Incremental increase in beds.** Subject to funds appropriated for this purpose, the capacity available in crisis residential centers established pursuant to this chapter shall be increased incrementally by no fewer than ten beds per fiscal year through fiscal year 2019 in order to accommodate truant students found in contempt of a court order to attend school. The additional capacity shall be distributed around the state based upon need and, to the extent feasible, shall be geographically situated to expand the use of crisis residential centers as set forth in this chapter so they are available for use by all courts for housing truant youth.
