[2005 c 473 § 2.]

Purpose—2005 c 473: "The legislature recognizes that child care providers provide valuable services for the families of Washington state and are an important part of ensuring the healthy growth and development of young children. It also recognizes the importance of ensuring that operators of child day-care centers and family day-care providers are providing safe and quality care and operating in compliance with minimal standards.

The legislature further recognizes that parents, as consumers, have an interest in obtaining access to information that is relevant to making informed decisions about the persons with whom they entrust the care of their children. The purpose of this act is to establish a system, consistent throughout the state, through which parents, guardians, and other persons acting in loco parentis can obtain certain information about child care providers." [2005 c 473 § 1.]
