

RCW 72.09.760 Facility commissary program—Access. (1) In providing access to the facility commissary program in state correctional facilities, the department is strongly encouraged to provide, at a minimum, weekly access to the facility commissary program across all departmental institutions of total confinement. The department may not reduce frequency at departmental institutions that have weekly access to the facility commissary program as of June 11, 2020.

(2) By December 1, 2020, the department must provide access to the facility commissary program at least twenty-six times per year or once every two weeks at all institutions of total confinement. [2020 c 319 § 3.]
