

RCW 84.52.058 School districts with high/nonhigh relationship.

For districts in a high/nonhigh relationship, if the high school district is subject to the maximum per pupil limit under RCW 84.52.0531, the high school district's maximum levy amount must be reduced by an amount equal to the estimated amount of the nonhigh payment due to the high school district under RCW 28A.545.030(3) and 28A.545.050 for the school year commencing the year of the levy.
[2018 c 266 § 305.]
