

**RCW 36.79.150 Allocation of funds to rural arterial projects—
Subsequent application for increased allocation—Withholding of funds
for noncompliance.** (1) Whenever the board approves a rural arterial
project it shall determine the amount of rural arterial trust account
funds to be allocated for such project. The allocation shall be based
upon information contained in the six-year plan submitted by the
county seeking approval of the project and upon such further
investigation as the board deems necessary. The board shall adopt
reasonable rules pursuant to which rural arterial trust account funds
allocated to a project may be increased upon a subsequent application
of the county constructing the project. The rules adopted by the board
shall take into account, but shall not be limited to, the following
factors: (a) The financial effect of increasing the original
allocation for the project upon other rural arterial projects either
approved or requested; (b) whether the project for which an additional
allocation is requested can be reduced in scope while retaining a
usable segment; (c) whether the original cost of the project shown in
the applicant's six-year program was based upon reasonable engineering
estimates; and (d) whether the requested additional allocation is to
pay for an expansion in the scope of work originally approved.

(2) The board shall not allocate funds, nor make payments under
RCW 36.79.160, to any county or city identified by the governor under
RCW 36.70A.340. [1991 sp.s. c 32 § 31; 1983 1st ex.s. c 49 § 15.]
