

RCW 50.65.020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Commissioner" means the commissioner of the employment security department.

(2) "Department" means the employment security department.

(3) "Enrollees" means those persons who have completed enrollment forms, completed a work agreement, and who have entered into the Washington service corps following the approval of the director of the supervising agency.

(4) "Corps" means the Washington service corps.

(5) "Work agreement" means the written agreement between the department, the enrollee and the supervising agency under this chapter for a period of up to eighteen months.

(6) "Supervising agencies" means those private or public agencies which develop and implement full-time service projects in which enrollees agree to participate.

(7) "Matching funds" means funding that is provided to the employment security department by agencies or individuals as financial support for a portion of the stipend or wage and benefits paid to the enrollee.

(8) "Financial support" means any thing of value contributed by agencies or individuals to the department for a youth employment project which is reasonably calculated to support directly the development and expansion of a particular program under this chapter and which represents an addition to any financial support previously or customarily provided by the individual or agency. "Financial support" includes, but is not limited to funds, equipment, facilities, and training.

(9) "Director" means the individual who shall serve as the director of the exchange. [1987 c 167 § 2; 1983 1st ex.s. c 50 § 2.]
