WAC 478-08-230 Depositions and interrogatories in contested cases—Right to take. Except as may be otherwise provided, any party may take the testimony of any person, including a party, by deposition upon oral examination or written interrogatories for use as evidence in the proceeding, except that leave must be obtained if notice of the taking is served by a proponent within twenty days after the filing of a complaint, application or petition. The attendance of witnesses may be compelled by the use of a subpoena. Depositions shall be taken only in accordance with this rule and the rule on subpoenas. [Regulation .08.230, filed 3/22/60.]

WAC 478-08-240 Depositions and interrogatories in contested cases—Scope. Unless otherwise ordered, the deponent may be examined regarding any matter not privileged, which is relevant to the subject matter involved in the proceeding. [Regulation .08.240, filed 3/22/60.]

WAC 478-08-250 Depositions and interrogatories in contested cases—Officer before whom taken. Within the United States or within a territory or insular possession subject to the dominion of the United States depositions shall be taken before an officer authorized to administer oaths by the laws of the state of Washington or of the place where the examination is held; within a foreign country, depositions shall be taken before a secretary of an embassy or legation, consul general, vice consul or consular agent of the United States, or a person designated by the agency or agreed upon by the parties by stipulation in writing filed with the agency.

Except by stipulation, no deposition shall be taken before a person who is a party or the privy of a party, or a privy of any counsel of a party, or who is financially interested in the proceeding. [Regulation .08.250, filed 3/22/60.]

WAC 478-08-260 Depositions and interrogatories in contested cases—Authorization. A party desiring to take the deposition of any person upon oral examination shall give reasonable notice of not less than three days in writing to the agency and all parties. The notice shall state the time and place for taking the deposition, the name and address of each person to be examined, if known, and if the name is not known, a general description sufficient to identify him or the particular class or group to which he belongs. On motion of a party upon whom the notice is served, the hearing officer may for cause shown, enlarge or shorten the time. If the parties so stipulate in writing, depositions may be taken before any person, at any time or place, upon any notice, and in any manner and when so taken may be used as other depositions. [Regulation .08.260, filed 3/22/60.]

WAC 478-08-270 Depositions and interrogatories in contested cases—Protection of parties and deponents. After notice is served for taking a deposition, upon its own motion or upon motion reasonably made by any party or by the person to be examined and upon notice and for good cause shown, the agency or its designated hearing officer may make an order that the deposition shall not be taken, or that it may be taken only at some designated place other than that stated in the notice, or that it may be taken only on written interrogatories, or that certain matters shall not be inquired into, or that the scope of the examination shall be limited to certain matters, or that the examination shall be limited to certain matters, or that the examination shall be held with no one present except the parties to the action and their officers or counsel, or that after being sealed, the deposition shall be opened only by order of the agency, or that business secrets or secret processes, developments, or research need not be disclosed, or that the parties shall simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the agency; or the agency may make any other order which justice requires to protect the party or witness from annoyance, embarrassment, or oppression. At any time during the taking of the deposition, on motion of any party or of the deponent and upon a showing that the examination is being conducted in bad faith or in such manner as unreasonably to annoy, embarrass, or oppress the deponent or party, the agency or its designated hearing officer may order the officer conducting the examination to cease forthwith from taking the deposition, or may limit the scope and manner of the taking of the deposition as above provided. If the order made terminates the examination, it shall be resumed thereafter only upon the order of the agency. Upon demand of the objecting party or deponent, the taking of the deposition shall be suspended for the time necessary

to make a motion for an order. [Regulation .08.270, filed 3/22/60.]

WAC 478-08-280 Depositions and interrogatories in contested cases—Oral examination and cross-examination. Examination and cross-examination shall proceed as at an oral hearing. In lieu of participating in the oral examination, any party served with notice of taking a deposition may transmit written cross interrogatories to the officer who, without first disclosing them to any person, and after the direct testimony is complete, shall propound them seriatim to the deponent and record or cause the answers to be recorded verbatim. [Regulation .08.280, filed 3/22/60.]

WAC 478-08-290 Depositions and interrogatories in contested cases—Recordation. The officer before whom the deposition is to be taken shall put the witness on oath and shall personally or by someone acting under his direction and in his presence, record the testimony by typewriter directly or by transcription from stenographic notes, wire or record recorders, which record shall separately and consecutively number each interrogatory. Objections to the notice, qualifications of the officer taking the deposition, or to the manner of taking it, or to the evidence presented or to the conduct of the officer, or of any party, shall be noted by the officer upon the deposition. All objections by any party not so made are waived. [Regulation .08.290, filed 3/22/60.]

WAC 478-08-300 Depositions and interrogatories in contested cases—Signing attestation and return. When the testimony is fully transcribed the deposition shall be submitted to the witness for examination and shall be read to or by him, unless such examination and reading are waived by the witness and by the parties. Any changes in form or substance which the witness desires to make shall be entered upon the deposition by the officer with a statement of the reasons given by the witness for making them. The deposition shall then be signed by the witness, unless the parties by stipulation waive the signing or the witness is ill or cannot be found or refuses to sign. If the deposition is not signed by the witness, the officer shall sign it and state on the record the fact of the waiver or of the illness or absence of the witness or the fact of the refusal to sign together with the reason, if any, given therefor; and the deposition may then be used as fully as though signed, unless on a motion to suppress the agency holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

The officer shall certify on the deposition that the witness was duly sworn by him and that the deposition is a true record of the testimony given by the witness. He shall then securely seal the deposition in an envelope indorsed with the title of proceeding and marked "Deposition of (here insert name of witness)" and shall promptly send it by registered or certified mail to the agency, or its designated hearing officer, for filing. The party taking the deposition shall give prompt notice of its filing to all other parties. Upon payment of reasonable charges

therefor, the officer shall furnish a copy of the deposition to any party or to the deponent. [Regulation .08.300, filed 3/22/60.]

WAC 478-08-310 Depositions and interrogatories in contested cases—Use and effect. Subject to rulings by the hearing officer upon objections a deposition taken and filed as provided in this rule will not become a part of the record in the proceeding until received in evidence by the hearing officer upon his own motion or the motion of any party. Except by agreement of the parties or ruling of the hearing officer, a deposition will be received only in its entirety. A party does not make a party, or the privy of a party, or any hostile witness his witness by taking his deposition. Any party may rebut any relevant evidence contained in a deposition whether introduced by him or any other party. [Regulation .08.310, filed 3/22/60.]

WAC 478-08-320 Depositions and interrogatories in contested cases—Fees of officers and deponents. Deponents whose depositions are taken and the officers taking the same shall be entitled to the same fees as are paid for like services in the superior courts of the state of Washington, which fees shall be paid by the party at whose instance the depositions are taken. [Regulation .08.320, filed 3/22/60.]

WAC 478-08-330 Depositions upon interrogatories—Submission of interrogatories. Where the deposition is taken upon written interrogatories, the party offering the testimony shall separately and consecutively number each interrogatory and file and serve them with a notice stating the name and address of the person who is to answer them and the name or descriptive title and address of the officer before whom they are to be taken. Within ten days thereafter a party so served may serve cross-interrogatories upon the party proposing to take the deposition. Within five days thereafter, the latter may serve redirect interrogatories upon the party who served cross-interrogatories. [Regulation .08.330, filed 3/22/60.]

WAC 478-08-340 Depositions upon interrogatories—Interrogation. Where the interrogatories are forwarded to an officer authorized to administer oaths as provided in WAC 478-08-250 the officer taking the same after duly swearing the deponent, shall read to him seriatim, one interrogatory at a time and cause the same and the answer thereto to be recorded before the succeeding interrogatory is asked. No one except the deponent, the officer and the court reporter or stenographer recording and transcribing it shall be present during the interrogation. [Regulation .08.340, filed 3/22/60.]

WAC 478-08-350 Depositions upon interrogatories—Attestation and return. The officer before whom interrogatories are verified or answered shall (1) certify under his official signature and seal that the deponent

was duly sworn by him, that the interrogatories and answers are a true record of the deponent's testimony, that no one except deponent, the officer and the stenographer were present during the taking, and that neither he nor the stenographer, to his knowledge, is a party, privy to a party, or interested in the event of the proceedings, and (2) promptly send by registered or certified mail the original copy of the deposition and exhibits with his attestation to the agency, or its designated hearing officer, one copy to the counsel who submitted the interrogatories and another copy to the deponent. [Regulation .08.350, filed 3/22/60.]

WAC 478-08-360 Depositions upon interrogatories—Provisions of deposition rule. In all other respects, depositions upon interrogatories shall be governed by the previous deposition rule. [Regulation .08.360, filed 3/22/60.]

WAC 478-08-400 Stipulations and admissions of record. The existence or nonexistence of a material fact, as made or agreed in a stipulation or in an admission of record, will be conclusively presumed against any party bound thereby, and no other evidence with respect thereto will be received upon behalf of such party, provided:

(1) Upon whom binding. Such a stipulation or admission is binding upon the parties by whom it is made, their privies and upon all other parties to the proceeding who do not expressly and unequivocally deny the existence or nonexistence of the material fact so admitted or stipulated, upon the making thereof, if made on the record at a prehearing conference, oral hearing, oral argument or by a writing filed and served upon all parties within five days after a copy of such stipulation or admission has been served upon them;

(2) Withdrawal. Any party bound by a stipulation or admission of record at any time prior to final decision may be permitted to withdraw the same in whole or in part by showing to the satisfaction of the hearing officer or the agency that such stipulation or admission was made inadvertently or under a bona fide mistake of fact contrary to the true fact and that its withdrawal at the time proposed will not unjustly prejudice the rights of other parties to the proceeding. [Regulation .08.400, filed 3/22/60.]

WAC 478-08-410 Form and content of decisions in contested cases. Every decision and order, whether proposed, initial, or final, shall:

- (1) Be correctly captioned as to name of agency and name of proceeding;
- (2) Designate all parties and counsel to the proceeding;
- (3) Include a concise statement of the nature and background of the proceeding;
- (4) Be accompanied by appropriate numbered findings of fact and conclusions of law;
- (5) Whenever practical, the conclusions of law shall include the reason or reasons for the particular order or remedy afforded;

(6) Wherever practical, the conclusions and/or order shall be referenced to specific provisions of the law and/or regulations appropriate thereto, together with reasons and precedents relied upon to support the same. [Regulation .08.410, filed 3/22/60.]

WAC 478-08-420 Definition of issues before hearing. In all proceedings the issues to be adjudicated shall be made initially as precise as possible, in order that hearing officers may proceed promptly to conduct the hearings on relevant and material matter only. Particularity should be required in complaints, answers, applications for rules or licenses, and petitions to intervene. In proceedings in which there is only one interested party besides the agency, the orders setting hearings should clearly specify the issues to be heard. Either at this point or in other sections of rules dealing with particular types of proceedings, set out any detailed requirements governing the formulation of issues in proceedings before the agency. [Regulation .08.420, filed 3/22/60.]

WAC 478-08-510 Continuances. Any party who desires a continuance shall, immediately upon receipt of notice of a hearing, or as soon thereafter as facts requiring such continuance come to his knowledge, notify the agency or its designated hearing officer of said desire, stating in detail the reasons why such continuance is necessary. The agency or its designated hearing officer, in passing upon a request for continuance, shall consider whether such request was promptly and timely made. For good cause shown, the agency or its designated hearing officer may grant such a continuance and may at any time order a continuance upon its or his own motion. During a hearing, if it appears in the public interest or in the interest of justice that further testimony or argument should be received, the examiner or other officer conducting the hearing may in his discretion continue the hearing and fix the date for introduction of additional evidence or presentation of argument. Such oral notice shall constitute final notice of such continued hearing. [Regulation .08.510, filed 3/22/60.]

WAC 478-08-520 Rules of evidence—Admissibility criteria. Subject to the other provisions of these rules, all relevant evidence is admissible which, in the opinion of the officer conducting the hearing, is the best evidence reasonably obtainable, having due regard for its necessity, availability and trustworthiness. In passing upon the admissibility of evidence, the officer conducting the hearing shall give consideration to, but shall not be bound to follow, the rules of evidence governing civil proceedings, in matters not involving trial by jury, in the superior court of the state of Washington. [Regulation .08.520, filed 3/22/60.]

WAC 478-08-530 Rules of evidence—Tentative admission—Exclusion—Discontinuance—Objections. When objection is made to the admissibility of evidence, such evidence may be received subject to a later ruling. The officer conducting the hearing may, in his

discretion, either with or without objection, exclude inadmissible evidence or order cumulative evidence discontinued. Parties objecting to the introduction of evidence shall state the precise grounds of such objection at the time such evidence is offered. [Regulation .08.530, filed 3/22/60.]

WAC 478-08-540 Petitions for rule making, amendment or repeal—Who may petition. Any interested person may petition the agency requesting the promulgation, amendment, or repeal of any rule. [Regulation .08.540, filed 3/22/60.]

WAC 478-08-550 Petitions for rule making, amendment or repeal—Requisites. Where the petition requests the promulgation of a rule, the requested or proposed rule must be set out in full. The petition must also include all the reasons for the requested rule together with briefs of any applicable law. Where the petition requests the amendment or repeal of a rule presently in effect, the rule or portion of the rule in question must be set out as well as a suggested amended form, if any. The petition must include all reasons for the requested amendment or repeal of the rule. [Regulation .08.550, filed 3/22/60.]

WAC 478-08-560 Petitions for rule making, amendment or repeal—Agency must consider. All petitions shall be considered by the agency and the agency may, in its discretion, order a hearing for the further consideration and discussion of the requested promulgation, amendment, repeal, or modification of any rule. [Regulation .08.560, filed 3/22/60.]

WAC 478-08-570 Petitions for rule making, amendment or repeal—Notice of disposition. The agency shall notify the petitioning party within a reasonable time of the disposition, if any, of the petition. [Regulation .08.570, filed 3/22/60.]

If more than one parking judge is appointed, the Dean of the Law School shall designate one of them as Senior Parking Judge. Only regularly enrolled students in the School of Law may be appointed judges. [Order 75-2, § 478-116-410, filed 6/4/75.]

WAC 478-116-420 Compensation for judges not based on fines. The rate of compensation for University Parking Court judges shall not be dependent upon the amount of fines or penalties assessed by the judge. [Order 75-2, § 478-116-420, filed 6/4/75.]

WAC 478-116-430 Jurisdiction of the University Parking Court. (1) The University Parking Court established by WAC 478-116-410 shall have jurisdiction to hear and decide cases involving alleged violations of these rules. The University Parking Court shall have no jurisdiction to hear and decide cases involving alleged violations of:

(a) The motor vehicle and other traffic laws of the State of Washington;

(b) The traffic code of the City of Seattle;

(c) These regulations insofar as applicable to moving traffic violations of vehicles other than bicycles.

(2) Offenses under WAC 478-116-430(1)(a) through (1)(c) will be referred to Seattle District Court for prosecution under applicable laws. [Order 75-2, § 478-116-430, filed 6/4/75.]

WAC 478-116-440 Procedure--Summons and service thereof. Upon probable cause to believe that a violation of these regulations has occurred, an appropriate summons or parking/traffic violation notice may be issued by the University Police Department setting forth the date, the approximate time, the locality, and the nature of the violation. Such summons may be served by delivering or mailing a copy thereof to the alleged violator, by attaching or affixing a copy thereof to the vehicle or bicycle allegedly involved in such violation, or by placing a copy thereof in some prominent place within such vehicle. Service by mail shall be accomplished by placing a copy of the summons in the mail addressed to the alleged violator at the address shown on the records of the Office of the Registrar, the Staff Personnel Office or Academic Personnel Records for that person or any other last known address of that person. [Order 75-2, § 478-116-440, filed 6/4/75.]

WAC 478-116-450 Election to forfeit or contest. (1) The summons or parking violation notice issued pursuant to WAC 478-116-440 shall advise the alleged violator that he or she may elect either to pay and forfeit the fine applicable to the violation(s) charged or to contest the matter(s) in the university parking court.

(2) If the alleged violator chooses to forfeit the fine(s) he or she may do so by mail, forwarding the appropriate amount by check or money order or bringing such amount in cash to the university parking violations division. Such forfeiture shall constitute a waiver of the right to a hearing.

(3) If the alleged violator chooses to contest, he or she may do so by contacting the parking violations division and requesting a date to appear in court. Such request may be made by telephone, mail or in person.

(4) If an alleged violator has received one or more parking violation notice(s) amounting to \$12.00 or more and has neither paid the fines nor requested a court date, the parking violations division shall send a notice of election to forfeit or contest to the alleged violator not less than seven business days following service of the unanswered summons or parking violations notice. This notice shall direct the individual to either (a) pay the fine in the amount specified or, (b) request an appearance before the university parking court. Such action must be taken within ten business days of the date the notice of election to forfeit or contest was posted. Failure to comply with either (a) or (b) within the specified time limit will result in a default judgment, and the university parking judge may impose such penalty or fines appropriate under the schedule of fines established pursuant to WAC 478-116-520.

(5) Failure of an alleged violator to appear in the university parking court on the date set or to apply for a continuance of the hearing date or to pay and forfeit fines prior to the hearing date shall, unless lawful excuse is established before the university parking court, constitute a plea of guilty to the complaint or information and such penalty or fine may be imposed by the parking judge as is appropriate under the schedule of fines established pursuant to WAC 478-116-520. [Statutory Authority: RCW 28B.10.560. 79-09-004 (Order 79-3), § 478-116-450, filed 8/2/79; 78-07-019 (Order 78-3), § 478-116-450, filed 6/15/78; Order 75-2, § 478-116-450, filed 6/4/75.]

WAC 478-116-460 Procedure--Complaint and information. (1) A summons served in accordance with the provisions of WAC 478-116-440 shall constitute the complaint or information against the person to whom delivered or mailed, the person to whom a permit was issued for the vehicle in which it was placed or to which it was attached, or if no permit for the vehicle has been issued, the registered owner of the vehicle in which it was placed or to which it was attached. If such person or owner desires a more particular and detailed statement of the alleged offense, he or she may within seven days after being served with a summons or parking violation notice request such a statement from the University Police Department. If such a statement in writing is issued by the University Police Department, it together with the original summons shall constitute the complaint or information. If such request is denied because it was not timely made, the alleged violator may, at any time prior to the date of the hearing, apply in writing to the Parking Judge for an order requiring the University Police Department to furnish him or her a more particular and detailed statement of the alleged offense. If, for good cause shown, the Parking Judge grants such an application and the University Police Department fails to furnish such a statement in writing within the time set by the Parking Judge, the prosecution for the alleged offense shall be dismissed with prejudice.

(2) The complaint or information may be amended at any time, either in writing delivered or mailed to the alleged violator or upon motion at trial in his or her presence, to include new charges of violations of these regulations. If such amendment prejudices or hampers the alleged violator in the presentation of his or her defenses, the Parking Judge shall grant a continuance of the hearing until such date as the alleged violator may present his or her defenses without undue prejudice. [Order 75-2, § 478-116-460, filed 6/4/75.]

WAC 478-116-470 Procedure--Pleas at hearing. At the date set for the hearing, the alleged violator shall appear and plead either "guilty" or "not guilty". Upon a plea of "guilty", the Parking Judge shall hear such relevant evidence as the alleged violator may present concerning the amount of the fine or penalty which should be imposed. Upon a plea of "not guilty" an alleged violator may present all relevant legal defenses available to him or her. [Order 75-2, § 478-116-470, filed 6/4/75.]

WAC 478-116-480 Procedure--Oath or solemn affirmation. Upon hearing, the Parking Judge may require witnesses to be sworn or to present their solemn affirmation that the testimony which they give is true. [Order 75-2, § 478-116-480, filed 6/4/75.]

WAC 478-116-490 Procedure--Rules of evidence. The technical rules of evidence applicable in courts of law shall not apply, and the proceedings of the court shall be informal. Any oral or documentary evidence may be received, but the Parking Judge may exclude such evidence as is irrelevant, immaterial, or unduly repetitious. [Order 75-2, § 478-116-490, filed 6/4/75.]

WAC 478-116-500 Procedure--Examination of witnesses. The alleged violator or his or her representative shall be afforded an opportunity to cross-examine the witnesses against him or her. The representative of the University Police Department present at the hearing shall be afforded an opportunity to cross-examine the witnesses for the alleged violator. The Parking Judge may also, in the interest of justice, examine the witnesses for either side, or call and examine witnesses on his or her own motion. [Order 75-2, § 478-116-500, filed 6/4/75.]

WAC 478-116-510 Procedure--Judgment. Upon conclusion of the hearing, the Parking Judge shall specify the charge or charges, pronounce judgment of acquittal or conviction as to each charge, and shall assess fines or penalties not in excess of the schedule of fines and penalties established pursuant to the procedures set forth in WAC 478-116-520. The judgment and sentence imposed, if any, shall be recorded in the records maintained by the Parking Violations Division and the Parking Judge shall endorse his or her signature thereon, certifying the record to be correct. [Order 75-2, § 478-116-510, filed 6/4/75.]

WAC 478-116-520 Fines and penalties. (1) The fines or penalties which may be assessed for violations of these regulations are those detailed in WAC 478-116-601.

(2) Fines.

(a) Persons cited for violation of these regulations may respond either by arranging for a university parking court date or by paying and forfeiting a fine within seven days of service of the citation in accordance with WAC 478-116-450. Forfeitures submitted by mail must be postmarked within seven days of the date of issue of the citation in order to avoid additional penalties.

(b) An additional fine of \$5.00 per offense shall be assessed for each parking citation which is not responded to within the seven day limit provided in WAC 478-116-520(2)(a).

(c) The manager of the parking division shall cause these regulations or a reasonable summary thereof to be:

(i) Published in the University of Washington DAILY at least twice each calendar year.

(ii) Prominently displayed in the offices of the university parking violations division, the university police department, and the parking division.

(d) The fine schedule shall be printed on the parking violation notices served on alleged violators.

(3) In any case where an alleged violator within a period of three months or less has a combined total of five or more violations with respect to which he/she has either forfeited the fine or been convicted of the violation, the parking judge may, in addition to whatever fines are appropriate under the applicable fine schedule, impose the following sanctions:

(a) Suspension of permit parking privileges on campus for a specified time;

(b) Direct a report of the offense to be forwarded to the appropriate dean or administrative officer. [Statutory Authority: RCW 28B.10.560. 79-09-004 (Order 79-3), § 478-116-520, filed 8/2/79; 78-07-019 (Order 78-3), § 478-116-520, filed 6/15/78; Order 75-2, § 478-116-520, filed 6/4/75.]

WAC 478-116-530 Mitigation and suspension of penalties. Upon a showing of good cause or mitigating circumstances, the Parking Judge may impose any lesser fine than those established in WAC 478-116-520 or may suspend the fine. He or she may grant an extension of time within which to comply with his or her judgment and sentence. [Order 75-2, § 478-116-530, filed 6/4/75.]

WAC 478-116-540 Enforcement of judgments of the University Parking Court. (1) Any parking fine which, without lawful excuse, is unpaid for a period of time in excess of the time specified for payment, constitutes a delinquent and unpaid debt due and owing the University of Washington and may be processed for collection in accordance with applicable statutes and University procedures.

(2) If a parking permit holder refuses or fails without lawful excuse to comply with a final judgment in the Parking Court, the Manager of the Parking Division may notify the individual concerned that his or her failure to comply with the judgment of the University Parking Court constitutes grounds for recall of his or her parking permit as provided in WAC 478-116-370(6) and/or may subject his or her vehicle to impoundment as provided in WAC 478-116-582. If there is no response to this notice, a parking permit holder's parking privileges shall be revoked by the Manager of the Parking Division and the vehicle made subject to impoundment if found parked on University lands.

(3) Any unpaid fine adjudged by the University Parking Court will be deducted from any refund due to revocation of parking privileges.

(4) Refusal or failure without lawful excuse to comply with a final judgment of the University Parking Court is a misdemeanor over which Seattle District Court has jurisdiction. [Order 76-3, § 478-116-540, filed 10/6/76; Order 75-2, § 478-116-540, filed 6/4/75.]

WAC 478-116-550 Registered owner responsible for illegal parking. Every person in whose name a vehicle is registered (licensed) shall be responsible for any parking of said vehicle and for all offenses other than moving violations under these regulations. It shall be no defense that said vehicle was illegally parked or used by another, unless it be shown that at such time said vehicle was being used without the consent of the registered (licensed) owner thereof: Provided, that the lessee of a commercially rented or leased vehicle alone shall be responsible for any parking of such vehicle and for all violations of these regulations committed while the vehicle is being leased or rented, if the registered (licensed) owner of such vehicle furnished the Parking Violations Division with a copy of the renting or leasing contract stating the name and address of the renter or lessee. [Order 75-2, § 478-116-550, filed 6/4/75.]

WAC 478-116-560 Certain violations—When complete. For the purpose of RCW 28B.10.565, a violation of the pedestrian, parking, or bicycle regulations established by these rules shall not be completed until such person has refused or failed without lawful excuse to comply, or has advised in writing of an intent not to comply, with a final judgment of the University Parking Court. [Order 75-2, § 478-116-560, filed 6/4/75.]

WAC 478-116-570 Regulatory signs, markings, barricades, etc. (1) The Chief Plant Engineer is authorized to erect signs, barricades and other structures and to paint marks and other directions upon the streets and roadways for the regulation of traffic and parking upon state lands devoted mainly to the educational or research activities of the University of Washington. Such signs, barricades, structures, markings and directions shall be so made and placed as in the opinion of the Chief Plant Engineer will best effectuate the objectives stated in WAC 478-116-020 of these regulations.

(2) No person, without authorization from the Chief Plant Engineer or his or her designee shall remove, move, deface, or in any way change a sign, barricade, structure, marking, or direction so placed, or previously placed, for the purpose of regulating traffic or parking. Authority to make permanent changes of this nature must be obtained from the Chief Plant Engineer or his or her designee. Authority to make temporary changes of this nature with respect to parking areas must be obtained from the Manager of the Parking Division or his or her designee. Authority to make temporary changes of this nature with respect to streets or roadways must be obtained from the Chief of the University Police Department or his or her designee. [Order 75-2, § 478-116-570, filed 6/4/75.]

WAC 478-116-580 Impoundment of vehicles. Any vehicle parked upon state lands devoted mainly to the educational purposes of the University of Washington may be subject to impoundment for cause as specified under WAC 478-116-582, 478-116-584 and 478-116-586 of these regulations. The University and its officers, employees and agents shall not be liable for loss or

damage of any kind resulting from such impoundment. [Order 76-3, § 478-116-580, filed 10/6/76; Order 75-2, § 478-116-580, filed 6/4/75.]

WAC 478-116-582 Impoundment for failure to pay fines. Any vehicle may be impounded for outstanding fines when, after 14 days after judgment of the University Parking Court imposing liability for fines, the owner has neither paid such fines nor requested a hearing before the [University Parking] Court to contest the judgment. [In] no case shall failure to comply with a judgment of the Parking Court constitute grounds for impoundment unless notice is sent to the registered owner or alleged violator prior to the hearing informing him of the violations with which he/she was charged and of his/her right to elect between paying the fine prior to the date set for hearing before the parking court or appearing on that date to contest such fines. Such notice shall clearly indicate that failure to respond by either payment of the fines or appearance in court will result in a judgment against the owner and that failure to comply with an order of the parking court will subject the vehicle to impoundment if it is found parked on university lands. [Statutory Authority: RCW 28B.10.560. 78-07-019 (Order 78-3), § 478-116-582, filed 6/15/78; Order 76-3, § 478-116-582, filed 10/6/76.]

WAC 478-116-584 Impoundment without prior notice. A vehicle may be impounded without reasonable attempt having been made to notify the owner of the possibility of this action only in the following circumstances:

(a) When in the judgment of a University Police Officer the vehicle is obstructing or may impede the flow of traffic, or

(b) When in the judgment of a University Police Officer the vehicle poses an immediate threat to public safety, or

(c) When a University Police Officer has probable cause to believe the vehicle is stolen, or

(d) When a University Police Officer has probable cause to believe that the vehicle constitutes evidence of a crime or contains evidence of a crime, and in his judgment impoundment is necessary to obtain or preserve such evidence.

(e) When a driver is arrested and/or deprived of the right to leave with his/her vehicle, and the University Police are responsible for the "safekeeping" of the vehicle. [Statutory Authority: RCW 28B.10.560. 78-07-019 (Order 78-3), § 478-116-584, filed 6/15/78; Order 76-3, § 478-116-584, filed 10/6/76.]

WAC 478-116-586 Impoundment of abandoned vehicles. A vehicle not subject to impoundment under WAC 478-116-582 or 478-116-584 may be impounded after notice of such proposed impoundment has been securely attached to and conspicuously displayed on said vehicle for a period of twenty-four hours prior to such

impoundment when such vehicle is abandoned as that term is defined in RCW 46.52.102 as now or hereafter amended. [Order 76-3, § 478-116-586, filed 10/6/76.]

WAC 478-116-588 Notice and redemption of impounded vehicles. (1) Not more than 48 hours after impoundment of any vehicle, the University of Washington Police Department shall mail a notice to the registered owner of the vehicle, as may be disclosed by the vehicle license number, if such be obtainable, and to any other person who claims the right to possession of the vehicle, if such a claim is known to an officer, agent or employee of the University of Washington Police Department who has knowledge of the impoundment. The notice shall be mailed to the registered owner at the address provided by the Washington State Department of Motor Vehicles or the corresponding agency of any other state or province. If a Police Officer who has knowledge of the impoundment has reason to believe that an owner, or one who claims to be an owner, is residing or in custody at some different address which is known to the officer, a copy of the notice shall be mailed or personally delivered to such owner or claimant in a manner designed, as nearly as may be practicable, to give actual notice to him or her. The notice shall contain the full particulars of the impoundment, redemption, an opportunity for [a] hearing to contest the propriety of the impoundment as hereinafter provided.

Similar notice shall be given to each person who seeks to redeem an impounded vehicle. If a vehicle is redeemed prior to the mailing of notice, the notice need not be mailed.

(2) Vehicles impounded shall be redeemed only under the following circumstances:

(a) Only the registered owner or person authorized by the registered owner and who produces proof of authorization and signs a receipt therefor, may redeem an impounded vehicle.

(b) Any person so redeeming a vehicle impounded shall pay the cost of such impoundment (towing and storage), together with such fines as [are outstanding against the vehicle if impoundment was made pursuant to] WAC 478-116-582 prior to redemption, except as provided in subsection (c) of this regulation.

(c) Any person seeking to redeem a vehicle impounded under [WAC 478-116-582,] WAC 478-116-584 or 478-116-586 has a right to a hearing to contest the validity of impoundment or the amount of towing and storage charges and shall have his or her vehicle released upon making a written request for a hearing to the University Parking Court[,] paying any outstanding fines, and executing a promissory note, naming the University of Washington as payee, in an amount to include both the costs of towing and storage and a civil penalty of fifty dollars which promissory note shall immediately become due and owing in the event such person either:

- (i) Fails to appear at the requested hearing, or
- (ii) fails to pay by 7:00 p.m. the next business day following the hearing any towing and storage charges for which such person may be found liable.

(A) In addition to any other penalty which may be imposed as a result of actions described in subsections (i) or (ii), campus parking privileges shall be suspended until all such debts are paid.

(B) The promissory note shall be automatically cancelled and discharged when a person either:

- (i) Pays the towing and storage charges and cancels his or her request for a hearing, or
- (ii) Pays the towing and storage charges by 7:00 p.m. the next business day after having been found liable therefore at the hearing provided for in this section. [Statutory Authority: RCW 28B.10.560. 78-07-019 (Order 78-3), § 478-116-588, filed 6/15/78; Order 76-3, § 478-116-588, filed 10/6/76.]

WAC 478-120-010 Student conduct code—Authority. Pursuant to the authority granted by RCW 28B.20.130, the Board of Regents of the University of Washington has established the following regulations on student conduct and student discipline. [Order 72-9, § 478-120-010, filed 11/30/72.]

WAC 478-120-020 Standards of conduct. (1) The university is a public institution having special responsibility for providing instruction in higher education, for advancing knowledge through scholarship and research, and for providing related services to the community. As a center of learning, the university also has the obligation to maintain conditions which are conducive to freedom of inquiry and expression in the maximum degree compatible with the orderly conduct of its functions. For these purposes the university is governed by regulations and procedures which safeguard its functions and which, at the same time, protect the rights and freedoms of all members of the academic community.

(2) Admission to the university carries with it the presumption that the student will conduct himself as a responsible member of the academic community. Thus, when he enrolls in the university, the student likewise assumes the obligation to observe standards of conduct which are appropriate to the pursuit of academic goals. Stated in general terms, the student has the obligation to:

(a) Maintain high standards of academic and professional honesty and integrity;

(b) Respect the rights, privileges and property of other members of the academic community and visitors to the campus, refraining from actions which would interfere with the university functions or endanger the health, safety, or welfare of other persons;

(c) Comply with the rules and regulations of the university and its schools, colleges, and departments.

(3) Specific regulations on student activities shall be in accord with these general standards. [Order 72-9, § 478-120-020, filed 11/30/72.]

WAC 478-120-030 Disciplinary actions. (1) Most disciplinary proceedings will be conducted informally between the student and his academic dean in matters relating to the student's academic work and between the student and the Office of Student Affairs in other matters. (See WAC 478-120-050 for jurisdiction.) More formal procedures are provided, however, including an impartial hearing before the university Disciplinary Committee; these procedures may be invoked either by the officer dealing with the case or by the student involved. In all situations, whether handled formally or informally, basic standards of fairness will be observed in the determination of

(a) The truth or falsity of the charges against the student;

(b) Whether the alleged misconduct is, in fact, a violation of university standards of conduct and, if so,

(c) What sanctions should be imposed.

The criteria for judging student misconduct shall be the general standards of conduct as stated in WAC 478-120-020 or as modified and interpreted in accordance with the procedures specified in WAC 478-120-110.

(2) When questions of mental or physical health are raised in conduct cases, the dean, the Office of Student Affairs, or the university Disciplinary Committee may request the student to appear for examination before two physician-consultants designated by the Dean of the School of Medicine. The physician-consultants may call upon the Student Health Center for any other professional assistance they deem necessary. After examining the student and consulting with the student's personal physician, the physician-consultants shall make a recommendation to the referring agency as to whether the case should be handled as a disciplinary matter or as a case for medical or other treatment. Decisions based upon these recommendations are the responsibility of the referring agency. Such decisions may be appealed in accordance with the provisions of WAC 478-120-070 and 478-120-090(1).

(3) In the case of student conduct which involves an alleged or proven violation of law, the disciplinary authority of the university will not be used to duplicate the function of civil authorities. Disciplinary action may be taken if the conduct also involves a violation of university standards and the interests of the university community are distinct from those of the civil authorities.

(4) A student who has been judged to have violated university standards of conduct will be subject to disciplinary sanctions up to and including dismissal from the university for the most serious offenses. In the case of students who are unmarried minors, such sanctions may be reported to parents or legal guardians at the discretion of the officer or agency taking the action except that dismissal of a minor will always be reported to his parents or legal guardians. [Order 72-9, § 478-120-030, filed 11/30/72.]

WAC 478-120-040 Disciplinary sanctions. The following definitions of disciplinary terms have been established to provide consistency in the application of sanctions:

(1) Disciplinary Warning – notice to a student, either verbally or in writing, that he has been in violation of university rules or regulations or has otherwise failed to meet the university's standards of conduct. Such warnings will include the statement that continuation or repetition of the specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described in WAC 478-120-040(2)(3)(4) and (5).

(2) Reprimand – formal action censuring a student for violation of university rules or regulations or for failure to meet the university's standards of conduct. Reprimands are always made in writing to the student by the officer or agency taking action, with copies to the Office of Student Affairs. A reprimand will include the statement that continuation or repetition of the specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described in WAC 478-120-040(3)(4) and (5).

(3) Restitution – an individual student may be required to make restitution for damage or loss to university or other property and for injury to persons. Failure to make arrangements to pay will result in cancellation of the student's registration and will prevent the student from re-registration.

(4) Disciplinary Probation – formal action placing conditions upon the student's continued attendance for violation of university rules or regulations or other failure to meet the university's standards of conduct. The office placing the student on disciplinary probation will specify in writing the period of probation and the conditions, such as limiting the student's participation in extra-curricular activities. Disciplinary probation warns the student that any further misconduct will automatically raise the question of dismissal from the university. Disciplinary probation may be for a specified term or for an indefinite period which may extend to graduation or other termination of the student's enrollment in the university.

(5) Dismissal – termination of student status for violation of university rules or regulations or for failure to meet the university's standards of conduct. Students may be dismissed only with the approval of the president of the university and on the recommendation of the dean of a college or school, the Office of Student Affairs, or the university Disciplinary Committee. Dismissal may be for a stated or for an indefinite period. The notification dismissing a student will indicate in writing the term of the dismissal and any special conditions which must be met before readmission. In the case of an unmarried student under twenty-one years of age, a copy of the notification of dismissal will be sent to the parents or the guardian of the student. There is no refund of fees for the quarter in which the action is taken but fees paid in advance for a subsequent quarter are to be refunded. [Order 72-9, § 478-120-040, filed 11/30/72.]

WAC 478-120-050 Jurisdiction. (1) The dean of each college or school, including the Graduate School, is responsible for initiating disciplinary proceedings for infractions of the rules and regulations of that college or

school or for misconduct in academic work (cheating, plagiarism, etc.). When a case involving academic misconduct is brought before the university Disciplinary Committee, that committee may consult the initiating dean on rules or standards of academic discipline within that school or college.

(2) The initiation of proceedings for violation of university-wide regulations or for misconduct unrelated to the student's academic work is the responsibility of the Office of Student Affairs, except that jurisdiction may be transferred to the dean of the college or school in which the student is enrolled when the Office of Student Affairs and the dean of that college or school agree that the alleged misconduct bears upon the student's fitness to continue in the college or school.

(3) Misconduct in academic work by a student enrolled in another college or school shall be reported to the dean of the college in which the student is enrolled through the dean of the college offering the course. The dean of the college in which the student is enrolled shall be responsible for taking or initiating appropriate disciplinary action. In the case of a nonmatriculated student, the dean of the college offering the course shall be responsible for taking or initiating appropriate disciplinary action.

(4) The provisions of these sections do not apply to the evaluation of a student's academic performance, including the assignment of grades by instructors. Each college and school provides orderly procedures for the review of grades if such review is requested by the student. An instructor need not give credit for work which is the product of cheating, plagiarism or other academic misconduct.

However, the lowering of a course grade is not appropriate as a disciplinary sanction; if disciplinary action is warranted by academic misconduct, it will be initiated by the provisions of this section.

(5) An instructor has the authority to exclude a student from any class session in which the student is disorderly or disruptive. Should such disorderly or disruptive conduct persist, the instructor should report the matter to the dean of the school or college in which the student is enrolled. The dean may initiate disciplinary action as provided in WAC 478-120-060.

(6) Special and more detailed rules and regulations regarding conduct in the residence halls may be promulgated by the Director of Student Residences subject to review and approval by the Office of Student Affairs. Authority to impose disciplinary sanctions for the violation of such rules and regulations is delegated to the director of Student Residences by the Vice President for Student Affairs. Appeals from these actions of the director will be addressed in the first instance to the Vice President for Student Affairs or his designated representatives. The Office of Student Affairs reserves the right to remove students from the residence halls for disciplinary reasons. These actions may be further appealed to the university Disciplinary Committee.

(7) Campus traffic regulations are under the general jurisdiction of the Police Department of the university. The university Traffic Court has jurisdiction to hear and

decide cases involving alleged violations of such regulations. (See chapter 478-16 [478-116] WAC.)

(8) Library borrowing and use regulations, including fines for late return of library materials and repair and replacement costs for damaged or lost materials are under the jurisdiction of the university Library. The Library Advisory Committee has jurisdiction to hear appeals from decisions of the Director of Libraries and to decide cases involving alleged violations of rules relating to borrowing and use of library materials, including fines for late returns and costs of repair or replacement. (See chapter 478-168 WAC.) [Order 72-9, § 478-120-050, filed 11/30/72.]

WAC 478-120-060 Disciplinary authority of deans and Office of Student Affairs. (1) Except as otherwise provided in WAC 478-120-050, all disciplinary proceedings will be initiated by either the dean of the college or school in which the student is enrolled or by the Office of Student Affairs. The deans and the Vice President for Student Affairs may delegate this responsibility to members of their staffs and to students; they may also establish student or student-faculty courts or hearing bodies to advise or act for them in disciplinary matters.

(2) In order that any informality in disciplinary proceedings not mislead a student as to the seriousness of the matter under consideration, the student involved shall be informed at the initial conference or hearing of the various sanctions that may be involved for misconduct, as listed in WAC 478-120-040.

(3) After considering the evidence in the case and interviewing the student or students involved, the dean or Vice President for Student Affairs, or their duly empowered representatives, courts, or hearing bodies may take any of the following actions:

(a) Terminate the proceeding, exonerating the student or students.

(b) Dismiss the case after whatever counseling and advice may be appropriate.

(c) Impose disciplinary sanctions directly, subject to the student's right of appeal described in WAC 478-120-070. The student shall be notified in writing of the action taken except that disciplinary warnings may be given verbally.

(d) Refer the matter to the university Disciplinary Committee for appropriate action. The student shall be notified in writing that the matter has been referred to the committee.

(4) In all cases the student shall be advised of his rights by reference to this part of university regulations. Should the student prefer a formal hearing before the university Disciplinary Committee in place of informal or semi-formal hearings by deans, the Office of Student Affairs, or their representatives, he shall so indicate to the initiating officer. In such circumstances, the case shall be referred immediately to the university Disciplinary Committee. [Order 72-9, § 478-120-060, filed 11/30/72.]

WAC 478-120-070 Appeals. (1) Any disciplinary action taken by the dean of a college or school or his

representative, by the Vice President for Student Affairs or his representatives, or by the university Disciplinary Committee, may be appealed by the student to the next higher hearing body with the following conditions:

(a) If a student chooses to make an appeal, the appeal body may base its decision on the record of the proceedings in the initial hearing(s) or, if it chooses, may receive additional evidence, or rehear the case entirely. The appeal body may sustain, reduce, or vacate the penalty imposed by the group or individual originally hearing the case.

(b) A student who has been disciplined by the deans or by the Office of Student Affairs or their representatives may appeal the case to the university Disciplinary Committee.

(c) Cases brought before the university Disciplinary Committee, either for initial hearing or for appeal, may be appealed to the Faculty Appeal Board. (See WAC 478-120-100.)

(d) All cases in which the sanction imposed by the university Disciplinary Committee is dismissal shall be automatically heard on appeal by the Faculty Appeal Board. Should the Faculty Appeal Board sustain the recommendation of dismissal, approval of the president of the university is required before the sanction takes effect.

(2) A student wishing to appeal to either the Disciplinary Committee or the Faculty Appeal Board shall indicate his intention, in writing, and within five calendar days of the original decision, to the chairman of the group to which the appeal is made. [Order 72-9, § 478-120-070, filed 11/30/72.]

WAC 478-120-080 University Disciplinary Committee. A standing university Disciplinary Committee, composed equally of student and faculty representatives, will provide a hearing and will make decisions on all disciplinary cases referred to it by the deans or appealed to it by students who have been disciplined by the deans, or the Office of Student Affairs, or their representatives.

(1) The members of the committee and their terms of office shall be:

(a) A member of the faculty or administration designated by the president of the university, who shall act as nonvoting chairman for a period of one year. Re-appointment of the chairman is permissible.

(b) Four members of the voting faculty of the university holding the rank of assistant professor or higher and who have been members of the faculty of the university for at least one year. These committee members shall serve for one-year terms.

(c) Four full-fee-paying students in good standing to serve for one-year terms. The student members will participate in each individual case at the option of the student defendant.

(2) Selection:

(a) Each of the four nonappointive faculty positions of the Disciplinary Committee shall be identified from a panel randomly selected from the eligible faculty in the order they were so selected, except that membership

shall be limited to not more than one faculty member from each Senate Group.

(b) Each of the four student positions on the Disciplinary Committee shall be identified from a panel randomly selected from the entire full-time student body and in the order they were selected, except that membership shall include one student from the graduate or professional class standing and the other three students shall be limited to no more than one student from each class.

(c) Panels of faculty and students of adequate size shall be maintained in advance of need but the names included shall not be disclosed.

(d) Any faculty or student member may be relieved from service for the entire year, for a particular period of time, or after a particular case, by advising the chairman of his or her desire not to serve.

(e) Membership on the Disciplinary Committee terminates with the beginning of the Winter Quarter, except that cases in process shall be continued to decision.

(f) No member of the Disciplinary Committee shall participate in any case in which he is a defendant, complainant, or witness, in which he has a direct or personal interest, or in which he has acted previously in an advisory capacity. A committee member's eligibility to participate in a case may be challenged by parties to the case or by other committee members, but decisions in this regard shall be made by the committee as a whole. Either party may also exercise three peremptory challenges; in a hearing involving more than one charged student, the combined peremptory challenges of all students shall be limited to twelve. All challenges must be exercised at least three days before commencement of the hearing. Replacement shall be made from the appropriate panel or by presidential appointment in the case of the chairman.

(g) The new panels shall be identified by the outgoing chairman, or by the person designated by the chairman, through random procedures established by the chairman.

(3) Responsibility:

(a) It is the responsibility of the chairman of the Disciplinary Committee to insure that all procedural safeguards and guidelines specified in WAC 478-120-090 are followed, to decide all procedural questions that arise during or in connection with a hearing, to take whatever steps are necessary during the hearing itself to insure that the hearing is conducted in a safe and orderly manner, and to inform the student, in writing, of the action taken by the Disciplinary Committee following the hearing.

(b) Decisions of the committee as to whether a student engaged in misconduct and as to the appropriate sanction to be applied will ordinarily be made on the basis of mutual agreement after discussion of the evidence. For both hearing and deciding, a quorum of the Committee shall be three faculty members and, if student members are participating, three students.

(4) At the conclusion of a term of office, the chairman shall prepare for the guidance of subsequent chairmen a report of the year's activities, describing how

unusual procedural problems were dealt with. Such reports shall be collected in a chairman's Handbook which shall be made available to subsequent chairmen and to any interested parties. Subsequent chairmen shall not be bound to follow the procedures described in the handbook. [Order 72-9, § 478-120-080, filed 11/30/72.]

WAC 478-120-090 Procedural guidelines and safeguards. The student has a right to a fair and impartial hearing by the university Disciplinary Committee on any charge of misconduct. His failure to appear at or participate in the hearing procedures, however, shall not preclude the committee from making its findings of fact, conclusions and decisions as provided in this section.

(1) The chairman of the university Disciplinary committee shall give the student notice of the time and place of the hearing, the charges against him, a list of witnesses who will appear, and a description of any documentary or other physical evidence that will be presented at the hearing. This notice shall be given to the student in writing and shall be provided in sufficient time (one week minimum) to permit him to prepare his defense. The notice may be amended at any time prior to the hearing, but if such amendment is prejudicial to the student's case, the hearing shall be rescheduled to a later date.

(2) The student shall be entitled to hear and examine the evidence against him and be informed of the identity of its sources; he shall be entitled to present evidence in his own behalf and to question witnesses testifying against him as to factual matters.

(3) The burden to prove, by a preponderance of the evidence, that the student engaged in the misconduct charged shall be on the official who initiated the charges. Only those matters presented at the hearing will be considered in determining whether the student engaged in misconduct, but the student's past record of conduct may be taken into account in formulating the committee's recommendations for disciplinary action.

(4) The student may be represented by counsel and/or accompanied by an adviser of his choice.

(5) No one will be required to give self-incriminating evidence.

(6) Hearings conducted by the committee generally will be held in closed session except when the student requests that persons other than those directly involved be invited to attend. When a hearing has been opened to persons other than those directly involved, the committee shall conduct the hearing in a room which will accommodate a reasonable number of observers. The committee may exclude from the hearing room any persons who are disruptive of the proceedings and may limit the number who may attend the hearing in order to afford safety and comfort to the participants and orderliness to the proceedings.

(7) All proceedings of the committee will be conducted with reasonable dispatch and terminated as soon as fairness to all parties involved permits.

(8) An adequate summary of the proceedings will be kept. As a minimum, such a summary would include a tape recording of testimony.

(9) The student will be provided with a copy of the findings of fact and with the conclusions and the sanctions, if any, to be imposed. He will also be advised of his right to appeal the committee's decision, within five calendar days, in a written statement to the Faculty Appeal Board.

(10) If there is no appeal to the Faculty Appeal Board, the sanctions shall be in effect at the end of the five-day appeal period or at such other time as may be indicated by the committee. If there is an appeal, imposition of sanctions shall be delayed pending the review provided for in this section.

(11) Where, in the judgment of a majority of the committee, proceedings will be expedited thereby, it may appoint a hearing examiner, who shall be a member of the faculty or a member of the bar, to conduct the hearing provided for in this action. Such examiner will conduct the hearing in accordance with the provisions of this section and any rules of procedure adopted by the committee, provided that a stenographic record of the hearing will be kept and a transcript of the hearing will be provided to the committee prior to its rendering its decision. The committee may, at its option, request the hearing examiner to provide his recommendations as to findings, conclusions and decisions, but such recommendations shall not be binding on the committee, who shall make its findings, conclusions and decision based on the transcript of the hearing. The hearing examiner shall rule on all objections to evidence but any such ruling may be appealed by an affected party to the committee for final decision.

(12) Each report of the university Disciplinary committee shall, upon approval of the student involved, be made available to members of the university community through the Office of Student Affairs. [Order 72-9, § 478-120-090, filed 11/30/72.]

WAC 478-120-100 Faculty Appeal Board. (1) The Faculty Appeal Board shall be composed of seven members of the faculty to be appointed by the Chairman of the Faculty Senate in consultation with the Faculty Council on Student Affairs. One member of the Faculty Appeal Board shall be designated by the Chairman of the Faculty Senate as chairman of the board. Individual cases may be heard by the entire board or by subgroups of no fewer than three members.

(2) The Faculty Appeal Board shall hear three types of cases:

(a) Appeals by the student defendant from the action of the Disciplinary Committee.

(b) All cases involving recommendations of dismissal.

(c) Appeals by the Vice President for Student Affairs, by a dean, or by their representatives. In the case where it is felt that the Disciplinary Committee has imposed too light a penalty, and where the student himself has not appealed to the Faculty Appeal Board, the dean or the Vice President for Student Affairs, or their representatives, may request an advisory review of the case by the Faculty Appeal Board. If, in the opinion of the board, the complainant's view is correct, the sanction imposed on the student may not be increased in that

specific case but the board may request that the issue be discussed by the Joint Council (see WAC 478-120-110), or that the Faculty Council on Student Affairs prepare additional guidelines for the Disciplinary Committee.

(3) All procedural safeguards detailed in WAC 478-120-090 for cases before the Disciplinary Committee shall hold for hearings before the Faculty Appeal Board. [Order 72-9, § 478-120-100, filed 11/30/72.]

WAC 478-120-110 Student-Faculty Joint Council on Student Conduct and Activities. (1) There shall be a Student-Faculty Joint Council on Student Conduct and Activities, to serve primarily as an advisory group to the Faculty Council on Student Affairs, composed of the following members:

(a) Five undergraduate students to be approved by a majority vote of the Associated Students of the university of Washington Board of Control. A list of nominees shall be prepared each year by the President of the ASUW, with the advice of the Faculty Council on Student Affairs.

(b) Three graduate or advanced professional students to be approved by a majority vote of the Executive Committee of the Graduate and Professional Student Senate. A list of nominees shall be prepared each year by the President of the GPSS, with the advice of the Faculty Council on Student Affairs.

(c) Five members of the faculty to be appointed by the Chairman of the Faculty Senate with the advice of the Faculty Council on Student Affairs. At least one faculty member appointed shall also be a member of the Faculty Council on Student Affairs.

(d) One representative of the Office of Student Affairs to be appointed by the Vice President for Student Affairs.

(e) One representative of the office of the Provost appointed by the Vice President for Academic Affairs and Provost.

(f) The faculty chairman of the Disciplinary Committee who shall serve ex officio, without vote.

(2) Each of the above persons shall serve for one year and may succeed himself, with terms of office to begin on the first day of Spring Quarter.

(3) The Joint Council shall select by majority vote one of its members to serve as chairman for one year. Business of the Joint Council may be conducted informally, except as specified in this section.

(4) The Joint Council shall maintain a continuous review of the general standards of conduct listed in WAC 478-120-020, other rules and regulations on student activities, and procedures for student discipline as they affect both individual students and student organizations. In the course of this review, the Joint Council may solicit advice from the student body, the faculty and administrative officers of the university, the Disciplinary Committee and the Faculty Appeal Board. When it is felt that there is need for further definition, explication or change in the general standards, rules, regulations, or disciplinary procedures, the Joint Council will proceed to

formulate appropriate recommendations which will be forwarded to the Faculty Council on Student Affairs.

(5) The Faculty Council on Student Affairs, after consideration of the recommendations of the Joint Council, may request further study of the issue to the appropriate group or individual. If the proposed change or modification requires Board of Regents action, the recommendation shall be transmitted, through regular Senate procedures, to the president of the university for action by the Regents. Recommendations which do not require Senate or Regents' action will be transmitted to the appropriate office, agency, or committee after review by the Faculty Council on Student Affairs. Each transmittal specified above will be accompanied by a statement indicating concurrence, suggested modifications, or disapproval. [Order 72-9, § 478-120-110, filed 11/30/72.]

WAC 478-120-120 Recording and maintenance of records. (1) Records of all disciplinary cases shall be kept by the office taking or initiating the action. Except in proceedings wherein the student is exonerated, all documentary or other physical evidence produced or considered in disciplinary proceedings and all recorded testimony shall be preserved insofar as possible for at least five years. No record of proceedings wherein the student is exonerated, other than the fact of exoneration, shall be maintained in the student's file or other university repository after the date of the student's graduation.

(2) The dean of a college or school shall report to the Office of Student Affairs, in writing, all cases in which disciplinary action is taken. He shall also inform the registrar of any action affecting a student's official standing in the university.

(3) The Office of Student Affairs shall notify the dean of the college or school in which the student is enrolled of any disciplinary action it takes and also shall notify the registrar of any action affecting a student's official standing in the university. The Office of Student Affairs shall keep accurate records of all disciplinary actions taken by, or reported by, that office. All disciplinary actions will be entered on the student's record and may be removed at the time of graduation or earlier at the discretion of the office initiating the action if special terms and conditions have been met or if other circumstances warrant the removal. The office which initiated the action is responsible for ordering the removal of temporary notations of any disciplinary action on the student's record. A student may petition to that office for removal of such a notation at any time.

(4) Disclosure of information contained in disciplinary records is governed by chapter 478-140 WAC. [Order 72-9, § 478-120-120, filed 11/30/72.]

WAC 478-120-130 Emergency authority of the president of the university. Ordinarily, disciplinary sanctions of any kind will be imposed only after the appropriate informal or formal hearing has taken place, and after the student, if he so chooses, has availed himself of his right of appeal. However, the president of the university or his authorized representative, by virtue of the

authority delegated to them by the Board of Regents of the university, under conditions which the president or his authorized representative deems to be an emergency situation, may suspend students from participation in any or all university privileges, pending the application of university disciplinary procedures, in order to protect the offenders or other members of the university community, or to assure the university's ability to function. In any case in which this provision is invoked, the student or students in question are entitled to an early disciplinary hearing by the university Disciplinary Committee, and the case takes precedence over other business pending before the committee. [Order 72-9, § 478-120-130, filed 11/30/72.]

The above rights exist in equal measure for each member of the University community. They exist regardless of the professional stature or rank of the individual and regardless of the degree of acceptability among others of the views or opinions advocated. [Order 72-7, § 478-124-010, filed 11/30/72.]

WAC 478-124-020 Conduct on campus code—Prohibited conduct. (1) In order to safeguard the right of every citizen to criticize and to seek meaningful change, each individual has an obligation to respect the rights of all members of the University community.

(2) In order to assure those rights to all members of the University community and to maintain a peaceful atmosphere in which the University may continue to make its special contribution to society, the following types of conduct are hereby prohibited on or in property either owned, controlled or operated by the University which is used or set aside for University purposes, hereinafter referred to as the University Campus:

(a) Conduct which intentionally and substantially obstructs or disrupts teaching or freedom of movement or other lawful activities on the University Campus;

(b) Physical abuse of any person or conduct which is intended unlawfully to threaten imminent bodily harm

or to endanger the health or safety of any person on the University Campus;

(f) Intentionally inciting others to engage immediately in any of the conduct prohibited herein, which incitement leads directly to such conduct. (Inciting is that advocacy which prepares the group addressed for imminent action and steels it to the conduct prohibited herein.) [Order 72-7, § 478-124-020, filed 11/30/72.]

WAC 478-124-030 Conduct on campus code—Sanctions. (1) Any person while on the University Campus who willfully refuses the request of a uniformed campus police officer to desist from conduct prohibited by these rules may be required by such officer to leave such premises.

(2) Disciplinary action which may result in dismissal from the University will be initiated against faculty, staff, or students who violate these rules, in accordance with the applicable disciplinary codes or other appropriate due process procedures.

(3) Sanctions which may be imposed against faculty are set forth in the *University of Washington Handbook*, Volume II, Chapter 25, Sections 25-51 and 25-74.

(4) Sanctions which may be imposed against students are set forth in WAC 478-120-040.

(5) Sanctions which may be imposed against the classified staff are set forth in the Rules for the Classified Staff, WAC 251-12-010.

(6) Violation of any of the above regulations may also constitute violation of the criminal laws or ordinances of the City of Seattle, the State of Washington, or the United States and may subject a violator to criminal sanctions in addition to any sanctions imposed by the University. [Order 72-7, § 478-124-030, filed 11/30/72.]

WAC 478-124-040 Conduct on campus code—Interim suspension. (1) The President or, in his absence, any officer of the University designated by him for this purpose, may impose on any student, faculty member, or staff member an interim suspension whenever there is reasonable cause to believe that such person has committed, and may reasonably be expected thereafter to commit, any of the acts prohibited herein. The notice of such suspension shall state the nature, terms and conditions of such suspension and shall include such restrictions on use of campus facilities as the President or his designee deems in the best interest of the University.

(2) Any person so placed on interim suspension shall be given prompt notice of charges and shall be given the opportunity to show cause at a preliminary hearing why such interim suspension should not continue until a formal hearing is held. To obtain such preliminary hearing, the person shall submit a written request therefor within seven days from the date interim suspension was imposed. Such written request shall state the address to which notice of hearing is to be sent. The President or, in his absence, any officer of the University designated by him, shall grant such a preliminary hearing before a person or persons designated by him not later than four days from the date of receipt of such request and shall immediately mail a written notice of the time, place, and date of such hearing to such person. The preliminary hearing shall consider only whether there is reasonable cause to believe that such person committed, and may reasonably be expected thereafter to commit, any of the acts prohibited herein.

(3) Interim suspension may be removed by the President or, in his absence, by any officer of the University designated by him, whenever he has reason to believe that the person on whom interim suspension was imposed will not constitute a substantial and material threat to the orderly operation of the University Campus or endanger the health and safety of any person thereon. These rules are additional to any others duly promulgated by the University. [Order 72-7, § 478-124-050, filed 11/30/72.]

WAC 478-124-060 Animal control policy—Purpose. It is declared the policy of the University of Washington to secure and maintain such levels of animal control as will protect human health and safety, prevent nuisances created by animals running at large, remove hindrances to University employees in the performance of their duties, and to the greatest degree practicable to prevent injury to property and cruelty to animal life. To this end, it is the purpose of this regulation to provide a means of fulfilling the objectives of the above policy. This regulation is not applicable to research animals maintained in University-controlled quarters nor to natural wildlife inhabiting University property. [Order 73-7, § 478-124-060, filed 8/27/73.]

WAC 478-124-070 Animal control policy—Definitions. (1) "Animal" means any living creature except human beings or fish.

478-136-030	Users.
478-136-040	Administrative control.
478-136-050	Liability.

WAC 478-136-010 Use of university facilities—General policy. The University of Washington is an educational institution and maintained by the people of the state. Its campus buildings, properties, and facilities shall be reserved at all times for those activities which are related to its broad educational mission. [Order 73-2, § 478-136-010, filed 1/10/73.]

WAC 478-136-020 Limitations. (1) University facilities may not be used in ways which intentionally and

substantially obstruct or disrupt teaching or freedom of movement or other lawful activities on the university campus.

(2) The Constitution of the state of Washington specifically prohibits use of state facilities for religious worship, exercise, or instruction. Other unlawful activities are also prohibited.

(3) University facilities may not be used for private or commercial purposes such as sales, advertising or promotional activities unless such activities serve educational purposes and when sponsored by a university department or agency.

(4) Except as prohibited by RCW 42.17.130 university facilities may be used for the purpose of providing a forum for educational purposes regarding ballot propositions or candidates who have filed for public office providing the forum is sponsored by faculty or staff groups, including informal groups, or registered student organizations, and when the audience is limited to university students, staff, faculty[,] and their families.

(5) Handbills, leaflets, and similar materials which conform to these limitations may be distributed on campus by students, staff, or faculty provided such distribution does not interfere with the free flow of traffic or the educational program of the university. Persons not connected with the university are not authorized to distribute handbills or other materials. [Statutory Authority: RCW 28B.20.130(1). 78-07-017 (Order 78-5), § 478-136-020, filed 6/15/78; Order 73-2, § 478-136-020, filed 1/10/73.]

Reviser's Note: WAC 1-13-130 requires the use of underlining and deletion marks to indicate amendments to existing rules. The bracketed material in the above section does not appear to conform to this rule.

WAC 478-136-030 Users. (1) University facilities may be used by faculty or staff groups, including informal groups, or registered student organizations, for cultural, educational, or recreational activities provided for members of the University community and their families.

(2) The general public may be invited to those events which are actively sponsored by official University departments or official committees. Departmental sponsorship implies that the judgment of professional educators has been applied to the content of the program, the qualifications of the participants and the manner of presentation; in short, that a University purpose will be served by the event. It does not imply that a department is limited to sponsoring programs centering about that department's academic discipline, nor does it imply that the department agrees with the views of the participant. These events may be with or without cosponsorship by registered student organizations. (Short courses, conferences, seminars, or similar events are presented under this provision when sponsored by the University or its departments.)

(3) Student use of facilities shall be consistent with the provisions of the Manual of Policies and Procedures for Voluntary Student Organizations.

(4) Educational institutions, state or federal agencies, charitable or civic organizations whose activities are of a

character appropriate to the University may be granted use of facilities consistent with these provisions. [Order 73-2, § 478-136-030, filed 1/10/73.]

WAC 478-136-040 Administrative control. (1) The Board of Regents delegates to the President authority to establish procedures for proper review of the use of University facilities; to establish, within the framework of these policies, regulations governing such use; and to establish rental schedules where appropriate.

(2) Individuals who are not students or members of the faculty or staff and who violate these regulations will be advised of the specific nature of violation and, if they persist in the violation, they will be requested to leave the University property. Failure to comply with such a request will subject such individuals to arrest under provisions of RCW 9A.080 (Criminal trespass—Penalty—Defense) or other applicable laws.

Members of the University community (students, faculty, and staff) who do not comply with these regulations will be reported to the appropriate University office or agency for action in accord with established University policies.

(3) Under authority granted above, the President has appointed a Committee on the Use of University Facilities. Inquiries concerning the use of University facilities may be directed to the Committee Secretary, Room 400, Administration Building, Extension 3-2560.

(4) The Rainier Vista area south of Drumheller Fountain and the lawn area immediately west of the Student Union Building will be available for open-air speaking events using directional and volume-controlled speech amplification equipment. This equipment will be supplied and operated by the University Audio-Services at no charge to the group sponsoring the event. Utility connections and facilities for mounting loudspeakers will be installed as permanent fixtures in such a way as to control sound direction, establish a fixed speaker's location, facilitate easy setup of the sound system, control the decibel level of the sound, and preserve the esthetic values of the areas.

Use of the Rainier Vista area and equipment will be routinely available to registered student organizations and faculty or staff groups on a reservation basis. Application to reserve the location must be made at the Office of Student Services at least one working day in advance. Use of the Student Union Building lawn site will be available to registered student organizations and faculty or staff groups on a first-come, first-served basis. Microphone equipment which can be plugged into the amplifying system will be issued upon presentation of a currently valid ASUW or Staff Identification Card at the Student Union Building Reservation Office, 107 Student Union Building. (Note: See Manual of Policies and Procedures for Voluntary Student Organizations.)

Use of other types of sound equipment and use of other locations or times require the permission of the Committee on the Use of University Facilities. Application describing the event in detail, including amplification equipment to be used, must be submitted to the Committee through the Office of Student Services at

least one calendar week in advance. Permission will be based upon an assessment of likely disturbance to other University functions or to the surrounding community as specified in WAC 478-136-020(1) of the policy statement. When special equipment is needed for an approved function, it is recommended that the Audio-Visual Services provide technical advice and equipment if available. [Order 73-2, § 478-136-040, filed 1/10/73.]

WAC 478-136-050 Liability. Permission to an off-campus organization for use of the facilities is granted with the express understanding and condition that such off-campus organization assumes full responsibility for any loss or damage resulting from such use and agrees to hold harmless and indemnify the University as to any loss or damage or claims arising out of such use. [Order 73-2, § 478-136-050, filed 1/10/73.]

WAC 478-140-010 University policy on student education records. Public Law 93-380, The Family Educational Rights and Privacy Act of 1974, requires that the University adopt guidelines concerning the right of a student to inspect his or her education records, and guidelines concerning the release of personally-identifiable information to third parties. The act further provides that such a student has the right to a hearing in order to provide for the correction or deletion of inaccurate, misleading or otherwise inappropriate data. The act also provides that students be informed annually of the types of education records maintained by the University that are directly related to students.

Consistent with that act, this policy on student education records is established to insure that information contained in such records is treated in a responsible manner with due regard to the personal nature of the information. [Order 75-1, § 478-140-010, filed 3/5/75; Order 72-11, § 478-140-010, filed 11/30/72.]

WAC 478-140-015 Definition of a student. A student is defined as any person who is or has been officially registered at the University of Washington and with respect to whom the university maintains education records or personally-identifiable information; except that a person who has applied for admission to, but has never been in attendance at, a component unit of the university (i.e., college, school, or department; undergraduate, graduate, or professional program), even if that person is or has been in attendance at another component unit of the university, is not considered to be a student with respect to the component unit to which an application for admission has been made but to which admittance was denied. [Statutory Authority: RCW 28B.20.130(1). 79-05-025 (Order 79-1), § 478-140-015, filed 4/18/79; Order 75-1, § 478-140-015, filed 3/5/75.]

WAC 478-140-018 Education records—Student's right to inspect. (1) A student has the right to inspect and review his education records.

(a) The term "education records" means those records, files, documents and other materials which contain information directly related to a student. Types of education records, and the university officials responsible for those records include:

(i) Official transcripts of courses taken and grades received; records relating to prior educational experience

and admission records. The Executive Director of Admissions and Records, located in Schmitz Hall, is the official responsible for the maintenance of such records. In addition, the Graduate Admissions Officer, located in Administration Building, is the official responsible for the maintenance of certain admissions and current education status records for graduate students.

(ii) Tuition and Fee Payment Records. The manager of the Student Accounts Office, Schmitz Hall, is the official responsible for the maintenance of such records.

(iii) Student disciplinary records are the responsibility of the Vice President for Student Affairs, located in Schmitz Hall.

(iv) Individual education records may be maintained by the departments and/or colleges throughout the university. Where such education records are so maintained, the respective chairperson or dean of the department or college is the university official responsible for maintenance of the records.

(b) The term "education records" does not include:

(i) Working papers concerning students that are maintained by faculty and graduate student service appointees, such as informal notes, memory aids or other temporary records of a similar nature which are in the sole possession of the maker thereof and not accessible or revealed to any other person except a substitute. A substitute may be defined as:

(A) A person who is providing instruction in place of the regularly assigned faculty member in a course in which knowledge of the performance of individual students is essential to the provision of instruction, or

(B) A person who is supervising a student's thesis or research progress in place of the regularly assigned faculty member during a prolonged absence.

(c) Agencies or organizations requesting information in connection with a student's application for, or receipt of, financial aid.

Any supplementary regulations found necessary by departments will be filed with the Student Records Committee, which will be responsible for periodic review of policy and procedures.

(1) Disciplinary records shall be kept separate and apart from academic records, and transcripts of a student's academic record shall contain no notation of any disciplinary action. Special precautions shall be exercised to insure that information from disciplinary or counseling files is not revealed to unauthorized persons. Provision shall be made for periodic review and routine destruction of inactive disciplinary records by offices maintaining such records.

WAC 478-160-005 Legal authority to enact. Pursuant to the authority granted by RCW 28B.20.130 and chapter 28B.15 RCW, the Board of Regents of the University of Washington has established the following regulations governing the admission, residence classification and registration of students at the University of Washington. [Order 72-5, § 478-160-005, filed 11/6/72.]

WAC 478-160-010 Admissions procedures—Statement of purpose. The purpose of these regulations is to provide prospective University students with information on how to apply for admission at their proposed level of study. [Order 72-5, § 478-160-010, filed 11/6/72.]

WAC 478-160-015 Admission categories. The University of Washington offers programs of study which lead to undergraduate, graduate and advance professional degrees and/or professional certificates. (1) Undergraduate study includes programs of study which normally lead to a bachelor's degree.

(2) Graduate study includes programs of post-baccalaureate study normally leading to a graduate degree.

(3) Advanced professional study includes programs of study normally leading to a professional degree in Medicine, Dentistry or Law.

In addition, the University has a special admissions category, nonmatriculated status, which is intended for students who have a limited educational objective which does not include a University of Washington degree or a professional certificate. [Order 72-5, § 478-160-015, filed 11/6/72.]

WAC 478-160-020 Undergraduate admission policy. The University of Washington's Board of Admissions, Scholastic Standards and Graduation, appointed by the President of the University, is responsible for the interpretation and administration of the regulations governing the admission of undergraduate students.

The Office of Admissions has been assigned the responsibility of distributing and processing applications for admission with undergraduate standing at the University of Washington.

Application closing dates are established for all admission classifications for all quarters. Applications are generally not accepted after closing dates except for Summer Quarter when they will be accepted routinely through the official Change of Registration period. Applications will be accepted after the closing date only from students returning to the University in the classification under which they last attended or students new to the University as "Summer Only Nonmatriculated" students. Applications accepted after the closing date will be subject to a late application fee. [Order 74-1, § 478-160-020, filed 3/4/74; Order 72-5, § 478-160-020, filed 11/6/72.]

WAC 478-160-025 Undergraduate student classifications. A person may apply as an entering freshman, a transfer student, or a fifth-year student depending on his academic background and present educational goal. (1) Entering freshmen have completed their secondary school education and intend to engage in a program of study leading to a bachelor's degree.

(2) Transfer students have completed some academic work at another collegiate institution and intend to engage in a program of study leading to a bachelor's degree.

(3) Fifth-year students have previously earned at least one bachelor's degree and intend to engage in a program of study leading to an additional bachelor's degree and/or a professional certificate. [Order 72-5, § 478-160-025, filed 11/6/72.]

WAC 478-160-030 Early application guidelines. In order to be assured of consideration, prospective freshmen should submit applications for the Autumn Quarter of any given year during the preceding December. (8) "Residence credit" is that academic credit associated with those courses which are offered by the university within the regular academic curriculum. Credit earned through the satisfactory completion of such courses is applicable toward a university degree or professional certificate to the extent it satisfies specific school or college degree requirements.

(9) "Matriculated student" is one who has been accepted into one of the university's schools or colleges to pursue a program of study which normally leads to a degree or professional certificate.

(10) "Nonmatriculated student" is one who will be permitted to register for courses on a space-available basis but whose educational objective does not include a University of Washington degree or professional certificate.

(11) "Summer only nonmatriculated" student is one who attends the University only during the Summer Quarter and who is not engaged in a degree or certificate program at the University. Such a student must apply for admission as a new student should he or she wish to attend any quarter other than Summer Quarter.

(12) The first 4-1/2 weeks of the Summer Quarter constitute "a" term. Some classes are offered during "a" term only.

(13) The second 4-1/2 weeks of the Summer Quarter constitute "b" term. Some classes are offered during "b" term only. [Order 74-1, § 478-160-240, filed 3/4/74; Order 72-8, § 478-160-240, filed 11/30/72.]

WAC 478-160-246 \$50.00 Enrollment Service Fee for new and returning students only, for Autumn, Winter and Spring Quarters. A \$50.00 Enrollment Service Fee will be required of new students and of returning students in Autumn, Winter and Spring Quarters. Payments of the fee will be requested at the time the student is offered admission. This prepaid \$50.00 will apply toward the first quarter's tuition if the student accepts the offer of admission and if spaces remain available in the appropriate student category at the time the payment is received. If space is not available when the payment is received, the \$50.00 payment will be returned.

The Enrollment Service Fee is not applicable to continuing students. Further information about the Enrollment Service Fee may be obtained from the Registrar, 1400 N.E. Campus Parkway, Room 225, Seattle, Washington 98195. [Order 73-9, § 478-160-246, filed 11/30/73.]

WAC 478-160-256 Refund of the Enrollment Service Fee. The Enrollment Service Fee is refundable under the following conditions: (1) New and returning nonmatriculated students who cannot be scheduled for the

courses they request during registration and who do not enroll or attend other courses will be refunded their \$50.00 Enrollment Service Fee upon written request to the Registrar. Such requests for refund must be submitted by Friday of the second week of the quarter to which they are applicable.

(2) New and returning matriculated students who are unable to obtain courses required for completion of their degree or certificate program or courses which are determined by an appropriate academic adviser to be acceptable alternate courses, and who do not enroll in or attend other courses, will be refunded the \$50.00 Enrollment Service Fee upon written request to the Registrar. Such requests for refunds must be submitted by Friday of the second week of the quarter.

(3) New and returning students who apply by the prescribed deadline for financial aid administered by the University Financial Aid Office, and who cannot be awarded financial aid adequate to their needs as determined by that office, and who are therefore unable to attend the University, will be refunded the \$50.00 Enrollment Service Fee upon application to the Registrar no later than two weeks after receipt of notice of the financial aid award.

(4) New and returning students who are unable to attend the University because of pregnancy, disability or death or because they are called involuntarily into the military service of the United States or into civil duty will be refunded the amount, if any, by which the Enrollment Service Fee exceeds the amount of tuition and fees assessed at the time of withdrawal. Requests for refund must be submitted in writing to the University Comptroller by the last day of the quarter for which the student was determined admissible and for which the Enrollment Service Fee has been paid. [Order 73-9, § 478-160-256, filed 11/30/73.]

WAC 478-160-260 Foreign students--Accident insurance requirement. All foreign students on temporary visas are required to have accidental injury and illness insurance while attending school at the University of Washington. [Order 72-8, § 478-160-260, filed 11/30/72.]

WAC 478-160-265 Registration for residence credit courses. No person, other than a faculty member attending informally with the approval of the instructor, may attend a University residence credit course in which he has not been registered. [Order 72-8, § 478-160-265, filed 11/30/72.]

WAC 478-160-270 Registration periods. There are two official registration periods: (1) Pre-registration and (2) Registration. Specific dates, criteria for eligibility and procedural steps for each of the registration periods are published in the *University Daily*, the *University Calendar*, and the quarterly *Time Schedule* and are posted about the campus by the University Registrar before either of the registration periods begins. [Order 72-8, § 478-160-270, filed 11/30/72.]

WAC 478-160-275 Late registration. Any student who registers after both of the official registration periods have passed will be charged a late registration service fee.

No student shall be permitted to register after the first seven calendar days of Autumn, or Winter, or Spring Quarter, except with the written consent of the dean of his college and the written approval of the instructors whose classes the student wishes to enter.

No student shall be permitted to register for "a" term courses after the first two calendar days of Summer Quarter, for full-quarter courses after the first five calendar days of Summer Quarter, or for "b" term courses after the first two calendar days of "b" term, except with the written consent of the dean of his college and the written approval of the instructors whose classes the student wishes to enter. [Order 72-8, § 478-160-275, filed 11/30/72.]

WAC 478-160-280 Change of Registration periods. There are two official Change of Registration periods. Specific dates for Change of Registration periods are published in the *University Calendar*, the *University Daily*, and the quarterly *Time Schedule* and are posted about the campus by the University Registrar before either Change of Registration period begins.

A student who has once registered for a schedule of courses may drop courses from this schedule until the last day of instruction.

No grade will be entered on a student's permanent record for a course dropped during the first fifteen calendar days of Autumn, or Winter, or Spring Quarter.

No grade will be entered on a student's permanent record for an "a" term course dropped during the first five calendar days of Summer Quarter, for a full-quarter course dropped during the first twelve calendar days of Summer Quarter, or for a "b" term course dropped during the first seven calendar days of term "b".

No change of registration involving entrance to a course shall be permitted after the first seven calendar days of Autumn, or Winter, or Spring Quarter except with the written consent of the dean of the school or college concerned and of the instructor whose class the student wishes to enter.

No change of registration involving entrance to an "a" term course after the first two calendar days of Summer Quarter, to a full-quarter course after the first five calendar days of Summer Quarter, or to a "b" term course after the first two calendar days of "b" term shall be permitted except with the written consent of the dean of the school or college concerned and of the instructor whose class the student wishes to enter. [Order 72-8, § 478-160-280, filed 11/30/72.]

WAC 478-160-285 Change of Registration service fee. A service fee will be assessed when a student changes his registration after both of the official Change of Registration periods have passed. [Order 72-8, § 478-160-285, filed 11/30/72.]

WAC 478-160-290 Withdrawal from the University. Withdrawal from the University is official when a Withdrawal form has been signed by the student's academic adviser and filed with the University Registrar.

Students who officially withdraw may be entitled by law to a refund of all or a portion of the tuition and fees for a given quarter depending on the time of the quarter the withdrawal is completed.

An official withdrawal during the first *fifteen* calendar days of Autumn, or Winter, or Spring Quarter shall result in the student's permanent record showing only the date of withdrawal.

During Summer Quarter official withdrawals shall be entered on the student's permanent record as follows:

(1) For full-quarter courses, during the first *twelve* calendar days of the quarter only the date of withdrawal shall be entered.

(2) For "a" term courses, during the first *five* calendar days of the quarter only the date of withdrawal shall be entered.

(3) For "b" term courses, during the first *seven* calendar days of "b" term only the date of withdrawal shall be entered. [Order 72-8, § 478-160-290, filed 11/30/72.]

WAC 478-160-295 Military withdrawals. If a student is inducted or enlists in the Armed Forces, he may be entitled to some academic credit and/or a refund of some of the tuition and fees depending on the time of the quarter he officially withdraws. A Withdrawal form must be signed by the student's academic adviser and filed with the Registrar's office. A copy of the student's military orders must also be submitted. Complete information is available from the Registrar's office, 1400 N.E. Campus Parkway, Room 225, Seattle, WA 98195. [Order 72-8, § 478-160-295, filed 11/30/72.]

WAC 478-160-300 Registration requirements for graduate students. Every graduate student from the time of first enrolling in the Graduate School is required either to be registered each quarter or to be officially on leave until the completion of all requirements for the graduate degree for which such a student is working. Failure to register each quarter (except Summer) or to go on leave will constitute presumptive evidence that the student has withdrawn and resigned from the Graduate School. [Order 72-8, § 478-160-300, filed 11/30/72.]

WAC 478-160-305 On-leave status for graduate students. If a graduate student in good standing plans to be away from the University and out of contact with the University faculty and facilities for a period of time, not to exceed four successive quarters except in the case of absence for military reasons, he may apply for On-Leave status. Forms for this purpose and further information may be obtained from the departmental Graduate Program Adviser.

A graduate student who is either registered or officially on leave for a given Spring Quarter and who does not register for the immediately following Summer

Quarter is automatically on leave for that Summer Quarter. [Order 72-8, § 478-160-305, filed 11/30/72.]

WAC 478-160-310 Change of school or college. An undergraduate student desiring to transfer from one school or college within the University to another must obtain approval from the deans of the two schools or colleges concerned. Change of College forms may be obtained from and must be submitted to the Registrar, 1400 N.E. Campus Parkway, Room 225, Seattle, WA 98195. [Order 72-8, § 478-160-310, filed 11/30/72.]

WAC 478-160-315 Auditors. With the consent of the instructor, and to the extent that space is available after the students who are registering for credit have been accommodated, a student may register as an auditor in a non-laboratory course or the lecture section of a laboratory course.

A student who audits a course may not participate in class discussion or laboratory work, or take an examination in the course. The fact that a course has been audited will not appear on the student's permanent record. [Order 72-8, § 478-160-315, filed 11/30/72.]

WAC 478-160-320 Special instructional programs offered Summer Quarter. In recognition of the special needs of students who can attend the University only in the summer, a number of Institutes, Workshops, and special programs are offered each Summer Quarter. Because the nature and content of the programs vary from year to year, interested persons are invited to contact the Summer Quarter Office, Lewis Hall, Seattle, WA 98195 to obtain a copy of the Summer Quarter *Bulletin*. [Order 72-8, § 478-160-320, filed 11/30/72.]

WAC 478-168-010 Legal authority to enact. Pursuant to the authority granted by RCW 28B.20.130, chapter 223, Laws of 1969 ex. sess. (RCW 28B.20.130), and section 2, chapter 279, Laws of 1971 ex. sess. (RCW 28B.15.031), the Board of Regents of the University of Washington has established the following regulations governing the service schedules for and the lending of library materials from library facilities devoted mainly to the educational or research activities of the University of Washington. [Order 72-3, § 478-168-010, filed 8/7/72.]

WAC 478-168-020 Purpose of libraries' existence. The libraries constitute a vital instructional arm of the University of Washington and exist primarily to contribute to the university's teaching and research functions. In addition, the libraries seek to serve the citizens of the state of Washington, consistent with their primary function and within the limits of their resources. [Order 72-3, § 478-168-020, filed 8/7/72.]

WAC 478-168-030 Modification of these regulations. The board of regents reserves the right to add, delete, or modify portions of these regulations including the fine schedules in accordance with its regulations and applicable laws. [Order 72-3, § 478-168-030, filed 8/7/72.]

WAC 478-168-040 Manuscript collection and university archives access policy—Basis of policies and procedures. Policies and procedures described herein are based on the special characteristics of manuscript and archival materials. Manuscript and archival materials are unique items or nearly so unique that they are administered as if they were in effect the only copies extant (examples: correspondence, diaries, minutes, reports, business record books, client files, et cetera).

Manuscripts and archives alone are rarely sufficient to document the area of study addressed by the researcher. Consequently, persons are discouraged from using manuscript and archival materials unless they are thoroughly familiar with relevant published source materials. [Order 72-3, § 478-168-040, filed 8/7/72.]

WAC 478-168-050 Manuscript collection and university archives access policy—Use regulations. (1) The user must demonstrate a familiarity with the general subject matter by which manuscripts and archives might relate. This is done by interview with the archivist or curator of manuscripts. The interview assists in establishing the nature of user need of these materials, and whether or not there is relevant material in the collections.

(2) Because the manuscript collection and the personal papers in the university archives are obtained from private sources, the inquirer:

(a) If a student, he normally must be sponsored by a faculty member. It is advisable for the sponsoring faculty member to make arrangements beforehand when he wants access for his students.

NOTE: If unusually heavy use is anticipated, facsimile copies must be substituted for the original material.

(b) If a faculty member, he must present identification and is encouraged to correspond beforehand about his research interests.

(c) Access to all other potential users is regulated in conformity with WAC 478-168-060(1) and 478-168-060(2): The inquirer must demonstrate that manuscript and archival materials are relevant to his purpose.

(3) Public records in the university records center.

(a) Permission in writing from the office of origin must be given for access to any records in the scheduled records section because these are not under control of the records center.

(b) Access is given to all such records in the university archive proper as distinct from those in the scheduled records section, once need is established.

(4) Care of the materials by the user.

(a) Materials must be used in the area designated by the staff.

(b) Materials must not be removed from the assigned area or in any way damaged or defaced.

NOTE: Removal or mutilation of records is forbidden by law. (RCW 40.16.010)

(c) Materials must be kept in the same order as received.

(d) Users may not smoke, eat, or drink in the assigned reading room.

(e) Users may not use ink or comparable writing instruments in the research area. Pencils, typewriters and tape recorders may be used. Permission to use any other note-taking device must be obtained from the curator of manuscripts, the university archivist, or his designee.

(f) Permission from the responsible authority must be secured for any facsimile copying.

(g) Freedom of access does not include the right of publication. The user is hereby notified that literary rights adhere permanently to all unpublished items unless expressly declared to be public by the author, heirs, or assigns. The user assumes full responsibility for obtaining permission to publish such items in whole or in part. [Order 72-3, § 478-168-050, filed 8/7/72.]

WAC 478-168-060 Use regulations and service schedule for the law library. (1) The law library will be open while law school is in session:

(a) During the regular academic quarters (autumn, winter, spring) at least 90 hours per week.

(b) During the summer quarter at least 80 hours per week.

(2) When the law school is not in session, the law library will remain open at least 30 hours per week.

(3) The law library may close on university holidays without regard to the closure's effect on the total open hours for that week.

(4) Subject to the availability of funds, hours may be extended beyond these minimum to meet patron needs. [Order 72-3, § 478-168-060, filed 8/7/72.]

WAC 478-168-070 Use regulations and service schedule for the law library—Use of the facilities. (1) The reading room and seating on open stack floors are open for use to any person having need of legal materials shelved there. The library is closed to nonlaw students and nonlawyers for use as a study hall (i.e., for use not related to that law library's materials).

(2) The faculty library is for the use of law faculty only, but books may be taken by library staff from the faculty library for the use of other patrons.

(3) The attorney's library is for the use of members of the Washington bench and bar only, except when scheduled through the office of the dean for seminar meetings and conferences of the law school. [Order 72-3, § 478-168-070, filed 8/7/72.]

WAC 478-168-080 Use regulations and service schedule for the law library—Circulation regulations. The law library serves the students, faculty and staff of the law school, the students, faculty and staff of other

university departments, faculty of other colleges and universities, librarians of other libraries, and members of the Washington bench and bar. Law school students and law faculty have priority when various classes of patrons need the same materials.

(1) **Reference Books.** Many law library books are reference books to be used in the library. "In the library" is defined here as meaning in the reading room, the seating on open stack floors, established typing rooms, classrooms, the law students' lounge and conference rooms, or the law review offices.

(2) **General Reference Books.** Because of the reference nature, the following should be limited to three day loans: Court reports, encyclopedias, digests, statutes and briefs.

(3) **Reserve Books.** Books on reserve at any of the library service desks may be checked out for use in the library and are due at closing time on the same day. Reserve books may be charged out for overnight use at 9 p.m. Monday through Friday and Sunday, and at 3 p.m. on Saturday; these books are due at 9:30 the following morning (or at 1:30 p.m. on Sunday, if the library is then open).

Current and unbound issues of Anglo-American law reviews may be borrowed from the reserve collection on three day loan and are due within an hour after the library opens on the third day.

(4) **Special Reserve Books.** Class assignments and examination reviews often increase the demand for certain books which are then placed on special reserve; the loan period for such books is usually two hours. Any desk attendant may place a book on special reserve when the demand warrants it, but only the circulation librarians may remove a book from special reserve. Special reserve books loaned for overnight use are due at 8:10 the following morning (or 12:30 p.m. on Sunday if the library is then open).

(5) **Two-Week Books.** Collateral reading and reference materials not in demand for law school assignments may be charged out for two weeks, and may be renewed once unless a patron demand has developed since the initial loan. Loans of two-week books to out of the city borrowers may be made initially for three weeks, to allow time for transit through the mails. Two-week books sent to the inter-library loan division of the university libraries will be initially charged for four weeks.

(6) **Indefinite and Extended Loans.** Law faculty may borrow library materials for indefinite periods with the exception of: looseleaf services, current periodicals shelved in the reserve stack or material which has been placed on special reserve. Indefinite loans to faculty may be recalled by the circulation librarians when the materials are needed for student use. Extended loans to other borrowers are granted with the permission of the circulation librarians.

(7) The circulation staff is authorized to make short-term out-of-library loans of restricted material or to extend a loan period for other material when it is apparent that the value of the particular book to a prospective borrower out-weighs the value of keeping it on the shelf

for someone who might call for it. All books loaned under such conditions are subject to recall. [Order 72-3, § 478-168-080, filed 8/7/72.]

WAC 478-168-090 Service schedules—Application. Service schedules apply to the main library, undergraduate library, and branch libraries except the law library. [Order 72-3, § 478-168-090, filed 8/7/72.]

WAC 478-168-100 Service schedules—Basis of determining business hours. Business hours are based on the identifiable needs of the university community as a whole and in consideration of the staff made available to support public service activities of the libraries. [Order 72-3, § 478-168-100, filed 8/7/72.]

WAC 478-168-110 Service schedules—Regular academic schedules. Regular academic sessions are defined as autumn, winter and spring quarters.

(1) Main and undergraduate libraries will maintain a basic service schedule of eighty hours per week with additional hours added as staffing levels permit.

(2) Branch libraries will maintain a basic service schedule of forty hours per week with additional hours added as staffing levels permit. [Order 72-3, § 478-168-110, filed 8/7/72.]

WAC 478-168-120 Service schedules—Summer quarter schedules. Summer quarter schedules are defined as corresponding to the summer quarter only.

(1) Main and undergraduate libraries will maintain a basic service schedule of seventy hours per week with additional hours added as staffing levels permit.

(2) Branch libraries will maintain a basic service schedule of forty hours per week with additional hours added as staffing levels permit. [Order 72-3, § 478-168-120, filed 8/7/72.]

WAC 478-168-130 Service schedules—Interim schedules. Interim schedules are defined as the period from 5:00 p.m. of the last day of quarterly final examinations until 9:00 a.m. of the first day of the following quarter.

(1) Main and undergraduate libraries will maintain a basic service schedule of forty hours per week.

(2) Branch libraries with fewer than three full-time equivalent staff (F.T.E.) are not required to maintain a service schedule. Branch libraries with more than 3 F.T.E. staff will maintain a service schedule of twenty to forty hours as staffing levels permit. [Order 72-3, § 478-168-130, filed 8/7/72.]

WAC 478-168-140 Legal and university holidays. All libraries may close on legal and university holidays without regard to the closure's effect on the total service hours for that week. Such closures are posted at the respective library locations seven days in advance. [Order 72-3, § 478-168-140, filed 8/7/72.]

WAC 478-168-150 Unscheduled closures. Unscheduled closures may be declared by the director of libraries

or his assignee, due to staffing or physical plant problems beyond the libraries' control which constitute a threat to life, limb, essential creature comforts or utility of the facilities by users and staff. [Order 72-3, § 478-168-150, filed 8/7/72.]

WAC 478-168-160 Loan code for the University of Washington libraries—Purpose. The board of regents of the university of Washington has established the following regulations which govern the lending of library material from the university of Washington libraries (excluding law library and computing information center).

The board of regents reserves the right to add, delete or modify portions of these rules and regulations, including the fine schedules, in accordance with its regulations and with applicable laws after consultation with library staff and representatives of major user groups. [Statutory Authority: RCW 28B.20.130(1). 79-10-016 (Order 79-4), § 478-168-160, filed 9/7/79; Order 73-1, § 478-168-160, filed 1/8/73.]

WAC 478-168-170 Library borrowers. The following categories of individuals are eligible for library borrowing privileges:

(1) Campus borrowers:

(a) Undergraduate and unclassified students.

(b) Graduate and professional students.

(c) Graduate students with on-leave graduate status.

WAC 478-325-010 Authority. These rules are adopted pursuant to RCW 43.21C.120 which requires each state and local agency to adopt its own rules, ordinances or resolutions governing the implementation of the State Environmental Policy Act (SEPA) consistent

with the provisions of WAC 197-10-010 through WAC 197-10-910. [Order 76-2, § 478-325-010, filed 8/26/76.]

WAC 478-325-030 Integration of SEPA procedures with university operations. To the full extent possible, the procedures required by these rules shall be integrated with existing planning and decision-making procedures utilized by the University. These procedures should be initiated early and undertaken in conjunction with other operations to avoid lengthy delays and unnecessary duplication of effort. When an environmental impact statement or declaration of nonsignificance is required to be prepared by these rules, it shall accompany a proposal through the existing review processes. [Order 76-2, § 478-325-030, filed 8/26/76.]

WAC 478-325-040 Definitions. In addition to the definitions set forth in WAC 197-10-040, adopted by reference in WAC 478-325-025, the following terms have the following meanings for the purposes of this chapter, unless the context indicates otherwise:

(1) **Final action** – For purposes of complying with the public notice requirements of RCW 43.21C.080, final action shall mean the university's decision to proceed or not to proceed with a proposal. The type of final action and the point at which it is made during a planning or development process may vary depending on the nature and scope of the proposal. The final action shall be clearly identified in the environmental checklist and/or the environmental impact statement. For proposals involving a series of actions, the final action shall be the first action for which the threshold determination was made.

(2) **Lead unit.** Lead unit means that unit of the university which is responsible for making the threshold determination and preparing, or supervising preparation of, the draft and final environmental impact statements. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-040, filed 12/13/78; Order 76-2, § 478-325-040, filed 8/26/76.]

WAC 478-325-050 Timing of the threshold determination and EIS process. (1) The primary purpose of the EIS is to provide environmental information to decision makers to be considered prior to making their decision. The process should thus be completed before any decisions are made which commit the university to a particular course of action, and which would preclude or foreclose alternative courses of action. The actual decision to proceed with many actions may involve a series of individual approvals or decisions. Completion of the

threshold determination and EIS (if required) should occur at the earliest point in the planning and decision-making process when the principal features of the proposal and its impact upon the environment can be reliably identified. In many cases, however, preliminary decisions must be made upon a proposal before the proposal is sufficiently definite to permit environmental analysis.

(2) For project-type actions involving construction or modification of facilities, the threshold determination, final DNS or draft EIS shall be completed prior to the authorization to prepare working drawings. When an EIS is required, the draft EIS shall be completed before authorization is provided to prepare working drawings. The final EIS shall be completed no later than prior to the approval of working drawings or other decision which, in view of the administration, commits the university to the final action.

(3) For nonproject type actions, the threshold determination and any required EIS shall be completed prior to final approval or adoption of the action by the Board of Regents or agent delegated by the board to take such action. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-050, filed 12/13/78; Order 76-2, § 478-325-050, filed 8/26/76.]

(2) The following documents shall be maintained at the SEPA public information center:

(a) Copies of all SEPA Public Information Registers for a period of one year from the date of publication.

(b) Copies of all environmental checklists, final declarations of nonsignificance and declarations of significance for a period of one year from the date of issue.

(c) Copies of all proposed declarations of nonsignificance for a period of fifteen days after the date of issue.

(d) Copies of all draft and final EIS's for a period of two years after the date of publication.

(e) A current list of individuals designated as responsible officials for university compliance with SEPA.

(f) A current membership list of the SEPA advisory committee.

(g) Copies of agendas and minutes of the SEPA advisory committee for a period of one year after the date of issue.

(3) The documents required to be maintained at the SEPA information center shall be available for public inspection and copies thereof shall be provided upon request. A fee to cover the actual cost of printing/copying may be charged for copies. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-060, filed 12/13/78; Order 76-2, § 478-325-060, filed 8/26/76.]

WAC 478-325-070 Exemptions for emergency actions. Actions which must be undertaken immediately, or within a time too short to allow full compliance with

these rules, to avoid an imminent threat to public health or safety, to prevent an imminent danger to public or private property, or to prevent an imminent threat of serious environmental degradation, shall be exempt from the procedural requirements of this chapter. Such actions include, but are not limited to, the following:

(1) Emergency pollution control actions responding to accidental discharges, leaks or spills into the air, state waters, or on land.

(2) Implementation of a change in waste disposal procedures caused by unanticipated changes in waste sources which are in compliance with federal and state regulations and standards.

(3) Clean-up or decontamination of academic and research facilities or equipment accidentally exposed or contaminated, to permit maintenance, repair or relocation, when procedures followed are in accordance with federal or state guidelines, recommendations or standards.

(4) Emergency actions implemented to reduce an imminent hazard to the health and safety of an element of the university resulting from structural failure, equipment malfunction, human error or natural event. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-070, filed 12/13/78; Order 76-2, § 478-325-070, filed 8/26/76.]

WAC 478-325-080 Lead agency. (1) Except as otherwise specifically provided herein, the university shall serve as the lead agency for all proposals it initiates. In the event that one or more additional agencies share in the implementation of the proposal, the university and the agencies shall by agreement determine which agency will assume the status of lead agency. Any dispute over lead agency determination shall be settled in accordance with the provisions of WAC 197-10-260.

(2) When the total proposal will involve both private and university construction activity, it shall be characterized as either a private or a university project for the purposes of lead agency designation, depending upon whether the primary sponsor or initiator of the project is the university or a private party. Any project in which university and private interests are too intertwined to make this characterization shall be considered a university project.

(3) The university's responsibilities as lead agency include complying with the threshold determination procedures; the supervision, or actual preparation of draft EIS's, including the circulation of such statements, the conduct of any public hearings required by these rules; and the supervision or preparation of required final EIS's.

(4) Exceptions to the university's status as lead agency are as follows:

(a) For all proposals which are being processed under the Environmental Coordination Procedures Act of 1973 (ECPA), chapter 90.62 RCW, the lead agency shall be determined by the department of ecology.

(b) For proposals that will result in an impoundment of water with a water surface in excess of 40 acres, the lead agency shall be the department of ecology.

(c) For proposals to construct facilities on a single site designed for or capable of storing a total of one million or more gallons of any liquid fuel, the lead agency shall be the department of ecology. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-080, filed 12/13/78; Order 76-2, § 478-325-080, filed 8/26/76.]

WAC 478-325-090 Lead unit. (1) For university actions subject to SEPA, the university academic or administrative unit initiating the action shall be charged with the university's lead agency responsibilities.

(2) For actions involving more than one university unit, the involved units shall by agreement determine which unit will assume the university's lead agency responsibilities. Any dispute as to lead unit determination shall be resolved by the president.

(3) The department of facilities planning and construction shall have primary university responsibility for providing procedural advice with regard to these rules. All university units with environmental expertise should strive to make their services available to lead units to assist in the university's compliance with SEPA. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-090, filed 12/13/78; Order 76-2, § 478-325-090, filed 8/26/76.]

(2) Responsible officials shall carry out the duties and functions of the university with regard to these rules for all major actions initiated by their unit. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-100, filed 12/13/78; Order 76-2, § 478-325-100, filed 8/26/76.]

WAC 478-325-110 SEPA advisory committee. (1) A SEPA advisory committee shall be established to assist with the university's compliance with the State Environmental Policy Act except for those actions pertaining to the Metropolitan Tract. The president shall appoint committee members representing the students, faculty, and staff.

(2) The committee shall adopt procedures which provide for the review of environmental documents within the time limits established by WAC 478-325-050.

(3) The committee shall review all nonexempt actions for compliance with the provisions of the SEPA guidelines. Review shall occur at the earliest possible time after a proposal has been defined sufficiently to permit meaningful environmental analysis or a recommendation has been made by the staff or responsible official, but before a final decision has been made.

Normally the committee review shall occur:

(a) After completion of an environmental checklist, but before the threshold determination.

(b) After the review of a proposed DNS but prior to a decision to issue a final DNS, if substantive comments have been received regarding the proposed DNS.

(c) Prior to the publication of any draft EIS.

(d) Prior to publication of any final EIS.

(4) The committee's recommendations shall be advisory only and shall in no way relieve responsible officials of their responsibilities as established by these rules and regulations. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-110, filed 12/13/78; Order 76-2, § 478-325-110, filed 8/26/76.]

WAC 478-325-120 Draft EIS--Optional additional elements--Limitations. The responsible official may include additional elements covering social, cultural and/or economic issues to the list in WAC 197-10-444. Such additional elements shall become part of the environment for EIS purposes, and not otherwise. When the university is lead agency, the rules and regulations of the university shall control the content of the EIS, even though other agencies with jurisdiction are involved in the proposal. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-120, filed 12/13/78; Order 76-2, § 478-325-120, filed 8/26/76.]

WAC 478-325-130 Severability. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of this chapter, or the application of the provision to other persons or circumstances, shall not be affected. [Statutory Authority: RCW 28B.10.560. 79-01-013 (Order 78-7), § 478-325-130, filed 12/13/78; Order 76-2, § 478-325-130, filed 8/26/76.]
