

RCW 78.06.020 Duplicate survey reports to be filed with county auditor—Contents. All reports of geological, geophysical, or geochemical surveys on mining claims which may be filed with the auditor of any county in this state pursuant to United States Public Law 85-876 or amendments or revisions thereto shall be so filed in duplicate, and shall set forth fully:

(1) The location of the survey performed in relation to the point of discovery and boundaries of the claim.

(2) The nature, extent, and cost of the survey.

(3) The date the survey was commenced and the date completed.

(4) The basic findings therefrom.

(5) The name, address, and professional background of the person or persons performing or conducting the survey. [1959 c 119 § 2.]
