

RCW 41.05A.005 Purpose—Collaboration with other agencies—

Construction. The purpose of this chapter is to provide the health care authority with the powers, duties, and authority with respect to the collection of overpayments and the coordination of benefits that are currently provided to the department of social and health services in chapter 43.20B RCW. Providing the health care authority with these powers is necessary for the authority to administer medical services programs established under chapter 74.09 RCW currently administered by the department of social and health services programs but transferred to the authority under chapter 15, Laws of 2011 1st sp. sess., and programs transferred to the authority under chapter 201, Laws of 2018. The authority is authorized to collaborate with other state agencies in carrying out its duties under this chapter and, to the extent appropriate, may enter into agreements with such other agencies. Nothing in this chapter may be construed as diminishing the powers, duties, and authority granted to the department of social and health services in chapter 43.20B RCW with respect to the programs that will remain under its jurisdiction following enactment of chapter 15, Laws of 2011 1st sp. sess. and chapter 201, Laws of 2018.
