**WAC 196-24-080 Fees.** All checks or money orders shall be made payable to the state treasurer. Registration: The application must be accompanied with the required fee; with engineers submitting the certificate fee after passage of the exam. Should the board deny the application, the initial fee will be retained as an application fee. An applicant who fails the first scheduled exam may be re-examined once without payment of an additional fee, provided he notifies the board office in writing of his intention to appear for the examination a second time at least two months prior to said examination. Each subsequent examination will be granted upon payment of an examination fee. Applicants, who fail to appear for scheduled examinations, will forfeit their re-examination privilege or examination fee. [Statutory Authority: RCW 18.43.035. 82-01-064 (Order 81-10), § 196-24-080, filed 12/18/81.]

**WAC 196-24-085 Information required of nonresidents intending to practice thirty days or less in a calendar year.** Every nonresident engineer or land surveyor who intends to conduct professional practice under the exemption of subsection (2) of RCW 18.43.130, shall furnish the board, prior to the commencement of such work with the following information:

- (1) Name and place of his residence.
- (2) Jurisdiction where currently registered.
- (3) Imprint of professional seal.
- (4) Dates work is to be started and terminated in the state of Washington.
- (5) Name and address of client.
- (6) Type, location of job and regulating authority (if applicable). [Statutory Authority: RCW 18.43.035. 82-01-064 (Order 81-10), § 196-24-085, filed 12/18/81.]

**WAC 196-24-090 Branch offices.** (1) A branch office of an engineering or land surveying firm shall be defined as an office established to solicit and/or provide engineering and/or land surveying services. A resident professional engineer/land surveyor shall be defined as a person holding a valid certificate of registration in this state and who maintains said branch office as his normal place of business. A professional engineer or professional land surveyor may be the resident licensee at only one place of business at any given time.

(2) Each branch office of an engineering firm shall have a resident professional engineer in responsible charge. Each branch office of a surveying firm shall have a resident professional land surveyor in responsible charge.

(3) Branch office restrictions shall not apply to project offices. A project office shall be defined as an office established to provide:

- (a) Supervision for construction of a project designed elsewhere.
- (b) Supervision of or providing a convenient work place for a specific land surveying project.

(4) No new work shall be solicited by the firm's representative located at a project office. [Statutory Authority: RCW 18.43.035. 82-01-064 (Order 81-10), § 196-24-090, filed 12/18/81.]

**WAC 196-24-095 Seals.** Engineers or land surveyors shall not affix their signature and seal to any engineering or land surveying plan or document dealing with subject matter outside their field of competence nor to any plan or document not prepared under their direct supervision.

"Under direct supervision" shall be construed to mean that the registrant providing such supervision shall have made the decisions on technical matters of policy and design. Furthermore, the registrant shall have exercised his professional judgment in all engineering and land surveying matters that are embodied in the plans, design, specifications or other documents involved in the work. [Statutory Authority: RCW 18.43.035. 82-01-064 (Order 81-10), § 196-24-095, filed 12/18/81.]
