

RCW 76.09.280 Removal of log and debris jams from streams.

Forestland owners shall permit reasonable access requested by appropriate agencies for removal from streambeds abutting their property of log and debris jams accumulated from upstream ownerships. Any owner of logs in such jams in claiming or removing them shall be required to remove all unmerchantable material from the streambed in accordance with the forest practices regulations. Any material removed from streambeds must also be removed in compliance with all applicable laws administered by other agencies. [1974 ex.s. c 137 § 28.]
