

RCW 70A.15.1100 Issuance of enforceable order—Overburdened communities. The department or a local air authority must issue an enforceable order under this chapter, consistent with RCW 70A.65.020(2) (b) and (c), to all permitted or registered sources operating in overburdened communities when, consistent with RCW 70A.65.020(2) (a), the department determines that criteria pollutants are not being reduced in an overburdened community and the department or local air authority adopts stricter air quality standards, emissions standards, or emissions limitations on criteria pollutants. [2021 c 316 § 35.]

Short title—2021 c 316: See RCW 70A.65.900.
