

RCW 46.04.160 Crosswalk. "Crosswalk" means the portion of the roadway between the intersection area and a prolongation or connection of the farthest sidewalk line or in the event there are no sidewalks then between the intersection area and a line ten feet therefrom, except as modified by a marked crosswalk. [1961 c 12 § 46.04.160. Prior: 1959 c 49 § 17; prior: 1937 c 189 § 1, part; RRS § 6360-1, part.]
