, provided the student meets the other Washington college grant eligibility requirements. The office shall track and maintain records of students who were issued certificates under this section in order to confirm a student's financial need eligibility with an institution of higher education. A student does not need to produce the certificate to receive the Washington college grant. [2022 c 214 § 6.]
