has been approved in advance by the commission. Each such board must clearly indicate on its face the terms and conditions under which the opportunity to obtain the second, or step-up punch may be obtained and the prizes which may be won by the step-up punch.

The prize shall then be paid or delivered to the winner forthwith.

- (c) The date of the win
- (d) A description of the prize won
- (e) If the prize is merchandise, its retail value
- (f) The commission identification stamp number of the punchboard or pull tab series from which the prize was won.

The licensee shall not pay out any prize unless and until the winner has fully and accurately furnished to the licensee all information required by this rule to be kept upon the records of the licensee.

Every licensee shall keep the record of all prizes awarded in excess of five dollars, containing all of the information required in subsection (5) above, for a period of one year and shall display the same to any member of the public, representative of the commission or law enforcement officials upon demand. [Order 43, § 230-30-070, filed 11/28/75; Order 29, § 230-30-070, filed 1/23/75; Order 27, § 230-30-070, filed 11/15/74; Order 23, § 230-30-070, filed 9/23/74; Order 14, § 230-30-070, filed 3/27/74; Order 12, § 230-30-070, filed 2/14/74; Order 5, § 230-30-070, filed 12/19/73.]

(1) **Punchboards** – a minimum of 60 percent respecting each punchboard placed out for public play.

(2) **Pull tabs** – a minimum of 65 percent respecting each series of pull tabs placed out for public play.

(3) Single cash prizes on punchboards/pull tabs shall not exceed:

WAC 230-30-080 Limitation on pull tab dispensing devices. (1) No pull tabs shall be placed out for public play unless the device by which they are dispensed to the consumer allows the consumer to either:

(a) See all of the pull tabs remaining on or within the series of pull tabs; or

(b) The device contains a counter mechanism on its face which sets out clearly and precisely at any given time either

(i) The number of pull tabs which remain within, or

(ii) The number of pull tabs which have been purchased from, the pull tab series then in play.

If one of the alternatives set out in subsection (b) is used, a notice shall be placed on the face of the dispensing device which clearly and plainly tells how one is able to use the number shown upon the counter to determine the number of chances remaining in the series of pull tabs for comparison with the number and quality of those prizes remaining with respect to that series at any given time.

This subsection (1) shall not be effective after July 31, 1976.

(2) No pull tabs shall be placed out for public play unless the total number of pull tabs originally in the series shall be clearly disclosed on the face of the flare advertising the prizes available from that series of pull tabs.

(3) No pull tab shall be added to a series of pull tabs after that series has been shipped from its place of manufacture.

(4) No pull tab series, or any portion thereof, shall be placed in, or if a spindle upon, any pull tab dispensing device until any other series of pull tabs previously in, or upon, the device has been played out or permanently removed from public play.

(5) No pull tab once placed in, or if a spindle upon, a pull tab dispensing device out for public play shall be removed from the dispensing device until the series is permanently removed from public play, except only:

- (a) Those pull tabs actually played by consumers,
- (b) Those pull tabs removed by representatives of the commission, or other law enforcement agency inspecting the device, and
- (c) Those tabs temporarily removed during necessary repair or maintenance of the device.

Excepting only tabs removed under (b) and (c) hereinabove, once a pull tab has been removed from public play it shall not again be put out for public play.

(6) Effective August 1, 1976, no person shall put out any pull tab series for public play unless the series of pull tabs is wholly contained within, or if a spindle upon, the device used for dispensing that series.

(7) Effective August 1, 1976, no person shall sell or transfer to another person in this state, or for use within this state, or shall place out for public play any device for the dispensing of pull tabs not so constructed as to allow a consumer to clearly see each pull tab within, or if a spindle upon, the device prior to playing the device.

(8) Effective August 1, 1976, no person shall sell or transfer to any other person in this state, or for use within this state, or put out for public play any device for the dispensing of pull tabs without permanent lines or markings on the face of the device and clearly visible to the consumer which effectively divide the tabs remaining in the device into divisions of approximately 25 tabs so that the consumer can determine how many tabs remain within the device.

(9) Effective August 1, 1976, no person shall put out for public play any device for the dispensing of pull tabs which is not so constructed as to provide for at least one selection position for every 400 pull tabs originally in the series in play in the machine.

The following schedule shall be followed in the enforcement of this subsection:

MINIMUM NUMBER OF TABS FROM WHICH SELECTION MUST BE AVAILABLE	THE NUMBER OF TABS ORIGINALLY IN SERIES OF PLAY

2	401-800
3	801-1200
4	1201-1600

[Order 18, § 230-30-090, filed 5/21/74.]

WAC 230-30-095 Pull tab dispensing devices to be submitted to commission for approval prior to sale. No pull tab dispensing device shall be put out for public play, or sold or otherwise furnished to any person in this state, or for use within this state, after August 1, 1976 unless and until an identical prototype of that device has first been presented to the commission by its manufacturer and has been approved by the commission for use within this state.

Prototypes, or examples, of such devices shall be presented at the commission's office for staff review, together with an application for commission approval on a form obtained from the commission, not less than 60 calendar days prior to the date by which a commission decision is desired.

The commission shall retain the device actually submitted for approval, or a later production model thereof, at the discretion of the director or the commission. Approval, if granted, shall extend only to the specific device approved and devices exactly like it. If the device is modified in any way, excepting only in color and other like superficial appearance features, it must be resubmitted for commission approval of such modifications and shall be treated in all respects under this rule as if it were a new and different device.

The traditional single spindle device, and the clear glass or plastic traditional fishbowl device, for the dispensing of pull tabs are hereby approved and these devices need not be submitted to the commission for further approval notwithstanding the above provisions of this rule. [Order 55, § 230-30-095, filed 6/25/76; Order 45, § 230-30-095, filed 12/30/75.]

(1) No operator shall put out for play, and no distributor or manufacturer shall sell or otherwise furnish, any punchboard, series of pull tabs or device for the dispensing of pull tabs unless each such board, series, or device shall have conspicuously set forth thereon a stamp, seal or label which identifies its manufacturer and the city and state of its manufacturer.

(2) Any coin-operated pull tab dispensing device manufactured or sold in this state, or for use in this state, and initially placed out for play on or after August 1, 1976, shall have the manufacturer's name, the city and state of its manufacturer, and the manufacturer's serial number for that device stamped or embossed into its case. The manufacturer shall keep a permanent record describing each such device sold, identifying the purchaser and setting out that serial number.

The manufacturer's serial number shall be set out on the sales invoice each time the device is sold or transferred.

(3) Each individual pull tab shall have conspicuously set forth thereon the name of the manufacturer or label or trademark which identifies its manufacturer. The label or trademark must be filed with the commission prior to the printing of the pull tab: *Provided*, That licensed distributors and operators who have existing inventories of punchboards and pull tabs without the manufacturer's label or trademark on April 1, 1975, which can be documented by manufacturer or distributor invoice, may use those inventories. A distributor selling such inventory equipment to a licensed operator must indicate on the invoice that the equipment is inventory in stock on April 1, 1975: *Provided further*, That no such inventory in stock on April 1, 1975 may be legally sold after April 1, 1976.

(4) No operator shall put out for play and no distributor shall sell or otherwise furnish, any punchboard, series of pull tabs or coin operated device for the dispensing of pull tabs, unless the manufacturer of punchboards, series of pull tabs or coin operated device for the dispensing of pull tabs, identified on such device, has been licensed by the commission. [Order 55, § 230-30-100, filed 6/25/76; Order 43, § 230-30-100, filed 11/28/75; Order 27, § 230-30-100, filed 11/15/74; Order 23, § 230-30-100, filed 9/23/74; Order 18, § 230-30-100, filed 5/21/74; Order 12, § 230-30-100, filed 2/14/74.]

WAC 230-30-102 Pull tab series assembly and packaging. Manufacturers of pull tabs shall manufacture, assemble, and package each pull tab series in such a manner that none of the winning pull tabs, nor the location or approximate location of any of the winning pull tabs can be determined, in advance of opening the pull tabs in any manner or by any device, including but not limited to any pattern in manufacture, assembly, packaging, markings, or by the use of a light.

Winning pull tabs shall be randomly distributed and mixed among all other pull tabs in the series. The series shall be assembled and packaged with special care so as to eliminate any pattern as between series, or portions of series, from which the location or approximate location of any of the winning tabs may be determined.

When the series is packaged in more than one package, box or other container, the entire series of individual pull tabs shall be mixed in such a manner that no person can determine the position or approximate location of any of the winning pull tabs or determine whether any one package or portion of a series contains a larger or smaller percentage of winning pull tabs than

the balance of the series. The packages, boxes or other containers shall not be numbered as to distinguish one from the other and have no marking other than the series number. Each series of pull tabs shall contain a packing slip placed inside the package containing the name of manufacturer, series number, date the series was packaged, and the name or identification of the person who packaged the series. [Order 78, § 230-30-102, filed 11/17/77; Order 43, § 230-30-102, filed 11/28/75.]

WAC 230-30-103 Standards for construction of pull tabs. Pull tabs shall be constructed so that it is impossible to determine the covered or concealed number, symbol, or set of symbols, on the pull tab until it has been dispensed to and opened by the player, by any method or device, including but not limited to, the use of a marking, variance in size, variance in paper fiber, or light. [Order 78, § 230-30-103, filed 11/17/77; Order 43, § 230-30-103, filed 11/28/75.]

WAC 230-30-104 Possession or sale of pull tab series in which winners or location of winners may be determined in advance—Prohibited. (1) No operator, distributor or manufacturer, or representative thereof, with knowledge or in circumstances whereunder he reasonably should have known, shall possess, display, put out for play, sell or otherwise furnish to any person any pull tab series or pull tab from any series:

(a) In which the winning tabs have not been completely and randomly distributed and mixed among all other tabs in the series; or

(b) In which the location, or approximate location, of any of the winning tabs can be determined in advance of opening the tabs in any manner or by any device, including but not limited to, any pattern in the manufacture, assembly or packaging of the tabs by the manufacturer, by any markings on the tabs or container, or by the use of a light; or

(c) Which does not conform in any other respect to the requirements of these rules as to manufacture, assembly, or packaging of pull tabs.

(2) No manufacturer or distributor or representative thereof shall use as a sales promotion any statement, demonstration, or implication that any certain portion of a series of pull tabs contains more winners than other portions of the series or that any series of pull tabs may be sold by the operator in a particular manner that would give the operator any advantage in selling more of the pull tabs before having to pay out winners. [Order 78, § 230-30-104, filed 11/17/77.]

WAC 230-30-105 Only one flare may be used with a punchboard or pull tab series. No person shall place or have out in public view more than one flare advertising the prizes available from the operation of any punchboard, or from any series of pull tabs. [Order 43, § 230-30-105, filed 11/28/75.]

WAC 230-30-106 Standards for flares. The flare advertising prizes available from the operation of any punchboard, or any series of pull tabs shall:

(1) Be placed only upon the upper face, or on the top, of any such punchboard or any device used to dispense the pull tabs; and

(2) Clearly set out each of the prizes available and the number or symbol which wins prizes; and

(3) Set out the winning numbers or symbols for prizes of five dollars or more in cash, or merchandise worth five dollars or more at retail, in such a manner that each may be easily and clearly deleted or marked off as each prize is won and awarded. [Order 43, § 230-30-106, filed 11/28/75.]

WAC 230-30-110 Possession of duplicate numbered-color coded pull tab series prohibited. A. Each manufacturer of pull tabs shall assign a series number to each series of pull tabs he manufactures and place that series number on each pull tab in that series. A manufacturer may, in addition, assign a color trim to that series and if so, each pull tab in the series shall also reflect that color trim.

No manufacturer, manufacturer's representative, distributor or distributor's representative shall sell or furnish to any operator a series of pull tabs with the same series number and color code combination as a series which that operator has previously purchased or obtained but upon which play has not been completed.

B. No person licensed as an operator of punchboards or pull tabs shall ever obtain or possess, or shall ever allow upon the licensed premises, a series of pull tabs, or portion thereof, with the same series number, or series number or color code combination, as any other series of pull tabs or portion thereof in his possession, or on the licensed premises: *Provided*, That this rule shall not prevent a person from retaining upon the licensed premises pull tabs remaining from series removed from play for the purposes of complying with federal or state law or regulation if that person

(1) Has punched a hole through each such pull tab removed and retained with a standard hole punch not less than 1/8" in diameter immediately upon removal of the pull tabs from play, and

(2) Made a written record of the series number, color code if any, and the number of tabs remaining in that series, immediately upon removing that series from play, and

(3) The written record so made is maintained upon the licensed premises for a period of not less than three years after the series is removed. [Order 27, § 230-30-110, filed 11/15/74.]

WAC 230-30-130 Flare to display pull tab series number. Each flare describing the prizes and winning numbers or symbols for a series of pull tabs in play shall clearly set out the series number assigned to that pull tab series by the manufacturer. The series number will be placed upon the flare by the manufacturer prior to the series being sold to a distributor or operator. [Order 48, § 230-30-130, filed 3/23/76; Order 23, § 230-30-130, filed 9/23/74.]

WAC 230-30-200 Punchboard and pull tab business restrictions. (1) No operator shall buy, receive or otherwise obtain, nor shall any manufacturer or distributor, or anyone connected therewith, sell or deliver any punchboard, pull tab, pull tab dispensing device or related equipment, or merchandise for prizes to be awarded in connection with such activities, to any operator, except upon the basis of a cash transaction, nor shall any operator permit any manufacturer or distributor or anyone connected therewith, to acquire any interest, including a security interest, in any such equipment or merchandise. A cash transaction shall include payment or payments by check: *Provided*, That each check is presented for payment into the banking system by the end of the second business day following the day the check is written.

(2) No operator shall accept a loan of money or any thing of value from any manufacturer or distributor, or from anyone connected therewith. [Order 18, § 230-30-200, filed 5/21/74; Order 5, § 230-30-200, filed 12/19/73.] See Reviser's Note.

WAC 230-30-210 Buying from and selling to only licensees required. No manufacturer, distributor or distributor's representative, shall sell or otherwise make available to any person any punch boards, pull tabs, pull tab dispensing devices or related equipment in this state unless it has first determined that such person has a valid license issued by the commission to sell or otherwise distribute such equipment within this state, or to operate such activity on a particular premise within this state.

No operator, distributor or distributor's representative, shall purchase or otherwise obtain from any person any punch board, pull tab, device for the dispensing of pull tabs or related equipment in this state until it has first determined that the person selling or otherwise offering such equipment has a valid license issued by the commission to sell the equipment in this state or has been registered with the commission as required. [Order 5, § 230-30-210, filed 12/19/73.]

WAC 230-30-212 Punchboards, pull tabs and related equipment may be sold with sale of business. (2) Each such item sold together with the business is reported to the commission in writing by the seller. This

report shall include a complete description of each item sold together with the number of the commission's stamp assigned to each item, and the number assigned by the manufacturer to each board, series of pull tabs or device. [Order 23, § 230-30-212, filed 9/23/74.]

(b) A complete description of the items to be sold including commission identification stamp number,

(c) The name and license number of the distributor or manufacturer who will buy the equipment.

(1) The trade-in is accomplished in connection with, and as a part of, an occasional transaction wherein a licensed operator is purchasing other pull tab dispensing devices from a licensed distributor or manufacturer.

(2) The portion of the purchase price of the devices purchased by the operator to be deducted as a credit for the devices traded in is the fair market price of such trade-in items, taking into account their age, condition and functional obsolescence. The trade-in credit shall be for value received and shall not be used by the distributor or manufacturer to grant a discount in the price of the devices sold to the operator when such discount is not available to all other customers of the distributor or manufacturer.

(3) A record shall be kept of each transaction by all parties to it which includes:

(a) A complete description of each device sold to the operator, its sales price and the identifying number of the device set out on the stamp affixed thereto by the commission.

(b) A complete description of each device traded in to the distributor or manufacturer, the amount of money deducted from the sales price of the items purchased by the operator as a result of the device being traded in, and the identifying number of the device set out on the stamp affixed thereto issued by the commission. These records shall be in addition to those elsewhere required. The records of these transactions shall be retained by each party for not less than three years following the transaction. Each licensee may establish rules of conduct for the card players on its premises.

Each such immaterial modification, or rule of conduct, shall be conspicuously posted on the premises where it can be clearly seen by the players in the card game.

Where other of the commission's rules are inconsistent in any respect with the above-referenced publication, or with any modification or rule of conduct of the licensee, the commission's rule shall prevail over such inconsistent requirement. [Order 67, § 230-40-015, filed 3/11/77; Order 40, § 230-40-015, filed 6/26/75; Order 29, § 230-40-015, filed 1/23/75.]

Money taken in on chips sold shall be kept separate and apart from all other money received by the licensee.

The deposition shall then be signed by the witness, unless the parties by stipulation waive the signing or the witness is ill or cannot be found or refuses to sign. If the deposition is not signed by the witness, the officer shall sign it and state on the record the fact of the waiver or of the illness or absence of the

witness or the fact of the refusal to sign together with the reason, if any, given therefor; and the deposition may then be used as fully as though signed, unless, following a motion to suppress, the commission or its hearing officer holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

(2) The officer shall certify on the deposition that the witness was duly sworn by him and that the deposition is a true record of the testimony given by the witness. He shall then securely seal the deposition in an envelope indorsed with the title of proceeding and marked "deposition of (here insert name of witness)" and shall promptly send it by registered or certified mail to the commission, or its designated hearing officer, for filing. Within ten days thereafter a party so served may serve cross-interrogatories upon the party proposing to take the deposition. Within five days thereafter, the latter may serve redirect interrogatories upon the party who served cross-interrogatories.
