

**RCW 70A.350.110 Motor vehicle tire containing 6PPD.** For the purposes of the regulatory process established in this chapter, a motorized vehicle tire containing 6PPD that is equipped on or intended to be installed as a replacement tire on a motorized vehicle for on-highway use is a priority consumer product. For these priority products, the department must determine regulatory actions and adopt rules to implement those regulatory determinations consistent with the process established in RCW 70A.350.040 and 70A.350.050. In determining regulatory actions under this section, the department must specifically consider the effect of the regulatory actions on driver and passenger safety. [2024 c 343 s 4.]

**Findings—Intent—2024 c 343:** See note following RCW 70A.350.010.
