(a) To establish service under this section, the member must pay the actuarial value of the resulting increase in their benefit in a manner defined by the department: (i) No later than five years from the effective date of the election made under this section; and (ii) prior to retirement.

(b) Upon full payment of employee contributions for the elected period of service the department of retirement systems must credit the member with the service. [2023 c 77 § 4.]
