The commissioner is authorized to use such documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the commissioner's official duties. The confidentiality and privilege created by this section and RCW 42.56.400(8) applies only to the commissioner, any person acting under the authority of the commissioner, the national association of insurance commissioners and its affiliates and subsidiaries, regulatory and law enforcement officials of other states and nations, the federal government, and international authorities.

(2) Neither the commissioner nor any person who received documents, materials, or other information while acting under the authority of the commissioner is permitted or required to testify in any private civil action concerning any confidential and privileged

documents, materials, or information subject to subsection (1) of this section.

(c) May enter into agreements governing the sharing and use of information consistent with this subsection.

(4) No waiver of an existing privilege or claim of confidentiality in the documents, materials, or information may occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in subsection (3) of this section.

(5) Documents, materials, or information, which is either confidential or privileged, or both, which has been provided to the commissioner by (a) the national association of insurance commissioners and its affiliates and subsidiaries, (b) regulatory or law enforcement officials of other states and nations, the federal government, or international authorities, or (c) agencies of this state, is confidential and privileged only if the documents, materials, or information is protected from disclosure by the applicable laws of the jurisdiction that is the source of the document, material, or information.

The notified party may seek injunctive relief in any Washington state superior court to prevent disclosure of any documents, materials, or information it believes is confidential or privileged. (i) The documents, materials, or information are otherwise privileged or exempted from public disclosure; or

(ii) The commissioner finds that the public interest in disclosure of the documents, materials, or information is outweighed by the public interest in nondisclosure in that particular instance.

(8) Any person may petition a Washington state superior court to allow inspection of information exempt from public disclosure under subsection (6) of this section when the information is connected to allegations of negligence or malfeasance by the commissioner related to a financial or market conduct examination. The court shall conduct an in-camera review after notifying the commissioner and every party that produced the information. The court may order the commissioner to allow the petitioner to have access to the information provided the petitioner maintains the confidentiality of the information. The petitioner must not disclose the information to any other person, except upon further order of the court. After conducting a regular hearing, the court may order that the information can be disclosed publicly if the court finds that there is a public interest in the disclosure of the information and the exemption of the information from public disclosure is clearly unnecessary to protect any individual's right of privacy or any vital governmental function. (ii) Participant contributions, under chapter 48.125 RCW, used to determine the receipts in this state under this section are determined in the same manner as premiums taxable in this state are determined under RCW 48.14.090.

(d) "Regulatory surcharge" means the fees imposed by subsection (2)(a) of this section.

(2) The annual cost of operating the office of the insurance commissioner is determined by legislative appropriation.

(a) A pro rata share of the cost, except for the cost of the insurance fraud program, is charged to all organizations as a regulatory surcharge. Each class of organization must contribute a

sufficient amount to the insurance commissioner's regulatory account to pay the reasonable costs, including overhead, of regulating that class of organization.

(b) The annual cost of operating the insurance fraud program is charged to all organizations as an insurance fraud surcharge. Each class of organization must contribute a sufficient amount to the insurance commissioner's fraud account to pay the reasonable costs of the program, including overhead.

(3) (a) The regulatory surcharge is calculated separately for each class of organization. The regulatory surcharge collected from each organization is that portion of the cost of operating the insurance commissioner's office, except for the cost of operating the insurance fraud program, for that class of organization, for the ensuing fiscal year that is represented by the organization's portion of the receipts collected or received by all organizations within that class on business in this state during the previous calendar year. However, the regulatory surcharge must not exceed one-eighth of one percent of receipts and the minimum regulatory surcharge is one thousand dollars.

(b) The insurance fraud surcharge collected from each organization is the cost of operating the insurance fraud program for the ensuing fiscal year that is represented by the organization's portion of the receipts collected or received on business in this state during the previous calendar year. However, the insurance fraud surcharge may not exceed one one-hundredths of one percent of receipts and the minimum insurance fraud surcharge is one hundred dollars.

(4) The commissioner must annually, on or before July 1st, calculate and bill each organization for the amount of the regulatory and insurance fraud surcharges. The surcharges are due and payable no later than July 15th of each year. However, if the necessary financial records are not available or if the amount of the legislative appropriation is not determined in time to carry out such calculations and bill the surcharges within the time specified, the commissioner may use the surcharge factors for the prior year as the basis for the surcharges and, if necessary, the commissioner may impose supplemental fees to fully and properly charge the organizations. Any organization failing to pay the surcharges by July 31st must pay the same penalties as the penalties for failure to pay taxes when due under RCW 48.14.060. The surcharges required by this section are in addition to all other taxes and fees now imposed or that may be subsequently imposed.

(5) (a) All moneys collected for the regulatory surcharge must be deposited in the insurance commissioner's regulatory account in the state treasury which is hereby created.

(b) All moneys collected for the insurance fraud surcharge must be deposited in the insurance commissioner's fraud account in the state treasury which is hereby created.

(6) Unexpended funds in the insurance commissioner's regulatory and fraud accounts at the close of a fiscal year are carried forward to the succeeding fiscal year and are used to reduce future regulatory and insurance fraud surcharges.

(7) (a) Each insurer may annually collect regulatory and insurance fraud surcharges remitted in preceding years by means of a policyholder surcharge on premiums charged for all kinds of insurance. The recoupment is at a uniform rate reasonably calculated to collect the regulatory and insurance fraud surcharges remitted by the insurer.

(b) If an insurer fails to collect the entire amount of the recoupment in the first year under this section, it may repeat the

recoupment procedure provided for in this subsection (7) in succeeding years until the regulatory and insurance fraud surcharges are fully collected or a de minimis amount remains uncollected. Any such de minimis amount may be collected as provided in (d) of this subsection.

(c) The amount and nature of any recoupment must be separately stated on either a billing or policy declaration sent to an insured. The amount of the recoupment must not be considered a premium for any purpose, including the premium tax or agents' commissions.

(d) An insurer may elect not to collect the regulatory and insurance fraud surcharges from its insured. In such a case, the insurer may recoup the regulatory and insurance fraud surcharges through its rates, if the following requirements are met:

(i) The insurer remits the amount of the surcharges not collected by election under this subsection; and

(ii) The surcharges are not considered a premium for any purpose, including the premium tax or agents' commission. [2020 c 195 § 2; 2011 c 47 § 3; 2009 c 161 § 1; 2008 c 328 § 6003. Prior: 2007 c 468 § 1; 2007 c 153 § 3; 2004 c 260 § 22; 2003 1st sp.s. c 25 § 923; 2002 c 371 § 913; 1987 c 505 § 54; 1986 c 296 § 7.]

Findings—2020 c 195: "The legislature finds that insurance fraud is not a victimless crime. The national insurance crime bureau has recognized as much as seven hundred dollars per year may be added to the average Washington household's insurance premium costs due to fraudulent insurance claims. For the 2017-2019 biennium, the insurance commissioner's insurance fraud program, known as its criminal investigations unit, reviewed over four thousand five hundred referrals from over one hundred fifty companies. The adjudicated cases from this review resulted in almost two million dollars of restitution and projected insurance claim savings.

The legislature finds it is critical to continue protecting Washington state insurance consumers from the cost of insurance fraud by funding the insurance fraud program through an insurance fraud surcharge and creating the insurance commissioner's fraud account to better manage the accountability of the funds." (4) No waiver of an existing claim of confidentiality or privilege in the documents, materials, or information may occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in subsection (3) of this section.

(5) Nothing in this section may be construed to authorize the commissioner to submit a complete application to the federal government for a waiver of any provision of federal law, including the federal patient protection and affordable care act, P.L. 111-148, as amended by the federal health care and education reconciliation act, P.L. 111-152, or federal regulations or guidance issued under the affordable care act. [2019 c 388 § 2.]

Findings—2019 c 388: "The legislature finds that residents of this state have been impacted by natural disasters such as floods, landslides, wildfires, and earthquakes and continue to be at risk from these and other natural disasters. In 2016, insured losses from natural disasters in the United States totaled almost twenty-four billion dollars. In 2015, Washington state had the largest wildfire season in state history, with more than one million acres burned and costing more than two hundred fifty-three million dollars. In 2017, four hundred four thousand two hundred twenty-three acres burned in Washington state and there were more than four hundred thirty national flood insurance program claims filed, totaling over seven million dollars.

The legislature finds that Washington state has the second highest earthquake risk in the nation, estimated by the federal emergency management agency to exceed four hundred thirty-eight million dollars per year. The 2001 Nisqually earthquake caused more than two billion dollars in damage. A Seattle fault earthquake will cause an estimated thirty-three billion dollars in damage, and a Cascadia subduction zone earthquake will cause an estimated amount of over forty-nine billion dollars in damage.

The legislature finds that it is critical to better prepare this state for disasters and to put in place strategies to mitigate the impacts of disasters. To address this critical need, the legislature is creating a work group to review disaster mitigation and preparation projects in this state and other states, make recommendations regarding how to coordinate and expand state efforts to mitigate the impacts of natural disasters, and evaluate whether an ongoing disaster resiliency program should be created." [2019 c 388 § 1.]

RCW 48.02.250 Living organ donors—Discrimination prohibited.

(1) Notwithstanding any other provision of law, all insurers, fraternal benefit societies, health carriers including disability insurers, health maintenance organizations, and health care service contractors, and limited health care service contractors may not:

(a) Decline or limit coverage of a person under a policy or contract solely due to the status of the person as a living organ donor;

(b) Preclude a person from donating all or part of an organ as a condition of receiving or continuing to receive a policy or contract; or

(c) Otherwise discriminate in the offering, issuance, cancellation, amount of coverage, price, or any other condition of a policy or contract for a person based solely and without any additional actuarial risks upon the status of the person as a living organ donor. Except as provided in RCW 48.43.0128, 48.44.220, or 48.46.370, this subsection does not prohibit fair discrimination on the basis of sex, or marital status, or the presence of any sensory, mental, or physical handicap when bona fide statistical differences in risk or exposure have been substantiated.

(2) The commissioner shall make educational materials available to the health plans and the public on the access of living organ donors to insurance.

(3) The commissioner may adopt rules to implement this section.

(4) For purposes of this section, "living organ donor" means an individual who has donated all or part of an organ and is not deceased. [2021 c 172 § 1.]

RCW 48.02.260 Petitions for removal related to email-based violations.

(1) The commissioner shall develop and implement a process for an affected licensee to petition the commissioner for the removal of any disciplinary investigations and orders on the affected licensee's public disciplinary record related solely to an email-based violation of RCW 48.15.103 or 48.17.475 as those sections existed prior to July 1, 2023. An affected licensee who petitions the commissioner shall provide documentation demonstrating that the disciplinary investigations and orders on the affected licensee's record were solely the result of an email-based violation of RCW 48.15.103 or 48.17.475 as those sections existed prior to July 1, 2023. Upon receipt of a petition with appropriate documentation, the commissioner shall immediately:

(a) Remove any related disciplinary investigations and orders from the affected licensee's public disciplinary record;

(b) Send a notice to the national insurance producer registry that the commissioner erroneously took administrative action against the affected licensee and request that the national insurance producer registry expunge any related record of the administrative action from the affected licensee's history; and

(c) Send to the affected licensee, by certified mail, a copy of the commissioner's notice to the national insurance producer registry.

(2) The commissioner shall identify the amount of money collected as fines from each affected licensee solely for email-based violations of RCW 48.15.103 or 48.17.475 as those sections existed prior to July 1, 2023, and, as soon as practicable, refund such money to each

affected licensee from the existing operating budget for the commissioner's office.

(3) As used in this section:

(a) "Affected licensee" means any licensee regulated by the commissioner who was penalized by the commissioner solely for an email-based violation of RCW 48.15.103 or 48.17.475 as those sections existed prior to July 1, 2023.

(b) "Email-based violation" means a violation solely of RCW 48.15.103 or 48.17.475, as those sections existed prior to July 1, 2023, resulting from an affected licensee's failure to provide a timely response to an inquiry of the commissioner where such inquiry was only sent to the affected licensee by email. A violation of RCW 48.17.475 or 48.15.103 that is connected to a different violation of any insurance laws or rules is not an email-based violation subject to this section. [2023 c 27 § 5.]

Effective date—2023 c 27: See note following RCW 48.17.170.
