

RCW 57.24.200 Expenditure of funds to provide certain information authorized—Limits. A district may expend funds to inform residents in areas proposed for annexation into the district of the following:

- (1) Technical information and data;
- (2) The fiscal impact of the proposed improvement; and
- (3) The types of improvements planned.

Expenditures under this section shall be limited to research, preparation, printing, and mailing of the information. [1996 c 230 § 911; 1986 c 258 § 2.]

Part headings not law—Effective date—1996 c 230: See notes following RCW 57.02.001.
