Chapter 314-04 WAC  
HEARINGS

WAC
314-04-005  Pre-hearing summary disposition.
314-04-010  Method.

WAC 314-04-005  Pre-hearing summary disposition. Prior to a hearing pursuant to WAC 314-04-010, the licensee may be afforded an alternative under the terms of RCW 34.04.090(3) to waive an opportunity for such a hearing and agree to a proposed summary disposition of the charges. The summary disposition may include suspension or cancellation of a license or imposition of a monetary penalty in lieu of the proposed summary suspension. The proposed summary disposition shall be determined and administered in the following manner:

1. Upon receipt by the board of an investigative report, referred complaint or other information indicating a possible violation on the part of a licensee, such report shall be processed by the enforcement division and be forwarded to the assistant attorney general assigned to the board, hereafter referred to as attorney, to determine if reasonable cause exists to believe that a violation has occurred.

2. If the attorney determines that reasonable cause exists to believe that a violation has occurred, he shall propose a course of action to the board for its consideration, and the board shall determine whether to accept the initial proposal or order another proposed disposition. After review by the board, the board may direct that a written notice of its proposed order of summary disposition, hereafter notice, be served upon the licensee.

3. The notice will be prepared by the hearing division. Such notice shall fully advise the licensee of all charges reasonably believed to have been committed and specify the board's summary disposition. The notice shall also include an explanation that any proposed penalty is not final but will automatically become final if the licensee does not request a hearing within ten days of receipt of the notice.

4. The board may in its discretion offer the licensee an opportunity for payment of a monetary penalty in lieu of suspension. Such an opportunity shall be explained on the notice and the notice will include either the monetary penalty or, by attachment, a certificate of gross profit from liquor sales, hereafter referred to as certificate, to compute the monetary penalty. The certificate must be returned within ten days of receipt of the notice along with payment, unless additional time is requested in writing, or the suspension will not be vacated.

5. The notice shall include by attachment a form upon which a request for a hearing can be made. The notice shall be signed by the board, after which the hearing division shall
serve the notice and attachments upon the licensee.

(6) If the licensee requests a hearing, written acknowledgment of the request will be sent to the licensee by the hearing division and the hearing will proceed as described by the terms of WAC 314-04-010.

(7) The licensee may request in writing, and the hearing division may grant an extension of time, not to exceed ten days, in which to make a determination whether to request a hearing.

(8) If a licensee fails to request a hearing within the prescribed period and the proposed summary penalty becomes effective, the licensee may petition the board in writing to set aside the penalty for good cause shown. Mere inattention on the part of a licensee is not, by itself, grounds to set aside a penalty.

(9) The board, in its discretion, may determine to issue letters of caution or admonition in lieu of directing that notice with penalty be served on a licensee or determine that a formal hearing be instituted in lieu of serving a notice with penalty on the licensee.

[Order 35, § 314-04-005, filed 7/2/75.]

WAC 314-04-010 Method. Hearings which may involve the suspension or cancellation of a license, or the imposition of a monetary penalty, shall be called and conducted in the following manner:

(1) Before any such hearing shall be called, some member of the board shall give written approval to the holding of it. When it has been determined that a hearing shall be held, the entire record of the licensed premises involved and of the licensees shall be given to the assistant attorney general assigned to the board, who will hereinafter be referred to as the attorney.

(2) The attorney shall prepare a written complaint which shall fully advise the licensees of all charges which will be considered at the hearing. The complaint shall be signed by a member of the board, after which the attorney shall deliver the original and such copies as may be necessary to the examiner appointed by the board pursuant to section 27(2-A) of the Washington state liquor act (RCW 66.24.040).

(3) The examiner shall conduct the hearing, which shall be held as soon as feasible. Each licensee charged shall be served with a copy of the complaint together with written notice of the time and place of the hearing and the issues involved. Such notice and complaint shall be served not less than ten days prior to the hearing unless the licensee consents to shorter notice.

(4) All subpoenas shall be issued by the examiner, who shall issue them when requested by the attorney, a licensee or a licensee's attorney, and he may issue them on his own motion.

(5) Nothing herein contained shall prevent the board from exercising the power given it by section 27(2-A) of the Washington state liquor act (RCW 66.24.010(3)), to summarily suspend or cancel any license. [Resolution No. 1, filed 6/13/63; Rule 114, filed 6/13/63.]

WAC 314-08-001 Promulgation for rules [WAC 314-08-010 through 314-08-590]. The Washington state liquor control board by virtue of the authority vested in it under chapter 66.08 RCW, after due notice and public hearing, held in Olympia, Washington, on June 6, 1963, as provided by chapter 42.32 RCW, does hereby promulgate the following resolution relating to practice and procedure before the Washington state liquor control board, being Title XIV of the regulations of the board. [Promulgation, filed 6/13/63.]

WAC 314-08-010 Appearance and practice before the board—Who may appear. No person may appear in a representative capacity before the Washington state liquor control board, hereinafter referred to in WAC 314-08-010 through 314-08-590, as the board, or its designated hearing officer other than the following:

(1) Attorneys at law duly qualified and entitled to practice before the supreme court of the state of Washington.

(2) Attorneys at law duly qualified and entitled to practice before the highest court of record of any other state, if the attorneys at law of the state of Washington are permitted to appear in a representative capacity before administrative agencies of such other state, and if not otherwise prohibited by our state law.

(3) A bona fide officer, authorized manager, partner, or full time employee of an individual firm, association, partnership, or corporation who appears for such individual firm, association, partnership, or corporation. [Resolution No. 2, Rule 08.010, filed 6/13/63.]

WAC 314-08-020 Appearance in certain proceedings may be limited to attorneys. In all hearings involving the taking of testimony and the formulation of a record subject to review by the courts, where the board or its designated hearing officer determines that representative activity in such hearing requires a high degree of legal training, experience, and skill, the board or its designated hearing officer may limit those who may appear in a representative capacity to attorneys at law. [Resolution No. 2, Rule 08.020, filed 6/13/63.]

WAC 314-08-030 Solicitation of business unethical. It shall be unethical for persons acting in a representative capacity before the board to solicit business by circulars, advertisements or by personal communication or interviews not warranted by personal relations, provided that such representatives may publish or circulate business cards. It is equally unethical to procure business indirectly by solicitors of any kind. [Resolution No. 2, Rule 08.030, filed 6/13/63.]

WAC 314-08-040 Standards of ethical conduct. [Resolution No. 2, Rule 08.050, filed 6/13/63.]

WAC 314-08-070 Computation of time. In computing any period of time prescribed or allowed by the board rules, by order of the board or by any applicable statute, the day of the act, event, or default after which the designated period of time begins to run is not to be included. The last day of the period so computed is to be included, unless it is a Saturday, Sunday or a legal holiday, in which event the period runs until the end of the next day which is neither a Saturday, Sunday nor a holiday. When the period of time prescribed or allowed is less than seven days, intermediate Saturdays, Sundays and holidays shall be excluded in the computation. This section shall not apply to periods of license suspension. [Resolution No. 2, Rule 08.070, filed 6/13/63.]

WAC 314-08-080 Notice and opportunity for hearing in contested cases. In any contested case, all parties shall be served with a notice at least ten days before the date set for the hearing. Failure to make proof of service does not affect the validity of the service. [Resolution No. 2, Rule 08.190, filed 6/13/63.]

WAC 314-08-200 Subpoenas—Quashing. Upon motion made promptly and in any event at or before the time specified in the subpoena for compliance, by the person to whom the subpoena is directed (and upon notice to the party to whom the subpoena was issued) the board or its authorized member or officer may (1) quash or modify the subpoena if it is unreasonable or requires evidence not relevant to any matter in issue, or (2) condition denial of the motion upon just and reasonable conditions. [Resolution No. 2, Rule 08.200, filed 6/13/63.]

WAC 314-08-210 Subpoenas—Enforcement. Upon application and for good cause shown, the board will seek judicial enforcement of subpoenas issued to parties and which have not been quashed. [Resolution No. 2, Rule 08.210, filed 6/13/63.]

WAC 314-08-230 Depositions and interrogatories in contested cases—Right to take. Except as may be otherwise provided, any party may take the testimony of any person, including a party, by deposition upon oral examination or written interrogatories for use as evidence in the proceeding. The attendance of witnesses may be compelled by the use of a subpoena. Depositions
shall be taken only in accordance with this rule and the rule on subpoenas. [Resolution No. 2, Rule 08.230, filed 6/13/63.]

WAC 314-08-240 Depositions and interrogatories in contested cases—Scope. Unless otherwise ordered, the deponent may be examined regarding any matter not privileged, which is relevant to the subject matter involved in the proceeding. [Resolution No. 2, Rule 08.240, filed 6/13/63.]

WAC 314-08-250 Depositions and interrogatories in contested cases—Officer before whom taken. Within the United States or within a territory or insular possession subject to the dominion of the United States, depositions shall be taken before an officer authorized to administer oaths by the laws of the state of Washington or of the place where the examination is held; within a foreign country, depositions shall be taken before a secretary of an embassy or legation, consul general, vice consul or consular agent of the United States, or a person designated by the board or agreed upon by the parties by stipulation in writing filed with the board. Except by stipulation, no deposition shall be taken before a person who is a party or the privy of a party, or a privy of any counsel of a party, or who is financially interested in the proceeding. [Resolution No. 2, Rule 08.250, filed 6/13/63.]

WAC 314-08-260 Depositions and interrogatories in contested cases—Authorization. A party desiring to take the deposition of any person upon oral examination shall give reasonable notice of not less than three days in writing to the board and all parties. The notice shall state the time and place for taking the deposition, the name and address of each person to be examined, if known, and if the name is not known, a general description sufficient to identify him or the particular class or group to which he belongs. On motion of a party upon whom the notice is served, the hearing officer may for cause shown, enlarge or shorten the time. If the parties so stipulate in writing, depositions may be taken before any person, at any time or place, upon any notice, and in any manner and when so taken may be used as other depositions. [Resolution No. 2, Rule 08.260, filed 6/13/63.]

WAC 314-08-270 Depositions and interrogatories in contested cases—Protection of parties and deponents. After notice is served for taking a deposition, upon its own motion or upon motion reasonably made by any party or by the person to be examined and upon notice and for good cause shown, the board or its designated hearing officer may make an order that the deposition shall not be taken, or that it may be taken only at some designated place other than that stated in the notice, or that it may be taken only on written interrogatories, or that certain matters shall not be inquired into, or that the scope of the examination shall be limited to certain matters, or that the examination shall be limited to certain matters, or that the examination shall be held with no one present except the parties to the action and their officers or counsel, or that after being sealed, the deposition shall be opened only by order of the board, or that business secrets or secret processes, developments, or research need not be disclosed, or that the parties shall simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the board, or the board may make any other order which justice requires to protect the party or witness from annoyance, embarrassment, or oppression. At any time during the taking of the deposition, on motion of any party or of the deponent and upon a showing that the examination is being conducted in bad faith or in such manner as unreasonably to annoy, embarrass, or oppress the deponent or party, the board or its designated hearing officer may order the officer conducting the examination to cease forthwith from taking the deposition or may limit the scope and manner of the taking of the deposition as above provided. If the order made terminates the examination, it shall be resumed thereafter only upon the order of the agency. Upon demand of the objecting party or deponent, the taking of the deposition shall be suspended for the time necessary to make a motion for an order. [Resolution No. 2, Rule 08.270, filed 6/13/63.]

WAC 314-08-280 Depositions and interrogatories in contested cases—Oral examination and cross-examination. Examination and cross examination shall proceed as at an oral hearing. In lieu of participating in the oral examination, any party served with notice of taking a deposition may transmit written cross interrogatories to the officer who, without first disclosing them to any person, and after the direct testimony is complete, shall propound them seriatim to the deponent and record or cause the answers to be recorded verbatim. [Resolution No. 2, Rule 08.280, filed 6/13/63.]

WAC 314-08-290 Depositions and interrogatories in contested cases—Recordation. The officer before whom the deposition is to be taken shall put the witness on oath and shall personally or by someone acting under his direction and in his presence, record the testimony by typewriter directly or by transcription from stenographic notes, wire or record recorders, which record shall separately and consecutively number each interrogatory. Objections to the notice, qualifications of the officer taking the deposition, or to the manner of taking it, or to the evidence presented or to the conduct of the officer, or of any party, shall be noted by the officer upon the deposition. All objections by any party not so made are waived. [Resolution No. 2, Rule 08.290, filed 6/13/63.]

WAC 314-08-300 Depositions and interrogatories in contested cases—Signing attestation and return. (1) When the testimony is fully transcribed the deposition shall be submitted to the witness for examination and shall be read to or by him, unless such examination and reading are waived by the witness and by the parties. Any changes in form or substance which the witness desires to make shall be entered upon the deposition by the
officer with a statement of the reasons given by the witness for making them. The deposition shall then be signed by the witness, unless the parties by stipulation waive the signing or the witness is ill or cannot be found or refuses to sign. If the deposition is not signed by the witness, the officer shall sign it and state on the record the fact of the waiver or of the illness or absence of the witness or the fact of the refusal to sign together with the reason, if any, given therefor; and the deposition may then be used as fully as though signed, unless a motion to suppress the board holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

(2) The officer shall certify on the deposition that the witness was duly sworn by him and that the deposition is a true record of the testimony given by the witness. He shall then securely seal the deposition in an envelope indorsed with the title of proceeding and marked "Deposition for the refusal to sign require rejection of the deposition of (here insert name of witness)" and shall promptly send it by registered or certified mail to the board, or its designated hearing officer, for filing. The party taking the deposition shall give prompt notice of its filing to all other parties. Upon payment of reasonable charges therefor, the officer shall furnish a copy of the deposition to any party or to the deponent. [Resolution No. 2, Rule 08.300, filed 6/13/63.]

WAC 314-08-310 Depositions and interrogatories in contested cases—Use and effect. Subject to rulings by the hearing officer upon objections a deposition taken and filed as provided in this rule will not become a part of the record in the proceeding until received in evidence by the hearing officer upon his own motion or the motion of any party. Except by agreement of the parties or ruling of the hearing officer, a deposition will be received only in its entirety. A party does not make a party, or the privy of a party, or any hostile witness his witness by taking his deposition. Any party may rebut any relevant evidence contained in a deposition whether introduced by him or any other party. [Resolution No. 2, Rule 08.310, filed 6/13/63.]

WAC 314-08-320 Depositions and interrogatories in contested cases—Fees of deponents—Costs of deposition. Deponents whose depositions are taken shall be entitled to the same fees as are allowed by WAC 314-08-180: Provided. That all costs incidental thereto shall be paid by the party desiring such deposition. [Resolution No. 2, Rule 08.320, filed 6/13/63.]

WAC 314-08-330 Depositions upon interrogatories—Submission of interrogatories. Where the deposition is taken upon written interrogatories, the party offering the testimony shall separately and consecutively number each interrogatory and file and serve them with a notice stating the name and address of the person who is to answer them and the name or descriptive title and address of the officer before whom they are to be taken. Within 10 days thereafter a party so served may serve cross—interrogatories upon the party proposing to take the deposition. Within five days thereafter, the latter may serve redirect interrogatories upon the party who served cross—interrogatories. [Resolution No. 2, Rule 08.330, filed 6/13/63.]

WAC 314-08-340 Depositions upon interrogatories—Interrogation. (2) Every person, firm or corporation holding a license to manufacture malt liquors within the state of Washington shall, in addition to the statement required to be made by RCW 66.24.280 (sec. 23F (1) of the Washington State Liquor Act), on or before the tenth day of each month make a report to the board upon forms furnished by the board, of all sales of beer in and out of the state during the preceding calendar month, and shall at the same time pay to the board the tax due thereon.

(3) Each price posting shall be made on a form prepared and furnished by the board and shall set forth:
(a) all brands, types, packages and containers of beer offered for sale by such beer wholesaler.
(b) The wholesale prices thereof to retail licensees, including allowances, if any, for returned empty containers.
(4) No beer wholesaler shall sell or offer to sell any package or container of beer to any retail licensee at a price differing from the price for such package or container as shown in the price posting filed by the beer wholesaler and then in effect.
(5) Quantity discounts are prohibited. No price shall be posted which is below "cost," or below "cost of doing business," or a "loss leader," as those terms are defined in chapter 19.90 RCW, Unfair Practices Act, except as otherwise provided in such Act.

(7) If an existing written contract or memorandum of oral agreement between a licensed brewer, certificate of approval holder, beer importer or beer wholesaler and a beer wholesaler, on file in accordance with WAC 314-20-105 (Rule 49.5), is terminated by either party, and a new written contract or memorandum of oral agreement is made by such a supplier with another beer wholesaler in the affected trade area, the board, after receiving such new contract or memorandum of oral agreement and a corresponding wholesale price posting from the newly-designated beer wholesaler, may put such filings into effect immediately: Provided, That prices and other conditions of such filings which are in effect at the time of such termination shall not be changed until subsequent filings are submitted to the board and become effective under regulatory procedures set forth in other subsections of this regulation and WAC 314-20-105 (Rule 49.5).
(8) The board may reject any price posting which it deems to be in violation of this or any other regulation or portion thereof which would tend to disrupt the orderly sale and distribution of beer. Whenever the board shall reject any posting the licensee submitting said posting may be heard by the board and shall have the burden of showing that said posting is not in violation of regulation and/or does not tend to disrupt the orderly sale and distribution of beer. Thereupon if said posting is accepted it shall become effective at the time fixed by the board. If said posting is rejected, the last effective posting shall remain in effect until such time as an amended posting is filed and approved, in accordance with the provisions of this regulation.
(9) All price postings filed as required by this regulation shall at all times be open to inspection to all trade buyers within the state of Washington and shall not within any sense be considered confidential.
(10) Any beer wholesaler or employee authorized by his wholesaler-employer may sell beer at the wholesaler's posted prices to any Class A, B, D, E, H, or G licensee upon presentation to such wholesaler or employee at the time of purchase of a special permit issued by the board to such licensee.
(a) Every Class A, B, D, E, H, or G licensee upon purchasing any beer from a wholesaler, shall immediately cause such beer to be delivered to his licensed premises, and he shall not thereafter permit such beer to be disposed of in any manner except as authorized by his license.
(b) Beer sold as provided herein shall be delivered by such wholesaler or his authorized employee either to such retailer's licensed premises or directly to such retailer at the wholesaler's licensed premises: Provided, however, That a wholesaler's prices to retail licensees shall be the same at both such places of delivery. (1) Every licensed brewer shall file with the board at its office in Olympia a copy of every written contract and a memorandum of every oral agreement which such brewer may have with any beer wholesaler, which contracts or memoranda shall contain a schedule of prices charged to wholesalers for all items, all terms of sale, including all regular and special discounts; all advertising, sales and trade allowances and incentive programs; all commissions, bonuses or gifts and any and all other discounts or allowances. Whenever changed or modified such revised contracts or memoranda shall forthwith be filed with the board as provided in this regulation.

(2) No contract or memorandum of oral agreement shall become effective until fifteen days after the actual filing thereof with the board. In the event a contract or memorandum of oral agreement is filed before a previous one has become effective, the subsequent filing shall nullify said previous price posting.

(a) An exception is set forth in subsection (7) of WAC 314-20-100 which provides for a change in wholesalers.

(3) Prices filed by a licensed brewer shall be uniform prices to all wholesalers on a statewide basis less bona fide allowances for freight differentials. Quantity discounts are prohibited. No price shall be filed which is below "cost," or below "cost of doing business," or a "loss leader" as those terms are defined in chapter 19.90 RCW, Unfair Practices Act, except as otherwise provided in such Act.

The bill of lading covering such consignment shall not be changed or the beer diverted unless such diversion is to another beer importer, and the board so notified immediately.

(8) The board may reject any supplier's price filing, contract or memorandum of oral agreement or portion thereof which it deems to be in violation of this or any other regulation or which would tend to disrupt the orderly sale and distribution of beer. Whenever the board shall reject any such price filing, contract or memorandum the licensee submitting said price filing, contract or memorandum may be heard by the board and shall have the burden of showing that the said price filing, contract or memorandum is not in violation of regulation and/or does not tend to disrupt the orderly sale and distribution of beer. Thereupon if said price filing, contract or memorandum is accepted it shall become effective at a time fixed by the board. If said price filing, contract or memorandum or portion thereof is rejected, the last effective price filing, contract or memorandum shall remain in effect until such time as an amended price filing, contract or memorandum is filed and approved, in accordance with the provisions of this regulation.

WAC 314-24-003 Standards of identity for wine. (1) Application of standards. The standards of identity for the several classes and types of wine set forth herein shall be applicable to all wines produced, imported, bottled, offered for sale, or sold within this state for beverage use or any other purpose, except as hereinafter provided. The standards herein established are minimum standards for wines of the several classes and types defined.

(2) Standards of identity. The several classes and types of wine set forth herein shall be as follows:

(a) Wine (or Grape Wine). "Wine" is the product of the normal alcoholic fermentation of the juice of sound, ripe grapes (including pure condensed must), with or without added grape brandy or other spirits derived from grapes or grape products, and containing not to exceed 20.87 percent alcohol by volume, but without any other addition or abstraction whatsoever except as may occur in normal cellar treatment: Provided, That the product may be ameliorated before, during or after fermentation by the use of pure dry sugar, a combination of water and pure dry sugar, liquid sugar, invert sugar syrup, grape juice or concentrated must, but only in accordance with federal regulations 26 CFR part 240, and the total solids of the wine shall in no case exceed 21 percent by weight. The maximum volatile acidity, calculated as acetic acid and exclusive of sulphur dioxide, shall not be, for red table wine, more than 0.14 gram, and for all other wine, more than 0.12 gram in both cases per 100 cubic centimeters (20 degrees C.). The maximum sulphur dioxide content of any wine shall not be greater than 350 parts per million of total sulphur dioxide as sulphur dioxide expressed as sulphur dioxide.

Pure Condensed Must. "Pure condensed must" means the dehydrated juice or must of sound, ripe grapes, or other fruit or agricultural products, concentrated to not more than 80° Brix, the composition thereof remaining unaltered except for removal of water; the term "restored pure condensed must" means pure condensed must to which has been added an amount of water not exceeding the amount removed in the dehydration process; and the term "sugar" means pure cane, beet, or dextrose sugar in dry form containing, respectively, not less than 95 percent of actual sugar calculated on a dry basis.

(b) Natural Wine is the product of the juice of sound, ripe grapes, or the product of the juice of sound ripe fruit or berries other than grapes, produced in accordance with section 5381, I.R.C., and federal regulations 26 CFR part 240, as applicable.

(c) Red and White Wine. Red wine is wine which contains the red coloring matter of the skins, juice, or pulp of grapes; pink, amber or rose wine is wine which contains partial red coloring of the skins, juice, or pulp of grapes; and white wine is wine which does not contain the red coloring matter of the skins, juice, or pulp of grapes.

(d) Table Wine (including light wine, light grape wine, light red wine, light white wine, and natural wine) is wine containing not to exceed 14 percent alcohol by volume. The maximum Balling or Brix saccharometer test for any table wine shall not be more than 14 percent (at 20 degrees C. using a saccharometer calibrated at this temperature) when the test is made in the presence of the alcoholic content provided herein.

(e) Dessert Wine (including appetizer wine) is wine containing more than 14 percent alcohol by volume, and not to exceed 20.87 percent alcohol by volume. Angelica, Madeira, Malaga, Marsala, Muscatel, Port, White Port, Sherry, and Tokay are types of dessert wine containing added grape brandy or other spirits derived from grapes or grape products, possessing the taste, aroma and other characteristics generally attributed to these products, and having an alcoholic content of not less than 17 percent by volume in the case of Sherry, and not less than 18 percent in the case of all other types named in this paragraph.

(f) Aperitif Wine is grape wine, containing added grape brandy or other spirits derived from grapes or grape products and having an alcoholic content of not less than 15 percent by volume flavored with herbs and other natural aromatic flavoring materials and possessing the taste, aroma and other characteristics generally attributed to wine of this class.

(g) Vermouth is a type of aperitif wine made from grape wine and possessing the taste, aroma and other characteristics generally attributed to vermouth.

(h) The term vintage wine means a wine produced wholly from (i) grapes gathered and (ii) the juice therefrom fermented, in the same calendar year and in the same viticultural area (e.g., county, state, department, province, or equivalent geographic area, or subdivision thereof), as identified on the label of such wine.

(i) Sacramental Wine. Wine used solely for sacramental purposes may possess such alcoholic content not exceeding 20.87 percent by volume as required by ecclesiastical codes.

(j) Sparkling Grape Wine (including sparkling wine, sparkling red wine, and sparkling white wine) is grape wine made effervescent with carbon dioxide resulting solely from the fermentation of the wine within a closed container, tank or bottle.

(k) Champagne is a type of sparkling light white wine which derives its effervescence solely from the secondary fermentation of the wine within glass containers of not greater than one gallon capacity, and which possesses the taste, aroma, and other characteristics attributed to
champagne as made in the Champagne District of France.

(i) A Sparkling Light Wine having the taste, aroma, and characteristics generally attributed to champagne but not otherwise conforming to the standard for champagne may, in addition to but not in lieu of the class designation sparkling wine, be further designated as champagne style, or champagne type or American (or New York State, California, etc.) champagne—bulk process; all the words in such further designation shall appear in lettering of substantially the same size and such lettering shall not be substantially larger than the words "sparkling wine".

(m) Pink (or Rose) Champagne is a type of sparkling pink wine otherwise conforming to the definition of champagne, and shall be labeled in the same manner as champagne except that the designation Pink (or Rose) champagne shall be used in lieu of the designation champagne.

(o) Carbonated Wine (including carbonated grape wine, carbonated red wine, carbonated pink (or rose) wine and carbonated white wine) is wine made effervescent with carbon dioxide other than that resulting solely from the secondary fermentation of the wine within a closed container, tank, or bottle.

(p) Fruit Wine is wine produced by the normal alcoholic fermentation of the juice of sound, ripe fruit (other than grape), including pure condensed fruit must, with or without added fruit brandy or fruit spirits distilled from the same type of fruit or fruit products as the wine to which such fruit brandy or fruit spirits is added, and containing not to exceed 20.87 percent of alcohol by volume but without any other addition or abstraction whatsoever except such as may occur in normal cellar treatment: Provided, That the product may be ameliorated before, during, or after fermentation by the addition of water, pure dry sugar, a combination of water and pure dry sugar, liquid sugar, invert sugar syrup and concentrated and un-concentrated juice of the same fruit, but, only in accordance with federal regulations and the total solids of the wine shall in no case exceed 21 percent by weight.

The maximum volatile acidity, calculated as acetic acid and exclusive of sulphur dioxide, shall not be for natural fruit wine, more than 0.14 gram, and for other fruit wine, more than 0.12 gram, per 100 cubic centimeters (20 degrees C.).

(q) Light Fruit Wine (including natural fruit wine) is fruit wine containing not to exceed 14 percent alcohol by volume.

(r) Fruit wine derived wholly (except for sugar, water, or added fruit brandy or fruit spirits) from one kind of fruit shall be designated by the word wine, qualified by the name of such fruit; e.g., peach wine, orange wine, blackberry wine, etc. Fruit wine not derived wholly from one kind of fruit shall be designated as fruit wine or berry wine, as the case may be, qualified by a truthful and adequate statement of composition appearing in direct conjunction therewith. Fruit wines derived wholly (except for sugar, water, or added fruit brandy or fruit spirits) from apples or pears may if desired be designated cider, and Perry, respectively, and shall be so designated if lacking in vinous taste, aroma, and other characteristics. Fruit wine rendered effervescent by carbon dioxide resulting solely from the secondary fermentation of the wine within a closed container, tank, or bottle shall be further designated as sparkling, and fruit wine rendered effervescent by carbon dioxide otherwise derived shall be further designated as carbonated.

(w) Specialty Wine is wine not otherwise herein defined, produced in accordance with commercial standards for such wines. Such wines may bear a fanciful proprietary designation and shall be labeled with a truthful and adequate statement of composition or with any commonly accepted trade designation indicative of such composition.

(x) Specially Sweetened Natural Wine (a wine such as Kosher wine) is wine produced in accordance with federal regulation 26 CFR part 240.

(y) High Fermentation Wine is a grape or fruit wine made within the limitations of Regulation (57)(2)(a) for grape wine, and Regulation (57)(2)(p) for fruit wine, except that the alcohol content after complete fermentation or complete fermentation and sweetening is more than 14 percent and that wine spirits may not be added, produced in accordance with federal regulation 26 CFR part 240.

(z) Special Natural Wine is a flavored wine made on bonded wine cellar premises from a base of natural wine, in conformity with federal regulation 26 CFR part 240.

(3) Grape-type designations. A name indicative of variety of grape may be employed as the type designation of a wine if the wine derives its predominate taste, aroma, and other characteristics, and at least 51 percent of its volume, from that variety of grape.

(4) Appellations of origin. A wine shall be entitled to an appellation of origin if:

(a) At least 75 percent of its volume is derived from both fruit or other agricultural products both grown and fermented in the place or region indicated by such appellation;

(b) It has been fully produced and finished within such place or region; and

(c) It conforms to the requirements of the laws and regulations of such place or region governing the composition, method of production and designation of wines for consumption within such place or region of origin.

For example, all grape wines bearing labels showing California as the origin of such wine, shall be derived one hundred percent from grapes grown and wine from such grapes fermented within the state of California, shall contain no sugar or material containing sugar, other than pure condensed grape must; and any type of grape dessert wine (except sherry) shall contain not less than 18 percent of alcohol by volume; any type of sherry shall contain not less than 17 percent alcohol by volume; except as hereinbefore provided. Wines subjected to cellar treatment outside the place or region of origin, and blends of wine of the same origin, blended together outside the place or region of origin (if all the wines, in the blend have a common class, type, or other designation which is employed as the designation of the blend), shall be entitled to the same appellation of origin to which they would be entitled if such cellar treatment of blending took place within the place or region of origin.

(6) Grape-type designations, generic, semi-generic and non-generic designations of geographic significance, are subject to the same requirements as set forth under No. 27, Code of Federal Regulations, Part 4. [Order 14, § 314-24-003, filed 12/1/70, effective 1/1/71; Order 5, § 314-24-003, filed 8/7/69, effective 9/8/69.]

(3) Filing Date Exception—Whenever the twenty-fifth day of any month falls on Saturday, Sunday, or a legal holiday, an original contract or memorandum of oral agreement may be filed not later than the close of business the next business day.
