**WAC 260-70-020 Repealed.** See Disposition Table at beginning of this chapter.

**WAC 260-70-021 Medication standards.** (1) No horse shall have in its body any prohibited drug while participating in a race.

(2) No person shall administer, attempt to administer, or aid or abet in the administration of, any medication or drug to a horse on the day of a race in which the horse is entered prior to the race except in accordance with this rule.

(3) Subject to the provisions of this rule, medication calculated to improve or protect the health of a horse may be administered to a horse in training.

(4) The administration of medication to any horse on race day, except as hereinafter provided, is prohibited. For the purpose of this rule, the day of the race shall be deemed to commence at 9:00 p.m. on the day preceding the race.

(5) Nutritional aids, administered orally only, will be permitted at any time.

(6) Only lasix (furosemide), and/or conjugated estrogens, will be permitted on race day for the treatment only of horses which have been confirmed as "bleeders" by a state veterinarian. For purposes of this rule a "bleeder" is a horse which has bled on the track or immediately thereafter. Lasix and/or conjugated estrogens shall not be administered within four hours of the published post time for the race in which the horse is entered. No horse shall race with any diuretic other than lasix in its body. Horses treated with lasix and/or conjugated estrogens will be subject to blood, as well as urine testing.

(7) Approved nonsteroidal anti-inflammatory drugs (NSAIDS) may be administered to a horse, but not on race day. No more than one of the NSAIDS may be used on or carried in a horse's body at any one time.

Vitamins are permitted, however. The provisions of subsection (6) of this section authorizing the stewards to grant permission for use of an approved medication on bleeders shall not be applicable to any two-year old horse. The finding of any medication prohibited herein in a two-year old horse participating in a race shall disqualify the owner of such horse from participating in the purse distribution; and in addition the stewards may take any authorized action they may consider necessary to preserve the integrity of racing.

(9) In the case of delayed-release substances, the time of administration shall be deemed that time at which such medication, drug, or substance is released within the body of a horse. [Statutory Authority: RCW 67.16.020 and 67.16.040, 80-01-072 (Order 79-02), § 260-70-021, filed 12/24/79.]

**WAC 260-70-030 Repealed.** See Disposition Table at beginning of this chapter.

**WAC 260-70-050 Procedure for taking specimens.** All horses from which specimens are to be drawn are to be taken to the detention area at the prescribed time and remain there until released by the commission veterinarian. No person other than the owner, trainer, groom, or hotwalker of a horse to be tested, and no lead pony, shall be admitted to the detention area without permission of the commission veterinarian.

(a) During the taking of specimens from a horse, the owner or responsible trainer (who in the case of a claimed horse shall be the person in whose name such horse raced), or a stable representative designated by such owner or trainer, shall be present and witness the taking of such specimens and so signify in writing.

(b) Samples taken from a horse by the commission veterinarian or his assistant shall be placed in a container and sealed together with a double identification tag. One portion of such tag bearing a printed identification number shall remain with the sealed container; the other portion of such tag bearing the same printed identification number shall be detached in the presence of the witness and the commission veterinarian shall thereon identify the horse from which such specimen was taken, as well as the race and day, verified by such witness, and such detached portion of identification tag shall be kept by the commission veterinarian for delivery only to the stewards and/or the racing commission. The commission veterinarian shall take every precaution to insure that the commission chemist and no member of the laboratory staff shall know the identity of the horse from which the specimen has been taken prior to the completion of all testing thereon.

(c)(1) If, after a horse remains a reasonable time in the detention area and a specimen may not be taken from such a horse, the commission veterinarian may permit such horse to be returned to its barn in usual

surroundings for the taking of the specimen under the supervision of the commission veterinarian.

(2) With the consent of the trainer or attendant the commission veterinarian may administer to the horse a diuretic to facilitate urination. Quantity, identity, and time of administration shall be noted on both portions of the specimen tag by the commission veterinarian.

(d) The commission veterinarian shall be responsible for safeguarding all specimens while in his possession and shall cause such specimens to be delivered only to the chief chemist as soon as possible after sealing, but in such order or in such manner as not to reveal the identity of any horse from which each sample was taken.

(e) All specimens taken by or under the supervision of the commission veterinarian or other authorized representative of the commission shall be delivered to the chief chemist at the laboratory of the commission for official analysis.

(f) Notwithstanding the provisions of these rules requiring certain functions to be performed by the commission veterinarian, he may delegate any of such duties to an authorized representative or representatives, approved by the commission, so long as such delegation is not of a duty which would under the appropriate statutes be defined as the practice of veterinary medicine. [Statutory Authority: RCW 67.16.020. 78-06-001 (Order 78-1), § 260-70-050, filed 5/4/78; Order 74.1, § 260-70-050, filed 5/22/74, effective 7/1/74.]

**WAC 260-70-060 Effect of laboratory analysis.** Should the laboratory analysis of any specimen taken from a horse following a race show evidence of medication such shall be deemed prima facie evidence that such was administered and that the horse carried such medication in its body while running in the race. [Statutory Authority: RCW 67.16.020. 78-06-001 (Order 78-1), § 260-70-060, filed 5/4/78; Order 74.1, § 260-70-060, filed 5/22/74, effective 7/1/74.]

**WAC 260-70-070 Persons responsible.** Any person found to have administered a medication or to have failed to have administered a medication which caused or could have caused a violation of these rules, or who participated or attempted to participate in any way in such administration or failure to administer, shall be subject to disciplinary action.

The licensed trainer of a horse found to have been administered a medication in violation of these rules shall be deemed responsible in accordance with WAC 260-28-180. Mitigating circumstances or exonerating evidence shall be taken into account by the stewards or commissioners in determining the penalty, if any, for any improper administering of or failure to administer medication.

The assistant trainer, groom, stable watchman, or any other person having the immediate care and custody of a horse found to have been administered a medication in violation of these rules, if found negligent in guarding or protecting such horse from tampering shall be subject to disciplinary action.

A licensed veterinarian shall be responsible for any medication he administers, prescribes, or causes to be administered by his direction on a horse, and if found to have made an error in type or quantity of same administered, on the correctness of which act or judgment a trainer relied in racing treated horse in violation of these rules, then such veterinarian shall be subject to disciplinary action. [Statutory Authority: RCW 67.16.020. 78-06-001 (Order 78-1), § 260-70-070, filed 5/4/78; Order 74.1, § 260-70-070, filed 5/22/74, effective 7/1/74.]

**WAC 260-70-080 Procedure upon positive finding by chief chemist.** Whenever a laboratory analysis of a specimen taken pursuant to these rules shows the presence or absence of medication in apparent violation of these rules, the stewards shall conduct or cause to be conducted a thorough investigation of the incident. The stewards may make such temporary orders with respect to the suspension of the trainer, groom, owner, or other person as will protect the public. Such order shall be effective only until the conclusion of a hearing before the stewards which shall be held within three days of request for such hearing. At any such hearing, or, any hearing, held pursuant to these rules before the stewards or the commission, the trainer shall be deemed responsible in accordance with WAC 260-28-180 and unless evidence of sufficient credibility and weight is presented, the stewards may make a finding in accordance with said rule. The stewards may take such action against the person or persons found responsible as they deem proper, including reference to the commission. If the stewards or commissioners are of the opinion that the evidence proves the proper administration of a permitted medication or the absence of administration of a prohibited drug, the stewards or commissioners shall exonerate the trainer completely. The stewards or commissioners shall make such further orders suspending or fining, or both, the person or persons found responsible.

In case the finding is of the presence of a prohibited drug, the owner of a horse shall not participate in the purse distribution of such race, and shall be denied or shall promptly return any portion of the purse, or sweepstakes, and any trophy in such race and the same shall be distributed as in the case of a disqualification. If a horse shall be disqualified in a race because of the infraction of this rule, the eligibility of other horses which ran in such race and which have started in a subsequent race before announcement of such disqualification shall not be in any way affected. [Statutory Authority: RCW 67.16.020. 78-06-001 (Order 78-1), § 260-70-080, filed 5/4/78; Order 74.1, § 260-70-080, filed 5/22/74, effective 7/1/74.]
