

RCW 86.09.412 Assessments—Alternative method, percentage shall fix the class. In case said alternative method of determining the ratio of benefits is adopted by any such district the percentage given a tract of land shall fix the class to which said tract belongs for assessment purposes. [1937 c 72 § 138; RRS § 9663E-138. Formerly RCW 86.08.460, part.]
