

RCW 70.230.190 Certain ambulatory surgical facilities deemed to have complied with survey requirements of RCW 70.230.100. Any entity that meets the definition of an ambulatory surgical facility in RCW 70.230.010 that had been issued a license on or after July 1, 2009, that was later declared void by a department determination that the entity did not meet the definition of an ambulatory surgical facility shall be deemed to have complied with the survey requirements of RCW 70.230.100 for its initial license application. [2011 c 76 § 3.]

Effective date—2011 c 76: See note following RCW 70.230.010.
