The deposition shall then be signed by the witness, unless the parties by stipulation waive the signing or the witness is ill or cannot be found or refuses to sign. If the deposition is not signed by the witness, the officer shall sign it and state on the record the fact of the waiver or of the illness or absence of the witness or the fact of the refusal to sign together with the reason, if any, given therefor; and the deposition may then be used as fully as though signed, unless on a motion to suppress the commission holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

The officer shall certify on the deposition that the witness was duly sworn by him and that the deposition is a true record of the testimony given by the witness. He shall then securely seal the deposition in an envelope indorsed with the title of proceeding and marked "Deposition of (here insert name of witness)" and shall promptly send it by registered or certified mail to the commission, or its designated hearing officer, for filing. WAC 260-48-140 Computing pay-off and commissions in event of difference in pool or pools. Whenever there is a difference in any pool or pools, i.e., a difference between the sum total of the wagers on the individual horses as compared with the grand total as shown by the tote board, the larger amount shall be used as the basis of computing the pay-off. The said larger amounts shall be used as the base on which the commissions are computed and paid to the association and to the state, respectively. [Rules of racing, § 401, filed 4/21/61.]

WAC 260-48-150 Computing pay-off when tote fails or is unreliable. Whenever the tote board fails mechanically and is obviously unreliable as to the amounts wagered, the pay-off shall be computed on the sums wagered in each pool as shown by the recapitulation of the sales registered by each ticket issuing machine. [Rules of racing, § 402, filed 4/21/61.]

WAC 260-48-160 Refund of bets—Horse excused after betting begun. If a horse be excused from racing for any reason whatsoever, after the betting thereon has begun, the money bet on that horse shall be refunded; except that when the horse is part of an entry or the "field", there shall be no refund, if the entry or the "field", as the case may be, has at least one actual starter. [Rules of racing, § 403, filed 4/21/61.]

WAC 260-48-170 Refund of bets—Horse affected by starting gate failure. If it be determined by the stewards that a horse has been prevented from racing because of the failure of the stall door of the starting gate to open, the money bet on that horse shall be refunded; except that when the horse is part of an entry or the "field", there shall be no refund, if the entry or the "field", as the case may be, has at least one actual starter.

WAC 260-48-180 Refund of bets—No horse finishing race. If no horse finishes in a race all money wagered on that race shall be refunded. [Rules of racing, § 405, filed 4/21/61.]

(1980 Ed.)
WAC 260-48-190 Refund of bets—Two or more horses coupled on same ticket. If two or more horses in a race are coupled on the same mutuel ticket, there shall be no refund unless all the horses so coupled are excused before off-time, or all of the horses so coupled are locked in the gate. [Rules of racing, § 406, filed 4/21/61.]

WAC 260-48-200 Refund of bets—Race declared off. If a race is declared off by the stewards after wagering begins on that race, all money wagered on that race shall be refunded. [Rules of racing, § 407, filed 4/21/61.]

WAC 260-48-210 Apportionment of win pool when no win money bet on winning horse. If a horse wins and there is no money wagered on him to win, the win pool shall be appointed among the holders of the place tickets on that horse, if any; otherwise among holders of the show tickets. [Rules of racing, § 408, filed 4/21/61.]

WAC 260-48-220 Apportionment of place pool when no place money bet on placing horse. If no money has been wagered to place on a horse which is placed first or second in a race, the place pool for that race shall be apportioned among holders of the place tickets on the other horse which was placed first or second. [Rules of racing, § 409, filed 4/21/61.]

WAC 260-48-230 Apportionment of show pool when no show money bet on showing horse. If no money has been wagered to show on a horse which is placed first, second or third in a race, the show pool in that race shall be apportioned among the holders of show tickets on the other horses which are placed first, second or third in that race. [Rules of racing, § 410, filed 4/21/61.]

WAC 260-48-240 Apportionment of place and show pools when only one horse finishes. If only one horse finishes in a race, the place and show pools shall be apportioned among the holders of the place and show tickets on that horse. [Rules of racing, § 411, filed 4/21/61.]

WAC 260-48-250 Apportionment of show pool when only two horses finish. If only two horses finish in a race, the show pool shall be apportioned among the holders of show tickets on those two horses. [Rules of racing, § 412, filed 4/21/61.]

WAC 260-48-260 Rulings after display of "official" sign. Any ruling of the stewards with regard to the award of purse money made after the sign, "official" has been purposely displayed shall have no bearing on the mutuel pay-off.

NOTE: Declaring race "official": WAC 260-52-070. [Rules of racing, § 413, filed 4/21/61.]

WAC 260-48-270 Manager to furnish take-off and calculating sheets to commission auditor. The manager of the parimutuel department shall furnish a copy of all take-off and calculating sheets to the commission auditor, as soon as completed. [Rules of racing, § 414, filed 4/21/61.]

WAC 260-48-280 Error in posting pay-off figures on public board. If an error is made in posting the pay-off figures on the public board, it shall be corrected promptly and only the correct amounts shall be used in the pay-off, irrespective of the error on the public board. If because of mechanical failure it is impossible to promptly correct the posted pay-off, a statement shall be made over the public address system stating the facts and corrections.

NOTE: Declaring race "official": WAC 260-52-070. [Rules of racing, § 415, filed 4/21/61.]

WAC 260-48-290 Payments to conform to parimutuel practice—Breakage. Payments due on all wagers shall be made in conformity with the well established practice of the parimutuel system. The practice is to work in dollars and not in number of tickets. The "break" permitted by law is deducted in all of the calculations arriving at the pay-off prices; i.e., the odds cents over any multiple of five cents of winning per dollar wagered are deducted. [Rules of racing, § 416, filed 4/21/61.]

WAC 260-48-300 Records to be filed with commission. Complete and detailed records of each race, containing each change of readings of the odds and the actual possible "pay-off" on each horse, shall be filed with the commission at the end of each race. [Rules of racing, § 417, filed 4/21/61.]

WAC 260-48-310 Calculating the pay-off in dead heats. In case of a dead heat in the win pool, the pay-off price shall be figured as in a place pool. (1) In the case of a dead heat for second in the place pool, the winner of the race receives its half share of the profits in that pool; and each of the two horses that dead heats for second receives one-half of the remaining half of the profits.

(2) In the case of a dead heat for third or show in the place pool, the first and second horses each receive a normal one-third of the profits in that pool; and the two horses that dead heats for second receive one-half of the remaining third of the profits.

(3) When two or more horses racing for one interest or field horses participate in dead heats, each horse of the entry or field is entitled to his proportionate share of the profits in the pool in which the dead heat occurs and the other pools affected. For example; Where two horses of an entry or field "dead heat" for win, the win and place prices are calculated as win pools, and the entry is entitled to two thirds of the profits of the show pool.

(4) Where two or more horses of an entry or field figure in a dead heat or multiple dead heats in one race, each horse of the entry or field participating gets his proportionate award of the profits in whatever pool, or pools, are affected by the dead heat or dead heats. The
WAC 260-48-320 Daily double. (1) Only one daily double will be permitted during a single racing program.

(2) If no ticket is sold combining the two winners of the daily double, the pool shall then be apportioned equally between those having tickets including the winner in the first race of the daily double and those having tickets including the winner in the last race of the daily double in the same manner in which place pool is calculated and distributed.

(3) If no ticket is sold including the winner of the first race of the daily double then the entire pool will be paid to the holders of tickets which include the winner of the last race of the daily double.

(4) Likewise, if no ticket is sold including the winner of the last race of the daily double, the entire pool will be paid to the holders of tickets which include the winner of the first race of the daily double.

(5) If no ticket is sold including a winner of either race of the daily double, then the pool shall be paid to holders of tickets which include the horses finishing second in the two races of the daily double.

(6) If no ticket is sold that would require distribution of the daily double pool to a winner under the subsections (2), (3), (4) and (5) of this rule, the association shall make a complete and full refund of the daily double pool.

(7) If for any reason the first race of a daily double is cancelled and declared off, full and complete refund will be made of the daily double pool.

(8) If for any reason, the second race of a daily double is cancelled or declared off, the whole of the daily double pool shall be distributed as a win pool to the holders of daily double tickets, upon the winner of the first half of the daily double. If no daily double ticket has been sold upon the winner of the first half of such daily double, the total pool shall be distributed as a win pool to the holders of the daily double tickets upon the horse finishing second in the first half of such daily double.

(9) There shall be a refund of daily double wagers in the event of a horse being scratched before the betting on the daily double has closed. (This refund to apply only to wagers on the horse scratched.)

(10) In the event a horse is excused in the second half of the daily double, after the first race is official, all money wagered on the scratched horse in the second half of the daily double shall be deducted from the daily double pool. Using this money, so deducted, as a win pool, a special or consolation prize shall be paid to all ticket holders, combining the scratched horse with the winner of the first race of the daily double.

(11) Before the running of the race comprising the last half of the daily double pool there shall be posted in a prominent place, easily visible from the grand stand, club house and bleachers, the pay-off of each combination coupled with the winner of the first half of the daily double.

(12) In case of a dead heat for winner in the first half of the daily double, the pay-off of the daily double need not be posted until after the running of the second half of the daily double, owing to the complicated calculations involved. However, announcement of this fact must be made over the loud-speaker and notice to this effect be posted on the board at conclusion of first half of daily double.

(13) If a dead heat should result in either the first or second race of the daily double, the total pool is figured as a place pool.

(14) Sale of daily double tickets shall close not later than "off-time" of the first race of the daily double.

(15) The daily double is not a "parlay" and has no connection with or relation to the pool shown on the totalizator board. In any race, the win, place, show and daily double pools are treated separately and calculated independently of each other. [Rules of racing, § 419, filed 4/21/61.]

WAC 260-48-322 Quinella rules. Quinella-type betting may be authorized at the discretion of the racing commission upon written application by an association subject to the following procedures: (1) The Quinella is not a parlay and has no connection with or relation to the win, place and show pools shown on the totalizator board. All tickets on the Quinella will be calculated in an entirely separate pool.

(2) All Quinella tickets will be for the win and place combination only. When purchasing a Quinella ticket two horses are selected, which must finish 1–2, or 2–1. For example, if numbers 3 and 6 are selected they must come in 3 first, and 6 second; or 6 first, and 3 second.

(3) The racing secretary shall prefer for Quinella races, races in which there are not entries or field horses. In the event a Quinella race is run in which entries or field horses are entered, they shall race as a single wagering interest for the purpose of mutuel pool calculations and payouts to the public. If, in the event that any part of the entry or the field is a starter, there shall be no refund to persons wagering on such entry or field. In the event any part of an entry or the field finishes first, the order of finish of all other horses making up such entry or field will be disregarded in determining which horse finished second for the purpose of this rule.

(4) Should any horse or horses entered in a Quinella race be scratched or excused by the stewards after wagering has commenced or should any horse or horses be prevented from racing because of the failure of stall doors of the starting gate to open, all tickets including such horse or horses shall be deducted from the Quinella pool and money refunded to the purchasers of tickets on the horse or horses so excused or prevented from racing.

(5) Should there be no tickets sold on the winning combination in a Quinella race, any and all Quinella tickets bearing the number of the individual win horse and any and all Quinella tickets bearing the number of

[Title 260 WAC—p 38]
the individual place horse shall be deemed winning tickets and the payoff shall be calculated as a place pool.

(6) Should there be no tickets sold on the winning combination in a Quinella race and should there be no Quinella tickets sold bearing the number of the individual win horse, any and all Quinella tickets bearing the number of the individual place horse shall be deemed winning tickets and the payoff shall be calculated as a win pool.

(7) Should there be no tickets on the winning combination in a Quinella race, and should there be no Quinella tickets sold bearing the number of the individual place horse, any and all Quinella tickets bearing the number of the individual win horse shall be deemed winning tickets and the payoff shall be calculated as a win pool.

(8) Should there be no tickets on the winning combination in a Quinella race, and should there be no Quinella tickets sold bearing the number of the individual win horse, and should there be no Quinella tickets sold bearing the number of the individual place horse, the Quinella shall be deemed "no race", and all money in the Quinella shall be promptly refunded.

(9) Should, after an official start is effected, only one horse finish the Quinella race, the total money is figured as a win pool, with those who have picked that one horse in the race participating in the pool.

(10) Should a two-horse dead-heat for win result in a Quinella race, the two horses involved in the dead heat shall be the winners of the Quinella race.

(11) Should a multiple dead-heat for win result in a Quinella race, all horses involved in the dead heat shall be the winners of the Quinella race and payoffs figured accordingly. Example: Should numbers 1, 3, 5, and 7 dead-heat for win, the winning Quinella combination would be 1–3, 1–5, 1–7, 3–5, 3–7, and 5–7. The net pool after deducting the amounts wagered on the winning combination will be equally distributed in payoff calculations on the winning combinations.

(12) Should a two-horse dead-heat for place result in a Quinella race, the total pool is calculated as a place pool.

(13) Should a multiple dead-heat for place result in a Quinella race, all combinations coupling the winning horse with the individual place horses shall be winners of the Quinella race and payoffs calculated accordingly.

(14) Each association conducting a daily Quinella race shall publish the foregoing rule in a manner approved by the commission. [Order 73.8, § 260-48-322, filed 10/23/73; Order 71-9, § 260-48-322, filed 6/2/71.]

WAC 260-48-324 Exacta rules. Exacta-type betting may be authorized at the discretion of the racing commission upon written application by an association subject to the following procedures: (1) The exacta is not a parlay and has no connection with or relation to the win, place and show pools shown on the totalizator board. All tickets on the Exacta will be calculated in an entirely separate pool.

(2) All Exacta tickets will be for the win and place combination only. Each person purchasing an Exacta ticket shall designate the exact order in which the first two horses will finish in an Exacta race. For example, if number 3 is selected to finish first and number 6 is selected to finish second, they must come in number 3 first, and number 6 second, in order to win.

(3) The racing secretary shall prefer for Exacta races, races in which there are not entries or field horses. In the event an Exacta race is run in which entries or field horses are entered, they shall race as a single wagering interest for the purpose of mutuel pool calculations and payoffs to the public. If, in the event that any part of the entry or the field is a starter, there shall be no refund to persons wagering on such entry or field. In the event any part of an entry or the field finishes first, the order of finish of all other horses making up such entry or field will be disregarded in determining which horse finished second for the purpose of this rule.

(4) Should any horse or horses entered in an Exacta race be scratched or excused by the stewards after wagering has commenced or should any horse or horses be prevented from racing because of the failure of stall doors of the starting gate to open, all tickets including such horse or horses shall be deducted from the Exacta pool and money refunded to the purchasers of tickets on the horse or horses so excused or prevented from racing.

(5) In the event that no ticket is sold on the winning combination of an Exacta race and payoffs calculated accordingly. Example: Should numbers 1, 3, 5, and 7 dead-heat for win, the winning Quinella combination would be 1–3, 1–5, 1–7, 3–5, 3–7, and 5–7. The net pool after deducting the amounts wagered on the winning combination will be equally distributed in payoff calculations on the winning combinations.

(6) In the event of a dead-heat between two horses for first place, the net pool shall be calculated and distributed as a place pool to holders of the winning combinations.

(7) In the event of a dead heat between two or more horses for place, all tickets designating the proper first horse to win which are coupled with any of the place horses involved in a dead heat shall be the winners of the Exacta race and payoffs calculated according to their respective interest in the net pool.

(8) In the event of a dead heat for second place, if no ticket is sold on one of the two winning combinations, the entire net pool shall be calculated as a win pool and distributed to those holding tickets on the other winning combinations. If no tickets combine the winning horse with either of the place horses in the dead heat, the Exacta pool shall be calculated and distributed to holders of tickets designating the winning horse or either of the place horses according to their respective interest in the net pool.

(9) In the event of a dead heat between three or more horses for first place, the net pool shall be calculated and distributed to holders of tickets designating any two of the horses participating in the dead heat according to their respective interest in the net pool.

(10) In the event that no ticket is sold that would require distribution to any winner as above defined, the Exacta shall be deemed "no race" and all money in the Exacta shall be promptly refunded.

(1980 Ed.)
(11) Each association conducting an Exacta pool shall publish the foregoing rule in the manner approved by the commission. [Order 73.8, § 260-48-324, filed 10/23/73; Order 71-9, § 260-48-324, filed 6/2/71.]

WAC 260-48-330 Mutuel manager—Verification of winners and calculations. The mutuel manager is held responsible for the correctness of all pay-off prices posted on the board. Before the mutuel department of any race track posts the pay-off prices of any pool for any race, the mutuel manager shall require each of the calculating sheets of such race to be proved by the calculators, and winners verified. Such proof shall show pay-breaks—commission and added together show they equal total pool. All payslips are to be checked with calculating sheets as to winners and prices before being issued to cashiers, and all board prices are to be rechecked with the calculator before they are released to the public. [Rules of racing, § 420, filed 4/21/61.]

WAC 260-48-340 Mutuel manager—Decisions in emergency. Should any emergency arise in connection with the operation of the parimutuel department not covered by these rules and an immediate decision is necessary, the manager of the parimutuel department shall make the decision. [Rules of racing, § 421, filed 4/21/61.]

WAC 260-48-350 Abandoned tickets—"Outs". (1) Every association shall carry on its books an account which shows the total amount due on outstanding unredeemed mutuel tickets, which represents the winning tickets not presented for payment.

(2) When cashing parimutuel tickets which have previously been entered in the "outsbook", each association shall be responsible to see that on the back of each ticket there is clearly stamped the number of the cashier and the words "outticket". All tickets so cashed shall be retained for a period of thirty months from the date they were cashed.

A copy of the money room report showing the daily "outs" and a copy of the outstanding tickets report prepared by the calculating room showing the daily accumulation of the "outs" totals shall be furnished and delivered to the auditor of the commission by the association within forty-eight hours after the close of each performance. [Rules of racing, §§ 422, 423, filed 4/21/61.]

WAC 260-52-010 Paddock to post. (1) Permission must be obtained from a steward to exercise a horse between races unless the horse is being warmed up on the way to and just prior to entering the paddock for the next race to be run.

(2) When a horse is being so warmed up before entering the paddock, his official program number shall be displayed by the rider.

(3) In a race, each horse shall carry a conspicuous saddlecloth number and a head number, corresponding to his number on the official program. In the case of an entry each horse making up the entry shall carry the same number (head and saddlecloth) with a distinguishing letter. For example, 1-1A, 1X. In the case of a field the horses comprising the field shall carry an individual number; i.e., 12, 13, 14, 15, and so on.

(4) After the horses enter the track, no jockey shall dismount and no horse shall be entitled to the care of an attendant without consent of the stewards or the starter, and the horse must be free of all hands other than those of the jockey or assistant starter before the starter releases the barrier.

(5) In case of accident to a jockey, his mount or equipment, the stewards or the starter may permit the jockey to dismount and the horse to be cared for during the delay, and may permit all jockeys to dismount and all horses to be attended during the delay.

(6) All horses shall parade and, under penalty of disqualification, shall carry their weight from the paddock to the starting post, such parade to pass the steward's stand.

(7) After entering the track not more than 12 minutes shall be consumed in the parade of the horses to the post except in cases of unavoidable delay. After passing the stand once, horses will be allowed to break formation and canter, warm up or go as they please to the post. When horses have reached the post, they shall be started without unnecessary delay.

(8) If the jockey is so injured on the way to the post as to require another jockey, the horse shall be taken to the paddock and another jockey obtained.

(9) No person shall wilfully delay the arrival of a horse at the post.

(10) No person other than the rider, starter, or assistant starter shall be permitted to strike a horse, or attempt, by shouting or otherwise to assist it in getting a start. [Rules 187 through 196, filed 4/21/61.]

Numbers, jockey and horse to wear: See WAC 260-32-140.

WAC 260-52-020 Post position. Post position shall be determined publicly by lot in the presence of the Racing Secretary or his deputy. After a regular carded horse or horses have been excused from a race, all horses shall move up in post position order; except in the case of a race on the straightaway, in which case the also-eligible shall take the stall of the horse declared out or scratched. The above rule shall apply unless the Association specifically states otherwise in its stakes or condition book.

(1980 Ed.)

WAC 260-52-010 Paddock to post.
Horses shall take their position at the post in the order in which their names have been drawn, beginning from the inside rail, but vicious and unruly horses may be placed on the outside, if necessary. [Order 3, § 260--52--020, filed 5/12/69; Rule 210, filed 4/21/61.]

WAC 260--52--030 Starting the race. (1) The starter shall give orders to secure a fair start. After reasonable efforts, if a horse cannot be led or backed into position, the starter shall order the horse to be taken to the outside. The start must not be delayed on account of bad-mannered horses. When the stall gate is used, it shall be placed on the track at the discretion of the starter.

(2) The starter is required to load horses into the starting gate in order of post position. Provided however, that the starter may load known fractious horses out of order at his discretion.

(3) All races shall be started by a starting gate approved by the commission, except that with permission of the stewards a race may be started without a gate. When a race is started with or without a gate, there shall be no start until, and no recall after, the assistant starter has dropped his flag in answer to that of the starter.

(4) If a horse is locked in the gate, the starter shall immediately notify the stewards who in turn shall immediately notify the manager of pari-mutuel department. The starter shall be the sole judge of what horse or horses are prevented from starting in a race through failure of gates to open. [Order 74.2, § 260--52--030, filed 10/30/74; Order 73.7, § 260--52--030, filed 12/3/73; Rules 247, 248, 249 and 254, filed 4/21/61.]

WAC 260--52--040 Post to finish. (1) When clear, a horse may be taken to any part of the course provided that crossing or weaving in front of contenders may constitute interference or intimidation for which the offender may be disciplined.

(2) A horse crossing another so as actually to impede him is disqualified, unless the impeded horse was partly in fault or the crossing was wholly caused by the fault of some other horse or jockey.

(3) If a horse or jockey jostle another horse, the aggressor may be disqualified, unless the jostled horse or his jockey was partly in fault or the jostle was wholly caused by the fault of some other horse or jockey.

(4) If a jockey wilfully strikes another horse or jockey, or rides wilfully or carelessly so as to injure another horse, which is in no way in fault, or so as to cause other horses to do so, his horse is disqualified.

(5) When a horse is disqualified under this rule the other horse or horses in the same race coupled as an entry under WAC 260--48--110 may be disqualified.

(6) Complaints under this rule can only be received from the owner, trainer or jockey of the horse alleged to be aggrieved, and must be made to the clerk of the scales or to the stewards before or immediately after his jockey has passed the scales. But nothing in this rule shall prevent the stewards taking cognizance of foul riding.

(7) Any jockey against whom a foul is claimed shall be given the opportunity to appear before the stewards before any decision is made by them.

(8) A jockey whose horse has been disqualified or who unnecessarily causes his horse to shorten his stride with a view to complaint, or an owner, trainer or jockey who complains frivolously that his horse was crossed or jostled, may be punished.

(9) All horses are expected to give their best efforts in races in which they run, and any instructions or advice to jockeys to ride or handle their mounts otherwise than for the purpose of winning are forbidden and will subject all persons giving or following such instructions or advice to disciplinary action by the stewards and the commission. [Rule 211, filed 4/21/61.]

WAC 260--52--050 Placing judges—Duties. The placing judge or judges shall be primarily responsible for ascertaining violations of WAC 260--52--040 during the running of a race and shall additionally report to the stewards the winning horses of each race and perform each and every other duty delegated by the commission. If there is a close finish, the photograph shall be submitted to the stewards for examination and for concurrence on the result before the order of finish of the race is displayed or announced. In the case of a dead heat, or disagreement as to the correct order of finish, the decision of the stewards shall be final. In placing the horses at the finish, the position of the horses noses only shall be considered and not any other part of the body. [Order 75--1, § 260--52--050, filed 2/18/75; Rule 202, filed 1/30/67; Rule 202, filed 4/21/61.]

WAC 260--52--060 Camera and photographs. (1) On all tracks proper cameras shall be installed as an aid to the placing and patrol judges, however, in all cases, the cameras are merely an aid and the decisions of the judges are to be final. The photograph of each finish shall be posted in at least one conspicuous place as promptly as possible after each race.

(2) The association shall keep on file for the duration of the meeting each plate or film of each race for reference or reproduction upon request of the commission. [Rule 203, filed 1/30/67; Rules 203 and 204, filed 4/21/61.]

WAC 260--52--070 Declaring race "official". (1) The clerk of the scales shall weigh in all jockeys after each race, and after weighing, shall notify the stewards if the weights are correct. The stewards may then declare the race official.

(2) Nothing in these rules shall be construed to prevent the placing judges, with the approval of the stewards, from correcting an error before the display of the sign "official" or from recalling the sign, "official" in case it has been displayed through error. [Rules 205 and 206, filed 4/21/61.]

WAC 260--52--080 Official time of the race. That the time recorded for the first horse to cross the finish
line shall be the official time of the race. [Title 260 WAC—p 42]
WAC 260-60-010  Who may claim——Owner or agent. In claiming races, any horse is subject to claim for its entered price by any owner at that meeting or by a licensed authorized agent for the account of such owner, Provided however, That no person shall claim his own horse, or cause his horse to be claimed directly or indirectly for his own account.

For the purpose of this rule an "owner" shall be deemed to be an owner as defined in WAC 260-12-010 who has registered in good faith for racing and who has had a horse or horses occupying assigned stall space at the race meeting even though all horses occupying stall space have been eliminated. [Order 73.7, § 260-60-010, filed 12/3/73; Rules of racing, § 33, filed 4/21/61; Amended 3/8/63, filed 1/21/64.]

WAC 260-60-020 Prospective owner or agent. In addition to the above rule, any horse is subject to claim by a person or a licensed authorized agent for the account of such person, providing such person has applied to and has been approved by the commission as a prospective owner, the names of such prospective owners to be prominently displayed in the offices of the commission and the racing secretary. There shall be a fee of twenty-five dollars per person for processing an application for approval as a prospective owner.

Nothing in this rule should be construed as prohibiting the commission from approving as a prospective owner a person who has been licensed as an owner during the calendar year at a previous meet. [Statutory Authority: RCW 67.16.020 and 67.16.040. 80-01-032 (Order 79-04), § 260-60-020, filed 12/17/79; Order 73.7, § 260-60-020, filed 12/3/73; Rules of racing, § 33(a), Added 3/8/63, filed 1/21/64.]

WAC 260-60-030 Limit as to number claimed. (1) No person shall claim more than one horse in any one race.

(2) No authorized agent, although representing several owners shall submit more than one claim for any one race.

(3) When a stable consists of horses owned by more than one person, trained by the same trainer, not more than one claim may be entered on behalf of such stable in any one race. [Rules of racing, §§ 34, 35, 36, filed 4/21/61.]

WAC 260-60-040 Claims to be in amount printed on program——Disposition by lot. The claiming price of each horse in a claiming race shall be printed on the program, and all claims for said horse shall be the amount so designated. Should more than one claim be filed for the same horse, the disposition of the horse shall be determined by lot under the direction of one or more of the stewards, or their representative. [Rules of racing, § 41, filed 4/21/61.]

WAC 260-60-050 Formal requisites of claim. All claims must be made in writing, on forms and in envelopes furnished by the association and approved by the commission. Both forms and envelopes must be filled out completely, and must be sufficiently accurate to identify the claim, otherwise the claim will be void. [Rules of racing, § 42, filed 4/21/61.]

WAC 260-60-060 Deposit with association of amount of claim——Receipt credit. No money shall accompany the claim. Each person desiring to make a claim, must first deposit with the association the whole amount of the claim in cash, or in the discretion of the association, a certified or bank cashier check, for which a receipt will be given unless at the time of depositing said claim he shall have such amount to his credit with the association. [Order 73.7, § 260-60-060, filed 12/3/73; Rules of racing, § 43, filed 4/21/61.]

WAC 260-60-070 Time for deposit of claim in claiming box——Claims irrevocable. All claims shall be deposited in the claiming box at least fifteen minutes before the established post time of each race. When a claim has been filed it is irrevocable and at the risk of claimant. [Order 73.7, § 260-60-070, filed 12/3/73; Rules of racing, § 46, filed 4/21/61.]

WAC 260-60-090 Stewards to pass on claims. After deposit of the claim and before the running of the race, the stewards or their authorized representative, shall pass upon the claim. Unless approved at such time, the claim shall be declared invalid. A ruling declaring a claim to be invalid shall be final in all respects. [Order 73.7, § 260-60-090, filed 12/3/73; Rules of racing, § 48, filed 4/21/61.]

WAC 260-60-100 Affidavit as to claim in own account or as agent. The stewards may, at any time, in their discretion, require any person making a claim for a horse in any claiming race, to make affidavit in writing that he is claiming said horse for his own account or as authorized agent, and not for any other person. Any person making such affidavit wilfully and falsely shall be subject to punishment in the same manner as is hereinafter provided for the punishment of other persons violating any of the terms of these rules. [Rules of racing, § 50, filed 4/21/61.]

WAC 260-60-110 Unlawful agreements——Intimidation. No person shall offer, or enter into an agreement, to claim or not to claim, or attempt to prevent another person from claiming, any horse in a claiming race; nor shall any person attempt, by intimidation, to prevent any one from running a horse in any race for which it is entered; nor shall any owner or trainer running horses in any claiming race make any agreement for the protection of each other's horses. [Rules of racing, § 52, filed 4/21/61.]

(1980 Ed.)
260-60-120 Disclosure of incumbrances—Unpaid stud fees. The conditions of any mortgage or lien against a horse must be filed with the racing commission before a horse is entered, and if the animal is leased this fact must be fully disclosed. No mare shall be entered in a claiming race where there are any unpaid stud fees against her. [Rules of racing, § 53, filed 4/21/61.]

260-60-130 Claiming race, limit as to horses in same interest or control. In claiming races not more than two horses in the same interest or under the control of the same trainer can start. [Rules of racing, § 44, filed 4/21/61.]

260-60-140 Claimed horse—In whose interest run—Delivery and passage of title. A horse claimed shall not be delivered by the original owner to the successful claimant until authorization shall be given by the racing secretary, and every horse so claimed shall run in the interest and for the account of the owner who entered it in the race, but title to the claimed horse shall be vested in the successful claimant from time said horse becomes a "starter" and said successful claimant shall become the owner of the horse, whether it be alive or dead, sound or unsound, or injured during the race or after it. [Rules of racing, § 49, filed 4/21/61.]

260-60-150 Claimed horse—Refusal to deliver. No person shall refuse to deliver to the person legally entitled thereto a horse claimed out of a claiming race, and furthermore, the horse in question shall be disqualified until delivery is made. [Rules of racing, § 51, filed 4/21/61.]

260-60-160 Claimed horse—Subsequent entry. A claimed horse shall not enter for thirty days after being claimed in a race in which the determining eligibility price is less than 25% more than the price at which the horse was claimed. The day claimed shall not count but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so the horse may start on the 31st calendar day following the claim for any claiming price. This provision shall not apply to starter handicaps in which the weight to be carried is assigned by the handicapper. [Rules of racing, § 37, filed 4/21/61.]

260-60-170 Claimed horse—Subsequent sale or transfer—Retention by owner. If a horse is claimed it shall not be sold or transferred to any one wholly or in part, except in a claiming race, for a period of 30 days from date of claim, nor shall it, unless re-claimed, remain in the same stable or under the control or management of its former owner or trainer for a like period. [Rules of racing, § 38, filed 4/21/61.]

260-60-180 Claimed horse—Racing elsewhere. A claimed horse shall not race out of the state of Washington until after the close of the meeting at which it was claimed, except by special permission of the stewards at the meeting at which it was claimed. [Rules of racing, § 39, filed 8/26/65; Rules of racing, § 39, filed 4/21/61.]

260-60-190 Claimed horse—Title recognized according to rules of meeting. When a horse is claimed at a recognized meeting under rules which are at variance with these rules, title to such horse shall be recognized in Washington to follow the rules of the meeting under which the claim was made. [Rules of racing, § 40, filed 4/21/61.]

260-60-200 Claimed horse—Foal certificate. The foal certificate of a claimed horse must remain in the secretary's office until the new owner removes the horse from the track. [Rules of racing, § 45, filed 4/21/61.]

260-60-210 Cancellation of claim by stewards. Should the stewards within twenty-four hours after the running of a race be of the opinion that the lease, sale or entry of a horse was not made in good faith but was made for the purpose of obtaining the privilege of entering a claim, then in each case they may disallow or cancel any such claim and order the return of a horse that may have been delivered and refer the case to the commission for further action. [Rules of racing, § 46, filed 4/21/61.]

260-60-220 Rules apply to all races. These rules shall apply to all races under the jurisdiction of the commission. [Rules of racing, § 54, filed 4/21/61.]

DISPOSITION OF SECTIONS FORMERLY CODIFIED IN THIS CHAPTER

WAC 260-70-010 Definitions applicable to chapter 260-70 WAC. As used in chapter 260-70 WAC, unless the context clearly requires a different meaning, the following terms shall have the following meanings:

[Title 260 WAC—p 45]
(1) "Permitted medication" or "medication" shall mean and include any substance used to treat, cure, and prevent disease, relieve pain, or improve or preserve health, including vitamins, food additives, minerals, and domestic remedies.

(2) "Prohibited drugs" shall mean (1) any medication or metabolic derivatives thereof which is a narcotic, or which could stimulate or depress the circulatory, respiratory, or central nervous system of a horse; or, (2) any interfering substance; or (3) Phenylbutazone carried in the body of a two year old horse in violation of WAC 260-70-090.

(3) "Interfering substance" or "interfere" shall mean and refer to any medication which might mask or screen the presence of prohibited drugs or prevent or delay testing procedures. Such terms include permitted medication when used in quantities which might mask or screen the presence of prohibited drugs or prevent or delay testing procedures.

(4) "Phenylbutazone" shall mean phenylbutazone, oxophenylbutazone, or their derivatives or metabolites thereof. [Order 75.5, § 260-70-010, filed 10/17/75; Order 74.1, § 260-70-010, filed 5/22/74, effective 7/1/74.]

WAC 260-70-021 Medication standards. (1) No horse shall have in its body any prohibited drug while participating in a race.

(2) No person shall administer, attempt to administer, or aid or abet in the administration of, any medication or drug to a horse on the day of a race in which the horse is entered prior to the race except in accordance with this rule.

(3) Subject to the provisions of this rule, medication calculated to improve or protect the health of a horse may be administered to a horse in training.

(4) The administration of medication to any horse on race day, except as hereinafter provided, is prohibited. For the purpose of this rule, the day of the race shall be deemed to commence at 9:00 p.m. on the day preceding the race.

(5) Nutritional aids, administered orally only, will be permitted at any time.

(6) Only lasix (furosemide), and/or conjugated estrogens, will be permitted on race day for the treatment only of horses which have been confirmed as "bleeders" by a state veterinarian. For purposes of this rule a "bleeder" is a horse which has bled on the track or immediately thereafter. Lasix and/or conjugated estrogens shall not be administered within four hours of the published post time for the race in which the horse is entered. No horse shall race with any diuretic other than lasix in its body. Horses treated with lasix and/or conjugated estrogens will be subject to blood as well as urine testing.

(7) Approved nonsteroidal anti-inflammatory drugs (NSAIDS) may be administered to a horse, but not on race day. No more than one of the NSAIDS may be used on or carried in a horse's body at any one time.

(8) Notwithstanding any other provision of this rule, no two-year old horse shall carry in its body while participating in a race any medication, including medications defined in WAC 260-70-010 (1) through (4). Vitamins are permitted, however. The provisions of subsection (6) of this section authorizing the stewards to grant permission for use of an approved medication on bleeders shall not be applicable to any two-year old horse. The finding of any medication prohibited herein in a two-year old horse participating in a race shall disqualify the owner of such horse from participating in the purse distribution; and in addition the stewards may take any authorized action they may consider necessary to preserve the integrity of racing.

(9) In the case of delayed-release substances, the time of administration shall be deemed that time at which such medication, drug, or substance is released within the body of a horse. [Statutory Authority: RCW 67.16.020 and 67.16.040. 80-01-072 (Order 79-02), § 260-70-021, filed 12/24/79.]

WAC 260-70-040 Horses to be tested. Stewards may at any time order the taking of a blood, urine, or saliva specimen from any horse entered. Any owner or trainer may at any time request that a specimen be taken from a horse he owns or trains by the state veterinarian or the test barn veterinarian to be tested by the state chemist, providing the costs of such testing are borne by the owner or trainer requesting such test. In the absence of any such order or request, the test barn veterinarian shall take a urine sample from and the state chemist shall test the same, all horses which: Finish first in any race; finish first or second in any quinella or exacta race; finish first or second or third in any stake; any horse whose performance in a race, in the opinion of the stewards, may have been altered by a prohibited drug. Every horse on the grounds or entered to race in any race is subject to such tests, and no owner or trainer or other person owning or in charge of or having the care of a horse on the grounds may refuse to submit such a horse for testing when directed by the steward, the veterinarian, or the test barn veterinarian. [Order 74.1, § 260-70-040, filed 5/22/74, effective 7/1/74.]

WAC 260-70-050 Procedure for taking specimens. All horses from which specimens are to be drawn are to be taken to the detention area at the prescribed time and remain there until released by the commission veterinarian. No person other than the owner, trainer, groom, or hotwalker of a horse to be tested, and no lead pony, shall be admitted to the detention area without permission of the commission veterinarian.

(a) During the taking of specimens from a horse, the owner or responsible trainer (who in the case of a claimed horse shall be the person in whose name such horse raced), or a stable representative designated by such owner or trainer, shall be present and witness the taking of such specimens and so signify in writing.

(b) Samples taken from a horse by the commission veterinarian or his assistant shall be placed in a container and sealed together with a double identification
tag. One portion of such tag bearing a printed identification number shall remain with the sealed container; the other portion of such tag bearing the same printed identification number shall be detached in the presence of the witness and the commission veterinarian shall thereon identify the horse from which such specimen was taken, as well as the race and day, verified by such witness, and such detached portion of identification tag shall be kept by the commission veterinarian for delivery only to the stewards and/or the racing commission. The commission veterinarian shall take every precaution to insure that the commission chemist and no member of the laboratory staff shall know the identity of the horse from which the specimen has been taken prior to the completion of all testing thereon.

(c)(1) If, after a horse remains a reasonable time in the detention area and a specimen may not be taken from such a horse, the commission veterinarian may permit such horse to be returned to its barn in usual surroundings for the taking of the specimen under the supervision of the commission veterinarian.

(2) With the consent of the trainer or attendant the commission veterinarian may administer to the horse a diuretic to facilitate urination. Quantity, identity, and time of administration shall be noted on both portions of the specimen tag by the commission veterinarian.

(d) The commission veterinarian shall be responsible for safeguarding all specimens while in his possession and shall cause such specimens to be delivered only to the chief chemist as soon as possible after sealing, but in such order or in such manner as not to reveal the identity of any horse from which each sample was taken.

(e) All specimens taken by or under the supervision of the commission veterinarian or other authorized representative of the commission shall be delivered to the chief chemist at the laboratory of the commission for official analysis.

(f) Notwithstanding the provisions of these rules requiring certain functions to be performed by the commission veterinarian, he may delegate any of such duties to an authorized representative or representatives, approved by the commission, so long as such delegation is not of a duty which would under the appropriate statutes be defined as the practice of veterinary medicine. [Statutory Authority: RCW 67.16.020. 78-06-001 (Order 78–1), § 260–70–050, filed 5/4/78; Order 74.1, § 260–70–050, filed 5/22/74, effective 7/1/74.]

WAC 260–70–060 Effect of laboratory analysis. Should the laboratory analysis of any specimen taken from a horse following a race show evidence of medication such shall be deemed prima facie evidence that such was administered and that the horse carried such medication in its body while running in the race. [Statutory Authority: RCW 67.16.020. 78–06–001 (Order 78–1), § 260–70–060, filed 5/4/78; Order 74.1, § 260–70–060, filed 5/22/74, effective 7/1/74.]

WAC 260–70–070 Persons responsible. Any person found to have administered a medication or to have failed to have administered a medication which caused or could have caused a violation of these rules, or who participated or attempted to participate in any way in such administration or failure to administer, shall be subject to disciplinary action.

The licensed trainer of a horse found to have been administered a medication in violation of these rules shall be deemed responsible in accordance with WAC 260–28–180. Mitigating circumstances or exonerating evidence shall be taken into account by the stewards or commissioners in determining the penalty, if any, for any improper administering of or failure to administer medication.

The assistant trainer, groom, stable watchman, or any other person having the immediate care and custody of a horse found to have been administered a medication in violation of these rules, if found negligent in guarding or protecting such horse from tampering shall be subject to disciplinary action.

A licensed veterinarian shall be responsible for any medication he administers, prescribes, or causes to be administered by his direction on a horse, and if found to have made an error in type or quantity of same administered, on the correctness of which act or judgment a trainer relied in racing treated horse in violation of these rules, then such veterinarian shall be subject to disciplinary action. WAC 260–70–080 Procedure upon positive finding by chief chemist. Whenever a laboratory analysis of a specimen taken pursuant to these rules shows the presence or absence of medication in apparent violation of these rules, the stewards shall conduct or cause to be conducted a thorough investigation of the incident. The stewards may make such temporary orders with respect to the suspension of the trainer, groom, owner, or other person as will protect the public. Such order shall be effective only until the conclusion of a hearing before the stewards which shall be held within three days of request for such hearing. At any such hearing, or any hearing, held pursuant to these rules before the stewards or the commission, the trainer shall be deemed responsible in accordance with WAC 260–28–180 and unless evidence of sufficient credibility and weight is presented, the stewards may make a finding in accordance with said rule. The stewards may take such action against the person or persons found responsible as they deem proper, including reference to the commission. If the stewards or commissioners are of the opinion that the evidence proves the proper administration of a permitted medication or the absence of administration of a prohibited drug, the stewards or commissioners shall exonerate the trainer completely. The stewards or commissioners shall make such further orders suspending or fining, or both, the person or persons found responsible.

In case the finding is of the presence of a prohibited drug, the owner of a horse shall not participate in the purse distribution of such race, and shall be denied or shall promptly return any portion of the purse, or
sweepstakes, and any trophy in such race and the same shall be distributed as in the case of a disqualification. If a horse shall be disqualified in a race because of the infraction of this rule, the eligibility of other horses which ran in such race and which have started in a subsequent race before announcement of such disqualification shall not be in any way affected. [Statutory Authority: RCW 67.16.020. 78-06-001 (Order 78-1), § 260-70-080, filed 5/4/78; Order 74.1, § 260-70-080, filed 5/22/74, effective 7/1/74.]

2. No horse on a program of permitted medication shall be permitted to race without such medication unless authorized to do so by the stewards or their representatives. [Statutory Authority: RCW 67.16.020 and 67.16.040. 80-05-132 (Order 79-03), § 260-70-090, filed 5/7/80; Order 74.1, § 260-70-090, filed 5/22/74, effective 7/1/74.]

WAC 260-70-100 Penalties relating to misuse of permitted medication. Should the laboratory analysis of urine or blood taken from a horse, other than a two-year old, show the presence of more than one approved non-steroidal anti-inflammatory drug (NSAID) in violation of WAC 260-70-021, or the presence of phenylbutazone in excess of the quantities authorized by WAC 260-70-090 the stewards shall levy the following penalties against each person found responsible:

1. For a first offense within any calendar year, a fine of $200;
2. The second offense, within any calendar year, $500;
3. For a third offense, within any calendar year, license suspension for one year.

If laboratory analysis of urine or blood taken from a horse shows misuse of permitted medication as specified above the owner of such horse shall not participate in the purse distribution of the race wherein the violation occurred, and shall be denied or shall promptly return any portion of the purse, or sweepstakes, and any trophy in such race and the same shall be distributed as in the case of a disqualification.

If any NSAID is found in the body of a horse which alone or in combination with a second NSAID is of such a quantity so as to interfere with the testing process the penalties for use of a prohibited drug or medication shall apply irrespective of the provisions of this rule. [Statutory Authority: RCW 67.16.020 and 67.16.040. 80-05-132 (Order 79-03), § 260-70-100, filed 5/7/80; Order 74.1, § 260-70-100, filed 5/22/74, effective 7/1/74.]
