**RCW 70.126.001 Legislative finding.** The legislature finds that the cost of medical care in general and hospital care in particular has risen dramatically in recent years, and that in 1981, such costs rose faster than in any year since World War II. The purpose of RCW 70.126.001 through \*70.126.050 is to support the provision of less expensive and more appropriate levels of care, home health care and hospice care, in order to avoid hospitalization or shorten hospital stays. [1983 c 249 § 4.]

**\*Reviser's note:** RCW 70.126.040 and 70.126.050 were repealed by 1988 c 245 § 34, effective July 1, 1989.

**Effective date—Implementation—1983 c 249:** "This act shall take effect on July 1, 1984. The department of social and health services shall immediately take such steps as are necessary to insure that this act is implemented on its effective date." [1983 c 249 § 11.]

**RCW 70.126.010 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Hospice" means a private or public agency or organization that administers and provides hospice care and is licensed by the department of social and health services as a hospice care agency.

(2) "Hospice care" means care prescribed and supervised by the attending physician and provided by the hospice to the terminally ill in accordance with the standards of RCW 70.126.030.

(3) "Home health agency" means a private or public agency or organization that administers and provides home health care and is licensed by the department of social and health services as a home health care agency.

(4) "Home health care" means services, supplies, and medical equipment that meet the standards of RCW 70.126.020, prescribed and supervised by the attending physician, and provided through a home health agency and rendered to members in their residences when hospitalization would otherwise be required.

(5) "Home health aide" means a person employed by a home health agency or a hospice who is providing part-time or intermittent care under the supervision of a registered nurse, a physical therapist, occupational therapist, or speech therapist. Such care includes ambulation and exercise, assistance with self-administered

medications, reporting changes in patients' conditions and needs, completing appropriate records, and personal care or household services that are needed to achieve the medically desired results.

(6) "Home health care plan of treatment" means a written plan of care established and periodically reviewed by a physician that describes medically necessary home health care to be provided to a patient for treatment of illness or injury.

(7) "Hospice plan of care" means a written plan of care established and periodically reviewed by a physician that describes hospice care to be provided to a terminally ill patient for palliation or medically necessary treatment of an illness or injury.

(8) "Physician" means a physician licensed under chapter 18.57 or 18.71 RCW. [1988 c 245 § 29; 1984 c 22 § 4; 1983 c 249 § 5.]
