Tax preference performance statement—2022 c 241: "(1) This section is the tax preference performance statement for the tax preference contained in chapter 241, Laws of 2022. This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or to be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to induce certain designated behavior by taxpayers, as indicated in RCW 82.32.808(2) (a).

(3) It is the legislature's specific public policy objective to expand affordable housing options for very low to moderate-income households, specifically in underdeveloped urban areas.

(4) (a) To measure the effectiveness of the tax preference in this act, the joint legislative audit and review committee must evaluate the number of increased housing units on underdeveloped property. If a review finds that the number of affordable housing units has not increased, then the legislature intends to repeal this tax preference.

(b) The review must be provided to the fiscal committees of the legislature by December 31, 2030.

(5) In order to obtain the data necessary to perform the review in subsection (4) of this section, the joint legislative audit and review committee may refer to any available data source, including data collected by the department under section 10 of this act." [2022 c 241 § 15.]
