

RCW 84.33.250 Forestland valuation—Special benefit assessments.

The department shall adopt rules it shall deem necessary to implement RCW 84.33.210 through 84.33.270, which shall include, but not be limited to, procedures to determine the extent to which a portion of the land otherwise exempt may be subject to a special benefit assessment for: (1) The actual connection to the domestic water system or sewerage facilities; (2) access to the road improvement in relation to its value as forestland as distinguished from its value under more intensive uses; and (3) the lands that benefit from or cause the need for a local improvement district. The provision for limited special benefit assessments shall not relieve the land from liability for the amounts provided in RCW 84.33.220 and 84.33.230 when the land is removed from its forestland designation.
