(3) "Hearing examiner" or "hearing officer" means the departmental employee designated by the secretary to conduct fair hearings according to chapter 388-08 WAC.

(4) "Secretary" means the executive head of the department or his designee. [Order 768, § 388-08-00101, filed 1/10/73.]

WAC 388-08-002 Fair hearing—Statutory basis. An applicant for or recipient of public assistance who is

aggrieved by a decision of the department has the right to a fair hearing except he or she has no right to a fair hearing to appeal a decision when either state or federal law requires automatic grant or assistance adjustments for classes of recipients unless the reason for an individual appeal is incorrect grant or assistance computation. This right is established in RCW 74.08.070.

(1) An applicant has the right to a fair hearing to appeal a department decision denying his/her application for assistance or to appeal the department's not acting on his/her application with reasonable promptness.

(2) A recipient has the right to a fair hearing to appeal a department decision to terminate, suspend, or reduce his/her assistance or a decision to pay a grant through a protective payee. WAC 388-08-00401 Authority to adjudicate. In accordance with chapter 43.20A RCW, the following delegations of authority to adjudicate contested cases as defined in RCW 34.04.010(3) are hereby made to all duly appointed and qualified hearings examiners, which includes supervisors and review examiners, within the office of hearings.

(1) Unless otherwise provided by administrative regulation or statute, hearings examiners shall have the following powers and duties:

(a) To conduct all contested case hearings arising within the department of social and health services.

(b) In all cases in which the office of hearings has sixty days or less from the date of receipt of the request for hearing to issue a final administrative decision, hearings examiners are authorized to prepare a proposed administrative decision or order which shall be submitted to the hearings authority for review and issuance of a final administrative decision or order.

(c) In all cases in which the office of hearings has more than sixty days from the date of receipt of the request for hearing to issue a final administrative decision or order, hearings examiners are authorized to prepare and issue an initial administrative decision or order.

(d) In addition to the powers set forth in subdivisions (1) (a), (b), and (c) of this section, hearings examiners designated as review examiners are authorized to act as the hearing authority to review proposed and initial administrative decisions and orders as appropriate, and to issue final administrative decisions and orders on behalf of the secretary or department.

(2) The hearings examiner shall, in adjudicating contested cases, apply as first source of law governing the issues of the hearing rules of the department as adopted in the Washington Administrative Code and any precedential decision(s) applicable to said rules.

(3) If there is no department rule(s) or precedential decision(s) which fully governs the issue(s) raised, hearings examiners shall resolve the issue(s) raised on the

basis of the best legal authority and reasoning available, including that found in the state and federal constitutions, Washington statutes and regulations, federal statutes and regulations, and state and federal appellate court decisions. The hearings examiner shall not have the power to declare invalid any section of the Washington Administrative Code. If the validity of any section of the Washington Administrative Code is raised as an issue at any hearing, the hearings examiner shall permit arguments to be made on the record concerning that issue for subsequent review purposes: *Provided*, That where the sole issue is one of state or federal law requiring automatic grant adjustments for classes of recipients the examiner shall deny or dismiss the request for a hearing without permitting argument to be made on the record regarding the validity of any section of the Washington Administrative Code.

(4) A list of all duly appointed and qualified hearings examiners shall be maintained in the Office of Hearings, Post Office Box 2465, Mail Stop OB-43, Olympia, Washington 98504, and be made available for public inspection and copying.

(b) Irregularity in the proceedings occurred by which the party seeking review was prevented from having a fair hearing and additional evidence or argument is necessary to cure the irregularity or

(c) The hearing authority considers a remand necessary and both parties assent to the remand.

(6) If review is granted, the hearing authority shall render a reasoned decision affirming, reversing, modifying, or remanding the initial decision.

(7) That decision shall be final on the date of filing and shall be the final decision of the secretary. The

The notice shall provide the appellant a ten-day opportunity to inspect the office of special investigation file by the person or his or her representative who is the subject of the fair hearing at the appropriate community service office or office of special investigation field office as designated by the appellant. In no event shall the investigative file leave the physical control of the designated office of special investigation records custodian: *Provided*, That appellant may copy all documents not sealed in an envelope as confidential material as provided in WAC 388-320-140.

(3) If no amended request for disclosure pursuant to WAC 388-08-430(4) is filed properly, the issue of disclosure will be regarded as moot.

(4) If the appellant wants further disclosure, the appellant shall file an amended request for disclosure with the hearings examiner. The examiner shall schedule a separate, *in camera* hearing to be held for the purpose of determining whether and to what extent disclosure of information exempted in WAC 388-320-220(3) should be allowed.

(a) The department shall have the burden of proving, by a preponderance of the credible evidence, the necessity exists for protecting confidential information which clearly outweighs the interests of disclosure.

(b) Either party may offer witnesses to testify on the issue of disclosure. In the event the appellant calls witnesses from the state, investigative, law enforcement, or penology agencies as adverse witnesses, the appellant may ask leading questions.

(c) Attendance shall be limited to the parties, the parties' representatives, the hearings examiner, and any witnesses to be called: *Provided*, That upon the request of either party, or upon the examiner's own motion, the hearings examiner may exclude from the hearing witnesses not testifying.

(d) In determining whether any information should be disclosed to the appellant, the hearings examiner shall review the information, but shall not disclose the information to the appellant.

(e) The hearings examiner shall enter an initial order pursuant to WAC 388-08-408 containing written findings of fact and conclusions of law:

(i) If the information sought is pertinent to any ongoing criminal investigation, disclosure shall only be ordered by a superior court of this state.

(ii) The hearings examiner shall order nondisclosure of specific information consistent with the requirements of WAC 388-320-220 after making findings of fact showing:

(A) The information sought to be disclosed is inadmissible and immaterial to establishing a defense; and

(B) Specific investigative or intelligence information, which cannot be deleted from any specific records sought, is clearly necessary to protect any vital governmental function, ongoing criminal investigation, or individual's right of privacy; and

(C) After weighing the public interest in protecting the flow of information against the individual's right to prepare his or her defense, the evidence demonstrates it is necessary that particular intelligence or investigative information not be disclosed.

(iii) An order for disclosure shall state the times and methods for inspection of the documents. In no event shall such decision compel the release of original documents but, rather, where release is ordered, copies shall be provided. Copying documents is governed by WAC 388-320-140.

(f) Each party has the right to file a petition for review, pursuant to WAC 388-08-409, for review of the initial order. There shall be no disclosure pursuant to an initial decision until all review proceedings have been

exhausted. [Statutory Authority: RCW 34.04.020, 83-03-021 (Order 1938), § 388-08-435, filed 1/13/83.]

(2) That documentary evidence not submitted in advance, as may be required by subsection (1), be not received in evidence in the absence of a clear showing that the offering party had good cause for his failure to produce the evidence sooner;

(3) That the authenticity of all documents submitted in advance in a proceeding in which such submission is required, be deemed admitted unless written objection thereto is filed prior to the hearing, except that a party will be permitted to challenge such authenticity at a later time upon a clear showing of good cause for failure to have filed such written objection. [Order 524, § 388-08-450, filed 3/31/71, effective 5/1/71; Order 284, § 388-08-450, filed 4/1/68.]

and, together with the exhibits upon which based, be submitted to him and to the other parties to the proceeding by a date determined by the hearing officer and fixed a reasonable time in advance of the hearing; and that such sworn statements be acceptable as evidence upon formal offer at the hearing, subject to objection on any ground except that such sworn statements shall not be subject to challenge because the testimony is not presented orally, and provided that witnesses making such statements shall not be subject to cross-examination unless a request is made sufficiently in advance of the hearing to insure the presence of the witnesses. [Order 524, § 388-08-480, filed 3/31/71, effective 5/1/71; Order 284, § 388-08-480, filed 4/1/68.]

WAC 388-10-010 Purpose. The purpose of this chapter shall be to establish rules implementing the department's policy for the protection of departmental wards, clients, and employees who serve as human subjects in research and related activities. These rules do not supersede or limit the applicability of other state and federal laws and regulations. For example, see Title 45, Part 46 of the Code of Federal Regulations. [Statutory Authority: RCW 43.20A.550. 81-17-022 (Order 1687), § 388-10-010, filed 8/12/81.]

WAC 388-10-020 Definitions. (1) "Research" means a systematic investigation designed to develop or contribute to generalizable knowledge. Activities which

(2) "Related activities" means demonstration, service, development, and other projects that contain a research component.

(3) "Human subject" means a person about whom an investigator (whether professional or student) conducting research obtains data (a) through intervention or interaction with the person, (b) through observation of the person's behavior, or (c) from personal records and other private information sources. WAC 388-10-030 Statement of policy. (1) No service unit or administrative unit within the department's jurisdiction shall allow, or shall participate in, the conduct of research and related activities unless the plans or protocols for such activities have been reviewed and approved by the department of social and health services human research review board or have been specifically exempted from this review requirement by published departmental guidelines.

(2) It is the intent of the department's human subjects protection policy that review of research and related activities by the review board determine that the rights and welfare of clients, wards, and employees are adequately protected; that risks to individuals are minimized, are not unreasonable and are outweighed by the potential benefits to them or by the knowledge to be gained; and that the proposed project design and methods are adequate and appropriate in the light of stated project purposes. [Statutory Authority: RCW 43.20A.550. 81-17-022 (Order 1687), § 388-10-030, filed 8/12/81.]

WAC 388-10-040 Implementation. (1) The department shall maintain a human research review board which shall have primary responsibility for the ethical and technical review of the use of human subjects in research and related projects conducted within the department's jurisdiction. Unfavorable review dispositions by this review board, including disapproval of proposed research, research restrictions, or special approval conditions, cannot, by federal regulation (45 CFR 46.112) be removed except by the review board. Favorable review decisions by the board shall be subject to review and concurrence by appropriate departmental officials.

(2) To assure continued protection of human subjects in on-going research at the activity site, departmental service units involved in a significant number of research and related activities shall establish their own research oversight committees. These local committees shall function as extensions of the human research review board. They shall be responsible for providing ethical and procedural oversight in accordance with the review board's directions.

(3) Review of proposals requiring professional competencies beyond those represented on the human research review board shall require prior and written review consultation with at least four research experts who are

competent to judge the scientific merit, benefits, and risks of the proposed research. [Statutory Authority: RCW 43.20A.550. 81-17-022 (Order 1687), § 388-10-040, filed 8/12/81.]

WAC 388-10-050 General applicability. The department's human research review rules shall apply to all organizational units of the department. They shall apply to all research and related activities that involve departmental clients, wards, or employees as human subjects or that require disclosure of their personal records, regardless of funding source, and regardless of whether the research is conducted by a departmental employee or by a nondepartmental investigator. The rules shall apply to all research and related activities subcontracted by the department under state and federal grants and contracts to nondepartmental organizations and individuals, regardless of whether the research or related activity involves departmental clients or a nondepartmental subject population. [Statutory Authority: RCW 43.20A.550. 81-17-022 (Order 1687), § 388-10-050, filed 8/12/81.]

(1) The department shall develop and publish a comprehensive set of procedural guidelines for the protection of human research subjects within its jurisdiction. These guidelines shall be at least as restrictive as the minimum requirements set forth in Title 45, Part 46 of the Code of Federal Regulations, but may be more restrictive if necessary to satisfy the protective purposes of the department's human subjects protection policy.

WAC 388-11-010 Statutory basis. RCW 74.20A-.055 is the administrative process for determination of or establishment of support obligations when there is no superior court order. These provisions contain the administrative method to be used when there is an absence of a superior court order in cases where a notice and finding of financial responsibility has been served by the office of support enforcement or their agent on the responsible parent. Action based on chapter 74.20A RCW may not be based on agreements. The notice and finding

of financial responsibility may be served only for a support debt or responsibility to support accrued and/or to be established under sections 17 and/or 22, chapter 171, Laws of 1979 ex. sess. RCW [74.20.320] [74.20.330], 74.20A.030, 74.20.040, 26.16.205 and/or 74.20A.250 relating to a period of time when a superior court order did not exist, specifically including cases eligible for nonassistance support enforcement services under WAC 388-14-302. [Statutory Authority: RCW 74.08.090. 80-01-026 (Order 1465), § 388-11-010, filed 12/14/79; Order 1054, § 388-11-010, filed 9/25/75; Order 875, § 388-11-010, filed 11/16/73.]

WAC 388-11-050 Failure to make request for hearing.

If the responsible parent fails to object, in a timely manner, to the finding of responsibility of the office of support enforcement, such findings as are stated in the notice and finding of financial responsibility shall become final subject to the provisions of WAC 388-11-055. The debt, as stated, and/or the future periodic support payments to prospectively satisfy liability under sections 17 and/or 22, chapter 171, Laws of 1979 ex. sess. RCW [74.20.320] [74.20.330], 74.20A.030, 74.20-.040 or 26.16.205, and/or 74.20A.250 shall be subject to collection action. WAC 388-11-055 Petition for hearing after twenty days—Stay.

(1) The responsible parent may, at any time, upon a showing of good cause for the failure to make a timely request for hearing, petition the secretary or the secretary's designee for a hearing, as provided for

but not previously granted pursuant to WAC 388-11-060, 388-11-065, and 388-11-100. A copy of said petition shall also be served by certified mail, return receipt requested, or by service in the manner of a summons in a civil action on the district office of the office of support enforcement. The filing of such petition shall not stay any collection action being taken under chapter 74.20A RCW. The petition shall state the grounds alleged by the responsible parent to constitute good cause for the failure to make a timely request for hearing.

(2) The granting of a request for a hearing under (1) above shall operate as a stay on any collection action to collect moneys due under the original notice.

(3) On petition of the responsible parent or office of support enforcement, a hearing may be scheduled to consider:

- (a) Whether good cause exists to grant a hearing;
- (b) Setting of temporary current and future support;
- (c) Settlement of any or all of the issues;
- (d) Such other matters as may aid in disposition of the proceeding; and
- (e) If agreed to by the parties to hear the merits of the responsible parent's objections to the notice and finding of financial responsibility.

Notice of this hearing shall be mailed to the parties by certified mail, not less than ten days prior to the scheduled date of the hearing. The petition for setting temporary current and future support may be brought at any time prior to the final decision. The hearing examiner shall, in writing, order payment of temporary, current and future support in an amount determined pursuant to the scale of minimum contributions in WAC 388-11-190 unless such payment is contrary to law. Payment shall be ordered to be paid beginning with the month in which the petition for an untimely hearing is granted.

(4) In the event the responsible parent does not make payment of the temporary current and future support as ordered, the office of support enforcement may take collection action pursuant to chapter 74.20A RCW during the pendency of the hearing or thereafter to collect any amounts owing under the temporary order.

(5) Moneys withheld as a result of collection action in effect at the time of granting of the request for the hearing shall be delivered to the office of support enforcement and shall be held in trust by the office of support enforcement pending the final order of the secretary or during the pendency of any appeal to the courts. Temporary current and future support paid, or collected during the pendency of the hearing or appeal shall be disbursed when received by the office of support enforcement.

(6) If the final decision of the department or the courts on appeal is that the department has collected an amount from the responsible parent greater than such parents past support debt, other than temporary current and future support, such excess shall promptly be refunded to such parent. [Statutory Authority: RCW 74.08.090, 80-01-026 (Order 1465), § 388-11-055, filed 12/14/79; 78-07-015 (Order 1305), § 388-11-055, filed 6/15/78.]

WAC 388-11-060 Request for hearing. Any responsible parent who objects to all or any part of the notice and finding of financial responsibility shall have the right, for not more than twenty days from the date of service of said notice and finding of financial responsibility, to request, in writing, a hearing which request shall be served upon the office of support enforcement by registered or certified mail or personally. A request for hearing, pursuant to this section, shall not be construed to be or considered as a general denial of requests for admission pursuant to WAC 388-11-080. The execution of the notice and finding of financial responsibility shall be stayed only until the final decision on such hearing. Further stays may be obtained only pursuant to RCW 34.04.130(3). If an objection is received, the secretary or the secretary's designee shall notify the appellant, his attorney, or other designated representative, of the date, time and place of the hearing, at least twenty days prior to the date thereof by written notice to the appellant or his representative by registered or certified mail. The hearing shall be scheduled within thirty days of the date of receipt of the objection. If the time, date or place is inconvenient to either party, the hearing examiner may grant a new time, date or place as is reasonably convenient upon a showing of good cause. [Statutory Authority: RCW 74.08.090, 80-01-026 (Order 1465), § 388-11-060, filed 12/14/79; 78-07-015 (Order 1305), § 388-11-060, filed 6/15/78; Order 1054, § 388-11-060, filed 9/25/75; Order 875, § 388-11-060, filed 11/16/73.]

WAC 388-11-065 Responsible parent to show cause—Affirmative defenses—Burden of proof. At the hearing held pursuant to WAC 388-11-060, the responsible parent shall show cause, if any there be, why the finding of financial responsibility and/or the amount prayed for therein is inaccurate, and why the hearing examiner should not enter an initial decision and order as prayed for in said notice and finding of financial responsibility but should either rescind or modify the same. In said show cause hearing, the responsible parent shall state affirmatively and shall have the burden of proving:

- (1) Estoppel;
- (2) Payment;
- (3) Release;
- (4) Superior court order;
- (5) Lack of eligibility in the receipt of public assistance funds paid to or for the benefit of the responsible parent's minor child or children: *Provided*, That lack of eligibility shall operate as a defense only as to debt accrued prior to September 1, 1979: *Provided further*, That lack of eligibility shall operate as a defense to a responsible parent's liability to repay the department only to the extent the amount of ineligibility proven in any one month exceeds the difference between the total grant for that month and the amount of the support liability determined for that month;
- (6) The applicant is not a responsible parent;
- (7) Inability to pay the amount determined;

(8) Lack of need and/or debt pursuant to RCW 26.16.205: *Provided*, That the amount determined by reference to the schedule of suggested minimum contributions in WAC 388-11-190, based on the earnings, resources, and property of the responsible parent shall be a rebuttable presumption of the responsible parent's ability to pay and the need of the family on whose behalf action is being taken. If said presumption is rebutted, the office of support enforcement shall be afforded reasonable opportunity to present evidence of actual need with the right to a continuance on request to present said evidence: *Provided further*, Said rebuttable presumption shall apply whether or not the child or children are recipients of or applicants for public assistance. The responsible parent shall be presumed to have no ability to pay from income received from AFDC, SSI, or continuing general assistance;

(9) Discharge in bankruptcy;

(10) The responsible parent, pursuant to chapter 74.20 RCW, should be excused from making support payments for the child or children, receiving or on whose behalf public assistance was provided under chapter 74.12 RCW, because the responsible parent is the legal custodian of the child or children and has been wrongfully deprived of physical custody of the child or children.

The responsible parent may only be excused from making support payments for the period or periods during which the responsible parent was wrongfully deprived of custody. In order to be excused from making support payments, the responsible parent must show:

(a) A court of competent jurisdiction of this state or another state has entered an order giving legal and physical custody of the child or children to the responsible parent;

(b) The custody order has not been altered, changed, modified, superseded, or dismissed;

(c) The child or children were taken or enticed from the physical custody of the responsible parent without his or her consent, and the responsible parent has not subsequently assented to being deprived of physical custody of the child or children; and

(d) The responsible parent, within a reasonable time of the date the responsible parent was wrongfully deprived of physical custody of the child or children, exerted and has continued to exert reasonable efforts to regain physical custody of the child or children; and

(11) Any other matter constituting an avoidance or affirmative defense to the notice and finding of financial responsibility.

Except as provided for in chapter 388-08 WAC for discovery, the hearing examiner or review examiner shall not require the office of support enforcement to produce or obtain information, documents, or witnesses to assist the responsible parent in proof of defenses raised pursuant to WAC 388-11-065 except for that nonconfidential information or documents which the office of support enforcement has in its possession. [Statutory Authority: RCW 74.08.090, 83-21-014 (Order 2036), § 388-11-065, filed 10/6/83; 80-01-026 (Order 1465), § 388-11-065, filed 12/14/79; 78-07-015 (Order 1305), § 388-

11-065, filed 6/15/78; Order 1054, § 388-11-065, filed 9/25/75.]

WAC 388-11-070 Continuance of cases. Either the office of support enforcement or the responsible parent desiring a continuance shall immediately, upon receipt of notice of a hearing, or as soon thereafter as facts requiring such continuance come to his or her or their knowledge, notify the hearing examiner stating the reasons such continuance is necessary. For good cause shown, the hearing examiner may grant such continuance upon his own motion. During the hearing, if it appears in the interest of justice that further testimony or argument should be received, the hearing examiner may continue the hearing and fix a date for introduction of additional evidence or presentation of argument. [Order 1054, § 388-11-070, filed 9/25/75; Order 875, § 388-11-070, filed 11/16/73.]

WAC 388-11-080 Requests for admission. Either the office of support enforcement or the responsible parent may serve upon the other party a written request for the admission, for purposes of the pending action only, of the truth of any matters within the scope of RCW 74.20A.055. Copies of documents shall be served with the request unless they have been or are otherwise furnished or made available for inspection and copying. The request may, without leave of the hearing examiner, be served upon the other party together with, or at any time subsequent to the service of the notice and finding of financial responsibility upon the responsible parent. Each matter of which an admission is requested shall be separately set forth. The matter is admitted unless, within twenty days after service of the request or within such shorter or longer time as the hearing examiner may allow, the party to whom the request is directed serves upon the party requesting the admission a written answer or denial addressed to the matter, signed by the party or his attorney. If denial is made, the reasons therefor shall be stated. The answer shall specifically deny the matter or set forth in detail the reasons why the answering party cannot truthfully admit or deny the matter. A denial shall fairly meet the substance of the requested admission, and when good faith requires that a party qualify his answer or deny only a part of the matter of which an admission is requested, he shall specify so much of it as is true and qualify or deny the remainder. An answering party may not give lack of information or knowledge as a reason for failure to admit or deny unless he states that he has made reasonable inquiry and that the information known or readily obtainable by him is insufficient to enable him to admit or deny. The party who has requested the admission may move to determine the sufficiency of the answers or denials. Unless the hearing examiner determines that an objection is justified, he will order that an answer be served. If the hearing examiner determines that an answer does not comply with the requirements of this rule, he may order either that matter is admitted or that an amended answer be served. The hearing examiner may, in lieu of these orders, determine that final disposition of

the request be made at a pretrial conference or at a designated time prior to hearing. Any matter admitted under this rule is conclusively established unless the hearing examiner on motion permits withdrawal or amendment of the admission for good cause shown. Any admission made by a party under this rule is for the purpose of the pending action only and is not an admission by him for any other purpose nor may it be used against him in any other proceeding. [Order 1054, § 388-11-080, filed 9/25/75; Order 875, § 388-11-080, filed 11/16/73.]

WAC 388-11-090 Hearings examiner. The hearing shall be conducted by a duly qualified hearings examiner appointed by the secretary for such purpose who was not previously involved in any way with the action in question. Any party may request the removal of the assigned hearings examiner for good cause shown. Requests to remove hearings examiners shall be ruled upon promptly by the field office supervisor. Requests to remove field office supervisors acting as the assigned hearings examiner shall be ruled upon by the hearings review chief. [Statutory Authority: RCW 34.04.020. 80-06-090 (Order 1505), § 388-11-090, filed 5/28/80. WAC 388-11-100 Duty of hearing examiner. Based on the notice and finding of financial responsibility and objections made thereto, the hearing examiner shall determine the liability and responsibility, if any, of the responsible parent under sections 17 and/or 22, chapter 171, Laws of 1979 ex. sess. RCW [74.20.320] [74.20.330], 74.20A.030, 74.20A.250 and/or 26.16.205. The hearing examiner shall also determine the amount of periodic payments to be made to satisfy past, present, or future liability under sections 17 and/or 22, chapter 171, Laws of 1979 ex. sess. RCW [74.20.320] [74.20.330], 74.20A.250, 74.20.040, 74.20A.030 and/or 26.16.205, and shall provide in his order that failure to make periodic payments in a timely manner will make the entire arrearage collectable by the office of support enforcement.

In all cases in which the applicant-custodian has made assignment pursuant to RCW 74.20.040 for non-assistance support enforcement services, the hearing examiner shall determine the future, current and past support obligation not limited to the amount of any public assistance standards or grant but based upon need and ability to pay pursuant to RCW 26.16.205. Whenever there has been no assignment made pursuant to 42 U.S.C. 602 (a)(26)(A), or sections 17 and/or 22, chapter 171, Laws of 1979 ex. sess. RCW [74.20.320] [74.20.330] or 74.20.040, the hearing examiner shall determine the liability and the responsibility, if any, of the responsible parent as to past, future and current support obligation based upon RCW 74.20A.030 and 74.20A.250. The hearing examiner shall include in his consideration:

- (1) All earnings and income resources of the responsible parent, including real and personal property;
- (2) The earnings potential of the responsible parent;
- (3) The reasonable necessities of the responsible parent;
- (4) The ability of the responsible parent to borrow;
- (5) The needs of the child for whom the support is sought;
- (6) The amount of assistance which would be paid to the child under the full standard of need of the state's public assistance plan;
- (7) The existence of other dependents; and
- (8) That the child, for whom support is sought, benefits from the income and resources of the responsible parent on an equitable basis in comparison with any other minor children of the responsible parent.

The hearing examiner shall also include in his consideration the standards in WAC 388-11-190 and any standards for determination of support payments used by the superior court of the county of residence of the responsible parent. The hearing examiner is empowered, upon proper showing of unusual circumstances, to set an amount of support, as to the past, present, or future, at a greater or lesser amount than the amount stated or computed in reference to the scale in WAC 388-11-190.

The findings of fact as to unusual circumstances shall consist of a concise statement of each fact found upon each contested issue of fact and shall state the grounds for deviation from the standards in WAC 388-11-190. The hearing examiner shall make his initial decision and enter his findings of fact based on the notice and finding of financial responsibility and the evidence admitted at the hearing.

The office of support enforcement has a right to orally amend the notice and finding of financial responsibility, at the time of hearing, to conform to the evidence in which case the hearing examiner is empowered, when deemed necessary, through continuance, to allow the responsible parent additional time to present rebutting evidence and/or argument as to the amendment.

After evidence has been presented at a hearing conducted by a hearing examiner, the hearing examiner shall enter an initial decision and order which shall be in writing and shall contain findings and conclusions as to each contested issue of fact and law, as well as the order based thereon.

The hearing examiner shall file the original of the initial decision and order signed by him with the secretary or his designee, and copies thereof shall be mailed by the hearing examiner to the office of support enforcement and to the appellant by certified mail to the last known address of the party. [Statutory Authority: RCW 74.08.090. 80-01-026 (Order 1465), § 388-11-100, filed 12/14/79; 78-07-015 (Order 1305), § 388-11-100, filed 6/15/78; Order 1054, § 388-11-100, filed 9/25/75; Order 875, § 388-11-100, filed 11/16/73.]

WAC 388-11-105 Review of initial decision. Within thirty days of service of the initial decision, either the appellant or the office of support enforcement may petition the secretary or the secretary's designee, in writing,

for review of the initial decision and order. Such petition for review shall set forth in detail the basis for the requested review, and shall be mailed to the other party by certified or registered mail to the last known address of the party.

The petition shall be based on any one of the following causes materially affecting the substantial rights of the petitioner:

(1) Irregularity in the proceedings of the hearing examiner or adverse party, or any order of the hearing examiner, or abuse of discretion, by which the moving party was prevented from having a fair hearing;

(2) Misconduct of prevailing party;

(3) Accident or surprise which ordinary prudence could not have guarded against;

(4) Newly discovered evidence, material for the party making the application, which he could not with reasonable diligence have discovered and produced at the hearing;

(5) That there is no evidence or reasonable inference from the evidence to justify the decision, or that it is contrary to law or these rules;

(6) Error in mathematical computation;

(7) Error in the law occurring at the hearing and objected to at the time by the party making the application;

(8) That the moving party is unable to perform according to the terms of the order without further clarification;

(9) That substantial justice has not been done;

(10) Fraud or misstatement of facts by any witness, pertaining to any defense provided for in WAC 388-11-065;

(11) Clerical mistakes in the decision arising from oversight or omission; and/or

(12) That the decision and order entered, because the responsible parent failed to appear at the hearing, should be vacated and the matter be remanded upon showing of the grounds enumerated in RCW 4.72.010 or CR60.

In the event no petition for review is made as provided herein by any party, the initial decision and order of the hearing examiner shall be final as of the date of filing and becomes the decision and order of the department. No appeal may be taken therefrom to the courts and the debt created is subject to collection action.

After receipt of a petition for review, the secretary or the secretary's designee shall consider the initial decision and order, the petition or petitions for review, the record or any part thereof and such additional evidence and argument as he may in his or her discretion allow. The secretary or the secretary's designee may remand the proceedings to the hearing examiner for additional evidence, argument, and/or for entry of findings of fact, conclusions of law and an initial decision in conformance with the order of remand. The secretary or the secretary's designee may deny review of the initial decision and order and thereupon deny the petition or petitions at which time the initial decision and order shall be final as of the date of said denial and all parties shall forthwith be notified, in writing, of said denial by certified mail to the last known address of the parties. Unless the petition

is denied, the secretary or the secretary's designee shall review the initial decision and order and shall make the final decision and order of the department. The final decision and order shall be in writing and shall contain findings and conclusions as to each contested issue of fact and law. The initial findings of fact, conclusions of law, and decision and order shall not be modified unless the findings of fact are unsupported by substantial evidence in view of the entire record and/or unless the applications of law in the initial decision are incorrect in the reasoned opinion of the review examiner. A copy of the decision and order, including the findings and conclusions, shall be mailed to each party to the appeal by certified mail to the last known address of the party. The decision and order shall authorize collection action, as appropriate, under chapter 74.20A RCW. [Statutory Authority: RCW 74.08.090. 81-05-021 (Order 1605), § 388-11-105, filed 2/11/81; 80-01-026 (Order 1465), § 388-11-105, filed 12/14/79.]

WAC 388-11-115 Fraud—Vacation of decision. (1)

Any initial decision, final decision or consent order may be vacated if the decision or order was based upon fraud by any witness or party.

(2) The motion to vacate shall be filed within a reasonable period after the date that the fraud has been discovered or should have been discovered. [Statutory Authority: RCW 74.08.090. 81-05-021 (Order 1605), § 388-11-115, filed 2/11/81; 80-01-026 (Order 1465), § 388-11-115, filed 12/14/79.]

WAC 388-11-120 Default. If the responsible parent fails to appear at the hearing, the hearing examiner shall, upon showing of valid service, enter an initial decision and order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action. [Statutory Authority: RCW 74.08.090. 80-01-026 (Order 1465), § 388-11-120, filed 12/14/79; 78-07-015 (Order 1305), § 388-11-120, filed 6/15/78; Order 1054, § 388-11-120, filed 9/25/75; Order 875, § 388-16-120, filed 11/16/73.]

WAC 388-11-130 Decision and order after hearing.

The hearing examiner shall, within twenty days of the hearing, enter findings, conclusions, and an initial decision determining liability and responsibility and/or future periodic support payments. The determination of the hearing examiner entered pursuant to this section if not reviewed, or the final decision if there is a review shall be entered as a decision and order and shall limit the support debt under sections 17 and/or 22, chapter 171, Laws of 1979 ex. sess. RCW [74.20.320] [74.20.330], 74.20A.030, 74.20.040 and/or 26.16.205 and/or 74.20A.250 to the amount stated in said decision. Said decision establishing liability and/or future periodic support payments shall be superseded upon entry of a superior court order for support to the extent the superior court order is inconsistent with the hearing order or decision. [Statutory Authority: RCW 74.08.090. 80-01-026 (Order 1465), § 388-11-130, filed 12/14/79; 78-

07-015 (Order 1305), § 388-11-130, filed 6/15/78; Order 875, § 388-11-130, filed 11/16/73.]

WAC 388-11-135 Service. Service of the decision and order or notice of hearing pursuant to WAC 388-11-120 or 388-11-130 shall be by mailing a copy of the decision and order or notice of hearing to the last known address of the appellant by certified mail, and by mailing a copy of said decision and order or notice of hearing to the last known address of appellant's attorney or other representative at the hearing, if any. [Statutory Authority: RCW 74.08.090. 81-05-021 (Order 1605), § 388-11-135, filed 2/11/81; 78-07-015 (Order 1305), § 388-11-135, filed 6/15/78.]

WAC 388-11-140 Modification. Based upon a showing of good cause and a material change in circumstances, either the responsible parent or the office of support enforcement may petition the secretary or the secretary's designee to issue an order requiring the responding party to show cause why a decision previously entered determining responsibility for periodic future support payments, consent order or a final determination for periodic future support payments pursuant to WAC 388-11-050, ought not be prospectively modified. The petition must be accompanied by a supporting affidavit setting forth the particular facts relied upon. On receipt of the petition and affidavit, the secretary or the secretary's designee shall issue to the petitioner the show cause order setting forth the time, date, and place of the show cause hearing.

The hearing shall be a contested case, shall be set not less than fifteen days nor more than thirty days from the date of service unless extended for good cause shown.

The petitioner shall serve the responding party with a copy of the petition, affidavit, and show cause order in the manner of a summons in a civil action or by certified mail, return receipt requested.

An order to appear and show cause under this modification provision may not issue unless the previous decision, determination pursuant to WAC 388-11-150 or consent order of which modification is requested was entered pursuant to RCW 74.20A.055 and there is no superior court order for support. The hearing examiner, on petitions to modify, shall consider the standards set forth in WAC 388-11-100. If the responding party fails to appear at the hearing, the hearing examiner shall grant relief as a default order based upon the prayer for relief in the petition and affidavit. Within thirty days of entry of the default order, the defaulting party may petition the secretary or the secretary's designee pursuant to WAC 388-11-105 to vacate the default order upon a showing of any of the grounds enumerated in RCW 4.72.010 or CR60. If the petitioner fails to appear at the hearing, the hearing examiner shall enter an order dismissing the petition for modification. The hearing examiner may set the effective date of prospective modification as either the date of entry of the order or the date of receipt of the petition or any time in between, but if no effective date is set, the effective date shall be the date of the entry of the order. Any decision

and order under this section shall be an initial decision by the hearing examiner subject to a petition for review by the secretary or the secretary's designee pursuant to WAC 388-11-105.

It shall not be necessary for the responsible parent or the office of support enforcement to show material change of circumstances if prospective modification is sought as to a final determination for periodic future support payments pursuant to WAC 388-11-050. [Statutory Authority: RCW 74.08.090. 81-05-021 (Order 1605), § 388-11-140, filed 2/11/81; 80-01-026 (Order 1465), § 388-11-140, filed 12/14/79; 78-07-015 (Order 1305), § 388-11-140, filed 6/15/78; Order 1054, § 388-11-140, filed 9/25/75; Order 875, § 388-11-140, filed 11/16/73.]

WAC 388-11-145 Notice to appellant. It shall be the responsibility of the appellant to notify the department of his or her mailing address at the time the request for hearing is made and also to notify the department of any subsequent change of mailing address during the pendency of the appeal including any review by the courts.

Whenever the department has notified the appellant of this responsibility, mailing by the department by certified mail to the appellant's last known address constitutes service of notice under chapter 388-11 WAC. [Statutory Authority: RCW 74.08.090. 80-01-026 (Order 1465), § 388-11-145, filed 12/14/79.]

WAC 388-11-150 Consent order and agreed settlement. In the absence of a superior court order, informal disposition of any contested case or petition or order to show cause for modification wherein a debt is claimed pursuant to RCW 74.20.320, 74.20.330, 74.20.040, 74.20A.030, 26.16.205 and/or 74.20A.250 is encouraged where feasible and not specifically precluded by law. Said cases may be disposed of by consent order or agreed settlement, "agreed settlement" being defined as a written agreement signed by each party, which is effective without approval of any hearing examiner. If a consent order is involved, the hearing examiner shall approve that consent order disposing of a contested case unless specifically contrary to law. Informal disposition on consent order shall be deemed to be a request for hearing granting jurisdiction to the hearing examiner to approve said consent order without the necessity of testimony or hearing, upon presentation by the office of support enforcement. If negotiations as to a consent order or agreed settlement are commenced within twenty days of service on the responsible parent of the notice and finding of financial responsibility, and such negotiations fail and the responsible parent serves an objection on OSE within twenty days of the negotiations failing, the objection shall be considered timely served. The obligation to pay support or repay the debt, unpaid when due, stated in the consent order or agreed settlement is subject to collection action. Consent orders or agreed settlements are not subject to review pursuant to WAC 388-11-105 but are subject to modification pursuant to

WAC 388-11-140 and may be vacated for fraud pursuant to WAC 388-11-115. [Statutory Authority: RCW 74.08.090. 82-17-068 (Order 1864), § 388-11-150, filed 8/18/82; 81-05-021 (Order 1605), § 388-11-150, filed 2/11/81; 80-01-026 (Order 1465), § 388-11-150, filed 12/14/79; Order 875, § 388-11-150, filed 11/16/73.]

WAC 388-11-155 Duration of obligation. The obligation established pursuant to these rules shall continue in effect until superseded by a superior court order, modified pursuant to WAC 388-11-140, vacated pursuant to WAC 388-11-115 or until the child attains the age of majority or is sooner emancipated, or is self-supporting, married, or member of the armed forces of the United States. The obligation shall cease to accrue on the death of the child or the responsible parent, or if the responsible parent is a stepparent when the marriage is dissolved under chapter 26.09 RCW or under comparable procedures for divorce or dissolution of marriage. Provided that such obligation shall not be owed for the period of time during which the child is in the lawful physical custody of the responsible parent other than for purposes of visitation. [Statutory Authority: RCW 74.08.090. 80-01-026 (Order 1465), § 388-11-155, filed 12/14/79.]

WAC 388-11-170 Collection of debts determined. Whenever an order designating the amount of periodic payments to be made to satisfy a past liability or periodic future support obligation has not been complied with, the accrued debt, not paid, and any current delinquency, shall become due in full and the portion of the order designating periodic payments to satisfy past, accrued liability shall be deemed to be vacated without the necessity of further action by the hearing examiner. After such vacation, collection action pursuant to chapter 74.20A RCW by the office of support enforcement as authorized representative of the secretary as to debts determined, accrued, and unpaid may not be stayed by the hearing examiner and is subject only to review by the superior court pursuant to RCW 74.20A.200. WAC 388-11-185 Discovery. Either party may petition the hearing examiner for interrogatories and/or depositions for use as evidence in a hearing. The petitioner shall give reasonable notice of not less than five days in writing to the department's examiner and all parties. After notice is served for taking a deposition, the hearing examiner, upon his own motion or upon motion reasonably made by any party or by the person to be examined and for good cause shown, may make an order that the deposition shall not be taken, or that it may be taken only at some designated place other than that stated in the notice, or that it may be taken only on written interrogatories, or that the scope of the examination shall be limited to certain matters, or that the examination shall be held with no one present except the parties to the action and counsel. Unless otherwise ordered, the deponent may be examined regarding any matter not privileged or confidential which is relevant to the subject matter involved in the proceeding.

If deemed expeditious, the hearing examiner may take or cause to be taken, depositions and interrogatories for use as evidence in any hearing. [Order 1054, § 388-11-185, filed 9/25/75.]

WAC 388-11-190 Scale of minimum contributions. The rates shown in this section are established pursuant to RCW 74.20.270. They define levels of minimum contributions based on "net income" for use in determining the amount that a parent will be required to contribute to or for the benefit of his child(ren).

The rates are twenty-four percent of net income for one child, thirty-five percent of net income for two children, forty-two percent of net income for three children and forty-eight percent of net income for four or more children. Minimum contribution shall be calculated by the following steps:

- (1) Add the number of children named in the notice and finding of financial responsibility to the natural, adopted, and/or stepchildren living with the responsible parent and select the applicable rate for that number of children;
- (2) Multiply the total net income of the responsible parent by the rate selected in subsection (1) above;
- (3) Divide the result by the total number of children determined pursuant to subsection (1) above to obtain the proportionate share that should be paid for one child;

(4) Multiply this by the number of children named in the notice and finding of financial responsibility to obtain the minimum contribution the responsible parent should make for support of his children.

"Income" includes all payment of moneys to the responsible parent, including, if married, all payment of moneys to the marital community of a responsible parent from any sources whatsoever. "Net income" is defined for purposes of this scale as all income of the responsible parent, including, if married, all income available to the marital community of which the responsible parent is a member remaining after the deduction from that income of any amount required by law to be withheld. Moneys paid for support of natural or step-children living with and being supported by the responsible parent or the marital community of which he is a member including but not limited to child support, SSI, OASI, shall be added to the net income of the responsible parent without deduction of any amounts prior to determination of the proportionate share for each child in subsection (2) of this section. Other available resources, real and personal property available and/or saleable and income therefrom including the ability to borrow and the earnings potential of the responsible parent shall be considered in determining minimum contributions. Contributions shall not, except as provided for in WAC 388-11-100(5) be lessened by consideration of debts of the responsible parent. Public policy found in both state and federal laws requires preference for support of minor dependent children from the funds of the responsible parent. [RCW 74.20.320 and 74.20A.270], provide that a custodian of children or other person who receives support moneys which moneys were paid, in whole or in part, in satisfaction of a support obligation owing to the department pursuant to 42 U.S.C. 602 (a)(26)(A), sections 17 and 22, chapter 171, Laws of

1979 ex. sess., or RCW 74.20A.030 has a duty to remit said moneys to the office of support enforcement within eight days of receipt by the custodian or other person and is indebted to the department in an amount equal to the amount of the support money received and not remitted.

(2) By not remitting support moneys described in subsection (1) of this section, a custodial parent or other person is deemed, without the necessity of signing any document, to have made an irrevocable assignment to the department of an equal amount of any support delinquency not already assigned to the department, but owing to the custodial parent or other person, or an equal amount of any support delinquencies which may accrue in the future. The office of support enforcement is authorized to utilize the collection procedures of chapter 74.20A RCW to collect this assigned delinquency, satisfying the obligation owed under subsection (1) of this section by the custodial parent or other person.

(3) The office of support enforcement may also make a set-off to effect satisfaction of the debt under subsection (1) of this section from support moneys in its possession or in the possession of a county clerk or other forwarding agent if said moneys were paid to satisfy a support delinquency.

(4) Action may be taken alternatively or simultaneously under subsections (1), (2) and (3) of this section but in no event may the department recoup and retain more moneys than the debt described under subsection (1) of this section, refunding the excess, without deduction of fees, to the custodian of the children.

(5) The custodial parent or other person shall be given an accounting of actions taken under subsections (2) or (3) of this section. [Statutory Authority: RCW 74.08-.090. 80-01-026 (Order 1465), § 388-13-010, filed 12/14/79.]

(1) Beginning August 1, 1975, as a condition of eligibility for assistance, each applicant/recipient shall make assignment to the office of support enforcement of any and all right, title, and interest in any support obligation the applicant/recipient may have in his or her own behalf or in behalf of any other family member for whom the applicant/recipient is applying for or receiving financial assistance including rights to support which have accrued at the time such assignment is executed.

(2) When (1), above is satisfied, cooperation is further required as a continuing condition of eligibility for assistance unless the CSO determines that the applicant/recipient has good cause not to cooperate under WAC 388-24-111. Cooperation includes identifying and locating absent parents including possible putative fathers, and in establishing paternity of a child or children, and/or in obtaining support payments or any other payments or property due the applicant/recipient or child(ren) as further provided below:

(a) Cooperation in identifying and locating absent parents including putative fathers includes, but is not limited to:

(i) Providing all known relevant information such as the absent parent's name including known aliases, address, telephone or message number; social security number, employment history, physical description, and data regarding the date and place of marriage, separation, divorce, or dissolution including copies of any documents and any court orders establishing paternity and/or support obligations. Information must be given at the time of application and/or at a later time if requested by the office of support enforcement to supplement existing information;

(ii) Providing notice to the office of support enforcement of any and all necessary information concerning the absent parent(s), including all putative fathers of a child on whose behalf the recipient applied for or receives public assistance, and also providing notice of changes in the information and/or notice of new information as available.

actions to prosecute or maintain any legal action or remedy for the establishment of paternity or in investigations preparatory to or supplementary to such hearings or actions, and to develop medical and anthropological evidence relating to the alleged father's paternity based upon tests performed by experts on the mother and the child.

(c) When a custodial mother has informed the department that a particular man is the father of her child, the department shall make no further inquiry into her personal life unless the man so identified has denied that he is the father of such child.

(d) Cooperation in establishing and collecting support and/or in obtaining support payments or any other payments or property due the applicant/recipient or child(ren) includes taking all reasonable action in cooperation with the office of support enforcement, the prosecuting attorneys, the attorney general, private attorneys compensated under section 19, chapter 171, Laws of 1979 ex. sess. [RCW 74.20.350], courts or other agencies in administrative hearings or in actions to prosecute or maintain any legal action or remedy for the establishment or collection of support obligations or in investigations preparatory to or supplementary to such hearings or actions.

(e) Cooperation in the obtaining of support payments further includes but is not limited to:

(i) Providing of specific information at the time of application to establish the amount of the support debt accrued to the applicant/recipient prior to application for assistance.

(ii) Remittance of all support payments received by the applicant/recipient from any person or agency to the office of support enforcement within eight days of receipt of said payments.

(3) If the applicant/recipient fails to cooperate as defined above the caretaker/relative shall be ineligible to receive assistance and any assistance for which the children may be eligible shall be provided by protective payment as specified in WAC 388-33-453; the determination of requirements for the child(ren) shall be computed without regard to the requirements of the caretaker/relative.

(4) If support moneys are not remitted within eight days of receipt and protective payments have been established without regard to the requirements of the caretaker/relative pursuant to WAC 388-33-453, the office of support enforcement may enter into a written agreement with the caretaker/relative for satisfaction of the obligation of remittance of support payments by monthly installment payments to the office of support enforcement in amounts not less than ten percent of the original amount not remitted. If a caretaker/relative makes such an agreement for satisfaction and is restored to grant status and fails to make the required monthly payments or again fails to remit support moneys received direct, within eight days of receipt, said recipient is subject to WAC 388-33-453 and thereafter may establish cooperation under this subsection only by remittance to the office of support enforcement of the full amount of support moneys received.

(5) In the event of failure to cooperate under the requirements of this section and/or WAC 388-24-108 and/or 388-24-109, "aid to families with dependent children" does not mean payments with respect to a parent (or other individual whose needs should be considered in determining the need of the child(ren) or relative claiming aid) of a child or children. Nothing in these rules shall be construed to make an otherwise eligible child ineligible for protective payments because of the failure of such parent (or such other individual) to cooperate or make assignment. Any agency acting under a cooperative agreement who fails or refuses to comply with the request to suspend activities shall not be entitled to financial participation under the Title IV-D cooperative agreement as to said case or cases upon which the request is made.

A child support obligation continues while enforcement and/or collection action is suspended pending a final determination of good cause and will be subject to collection when a decision is made that good cause for refusal to cooperate no longer exists.

(b) The office of support enforcement will review and comment on the findings and basis for the proposed determination by the CSO.

(c) The office of support enforcement will be a party to any hearing requested as a result of an applicant's or recipient's appeal of any agency action under WAC 388-24-111. Provided, that no payments shall be made to said parent, guardian or caretaker relative if they have failed or refused to meet the eligibility requirements for cooperation in identifying and locating the absent parent, establishing paternity, establishing or obtaining support payments including prompt remittance of support payments received directly or assigning of support rights. [Order 1054, § 388-14-250, filed 9/25/75.]

WAC 388-14-260 Distribution--Referrals from other states. (1) When another state reassigns to the office of support enforcement of the state of Washington debt previously assigned to that other state under 45 CFR 232.11, collection action may be taken by the office of support enforcement under chapter 74.20A RCW to satisfy the requirements to enforce obligations of the other states accrued and/or accruing pursuant to an order of the superior court of the state of Washington or an order of a court of another state comparable in jurisdiction to the superior court of the state of Washington.

(2) Support payments so collected by the state of Washington are remitted in the total amount received to the other state. [Order 1054, § 388-14-260, filed 9/25/75.]

WAC 388-14-270 Distribution of support payments--Public assistance. All payments collected as support on behalf of persons receiving public assistance in the state of Washington for whom an assignment is made under WAC 388-24-108 and 388-14-200 shall be distributed under the following conditions:

(1) The following provisions apply to this section:

(a) All payments will be reported in exact amounts without rounding.

(b) The date of collection shall be the date on which the payment is received by the office of support enforcement or the political subdivision making the collection under agreement and on behalf of the office of support enforcement. For interstate collections, the date of collection shall be the date on which the payment is received by the IV-D agency of the state in which the family is receiving aid.

(c) The amounts collected as support during periods of time when aid is being provided, shall, for the purposes of this distribution section only, be treated first as payment on the required support obligation for the month in which support was collected.

(d) Amounts collected which are paid more frequently than once a month shall be converted to an amount which represents payment on the required support obligation for the current month. The office of support enforcement is directed to distribute payments periodically to give effect to efficient administration.

(e) Any amounts distributed to the family will be reported to the community service office identifying whether or not the payment is available to meet the need. This requirement shall not relieve the recipient of the duty to report receipt of any support moneys.

(f) Any amounts collected which represent support shall be used to reduce dollar for dollar the amount of the support obligation as defined in WAC 388-14-100.

(g) No distribution may be made under subdivision (2)(a) unless a new assignment has been made pursuant to WAC 388-24-108 and 388-14-200.

(2) The amounts collected as support by the IV-D agency pursuant to the state plan for children who are current recipients of aid under the state's Title IV-A plan by the office of support enforcement and for whom assignment under WAC 388-24-108 and 388-14-200 is effective shall be distributed as follows:

(a) Any amount that is collected in a month which represents payment on the required support obligation for that month shall be retained by the state to reimburse, in whole or in part, the assistance payment for the month in which the child support was collected or the next month. Of the amount retained by the state as reimbursement for that month's assistance payment, the office of support enforcement shall determine the federal government's share of the amount so retained so the IV-A agency may reimburse the federal government to the extent of its participation in the financing of the assistance payment. From the federal government's share, the office of support enforcement shall deduct and pay the incentive payments, if any, prescribed in WAC 388-14-370.

(b) If the amount collected is in excess of the amount required to be distributed under subdivision (2)(a), the family shall be paid such excess up to the difference between the assistance payment for the month in which the amount of the collection was used to redetermine eligibility for an assistance payment under the state's Title IV-A plan and the court ordered amount for that month. This payment shall be made in the month following the month in which the amount of the collection was used to redetermine eligibility for an assistance

payment under the state's Title IV-A plan. If such court ordered amount is less than such assistance payment, no amount shall be paid to the family under this subdivision. In cases in which there is no court order, the family shall not be paid any amount under this subdivision.

(c) If the amount collected is in excess of the amounts required to be distributed under subdivisions (2)(a) and (2)(b), any such excess shall be retained by the state as reimbursement for past assistance payments made to the family for which the state has not been reimbursed. The state may apply the amount retained to any sequence of months for which it has not yet been reimbursed. Of the amount retained by the state as reimbursement of past assistance payments, the office of support enforcement shall determine the federal government's share of the amount so retained so the IV-A agency may reimburse the federal government to the extent of its participation in the financing of the assistance payments. From the federal government's share, the office of support enforcement shall deduct and pay the incentive payment, if any, prescribed in WAC 388-14-370. If past assistance payments are greater than the total support obligation owed, the maximum amount the state may retain as reimbursement for such assistance payments is the amount of such obligation, unless amounts are collected which represent the required support obligation for periods prior to the first month in which the family received assistance under the state's Title IV-A plan, in which case such amounts shall be retained by the state to reimburse the difference between such support obligation and such assistance payments.

(d) If the amount collected is in excess of the amounts required to be distributed under subdivisions (2)(a), (2)(b) and (2)(c), such excess shall be paid to the family. This payment shall be made in the month following the month in which the amount of the collection was used to redetermine eligibility for an assistance payment under the state's Title IV-A plan.

(3) If an amount collected as child support represents payment on the required support obligation for future months, the amount shall be applied to such future months. However, no such amounts shall be applied to future months unless amounts have been collected which fully satisfy the support obligation assigned under WAC 388-24-108 and 388-14-200 for the current month and all past months.

(4) Any amount paid under subdivisions (2)(b) and (2)(d) shall be identified as not being an assistance payment.

(5) Whenever the office of support enforcement is making collections on delinquent support assigned to the department pursuant to WAC 388-24-108 and 388-14-200, the office of support enforcement may pay to the family pursuant to WAC 388-14-250 from said collections an amount equal to the monthly amount owed for current support as established by either the superior court order for support or the administrative order or final determination entered pursuant to chapter 388-11 WAC:

(a) Payments to the family pursuant to this subsection may be made only during the four months following the

last month in which aid was paid and thereafter for months subsequent to the submission and acceptance of a nonassistance support enforcement application pursuant to WAC 388-14-300 through 388-14-315;

(b) Payments may not be made for months in which no collections have been made on the delinquent support assigned and payments may not be made for a person from collections on the delinquent support assigned by a different person;

(c) Payments may only be made to a person if the person is owed an unpaid current support obligation for the month in which the payment is made;

(d) The department has, upon making any such payment, an additional assignment by operation of law of the unpaid current support obligation owed to the person for whom the payment is made for the month in which the payment is made. The office of support enforcement shall take action to collect this assigned unpaid obligation to reimburse the department and/or the federal government for the payment made. office of support enforcement for a period of time not to exceed four months following last month in which public assistance was paid as a continuation of actions maintained as a result of an assignment pursuant to WAC 388-24-108 and 388-14-200. During such four month period, all support moneys collected except those collected to satisfy arrears assigned to the department under sections 17 and 22, chapter 171, Laws of 1979 ex. sess. A conference board is herewith established to make inquiry into, determine facts and attempt to resolve matters in which a responsible parent, custodial parent or other person feels aggrieved by actions taken by the office of support enforcement pursuant to chapters 74.20, 74.20A RCW, or Title IV-D of the Social Security Act (Title 42 U.S.C.).

The intent and purpose of the conference board is to facilitate the informal speedy resolution of grievances by responsible parents, custodial parents, or other persons. An applicant for a conference board proceeding must have made a reasonable attempt and have failed to resolve the grievance or issue with the workers before a conference board may act to attempt to resolve the issue.

The chief, office of support enforcement, or his designee may assemble a conference board on application of the aggrieved person or on his own motion to investigate, find facts, and state or apply policy or law to the end of resolving grievances.

If the grievance or issue presented in an application for conference board does not involve a factual dispute, or if the disputed fact(s) even if resolved in favor of the applicant would not provide a basis upon which relief could be granted to the applicant by a conference board acting in accordance with the standards provided for herein, the chief or his designee may take such action as he/she deems appropriate and to that end he/she may individually exercise any of the authority provided for in this regulation. If an apparent factual dispute exists the conference board shall be composed of the chief or his designee, who shall serve as chairman, and two staff members, if deemed necessary, appointed by the chief or his designee. The conference board shall dissolve upon issuance of decisions on matters for which it was appointed.

The chairman of the conference board is herewith authorized as a duly appointed officer empowered to issue subpoena of witnesses, books, records, etc., as provided for in RCW 74.04.290 and shall have power to subpoena witnesses, administer oaths, take testimony, and compel the production of such papers, books, records, and documents as he deems relevant to the resolution of the grievance under consideration. Additional evidence may be taken by affidavit or other written submission when necessary or practicable together with written or oral argument. Persons having specific familiarity with the matter at issue or technical expertise with the subject may be designated to advise the board as required.

(5) Requests to release or refund moneys taken pursuant to RCW 74.20A.080 to provide for the reasonable necessities of responsible parent or parents and minor children in their home;

(6) Requests for deferral of support enforcement action;

(7) Requests for partial or total charge-off of support arrears pursuant to RCW 74.20A.220 or declination to collect support arrears pursuant to RCW 74.20.040 on nonassistance cases;

(8) Requests to waive interest pursuant to RCW 74.20A.190;

(9) Requests to waive or defer the nonassistance support enforcement fee pursuant to RCW 74.20.040;

(10) Any other matter requiring explanation of or application of policy or law to an issue in a specific case or clarification of facts in said case.

The decision, including a decision to deny a request for a conference board, shall be in accordance with applicable statutes, case law, department of social and health services rules and regulations, published office of support enforcement manuals, support enforcement policy bulletins and the exercise of reasonable administrative discretion. The decision shall be in writing, and shall find the facts, applicable law, policies applied, and clearly state the decision. If the decision is the result of a conference board, that decision shall represent the decision of a majority of the board. Decisions inconsistent with the above standards shall be vacated by the chief of the office of support enforcement and remanded for issuance of a new decision in compliance with the standards.

A file of pertinent documents shall be established for each case and a copy of the decision, signed by the chairman, shall be distributed to the petitioning party, the appropriate office of support enforcement district field office for action consistent with the decision of the board, and the chief, office of support enforcement.

Decisions to grant partial or total charge-off pursuant to RCW 74.20A.220 of arrears owed to the department of social and health services under RCW 74.20A.030, 74.20A.250, sections 17 and 22, chapter 171, Laws of 1979 ex. sess. RCW [74.20.320] [74.20.330], or 42 U.S.C. 602 (a)(26)(A) shall be based on the following considerations which shall be found and stated in the written decision of the conference board fully justifying the action taken:

(1) Error in law or bona fide legal defects which materially diminish chances of collection; or

(2) Substantial hardship to minor children in the household of the responsible parent or other minor children for whom the responsible parent actually provides support which hardship is to be measured against income standards for public assistance and consideration of all available income, property and resources of the responsible parent and the necessity to apportion the income and resources of the responsible parent on an equitable basis with the children for whom the arrears accrued; or

(3) Costs of collection action in the future which are greater than the amount to be charged off; or

(4) Settlement from lump sum cash payment which is beneficial to the state considering future costs of collection and likelihood of collection.

The considerations and decision of the conference board shall not be a contested case subject to review by the superior court and shall not be a substitute for any constitutionally or statutorily permitted hearing. Aggrieved parties may be represented before the board by a person of their choice but the department will not be responsible for any costs incurred by the aggrieved person in connection with the conference. [Statutory Authority: RCW 74.08.090. 81-05-021 (Order 1605), § 388-14-385, filed 2/11/81; 80-01-026 (Order 1465), § 388-14-385, filed 12/14/79; 78-07-015 (Order 1305), § 388-14-385, filed 6/15/78.]

WAC 388-14-390 Petition for hearing when collection action is initiated against a bank account--Exemptions--Burden of proof. If the department initiates collection action against a bank account, the responsible parent or the joint owner of record of the bank account may petition the secretary or the secretary's designee for a hearing. The petition shall be served upon the office of support enforcement by registered or certified mail or personally within twenty days of the date a copy of the order to withhold and deliver was either mailed to or served upon the responsible parent pursuant to RCW 74.20A.080 or a written notice of the collection action was mailed by certified mail to the last known address of the joint owner of record of the account. The petition shall state the facts supporting the allegation by the responsible parent or the joint owner that the funds in the account, or a portion of those funds, are exempt from satisfaction of the child support obligation of the responsible parent.

On the petition of the responsible parent, the joint owner of record, or OSE, a hearing shall be scheduled solely for the purpose of determining whether or not one of the following exemptions applies to the funds in the bank account:

(1) Pursuant to RCW 26.16.200 and 74.20A.120, the funds in the community bank account, or a portion of those funds which can be identified as the earnings of the spouse not owing a support obligation to the child or children of the responsible parent, are exempt from satisfaction of the child support obligation of the responsible parent.

(2) The funds in a bank account, or a portion of those funds which can be identified as AFDC funds, SSI

monies, or other kinds of funds having been legally exempted from collection action, are exempt from satisfaction of the child support obligation of the responsible parent.

(3) The funds in a bank account which can be identified as being solely owned by the joint owner of record of the bank account not owing a child support obligation to the child or children of the responsible parent, are exempt from satisfaction of the child support obligation of the responsible parent.

The burden of tracing the funds and proving the funds in the bank account are exempt from satisfaction of the child support obligation of the responsible parent is on the responsible parent or the joint owner of record.

The secretary or the secretary's designee shall notify the parties or their designated representatives of the date, time, and place of the hearing at least twenty days prior to the scheduled date of the hearing by written notice to the parties or their representatives by registered or certified mail. If the parties waive their right to twenty days' notice of the hearing and request the hearing be scheduled on an expedited basis, however, the hearing shall be scheduled within fifteen days of the receipt of the petition for hearing and notice of the hearing shall be mailed to the parties not less than seven days prior to the scheduled date of the hearing. If the time, date, or place is inconvenient to either party, the hearing shall grant a new time, date, or place as is reasonably convenient upon a showing of good cause.

Moneys withheld as a result of collection action initiated against a bank account and delivered to the office of support enforcement at the time of the granting of a request for hearing shall be held by the office of support enforcement pending final order of the secretary or during the pendency of any appeal to the courts.

If the final decision of the department or courts on appeal is that the department has caused funds in a bank account that are exempt from satisfaction of the child support obligation of the responsible parent to be withheld by the bank or delivered to the department, the office of support enforcement shall promptly release the order to withhold and deliver or refund the proportionate share of the funds having been identified as being so exempt. No interest shall accrue or be payable by the department on any moneys withheld pursuant to RCW 74.20A.080. [Statutory Authority: RCW 74.08.090. 83-21-014 (Order 2036), § 388-14-390, filed 10/6/83.]

WAC 388-14-395 Limitation on collection of support payments from head of household--Request for conference board--Burden of proof. (1) Whenever the department provides residential care for a dependent child or children, the responsible parent or parents shall satisfy their obligation to support such child or children by paying to the department the amount specified in a court order when there is a superior court order for support, or by paying the amount determined under RCW 74.20A.055.

(2) The office of support enforcement is responsible on behalf of the department for taking action under the provisions of chapters 74.20 and 74.20A RCW and this

chapter to enforce and collect support obligations as to children receiving residential care paid for by the department.

(3) The department may not collect and retain a support payment or a portion thereof in a given month for a dependent child or children for whom the department is providing residential care from a responsible parent who is the head of household if the income, as defined in RCW 74.04.005, for that month of the head of household and the remaining dependents was below or the effect of the support collection was to reduce the income of the household below the need standard for aid to families with dependent children. The obligation of the head of household to provide support for the child or children receiving residential care, however, will continue to accrue during any month the department is precluded from collecting and retaining support payments under this section.

(4) If the department has collected support payments from the head of household during a month or months where the income of the household was below or the effect of the collection was to reduce the income of the household below the need standard, the head of household may request, in writing, a conference board in accordance with WAC 388-14-385.

(5) The head of household has the burden of proving at the conference board that the income of the household was below or was reduced below the need standard during the month or months payments were collected.

(6) If the conference board determines the department has collected support payments from the head of household that the department is not entitled to retain in accordance with this section, the office of support enforcement shall promptly refund, without interest, any such support payments, or the portion of such a payment having the effect of reducing the income of the household below the need standard.

(7) This section is not applicable to payments collected prior to August 23, 1983. [Statutory Authority: RCW 74.08.090. 83-21-014 (Order 2036), § 388-14-395, filed 10/6/83.]

Requests for protection may come from the person at risk or others who are concerned for his/her welfare.

(2) To qualify for protective services, there must exist elements of abuse, neglect, exploitation, or living conditions or life style which constitute a danger to mental or physical health or safety of the client or others and there must be no one willing and able to assist the adult responsibly.

(b) Supportive services such as chore or homemaker may be provided without regard to income only when they are essential to, and a subordinate part of the adult protective services plan, and cannot be provided if the

only basis of the care plan is prevention of future exploitation or danger.

(c) Authorization to extend adult protective services is required if, in the judgment of the service worker, it is essential to provide the service beyond ninety days. If supportive services are also necessary during the extended period, such services may be continued as long as they are an integral part of the adult protective services plan.

WAC 388-15-212 Service determinations. (1) Chore services need and amount determination for all applicants and recipients of chore services will be made by using the client review questionnaire on each adult.

(2) Department staff will administer the client review questionnaire.

(3) When administering the client review questionnaire, department staff will take into account the client's

risk of being placed in a residential care facility and ability to perform activities of daily living, living conditions, and arrangements, and the availability and use of alternative resources, including immediate family, other relatives, neighbors, friends, community programs, and volunteers.

(4)(a) The client review questionnaire is a series of questions designed to determine the client's need for the tasks which are available from the chore program. In answering each question, either "N," "M," "S," or "T" is circled to indicate the extent of assistance the client needs from the chore program for each task. "N," "M," "S," or "T" are defined as:

(i) N = None: The client is either able to perform this task without help or is already receiving or could receive all the help needed from other sources.

(ii) M = Minimal: The client cannot perform this task without help and needs a minimal amount of assistance from the chore program in addition to whatever help may or may not be received from other sources.

(iii) S = Substantial: The client cannot perform this task without help and needs a substantial amount of assistance from the chore program in addition to whatever help may or may not be received from other sources.

(iv) T = Total: Client is completely unable to perform this task and is not now receiving any help and needs total assistance from the chore program.

(b) Points are awarded for each task based on the degree of assistance needed from the chore services program. The number of points available for each task is set forth in subsection (5) of this section. The point total is converted into maximum allowable hours using the table set forth in subsection (6) of this section. For clients needing attendant care, as defined in subsection (5) of this section, the amount of services authorized is based on the total number of hours per month the chore provider must be with the client.

(5) The allowable chore services program tasks, as defined by the department, are scored as follows:

(a) Escort/transport to medical services. The scoring is as follows, based on the need and frequency of service: N = 0, M = 1, S = 2, T = 3.

(b) Essential shopping and errands. The scoring is based on need and frequency of service: N = 0, M = 5, S = 10, T = 15. When the chore provider must perform these tasks for the client because the client is unable to go along, the scoring is N = 0, M = 1, S = 3, and T = 5.

(c) Laundry. The scoring is N = 0, M = 1, S = 2, and T = 3. If there are no laundry facilities in the client's own home, additional points are awarded. The scoring for the additional points is N = 0, M = 3, S = 5, and T = 7.

(d) Splitting/stacking/carrying wood. The scoring is N = 0, M = 3, S = 5, and T = 7. This task is available only to persons who use wood as their sole source of fuel for heat and/or cooking.

(e) Housework. Housework is limited to tasks necessary to protect the client's health and safety and to those areas of the home actually used by the client, i.e.,

kitchen, bathroom, bedroom, living room, and dining room. The scoring is N = 0, M = 1, S = 2, and T = 3.

(f) Cooking. The scoring is based on the preparation of three meals, as follows:

(i) Breakfast N = 0, M = 4, S = 7, T = 10.

(ii) Light meal N = 0, M = 4, S = 7, T = 10.

(iii) Main meal N = 0, M = 5, S = 10, T = 15.

(g) Feeding. The scoring is based on feeding three meals, as follows:

(i) Breakfast N = 0, M = 4, S = 7, T = 10.

(ii) Light meal N = 0, M = 4, S = 7, T = 10.

(iii) Main meal N = 0, M = 5, S = 10, T = 15.

(h) Dressing/undressing. The scoring is N = 0, M = 4, S = 7, and T = 10.

(i) Care of appearance. The scoring is N = 0, M = 1, S = 3, and T = 5.

(j) Body care. The scoring is N = 0, M = 5, S = 10, and T = 15.

(k) Bed transfer. The scoring is N = 0, M = 1, S = 3, and T = 5.

(l) Ambulation. The scoring is N = 0, M = 4, S = 7, and T = 10.

(m) Wheelchair transfer. The scoring is N = 0, M = 1, S = 3, and T = 5.

(n) Bathing. The scoring is N = 0, M = 4, S = 7, and T = 10.

(o) Toileting. The scoring is N = 0, M = 5, S = 10, and T = 15.

(p) Remind to take medicines. The scoring for reminding to take medication is N = 0, M = 1, S = 2, and T = 3.

(q) Family care. The family care question has four parts. Each part considers the ages, number, level of responsibility of the children, and the presence of a spouse when determining the need for chore services.

(i) Family housework determines the need for additional help cleaning the household because of the presence of children. The scoring is N = 0, M = 4, S = 7, and T = 10.

(ii) Family tasks determines the need for escort and transportation, laundry services, meal preparation and shopping, and bathing and dressing for the client's children. The scoring is N = 0, M = 5, S = 10, and T = 15.

(iii) Supervision of children determines the need for physical supervision of the children. When the client is in the home, but unable to supervise, the scoring is N = 0, M = 5, S = 10, and T = 15.

(r) Attendant care for adults/supervision of children.

(i) Attendant care for adults determines that the chore provider is available to help a client who requires assistance with such unscheduled tasks as toileting, ambulation, and wheelchair transfer or supervises or watches a client who cannot safely be left alone. Protective supervision may be necessary when a person may hurt himself or herself, others, or damage property if left alone, or is confused and may wander away, turn on a stove and forget to turn it off, or becomes easily disoriented. The chore provider performs any household or personal care tasks or gives assistance with activities of daily living during the authorized attendant care hours. The scoring is based on the number of days per month

and hours per day during which the chore provider must be with a client in need of attendant care. The authorization is the total number of attendant care hours required by the client each month.

(ii) Supervision of children determines the need for supervision of children when the client is temporarily absent from the home because of hospitalization. This question is not scored. The number of days and the number of hours per day that the children need supervision is recorded. The monthly authorization is the total number of hours required for supervision. The chore provider performs household and personal care tasks for the children during the hours of supervision. Supervision of children when the client is absent from the home must not exceed two weeks during any six-month period.

(6) Except for cases where attendant care or supervision of children when the client is temporarily absent are required, as defined in subsection (5)(q)(iv) of this section, the amount of hours of chore services authorized per month shall be determined by translating the total number of points awarded on the client review questionnaire into a monthly authorization, utilizing the following CRQ authorization ceiling chart:

WAC 388-15-215 Limitations on program. (1) The chore services program is not a teaching or companionship program and cannot be used for the purpose of delivering skilled nursing care or developing social, behavioral, recreational, communication or other type skill. Companionship means being with a person in his or her home for the purpose of preventing loneliness or to accompany him or her outside the home, except on basic errands or medical appointments or activities of daily living for attendant care clients.

(2) Chore services cannot be provided in a group home, licensed boarding home, congregate care facility,

intermediate care facility, skilled nursing facility, hospital, or other institution, adult family home or child foster home. Shared living arrangements are not considered group homes.

(3) Chore services are provided for the person needing and authorized to receive the service, not for other household members unless the services are part of the total chore services plan which includes the household members as eligible service clients.

(4) Chore services are not provided when community resources or family, neighbors, friends, or volunteers are available and willing to provide the service without charge.

(5) All approvals for additional hours and higher payment rates are reevaluated by the department after a period of up to one year, as determined by the department. WAC
388-20-010 Rules—Applicability.

DISPOSITION OF SECTIONS FORMERLY CODIFIED IN THIS CHAPTER

388-20-020 Rules—Procedures for exceptions. [Order 773, § 388-20-020, filed 2/16/73; Order 686, § 388-20-020, filed 5/25/72; Order 528, § 388-20-020, filed 3/31/71, effective 5/1/71; Order 348, § 388-20-020, filed 5/28/69; Order 273, § 388-20-020, filed 1/29/68; Regulation 4.00 (part), filed 12/31/65, effective 2/1/66; Regulation 4.00, filed 1/24/64.] Repealed by 83-14-028 (Order 1976), filed 6/30/83. Statutory Authority: RCW 74.08.090.

WAC 388-20-010 Rules—Applicability. (1) The rules for determining eligibility and amount of payment are based on law and are designed to permit the granting of necessary assistance considering the applicant's requirements, resources and ability to help himself or herself. The purpose is to assure the meeting of need on a modest, reasonable basis. The result of granting assistance according to these rules should be to ease the conditions individuals would face without such assistance and to increase opportunities for functioning effectively under arrangements adapted to the individual's particular circumstances.

(2) The rules are necessarily based on conditions considered to apply in the great majority of situations. Individual circumstances may exist where application of the rule seems to work in opposition to the objective desired. This may occur when the person's situation differs from that of the majority or when his or her circumstances are peculiar. In these cases, exceptions may be considered.

(3) An exception cannot be made to a specific provision of the law. However, individual case exception to a

rule not specifically enunciated in the law can be authorized by the secretary or his or her designee when it appears to be in the best interest of overall economy and the individual's welfare.

(4) Exception decisions are not subject to the fair hearing procedures of chapter 388-08 WAC. [Statutory Authority: RCW 74.08.090, 83-14-028 (Order 1976), § 388-20-010, filed 6/30/83; Order 773, § 388-20-010, filed 2/16/73; Order 528, § 388-20-010, filed 3/31/71, effective 5/1/71; Order 348, § 388-20-010, filed 5/28/69; Regulation 4.00 (part), filed 12/31/65, effective 2/1/66; Regulation 4.00, filed 1/24/64.]

(2) "Incapacity" refers to the existence of a physiological, emotional and/or mental impairment, defect, illness, or loss.

(a) "Substantially incapacitated" shall mean that the person can be expected to work at gainful employment for no more than one-half the time customarily required of fully employable persons; or that the person cannot perform necessary homemaking activities and/or provide adequate care for the children without help from other individuals.

(b) An exception to the rule in subdivision (2)(a) of this section may be made when a person with limited skill and abilities is working more than half time in a special workshop or special work arrangement for handicapped individuals and the work is not fully competitive. Incapacity may continue to exist if the person is

incapable of work in competitive work arrangements with full wages.

(c) Incapacity can be of a permanent or temporary nature, but must be expected to last for a period of at least thirty days from the date of application.

(3) A claim of incapacity shall be substantiated by competent medical testimony.

(a) A physiological incapacity will be documented by a report from a physician or chiropractor.

(b) A mental or emotional incapacity will be documented by a report from a psychiatrist, a clinical psychologist, or a mental health clinic when the report is signed by the clinic director.

(c) All medical testimony shall be in writing and must include a diagnosis and prognosis for the incapacity and a description of the effect of the condition on the individual's ability to function.

(4) Mental or emotional incapacity shall be determined on the basis of distinct impairments which substantially reduce a parent's ability to engage in activities necessary to carry on full-time specified responsibilities, such as employment, home management and/or adequate care of children. Evidence of any one or a combination of the following conditions may be sufficient to establish incapacity:

(a) Inability to exercise judgment, make decisions, sustain an adequate attention span, follow directions or learn to the degree necessary to sustain full-time employment, homemaking activities or care of the children.

(b) Bizarre or inappropriate behavior beyond his/her capability to control.

(c) Significant loss of physical and motor control.

(d) Inadequate perception and memory.

(e) Use of medication which impairs functioning.

(5) Incapacity due to alcoholism or drug addiction shall be determined by medical evidence that:

(a) Pathological or organic damage has resulted from chronic alcohol and/or drug abuse, or

(b) The use of alcohol or drugs has substantially reduced the parent's ability to engage in full-time employment or homemaking activities.

(6) Individuals who are determined to be incapacitated due to alcoholism or drug abuse shall be required to accept referral to a community alcoholism or drug treatment program for evaluation and recommendation for treatment. (See subsection 12 of this section.)

(7) The medical testimony shall be supported by an objective appraisal of all factors relevant to the individual's situation.

(a) Consideration shall be given to the individual's age, emotional health, aptitudes, adjustment to and acceptance of the incapacity, family circumstances, employment history, education, and the extent to which the individual is able to carry out specified responsibilities such as employment or homemaking. Social or educational deficiencies do not of themselves establish incapacity but may have a bearing on an individual's ability to overcome an incapacity.

(b) If an individual has an obvious incapacity for which medical evidence verifies inability to engage in gainful employment such an appraisal is not required.

(8) Deprivation due to incapacity shall be determined by the CSO incapacity review team in accordance with the criteria in subsections (1) through (7) of this section. The review team shall:

(a) Consider medical and other related evidence of the incapacitating condition and make a decision confirming or denying the existence of incapacity within thirty days of the date of application, except in circumstances beyond the control of the agency such as delay on the part of the applicant, the examining physician or other source of documentation.

(b) Request additional information when necessary.

(c) Consult with the medical consultant as necessary for evaluation of medical data.

(d) Determine probable duration of incapacity. The probable duration shall be related to the prognosis for the condition as predicted by the medical evidence but shall not exceed twelve months without a redetermination of incapacity.

(9) Eligibility cannot be established if an applicant or recipient fails to cooperate in obtaining information documenting incapacity.

(10) Cost of necessary medical reports to determine incapacity shall be paid by the department. Payment for such reports shall not be made to DSHS agencies.

(11) Eligibility of either parent or stepparent in the home for veterans benefits based on disability of fifty percent or more or for any Social Security administration benefit based on disability shall establish incapacity for aid to families with dependent children benefits, without further documentation or referral to the incapacity review team.

(12) Acceptance of available medical treatment:

(a) Deprivation cannot be established when an AFDC parent or stepparent whose incapacity deprives his/her child(ren) or stepchild(ren) of parental support or care, refuses without good cause to accept available medical treatment which would reasonably be expected to render him/her employable.

(i) "Available medical treatment" shall mean and include medical, surgical, psychiatric therapy, treatment in an alcoholism or drug treatment center, or any combination thereof.

(ii) "Reasonably be expected to render him/her employable" shall mean that, in the opinion of the medical consultant the recommended medical, surgical or psychiatric therapy, or any combination thereof, is of such a nature and prognosis that, in the specific instance of the individual involved, medical experience indicates that the recommended treatment will restore or substantially improve the individual's ability to work for pay in a regular and predictable manner, or to resume care of the home or children.

(iii) "Refuses without good cause" shall mean that the CSO shall determine whether the individual is justified in refusing recommended medical treatment.

(b) An individual is justified in refusing recommended medical treatment when, according to the best objective judgment of the CSO review team confirmed by the

CSO administrator and the medical consultant, such refusal is based upon one or more of the following conditions:

(i) The individual is genuinely fearful of undergoing recommended treatment even though such fear may appear to be unrealistic or irrational;

(ii) The individual could lose a faculty, or the remaining use of a faculty he now has, and refuses to accept the risk;

(iii) The individual will not accept recommended medical treatment because of religious scruples. WAC 388-24-070 Aid to families with dependent children--regular--Deprivation due to continued absence from home. Effective August 23, 1983:

(1) Determination whether a child has been deprived of parental support or care is made in relation to a child's natural parent or parents, if married, or paternity has been established by a court order, adoptive parent, or stepparent, and the term parent as used in this section refers to any of those relationships.

(2) Continued absence of a parent from the home establishes deprivation of parental support or care when:

(a) The parent is living out of the home in which the child resides, and

(b) The nature of the absence interrupts or terminates the parent's functioning as a provider of maintenance, physical care, or guidance for the child, and

(c) The known or indefinite duration of the absence precludes counting on the parent's performance of his or her function in planning for the present support or care of the child.

(3) Absence from the home is considered as "being continued" when the situation has, or is likely to have, a degree of permanency in contrast to a purely temporary disruption of family life. The following are examples of situations considered to meet this requirement:

(a) Absence as the result of legal action;

(i) The parents are divorced or divorce action has been filed; or the marriage has been annulled; or a petition has been filed requesting dissolution of the marriage because the marriage is irretrievably broken; or a separation contract has been filed with the court containing provisions for maintenance, property disposition, custody of children, support, and visitation; or a written separation contract has been published in a legal newspaper, in lieu of a court decree.

(ii) Absence due to divorce is overcome by remarriage of the child's natural or adoptive parent with whom he or she lives.

(iii) If the natural or adoptive parents, in spite of the legal action, resume living together, there is no longer deprivation on the basis of absence.

(b) Absence due to separation, desertion, or abandonment;

(i) There is a clear disassociation of one or both parents from their normal family relationship.

(ii) If the separation, desertion, or abandonment has existed at least thirty days prior to application and there is no indication the absence will not continue, deprivation is considered established.

(iii) Deprivation may be established if the absence has existed for less than thirty days prior to application only when there is sufficient information as determined by the CSO showing the absence can be expected to continue. The type of information and basis of determination must be documented in the case record.

(iv) If application is made by a nonresponsible relative on behalf of a child who has not been placed in his or her custody through a court order, whose parent or parents though able have failed to support the child, apparent abandonment shall be assumed and the policies outlined in WAC 388-24-114 shall apply.

(c) Absence of unmarried parents when paternity has been established by a court order (see WAC 388-24-050 (1)(a)(i));

If the parents have not maintained a home together, deprivation is established. If the parents have maintained a home together and one parent has left the home, the situation should be evaluated as provided in subsection (3)(b) of this section.

(d) Absence due to other reasons:

(i) Parent confined to an institution and is expected to remain for more than thirty days. A parent who is incarcerated but participating in a work release program is considered to be in an institution.

(ii) Parent has been deported.

(iii) Parent has been convicted of an offense and has been required by the court to perform unpaid work or community service during the workday while being permitted to reside in the family home.

(A) The basis of deprivation will be continued absence, and the needs of the convicted parent will not be included in the determination of eligibility or the payment of the family grant.

(B) A convicted parent earning income outside of the hours of sentenced unpaid work or community service shall have such earnings treated in accordance with WAC 388-28-500.

(4) The rules in this section shall apply to applications which are pending and/or made on or after October 1, 1982, and to recipients when case actions occur or when a periodic desk review is completed on or after October 1, 1982. WAC 388-24-074 Aid to families with dependent children—employable—Deprivation due to unemployment of a parent. Effective August 23, 1983, to be eligible for AFDC-E, an applicant shall be a child whose qualifying parent meets the requirements in this section.

(1) The qualifying parent is that parent earning the greater amount of income in the last twenty-four month period, the last month of which immediately precedes the month in which the application for assistance is filed.

(a) If the client and CSO cannot secure verification of earnings for this period, the CSO shall designate the qualifying parent using the best evidence available.

(b) The earnings of both parents are considered in determining the qualifying parent, regardless of when the relationship began.

(c) The designated qualifying parent remains the qualifying parent for each consecutive month the family remains on assistance based on the current application.

(d) If both parents earned an identical amount of income, the CSO shall designate the qualifying parent.

(2) The child must be deprived of parental care and support because of the unemployment of a natural parent, if married or paternity has been established by a court order, adoptive parent, or stepparent who satisfies all the requirements in this section to qualify the assistance unit.

A parent or stepparent is considered to be unemployed when:

(a) He or she is employed less than one hundred hours a month, or

(b) He or she exceeds that standard for a particular month if his or her work is intermittent and the excess is of a temporary nature as evidenced by the fact he or she was under the one hundred hour standard for the two prior months and is expected to be under the standard during the next month.

(3) The qualifying parent or stepparent must have been unemployed as defined in subsection (2) of this section for at least thirty days prior to the date AFDC-E is authorized.

When AFDC-E is terminated due to full-time employment of the unemployed parent or stepparent, no additional waiting period is required if the full-time employment ends within thirty days of termination and the individual reapplies and is found otherwise eligible for AFDC-E.

(4) The qualifying parent or stepparent must not have refused a bona fide offer of employment or training for employment or has not voluntarily left a job without good cause during the same thirty-day period.

(5) The child must meet the eligibility conditions specified in WAC 388-24-040 and 388-24-090 through 388-24-125.

(6) The child's parent or stepparent:

(a) In WIN areas, must be registered for the WIN/E&T program unless exempted by WAC 388-24-107.

(b) In non-WIN areas:

(i) Must be registered for employment with the local DES office, and

(ii) Is registered for E&T unless exempted by WAC 388-24-107.

(7) The qualifying parent or stepparent, if eligible for unemployment compensation, has not refused to apply for or accept such compensation.

(8) The qualifying parent or stepparent:

(a) Has had six or more quarters of work within any thirteen calendar quarter period ending within one year prior to the application for assistance. A "quarter of work" means a calendar quarter in which he or she earned income of not less than fifty dollars, or in which he or she participated in the work incentive (WIN) program or community work experience program (CWEP). A "calendar quarter" means a period of three consecutive calendar months ending March 31, June 30, September 30, or December 31, or

(b) Within one year prior to his or her application received or would have been eligible to receive unemployment compensation had he or she applied; or if the employment which he or she had was not covered under the unemployment compensation law of the state or the United States, his or her work history was such that had his or her employment been covered, he or she would have been eligible.

(9) The qualifying parent or stepparent:

(a) In non-WIN areas is registered for and accepts on an ongoing basis employment and training services.

(b) In WIN areas is registered for and accepts the services defined in subsection (9)(a) of this section if not accepted into a WIN component.

(10) The child must be living with both natural parents, if married or paternity has been established by a court order, adoptive parents, or a parent and stepparent except that one may be temporarily absent to search for employment with the expectation of continuing to live with the family.

(11) AFDC will not be denied or terminated solely because of an individual's participation in institutional and work experience training or in public service employment under the WIN program.

(12) The rules in this section are effective July 1, 1983. [Statutory Authority: RCW 74.08.090. 83-22-066 (Order 2033), § 388-24-074, filed 11/2/83.]

(2) A WIN/E&T registrant, unless a volunteer, failing to cooperate in appraisal prior to certification shall be subject to the provisions of WAC 388-57-056.

(3)(a) An AFDC recipient, unless a volunteer, certified for the work incentive (WIN) program and determined by DES to have refused employment or training or participation in the WIN program without good cause shall be subject to provisions of WAC 388-57-061.

(b) An AFDC recipient, unless a volunteer, certified for the E&T program and determined by DSHS to have refused employment, training, or participation in the E&T program without good cause shall be subject to provisions of WAC 388-57-061.

(4) A child's eligibility is not affected by the WIN/E&T registration requirement for the parent or needy caretaker relative in the AFDC-R program. A child's eligibility is affected by the WIN/E&T requirement for the unemployed qualifying parent in the AFDC-E program.

(5) An individual determined to be exempt from registration for WIN/E&T on the basis of documented incapacity shall be referred to DVR. See also WAC 388-52-150 through 388-52-155. (a) A dependent child under age sixteen or age sixteen but not yet nineteen and is attending full time, or has been accepted for enrollment as a full-time student for the next school term, in an elementary or secondary school, or the equivalent level of vocational or technical training, and reasonably expected to complete such course prior to the end of the month he or she reaches nineteen;

(b) A person who is ill, incapacitated, or sixty-five years of age or older;

(i) Temporary illness or incapacity provides WIN/E&T exemption only for the period of a documented condition of unemployability. Exemption terminates when the condition ceases.

(ii) Persons determined to be exempt from registration on the basis of permanent incapacity shall be referred for services under the vocational rehabilitation program.

(c) A person residing outside a WIN/E&T area or at a location so remote from a WIN/E&T project that his or her effective participation is precluded;

(d) A person whose presence in the home is required because of illness or incapacity of another member of the household;

(2) Any applicant or recipient has a right to a fair hearing to contest a determination of nonexempt status and shall be considered as exempt until his or her status is finally determined. (See WAC 388-57-090.)

(3) The requirements of any individual, other than the parent qualifying the assistance unit for AFDC-E, failing to register as required under subsection (1) of this section shall not be taken into account in determining the requirements of the assistance unit and the amount of assistance, and assistance will be granted to the eligible members of the assistance unit.

(4) An exempt parent caretaker of a child shall be advised of his or her option to register if he or she so desires, and of the fact child care will be provided if needed. Other exempted individuals may volunteer to register, subject to acceptance of such registration by DES.

(5) When an AFDC recipient classified as exempt from WIN/E&T registration reports any change affecting the exempt status, he or she shall be registered within thirty days after the report. If a change is not reported, exempt or nonexempt status will be determined at the next review unless the department becomes aware an AFDC recipient's exempt status has changed. Then the recipient shall be notified he or she shall be registered within thirty days.

(6) The department's financial service unit shall determine which AFDC applicants or recipients are exempt from registration and which are required to register as a condition of eligibility. WAC 388-24-108 Eligibility conditions applicable to AFDC--Assignment of rights to support.

(1) As a condition of eligibility each applicant for or recipient of AFDC shall assign to the office of support enforcement any and all right, title, and interest in any support obligation the applicant or recipient may have in his or her own behalf or on the behalf of any family member for whom application is being made; such assignment shall include rights in support payments which have accrued prior to the time assignment is made, and shall require the applicant/recipient to promptly remit to the office of support enforcement any payments received directly from the person legally responsible to pay support. Payment of public assistance to the applicant shall constitute an agreement to the assignment of rights to support by the applicant, as provided under RCW 74.20.330.

(2) If the parent or other caretaker relative with whom the child(ren) is living fails or refuses to comply with the requirement in subsection (1) of this section, the caretaker relative shall be ineligible to receive assistance and any assistance for which the child(ren) may be eligible shall be provided by protective payment as specified in WAC 388-33-453; the determination of requirements for the child(ren) shall be computed without regard to the requirements of the caretaker relative.

(3) The requirement of subsection (1) of this section shall be applicable to recipients no later than the next regular redetermination of eligibility. WAC 388-24-109 Eligibility conditions applicable to AFDC--Cooperation in obtaining support from absent parents.

As a condition of eligibility each applicant for or recipient of AFDC shall be required to cooperate as specified in WAC 388-14-200 except as specified in WAC 388-24-111. [Statutory Authority: RCW 74.08.090. 81-10-012 (Order 1644), § 388-24-109, filed 4/27/81; 78-09-053 (Order 1330), § 388-24-109, filed 8/22/78; Order 1054, § 388-24-109, filed 9/25/75.]

WAC 388-24-111 Good cause for failure to cooperate with support enforcement.

(1) The requirement for cooperation of the applicant/recipient in WAC 388-24-

109 shall be waived if the department determines that such cooperation would not be in the best interest of the child(ren) for whom assignment has been made according to WAC 388-24-108.

(2) The applicant/recipient must be informed of:

(a) The benefits the child may receive from establishing paternity.

(b) Their right to claim good cause for refusing to cooperate as specified in WAC 388-14-200 (2)(a), (b) and (c) and 388-24-109.

(3) The applicant/recipient who claims to have good cause for refusing to cooperate must:

(a) Provide evidence of at least one of the good cause circumstances; or

(b) Provide sufficient information (such as the putative father or absent parent's name and address) to permit an investigation to determine the existence of any of the circumstances specified in subsection (6) of this section.

(4) When an applicant/recipient claims to have good cause for refusing to cooperate, the CSO social service staff will determine that good cause exists only if it finds that:

(a) The evidence supplied by the applicant/recipient establishes that cooperation would be against the best interest of the child; or

(b) Investigation of the circumstances of the case confirms the applicant's/recipient's claim that cooperation would be against the best interest of the child(ren).

(5) The final determination by the CSO social service staff that good cause does or does not exist:

(a) Shall be made as quickly as possible within thirty days from claim, unless exceptional circumstances such as those described in WAC 388-38-110 occur and longer period of time is required.

(b) Shall be in writing and contain the CSO findings and basis for determination.

(c) Shall also be entered into the financial and service records.

(6) The CSO social service staff will determine that cooperation in establishing paternity and/or securing support is against the best interest of the child only if:

(a) The applicant's/recipient's cooperation is reasonably anticipated to result in physical harm or emotional harm which clearly demonstrates observable consequences substantially impairing the functioning of either:

(i) The child for whom support is to be sought; or

(ii) The parent or caretaker relative with whom the child is living which reduces the parent or caretaker relative's capacity to care for the child adequately; or

(b) At least one of the following circumstances exists, and the CSO social service staff believes that because of the existence of that circumstance, in the particular case, proceeding to establish paternity or secure support would be detrimental to the child for whom support would be sought:

(i) The child for whom support is sought was conceived as a result of incest or forcible rape;

(ii) Legal proceedings for the adoption of the child are pending before a superior court; or

(iii) The applicant/recipient is currently being assisted by a public or licensed child-placing agency to resolve the issue of whether to keep the child or relinquish it for adoption, and the discussions have not gone on for more than three months.

(7) Acceptable evidence upon which the CSO social service staff will base a determination of good cause, without further investigation, is limited to the following documents:

(a) Birth certificates or medical or law enforcement records which indicate that the child was conceived as the result of incest or forcible rape;

(b) Court documents or other records which indicate that legal proceedings for adoption are pending before a superior court;

(c) Court, medical, criminal, child protective services, social services, psychological, or law enforcement records which indicate that the putative father or absent parent might inflict physical or emotional harm on the child or parent or caretaker relative;

(d) Medical records which indicate emotional health history and present emotional health status or written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the parent or caretaker relative or the child(ren) for whom support would be sought. The recommendation of the mental health professional or the indication of the medical records must be that cooperation by the parent or caretaker relative would not be in the best interest of the child(ren);

(e) A written statement which includes the dates of counseling from a public or licensed child-placing agency that the applicant/recipient is being assisted by the agency to resolve the issue of whether to keep the child or relinquish it for adoption.

(8) Upon request, the CSO will assist the applicant/recipient in obtaining the required evidence.

(9) If the applicant/recipient cannot present evidence as outlined in subsection (7) of this section and still wishes to claim good cause, the applicant/recipient must provide information which will enable the CSO to conduct an investigation regarding the circumstances of the claim. A determination that good cause exists may be based on any verifying information acceptable to the CSO social service staff. However, during the investigation the CSO:

(a) Shall not contact the absent parent or alleged father from whom support would be sought unless such contact is determined to be necessary to establish the good cause claim; and

(b) Prior to making such necessary contact, shall notify the applicant/recipient and give them the opportunity to:

(i) Present additional evidence or information so that contact with the absent parent or putative father becomes unnecessary; or

(ii) Withdraw the application for assistance; or

(iii) Request a fair hearing.

(10) For every good cause determination which is based in whole or in part upon the anticipation of emotional harm to the child, the custodial parent or the

caretaker relative, the CSO social service staff shall consider and document its findings regarding the following factors:

(a) The present emotional state of the individual subject to emotional harm;

(b) The emotional health history of the individual subject to emotional harm;

(c) The intensity and probable duration of the emotional upset;

(d) The degree of cooperation to be required; and

(e) The extent of involvement of the child in the paternity establishment or support enforcement activity to be undertaken.

(11) In the process of making a final determination of good cause for refusal to cooperate, the CSO social service staff shall:

(a) Afford the office of support enforcement the opportunity to review and comment on the findings and basis for the proposed determination;

(b) Consider any recommendation from the Office of Support Enforcement; and

(c) Provide the office of support enforcement the opportunity to participate in any hearing that results from an applicant's/recipient's appeal of any determination based on a good cause claim.

(12) Assistance shall not be denied, delayed or discontinued pending a determination of good cause for refusal to cooperate if the applicant/recipient has complied with the requirements to furnish evidence or information, if the applicant/recipient is otherwise eligible.

(13) If the CSO social service staff makes a determination of good cause on the basis of circumstances specified in subsection (6) of this section, no attempt shall be made to establish paternity or secure support. This determination shall be in writing, contain the CSO's findings and basis for determination, and be entered into the financial and service records.

(14) The CSO social service staff shall periodically review, not less frequently than at each eligibility review, all cases in which a finding of good cause for refusal to cooperate has been made. If it determines that good cause no longer exists, it will rescind its decision and require cooperation by the applicant/recipient.

(15) If the CSO social service staff determines that good cause does not exist:

(a) The applicant/recipient shall be so notified and afforded the opportunity to cooperate, withdraw their application for assistance, have the case closed, or request a fair hearing; and

(b) Continued refusal to cooperate shall result in the loss of AFDC eligibility for the caretaker relative as specified in WAC 388-24-108(2).

(16) The CSO shall maintain records concerning its activities under this section.

(17) The CSO will promptly report to the Office of Support Enforcement:

(a) All cases in which good cause has been claimed and a determination is pending;

(b) All cases in which it has been determined that there is good cause for refusal to cooperate;

(c) All cases in which it has been determined that there is not good cause for refusal to cooperate;

(d) All cases in which a fair hearing has been requested; and

(e) Results of subsequent eligibility reviews in cases previously determined to have good cause. [Statutory Authority: RCW 74.08.090, 79-05-041 (Order 1390), § 388-24-111, filed 4/26/79; 78-09-053 (Order 1330), § 388-24-111, filed 8/22/78.]

WAC 388-24-114 Procedures affecting abandoned child. (1) "Abandonment" as used herein refers only to the relationship between the parent and the child and must be determined separately from the relationship between the parents. The term is defined as actual desertion by a parent accompanied by an intention, expressed or implied from his conduct, to sever the relation of parent and child so far as possible and to throw off all obligations growing out of the relation. This means more than a mere temporary absence from the home or temporary neglect of parental duty, and constitutes an intent to permanently sever all rights and duties emanating from the parental relationship.

(2) Whenever an application is made for aid to families with dependent children for or on behalf of a dependent child, the local office shall make a determination whether there has been an apparent abandonment and if so, the local office shall:

(a) Inform the applicant of the determination made and that notice may be given by the support enforcement section to law enforcement officials,

(b) Afford the applicant the opportunity to terminate before this notice is given. The request for termination must be reduced to writing by the applicant,

(c) If the applicant chooses to continue receiving assistance, the support enforcement section, after determining that no effective civil remedy exists, shall notify the prosecuting attorney of the abandonment. [Order 1241, § 388-24-114, filed 9/23/77.]

WAC 388-24-125 Eligibility conditions applicable to AFDC—Living in home of relative of specified degree. Effective August 23, 1983:

(1) Relationship of child to relative:

(a) A dependent child to be eligible for AFDC-R must be living with one or more of the following relatives in a place of residence the relative or relatives maintains as his or her own home:

(i) Blood relatives (including those of half-blood); father, mother, brother, sister, uncle, aunt, first cousin, nephew, or niece. Relationships to persons of preceding generations as denoted by the prefixes of grand, great, or great-great are within this definition.

(ii) Stepfather, stepmother, stepbrother, and stepsister. Adoption of a child by a stepparent changes the relationship from stepparent to adoptive parent.

(iii) Persons who legally adopt a child. Relatives of persons who adopt children are included within the definition of "relative" as defined in this section.

(iv) Spouse of any persons named in this section are within the scope of this provision, although the marriage is terminated by death or divorce.

(b) A child eligible for AFDC-E must be living with both natural parents, if married, or adoptive parents, or a parent and stepparent. A child of unmarried parents is included if paternity has been established by a court order (see WAC 388-24-050 (1)(a)(i)). In order to determine members of the assistance unit, see WAC 388-24-050 also.

(c) A child eligible for AFDC-FC must live in a licensed family foster home, nonprofit group home, or nonprofit child care institution.

(d) The unborn child is considered to be living with the mother.

(2) Verification of relationships - relative to child and parents to each other.

All relationships shall be verified in accordance with WAC 388-38-200.

(3) Other considerations in determining when child is living in home of relative of specified degree.

(a) "Living in home of relative" means the child is an accepted member of a family unit, and therefore, has a close and direct relationship with a specified relative assuming parental responsibility for the care, guidance, and control of the child.

(b) The "home" is a family setting maintained or in the process of being established for the benefit of the family group. A home exists as long as the responsible relative exercises responsibility for the care and control of the child, even though circumstances may require the temporary absence of either the child or the responsible relative from the customary family setting. Such temporary separations include:

(i) Temporary care of the child or the responsible relative in a hospital or public or private institution when the illness is such that a return to the family can be expected and parental responsibility continues. If the temporary care exceeds ninety days, the monthly grant standard shall be as specified in WAC 388-29-125.

(ii) Attendance of a child in school when the purpose is primarily for obtaining an education or vocational training. The responsible relative retains full responsibility for the child and the child returns home during a year's period, at least for summer vacation. The monthly grant standard for a child attending school away from home shall be as specified in WAC 388-29-145. However, even temporary absence of a child from his or her home for this purpose makes a child ineligible for AFDC unless the attendance at the school is due to:

(A) Need for specialized education and training not available in the child's home community, and such specialized education is recommended by local school authorities, or

(B) Isolation of the child's home making it necessary for him or her to be away from home to attend school.

(C) Enrollment on or after September 1, 1981, in an Indian boarding school administered through the Bureau of Indian Affairs.

(iii) Visits in which the child or responsible relative is away from home for ninety days or less, including visits

of a child to a parent residing away from the child's customary family home. If the responsible relative or child leaves the home for more than ninety days, eligibility is redetermined in accordance with the new circumstances.

(iv) Attendance in a vocational training program when attendance is necessary for a responsible relative to reside temporarily apart from his or her family to secure the training. Absence is considered temporary for the period of time required to complete the training program, if the responsible relative retains parental responsibility for the child during the absence and plans to return to the home upon completion of training.

(A) CSO approval is required for the training plan. (See WAC 388-57-028(2).)

(B) A separate assistance unit shall be established for the responsible relative in training away from home.

(v) Temporary placement of the child in foster care while the parent is temporarily receiving care in a residential treatment facility, where such absences do not exceed thirty days.

(c) An AFDC payment can be made for a child who is a ward of the juvenile court, or other agency to whom the court has delegated authority, if all other eligibility factors have been met and the relative of specified degree actually carries out the everyday care, control, and supervision of the child.

(d) An AFDC payment cannot be made if the court, or other agency to whom the court has delegated authority, has physical custody of the child and carries out the actual day-to-day care, control, and supervision of the child.

(e) An AFDC payment can be made to the caretaker relative in behalf of a child even if the child is in foster care. The caretaker relative can apply for and receive AFDC for himself or herself and the child for thirty days, even though the child is not physically in the custody of the relative if:

(i) The caretaker relative is otherwise eligible,

(ii) The child is returned to the relative's home before the end of the thirty-day assistance period,

(iii) No AFDC payments are being made for the child, either in another relative's home or through AFDC-FC in the same thirty-day period. WAC 388-24-137 Continuation of assistance when deprivation ceases. Effective August 23, 1983:

(1) When deprivation due to incapacity or absence ceases and the family remains in need, the CSO shall determine if any other basis for deprivation exists.

(2) If there is no deprivation due to death or incapacity after deprivation due to absence ceases, assistance will be discontinued at the end of the calendar month in which deprivation due to absence ceases unless one of the parents qualifies the assistance unit for AFDC-E. [Statutory Authority: RCW 74.08.090. 83-22-066 (Order 2033), § 388-24-137, filed 11/2/83; 82-01-009 (Order 1728), § 388-24-137, filed 12/4/81; 81-10-012 (Order 1644), § 388-24-137, filed 4/27/81; 79-11-081 (Order 1444), § 388-24-137, filed 10/23/79; Statutory Authority: RCW 74.08.090. 78-10-036 (Order 1338), § 388-24-137, filed 9/18/78; Order 1198, § 388-24-137, filed 3/17/77; Order 923, § 388-24-137, filed 4/15/74.]

WAC 388-24-190 Coordination of public assistance and child welfare services--Responsibility for protective care for children. (1) The law places responsibility with the department to provide social services to dependent, neglected, and homeless children and children in danger of becoming delinquent and authorizes the local office to accept custody of children and to provide for their care.

(2) Both the public assistance caseworker and the CWS caseworker operate under the same law. Their functions, however, are different. The public assistance caseworker is responsible for the welfare of children in families who are receiving public assistance while the responsibility of the CWS caseworker may also include services to families not receiving assistance, as well as for children in foster homes, services to unmarried mothers and other child welfare activities. Together they provide the means of development of necessary services to protect children. It is only through close coordination between the services of the public assistance and child welfare service caseworkers that the mandate of the law can be carried out.

(3) All child welfare services are based upon the principle that a child can best develop in a family setting and if at all possible with his own parents. [Order 530, § 388-24-190, filed 3/31/71, effective 5/1/71; Regulation 6.271, filed 1/24/64.]

WAC 388-24-200 Reporting child neglect or abuse to juvenile court. (1) When the LO has knowledge that a child receiving public assistance is being neglected, abused or in danger of becoming delinquent, and when other reasonable efforts in conjunction with other persons or agencies to correct such a condition have failed, the following action shall be taken:

(a) If the condition is not critical, the LO shall notify the juvenile court in writing of the child's situation, requesting the aid of the court for the child by whatever method the court may be able to use in this respect.

(b) If the condition is critical or if prior notice(s) have not been productive of results, and if a parent or relative of the child, or other agency of the community is unwilling to take such action, the LO shall file a petition with the court for removal of the child from the parent or other person responsible for him.

(2) This policy applies in all categories of public assistance.

(3) When, according to the above criteria, the child is endangered emotionally or physically, the difficulty shall be discussed frankly with the parents. If conditions cannot be improved to the extent that the child is properly cared for, court action should be taken so that the child can be placed in an atmosphere conducive to his welfare. [Order 530, § 388-24-200, filed 3/31/71, effective 5/1/71; Regulation 6.273, filed 1/24/64.]

(2) Under state law (chapter 74.13 RCW) the department is responsible for the protection and care of homeless, dependent or neglected children or children in danger of becoming delinquent.

(3) A minor may apply in his or her own right, including an unmarried minor with a child or an unmarried pregnant minor. If the unmarried pregnant minor is requesting an abortion, parental consent is not required. The decision to proceed with an abortion rests solely with the minor. Involvement and/or consultation with parents in reaching this decision should be a matter of individual case judgment.

(4) Financial eligibility of a minor cannot be established without a determination of the parent's ability to financially support and willingness to contribute. See WAC 388-83-050(2) for responsibility for medical care. Parental contact is not required when the minor applicant

- (a) Is married,
- (b) Is in the military service.

(c) Has been declared emancipated by a court of competent jurisdiction prior to the application for assistance.

(i) The minor's emancipation status is not an eligibility factor. The identification of emancipation status is necessary to determine if there is parental responsibility for support.

(d) Is applying for medical assistance related to pregnancy. See WAC 388-82-015 (1)(a)(i) regarding abortion.

(5) The minor applicant will be informed that there will be communication with her/his parents in the determination of eligibility, and that the juvenile court will

be advised if her/his parents do not assume financial responsibility.

(6) The juvenile court will be advised of all cases in which the parents do not assume financial responsibility. [Order 1097, § 388-24-550, filed 2/13/76; Order 1049, § 388-24-550, filed 8/29/75; Order 1007, § 388-24-550, filed 2/13/75; Order 842, § 388-24-550, filed 8/9/73; Order 741, § 388-24-550, filed 11/22/72.]

WAC 388-26-025 Age determination—Specific considerations. (1) Prior to authorizing a public assistance grant, the fact must be established that the applicant or person in whose behalf aid is granted is within the age limits applicable to the category of assistance from which payment will be made.

(2) Aid to families with dependent children.

(a) The birthdate of a minor child must be definitely established. AFDC may be temporarily granted when personal observation establishes the child's age as obviously within the AFDC age limit. However, the child's age must be accurately determined as soon as possible for purposes of establishing continuing eligibility.

(b) When only the year of birth can be established, the arbitrary birthdate of July 1 is assigned. [Order 917, § 388-26-025, filed 3/14/74; Order 531, § 388-26-025, filed 3/31/71, effective 5/1/71; Regulation 7.11, filed 7/27/67; Regulation 7.11, filed 1/24/64.]

WAC 388-26-040 Age determination--Affidavit. The affidavit of the applicant himself as to his birthdate made before a judge of the superior court or of the supreme court of the state of Washington is permitted by law. This can be used as verification by those whose own statement of their age is in question. [Order 917, § 388-26-040, filed 3/14/74; Order 531, § 388-26-040, filed 3/31/71, effective 5/1/71; Regulation 7.14, filed 7/27/67; Regulation 7.14, filed 1/24/64.]

WAC 388-26-050 Residence. (1) Residence as an eligibility condition in qualifying for public assistance necessitates determination of whether or not residence has been established in the state of Washington.

(2) There are no durational residence requirements for any category of public assistance. [Order 531, § 388-26-050, filed 3/31/71, effective 5/1/71; Order 366, § 388-26-050, filed 7/9/69; Regulation 7.20, filed 6/30/67; Regulation 7.20, filed 1/24/64.]

WAC 388-26-055 Residence--Establishing. (1) A resident is a person who:

(a) Is living in the state of Washington voluntarily with the intention of making his/her home in the state and not for a temporary purpose; that is, one who has indicated intent to maintain his/her residence in the state and has no intention of presently leaving the state to take up residence; or

(b) Is living in the state, is not receiving assistance from another state, and entered the state with a job commitment or seeking employment in the state whether or not currently employed.

(2) The CSO is not required to find that an applicant is a resident of Washington if he/she is determined to be a bona fide resident of another state; in other words, that he/she is temporarily absent from another state and has not chosen to acquire residence in this state. [Statutory Authority: RCW 74.08.090. 81-09-043 (Order 1636), § 388-26-055, filed 4/15/81; 80-03-052 (Order 1490), § 388-26-055, filed 2/22/80; Order 531, § 388-26-055, filed 3/31/71, effective 5/1/71; Order 513, § 388-26-055, filed 1/15/71; Order 366, § 388-26-055, filed 7/9/69; Regulation 7.21, filed 6/30/67; Regulation 7.21, filed 1/24/64.]

WAC 388-26-060 Residence--Maintaining. (1) A person is considered to have maintained his residence in

Washington if, since establishing it, he has not left the state except as specified below.

(2) Absences from the state prior to application are not considered as having interrupted residence when

(a) The absences were enforced or beyond the control of the person, or

(b) The absences were for temporary periods and occurred for specific purposes, which did not involve an intent to change residence and did include a plan for return at a future date.

(3) An applicant who meets the residence requirements and is otherwise eligible may not be disqualified from receiving assistance solely because of the fact that he has, in the past, received assistance from another state or a political subdivision thereof. The LO cannot use the fact that the applicant has been receiving assistance from another state as the basis for determining that such individual is not a resident of Washington.

(4) It is assumed that any person who removes himself from the state of Washington for more than a temporary visit is no longer residing in the state of Washington unless he can present positive evidence to the contrary. No assistance shall be granted to any person who is not residing in the state of Washington according to this assumption. See WAC 388-33-240 pertaining to "visit." A recipient remaining out of the state for more than one month must supply adequate information to overcome the assumption that he no longer intends to reside in the state of Washington.

(5) Assistance can only be continued if the recipient remains in need and can fulfill all eligibility requirements, such as, referral to WIN or other rehabilitative resources, current registration for work, maintenance of services to children, etc.

(6) Noncontinuing GA is not paid to persons outside the state. [Order 1241, § 388-26-060, filed 9/23/77; Order 531, § 388-26-060, filed 3/31/71, effective 5/1/71; Order 366, § 388-26-060, filed 7/9/69; Regulation 7.22, filed 6/30/67; Regulation 7.22, filed 1/24/64.]

WAC 388-26-065 Residence--Applicant living in another state. A person applying to Washington for a public assistance grant while living in another state or country may meet the residence requirement if

(1) He offers convincing proof that he has maintained residence in this state since leaving it. "Proof" shall be more than a "statement of intent" to maintain residence in Washington. The intent must be evidenced by prior acts of a specific nature which bear out the intent and which can be demonstrated. Acceptable evidence may be return trips to this state, written statements to other persons, maintenance of a home in this state, or other such actions;

(2) He once lived and acquired residence in this state and his absence is

(a) Enforced and beyond his control, or

(b) Essential to his welfare and due to his physical or social needs, and

(c) He continues his intention of maintaining his residence in the state of Washington and has a plan to return to the state;

(3) He is living in the United States at the time of application;

(4) Arrangements can be made to have the application taken by a public assistance agency and the necessary investigation made to process the application in accordance with Washington rules. [Order 531, § 388-26-065, filed 3/31/71, effective 5/1/71; Order 489, § 388-26-065, filed 10/30/70, effective 12/1/70; Order 366, § 388-26-065, filed 7/9/69; Regulation 7.23, filed 1/24/64.]

WAC 388-26-070 Residence—Applicant receiving assistance from another state. An applicant who is a recipient of assistance from another state shall be eligible for assistance in Washington when he satisfies the residence requirement of Washington and is otherwise eligible. However, assistance from Washington shall not be authorized until eligibility for assistance from the other state ceases and the grant from the other state is terminated. [Order 976, § 388-26-070, filed 10/28/74; Order 917, § 388-26-070, filed 3/14/74; Order 531, § 388-26-070, filed 3/31/71, effective 5/1/71; Order 366, § 388-26-070, filed 7/9/69; Regulation 7.24, filed 1/24/64.]

WAC 388-26-080 Residence—Of children. A child is residing in the state of Washington if he is making his home in the state. [Order 531, § 388-26-080, filed 3/31/71, effective 5/1/71; Order 366, § 388-26-080, filed 7/9/69; Regulation 7.251, filed 1/24/64.]

WAC 388-26-105 Residence—Authorizing return of Washington resident. (1) When an inquiry is received regarding whether or not a person is a resident of the state of Washington, or should move to the state of Washington, the LO shall

(a) Investigate the pertinent facts relative to the inquiry.

(b) Furnish the other state with pertinent information and, when appropriate, give social facts which indicate whether residence in the state of Washington is or is not in the interest of the individual's welfare.

(c) Inform the inquiring state that the department has no legal authority to authorize the return of individuals to the state or to pay costs of such return. [Order 531, § 388-26-105, filed 3/31/71, effective 5/1/71; Order 366, § 388-26-105, filed 7/9/69; Regulation 7.26, filed 1/24/64.]

WAC 388-26-120 Citizenship and alienage. To be eligible for AFDC or continuing general assistance a resident shall be either:

(1) A citizen; or

(2) An alien lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law (including any alien who is lawfully present in the United States as a result of the application of the provisions of Section 203(a)(7) or

Section 212(d)(5) of the Immigration and Nationality Act); or

Financial need exists when the applicant's payment level as hereinafter specified and adjusted for the maximum grant limitations plus authorized additional requirements exceeds the value of nonexempt resources currently possessed and the amount of his nonexempt recurrent and nonrecurrent

income. The difference thus computed represents the extent of need which exists.

(2) The rules in chapter 388-28 WAC governing determination of an applicant's financial need for assistance also govern the determination of the continuing need of a recipient unless specifically stated otherwise.

(3) Need is subject to change whenever the recipient's financial circumstances change in such a way that the appropriate payment level or his income is increased or decreased in relation to the standards for assistance. "Property" as used in this section includes both "resources" and "income" as defined in WAC 388-28-030. [Order 1241, § 388-28-300, filed 9/23/77; Order 445, § 388-28-300, filed 4/28/70; Regulation 8.50, filed 1/24/64.]

WAC 388-28-350 Confidentiality--Stepparent responsibility. (1) The income and resources of a stepparent are deemed to be available to meet the requirements of the stepchild and its parent in the same manner as the income and resources of the natural or adoptive parent. See WAC 388-28-560.

(2) The stepparent's responsibility for support ceases when the marriage is terminated by death or divorce.

(3) The natural parent of such child is not relieved of a legal obligation to support his child by this provision. [Order 1132, § 388-28-350, filed 7/8/76; Order 481, § 388-28-350, filed 9/29/70, effective 11/1/70; Regulation 8.53, filed 1/24/64.]

WAC 388-28-355 Presumptive spouse. (1) When a dependent child lives with one parent and another person whom the department presumes to be the spouse but who is not legally married to the parent:

(a) The parent must declare those portions of the income and resources of the presumptive spouse which are provided voluntarily for the support of the child(ren) and the parent.

(b) Only such income and resources which have been stipulated by the parent to be actually available on a regular basis to meet the needs of the parent and child(ren) shall be considered in determining the income available to the parent and child(ren).

(2) Unwillingness of the presumptive spouse to contribute does not affect the child's eligibility for assistance.

(3) The needs of the presumptive spouse may not be included in the assistance unit - see WAC 388-24-050(4), 388-29-020 and 388-29-080(3).

(4) The natural parent is not relieved of a legal obligation to support his child by contributions from the

presumptive spouse toward the child's support. [Statutory Authority: RCW 74.08.090. 83-04-033 (Order 1940), § 388-28-355, filed 1/28/83, effective 3/1/83; 78-10-036 (Order 1338), § 388-28-355, filed 9/18/78; Order 1018, § 388-28-355, filed 4/23/75; Order 786, § 388-28-355, filed 4/12/73; Order 650, § 388-28-355, filed 2/9/72; Order 481, § 388-28-355, filed 9/29/70, effective 11/1/70; Order 445, § 388-28-355, filed 4/28/70; Regulation 8.54, filed 6/14/66; Regulation 8.54, filed 1/24/64.]

WAC 388-28-360 Community, separate and jointly owned property--Community property. (1) All property, either real or personal, held in the name of either the husband or wife or both is presumed to be community property. Any income received by either the husband or wife is presumed to be community income. The earnings of the husband, or wife, or both, if not legally separated, are community income.

(2) Property subject to the disposition of either the applicant or his (her) spouse, is presumed to be community property for the purpose of determining eligibility. This presumption stands until overcome by positive evidence to the contrary.

(3) Community property is considered to constitute a resource available to the family unit and hence to both or either spouse. Each member of the marital community shall have his or her eligibility determined on the basis of a family unit and on the basis of the total community property holdings and income, regardless of whether one or both are applicants. [Regulation 8.551, filed 1/24/64.]

WAC 388-28-365 Community, separate and jointly owned property--Separate property. (1) Property is considered as separate property when it has been established that it was acquired (and paid for) by either spouse before marriage, or as a result of gift or inheritance, or was acquired and paid for entirely out of income from separate property. A commingling of community income and income from separate property in the purchase or improvement of property probably destroys the status of separate property.

(2) The husband's separate property and income therefrom and the earnings, if not legally separated, are regarded as community property or earnings and as available to the wife since the husband is required by law to support his wife and she is provided a means by which she can enforce such support.

(3) The wife's separate property, her income from separate property and her earnings if not legally separated, are presumed to be resources available to her husband unless and until it is definitely established that they are in fact not available to meet the requirements of the husband. [Regulation 8.552, filed 1/24/64.]

WAC 388-28-370 Community, separate and jointly owned property--Further considerations for determining property of husband and wife. (1) Transfer of his separate property by the husband does not disqualify the wife, but he may not be included in her grant.

(2) Separate resources or income of a wife shall be presumed to be available to meet the requirements of a husband when:

(a) They are living together; and

(b) The marital relationship is apparently normal and stable with mutual sharing of control and responsibility according to their respective capacities.

(3) Separate property or income of a wife may be considered as not available to meet the requirements of a husband when:

(a) The wife has definitely stated that she will not contribute toward her husband's requirements out of such separate property or income; and

(b) The husband and wife are:

(i) Not living together; or

(ii) Living together, but under situations such as the following:

(A) She has publicly repudiated responsibility for the debts or support of her husband, or

(B) Statements of the spouses are substantiated by other evidence, such as:

(I) Existence of a pattern of segregation of household costs and responsibilities sustained over some reasonable period of time.

(II) Tax reports or tax withholding exemptions showing that neither is considered as dependent on the other; and supporting the separate ownership of the income

(III) Sworn testimony from others who do not stand to benefit directly one way or the other and in a position to know of the family situation

(IV) Other clear and convincing evidence of circumstances resulting in established property settlements or which have effectively excluded the husband from benefiting from the wife's income.

(4) When it has been established that property or income is the separate property of the wife of an applicant.

(a) Transfer of the property by the wife does not disqualify the husband but she may not be included in his grant if she is ineligible because of the transfer.

(b) The husband shall not be declared ineligible on the basis that the market value of the wife's separate property would disqualify her if she were applying, but she may not be included in his grant. [Regulation 8.553, filed 1/24/64.]

WAC 388-28-380 Community, separate and jointly owned property--Property jointly owned (not community). When an applicant has less than full title to property (title is shared with some person other than the spouse and other than the contract vendor, mortgage or lien holder) eligibility shall be determined upon the basis of the applicant's equity in his fractional interest in the value of the property. [Regulation 8.554, filed 1/24/64.]

WAC 388-28-385 Community, separate and jointly owned property--Property ownership--Verification. In the absence of definite evidence to the contrary produced by the applicant, legally executed bills of sale, purchasing contracts, official tax records, or documents executed for purposes such as securing loans and which specify

the applicant as owner, or as carrying the obligation attendant upon ownership, shall be presumed to establish the ownership of such resource by the applicant. [Regulation 8.56, filed 1/24/64.]

WAC 388-28-390 Community, separate and jointly owned property--Social insurances and related entitlements. (1) "Entitlement" means any form of benefit, compensation, insurance, pension (retirement, military, etc.), bonus, allotment, allowance, etc., payable in cash or its equivalent in which an applicant may have a claim or interest recognized in law.

(2) The local office shall carefully examine the interest an applicant may have in any entitlement and explore all of the facts with him.

(3) The local office shall discuss with the applicant any potential entitlements, direct him to the proper agency through which clearance may be made and, if necessary, assist him in obtaining such benefits.

(4) Men who can receive reduced RSI benefits at age sixty-two and women who can do so at age sixty are ineligible for public assistance. Whether or not such person chooses to obtain this reduced benefit is his own decision, but the amount of the resource which he could claim shall be taken into consideration in computing his financial need. [Order 917, § 388-28-390, filed 3/14/74; Regulation 8.57, filed 2/3/67; Regulation 8.57, filed 12/31/65, 1/24/64.]

WAC 388-28-392 Community, separate and jointly owned property--Labor and industries compensation--Lien. (1) The department of social and health services (DSHS) is authorized to file a lien upon labor and industries time-loss compensation payable to a recipient of public assistance.

Provisions of this section do not apply to persons when the person's eligibility for labor and industries benefits is based upon an injury or illness occurring prior to July 1, 1972.

(2) By accepting public assistance a recipient is deemed to have subrogated to DSHS his or her right to recover net time-loss compensation. DSHS shall compute the department's claim for subrogation up to eighty percent of the lesser amount of either the public assistance or time-loss compensation paid, for the periods when both public assistance and time-loss are paid to the injured worker.

(a) When the public assistance unit is composed of several adults not married to each other, and the adults' dependents in an assistance unit, the claims for subrogation will be made as if the injured worker and his or her dependents were on a separate assistance grant.

(i) If the unmarried adults on a public assistance grant have a common child, that child will be counted as one of the injured worker's dependents.

(ii) If an injured worker or one of his or her dependents receives other income which is budgeted against the public assistance grant, the claim for subrogation will be made as if that other income were budgeted against continuing assistance for the injured worker and his or her dependents in the household.

(b) When the period of duplicated benefits from public assistance and time-loss compensation terminates, or if continuing assistance is paid to supplement time-loss compensation to bring the injured worker's income up to the grant payment standard, DSHS shall make no further claim under this lien against the time-loss compensation.

(c) In computing the amounts of claims for subrogation, DSHS shall compute the payments for time loss and public assistance paid for less than a full month on the actual number of days paid.

(3) A copy of the statement of lien and notice to the department of labor and industries to withhold and deliver time-loss compensation to DSHS shall be mailed to a recipient no later than three days after such statement has been sent to the department of labor and industries.

(4) DSHS shall advise an applicant or recipient of the provisions of this section when it is known that such individual may be eligible for time-loss compensation from labor and industries.

(5) Any person feeling himself or herself aggrieved by the action of DSHS in impounding his or her time-loss compensation shall have the right to a fair hearing as provided in chapter 388-08 WAC. [Statutory Authority: RCW 74.08.090, 82-12-066 (Order 1818), § 388-28-392, filed 6/2/82; Order 842, § 388-28-392, filed 8/9/73.]

WAC 388-28-400 Effect of resources and income on financial need—Summary of basic policies. (1) Meaning of resources.

(a) A resource is any property which the applicant possesses and can currently use to supply all or part of his requirements. See definition of "resource" and "income" in WAC 388-22-030.

(b) Property shall be considered a resource only when it is actually at hand for current use and/or disposition by the applicant. Real and personal property shall be considered at hand for current use and disposition when it can be utilized to supply requirements by use, by direct transfer to a buyer, by conversion into cash, or by a pledge of such asset.

(c) Resources shall be considered to be at hand for current use and/or disposition whenever they are in the form of real or personal property over which the applicant has title or control. Title exists in the form of record title to real estate and certain personal property, such as an automobile; title to most other personal property exists by mere possession. Title to property raises a presumption of the right and ability of the title holder to use or dispose of such property.

(2) Consideration of resources and resource potentials.

(a) For the purpose of determining current and continued eligibility for public assistance, the local office shall evaluate the status of all real or personal property (community, separate or jointly owned) held by or subject to the disposition or control of an applicant and his spouse and members of the assistance unit.

(b) Also, the resource potentials of such persons must be considered.

(3) Exempt resources. Exempt resources do not affect eligibility in terms of their disposition value but may in respect to the use or income producing value.

(4) Nonexempt resources. The possession of all non-exempt resources affects eligibility. Their sale, pledge, lease, rental or use values are used to determine financial need. When such values are equal to the appropriate payment level plus authorized additional requirements the applicant is ineligible. If the appropriate payment level plus authorized additional requirements exceed the values of nonexempt resources, eligibility exists in the difference.

(5) Clarification of ownership or value.

(a) If there is evidence that the applicant has a resource but there is also some doubt about this or about its value, the applicant is responsible for clarifying the data to the extent of his ability to do so. Without such clarification continuing eligibility cannot be established.

(b) If the applicant does not clarify the facts in question within a reasonable period of time set by the local office, but not to exceed forty-five days from date of application, eligibility does not exist for continuing assistance.

(c) If the applicant is handicapped in his ability to clarify his eligibility, the local office shall assist him to do so.

(d) If the applicant produces evidence supporting his eligibility but doubt of its reliability or conclusiveness still exists the local office shall attempt to obtain conclusive evidence directly.

(6) An applicant must proceed to make available any resource which will reduce need.

In determining whether an applicant is proceeding with reasonable diligence to make a resource potential available to meet need, the local office is governed by the factors involved in individual situations. The applicant is responsible for submitting evidence in the form of statements or letters which would indicate the factors involved and the approximate time that a final decision could be expected. A definite period of time is determined by the local office made known to the applicant and recorded.

(7) Conditional eligibility. When an applicant has taken reasonably required action to make a resource potential available but without success, his current eligibility is not affected. However, if there is reason to believe that the resource potential will be available later, his continued eligibility is conditional and subject to review at such later period at which time the appropriate policy herein is utilized. [Statutory Authority: RCW 74.08-.090, 83-04-033 (Order 1940), § 388-28-400, filed 1/28/83, effective 3/1/83; Order 1096, § 388-28-400, filed 2/13/76; Regulation 8.61, filed 1/24/64.]

WAC 388-28-410 Effect of resources and income on financial need—Exempt and nonexempt resources. When it has been determined that an applicant possesses a resource in accordance with the above considerations, such resources shall be classified as exempt or nonexempt in accordance with WAC 388-28-415 through 388-28-455. [Statutory Authority: RCW 74.08.090.

80-14-061 (Order 1547), § 388-28-410, filed 10/1/80; Regulation 8.62, filed 1/24/64.]

WAC 388-28-415 Effect of resources and income on financial need—Exempt resources. An applicant may possess and retain the following resources and be eligible for public assistance. While the fact of ownership does not make an applicant ineligible, the use of such properties to produce income (such as rental of a room in the home), or to meet the cost of an item included in the standard of need (such as wood on the home property which meets the need for fuel) does affect financial need. [Statutory Authority: RCW 74.08.090. 83-04-033 (Order 1940), § 388-28-415, filed 1/28/83, effective 3/1/83; Regulation 8.63, filed 1/24/64.]

WAC 388-28-420 Effect of resources and income on financial need—Real property—Home. (1) The applicant's home is an exempt resource subject to the conditions specified. There is no ceiling value on the home.

(2) A home is defined as real property owned and used by an applicant as a place of residence, together with a reasonable amount of property surrounding and contiguous thereto, including property normally considered and used as a part of a home, such as,

- (a) Yard and home garden space;
- (b) Road to get to the home;
- (c) Right of way to and land holding a water supply;
- (d) Out-buildings and land on which they are located

serving a normal and useful function of the home, such as garage, woodshed, chicken house, barn, pasture for cow, etc. In this connection, the use of necessary land and buildings to produce self-consumed products as outlined in WAC 388-28-605 is considered as a reasonable part of the home property;

(e) Land and buildings necessary to carry out the functions described in WAC 388-28-430 (1)(c) and (1)(d) when such a plan is approved by the CSO.

Property in addition to that covered under subsections (2)(a) through (2)(e) is considered under WAC 388-28-455.

(3) The home when used as a place of residence by the applicant or by his dependents is an exempt resource.

(a) "Dependents" as used in this section means spouse of the applicant and/or minor children and disabled sons or daughters.

(b) "Disabled sons or daughters" means one or more unmarried, natural or adopted, minor or adult sons or daughters with a medically-verified disability which significantly handicaps them in performing employment or homemaking activities and who are dependent on the applicant for their livelihood.

(4) When the home is not being used for residential purposes by the applicant or by his dependents, the property shall be considered as a nonexempt resource subject to the exceptions in (a) and (b).

(a) An applicant absent from his home for temporary visits is considered as continuing to reside in his home unless he expresses his intent to abandon the home as a residence.

(b) Effective 6/12/80 an applicant absent from his home for more than 90 days is presumed to have abandoned the home for residential purposes, except when such absence is due to natural disaster, hospitalization or other health reasons.

(i) When such absence is over 90 days, and there is cause to believe that the applicant will be unable to return to his home and the home is not occupied by his dependents, there shall be a rebuttable presumption that the home is a nonexempt resource when the following conditions are met.

(A) The individual specifies in writing that it is his intent not to return to the home and use it as his place of residence either for himself, or for his dependents, or

(B) For medical absences, the CSO administrator, with the cooperation of the medical consultant, shall contact the president of the local medical society and ask that three doctors, one of which may be the attending doctor, review the existing medical findings and history and provide the CSO with a statement signed by all three physicians that it is their professional belief and opinion that the individual, for health reasons, will either be able or unable to return to his home property. If the conclusion reached by the three physicians is not unanimous, this shall be so indicated.

In the event the evaluation from the three physicians indicates that it is their medical opinion the individual will be able to return to his home during his lifetime, the home property shall continue to be considered as exempt property.

In the event the evaluation from the three physicians indicates unanimously that it is their medical opinion the individual will be unable to return to his home during the remainder of his lifetime, the home, if not occupied by his dependents, shall be considered nonexempt property which can be made available to meet need.

The CSO administrator shall advise the president of the local medical society, as well as the physicians selected by the president, that the department will pay each physician participating in the review an amount not to exceed \$10 per case.

(C) For absences resulting from natural disaster, the local office administrator determines that the residence is accessible and inhabitable. When a home that is determined inaccessible or uninhabitable could, in the judgment of the CSO administrator, become accessible and inhabitable with reasonable effort and expense to the applicant, it is presumed to be a nonexempt resource. [Statutory Authority: RCW 74.08.090. 80-14-061 (Order 1547), § 388-28-420, filed 10/1/80; Order 373, § 388-28-420, filed 8/1/69; Regulation 8.631, filed 1/24/64.]

WAC 388-28-430 Effect of resources and income on financial need—Personal property exemptions—Ceiling values. (1) The following personal property is an exempt resource for general assistance. There is no ceiling value on such property.

(a) Used and useful household furnishings and personal clothing. Household furnishings and personal clothing in storage shall be presumed to be not used and

useful, but all other household furnishings and personal clothing shall be presumed to be used and useful and both presumptions stand in the absence of evidence to the contrary.

(b) Personal property of "great sentimental value" may be exempted when the applicant establishes the circumstances and conditions which give it this value. When the intrinsic value is relatively high (stamp or coin collections, etc.) there may be need to review it carefully.

(c) Term and/or burial insurance for the use of the applicant or recipient.

(d) One cemetery plot for each member of an assistance household is exempt personal property. Any additional plots are nonexempt.

(2) The following items are exempt resources to the extent that the values of such items are within the following maxima or ceiling values for general assistance.

(a) The total value of cash, marketable securities, cash discount value of real estate or chattel mortgages and sales contracts, and any excess of values exempted under (2)(b) and (c) of this section and any other resources not specifically exempted shall not exceed \$1,500.00 for a single person, or \$2,250.00 for a family of two or more.

(b) Life insurance may have a cash surrender value not to exceed \$1,500.00 considered as an exempt resource.

(c) Used and useful vehicles with an equity value of \$1,500.00 or less is an exempt resource.

(3) For AFDC and RA, household furnishings and personal clothing essential for daily living are exempt resources without ceiling value. Such items which are in storage shall be presumed to be not essential for daily living but all other household furnishings and personal clothing shall be presumed to be essential for daily living and both presumptions stand in the absence of evidence to the contrary.

(4) For AFDC and RA the total value of cash, marketable securities, cash discount value of real estate or chattel mortgages, sales contracts, and burial plots, cash surrender value of life insurance and burial insurance and, excess value of vehicles, value of nonexempt property and any other resources not specifically exempted shall not exceed one thousand dollars regardless of family size.

(5)(a) For AFDC and RA one used and useful vehicle, with an equity value of \$1,500.00 or less is an exempt resource,

(b) Excess equity value of a used and useful vehicle and the equity value of other vehicles shall apply toward the limit in subsection (4) of this section.

(6) The following rules apply to all grant programs:

(a) Other personal property, such as tools, farm machinery, livestock, business equipment, and inventory, can be declared an exempt resource by the CSO on the basis of an agreed plan. The following conditions apply:

(i) The exempted property must either produce income which reduces the applicant's or recipient's need for public assistance, or aid in rehabilitating him or her or his or her dependents by providing self-employment

experience which can reasonably be expected to lead to full or partial self-support.

(ii) If stock, raw materials, or inventory of a business are exempted, any increase in their value must be examined to determine whether the increase is necessary to the health of the enterprise. Such increase shall not be used as a means of diverting funds which might reasonably constitute income to the recipient.

(b) Funds represented by values within the ceiling values are not used to determine financial need or to compute grants.

(c) Funds represented by values in excess of the maxima or ceilings are nonexempt; that is, they are used to determine financial need and to compute grants.

(d) All cash savings held by the applicant or held jointly with any other person shall be considered. Any funds on deposit, in hand or in any place from which cash may be drawn by the applicant is a cash fund. A cash fund includes a bank account, savings, funds held in trust for future use (when applicant can make withdrawals), savings bonds, advance insurance premium payments, interest, etc.

(e) A joint account shall be considered the property of the applicant or recipient since the entire amount is at his or her disposal, except when the applicant or recipient can show that all or a portion of the funds deposited within the joint account is derived from funds exclusively the other joint holder's and held and/or utilized solely for the benefit of that joint account holder. All funds within the joint account so verified shall not be considered actually available to the applicant or recipient.

(f) Real estate or chattel mortgages or sales contracts held by the applicant will be considered exempt resources in combination with the value of other exempt personal property, within the limitation allowed in subsections (2) and (5) of this section.

(g) The cash discount value of a mortgage or contract represents the value of the resource.

(h) Any payments on mortgages or contracts received by an applicant or recipient shall be considered income as specified in WAC 388-28-580.

(i) When the equity of another person in an unassignable policy held by an applicant can be established, the amount of such equity may be deducted in determining the applicant's holdings in insurance, provided that person holding the equity is named as beneficiary of the proceeds to the extent of such equity and without power or revocation by the insured.

(j) An insurance policy legally assigned belongs to the assignee and may not be regarded as the property of the insured. However, the assignment of a policy within two years prior to application or by a recipient must be evaluated as the transfer of a resource.

(k) A motor home is a totally nonexempt resource and its value is not applied to the ceiling values in this section. If it is the only residence of the household, it is considered to be the home and is a totally exempt resource.

(l) A motor home is a motor vehicle originally designed, reconstructed or permanently altered to provide facilities for human habitation.

(m) In determining the resource value of automobiles, the national automobile dealers association official used car guide shall be used. For automobiles listed in this guide "average loan" value in the current edition shall be presumed to be the resource value.

(n) In determining the resource value of recreational vehicles the Kelley Bluebook R.V. Guide shall be used. For vehicles listed in this guide "wholesale" value in the current edition shall be presumed to be the resource value.

(o) For vehicles not listed in these guides the method of determining the resource value shall be documented in the case record.

(p) The values listed in these guides can be overcome by positive evidence to the contrary. Such evidence shall be documented in the case record.

(q) The changes to resource limits for federally funded programs will be phased in by applying them when case actions are taken and/or when eligibility is determined or redetermined.

(3) The rules in this section shall be effective April 1, 1982. [Statutory Authority: RCW 74.08.090. 82-14-049 (Order 1840), § 388-28-430, filed 6/30/82; 82-09-034 (Order 1792), § 388-28-430, filed 4/14/82; 82-01-009 (Order 1728), § 388-28-430, filed 12/4/81; 81-12-036 (Order 1659), § 388-28-430, filed 6/2/81; 80-14-061 (Order 1547), § 388-28-430, filed 10/1/80; 79-04-013 (Order 1369), § 388-28-430, filed 3/15/79; 78-04-036 (Order 1282), § 388-28-430, filed 3/20/78; Order 1241, § 388-28-430, filed 9/23/77; Order 1106, § 388-28-430, filed 3/11/76; Order 891, § 388-28-430, filed 12/27/73; Order 373, § 388-28-430, filed 8/1/69; Order 295, § 388-28-430, filed 8/5/68; Regulation 8.632, filed 8/10/67; Regulation 8.632, filed 7/13/65; 12/21/64, effective 2/1/65; 6/17/64, effective 8/1/64, 1/24/64.]

WAC 388-28-440 Accumulation and depletion of allowable cash resource reserves. (1) Recipients may spend their cash reserves and rebuild them with succeeding public assistance grants, with funds from other exempt sources or other income which has been considered in computing financial need. They may place grants in accounts along with cash reserves and then spend out of those accounts during the month.

(2) Cash on hand may exceed the limits specified in WAC 388-28-430 (2)(a) to the extent unexpended money which has been considered in computing financial need and from the public assistance grant is on hand within thirty days after its receipt.

(3) For general assistance only, allowable cash reserves may be accumulated from nonrecurrent cash lump sum sources, including the following:

- (a) Income tax refunds.
- (b) Inheritances.
- (c) Insurance benefits.
- (d) Gifts.
- (e) Prizes and awards.
- (f) Repayment of debts owed the recipient.
- (g) Proceeds from the sale of exempt property.
- (h) Social Security death benefits.

(i) Indian per capita payments generated by tribally held land or business.

(4) In general assistance only if a lump sum, when added to existing reserves, causes the resources to exceed allowable limits, the excess is newly acquired income to be treated in accordance with WAC 388-28-484.

(5) Recipients may not use the following types of one-time payments to accumulate resource reserves:

(a) Earnings which are accrued over a period of time and received in one payment.

(b) Payments which represent accumulated periodic benefits. Examples are Social Security retirement and disability benefits, railroad retirement benefits, unemployment insurance benefits, and veterans' benefits.

(6) If a lump sum is placed in trust for a recipient and is not under his or her control, the following rules apply:

(a) Funds kept in trust do not affect public assistance need.

(b) For general assistance only the trustee may release to the recipient an amount up to the allowable resource limit for the assistance unit less any amount of existing cash and marketable securities as of the date the lump sum was received. Such disbursement, if made within thirty days of the date the lump sum was received, is used to accumulate allowable reserves and does not affect public assistance need. This may be done once for each lump sum placed in trust. [Statutory Authority: RCW 74.08.090. 82-01-009 (Order 1728), § 388-28-440, filed 12/4/81; 80-14-061 (Order 1547), § 388-28-440, filed 10/1/80; 78-10-036 (Order 1338), § 388-28-440, filed 9/18/78; Order 1224, § 388-28-440, filed 7/19/77.]

WAC 388-28-450 Nonexempt resources—Effect on financial need. Any resource, except those listed in WAC 388-28-420 and 388-28-430 as exempt, is a nonexempt resource.

The possession of a nonexempt resource by an applicant affects his financial need to the extent that the value of the resource decreases his need for public assistance. The value of such resource is deducted from the cost of the applicant's requirements for one month. See WAC 388-28-481 for effect of nonexempt resources on continuing need. If the value of nonexempt resources exceeds one month's requirements the applicant is ineligible.

The value assigned to such resources shall be the fair market value unless quick or forced sale value is otherwise specifically designated as the value. [Order 1241, § 388-28-450, filed 9/23/77; Regulation 8.64, filed 1/24/64.]

WAC 388-28-455 Nonexempt resources—Real property—Nonexempt. (1) Any real property other than the home (including life estate not occupied as a home) shall be considered a nonexempt resource in the amount of: (a) The quick sale value if sale is possible, or (b) the income from rental or lease if sale is not possible.

(2) If an applicant has used reasonable diligence in seeking a purchaser, renter or leasee of his nonexempt real property or life estate but is unable to sell, rent or

lease the property at any price, no resource value exists pending any change which might give value to the item.

(3) WAC 388-28-400 should be reviewed in connection with these situations. [Statutory Authority: RCW 74.08.090. 82-18-063 (Order 1870), § 388-28-455, filed 9/1/82; Regulation 8.641, filed 1/24/64.]

WAC 388-28-457 Transfer of property. WAC 388-28-457 through 388-28-465 deal with the transfer of property prior to or at the time of application. If previously owned property was transferred for less than adequate consideration, the value of such transferred resource may affect the eligibility of the applicant. [Statutory Authority: RCW 74.08.090. 80-14-061 (Order 1547), § 388-28-457, filed 10/1/80; 78-05-088 (Order 1293), § 388-28-457, filed 5/3/78; Order 1241, § 388-28-457, filed 9/23/77.]

WAC 388-28-458 Definitions. (1) "Adequate consideration" shall mean that the reasonable value of the goods or services received in exchange for the transferred property approximates the reasonable value of the property transferred.

(2) "Need under normal conditions of living" shall mean the Washington state gross median income adjusted for family size, as promulgated by the secretary of HEW, under the authority granted by Title XX of the Social Security Act, minus other income, during a period of time when not receiving public assistance.

(3) "Public assistance need" means the monthly amount of the department's standards for requirements minus all available income.

(4) "Reasonable value" refers to a reasonable value of the property transferred and the reasonable value of the goods or services received in exchange for the transferred property. The reasonable value of real or personal property transferred and/or received in return is not less than quick-sale value as of the date of transfer.

When property is in the form of cash no question exists as to the value. Items in kind are always evaluated to determine their reasonable value.

(5) "Transfer" shall mean any act or omission to act whereby title to or any interest in property is assigned, set over, or otherwise vested or allowed to vest in another person; including delivery of personal property, bills of sale, deeds, mortgages, pledges or any other instrument conveying or relinquishing an interest in property. Transfer of title to a resource occurs by

(a) An intentional act or transfer, or

(b) Failure to act to preserve title to the resource. [Order 1241, § 388-28-458, filed 9/23/77.]

WAC 388-28-459 Transfer of property with intent to qualify for public assistance. (1) In the absence of an admission by the applicant, the department shall investigate the facts of the transfer of the nonexempt property on the presumption that an applicant made the transfer with intent to qualify for assistance only when:

(a) He has transferred nonexempt property for an inadequate consideration within two years immediately prior to application, that is, the transfer has failed to

meet one or more of the conditions of WAC 388-28-461, and

(b) Such transfer has reduced the applicant's nonexempt property holdings to the extent that the remaining holdings are within the department's resource limit.

(2) The applicant shall have the opportunity to demonstrate that the transfer was for reasons other than to qualify for public assistance.

(a) Reasons (noninclusive) contained within WAC 388-28-462 shall, if proven, establish that the transfer was not for the purpose of qualifying for public assistance.

(3) If the applicant does not overcome the presumption, the rules in WAC 388-28-460 pertain and shall be followed. [Statutory Authority: RCW 74.08.090. 78-05-088 (Order 1293), § 388-28-459, filed 5/3/78; Order 1241, § 388-28-459, filed 9/23/77.]

WAC 388-28-460 Transfer within two years prior to application. (1) An applicant who transfers any non-exempt real or personal property within two years immediately prior to the date of application (or during the application period) without having received adequate consideration for such property shall be deemed to have a resource available to meet his/her needs under normal conditions of living. Personal property as used in this rule means any form of nonexempt property, including money, which is not real property.

(2) The amount considered available to meet need shall be the difference between the reasonable value of the consideration received for the transferred property and the reasonable value of the property transferred. In determining this amount the rules in WAC 388-28-461 and 388-28-462 shall be considered.

(3) If the transfer is taken into account before assistance is authorized the applicant is ineligible from the date of transfer for a period of time determined by dividing the amount considered available to meet need, computed according to subsection (2), by need under normal conditions of living as defined in WAC 388-28-458.

(4) If the transfer is taken into account after assistance is authorized

(a) The amount of need under normal conditions of living is determined for the period from date of transfer to date of authorization.

(b) If the amount determined according to subsection (4)(a) equals or exceeds the amount considered available to meet need, the transfer does not affect past, current or future eligibility.

(c) If the amount determined according to subsection (4)(a) is less than the amount considered available to meet need, the individual is ineligible for assistance granted, up to the value of this difference, for the period from grant authorization to the date of grant adjustment to correct the mistake. The amount for which he is ineligible is an overpayment subject to the definition in WAC 388-44-010.

(d) If the sum of the amount of need prior to date of authorization ((4)(a)) and the overpayment ((4)(c)), is less than the amount considered available to meet need,

the difference is deemed available to meet future need from the date of grant adjustment to correct the mistake. The individual is ineligible during a future period determined by dividing the difference by need under normal conditions of living. See WAC 388-28-463 for adjustments during this period of ineligibility.

(5) The period of ineligibility shall not exceed two years. [Statutory Authority: RCW 74.08.090. 78-05-088 (Order 1293), § 388-28-460, filed 5/3/78; Order 1241, § 388-28-460, filed 9/23/77.]

WAC 388-28-461 Transfer of property--Adequate consideration. In determining whether the value of the consideration which the applicant received from the transfer of property is adequate or less than adequate in respect to WAC 388-28-459 and 388-28-460 the following factors shall be taken into account:

(1) Circumstances necessitating the transaction. If the applicant's circumstances were such that a forced sale was reasonably indicated, with little time for seeking possible purchasers, the amount realized may be considered adequate although less than the amount which could have been realized by a more leisurely sale.

(2) The business experience or acumen of the seller. One with little experience in business will probably not make as advantageous a deal as one who is experienced and knows how to get the best possible trade.

(3) The market demand for the type of resource transferred. Certain property, such as some securities, automobile, etc., can be readily sold; whereas other property can only be sold on forced sale to speculators, who presumably would pay very little. This might apply to real estate in a locality where there is little demand for property.

(4) Market value of the item transferred may be used as a guide to the reasonableness of the consideration which should have been received. However, less than market value shall not be considered unreasonable if, in view of all existing circumstances and factors, the individual's plan in regard to the transfer had any reasonable basis as illustrated below:

(a) A consideration shall not be deemed reasonable in terms of what should have been received when the consideration received only reduced or diminished the applicant's existent rights and there were no conditioning factors present. For example, an applicant who was the holder of a \$1,000 note, but who settled the note by accepting \$500 would ordinarily be considered to have received less than reasonable consideration. It might be reasonable consideration, however, if there were disputes about the note, etc., and a reasonable compromise seemed desirable.

(b) A transfer of property in settlement of a legally enforceable debt approximately equal to the current fair market value of the property transferred represents reasonable consideration. Likewise, settlement of an unresolved claim (such as a claim for damages) by the transfer of property of approximately equal value is regarded as reasonable consideration in the absence of evidence indicating fraud or collusion. (The advice of the applicant's attorney suggesting settlement would, of

course, be substantiating evidence.) The existence of a debt must be established by one or more of the following types of evidence:

(i) A legally recorded instrument evidencing the existence of the debt and executed at or about the time the debt was allegedly incurred

(ii) Other documentary evidence—for example, cancelled checks, receipts, notes, mortgages, or written agreements executed by the principals at or about the time the debt was allegedly incurred

(iii) The sworn affidavits or testimony of at least two disinterested persons not parties to the transaction or directly or indirectly benefiting therefrom, who were in a position to have first-hand knowledge of the situation and arrangements between the principals at the time the debt was allegedly incurred and whose statement corroborates the sworn statement or testimony of the principals.

(iv) Such other evidence as would be accepted by a court of law to establish a debt, such as record of account, etc.

(c) The transfer of property due to a legally enforceable foreclosure procedure.

(d) The transfer of property by an accelerated sale due to necessity to relocate to accept employment or training or to retain a cohesive family unit.

(5) Debts incurred from the services of a minor child or for loans from a minor child are not recognized as legal obligations. [Statutory Authority: RCW 74.08.090. 78-05-088 (Order 1293), § 388-28-461, filed 5/3/78; Order 1241, § 388-28-461, filed 9/23/77.]

WAC 388-28-462 Transfer of property--Exceptions. The following circumstances are examples of transfers of nonexempt property which shall not be considered a transfer with intent to qualify for assistance regardless of the consideration received.

(1) The applicant was the victim of fraud, misrepresentation or coercion and the transfer was based upon such fraud, misrepresentation or coercion; providing that the applicant has initiated and taken any and all possible steps to recover such property or the equivalent thereof in damages. Such facts are established by competent legal advice from the applicant's attorney or, if he has none, the prosecuting attorney. In the event that action has been taken for restitution or damages the applicant may be eligible until the action is concluded providing he proceeds with due diligence.

(2) At the time of the transfer, the applicant was not receiving assistance and did not consider any probable need for assistance in the foreseeable future. The information provided by the applicant shall be verified in accordance with the rules on verification.

(3) The property was transferred to a spouse pursuant to a divorce or legal separation settlement approved by or ordered by a court of competent jurisdiction.

(4) The applicant held title only as a trustee for the use and benefit of another person with no beneficial interest himself.

(5) The transfer was to clear title to property in which the applicant had no real beneficial enforceable interest.

(6) The act was the execution of a mortgage of exempt property to secure antecedent debts, the only consideration for which was the forbearance of suit by the mortgagee. "Antecedent debts" means debts which occurred prior to and apart from the transaction giving rise to the execution of the note and mortgage. "Forbearance of suit" refers to the creditor's promise not to enforce his right to payment of the debt by legal proceedings in court. Situations coming under this provision are cleared in writing with the assistant attorney general in the state office. [Statutory Authority: RCW 74.08.090, 78-05-088 (Order 1293), § 388-28-462, filed 5/3/78; Order 1241, § 388-28-462, filed 9/23/77.]

WAC 388-28-463 Transfer of property--Adjustment in period of ineligibility. (1) The past and future period of ineligibility as determined in WAC 388-28-459 and 388-28-460 may be reduced if during such time of ineligibility the applicant has demonstrable, unusual nonrecurrent expenses, such as extensive hospitalization, surgery, major disaster, etc., or a major unforeseen change in circumstances.

(2) An applicant who secures a return of the property transferred, or the equivalent value, may be eligible if otherwise qualified. In addition, if he secures a return or a portion of the resource or the equivalent value, the period of ineligibility may be accordingly reduced. [Order 1241, § 388-28-463, filed 9/23/77.]

WAC 388-28-464 Transfer of property--Assistance during period of ineligibility. An applicant who transferred nonexempt property to qualify for assistance as determined by investigation by the department and who has been determined not to be in need for a future period of time, not to exceed two years, shall be granted public assistance only if undue hardship exists. Assistance paid under this rule shall not be considered an overpayment. [Statutory Authority: RCW 74.08.090, 78-06-023 (Order 1293A), § 388-28-464, filed 5/16/78; 78-05-088 (Order 1293), § 388-28-464, filed 5/3/78; Order 1241, § 388-28-464, filed 9/23/77.]

WAC 388-28-465 Transfer of property--Life estate, release, assignment--Adequate consideration. (1) The release of a life estate in real property is a transfer of a right in such property and, if done without reasonable consideration, may be regarded as a transfer of property. See WAC 388-28-459 and 388-28-460 to determine how the transferred amount, computed according to subsections (2) through (7) affects eligibility.

(2) When an applicant releases or assigns a life estate, the value of the right transferred shall be determined by using the state insurance commissioner's table for determining valuation of present worth of life and term estates or annuities.

(3) Deleted.

(4) When an individual had complete title to property, transfer with retention or reacquisition of life estate is never adequate consideration, since the individual accepts back less title and less right than he had before.

(5) Life estate in property previously owned may be adequate and reasonable consideration if the individual receives other consideration, such as a release from encumbrances against the property, or the settlement of claims or interests in the property, or the promise in writing of other valuable considerations such as money or services.

(6) Whether life estate was adequate and reasonable consideration requires a determination of

(a) The applicant's equity in the property, and

(b) A determination of his equity in the life estate together with the additional considerations.

(7) The known actual value of a transferred life estate is used if it is greater than the value established according to the insurance commissioner's table. [Order 1241, § 388-28-465, filed 9/23/77.]

WAC 388-28-470 Transfer of exempt property by recipient. (1) The rules in WAC 388-28-470 through 388-28-473 apply to the transfer, in whole or part, by a recipient of various types of property which he owned when he applied for public assistance and which has been declared exempt property.

(2) Exempt property which a recipient may retain and be eligible for public assistance must continue to be retained to be exempt except as provided in WAC 388-28-471 and 388-28-472.

(3) "Transfer" is used as defined in WAC 388-28-458(5) and 388-28-462. [Order 1241, § 388-28-470, filed 9/23/77.]

WAC 388-28-471 Exempt property transferable without consent. (1) Exempt personal property may be transferred without the consent of the local office.

(2) The transfer of exempt personal property will not affect financial need if the following conditions are met.

(a) Proceeds from the transfer in excess of departmental ceiling limits must be expended within sixty days from the date received.

(i) A reasonable delay beyond sixty days may be allowed when the recipient is prevented from carrying out a reinvestment plan because of illness or complications involving the mechanics of the transaction.

(b) Property holdings must be within the department's ceiling limits when the transactions are completed.

(3) The cash reserve may be used for any purpose. [Order 1241, § 388-28-471, filed 9/23/77.]

WAC 388-28-472 Exempt property transferable with consent. (1) With the written approval of the local office a recipient may transfer any exempt real property or interest in such property, without penalty, to

(a) Buy a home or life estate in a home,

(b) Make necessary repairs or improvements on his home, and/or

(c) Purchase any exempt personal property.

(2) The local office shall approve such transactions if the following conditions are met.

(a) Adequate consideration as specified in WAC 388-28-461 must be received for the property transferred and for the proceeds reinvested.

(b) Reinvestment must be initiated within sixty days.

(i) A reasonable delay beyond sixty days may be allowed when the recipient is temporarily prevented from carrying out a reinvestment plan because of illness or complications involving the mechanics of the transaction.

(c) Property holdings must be within the department's ceiling limits when the transactions are completed. [Order 1241, § 388-28-472, filed 9/23/77.]

WAC 388-28-473 Property transferred contrary to WAC 388-28-471 and 388-28-472. (1) If a recipient transfers previously exempt property contrary to WAC 388-28-471 and 388-28-472 or if the proceeds from the transfer are used for purposes other than described in those rules, the value of the property transferred is considered available to meet need.

(2) It is presumed that the recipient had funds available to meet need from the first of the month following the date of transfer. The amount considered available to meet need shall be either his equity in the quick sale value of the resource or the actual amount received, whichever is the greater. If the resource was a mortgage or conditional sales contract, the value of the equity transferred shall be the amount considered available to meet need. The transfer affects eligibility according to WAC 388-28-484(2) for AFDC and refugee assistance and the transfer affects eligibility according to subsections (3), (4), and (5) for general assistance.

(3) If the grant is adjusted before the first of the month following transfer

(a) Assistance is continued when the amount considered available from subsection (2) and other income available during the month amounts to less than one month's requirements;

(b) Assistance is suspended when the amount considered available from subsection (2) and other income available in the next two months is less than two months' requirements;

(c) Assistance is terminated when the amount considered available from subsection (2) and other income available in the next two months is more than two months' requirements. The future period of ineligibility is determined using current requirements and the method described in WAC 388-28-460.

(4) If the grant was not adjusted the first of the month following transfer, partial or total ineligibility exists and the amount of overpayment is determined.

(a) The grant is continued if the amount considered available from subsection (2) is completely liquidated as overpayment.

(b) The grant is suspended or terminated when the total amount considered available from subsection (2) is not liquidated by the overpayment. The amount considered available after figuring the overpayment is used to determine future period of ineligibility using the rules in subsection (3)(b) or (3)(c) as appropriate. The first of the month the assistance payment can be adjusted is used to establish the beginning of the future period.

(5) The rules in WAC 388-28-463 and 388-28-464 apply to transfers under this section. [Statutory Authority: RCW 74.08.090, 83-04-033 (Order 1940), § 388-

28-473, filed 1/28/83, effective 3/1/83; Order 1241, § 388-28-473, filed 9/23/77.]

WAC 388-28-474 Replacement of exempt property.

(1) A recipient may, within sixty days of receipt:

(a) Reinvest in other exempt property funds acquired from a settlement covering destroyed or stolen exempt property;

(b) Pay medical bills for which the settlement was intended.

(2) A general assistance recipient may retain cash from the settlement up to the amount of the difference between current resource values and the appropriate resource ceiling for the assistance unit.

(3) Any remaining portion of the settlement, after applying subsections (1) and (2) of this section, shall be considered newly acquired nonexempt income. [Statutory Authority: RCW 74.08.090, 82-10-059 (Order 1798), § 388-28-474, filed 5/5/82; 82-01-009 (Order 1728), § 388-28-474, filed 12/4/81; 80-14-061 (Order 1547), § 388-28-474, filed 10/1/80; 78-06-088 (Order 1302), § 388-28-474, filed 6/2/78; Order 1241, § 388-28-474, filed 9/23/77.]

WAC 388-28-475 Use of income and income potentials.

(1) Meaning of income (see definition in WAC 388-20-030). Income includes all types of real or personal property, support from parent, stepparent, presumptive spouse, stocks and bonds, wages, interest in an estate, income from farming, all benefits and entitlements from private and public agencies, such as OASDI, veterans' agencies, U.C., gifts and prizes in the form of cash or marketable securities, etc. Its value is used to compute financial need in accordance with the policies herein.

(2) Ownership and use of income and income potentials. The policies in WAC 388-28-300 through 388-28-395 regarding ownership and use of resources also govern the ownership and use of income and income potentials.

(3) Resources and income. WAC 388-28-400 through 388-28-455 contain policies and procedures for considering and using nonexempt resource values to determine financial need. WAC 388-28-475 through 388-28-600 covers policies and procedures used in computing income to determine financial need. The total nonexempt resource values and nonexempt net income values are compared with the appropriate payment level plus authorized additional requirements to determine financial need and, if it exists, the amount of the grant for which the applicant is eligible. [Statutory Authority: RCW 74.08.090, 83-04-033 (Order 1940), § 388-28-475, filed 1/28/83, effective 3/1/83; Order 1241, § 388-28-475, filed 9/23/77; Regulation 8.80, filed 1/24/64.]

WAC 388-28-480 Use of income and income potentials--Types of income--Effect on need. (1) An applicant or recipient whose nonexempt net income for the

month exceeds the monthly payment level plus authorized additional requirements is not eligible to receive assistance whether the income is received weekly, biweekly, or monthly, except as specified in WAC 388-24-250 through 388-24-265.

(2) Treatment of income.

(a) The grant amount for the month the application is approved shall be determined by subtracting all net income, received or reasonably expected to be received during the calendar month, from the payment level plus authorized additional requirements. The remainder shall be prorated for the number of days after grant authorization. This prorated figure is the grant amount for the first month of eligibility.

(b) The grant amount for the month following the month of initial eligibility shall be determined by subtracting all net income, received or reasonably expected to be received during the calendar month, from the payment level plus authorized additional requirements. The remainder is the grant amount for the second month of eligibility.

(c) The grant amount for the third month of assistance and subsequent months shall be based upon income and circumstances in the budget/report month. WAC 388-28-483 (2) and (3), 388-33-135 and 388-33-140 (1)(b) and (c) are exceptions to this rule.

(3) Irregular income up to five dollars per month received by a general assistance applicant or recipient may be disregarded towards meeting need by the local office if the probability exists that such future income will not be appreciable.

(4) Earned income credit (EIC) payments shall be considered earned income during the month received, whether received as advance payments or as an income tax refund, in accordance with PL 96-222.

(a) Such payments shall be considered as an addition to gross income for AFDC and refugee assistance whether actually received or not, providing that the recipient is eligible for such payment.

(b) If the family makes every effort to apply for and receive the advance EIC but cannot receive the advance EIC for some documented reason, e.g., the employer refuses to process it, the advance EIC shall not be deemed as income.

(c) Advance EIC is taken into consideration in the computation of need but is not deemed as income in the one hundred fifty percent test of gross income.

(5) Loans are not considered income, as defined in RCW 74.04.005(12), subject to the following restrictions:

(a) Any contractually agreed loan acquired by an applicant or recipient which commits all funds for a specific purpose other than current maintenance, and so expended, shall not be taken into account as income. The property used as collateral for the loan shall not be included in determining property reserves. The equity accumulated in the specified property shall be considered toward the resource ceiling.

(b) Any other loan, regardless of the loan's ability to meet current needs, shall not be taken into account as

income when it is verified the following conditions are met:

(i) The terms of the loan are stated in a written agreement between the lender and the borrower; and

(ii) The agreement clearly specifies the obligation of the borrower to repay the loan. The agreement must include a repayment plan which provides for installments of specified amounts to begin within ninety days of the receipt of the loan and continue thereafter on a regular basis until the loan is fully repaid.

As part of the verification process, the recipient is required to submit loan contract papers or a written agreement setting forth the terms of the loan regarding the loan's amount and the repayment plan. The agreement must be signed by the lender and the recipient as parties to the agreement.

(6) Repayments to a recipient of money previously loaned by the recipient to another party shall not be taken into account as income, since the loan represents income or resources already considered in computing need. The facts of the loan must be verified. Consider any interest paid on the loan as newly acquired income.

(7) A gift in-kind, named as follows, supplied on condition that the gift in-kind be used only in a manner or for a purpose specified in writing by the donor shall not be considered as a resource or as income which is available to meet need.

(a) Real or personal property, excluding cash and marketable securities, which is exempted for an applicant and which is within the ceiling values. Example: A home or a new furnace.

(b) Any item in the department's standards for additional requirements which is not a requirement for the recipient of such a gift. Example: Telephone service.

(c) Needed goods or services not currently included as additional requirements in the department's standards. Example: Repair of house or of household equipment.

(8) WAC 388-28-482 and 388-28-484 cover newly acquired income received by a recipient. [Statutory Authority: RCW 74.08.090. 83-21-010 (Order 2031), § 388-28-480, filed 10/6/83; 83-04-033 (Order 1940), § 388-28-480, filed 1/28/83, effective 3/1/83; 82-09-034 (Order 1792), § 388-28-480, filed 4/14/82; 82-01-009 (Order 1728), § 388-28-480, filed 12/4/81. WAC 388-28-481 Nonexempt resources and income known at time of application. Net recurrent or nonrecurrent nonexempt income and nonexempt resource values in cash or kind known to the local office at the time of

application shall be taken into account in computing eligibility for payment as specified in WAC 388-28-400 through 388-28-650. WAC 388-28-481 through 388-28-484 shall be applicable when determining the continuing grant amount of the recipient. If a general assistance recipient retains a nonexempt resource which has been used to compute his or her grant amount at the time of application, the policy in WAC 388-28-484(8) shall be applied to compute his or her eligibility for payment. [Statutory Authority: RCW 74.08.090. 83-04-033 (Order 1940), § 388-28-481, filed 1/28/83, effective 3/1/83; 82-01-009 (Order 1728), § 388-28-481, filed 12/4/81; Order 1241, § 388-28-481, filed 9/23/77.]

WAC 388-28-482 Effect of newly acquired income and property on continuing need. "Newly acquired income" means any previously unreported or undiscovered income which has come into the possession or control, in whole or in part, of a recipient of public assistance, or of a recipient in suspended grant status.

(1) Whenever a recipient shall come into the possession or control of any income, except as modified in subsection (3), (4) and (5) of this section, such income shall be deducted from the payment level plus authorized additional requirements to determine grant amount beginning with the effective date specified in WAC 388-28-483. The amount deducted shall equal the following:

(a) The net amount of the income if in cash or its equivalent.

(b) At least his or her equity in the quick sale value of property other than cash.

(2) When the property is only potentially available for use in meeting the recipient's requirements, WAC 388-28-400(7) applies.

(3) Exceptions. A recipient who comes into the possession and control of property listed in this subsection may retain such property without having the fact of possession or its sale value affect his or her eligibility or need.

(a) A home used as a residence - see WAC 388-28-420.

(b) Useful and needed clothing, household equipment, food, fuel, and other items included in the requirement standards.

(c) An automobile within the ceiling values in WAC 388-28-430(2).

(4) Recipient with income. The rule in subsection (1) of this section is modified for recipient of AFDC or continuing general assistance with income as follows:

(a) Earned income retained by a child according to WAC 388-28-535(3) shall be considered as the personal property of the family and shall be subject to the ceilings in WAC 388-28-430(2).

(b) Income from the Economic Opportunity Act, Title I of the Elementary and Secondary Education Act, and from WIN, MDTA and CETA is treated according to WAC 388-28-515 and 388-28-570 through 388-28-578.

(c) The possession of any amount of funds from sources listed in subsection (4) (a) and (b) of this section

in a cash reserve or savings account does not affect the eligibility of a general assistance recipient. However, if such exempted income is converted into other types of property, WAC 388-28-410 through 388-28-455 apply.

(d) Income from interest on exempt savings, dividends from exempt stocks, increase in life insurance cash surrender value, livestock births, etc., affect eligibility only to the extent that the amount causes the total value of the resource possessed to exceed the ceiling values of the resource. The excess is considered available.

(e) Payment for funeral expenses for recipient. When a public assistance recipient dies, his or her surviving spouse or children or parent of a minor child receiving public assistance, may use any of their exempt or non-exempt resources or income, except the home property, to add to available funeral and burial resources in order to pay for the funeral expenses of the deceased person without affecting their eligibility for public assistance: *Provided, however,* That if the total funeral expenses for the deceased recipient exceeds the department's maximum cost or the amount provided by the recipient toward the total cost of the funeral expense, whichever is the lesser, shall be considered available to meet the public assistance need of the surviving recipient in accordance with this section.

(f) Funds received by an applicant or recipient which represent another person's or family's share of household costs are exempt as income provided that:

(i) Such payments do not represent legally obligated child support, and

(ii) The provisions of subsection (5) of this section are met.

(5) Use of grant and cash reserve in relation to income.

(a) No question about eligibility is raised if public assistance grants and other income which has been considered in computing financial need are used to add to the cash reserve up to the legal personal property limitations - see WAC 388-28-430. The cash reserve may exceed the maximum only to the extent these unexpended monies are on hand within thirty days after their receipt, and by exempted amounts as specified in this section.

(b) A recipient always has the right to make a current expenditure out of a cash reserve and replace it from a succeeding grant, just as he or she might place his or her whole grant in a bank account, along with his or her cash reserve, at the beginning of the month and then spend out of the account during the month. [Statutory Authority: RCW 74.08.090. 83-04-033 (Order 1940), § 388-28-482, filed 1/28/83, effective 3/1/83; 82-09-034 (Order 1792), § 388-28-482, filed 4/14/82; 82-01-009 (Order 1728), § 388-28-482, filed 12/4/81; 80-14-061 (Order 1547), § 388-28-482, filed 10/1/80; Order 1241, § 388-28-482, filed 9/23/77.]

WAC 388-28-483 Retrospective budgeting, prospective budgeting, and prospective eligibility. (1) The CSO shall determine eligibility based on the best estimate of income and circumstances which will exist in the month for which the assistance payment is made.

(2) For the first two months of initial eligibility, all income shall be budgeted prospectively. (See subsection (3) of this section for exceptions.) The CSO shall compute the amount of the assistance payment based on the expected income and circumstances which will exist in the month for which the assistance payment is made.

(3) Retrospective budgeting shall be used for the first two months of initial eligibility when:

(a) There has been less than one month's break in assistance (i.e., the applicant received assistance in the preceding month, or would have received assistance except for the prohibition on payments less than ten dollars).

(b) Assistance had been suspended due to an extra pay day for the month prior to the month of application, assistance had been terminated at the end of the month of suspension, and the applicant's circumstances for the initial authorization month have not changed significantly from those prior to termination.

(c) A case is reopened as terminated in error.

(4) After the first two months of initial eligibility, all income shall be budgeted retrospectively.

(a) The CSO shall compute the amount of assistance based on the income and circumstances which existed in the second month preceding the month for which the payment is made.

(b) Income received before the date of application approval shall not be considered for retrospective budgeting.

(c) Nonrecurrent income which is budgeted prospectively during the first two months of eligibility shall not be budgeted again when retrospective budgeting begins.

(d) Definitions:

(i) The calendar month for which payment is made shall be called the payment month.

(ii) The second calendar month preceding the payment month shall be called the budget/report month.

(iii) The calendar month between the budget/report month and the payment month shall be called the process month.

(5) See WAC 388-33-140 for effective date of increase or decrease of the grant. See WAC 388-33-135 for effective dates of ineligibility. [Statutory Authority: RCW 74.08.090, 83-23-058 (Order 2049), § 388-28-483, filed 11/16/83; 83-04-033 (Order 1940), § 388-28-483, filed 1/28/83, effective 3/1/83.]

WAC 388-28-484 Treatment of newly acquired nonexempt income and resources. (1) Income affects the grant amount according to the provisions of WAC 388-28-483.

(2) When the value of the income is taken into account in the assistance payment as specified in WAC 388-28-483, the following rules apply:

(a) If the income value plus any other income amounts to less than the payment level plus authorized additional requirements and is recurrent or nonrecurrent, assistance is continued in the amount of the difference.

(b) Effective January 1, 1982, for AFDC and refugee assistance, when the assistance unit's income after applicable disregards exceeds the need standard, plus authorized additional requirements, the unit shall be ineligible for assistance for the number of full months derived by dividing this total income by the need standard plus authorized additional requirements.

(i) Any income remaining after this calculation is treated as income received in the first month following the period of ineligibility.

(ii) The period of ineligibility may be shortened when the following conditions are met:

(A) A life-threatening circumstance exists, and

(B) The income causing the period of ineligibility has or will be expended in connection with the life-threatening circumstance, and

(C) Until the time of the life-threatening circumstance, the income must have been used to meet essential needs, and

(D) Currently the assistance unit must have no other income or resources sufficient to meet the life-threatening circumstances.

(c) If the nonrecurrent income equals or exceeds one month's payment level plus authorized additional requirements for general assistance, but is less than two months' payment level plus authorized additional requirements minus other income, the recipient is ineligible for a grant from the effective date specified in WAC 388-28-483, and his or her grant is suspended. The suspension period is determined exactly, that is, up to the date of the absorption of the income.

(d) If the income is recurrent and equal to or in excess of one month's payment level plus authorized additional requirements minus other income the recipient is ineligible from the effective date specified in WAC 388-28-483 and the grant is terminated, except for person in institutions other than nursing homes as provided in WAC 388-34-160.

(e) For general assistance if the income is recurrent or nonrecurrent and its value is in excess of two months' payment level plus authorized additional requirements minus other income, the recipient is ineligible from the effective date specified in WAC 388-28-483 and the grant is terminated. Ineligibility shall continue for two months. The period of ineligibility, however, may be reduced if the applicant has verifiable expenses such as medical care, unforeseen disaster or other changes in circumstances which make it impossible for him or her to live on his or her resource for the two-month period of ineligibility. The eligibility of a former recipient who reapplies shall be determined on the same basis as a new applicant.

(3) If income is not taken into account in assistance payments but is subsequently discovered, an overpayment shall be established according to chapter 388-44 WAC.

(4) If a general assistance recipient has been determined to be ineligible for a current or future period of time, and his or her grant will be suspended or terminated for such period of time, due to either newly acquired income, or transfer of property, and is in need during

such period of ineligibility, assistance may be granted within the limits of the rule in WAC 388-28-464.

(5) A person acquiring income during suspended status shall be treated as a recipient in terms of eligibility, not as an applicant.

(6) Rules and procedure in chapter 388-44 WAC are followed in respect to overpayment.

(7) An applicant or recipient whose nonexempt gross income exceeds one hundred fifty percent of the standard of need for the appropriate household size plus additional requirements authorized for that assistance unit, is not eligible for AFDC or refugee assistance from the date specified in WAC 388-28-483. The income of all members of the assistance unit and the income of natural, adoptive, or stepparents of children in the assistance unit residing in the same household, shall be considered in this test.

(a) Advance earned income credits are not counted in the one hundred fifty percent test.

(b) Gross income shall be defined as all income not specifically exempted by rule or regulation before applicable program disregards are applied.

(c) If the assistance unit's gross income exceeds one hundred fifty percent of the need standard plus authorized additional requirements but the net income does not exceed one hundred percent of the basic payment level plus authorized additional requirements, the assistance unit shall be ineligible for one full month.

(d) Net income shall be defined as gross income less applicable disregards and deductions for which the applicant or recipient is eligible.

(8) Income which has been taken into account in computing financial need according to subsection (2) of this section if retained by:

(a) A GAU recipient does not affect his or her eligibility unless the amount retained at the time of the next periodic review exceeds the exempt property holdings permitted for an applicant. In this event the rule on nonexempt resources or income pertaining to an applicant are applied.

(b) An AFDC or RA recipient does not affect his or her eligibility unless the amount retained at the time of the next monthly status report exceeds the exempt property holdings permitted for an applicant or recipient. [Statutory Authority: RCW 74.08.090, 83-04-033 (Order 1940), § 388-28-484, filed 1/28/83, effective 3/1/83; 82-09-034 (Order 1792), § 388-28-484, filed 4/14/82; 82-01-009 (Order 1728), § 388-28-484, filed 12/4/81; 79-06-029 (Order 1396), § 388-28-484, filed 5/16/79; Order 1241, § 388-28-484, filed 9/23/77.]

WAC 388-28-485 Use of income and income potentials—Parental income and support. (1) Support payments made by or in behalf of an absent parent are income to the child(ren) and are to be treated in accordance with WAC 388-14-210.

(2) When the custodial parent is not included in the assistance unit because of noncompliance with WAC 388-24-108 and 388-24-109:

(a) The income of such parents is allocated according to WAC 388-28-560(2).

(b) Support payments paid directly to the parent and not forwarded to the office of support enforcement are income to the child(ren) and are to be taken into account in determining the need of the assistance unit. [Order 1054, § 388-28-485, filed 9/25/75.]

WAC 388-28-500 Use of income and income potentials—Computing and allocating income. (1) Living arrangements, family relationships and categories of assistance also affect the use of income in computing financial need as provided by the rules in this section.

(2) Except as provided in this subsection the nonexempt net income of a person in his or her own home shall be attributed to the assistance unit of which he or she is a member.

(a) The total nonexempt net community income of a family having two or more eligible assistance units shall be divided equally between the assistance units unless some other division is preferred. An unequal division of the family income is not permitted if it increases the total amount of assistance (excluding medical care) to which the family would be entitled.

(b) Applicant with a nonapplying independent spouse.

(i) If all income is from community property or from community earnings other than wages, not less than one-half the total income shall be considered available to an AFDC applicant living with a nonapplying spouse.

(ii) Net income from wages or from the separate property of the nonapplying spouse shall be considered available to the applicant only to the extent it exceeds the amount of the nonapplying spouse's appropriate one-person payment level.

(iii) Wages or income from separate property of the applicant shall be considered as provided in WAC 388-28-365 and 388-28-370.

(iv) When income includes both community income and income from the separate property or from wages of the nonapplying spouse, at least half of the community income shall be considered available to the applicant, plus any residue of the separate income or wages exceeding the amount of the appropriate one-person payment level of the nonapplying spouse.

(v) Retirement benefits shall be treated like wages.

(vi) Income in-kind shall be treated as community income.

(c) Exempted income shall not be used in computing the need of any assistance unit.

(d) For rules on assumptive spouse, see WAC 388-28-355.

(3) The rules in subsection (2) of this section shall also apply to a person boarding and/or rooming in an adult family home or other nonmedical institution.

(4) When a person in medical institution is to receive an AFDC or continuing general assistance grant, family income shall be allocated first to the appropriate payment level of legal dependents computed according to standards in chapter 388-29 WAC and then to the maintenance needs of the individual computed according to WAC 388-34-045, 388-34-085, 388-34-110, 388-34-120 or 388-34-378.

(5) When a person in a medical institution is to receive FAMCO, income shall be allocated according to WAC 388-83-045.

(6) The income of an individual applying for medical only shall be allocated according to WAC 388-83-045.

(7) The income of a person with other living arrangements is first applied to the grant requirements of the applicant and his or her dependents. Any remaining income shall be allocated for medical needs. [Statutory Authority: RCW 74.08.090, 83-04-033 (Order 1940), § 388-28-500, filed 1/28/83, effective 3/1/83; 78-10-036 (Order 1338), § 388-28-500, filed 9/18/78; Order 917, § 388-28-500, filed 3/14/74; Order 758, § 388-28-500, filed 12/28/72; Order 445, § 388-28-500, filed 4/28/70; Regulation 8.83, filed 5/17/67; Regulation 8.83, filed 6/14/66, 7/13/65, 1/24/64.]

(a) The thirty dollars monthly incentive payment made by WSES to any participant in a WIN program of institutional and work experience training is disregarded in AFDC.

(b) The thirty dollars weekly incentive payment received by a CETA participant is disregarded in AFDC. For continuing general assistance such payments are considered available to meet need.

(c) WIN transportation and related expenses (TRE) payments are training incentive payments paid for the first thirty days of employment and are disregarded for AFDC purposes.

(d) A person receiving an MDTA or CETA basic training allowance may not receive an AFDC or continuing general assistance grant concurrently.

(2) In determining net income for general assistance from a training allowance, applicable expenses in subdivisions (3)(a) through (5) shall be deducted from the gross training allowance received.

(3) For general assistance, personal and nonpersonal work expenses computed according to subdivisions (3)(a) through (5) shall be deducted from earnings according to the method outlined in WAC 388-28-570(8).

Work related expenses other than child care shall be deducted in accordance with the "percentage method" or the "actual method," whichever is chosen by the client.

(a) If the client chooses the "percentage method," twenty percent of the gross income shall be deducted. Recipients of WIN transportation and related expenses (TRE) payments may choose the "percentage method."

(b) If the client chooses the "actual method," the actual cost of each work related expense shall be deducted. This method shall be used when the client provides written verification of all work related expenses claimed.

(c) The client shall have the option to change methods whenever he/she reports income to the CSO.

(d) When the client changes methods, the provisions in WAC 388-33-135 and 388-33-140 shall apply.

(4) For general assistance, the following work related expenses shall be deducted when claimed and verified under the actual method.

(b) The necessary cost for transportation of the recipient to and from the place of employment or training in accordance with the following limitations:

(i) The most economical means of transportation shall be used.

(ii) When public transportation is available near the recipient's regular place of residence and practical for his/her use, the allowance shall be the cost for such transportation from the recipient's home to the stop nearest his employment or training. The amount allowed is the actual cost of common carrier, based upon commuter's book of tickets, bus tokens at reduced quantity rate, etc., when available.

(iii) The term "public transportation" includes scheduled intracity and intercity busses, trains, boats, etc., but not "for hire" vehicles, such as taxis and rental cars unless no other means of public transportation is available.

(iv) When public transportation is not available or not practical for his/her use, a recipient who shows that he/she uses a vehicle to travel to and from employment or the training facility shall be allowed the actual cost of such transportation provided that the recipient furnishes verification of these costs. Shared rides shall be prorated on an equitable basis, depending on the travel plan.

(A) The actual work related cost of operating the vehicle shall be the total operating cost of the vehicle times the percentage obtained from dividing the actual monthly mileage to and from work by the total miles driven during the month.

(B) The total operating cost of a vehicle shall be limited to gas, oil and fluids; necessary service and repairs; replacement of worn items such as tires; registration and licensing fees; and depreciation and interest on automobile loans.

(d) Expenses of employment necessary for continued employment, such as tools, materials, union dues, fees to employment agencies incurred via a legally binding contract, cost of special uniforms and laundering, and transportation to service customers if not furnished by the employer.

(e) The additional cost of clothing provided that it is verified that such clothing is necessary for continued employment.

(5) For general assistance applicants and recipients enrolled in a remedial education or vocational training course, the actual cost of uniforms and/or special clothing, as priced by the CSO, shall be deducted. Such income includes allotments, retirement, survivors and disability insurance, or veterans' benefits, court-ordered support payments, trust fund payments, or other income legally designated for the benefit of an individual child.

- (a) The family shall have the option to:
 - (i) Include the child as a member of the assistance unit with all income considered as available to the assistance unit, or
 - (ii) Exclude the child from the assistance unit. In this instance none of the child's income is available to the assistance unit.
- (b) If a child's income includes a portion for his or her caretaker relative, that portion shall be available to meet the need of the assistance unit.

(c) The child's requirements shall be the difference between the payment level of the assistance unit including the child and the payment level of the assistance unit excluding the child.

(d) If a child out of school is included in the assistance unit, his or her earnings shall be treated as specified in subsection (3)(f) of this section. Determination of the child's net income is made with the caretaker relative and with the child when indicated.

(2) If the child is not included in the assistance unit, his or her eligibility for medical assistance shall be determined individually.

(3) In determining the amount of a child's earned income available to meet the current need of the assistance unit of which he or she is a member, the following rules apply:

- (a) All earned income of a child in an assistance unit shall be disregarded in determining payment amount when he or she is a full-time student or a part-time student who is not a full-time employee. See subsection (4) of this section for treatment of Job Training Partnership Act (JTPA) moneys.

(b) A student is one who attends a school, college or university, or a course of vocational or technical training designed to fit him or her for gainful employment, and includes a participant in the job corps program under the Economic Opportunity Act. (d) To be employed full time, a child must be working thirty-five hours a week or the number of hours considered full time by the industry for which he or she works, whichever is less.

(e) Summer employment of students shall not be considered as full-time employment due to the temporary nature of such employment, even though the hours worked may exceed thirty-five hours a week.

(f) In determining the amount of a nonstudent child's earned income available to meet the current needs of the assistance unit, net income shall be computed according to WAC 388-28-570.

(4) All wages or other income (training allowances, payments for supportive services, etc.) received under the Job Training Partnership Act (JTPA) by a dependent child who is a full-time student, or a part-time student who is not a full-time employee, shall be disregarded both for the one hundred fifty percent of need test, and in computing the family's assistance payment. (1) To pay court or administratively ordered support for any legal dependent(s) not living in his or her home. Such support is exempt up to the amount of the one-person continuing assistance need standard for each legal dependent. Verification must be obtained that the support payments are being made.

(2) To meet the requirements of those needy members of the family who are not eligible for AFDC and for whom the parent or step-parent is legally responsible. Such requirements shall be computed according to appropriate payment level.

(3) To meet the needs of members of the AFDC assistance unit for whom he or she is legally responsible. WAC 388-28-570 Net cash income--Exempt earned income. (1) For rules on exempting earned income of a full- or part-time student, see WAC 388-28-535. For rules exempting income from training, see WAC 388-28-515. For rules on other income, see WAC 388-28-580.

(2) As used in this section, "earned income" shall mean income in cash or kind earned as wages, salary, commissions, or profit from activities in which the individual is engaged as a self-employed person or as an employee. Earned income may be derived from self-employment (such as business enterprise or farming), or derived from wages or salary received as an employee. Earned income also includes earnings over a period of time for which settlement is made at one time, for example, sale of farm crops, livestock, or poultry. Income from rentals is earned income, provided the individual has managerial responsibility for the rental property.

(3) For an AFDC recipient, earned income includes earnings under Title I of the Elementary and Secondary Education Act, all earnings received under the Economic Opportunity Act, wages from WIN on-the-job training, and wages paid under the Job Training Partnership Act (JTPA) to adults and nonstudent dependent children. See WAC 388-28-535(1) for treatment of a child excluded from the grant, and WAC 388-28-535(4) for a dependent full-time student receiving JTPA wages.

(a) For public service employment under the Emergency Assistance Act, the thirty-dollar plus one-third earned income exemption is applicable.

(b) For public service employment under WIN, the thirty-dollar plus one-third earned income exemption does not apply. If net income after work expenses are deducted does not meet need according to department standards, a supplemental grant may be paid.

(4) The definition of "earned income" excludes:

(a) Returns from capital investment with respect to which the individual is not himself or herself actively engaged, as in a business. For example, under most circumstances, dividends and interest are excluded from "earned income." See WAC 388-28-580.

(b) Benefits accruing as compensation or reward for service, or as compensation for lack of employment, for example, pensions and benefits from labor organizations, veterans' benefits, unemployment compensation, RSDI, etc. See WAC 388-28-580.

(c) Income from WIN incentive payments, and training-related expenses derived from WIN institutional or work experience training.

(d) Income received under the Job Training Partnership Act for training allowances, payments for support services, etc. Such income shall be treated according to WAC 388-28-535(4) for dependent children who are full-time students. For adults and nonstudent dependent children, disregard all moneys directly related to expenses incurred from participating in the program. Exempt the remaining amount up to the difference between the need standard and the payment standard. Consider any amount in excess of the need standard as unearned income.

(5)(a) In AFDC and refugee assistance when payment of income earned over a period of more than one month is delayed, the exemption applies only to the period of payment.

(b) In general assistance, the exemption applies to the period during which the exemption was earned rather than the period of payment.

(6) Aid to families with dependent children and refugee assistance.

(a) The following shall be disregarded sequentially from the monthly gross earned income of each individual member of the assistance unit.

(i) Payroll deductions required by law or as a condition of employment, in the amounts actually withheld.

(ii) The following amounts for work expenses dependent upon the number of hours worked per month.

Hours worked per month	Work expense deduction
0 - 40	\$ 20.00
41 - 80	40.00
81 - 120	60.00
121 or more	75.00

(iii) The actual cost not to exceed the following amounts depending upon the number of hours worked per month for the care of each dependent child or incapacitated adult living in the same home and receiving AFDC or refugee assistance. No deduction shall be made for child care provided by a parent or stepparent.

Hours worked per month	Child care maximum deductions
0 - 40	\$ 40.00
41 - 80	80.00
81 - 120	120.00
121 or more	160.00

(iv) For individuals found otherwise eligible to receive assistance or who have received assistance in one of the prior four months, thirty-dollar plus one-third of the remainder not already disregarded.

(v) The thirty-dollar and one-third disregard shall be applied for a maximum of four consecutive months; it cannot be applied again until he or she is a nonrecipient for twelve consecutive months.

Total gross monthly earned income for the purpose of this rule means the combined gross earned income of nonstudent dependent children and adults who are included in the AFDC assistance unit.

(b) The exemptions and deductions in subsection (6)(a)(ii) through (v) of this section will not be applied for any month if the individual within a period of thirty days preceding the month in which the income was received:

(i) Terminated his or her employment or reduced his or her earned income without good cause, or

(ii) Refused without good cause to accept employment in which he or she is able to engage which is offered through SES, or is otherwise offered by an employer if the offer of such employment is determined by the local office to be a bona fide offer of employment, or

(iii) Failed without good cause as determined by the CSO, to report earnings to the department on or before the eighteenth day of the month following the month in which the income was received, or by the first following work day if the eighteenth day of the month falls on a weekend or holiday. Under these circumstances, the thirty-dollar and one-third exemption shall be counted in the four-month limit. Any circumstance beyond the control of the recipient shall constitute good cause.

(c) If a recipient requests termination in order to break the consecutiveness of the four-month limit for the thirty-dollar plus one-third exemption, and would have been eligible, the months of voluntary nonreceipt of assistance shall be counted toward the four-month limit.

(d) If a recipient quits work without good cause, the thirty-dollar and one-third exemption shall be deemed

to have been received and shall be counted toward the four-month limit.

(e) Months in which the applicant/recipient received the thirty-dollar and one-third exemption in another state shall apply towards the four-month limit unless there is a break in assistance which was not done voluntarily to break the continuity of the four-month limit.

(7) The following conditions when verified shall constitute good cause for refusal of an offer of employment or refusal to continue employment:

(a) Physical, mental, or emotional inability of the individual to satisfactorily perform the work required;

(b) Inability of the individual to get to and from the job without undue cost or hardship to him or her;

(c) The nature of the work would be hazardous to the individual;

(d) The wages do not meet any applicable minimum wage requirements and are not customary for such work in the community;

(e) The job is available because of a labor dispute;

(f) Adequate child care is not available to the single parent AFDC household. [Statutory Authority: RCW 74.08.090, 83-23-058 (Order 2049), § 388-28-570, filed 11/16/83; 82-19-056 (Order 1876), § 388-28-570, filed 9/15/82; 82-09-034 (Order 1792), § 388-28-570, filed 4/14/82; 82-01-009 (Order 1728), § 388-28-570, filed 12/4/81; Order 1236, § 388-28-570, filed 8/31/77; Order 975, § 388-28-570, filed 10/11/74; Order 891, § 388-28-570, filed 12/27/73; Order 749, § 388-28-570, filed 12/7/72; Order 619, § 388-28-570, filed 10/27/71; Order 445, § 388-28-570, filed 4/28/70; Order 372, § 388-28-570, filed 8/1/69; Order 329, § 388-28-570, filed 1/8/69; Order 296, § 388-28-570, filed 8/26/68; Regulation 8.848, filed 10/4/67; Regulation 8.848, filed 5/17/67, 2/3/67, 11/22/66, 12/31/65, 7/13/65, 1/24/64.]

WAC 388-29-010 Standards for requirements—Person in own home. (1) The public assistance law directs the department to establish a standard for use in determining whether or not an applicant needs money and if so how much he or she needs.

(2) The law specifies that grants shall be awarded on a state-wide basis in accordance with standards of assistance established by the department and may vary by geographical areas.

(3) (a) The law requires that the secretary establish consolidated standards of assistance each biennium, and

(b) State supplements for supplemental security income recipients shall be no less than the levels specified in 42 U.S.C. Section 1618.

(4) The department may prescribe maximums and prescribe rateable reductions for grants.

(5) The amount of the grant which is given is the difference between the monthly dollar value of the standard adjusted for the maximum grant limitation when in effect, and the resource value or income which the applicant or recipient possesses, or can obtain. [Statutory Authority: RCW 74.08.090. 83-11-010 (Order 1961), § 388-29-010, filed 5/9/83; 81-19-127 (Order 1701), § 388-29-010, filed 9/23/81; 81-10-011 (Order 1643), §

388-29-010, filed 4/27/81; Order 1241, § 388-29-010, filed 9/23/77.]

WAC 388-29-020 Family relationships. (1) The law specifies who is eligible to receive assistance in his own right. The law does not always specify, except in general terms, which other persons may be included in the grant made to the primary person. The department, therefore, defines those who in addition to the primary person may have their requirements computed with the requirements of the primary applicant. Such family groupings are called "assistance units." The persons whose needs are included in the need of the primary applicant are those for whose support the applicant is legally responsible.

(2) Groupings (units) used in computing the requirements of individual members of assistance units are shown in WAC 388-29-025 through 388-29-100. [Order 1241, § 388-29-020, filed 9/23/77.]

WAC 388-29-025 Limitations on requirements. Specific policies in WAC 388-33-020 through 388-33-055 provide limitations which affect the amount of assistance paid by the department. [Order 1241, § 388-29-025, filed 9/23/77.]

WAC 388-29-030 Assistance unit--Supplemental security income beneficiary excluded. (1) If an individual is receiving benefits under Title XVI, then, for the period for which such benefits are received, such individual shall not be regarded as a member of a family or assistance unit for purposes of determining need and amount of an aid to dependent children grant. [Order 1241, § 388-29-030, filed 9/23/77.]

WAC 388-29-040 Housekeeper. A person furnishing housekeeping service is not considered a member of an assistance unit. [Order 1241, § 388-29-040, filed 9/23/77].

WAC 388-29-080 Monthly cost of basic requirements--Maximums--Person in own home--Person in medical institution. (1) The standards for basic requirements in WAC 388-29-100 apply to a person in his or her own home. The standards in WAC 388-29-150 through 388-29-230 are additional requirements for persons with circumstances as specified.

(2) Individuals in an AFDC or continuing GA assistance unit shall be provided the basic requirements.

(3) Basic requirements for a person in his or her own home are food, clothing, personal maintenance and necessary incidentals, shelter, household maintenance, and energy. The monthly payment levels and maximums thereto, if in effect, are based upon the number of recipients in the assistance unit.

(4) When a person is in a medical institution, basic requirements of food, shelter, and household maintenance are not computed in the grant but are paid as a medical care cost.

(5) The monetary allowance for the basic requirements, as determined by the standards in WAC 388-29-100, shall be reduced to the amounts in WAC 388-29-

110 when maximum amounts are in effect. [Statutory Authority: RCW 74.08.090. 83-11-010 (Order 1961), § 388-29-080, filed 5/9/83; 81-10-011 (Order 1643), § 388-29-080, filed 4/27/81; Order 1248, § 388-29-080, filed 10/25/77, effective 12/1/77; Order 1241, § 388-29-080, filed 9/23/77.]

WAC 388-29-150 Standards for additional requirements under specified circumstances. Additional requirements under specified circumstances shall be handled as follows, except for the additional requirements for emergency situations in AFDC, which are set forth in WAC 388-29-270.

(1) The basic requirements provide the majority of eligible persons with all essential items of maintenance. Some persons, however, have particular needs of an essential nature which cannot be met within the basic requirements. For this reason the department's standards provide for certain additional requirements when the individual's circumstances are such that the item(s) is essential in accordance with the criteria herein established. The need of these items must be verified in each case where any are included. When the requirement is ongoing, it is added to the adjusted requirements of the appropriate assistance unit.

(2) The circumstances which give rise to an additional requirement may regularly recur or be nonrecurring depending on the nature of the item. In determining whether an additional requirement exists, the total case situation shall be taken into account, i.e., the changes which have occurred in health or living conditions and, if the problem is not new, how it was met in the past.

(3) The reasons for including an additional item, i.e., factual findings supporting the need (or continuing need) for the requirement inconsistent with the criteria herein, shall be recorded in the case narrative.

(4) A plan for periodically reviewing the necessity for continuing the allowance for an ongoing additional requirement shall be established in each case, taking into account the change in the individual's living arrangements, health, and any other factor which has a bearing on the need for the item.

(5) The need for any ongoing additional requirement must be reestablished as often as the case plan indicates, but at least semiannually, except where it is established that there is a continuing need that is likely not subject to change. [Statutory Authority: RCW 74.08.090. 78-12-001 (Order 1355), § 388-29-150, filed 11/3/78; Order 1241, § 388-29-150, filed 9/23/77.]

WAC 388-29-160 Standards for additional requirements under specific circumstances--Restaurant meals.

(1) Restaurant meals shall be an additional requirement only when:

(a) The certification and computation of grant form shall not be submitted to start the monthly deduction until after the advance notice period has expired, and it

has been confirmed that a fair hearing has not been requested.

(b) If, during the ten day period, the recipient requests a fair hearing regarding the monthly deduction of overpayment, no monthly deduction can be made until after the decision on the fair hearing has been made or the hearing request is withdrawn in writing by the claimant or abandoned.

(2) The local office shall certify discontinuance of the monthly deduction as soon as restitution is completed.

(3) A one-time grant shall be authorized expeditiously to compensate the recipient for an underpayment due to an erroneous monthly deduction. Also see WAC 388-33-595 (2)(c)(vii). [Statutory Authority: RCW 74.08.090. 81-09-044 (Order 1637), § 388-33-190, filed 4/15/81; Order 906, § 388-33-190, filed 2/14/74; Order 694, § 388-33-190, filed 6/29/72; Order 570, § 388-33-190, filed 6/11/71; Order 534, § 388-33-190, filed 3/31/71, effective 5/1/71; Regulation 10.28, filed 1/24/64.]

WAC 388-33-230 Address change to another local office area. The eligibility of a recipient who moves from one LO area to another within the state is affected only insofar as his need may change. A change in residence usually involves a change in living arrangements, requirements and/or income, and reauthorization of grant. [Order 534, § 388-33-230, filed 3/31/71, effective 5/1/71; Regulation 10.32, filed 1/24/64.]

return to his former residence within ninety days after the date he left shall be prima facie evidence that he is on a visit.

(2) The department's office in the area in which the recipient is visiting shall render all service needed to determine whether a change in the recipient's circumstances requires recomputation, suspension, or termination of grant. Any grant action required while the recipient is visiting shall be the sole responsibility of the LO in the area of permanent residence. Ordinarily no change in grant shall be made (other than redirection of warrant) while a recipient is visiting. The regular grant of a visiting recipient shall be increased only when recommended by the LO in the area in which the recipient is visiting. (b) The amount of the monthly grant following the budgeting of income or deduction to make restitution on an overpayment is less than ten dollars per month, or

(c) The recipient has entered or is in an institution and his income is equal to or exceeds his grant requirements but is less than his grant requirements plus medical costs and/or nursing home or intermediate care, or

(d) An AFDC or RA recipient receives an extra paycheck because of an extra week in a month which makes them ineligible for one month.

(2) A suspended grant shall be reinstated when the conditions in subsection (1) cease to exist and the recipient is otherwise eligible.

(3) A suspended grant shall be terminated as provided in WAC 388-33-370.

(4) The rules in this section shall be effective February 1, 1982. WAC 388-33-365 Termination of grant. (1) Termination of a grant is a direct action of the local office. Direct action means that the local office has determined and certified that the recipient fails to meet one or more of the conditions necessary to maintain continued eligibility.

(2) The grant shall be terminated when the local office determines that the recipient does not meet one or more of the conditions required for continued eligibility. [Order 906, § 388-33-365, filed 2/14/74; Order 694, § 388-33-365, filed 6/29/72; Order 570, § 388-33-365, filed 6/11/71; Order 534, § 388-33-365, filed 3/31/71, effective 5/1/71; Order 369, § 388-33-365, filed 8/14/69; Regulation 10.42, filed 6/30/67; Regulation 10.42, filed 1/24/64.]

(3) The individual's resources and/or income increase during the suspension period to the extent he would not be eligible for medical care;

(4) A period of temporary ineligibility has ended and individual is ineligible for some other reason. [Statutory Authority: RCW 74.08.090. 81-09-044 (Order 1637), § 388-33-370, filed 4/15/81; Order 747, § 388-33-370, filed 12/7/72; Order 534, § 388-33-370, filed 3/31/71, effective 5/1/71; Order 369, § 388-33-370, filed 8/14/69; Regulation 10.421, filed 6/30/67; Regulation 10.421, filed 1/24/64.]

WAC 388-33-375 Termination of suspended grant—Authorization of assistance resulting from change of decision on eligibility and grant. If the local office changes its decision to reduce, terminate or suspend the grant, assistance shall be authorized expeditiously to meet the recipient's need according to the rules. [Order 906, § 388-33-375, filed 2/14/74; Order 694, § 388-33-375, filed 6/29/72; Order 570, § 388-33-375, filed 6/11/71; Order 534, § 388-33-375, filed 3/31/71, effective 5/1/71.]

WAC 388-33-376 Advance and adequate notice—Suspension—Termination—Reduction of grant. (1) In cases of planned actions to terminate, suspend or reduce grants to recipients of AFDC, GA, medical assistance, or medical only, the local office shall give advance and adequate notice, except as provided in WAC 388-33-385.

(a) "Advance" means that the notice is mailed at least ten days before the date of action.

(b) "Adequate" means a written statement of what action the local office intends to take, the facts relating to the decision, the policy supporting the action, the right to request a fair hearing, and the circumstances under which assistance is continued if a hearing is requested.

(2) When advance notice of planned action is not required as provided in WAC 388-33-385:

(a) Notification of planned reduction shall be provided by state office;

(b) The local office shall notify the recipient of suspension or termination action as described in subsection (1)(b) of this section.

(3) When changes in either state or federal law require automatic grant adjustments for classes of recipients, notice shall be given including the specific change in law. The state office shall determine the method by which notice is given. [Statutory Authority: RCW 74.08.090. 78-08-053 (Order 1320), § 388-33-376, filed 7/20/78.]

WAC 388-33-377 Grant continuation pending fair hearing. (1) When a recipient of medical benefits, AFDC, refugee assistance, general assistance continuing and/or services files a request for fair hearing according to chapter 388-08 WAC within the advance notice period, assistance shall not be suspended, reduced, or terminated; except assistance shall not be continued when the sole issue is one of state or federal law requiring automatic grant adjustments for classes of recipients, unless the reason for an individual appeal is incorrect grant, benefit, or service computation. Assistance will also not be continued if an automatic grant adjustment required either by state or federal law results in termination of a program.

(2) When a recipient requests a fair hearing within the advance notice period to appeal the department's planned action to reduce, suspend, or terminate assistance, which is not an automatic grant adjustment required by either state or federal law, the determination of whether the issue is one of policy or is an issue of fact or judgment will be determined at the fair hearing by the hearing examiner.

(a) If there is an issue of fact or judgment including the correctness of application of the department's rules and policy, assistance will then continue through the month in which an initial fair hearing decision is rendered.

(b) If the issue is one of policy, assistance is discontinued at the end of the month in which the initial hearing is held. The department shall promptly inform the client in writing if assistance will not be continued, based on the determination that the issue is one of policy.

(3) Assistance shall be reinstated in any case where the notice to reduce, suspend or terminate does not require advance notice, if the recipient requests a fair hearing within ten days of the mailing of the notice of action. Subsections (1) and (2) of this section apply.

(4) Assistance shall not be continued under the provisions in this section if the appellant requests in writing that assistance not be continued, or if the request is withdrawn in writing by the claimant or abandoned.

(5) When the appellant requests a delay in the hearing, the hearings examiner shall determine the reasonableness of the request and whether assistance will be continued during the extended period. Assistance shall

be discontinued if the hearings examiner determines that the hearing has been unreasonably delayed by the appellant.

(6) Any assistance received pending a fair hearing or hearing decision is considered to be an overpayment when the fair hearing decision subsequently finds against the client. [Statutory Authority: RCW 74.08.090. 82-08-037 (Order 1784), § 388-33-377, filed 4/1/82. Statutory Authority: RCW 34.04.020 and 74.08.090. 81-17-069 (Order 1695), § 388-33-377, filed 8/19/81. WAC 388-33-382 Notification of suspension or termination or reduction of grant--Effect on eligibility and grant. (1) Rules governing the effective dates of eligibility resulting from changes in circumstances are not altered by rules on notification.

(2) Compliance with a required advance notice period may in some instances necessitate issuing assistance on a partial month basis.

(a) When a proposed action cannot be effected on the date specified by rules on eligibility and grant changes, assistance shall be continued unchanged until the end of the advance notice period. Monthly payment shall be prorated for the number of days needed.

(b) Assistance granted during a required advance notice period is considered to be an overpayment when the client is ineligible for payment or when payment is received because the required advance notice period extends into the following month during which the recipient is not eligible. [Statutory Authority: RCW 74.08.090. 82-08-037 (Order 1784), § 388-33-382, filed 4/1/82; Order 906, § 388-33-382, filed 2/14/74; Order 791, § 388-33-382, filed 4/12/73; Order 694, § 388-33-382, filed 6/29/72.]

WAC 388-33-385 Notification of suspension or termination or reduction of grant--Dispensation of advance notice. Advance notice of action to terminate, suspend or reduce assistance is not required when

(2) A recipient has been admitted or committed to an institution which makes the recipient ineligible.

(3) A recipient has been placed in skilled nursing or intermediate care or long-term hospitalization.

(4) The recipient's whereabouts are unknown and departmental mail directed to him has been returned by the post office indicating no known forwarding address.

(5) A recipient has been accepted for assistance in another state or has moved to a different local office area if verified by the local office previously authorizing assistance.

(6) An AFDC child is removed from the home as a result of a judicial determination or voluntarily placed in foster care by his legal guardian.

(7) Eligibility for assistance or an additional requirement is determined to exist for a specific limited period of time and the recipient has been so advised.

(8) The local office receives a clear statement from the recipient that he no longer wishes assistance or that gives information which requires termination, suspension or reduction of assistance.

(a) The local office shall have reasonable assurance that the recipient understands the consequences of his supplying such information.

(b) The local office shall immediately send adequate notice to confirm verbal information reported by a recipient for eligibility purposes. [Order 906, § 388-33-385, filed 2/14/74.]

(2) That an exception to policy has been requested;

(3) Of the approval or denial of an exception to policy request. [Statutory Authority: RCW 74.08.090. 82-04-077 (Order 1760), § 388-33-387, filed 2/3/82.]

(2) The supervisor shall make a decision on a grievance and notify the recipient in writing within ten days of receipt of the grievance.

(3) If the applicant or recipient is not satisfied with the decision of the supervisor, he or she shall have the right to present the grievance in writing to the CSO administrator.

(4) The CSO administrator shall make a decision on a grievance and send the applicant or recipient written notice of his or her decision within ten days of receipt of the grievance. This notice terminates the grievance procedure.

(5) The exercise of the right to pursue a grievance shall not in any way preclude the exercise of any rights of the applicant or recipient may have under chapter 388-08 WAC.

(6) If administrative or judicial review is pending on the same issue, the department may choose to respond to the grievance by informing the applicant or recipient that the department prefers that the matter be resolved through the administrative or judicial review process. [Statutory Authority: RCW 74.08.090. 82-04-077 (Order 1760), § 388-33-389, filed 2/3/82.]

WAC 388-33-400 Payee of grant. (1) Cash payments are made directly to all continuing assistance recipients except as modified in items (2)(b)(ii) through (2)(b)(iv).

(2) Grants are paid

(a) To eligible persons in cash (state warrant), or

(b) To other persons in behalf of the eligible persons as

(i) Cash payments to parents and other relatives in behalf of children eligible for aid to families with dependent children;

(ii) Cash payments to guardians and agents as described in WAC 388-33-420 through 388-33-430;

(iv) Protective payments in aid to families with dependent children as specified in WAC 388-33-440, 388-33-450, and 388-33-453.

(v) Payments to vendors of goods and services supplied to eligible persons as described in WAC 388-33-460.

(3) In authorizing any payment of assistance the local office shall specify the person to whom the grant is to be paid. [Order 1054, § 388-33-400, filed 9/25/75; Order 906, § 388-33-400, filed 2/14/74; Order 534, § 388-33-400, filed 3/31/71, effective 5/1/71; Order 357, § 388-33-400, filed 5/29/69; Order 322, § 388-33-400, filed 11/27/68; Emergency Order 306, filed 9/20/68; Regulation 10.50, filed 1/24/64.]

WAC 388-33-420 Payment of grant to other person in behalf of recipient. (1) Inasmuch as children are legally under the custody of their parents, AFDC payments are usually made to a parent or parents. When a parent is not available, payments are made to other relatives in behalf of the children. See WAC 388-33-430, 388-33-440 and 388-33-450 for AFDC payments other than to the parent or relative payee.

(a) Temporary AFDC payee. The following rule applies to temporary situations when a person other than a parent or specified relative lives with and assumes care and supervision of a child.

(i) When an emergency deprives a child receiving AFDC of the care and supervision of the parent or relative with whom he is living, AFDC may be continued and be paid to a person acting for the parent or relative during a temporary period required to make and carry out new plans for the child's continuing care and support.

(ii) AFDC is continued under this rule for only the period of time actually necessary to carry out active planning for the continuing care of the child and to transfer responsibility for the child under a more permanent arrangement. The emergency payee is not included in the AFDC assistance unit.

(2) Arrangements for payment to someone other than the individual eligible for continuing general assistance shall be made only when he is definitely unable to make personal decisions for the use of his funds and the assistance of a relative, friend or caseworker is not possible or is not sufficient to continue money payments to him.

(3) When a money payment cannot be made directly to an applicant or recipient, a guardian shall be secured or a protective payee shall be designated.

(a) Guardianship is preferable when the individual

(i) Has resources in property, cash or negotiable assets which need management, or

(ii) Needs someone to control his private affairs to a greater extent than helping with the use of his assistance grant, for example, moving the recipient to a more desirable living arrangement.

(b) The designation of a protective payee (person to whom the grant is paid in behalf of the recipient) is preferable when

(i) Help with money management is the recipient's essential need, and

(ii) The recipient does not have resources requiring legal management, and

(iii) Voluntary guidance and assistance is not adequate, and

(iv) Guardianship is not feasible, practical or necessary. [Order 1241, § 388-33-420, filed 9/23/77; Order 917, § 388-33-420, filed 3/14/74; Order 621, § 388-33-420, filed 10/27/71; Order 534, § 388-33-420, filed 3/31/71, effective 5/1/71; Order 357, § 388-33-420, filed 5/29/69; Order 322, § 388-33-420, filed 11/27/68; Emergency Order 306, filed 9/20/68; Regulation 10.52, filed 1/24/64.]

WAC 388-33-425 Payment of grant to guardian--Continuing general assistance. (1) The local office has no authority to petition the court for appointment of a guardian for an adult.

(2) The local office shall not authorize the use of assistance funds to pay the guardianship costs or services.

(3) Should a guardian die, move away, or decline to serve further, the guardianship should be terminated by court action. If the recipient lacks resources to pay for formal (legal) dissolution of guardianship, a change in payee is authorized, and

(a) If the guardian died, a copy of the death certificate is filed in the case record. If necessary, the cost of the death certificate can be paid from the administrative funds.

(b) If the guardian refuses or is unable to continue to serve, a signed statement from the guardian requesting that the grant no longer be paid to him is filed in the case record. [Order 917, § 388-33-425, filed 3/14/74; Order 534, § 388-33-425, filed 3/31/71, effective 5/1/71; Order 357, § 388-33-425, filed 5/29/69; Order 322, § 388-33-425, filed 11/27/68; Emergency Order 306, filed 9/20/68; Regulation 10.521, filed 1/24/64.]

WAC 388-33-430 Payment of grant to guardian--Aid to families with dependent children--Special and limited nature. If the LO finds that the relative payee of an AFDC grant is not using the grant adequately for the needs of an AFDC child and that it would be beneficial to have a court-appointed guardian, the LO may ask the chief of the child welfare and family services unit to request the attorney general to file a petition in the superior court for the appointment of a guardian of the

child(ren). Such guardianship as provided in RCW 74.12.250 is special and limited solely for the purpose of safeguarding the assistance grants made to dependent children. Such guardianship shall terminate upon termination of such assistance grant or sooner upon order of the court. [Order 534, § 388-33-430, filed 3/31/71, effective 5/1/71; Order 357, § 388-33-430, filed 5/29/69; Order 322, § 388-33-430, filed 11/27/68; Emergency Order 306, filed 9/20/68; Regulation 10.522, filed 1/24/64.]

WAC 388-33-440 Protective or vendor payment due to mismanagement of AFDC grant. (1) The rules in this section do not apply to WIN protective payments except as specified in WAC 388-33-450 nor to protective payments resulting from a failure to cooperate with the office of support enforcement except as specified in WAC 388-33-453.

(2) Purpose--criteria for use.

(a) Protective or vendor payment is designed for the small number of aid to families with dependent children cases in which the caretaker relative has demonstrated severe difficulty in managing money, but has the capacity to learn, in a relatively short time, with the aid of social services to manage his funds in a manner that will assure the proper care of the children. These payments may be vendor or money payments. Part of the payment may be made to the family and part may be made to the protective payee or vendor. Evidence of mismanagement of funds must be specific and clearly establish the fact that the way in which the funds are used threatens the well-being of the child. Examples are

(i) Continued inability to plan and spread necessary expenditures over the usual payment period,

(ii) Continued evidence that the children are not properly fed and clothed or that expenditures are made in such a way as to threaten their chances for healthy growth and development,

(iii) Persistent and deliberate failure to meet obligations for rent, food and other essentials,

(iv) Repeated evictions or incurrence of debts against current income.

(b) Protective or vendor payment is not used when the basic problem is insufficient funds rather than management of money. It is not intended for recipients whose mental or physical limitations would prevent them from learning how to manage their own affairs. Protective payment is not used when a financial problem is due only to emergency situations, such as short-term illness, or an unexpected decrease in support payments, or other partial income.

(c) The use of protective or vendor payment is a temporary measure to help improve management and use of money for the best interest of the family. The availability of social services is an essential ingredient to accomplish the educational and constructive purposes of this plan. Chapter 388-16 WAC contains examples of the types of services to the relative in order to assist him or her to avoid the necessity of the protective payment plan or to discontinue its use expeditiously.

(d) The social services supervisor or local office administrator makes the decision to establish a protective or vendor payment plan upon recommendation by the worker. The case record must contain the evidence upon which the worker's recommendation is based. See WAC 388-33-442.

(3) Selection of another individual to be payee of grant

(a) An individual designated to receive all or part of the AFDC payment on behalf of a family must be interested in or concerned with the welfare of the child(ren) and the caretaker relative. To the extent possible, the caretaker relative shall choose the protective payee or participate in the selection of the protective payee. The individual may be

(i) A relative, friend, neighbor, clergyman, or member of a church or community service group;

(ii) An individual who serves with a voluntary social agency, such as family services or settlement centers,

(iii) A home economist with a public or private organization,

(iv) A staff member of homemaker services, house-keeping aide program, practical nurse association, or other agencies,

(v) A staff member of a public agency, such as one administering child welfare, health, rehabilitation, and housing programs,

(vi) An employee of the department when no other suitable person is available. A worker shall not serve as payee for cases in his regular caseload. Department specialists in home and money management are to be given preference over other department staff.

(b) To avoid conflict of interest situations the individual may not be

(i) The local office administrator,

(ii) The local office employee determining the financial eligibility of the family,

(iii) A vendor of goods and services dealing directly with the recipient, such as landlord or grocer,

(iv) Special investigative or resource staff or staff authorizing payments for the recipient,

(v) An employee of the department when the department has legal custody or the responsibility for placement and care of the family's child(ren).

(c) Standards for selecting a protective payee are

(i) Interest and concern in the welfare of the family,

(ii) Ability to help the family make proper use of the assistance payment,

(iii) Accessibility to the family,

(iv) Ability to establish and maintain a positive relationship with the family,

(v) Good character and reliability.

(d) Payee-recipient relationship

The protective payee has the authority and responsibility to make decisions about the expenditures of the assistance payments. The teaching component requires that the recipient participate to the extent of his ability in the decisions.

(e) Payee-department relationship

(i) The payee and the department share in the responsibility for developing plans to improve the recipient's capacity to handle money and to evaluate progress.

(ii) The payee has responsibility for assuring the department that the assistance money has been spent on behalf of the children. This need not be a detailed account.

(iii) The payee's responsibility to the department is defined by the local office in writing with a copy for the recipient, payee, and case record.

(4) Selection of vendor providing goods and services.

(a) In the absence of another individual to act as payee of a protective payment grant, assistance may be paid in whole or in part as vendor payments directly to persons furnishing food, living accommodations or other goods or services to or for the child or relative.

(b) Vendors shall be selected by the recipient or with his participation or consent to the extent possible. Vendors should be easily accessible to the recipient. [Order 1054, § 388-33-440, filed 9/25/75; Order 700, § 388-33-440, filed 7/27/72; Order 534, § 388-33-440, filed 3/31/71, effective 5/1/71; Order 341, § 388-33-440, filed 3/20/69; Order 322, § 388-33-440, filed 11/27/68; Emergency Order 306, filed 9/20/68.]

WAC 388-33-447 Protective or vendor payment due to mismanagement of AFDC grant—Fair hearing. (1) The recipient has a right to request a fair hearing regarding the determination:

(a) That a protective or vendor payment should be made,

(b) As to the payee selected,

(c) That foster care will be provided for his child.

(2) Protective payee's responsibilities are being carried out appropriately,

WAC 388-33-449 Protective or vendor payment due to mismanagement of AFDC grant—Information confidential. Since a protective payment plan requires services, in many instances outside the agency, and the appointment of a protective payee to work in close relationship with the aid to families with dependent children family, special effort must be made to safeguard information about the family.

Release of information to the protective payee from the public assistance record must be confined to those facts about the family members and their situation that

are pertinent to the fulfillment of the payee's responsibility in the home. The need to respect the family's right to confidentiality shall be explained to a prospective protective payee. [Order 534, § 388-33-449, filed 3/31/71, effective 5/1/71; Order 341, § 388-33-449, filed 3/20/69; Order 322, § 388-33-449, filed 11/27/68; Emergency Order 306, filed 9/20/68.]

(4) Payment to the relative payee shall promptly be resumed when notice is received from the department of employment security that the individual no longer refuses to participate in a work incentive program or employment or had good cause for refusal to participate. [Order 831, § 388-33-450, filed 7/26/73; Order 747, § 388-33-450, filed 12/7/72; Order 534, § 388-33-450, filed 3/31/71, effective 5/1/71; Order 322, § 388-33-450, filed 11/27/68; Emergency Order 306, filed 9/20/68.]

(4) The selection of a protective payee shall be made in accordance with WAC 388-33-440 (3)(a)(b) and (c),

with the exception that the protective payee shall not be the parent/caretaker relative or the spouse of the parent/caretaker relative.

(5) The manner in which the protective payee performs will be reviewed at least every three months and the caretaker relative's circumstances will be reviewed as frequently as indicated.

(6) Payment to the relative payee shall not be resumed without written approval by the office of support enforcement stating that the individual is cooperating in obtaining support.

(7) The rules in this section as to the person selected as protective payee and manner of disbursements are not subject to a fair hearing. [Order 1195, § 388-33-453, filed 3/3/77; Order 1054, § 388-33-453, filed 9/25/75.]

WAC 388-33-455 Protective payment--Special needs of SSI beneficiary or continuing general assistance recipient. (1) Protective payment for a SSI beneficiary or continuing general assistance recipient is payment to another individual designated as protective payee.

(2) The objective in making protective payments is to assist in money management or provide management of funds for the individual who, by reason of physical or mental condition, is incapable of handling his money in a manner conducive to his continuing health, social adjustment and acceptance in the community.

(3) Allowances for the cost of chore service or special needs such as restaurant meals may be issued to a protective payee when the individual manifests a persistent inability to manage and use his funds for their intended purposes.

(4) When the local office determines that an SSI beneficiary is unable to manage his award, a referral shall be made to the Social Security administration district office for consideration of the designation of a representative payee.

(5) Protective payment is not used when the basic problem is insufficient funds rather than money management or when a financial problem is due to an emergency situation such as short-term illness.

(6) Assistance funds shall not be authorized to the protective payee for his costs or services.

(7) The facts supporting a determination of an individual's inability to manage funds must be specific and clearly establish that his misuse of funds threatens his well being, for example:

- (a) Medical or psychological evaluations,
- (b) Observation of gross conditions such as extensive paralysis, serious mental retardation, continued disorientation, or severe memory loss,
- (c) Continued inability to plan and spread necessary expenditures over the usual payment period,
- (d) Persistent failure to pay for rent, utilities, food and other essentials.

(11) The protective payee has the authority and responsibility to make decisions about the expenditure of assistance payments. He should encourage the recipient to participate to the extent of his ability in the decisions.

(a) The payee has responsibility for assuring the department that the assistance is spent on behalf of the recipient. An itemized account is not required, but a record of expenditures for the basic needs of food, shelter, clothing and utilities shall be maintained and kept current for review.

(b) The protective payee may not be qualified as the primary source of information regarding eligibility. His authority extends only to the grants received and not to the other financial affairs of the recipient. In making a review, the local office must continue to consult the recipient, when he can give pertinent information. Other appropriate persons should be consulted when necessary.

(12) The local office shall provide the recipient and payee a written agreement on the respective roles of the protective payee and the department. Copies of the

agreement shall be furnished to the payee and the recipient, and a copy retained in the case record. The local office shall undertake and continue special efforts to protect the welfare of the individual in need of protective payment. (3) If the warrant is endorsed by payee name only, the department cannot stop payment if some one other than the payee cashes the warrant.

(6) A report which indicates a warrant is lost in the mail system will be held in abeyance for ten working days from the mailing date of the warrant to allow the warrant to be delivered or returned to the CSO. If the recipient has an emergent situation, the ten day period may be waived by the CSO administrator.

(7) Replacement must be requested directly from disbursements when a loss or nonreceipt is reported to the CSO sixty days or more after the mailing date of the warrant.

(8) An unendorsed warrant which is lost, stolen or destroyed shall be replaced in full. Restrictively or specially endorsed warrants shall be deemed to be unendorsed warrants for the purposes of this subsection.

(9) An endorsed warrant which is lost, stolen or destroyed shall be considered under the rules in WAC 388-33-577 for lost, stolen or destroyed proceeds from the warrant.

(10) The state and economic and social service offices shall take appropriate action to protect the state from loss if the original unendorsed warrant is redeemed by the state treasurer. [Statutory Authority: RCW 74.08.090. 81-09-044 (Order 1637), § 388-33-576, filed 4/15/81; 78-09-062 (Order 1331), § 388-33-576, filed 8/24/78; Order 1164, § 388-33-576, filed 10/27/76; Order 1055, § 388-33-576, filed 9/25/75; Order 1026, § 388-33-576, filed 5/19/75; Order 661, § 388-33-576, filed 3/9/72.]

WAC 388-33-579 Loss, theft or destruction of warrant payable to vendor. (1) When a vendor payee reports

(2) The local office shall secure all facts surrounding the nonreceipt or loss reported in subsection (1); assess the reported facts and make a judgment as to the validity of the report; determine a course of action appropriate to the facts of the case.

(3) The local office follows procedures established by the department and allows the time needed to make the necessary determination for processing these claims before a duplicate warrant will be issued.

(4) Replacement of unendorsed warrants shall be made in accordance with the procedures established by the department.

(5) The department will not be responsible for replacing an endorsed warrant or cash proceeds of a warrant lost by a vendor. [Order 661, § 388-33-579, filed 3/9/72.]

(2) A warrant not endorsed by a payee (with dependents in his assistance unit) who has left his home must be returned to the SO for cancellation, unless it is feasible to hold the warrant until the payee returns. If there is another eligible payee the warrant is returned for cancellation and the LO simultaneously certifies grant recomputation and name change. (b) A one-time grant authorization is a single payment procedure. It expires when the warrant is mailed. It does not change the amount of the continuing (regular) grant currently authorized.

(c) A one-time grant shall be authorized when:

(i) An additional requirement recognized by department standards will be needed.

(ii) Income or assistance budgeted as available to the assistance unit or family is not received.

(iii) Supplemental assistance is needed from the date a recipient leaves an institution to the receipt of the regular, adjusting, or reinstated grant.

(iv) The fair hearing decision or the court decision on an appeal requires initiating, reinstating, or increasing a grant.

(v) A recipient is to be compensated for an underpayment.

(vi) Any one-time grant is approved by the state office under chapter 388-20 WAC for reasons other than those listed in this section.

(vii) A canceled warrant is to be reissued and the recipient cannot wait for payment by adjusting grant.

(viii) A change in the basic requirements resulting in an increase in the regular grant occurs.

(ix) Assistance is being continued in compliance with the ten-day advance notice rules on reduction, suspension, or termination of a grant, and a partial month payment is required.

(x) An individual is added to the assistance unit. The one-time grant shall be for the period from the date of eligibility to the date the grant is adjusted.

(d) Except as provided in subsection (2)(c)(iv) and(v) of this section, a retroactive one-time grant shall not cover a period of more than sixty days before the date of authorization.

(e) The effective date of a one-time grant shall be the date the circumstances change, subject to the limitations and conditions stated in this section. WAC 388-34-010 Institutional living arrangements.

(1) The standards, policies and procedures in this chapter apply to applicants and recipients in or entering public and private nursing homes, hospitals, fraternal or benevolent homes, maternity homes, commercial homes not subject to licensing, and other miscellaneous homes.

(2) The policies and procedures for processing applications, determining initial and continuing eligibility and making payments to persons in such situations are the same as those which apply to persons in their own homes except as modified herein. However, the standards for the requirements and the computation and payment of the financial need of persons in institutions differ in some respects from those for persons in their own homes. Consequently, this chapter deals with the assistance standards and special procedures for payment to and in behalf of the eligible persons in the various types of institutions.

(3) The assistance unit, when a person is in an institution for more than a temporary period, consists of the individual patient only. Legal dependents in the family home constitute a separate assistance unit. [Regulation 11.00, filed 1/24/64.]

WAC 388-34-015 Definitions. (1) "Medical institution" shall mean an institution which:

(a) Was established and is operated to provide medical care, nursing care and/or convalescent care, and has the necessary professional personnel, equipment and facilities to manage the medical needs of patients on a continuing basis in accordance with accepted standards.

(b) Is staffed by professional medical or professional nursing personnel who have clear and definite responsibility to the institution in the provision of medical services to patients. The term "staffed by" shall not mean that the institution has to have resident medical or nursing staff but staff must be assigned and available to give necessary care. An institution which has a doctor who calls once a week to "look in on people to see how they are getting along" or in which a matron can call a doctor when a person in the institution gets sick, is not "staffed by" professional personnel in this context.

(2) "Nursing care in commercial home not subject to state licensing" means nursing services in a home operating for profit with nursing care facilities for one or two persons only.

(3) "Nursing home" means a public or private licensed nursing home certified by the department to provide skilled nursing or intermediate care, or both, with which the department has entered into the appropriate agreement or agreements.

(4) "Skilled nursing care" means care provided in a facility which has been appropriately licensed and certified under the terms of the state and federal regulations including the agreement for skilled nursing home care.

(5) Deleted.

(6) "Patient" shall mean an individual who

(a) Is admitted to a medical institution on the recommendation of a physician or dentist because of illness and there is a planned medical treatment directed toward improvement in health, or palliative medical measures are required, though improvement in health or recovery cannot be expected, and

(b) Is receiving professional medical treatment, including nursing care, directed by a licensed practitioner of the healing arts, and

(c) Is free to leave at the conclusion of the treatment or at any time upon his own decision. A patient in a psychiatric hospital (JCAH approved) sixty-five years of age or over or an eligible person under 21 years of age is not affected by this provision. See chapter 388-95 WAC.

(7) "Private institution" shall mean an institution operated by nongovernmental authority and subject to the administrative control of a privately designated governing body or the proprietor(s).

(8) "Public institution" shall mean an institution authorized by law, supported in whole or in part from public funds and under the effective administrative control of a public official or a publicly appointed or elected governing body.

(9) "Psychiatric facility" or "facility" includes the two state mental hospitals, private psychiatric hospitals and general hospitals having psychiatric beds, with which the department has an agreement or contract for the care of persons sixty-five years of age and over and under 21 years of age.

(10) "Intermediate care facility" (ICF) is an institution or a distinct part of an institution which is licensed under state law and has entered into a contract with the department to provide residents thereof, on a regular basis, the range or level of care suitable to eligible recipients who because of their physical or mental condition or both require living accommodations and care which as a practical matter can be made available to them only through institutional facilities but do not have such disability as to require the degree of care which a skilled nursing home provides.

(11) "Intermediate care" means care in an intermediate care facility including institutional services.

(12) "Institutional services" means those items and services furnished by the institution in connection with providing the regular range or level of care and services suitable to the needs of a resident in an intermediate care facility. Institutional services do not include personal maintenance and necessary incidentals and clothing for which the recipient receives a cash grant or medical care provided under the regular medical program for recipients. [Order 1044, § 388-34-015, filed 8/14/75; Order 323, § 388-34-015, filed 11/27/68; Order 249, § 388-34-015, filed 11/1/67; Regulation 11.01, filed 1/24/64.]

(b) Patient in a medical institution but not because of a diagnosis of psychosis (unless he qualifies under subdivision (1)(a)),

WAC 388-34-025 Eligibility conditions--Eligibility for AFDC--Child or needy relative temporarily in institution. (1) A child temporarily in a public or private institution and otherwise eligible for aid to families with dependent children as long as he is a member of a family which maintains responsibility for his welfare according to WAC 388-24-125.

(2) The needy relative, who is responsible for the care of a child eligible for aid to families with dependent children, shall not be eligible for aid to families with dependent children when he (she) lives in a public or private institution except temporarily during which time adequate care is provided for the child.

(3) A person in a maternity home is eligible for services according to WAC 388-70-110 through 388-70-118. [Order 759, § 388-34-025, filed 12/28/72; Order 249, § 388-34-025, filed 11/1/67; Regulation 11.03, filed 1/24/64.]

WAC 388-34-045 Skilled nursing home care--Cost standards for requirements. (1) The cost of skilled nursing home care shall be the department's rates for the class of care needed as determined by the department's nursing care consultant or the classification of the home in which the care is given, whichever is lower, unless special authorization is given by the department's office

of personal health services for a particular home to give a specified patient a class of care more costly than that at which the home is classified.

(2) Deleted.

(3) Deleted.

(4) If an individual needs less than Class II care and it is desirable to keep him in a skilled nursing home, the skilled nursing home will be paid at the intermediate care facility rate. See WAC 388-34-378. [Order 1017, § 388-34-045, filed 4/14/75; Order 907, § 388-34-045, filed 2/14/74; Order 862, § 388-34-045, filed 10/11/73; Order 842, § 388-34-045, filed 8/9/73; Order 824, § 388-34-045, filed 7/26/73; Order 732, § 388-34-045, filed 10/27/72; Order 675, § 388-34-045, filed 5/10/72; Order 651, § 388-34-045, filed 2/9/72; Order 553, § 388-34-045, filed 4/1/71; Order 377, § 388-34-045, filed 8/7/69; Regulation 11.12, filed 2/23/67, 8/29/66, 3/31/66, 12/31/65, 1/24/64.]

WAC 388-34-055 Skilled nursing home care--Authorization and payment. (1) The assistance unit for purposes of authorizing payment of the requirements of a person in a nursing home is the patient only. The need of dependents shall not be "included in" or computed as part of the patient's need.

(2) The requirements for a person in a skilled nursing home shall be authorized only after the nursing care consultant has determined medical eligibility for a specific class of care and the person is determined by the department to be otherwise eligible.

(3) WAC 388-33-115 and 388-33-120 on effective date of payment apply to new and reopened cases eligible for continuing assistance grants. The effective date of a noncontinuing general assistance grant is the authorization date. See WAC 388-84-005 for effective date for FAMCO.

(4) The cost of skilled nursing home care is paid as a medical service cost by post payment to the provider.

(5) Payment for clothing and personal maintenance and necessary incidentals shall be made to the eligible grant recipient as a prepayment. See WAC 388-83-045 for FAMCO.

(6) Income of the applicant or recipient shall be applied according to WAC 388-28-500.

(7) WAC 388-88-095 through 388-88-115 apply to the placement, transfer or discharge of a nursing home patient. [Order 759, § 388-34-055, filed 12/28/72; Regulation 11.131, filed 8/29/66; Regulation 11.131, filed 1/24/64.]

WAC 388-34-085 Public nursing home--Definition--Grant requirements. (1) "Public nursing home" means a licensed county (public) nursing home previously called a county infirmary. The need for care in a public nursing home shall be determined and certified by the local office.

(2) The grant requirements for a person in a public nursing home are clothing and personal maintenance and necessary incidentals. [Order 1017, § 388-34-085, filed 4/14/75; Order 907, § 388-34-085, filed 2/14/74; Order 824, § 388-34-085, filed 7/26/73; Order 651, §

388-34-085, filed 2/9/72; Order 553, § 388-34-085, filed 4/1/71; Order 377, § 388-34-085, filed 8/7/69; Order 249, § 388-34-085, filed 11/1/67; Regulation 11.20, filed 7/24/67; Regulation 11.20, filed 2/23/67, 8/29/66, 1/24/64.]

WAC 388-34-095 Fraternal, religious, or benevolent home. (1) Fraternal, religious or benevolent homes operate under a variety of plans with respect to the individual. Some offer free care for life, sometimes contingent upon earlier group membership. Others offer free care covering maintenance items only without specific provisions for personal items. Some require payment in advance or transfer of all property holdings; others enter into specific individual contracts. Fraternal organizations usually have only general bylaws concerning the conduct of the person in the home rather than the relationships between the home and the individual.

(2) Fraternal, religious or benevolent homes operating as nursing homes shall be subject to department standards and rules governing nursing homes.

(3) An individual in a fraternal, benevolent or charitable home which customarily provides free, partially free or prepaid care for life, shall be eligible only when and to the extent that he can establish need, including the necessity for him to make payments to the home.

(4) Assistance may be granted to an otherwise eligible individual receiving life care under a contract or agreement which specifically excludes items in the standards only to the extent required to purchase such requirements. The individual must provide evidence substantiating need for the item; for example, a copy of an individual contract with the home; specific citations to governing rules of the organization; or official statements or resolutions of the governing authority or board specifically setting forth the limitations of the individual's right to free care. A written statement signed by the proper authorities of the home requesting and confirming the applicant's obligation to make payment, including the citation of a properly adopted statement or resolution of the governing board setting forth the limitations of the home's obligation to provide care without payment also serves as substantiating financial need.

(5) A person who voluntarily cancels a contract for life care shall not be eligible until he produces satisfactory evidence to prove that the value of the care received equaled the value of the consideration paid for the life care contract. The home's average monthly operating cost per guest, exclusive of capital outlay, depreciation, interest on investments and similar costs as agreed upon by the local office and the home, shall be used to determine whether the care received by the individual equaled the lump sum payment or value of the property he transferred to the home.

(6) See WAC 388-34-045 for costs of requirements to determine financial need of an applicant in a skilled nursing unit of a fraternal or benevolent institution.

(7) See WAC 388-29-260 through 388-29-270 for requirements of a person living in a fraternal or religious home on a board and room basis. [Statutory Authority: RCW 74.08.090. 78-10-036 (Order 1338), § 388-34-

095, filed 9/18/78; Order 651, § 388-34-095, filed 2/9/72; Order 377, § 388-34-095, filed 8/7/69; Order 249, § 388-34-095, filed 11/1/67; Regulation 11.30, filed 8/29/66; Regulation 11.30, filed 1/24/64.]

WAC 388-34-110 General hospital--Grants requirements. (1) The grant requirements in a public or private general hospital shall be clothing, personal maintenance and necessary incidentals.

WAC 388-34-160 Grant change--Admittance to institution other than nursing home. (1) When a recipient enters an institution other than a licensed and classified private nursing home the CSO may use any payment process which the CSO determines to be the most practical under the circumstances. Such payment process may consist of recomputation or suspension of the regular grant, redirection and cancellation of warrants, one-time grant, or any combination of the preceding. Medical costs, in addition to grant need, may also be taken into consideration in determining suspension or termination.

(2) Supplemental assistance for general maintenance or general subsistence if needed from date of admission to effective date of regular grant change shall be authorized and paid to the recipient as a one-time grant. The funds in the recipient's possession from his regular assistance warrant for the month he enters, and/or any unused income, is considered available to meet need. See WAC 388-33-595 (2)(b)(iv).

(3) When an adult recipient (OAA, DA, AB, GAU) enters an institution and there is another adult in the assistance unit, separate grants from the appropriate program shall be established for each adult. Minor children dependent on the adults shall be included in the assistance unit of the adult not in the institution.

When an assistance unit is "split" the effective date of the grant to each assistance unit shall be synchronized to avoid overpayment.

(4) If a recipient in an institution dies before receiving or being able to endorse a warrant already authorized and due him and owes for general maintenance or general subsistence, the previously authorized warrant shall be canceled and the amount due shall be paid as a vendor payment from the category in which the canceled warrant was written. See WAC 388-33-460.

(3) If reinstatement of grant is authorized see WAC 388-33-120(4) for effective date of grant. [Regulation 11.81, filed 6/14/66; Regulation 11.81, filed 1/24/64.]

(b) His monthly income and resources available to meet his requirements,

(c) The amount of the monthly grant,

(d) The date of eligibility for care and payment of assistance begins,

(2) To be eligible for assistance in an intermediate care facility a recipient must:

(a) Require living accommodations and care which as a practical matter can be available to him only through institutional facilities, and

(b) Not have such disability as to require the degree of care and treatment which a hospital or skilled nursing home at the Class I or II level of care is designed to provide, and

(c) Be eligible for a federal aid grant, continuing general assistance, or medical assistance. [Order 701, § 388-34-370, filed 7/27/72; Order 651, § 388-34-370, filed 2/9/72.]

WAC 388-34-372 Intermediate care--Determination of need for intermediate care. (1) The determination of a person's need for intermediate care is based on mutual planning with him and his family, as feasible, and on the service worker's assessment of his needs. Any question of the individual's need for care in a nursing care facility must be resolved prior to placement in an intermediate care facility by clearance with the medical

consultant or the nursing care consultant. All alternate care which might meet his needs shall have consideration (see WAC 388-16-300 through 388-16-330).

(2) On initial placement medical information shall be secured to establish the presence or extent of physical problems. Such information may be contained in reports from state hospitals, or schools for the retarded, or secured from physicians. To help in determining need for care this medical information is essential for persons having health needs which require visits to the physician, special diets, and/or taking of medications.

(3) The service worker shall consult with the nursing care consultant who has primary responsibility for determining if the person needs skilled nursing care rather than intermediate care. The nurse will serve, when indicated, as a consultant regarding the individual's medical needs, medical information, and medical resources in the community. [Order 701, § 388-34-372, filed 7/27/72; Order 440, § 388-34-372, filed 4/15/70.]

WAC 388-34-374 Intermediate care--Placement of recipient. (1) The service worker has responsibility for case management and social services which includes placement and replacement of the recipient.

(2) The need for intermediate care must be agreed to by the recipient. The selection of the facility is the responsibility of the recipient, his relatives, guardian, or attending physician or Christian Science practitioner, with assistance from the service worker in preplacement planning.

(3) The service worker shall assume responsibility for selecting the home only when the recipient is incapable of making the selection and there is no other responsible person to make the selection in his behalf.

(4) The placement of a recipient in an ICF must have prior approval by the local office. However, in case of the emergency admission of a recipient to a home when the local office is not open, the local office must be notified by the home the morning of the first local office working day following the emergency admission. The fact of the emergency existed must be established to enable the department to pay for the care from the date of admission.

(5) The operator must send immediate written notification to the local office on Form 15PA28F, Notice of action, of the date of admission of any recipient. Payment for the recipient's care will not be authorized until receipt of this written notification.

(6) The operator must report discharge or death of a resident on form 15PA28F.

(7) Out-of-county placement of a recipient may be made at the request of the recipient or his relatives, or when there is no available intermediate care facility in the county of residence. [Order 440, § 388-34-374, filed 4/15/70.]

WAC 388-34-375 Intermediate care--Absence for social reasons. (1) The facility shall notify the local office immediately on the prescribed form when a recipient is to be absent from the facility for more than 24 hours for social reasons.

(2) The facility shall immediately contact the local office for approval of a plan for a recipient to be absent for more than 36 hours for social reasons. Local office approval of an absence of more than 4 days shall be in writing. A state office approved exception to rule shall be secured for absences of more than seven calendar days.

(3) The facility shall not discharge a recipient whose absence for social reasons has been approved by the department. Payment is made for the days of approved absence. [Order 867, § 388-34-375, filed 10/26/73.]

WAC 388-34-376 Intermediate care--Services to be provided by operator. The operator of the facility shall provide the following protective and personal care services:

(1) Offer understanding, encouragement and emotional support to the recipient toward taking more responsibility for himself; i.e., keeping self neat and clean, wearing appropriate clothing, coming to meals, keeping room clean and orderly, and other minor tasks.

(2) Activities, including social and recreational activities, involving active participation by the recipient and opportunities for community activities as possible and appropriate, including encouragement and help in seeking, obtaining and keeping employment if the resident is not a recipient of OAA.

(3) Assistance with shopping and correspondence as necessary.

(4) Necessary supervision for the recipient whose mental condition is such that his personal safety requires this.

(5) Opportunity to participate in religious activities of the recipient's own choice.

(6) Under direction of the recipient's physician, guidance and assistance for each recipient in carrying out his personal health program.

(7) Arrangements for services of a physician in the event of an emergency when the recipient's own physician cannot be reached;

(8) Whenever a recipient is sick notifying a physician immediately. If the recipient remains in the facility, the facility shall be responsible for providing temporary care. Care during a temporary illness shall be limited to the type of care ordinarily given in a private home and of a duration not to exceed fourteen days.

(9) Maintaining an individual health record for each resident including

(a) Name, address, and telephone number of relative or responsible person, and the name, address, and telephone number of his physician;

(b) The physician's written instructions and recommendations for care of the recipient;

(c) All symptoms and other indications of illness, injury, or changed behavior brought to the attention of the staff by the recipient, or from other sources, including the date, time, and action taken regarding each. [Order 440, § 388-34-376, filed 4/15/70.]

WAC 388-34-378 Intermediate care--Grant requirements--Procedures. (1) Intermediate care is paid

from medical care program funds as a vendor post-payment in behalf of the recipient. The individual must be eligible for public assistance or meet the eligibility standards of the medical care program.

(2) Deleted.

(3) The grant requirements of a person in an intermediate care facility shall be clothing and personal maintenance and necessary incidentals.

(4) All nonexempt income shall be applied first to the requirements specified in subsection (3). Any remaining income is applied to reduce the vendor payment. See WAC 388-22-030(34) for definitions of income.

(5) Payment for care of eligible persons shall be made only for day(s) of care certified by the authorized local office staff. Payment is made for the day of admission, but will not be made for the day of death, discharge or transfer from the intermediate care facility, provided that for any resident admitted there shall be a minimum one-day payment.

(6) Payment for the care of a private resident who becomes eligible for public assistance while in an intermediate care facility shall begin on the date authorized by the department's local office.

(7) An administrator of an intermediate care facility shall not receive or accept money from or on behalf of a recipient in excess of the amount properly payable for the basic cost of intermediate care.

(8) Violation of subsection (7) of this rule will subject the home to termination of the intermediate care agreement. Evidence that an administrator solicited or accepted payment for intermediate care in excess of the amount payable according to the department's payment standards shall be immediately discussed with the administrator by the appropriate local office staff. If the problem cannot be resolved by the local office, the facts should be sent by memorandum to the state office of personal health services. [Order 1017, § 388-34-378, filed 4/14/75; Order 907, § 388-34-378, filed 2/14/74; Order 862, § 388-34-378, filed 10/11/73; Order 842, § 388-34-378, filed 8/9/73; Order 824, § 388-34-378, filed 7/26/73; Order 732, § 388-34-378, filed 10/27/72; Order 716, § 388-34-378, filed 9/14/72; Order 675, § 388-34-378, filed 5/10/72; Order 651, § 388-34-378, filed 2/9/72; Order 440, § 388-34-378, filed 4/15/70.]

WAC 388-34-380 Intermediate care--Payment procedures--Operator's responsibility. (1) It is the operator's responsibility to collect from the recipient that portion of the cost of care the recipient is required to pay. The department's local office shall notify the operator of the amount for which the recipient is responsible.

(2) If it is determined that the recipient no longer needs or can use intermediate care, the service worker is responsible for working out a new living arrangement with the recipient. [Order 440, § 388-34-380, filed 4/15/70.]

WAC 388-34-384 Intermediate care--Application to provide intermediate care. (1) A facility wishing to provide intermediate care must have a valid license from

the department's health division as a boarding home for the aged (and infirm) or as a nursing home.

(2) To apply for approval of payment for intermediate care the facility shall contact the local office and sign Form 10PA23, application for approval for payment—intermediate care facility, in duplicate. The local office service worker will:

- (a) Establish a case record for the facility,
- (b) Visit the premises,

- (d) Explain the use of Form 15PA28F, Notice of action, and Forms 8731 and 8731-A,
- (e) Make sure that the operator will have adequate supervisory staff, not from the resident population, on the premises at all times,
- (f) Join with the manager, owner or operator in signing Form 10PA22S to testify to the explanation given by the service worker,

(g) If the local office approves the application, have the facility sign two copies of the intermediate care facility agreement and two copies of Form 6PA44, authorization for voucher signature,

(h) Note local office approval on Form 10PA23 and send both copies with both copies of the signed intermediate care facility agreement, Form 6PA44, and Form 10PA22S to the state office adult programs unit,

(i) Placement in the facility may begin when all forms for the approved application have been sent to the state office.

(3) If the local office does not approve the application, the service worker explains the reasons fully to the applicant. If the applicant wishes to sign the intermediate care facility agreement he may do so. If he does, two copies of Form 6PA44 are also signed. The service worker sends all forms as for an approved application to the state office adult programs unit with a memorandum of explanation. The state office notifies the facility of the decision.

If after an explanation of the reasons a local office will not approve an application, the facility withdraws its application to provide intermediate care, no further action is taken by the local office.

(4) The signature of the assistant secretary on the agreement will constitute department approval. A copy of Form 10PA23 and a copy of the agreement are sent to the facility.

(a) An agreement is valid for one year from the date of department signature, except when either the local office or the facility elects a shorter period,

(b) A new agreement must be received in the state office no later than one month after the expiration date of the previous agreement. If not, it will be necessary to hold the vouchers for the facility until the new agreement is received,

(c) A new agreement is required when there is a change in ownership of the facility.

(5) An agreement is terminated when it is revoked by the department or the facility closes.

(a) Revocation shall be considered only when abuses are flagrant and residents are not receiving services as provided in the agreement.

(b) The local office shall send specific current facts supporting revocation to the state office adult program section for action.

(6) The service worker shall visit the facility at appropriate intervals, but no longer than every six months, with or without the nursing care consultant, to review and when necessary, help upgrade the standards of personal and social care. Continuing general assistance cannot be granted to a person eligible for or receiving AFDC or to a person eligible for or whose needs are being met by Supplemental Security Income, except as provided in WAC 388-37-010 (2) through (5).

(2) An AFDC parent in need of intensive treatment (thirty days or less) in an approved alcoholic treatment facility may be granted continuing general assistance for the cost of treatment. This payment is made through the vendor billing procedure.

(3) Effective August 23, 1983, an SSI recipient whose need is not being met by SSI because of separation from a spouse may be eligible to receive GAU in the amount necessary to supplement his or her need up to the level of the existing GAU payment standard.

(4) An SSI recipient whose SSI check has been lost, stolen, missent, or otherwise delayed, may be granted GAU provided the recipient agrees in writing to repay the amount of GAU assistance issued, and the applicant

meets all other GAU eligibility requirements. When an SSI check is lost in the mail system, issuance of GAU will be held in abeyance for ten working days from the first of the month in which the check was issued to allow the warrant to be returned or delivered. If the recipient has an emergent need, the ten-day period may be waived by the CSO administrator.

(5) An applicant appearing to be eligible for SSI may receive continuing general assistance payments until the date of receipt of the initial SSI payment provided that:

- (a) The applicant applies;
- (b) The applicant assigns the initial SSI payment to DSHS up to the amount of the GAU provided to the applicant pending approval of the SSI application;
- (c) The applicant meets all other general assistance eligibility requirements.

(6) When determining the amount of the initial SSI payment, do not include any advance payment or payment based upon presumptive disability or presumptive blindness. These payments are not considered SSI benefit payments for interim assistance purposes.

(a) The state cannot be reimbursed for any GAU authorized during the time period these payments cover.

(b) If the amount of the initial SSI payment recovered by DSHS prior to the payment of attorney's fees in subsection (7) of this section does not meet the amount paid as GAU, the balance must be treated as an overpayment. The period covered by any advance or presumptive payments is not included in this computation.

If the SSI benefit is less than the GAU payment standard because the SSI is based on a different living arrangement than authorized under the GAU program, the difference will not be considered an overpayment, provided the applicant has appealed the SSI determination and lost the final appeal.

(7) Any agreement between the department and a supplemental security income applicant providing for the reimbursement of interim assistance to the department shall provide, if the applicant has been represented by an attorney, that twenty-five percent of the reimbursement received shall be withheld by the department and all or such portion thereof as has been approved as a fee by the United States Department of Health and Human Services shall be released directly to the applicant's attorney. The secretary may maintain such records as are deemed appropriate to measure the cost and effectiveness of such agreements and may make recommendations concerning the continued use of such agreements to the legislature. Reimbursement is limited to cases accepted by the attorney on or after August 23, 1983.

(8) Continuing general assistance cannot be granted to an individual eligible for or receiving AFDC or SSI when he or she is subject to any sanction for failure to comply with AFDC or SSI requirements. WAC 388-37-030 Continuing general assistance—Eligible persons. When other eligibility has been established, continuing general assistance shall be granted to:

(1) Incapacitated persons. As used in this section, incapacitated person means a person physically, emotionally, or mentally unable to work as a result of a condition expected to continue for at least sixty days from date of application, except as provided in WAC 388-37-038 (1) through (4). Incapacity refers to the individual's capacity to earn income by employment. It does not refer to the availability or lack of job opportunities.

(a) Eligible individuals are:

(i) An incapacitated single person age eighteen or older.

(ii) A married couple if both persons are incapacitated.

(iii) The incapacitated spouse in the case of a married couple when only one person is employable. The income and resources of the employable spouse shall be considered as described in WAC 388-28-500 (2)(a) and (b).

(b) An incapacitated individual must accept and follow through on required available medical treatment, which can reasonably be expected to render him or her able to work, unless there is good cause for failure to do so.

(i) The CSO incapacity review team shall make the "good cause" determination.

(ii) Individuals found to be incapacitated due to alcoholism or drug abuse must be participating in an approved alcoholism or certified drug treatment program, unless there is good cause for failure to do so.

When it has been verified by a physician that it is medically necessary for an employable spouse to be present in the home to care for the incapacitated spouse payment shall be made to the employable spouse. [Statutory Authority: RCW 74.08.090. 81-12-045 (Order 1661), § 388-37-031, filed 6/3/81; Order 1102, § 388-37-031, filed 3/2/76.]

WAC 388-37-032 Continuing general assistance--Determination of incapacity. (1) Eligibility due to incapacity shall be determined by a CSO incapacity review team in accordance with the criteria in WAC 388-37-035.

(2) The incapacity review team shall:

(a) Consider medical and other related evidence of the incapacitating condition and make a decision confirming or denying the existence of eligibility due to incapacity within forty-five days of the date of application, except in circumstances beyond the control of the agency such as failure or delay in securing necessary information or documentation on the part of the applicant, the examining physician or other source of documentation.

(b) Request additional information when necessary.

(c) Determine probable duration of incapacity. The probable duration shall be related to the prognosis for the condition as predicted by the medical evidence but shall not exceed twelve months without a redetermination of incapacity.

(d) Require available medical treatment which can reasonably be expected to render the client able to work.

(e) Recommend available medical services, provided under the state-financed medical care services program as defined in WAC 388-86-120.

(3) Eligibility cannot be established if an applicant fails to cooperate in obtaining information documenting incapacity. Continued failure to so cooperate during the ten-day period following the mailing of a letter to the applicant's last known address specifically citing the required cooperation shall be grounds for denial of the application for assistance (see WAC 388-38-265).

(4) Redetermination of eligibility for general assistance due to incapacity is based on available medical evidence. If the available medical evidence does not substantiate incapacity, then continued eligibility is denied.

(5) Cost of necessary medical reports to determine incapacity shall be paid by the department. Payment for such reports shall not be made to DSHS agencies. [Statutory Authority: RCW 74.08.090. 83-08-025 (Order 1955), § 388-37-032, filed 3/30/83; 82-22-021 (Order 1894), § 388-37-032, filed 10/26/82; 81-12-045 (Order 1661), § 388-37-032, filed 6/3/81; Order 1145, § 388-37-032, filed 8/26/76; Order 1102, § 388-37-032, filed 3/2/76; Order 1046, § 388-37-032, filed 8/14/75; Order 973, § 388-37-032, filed 9/26/74; Order 904, § 388-37-032, filed 1/31/74.]

WAC 388-37-035 Incapacity--Determination of incapacity. (1) The term "incapacity" refers to the existence of a physiological, emotional, or mental impairment rendering the person incapable of gainful employment.

(a) Such incapacity must be verified by medical evidence as specified in WAC 388-37-035(2).

(b) The person must be substantially prevented by reason of the impairment from engaging in gainful employment. Reasons for unemployment other than incapacity, such as individual employer preferences, business, and economic conditions, etc., are not factors

to be considered in determining his or her inability to obtain and continue in employment.

(2) The source of evidence for physiological incapacity will be a written report from a physician or the chief of medical administration, or his or her designee, of the Veterans' Administration as authorized in federal law. The source of evidence for a mental incapacity may be a report from a psychiatrist, licensed clinical psychologist, or mental health professional designated by the local community mental health agency as defined in RCW 71.05.020. Supplemental medical evidence may be obtained from a nurse practitioner, physician's assistant, or DSHS institutions and agencies from which the individual is receiving or has received services. Such reports must include a diagnosis and prognosis for the incapacitating condition and the effect of the condition on the individual's ability to function, along with sufficient medical documentation to support any conclusions of incapacity.

(3) The determination of incapacity will be made on the facts of each case. This requires evaluation of the severity of the impairment and its effect on the individual so it can be determined whether there remains a capacity to engage in gainful employment. The primary reason for incapacity must be a medical impairment, but vocational factors, i.e., age, education, and work skills, may also be considered. [Statutory Authority: RCW 74.08.090. 83-21-012 (Order 2034), § 388-37-035, filed 10/6/83; 83-08-025 (Order 1955), § 388-37-035, filed 3/30/83; 82-22-021 (Order 1894), § 388-37-035, filed 10/26/82; 82-12-067 (Order 1819), § 388-37-035, filed 6/2/82; 81-21-038 (Order 1709), § 388-37-035, filed 10/15/81; 81-10-010 (Order 1642), § 388-37-035, filed 4/27/81; 80-12-013 (Order 1536), § 388-37-035, filed 8/25/80; Order 1251, § 388-37-035, filed 11/10/77; Order 1214, § 388-37-035, filed 6/23/77; Order 1173, § 388-37-035, filed 11/24/76; Order 1145, § 388-37-035, filed 8/26/76; Order 1109, § 388-37-035, filed 4/15/76; Order 1102, § 388-37-035, filed 3/2/76; Order 973, § 388-37-035, filed 9/26/74; Order 904, § 388-37-035, filed 1/31/74.]

WAC 388-37-036 Incapacity--Functional, mental, and emotional disorders. Incapacity due to mental and emotional disorders shall be determined on the basis of psychosocial and treatment history, clinical findings, and results of special tests, which provide evidence of significant impairment of ability to work. Impairment of ability to work is reflected in restriction of daily activities and/or constriction of interests and/or impaired ability to care for self and/or impaired ability to relate to others. In addition, at least one of the following must be present:

(1) The individual with organic brain syndrome demonstrates deterioration in intellectual functioning, manifested by one or more of the following clinical findings:

(a) Marked memory defect for recent events; or

(b) Impoverished, slowed, perseverative thinking, with confusion or disorientation; or

(c) Labile, shallow or coarse affect.

(2) The individual with functional psychotic disorder manifests one or more of the following clinical findings:

- (a) Depression (or elation); or
- (b) Agitation; or
- (c) Psychomotor disturbances; or
- (d) Hallucinations or delusions; or
- (e) Autistic or other regressive behavior; or
- (f) Inappropriateness of affect; or
- (g) Illogical association of ideas.

(3) The individual with functional nonpsychotic disorder (including addictive dependence on alcohol or drugs) manifests one or more of the following clinical findings:

(a) Demonstrable and persistent structural changes mediated through psychophysiological channels (e.g., duodenal ulcer); or

(b) Recurrent and persistent periods of anxiety, with tension, apprehension, and interference with concentration and memory; or

(c) Persistent depressive affect with insomnia, loss of weight, and suicidal preoccupation; or

(d) Persistent phobic or obsessive ruminations with inappropriate, bizarre or disruptive behavior; or

(4) The individual with mental retardation manifests significant limitations in mental and social functioning. [Statutory Authority: RCW 74.08.090. 83-08-025 (Order 1955), § 388-37-036, filed 3/30/83; 82-22-021 (Order 1894), § 388-37-036, filed 10/26/82.]

WAC 388-37-037 Continuing general assistance--Refusal to accept available and required medical treatment.

(1) A continuing general assistance applicant or recipient who refuses without good cause to accept available required medical treatment, which can reasonably be expected to render him or her able to work shall be ineligible. The decision that the client has refused such treatment without good cause is based on the best objective judgment of the CSO incapacity review team.

(2) "Available medical treatment" shall mean and include medical, surgical, alcoholism, drug or mental health services, or any combination thereof.

(3) "Reasonably be expected to render him or her able to work" shall mean that in the opinion of the incapacity review team, the required treatment will restore or substantially improve the individual's ability to work for pay in a regular and predictable manner.

(4) For the purposes of this section, an applicant or recipient has good cause to refuse required medical treatment when in the judgment of the incapacity review team such refusal is based upon one or more of the following conditions:

(a) The individual is genuinely fearful of undergoing required treatment. Such fear may appear to be unrealistic or irrational; however, fear exists in such a degree that treatment would be adversely affected;

(b) The individual could lose a faculty, or the remaining use of faculty he or she now has, and refuses to accept the risk;

(c) Because of his or her definitely stated religious scruples, the individual will not accept required medical treatment.

(d) The individual is temporarily unable to participate in required medical treatment, due to an intervening incapacity. The temporary inability to participate must be documented by medical evidence. The requirement to participate is again imposed as soon as the person is able to participate.

(5) Refusal to follow through with available required medical treatment without good cause shall result in termination until the person agrees to cooperate in accepting such treatment and the following ineligibility periods have passed:

(a) First refusal - one week;

(b) Second refusal within six months - one month;

(c) Third and subsequent refusals within one year - two months. [Statutory Authority: RCW 74.08.090. 83-08-025 (Order 1955), § 388-37-037, filed 3/30/83; 82-22-021 (Order 1894), § 388-37-037, filed 10/26/82; 81-12-045 (Order 1661), § 388-37-037, filed 6/3/81; Order 1102, § 388-37-037, filed 3/2/76; Order 904, § 388-37-037, filed 1/31/74.]

WAC 388-37-038 Incapacity--Incapacity review team decision.

(a) Has been determined to be eligible for any benefits based on Social Security administration disability criteria;

(b) Is eligible for services from the division of developmental disabilities;

(c) Is sixty-five years of age or older.

(2) Incapacity will be considered established for a period of sixty days without an incapacity review team decision when the person is being released from inpatient psychiatric treatment and is participating in direct treatment services to meet his or her mental health needs as described in WAC 275-56-015(17), with the exception of:

(a) Clients admitted under the Involuntary Treatment Act (ITA), who are subsequently released without participating in direct treatment services;

(b) Clients voluntarily admitted to a psychiatric hospital or the psychiatric ward of a general hospital for evaluation and diagnosis only, who are released without participating in direct treatment services;

(c) Clients voluntarily admitted to a psychiatric hospital or the psychiatric ward of a general hospital for an acute, short-term episode, who are released without participating in direct treatment services; and

(d) Clients who leave ongoing inpatient psychiatric treatment against medical advice.

(3) Incapacity due to alcoholism will be considered to be established when an individual is admitted as a resident of a licensed alcoholism treatment facility, including intensive or long-term treatment at an alcoholism treatment center, a halfway house or a recovery house as defined in WAC 275-19-020, according to the time limits in WAC 388-37-060.

(4) Incapacity due to abuse of drugs other than alcohol will be considered to be established for a designated period when an individual is admitted as a resident into a certified residential drug treatment program, or certified detoxification program or is accepted into a certified methadone (or approved substitute) maintenance program.

(a) In accordance with the criteria, in subsection (4) of this section incapacity will be considered to be established for the following maximum periods of time:

- (i) Detoxification—thirty days.
- (ii) Maintenance—sixty days.
- (iii) Residential treatment—sixty days.

(b) Assistance shall not be continued beyond the initial period of time described in subsection (4)(a) of this section without an incapacity review team decision. [Statutory Authority: RCW 74.08.090. 83-08-025 (Order 1955), § 388-37-038, filed 3/30/83; 82-22-021 (Order 1894), § 388-37-038, filed 10/26/82.]

WAC 388-37-040 Continuing general assistance--Standards for requirements--Authorization. (1) The rules and procedures for payment of federal aid grants shall apply to continuing general assistance except that vendor payments may be made when payment by warrant is not possible or practical.

(2)(a) When incapacity is established a continuing grant shall be authorized to continue for the probable duration of the incapacity. The recipient shall be notified of the termination date at the time the grant is opened.

(b) If more than forty-five days are required to determine incapacity, and if incapacity is determined to have existed on the date of application, assistance shall be granted effective the forty-fifth day after application, per WAC 388-33-115.

A continuing grant shall not be authorized until incapacity is established by the CSO incapacity review team.

(3) Continuing assistance shall not be authorized following the termination date specified in subsection (2) of this section until continuing incapacity has been redetermined by the CSO incapacity review team.

(4) If a recipient is terminated due to lack or insufficiency of medical evidence to establish incapacity, he/she shall be reinstated the day following the date of termination, if all the following conditions are met:

(a) The lack or insufficiency of medical evidence is not due to failure of the recipient to cooperate in gathering said evidence; and

(b) Additional medical evidence is provided subsequent to the termination, which establishes that the recipient has been, and continues to be, incapacitated since the date of termination; and

(c) The additional medical evidence substantiates incapacity as specified in WAC 388-37-010(1) and 388-37-035. [Statutory Authority: RCW 74.08.090. 82-22-021 (Order 1894), § 388-37-040, filed 10/26/82; 81-12-045 (Order 1661), § 388-37-040, filed 6/3/81; 79-06-028 (Order 1398), § 388-37-040, filed 5/16/79; Order 1102, § 388-37-040, filed 3/2/76; Order 841, § 388-37-040, filed 8/9/73.]

WAC 388-37-050 Continuing general assistance--Redetermination of eligibility. (1) Continuing general assistance recipients shall have their continued financial eligibility for such assistance redetermined at least once every six months of continuous receipt of assistance.

(2) When an unemployable recipient of general assistance becomes employable, his or her eligibility ceases. This decision is made by the CSO incapacity review team.

(3) Whenever a general assistance recipient becomes eligible for AFDC or SSI benefits, he or she becomes ineligible for continuing general assistance.

(4) Acceptance of available medical treatment. WAC 388-37-030 and 388-37-037 apply to a recipient as well as to an applicant.

(5) Recipients of continuing general assistance shall be screened to determine appropriateness of referral to other agencies, i.e., SSA, SSI, DVR, VA, which can reasonably be expected to reduce their need for assistance. The decision to refer to other agencies is made by the CSO incapacity specialist or incapacity review team. A recipient who has been referred and refuses, without good cause to accept referral to other agencies shall be ineligible. The decision on whether the client had good cause to refuse referral to another agency is made by the CSO incapacity review team. Refusal to accept referral to other agencies without good cause shall result in termination until the person agrees to cooperate in accepting such referral and the following ineligibility periods have passed:

- (a) First refusal - one week;
- (b) Second refusal within six months - one month;
- (c) Third and subsequent refusals within one year - two months. (a) Evaluation and recommendation of a state-approved community alcoholism center, or

(b) A court order.

(4) Persons receiving services in an intensive alcoholism treatment program shall not be required to participate in the cost of care. Following the month of admission income of individuals receiving long-term or rehabilitative services shall be considered according to the rules applicable to the program under which the benefits are received. WAC 388-42-030 Funeral expenses--Eligibility standards.

(1) Public assistance funds may be used to pay for the funeral expenses of a deceased person to the extent his estate and available resources (including contributions from spouse, relatives, friends, or other sources) are not wholly sufficient to defray the funeral expenses according to department policies and standards in WAC 388-42-020 and 388-42-150 and when the conditions in this section are met.

(2) Neither funeral, nor cemetery, nor crematorium costs shall be paid by the department when;

(a) Charges for any of these services exceed any one of the maximum standards in WAC 388-42-150, or when

(b) The funeral, burial or cremation takes place outside the state of Washington. However, exception to out-of-state payment rule is made for funerals in areas in bordering states which are normal trade areas of a border area of this state.

(3) Funeral costs shall be paid only when authorized prior to the funeral services and burial or cremation unless for religious reasons the body must be disposed of immediately and it is not possible to apply before the funeral. In such case, application must be made on the first working day after the funeral.

(4) All assets of the deceased are considered available for funeral expenses. However, if the deceased was a public assistance recipient when he died, assets left to a surviving spouse and/or minor children are considered according to WAC 388-42-040.

(5) All assets of a surviving spouse or surviving parents of a minor child are considered available for funeral expenses except those resources which are exempt for a public assistance applicant and income needed to meet the monthly maintenance needs of the surviving individual and his dependents computed according to the department's continuing assistance standards.

(6) Persons applying for funeral expenses shall be required, except for a Social Security, veterans' administration, or railroad retirement board death benefit, to apply for any death benefits to which the deceased may be entitled from other public or private agencies or organization.

(7) When a body is claimed for scientific purposes no funeral expenses shall be authorized for payment from public assistance funds. [Statutory Authority: RCW 74.08.090. 81-17-026 (Order 1691), § 388-42-030, filed 8/12/81; 78-10-058 (Order 1340), § 388-42-030, filed 9/22/78; Order 612, § 388-42-030, filed 9/27/71; Order 538, § 388-42-030, filed 3/31/71, effective 5/1/71; Order 371, § 388-42-030, filed 8/7/69; Order 314, § 388-42-030, filed 10/31/68; Order 242, § 388-42-030, filed 10/20/67; Regulation 15.20, filed 1/24/64.]

WAC 388-42-040 Funeral expenses--Resources considered. (1) The resources available for funeral expenses must be taken into consideration in determining eligibility for payment from department's funds.

(2) Resources available for funeral expenses may include, but are not limited to, the following third party payments:

(a) A burial benefit from the United States veterans' administration

(b) Washington state workmen's compensation

(c) A lump sum death benefit for the Social Security administration

(d) A death benefit from the railroad retirement board

(e) Life or burial insurance proceeds

(f) Decedent's estate

(g) Excess resources and income of a surviving spouse or surviving parents of a minor child as defined by WAC 388-42-030(5)

(3) Use of resources and income available to surviving spouses shall be directed by WAC 388-28-482.

(4) Third party death benefits shall be considered available whether paid, directly payable to, or deposited with a funeral director or any other vendor providing funeral, burial, or cremation services.

(5) The department will be responsible for claiming and collecting the death benefit from the railroad retirement board.

(6) The department may pay the cost of funeral expenses when the deceased leaves assets, if the assets are left to a surviving spouse and/or to minor children and if these assets are resources which would be exempt in determining eligibility for public assistance. The department when it furnishes funeral assistance shall have a lien against said assets. The lien shall be valid for six years from the date of filing with the county auditor and shall have preference to all other claims except prior secured creditors. If the assets remain exempt or if no probate is commenced, the lien shall automatically terminate without further action six years after filing.

(7) Cash or certificates of ownership found among the effects of a deceased recipient left with a friend, nursing home or hospital belong to the estate of the deceased and may be disposed of only in the manner provided by law. [Statutory Authority: RCW 74.08.090. 81-17-026 (Order 1691), § 388-42-040, filed 8/12/81; Order 538, § 388-42-040, filed 3/31/71, effective 5/1/71; Order 242, § 388-42-040, filed 10/20/67; Regulation 15.30, filed 1/24/64.]

WAC 388-42-100 Decedent's estate. (1) The estate of a deceased person consists of all of his real and personal property. Any value in the estate of the deceased which can be readily determined shall be considered a resource available to meet the funeral expenses according to the rules in this section.

(2) The department may pay the cost of funeral expenses when the deceased leaves assets, if the assets are left to a surviving spouse and/or to minor children and if these assets are resources which would be exempt in determining eligibility for public assistance. The department when it furnishes funeral assistance shall have and shall file a lien against said assets. The lien shall be valid for six years from the date of filing with the county auditor and shall have preference to all other claims except prior secured creditors. If the assets remain exempt or if no probate is commenced, the lien shall automatically terminate without further action six years after filing.

(3) When the estate is insufficient to meet the total expense of a minimum standard funeral, the ESSO should reach agreement with the funeral director and cemetery (or crematorium) operator as to the amount to be considered as currently available for payment from the estate. The state office claims reimbursement from the estate according to WAC 388-44-160 for any amount authorized by the ESSO for the payment of funeral expenses.

(4) Cash or certificates of ownership found among the effects of a deceased recipient left with a friend, nursing home or hospital belong to the estate of the deceased and may be disposed of only in the manner provided by law. Such assets are generally turned over to the nearest relative or to the administrator of the estate by the friend, nursing home or hospital.

(5) On occasion the ESSO may find itself in possession of funds or other property of a deceased recipient. Property held in custody by the ESSO shall be disposed of in one of the following ways.

(a) If an executor or administrator appears, the cash and any other property in the custody of the ESSO shall be released to him and a receipt taken.

(b) If the property is cash and the department has paid the funeral expenses, the cash is applied as a partial or complete refund of the funeral expenditure.

(c) If the property is cash and the department has not paid the funeral expenses or the amount exceeds the funeral expenditure and the deceased recipient was indebted to the department for assistance received contrary to law, the cash is applied as a credit to the indebtedness.

(d) If the property is not disposed of according to subsection (5)(a)(b)(c) the ESSO shall notify the SO of the possession of the property and retain the property pending disposition instructions from the SO. [Order 1176, § 388-42-100, filed 12/23/76; Order 538, § 388-42-100, filed 3/31/71, effective 5/1/71; Order 371, § 388-42-100, filed 8/1/69; Order 242, § 388-42-100, filed 10/20/67; Regulation 15.36, filed 12/31/65; Regulation 15.36, filed 1/24/64.]

WAC 388-42-110 Funeral expenses—Interment of two or more bodies in one grave. The department pays for public assistance burials of two or more bodies in one grave, provided

(1) This type of burial is accepted practice in a cemetery and is available to the general public,

(2) When a body is claimed by relatives or church organizations, permission to bury two or more bodies in one grave is obtained in writing (filed with the CSO) from such relatives or church representatives. If the body is unclaimed, written permission shall be secured from the board of county commissioners, or its duly appointed representative, and filed with the CSO.

Relatives or friends of the deceased, the county commissioners, or other persons are not to be led to believe that the department's rules limit interment to this type burial. It should be impressed upon such persons that they, rather than the department, are responsible for interment or burial. [Statutory Authority: RCW 74.08.090, 81-17-026 (Order 1691), § 388-42-110, filed 8/12/81; Order 612, § 388-42-110, filed 9/27/71; Order 538, § 388-42-110, filed 3/31/71, effective 5/1/71; Order 371, § 388-42-110, filed 8/1/69; Order 278, § 388-42-110, filed 2/14/68; Order 242, § 388-42-110, filed 10/20/67; Regulation 15.40, filed 1/24/64.]

WAC 388-42-115 Funeral expenses—Application.

(1) The department's legal responsibility for a deceased person does not extend beyond the responsibility of providing funds to meet the funeral expenses. In no case does the department authorize the funeral, burial, or any other disposition of a deceased person. The authority to authorize funerals and burials is vested by statute in other designated individuals including the county commissioners in the case of an unclaimed body.

(2) Application for the payment of funeral expenses shall be made by any relative, friend, or church organization claiming the remains or, if no such person or organization exists, by the board of county commissioners, or its duly appointed representative. [Statutory Authority: RCW 74.08.090, 81-17-026 (Order 1691), § 388-42-115, filed 8/12/81; Order 612, § 388-42-115, filed 9/27/71.]

WAC 388-44-010 Overpayment--Underpayment--Defined. (1) "Overpayment" means any grant or medical assistance payment received by or for an assistance unit for the payment month which exceeds the amount the unit was eligible to receive.

(2) An overpayment includes:

(a) Vendor payments for medical care provided during a period when the individual was not eligible for public assistance,

(b) Payments made pending a fair hearing when the fair hearing decision subsequently finds against the client,

(c) Payments made during the ten-day advance notice period when the client is ineligible for payment, and

(d) Continued payments received by the recipient because the appropriate ten-day advance period extends into the next month.

(3) Funeral expenses paid by the department are an overpayment to the extent the value of the estate is not used as a resource in determining eligibility. However, the department's funeral expense payment is not repayable when the estate consists only of assets (resources) which are exempted in determining eligibility for public assistance for the surviving spouse and/or dependents.

(4) Policies regarding food stamps received in excess of the amount the household was entitled to receive are outlined in chapter 388-54 WAC.

(5) "Underpayment" means a financial assistance payment received by or for an assistance unit for the payment month which is less than the amount for which the assistance unit was eligible, or failure by the state to issue a financial assistance payment for the payment month to an eligible assistance unit if such payment should have been issued.

(6) Policies in this chapter delineating recoupment of overpayments by means of a deduction from the current grant are limited to public assistance money grant overpayments.

(7) For purposes of this chapter, grant payment standard is defined as payment level or the amount payable to a family of the same composition with no other income or nonexempt resources. [Statutory Authority: RCW 74.08.090. 83-05-046 (Order 1947), § 388-44-010, filed 2/16/83; 82-04-072 (Order 1755), § 388-44-010, filed 2/3/82; 81-09-045 (Order 1638), § 388-44-010, filed 4/15/81; Order 1058, § 388-44-010, filed 10/1/75; Order 800, § 388-44-010, filed 5/25/73; Order 539, § 388-44-010, filed 3/31/71, effective 5/1/71; Order 396, § 388-44-010, filed 10/15/69; Regulation 16.01, filed 1/24/64.]

WAC 388-44-020 Intentional overpayment--Defined. (1) "Intentional overpayment" means an overpayment occurring when there is willful or knowing intent of the recipient to either receive or retain an overpayment.

(2) It shall be the duty of any recipient of public assistance to notify the department within twenty days of any change in circumstances affecting eligibility or need, including receipt or possession of all income or resources not previously declared to the department. When a local office finds that an applicant or recipient has misstated or failed to reveal any material fact affecting eligibility or need, it shall presume that such act was done intentionally.

(3) It shall be the duty of the department, whenever it finds misstatement or failure to reveal pertinent facts or circumstances, to secure further evidence, whenever possible, which enables it to formulate a firm opinion as to whether or not the act was committed intentionally. In the absence of such further evidence, the presumption is not overcome; however, such presumption is rebuttable.

(4) The department must inform all applicants and recipients of their rights and responsibilities concerning eligibility for and receipt of assistance.

(5) See chapter 388-46 WAC for referral to county prosecutor for possible criminal action. [Statutory Authority: RCW 74.08.090. 83-05-046 (Order 1947), § 388-44-020, filed 2/16/83; 81-09-045 (Order 1638), § 388-44-020, filed 4/15/81; Order 843, § 388-44-020, filed 8/9/73; Order 800, § 388-44-020, filed 5/25/73; Order 539, § 388-44-020, filed 3/31/71, effective 5/1/71; Regulation 16.02, filed 1/24/64.]

WAC 388-44-025 Overpayments--Effective dates. Overpayments that occur after April 3, 1982, shall be established according to rules in chapter 388-44 WAC. Recovery of such overpayments is provided for in WAC 388-44-125 and 388-44-130 through 388-44-280. [Statutory Authority: RCW 74.08.090. 83-05-046 (Order 1947), § 388-44-025, filed 2/16/83.]

WAC 388-44-035 Overpayment--Amount. (1) The amount of overpayment shall be determined as follows:

(a) The overpayment shall be the amount of assistance, including medical care, to which the assistance unit was not entitled.

(b) To determine the amount to which the assistance unit was not entitled in subsection (1)(a) of this section the overpayment shall be reduced:

(i) By the amount of assistance that the assistance unit would have been eligible to receive during the period of ineligibility from any other category of assistance.

(ii) For overpayments incurred in months prior to October 1, 1981, only the amount of any child care paid by a recipient while earning unreported wages in the amount the department would have paid if the employment and child care had been properly reported. For AFDC or refugee assistance overpayments incurred after October 1, 1981, there will be no allowable work expenses computed in determining the amount of an overpayment resulting from unreported wages. For general assistance overpayments incurred after October 1, 1981, the amount of any child care paid by a recipient while earning unreported wages in the amount the department would have paid if the employment and child care had been properly reported.

(iii) By the amount of child support, paid by the absent parent for the month of overpayment, in excess of the amount of assistance the assistance unit was actually entitled.

(2) When establishing an overpayment for a period of time containing both overpayments and underpayments any overpayment shall be reduced by the amount of any underpayment.

(3) Underpayments, not negated by being budgeted against an overpayment established at the same time, will be paid to recipients upon discovery. Underpayments to former recipients will not be paid unless specifically ordered by a decision of the courts or a fair hearing. For purposes of determining continued eligibility and amount of assistance, underpayments paid to recipients shall not be considered as income or as a resource in the month paid nor in the next following month. [Statutory Authority: RCW 74.08.090. 83-05-

046 (Order 1947), § 388-44-035, filed 2/16/83; 82-04-072 (Order 1755), § 388-44-035, filed 2/3/82; 81-09-045 (Order 1638), § 388-44-035, filed 4/15/81; Order 539, § 388-44-035, filed 3/31/71, effective 5/1/71; Order 396, § 388-44-035, filed 10/15/69; Regulation 16.11, filed 1/24/64.]

WAC 388-44-046 Overpayment--Support payments not treated as overpayment. Support payments received directly by the parent or other caretaker relative from the absent parent shall be remitted to the office of support enforcement. Such payments shall not be treated as a grant overpayment, but shall be considered as a debt to be collected by the office of support enforcement. [Order 1054, § 388-44-046, filed 9/25/75.]

WAC 388-44-050 Overpayment--Relationship to underpayment. The assistance unit's over- or underpayment is the net amount or difference between any incorrect payments or computations. Over- or underpayment in one assistance unit shall not be credited to any other assistance unit. [Statutory Authority: 74.08.090. 82-04-072 (Order 1755), § 388-44-050, filed 2/3/82; Order 539, § 388-44-050, filed 3/31/71, effective 5/1/71; Regulation 16.14, filed 1/24/64.]

WAC 388-44-110 Overpayment--Liability. (1) Overpayments may be recovered from:

(a) The assistance unit which was overpaid;

(b) Any assistance unit of which a member of the overpaid assistance unit has subsequently become a member, or

(c) Any individual members of the overpaid assistance unit whether or not currently a recipient.

(2) The exception to this rule is the individual acting as payee only and deriving no financial benefit from the payment of assistance. In such instance the overpayment account receivable is established in the name of the person who received the financial benefit of the payment of assistance. [Statutory Authority: RCW 74.08.090. 83-05-046 (Order 1947), § 388-44-110, filed 2/16/83; 82-04-072 (Order 1755), § 388-44-110, filed 2/3/82; 80-14-061 (Order 1547), § 388-44-110, filed 10/1/80; Order 800, § 388-44-110, filed 5/25/73; Order 539, § 388-44-110, filed 3/31/71, effective 5/1/71; Regulation 16.24, filed 1/24/64.]

WAC 388-44-115 Verification of overpayment. (1) When an apparent overpayment has occurred, the department shall attempt to verify all pertinent information in the case. The department shall attempt to contact the recipient and request an explanation of the circumstances surrounding the apparent overpayment.

(2) If the recipient does not respond or fails to cooperate, the department shall make an independent determination, based on all available information, that an overpayment either has or has not occurred.

(3) When an overpayment has been verified, the department shall take appropriate action to secure repayment as prescribed by WAC 388-44-125 through 388-

44-160. Any such action shall be consistent with departmental rules on notification of suspension, termination, or reduction of grant.

(4) A letter shall be sent to any recipient or payee when an overpayment has been established. The letter shall include the following information:

- (a) The amount of the overpayment,
- (b) The circumstances which brought about the overpayment,
- (c) The dates the overpayment occurred,
- (d) An explanation of the method of repayment and the effect of the overpayment on future grant payments,
- (e) A determination that an intentional overpayment is or is not involved,
- (f) A statement that overpayments are debts due the state,
- (g) A computation of the amount due the state,
- (h) A statement that the financial recovery office is responsible for establishing repayment schedules when recoupment is not subject to a mandatory deduction from the current grant,
- (i) A statement of the right to a fair hearing.

(5) When the overpayment is intentional, a letter notifying the person must include the following statements in addition to the items in subsection (4) of this section:

(a) Property of the debtor will be subject to collection action after the debtor terminates from public assistance.

(b) Property will be subject to lien and foreclosure, distraint and seizure, and sale or order to withhold and deliver.

(c) Net proceeds of subsection (5)(a) and (b) of this section will be applied to satisfy the overpayment debt.

(d) Action to collect the debt as in subsection (5)(a) and (b) of this section is lawful after ninety days from the debtors termination from public assistance or receipt of the notice of debt, whichever is later.

(6) A person who has incurred an overpayment shall be notified of that debt by:

- (a) Personal service, or
- (b) Certified mail, return receipt requested, addressee only.

(7) Personal service may be made by:

- (a) An employee of DSHS, or
- (b) The sheriff of the county where the recipient of public assistance resides. When service is made by the sheriff, an affidavit of service on the county's form will routinely be furnished by the sheriff.

(c) Any other person eighteen years of age or older who is competent to be a witness in the action.

(8) Personal service can be made by delivering a copy of the overpayment letter as follows:

(a) If to a minor, to such minor personally, and also to his or her father, mother, guardian, or if there is none within the state, then to any person having the care, custody or control of such minor or who is the payee of the minor's grant, or with whom he or she resides or in whose service he or she is employed.

(b) If to any person for whom a guardian has been appointed for any cause, then to such guardian.

(c) If to a company or corporation, to the president or other head of the company or corporation, secretary, cashier, or managing agent thereof or the secretary, stenographer or office assistant of the president or other head of the company or corporation, secretary, cashier or managing agent.

(d) In all other cases, to the debtor personally or by leaving a copy of the letter at the residence of the debtor's usual abode with some person of suitable age and discretion residing therein.

(e) If joint liability exists, each debtor shall be provided a copy, except only one copy need be sent to spouses living together.

(f) Out-of-state service shall be the same as personal service within the state.

(g) Refusal of such notice by the debtor is proof of notice to the debtor of the debt owed.

(9) Nothing in this section precludes the department from recovering overpayments by deduction from subsequent assistance payments. [Statutory Authority: RCW 74.08.090, 83-05-046 (Order 1947), § 388-44-115, filed 2/16/83; 82-04-072 (Order 1755), § 388-44-115, filed 2/3/82; 81-19-029 (Order 1698), § 388-44-115, filed 9/9/81; Order 800, § 388-44-115, filed 5/25/73.]

WAC 388-44-120 Invalid overpayment. When the department finds that it has mistakenly charged an individual with an overpayment which in fact never occurred, the individual shall not be held liable for repayment. In such a case, if an account receivable has been established by the department, such account shall be nullified and the individual so notified in writing. The individual shall be refunded any amount paid into the invalid overpayment account. [Order 800, § 388-44-120, filed 5/25/73.]

WAC 388-44-125 Repayment of overpayment from current recipients. (1) Repayment of an overpayment shall be made by the individual or the overpaid assistance unit from resources and/or income, and/or by deductions from subsequent grants, and/or as a result of civil or criminal action initiated by the department or the prosecutor, and/or from an estate upon death.

(2) A public assistance money grant may not be reduced to recover overpayments of medical assistance, food coupons, or food commodities.

(3) The recipient is required to pay all overpayments except where recovery is determined to be inequitable under WAC 388-44-127. A mandatory grant deduction will be used to liquidate the overpayment.

(4) An additional deduction from subsequent grants can be made if the recipient so requests in writing specifying the amount of the monthly deduction. Voluntary grant deductions may be discontinued or modified at any time upon written request from the recipient.

(5) Overpayments, defined in WAC 388-44-145 (3)(a), being recovered by monthly deduction not to exceed five percent of the recipient's total monthly grant payment standard shall be recovered promptly. The department will, by the end of the quarter following the quarter in which the overpayment is first identified:

(a) Recover the overpayment, or

(b) Execute a monthly recovery agreement from a current recipient's grant or income and resources, defined as follows:

(i) The recipient must see the agency-proposed agreement as defined in WAC 388-44-115(4),

(ii) The recipient must understand the options available (mandatory deductions or lump-sum payments), and

(iii) The recipient must be given an opportunity to respond to these payment options. [Statutory Authority: 74.08.090, 83-05-046 (Order 1947), § 388-44-125, filed 2/16/83; 82-04-072 (Order 1755), § 388-44-125, filed 2/3/82; Order 965, § 388-44-125, filed 8/29/74; Order 897, § 388-44-125, filed 1/11/74; Order 800, § 388-44-125, filed 5/25/73; Order 539, § 388-44-125, filed 3/31/71, effective 5/1/71; Regulation 16.30, filed 1/24/64.]

WAC 388-44-127 Repayment of overpayment occurring prior to April 3, 1982, and resulting from department error. (1) Overpayments resulting from department error are debts due the state and are subject to mandatory grant deduction except where recovery is determined to be inequitable.

(2) When an overpayment is discovered that resulted from department error and occurred prior to April 3, 1982, liability will not be imposed until it is first determined that recovery would not be inequitable. Recovery shall be deemed inequitable if:

(a) The department admitted or stated to the recipient or to the recipient's authorized representative that the recipient was entitled in whole or in part to the moneys or services overpaid, or acted in a manner which would reasonably lead that recipient to believe that he or she was eligible to receive in whole or in part the moneys or services overpaid; and

(b) The recipient retained or accepted the moneys or services overpaid on the faith of such an admission, statement, act or omission; upon which he or she had a right to rely; and

(c) The recipient would suffer an injury if the department were allowed to repudiate the department's admission, statement, act or omission.

"Injury," as used in this section includes the imposition of liability for repayment of a debt due the state.

(3) If recovery would be inequitable, the recipient shall not be liable for repayment; the overpayment shall not be a debt due the state, and the recipient shall be so informed.

(4) If recovery would not be inequitable, the recipient shall be notified that he or she is liable for repayment of the debt and the overpayment is subject to a mandatory deduction from the current grant. The recipient shall also be informed as to the specific reasons why recovery would not be inequitable, including a copy of this rule, and as to his or her right to contest such decision.

(5) Department decisions made pursuant to this section shall be subject to fair hearing review in accordance with the procedures set forth in chapter 388-08 WAC and appropriate findings and conclusions shall be made

on all of the factors made pertinent in this section. [Statutory Authority: RCW 74.08.090, 83-05-046 (Order 1947), § 388-44-127, filed 2/16/83; 82-04-072 (Order 1755), § 388-44-127, filed 2/3/82; 81-05-002 (Order 1596), § 388-44-127, filed 2/5/81; 78-06-082 (Order 1298), § 388-44-127, filed 6/1/78; Order 897, § 388-44-127, filed 1/11/74; Order 800, § 388-44-127, filed 5/25/73; Order 539, § 388-44-127, filed 3/31/71, effective 5/1/71; Order 512, § 388-44-127, filed 1/14/71, effective 2/15/71; Order 396, § 388-44-127, filed 10/15/69.]

WAC 388-44-130 Repayment of overpayment from former recipients. Overpayments are debts due the state. Collection of such debts shall be effected by the department according to established rules and procedures. The financial recovery office shall be responsible for establishing a repayment schedule for former recipients. [Statutory Authority: 74.08.090, 83-05-046 (Order 1947), § 388-44-130, filed 2/16/83; 82-04-072 (Order 1755), § 388-44-130, filed 2/3/82; Order 965, § 388-44-130, filed 8/29/74; Order 897, § 388-44-130, filed 1/11/74; Order 800, § 388-44-130, filed 5/25/73; Order 539, § 388-44-130, filed 3/31/71, effective 5/1/71; Order 446, § 388-44-130, filed 4/28/70; Regulation 16.31, filed 1/24/64.]

WAC 388-44-140 Responsibility for recovery of overpayment. (1) The local office shall be responsible for effecting repayment of overpayments from current recipients when repayments are to be made by grant deduction as specified in WAC 388-44-145.

(2) The financial recovery office and the attorney general shall be responsible for effecting repayment of overpayments from former recipients. [Statutory Authority: 74.08.090, 82-04-072 (Order 1755), § 388-44-140, filed 2/3/82; Order 897, § 388-44-140, filed 1/11/74; Order 800, § 388-44-140, filed 5/25/73; Order 539, § 388-44-140, filed 3/31/71, effective 5/1/71; Regulation 16.32, filed 1/24/64.]

WAC 388-44-145 Involuntary repayment of overpayment--Mandatory grant deduction. (1) An overpayment shall be recouped by mandatory deduction from future continuing assistance grants except as modified by subsection (2) of this section and WAC 388-44-127.

(2) An intentional overpayment is subject to recovery by mandatory recoupment and if the recipient has cash, bank accounts, or marketable securities he or she refuses to use in full or partial satisfaction of an overpayment, a monthly deduction of up to one hundred percent of future grant(s) shall be established until such time as the amount of the grant(s) the recipient would be otherwise eligible to receive equals the value of the cash, bank accounts, or marketable securities withheld. The amount of income and resources remaining available to the assistance unit shall not be less than ninety percent of the grant payment standard defined under the state plan to a family of the same composition with no other income.

(3) After intentional overpayments are satisfied pursuant to subsection (2) of this section and the recipient

still owes a debt, or when subsection (2) of this section does not apply,

(a) The department shall, on a case-by-case basis, limit the amount of the monthly deduction so the deduction shall not exceed five percent of the recipient's total monthly grant payment standard if the requirements of WAC 388-44-125(5) are satisfied or unless the recipient voluntarily requests a larger deduction in writing.

(b) When a recipient is in a nursing home, intermediate care facility, or hospital, a monthly deduction may be made against the clothing and incidental grant to the recipient. A monthly deduction shall not be made against the vendor payment to the nursing home or intermediate care facility.

(c) The grant shall be suspended when the monthly deduction is equal to or more than the grant which would have been paid had no overpayment occurred.

(4) Prior to the initial grant deduction, the client shall be informed in writing of the amount of the monthly deduction. The notification shall state the amount of the current grant before and after the deduction is made, the date the deduction begins, the total amount of overpayment to be recouped by grant deduction, and the approximate number of months the deduction will be made.

(5) Mandatory deductions from public assistance grants shall recoup no more than one hundred percent of the amount of assistance that the individual was ineligible to receive. WAC 388-54-600 Purpose of program. The food stamp program is designed to promote the general welfare and to safeguard the health and well-being of the nation's population by raising the levels of nutrition among low-income households. [Statutory Authority: RCW 74.04.510. 79-03-033 (Order 1374), § 388-54-600, filed 3/1/79.]

WAC 388-54-605 General food stamp provisions.

(1) The department of social and health services shall administer the food stamp program in accordance with an approved plan with the food and nutrition service (FNS) of the United States Department of Agriculture.

(2) Rules in this chapter are for the purpose of carrying out certain requirements for participation in the program. Unless specifically provided for in this chapter, rules and definitions in other chapters of Title 388 WAC do not apply to provisions of chapter 388-54 WAC.

(3) Use or disclosure of information obtained from applicant households, exclusively for the program, shall be restricted to persons directly connected with the administration or enforcement of the provisions of the Food Stamp Act or regulations, or the food distribution program, or with other federal or federally aided, means-tested assistance programs, or with general assistance programs that are subject to the joint processing requirements specified in this program.

The material and information contained in the case file shall be made available for inspection during normal working hours if there is a written request by a responsible member of the household, its currently authorized representative, or a person acting in its behalf to review materials contained in its case file. However, the department may withhold confidential information, such as the names of individuals who have disclosed information about the household without the household's knowledge, or the nature or status of pending criminal prosecutions.

(4) Information available to the public. Federal regulations, federal procedures embodied in FNS notices and policy memos, and state plans of operation (including specific planning documents such as corrective action plans) shall be available upon request for examination by members of the public during office hours at the state agency headquarters. State agency handbooks shall be available for examination upon request at each local certification office within each project area as well as at the state agency headquarters.

(5) The department shall provide any household, aggrieved by the action of the department or an issuing agency in its administration of the program which affects the participation of the household in the program, with a fair hearing upon its request. Chapter 388-08

WAC shall apply unless otherwise indicated in this chapter.

(6) The department shall not discriminate against any applicant or participant in any aspect of program administration, including but not limited to, the certification of households, the issuance of coupons, the conduct of fair hearings or the conduct of any program service for reason of age, race, color, sex, handicap, religious creed, political beliefs, or national origin.

(7) During a presidentially declared disaster or a disaster declared by FNS, the department shall certify affected households in accordance with FNS instructions.

(8) An FNS directive to reduce, suspend or terminate all or any portion of the food stamp program shall require the department to comply in every respect.

(9) A household is not entitled to receive benefits under the food stamp program and the food distribution program administered by an Indian tribal organization during the same calendar month. [Statutory Authority: RCW 74.04.510. 82-24-005 (Order 1905), § 388-54-605, filed 11/18/82; 80-09-076 (Order 1525), § 388-54-605, filed 7/18/80; 79-03-033 (Order 1374), § 388-54-605, filed 3/1/79.]

WAC 388-54-610 Application and participation—Initiating the application.

(1) The department shall make application forms readily accessible and provide one to anyone who requests it.

(2) The household must file an application by submitting the form to the food stamp office either in person, through an authorized representative or by mail.

Households consisting exclusively of SSI applicants/recipients may file an application, have the information verified and the form submitted by SSADO (see WAC 388-54-615).

(3) Each household has a right to file a food stamp application on forms as determined by the department on the same day it contacts the department.

(a) The department shall mail an application to any household who requests one by telephone. This shall be mailed the same day as the telephone request is received.

(b) When a written request for an application is received by the department, an application shall be mailed the same day the written request is received.

(c) If a household contacts the wrong certification office within a project area, in writing, in person or by telephone, the certification office shall:

(i) Give the household the address and telephone number of the appropriate office.

(ii) Mail the application to the appropriate office on the same day.

(4) An application can be filed as long as it contains the applicant's name and address and is signed by a responsible member of the household or authorized representative. The household shall be informed of this fact and also informed that it does not have to be interviewed before filing the application.

(5) The household may voluntarily withdraw its application at any time prior to determination of eligibility.

(6) If a household refuses to cooperate with the CSO, the application shall be denied at the time of refusal.

(i) The household must be able to cooperate but clearly demonstrate that it will not take action.

(ii) If there is any question as to whether the household has merely failed to cooperate, as opposed to refused to cooperate, the household shall not be denied. [Statutory Authority: RCW 74.04.510. 80-14-060 (Order 1548), § 388-54-610, filed 10/1/80; 79-03-033 (Order 1374), § 388-54-610, filed 3/1/79.]

WAC 388-54-615 Application and participation-- Applications processed by the Social Security Administration District Offices (SSADO). (1) The department shall complete the certification of applications for food stamps processed by SSADO without requiring additional personal interviews with the SSI household to present verification.

(2) The department shall not initiate personal contact with the SSI household whose food stamp application is processed by SSADO unless the application is improperly completed, mandatory verification is missing or certain information on the form is questionable. In no event shall an SSI household be required to appear to finalize an eligibility determination on such an application.

(3) The department shall prescreen all SSI/SSADO processed food stamp applications for expedited services on the day the application is received at the correct CSO.

(4) The department shall:

(a) Begin the five calendar day time limit for expedited services on the date the correct CSO receives the application;

(b) Complete the certification of the SSI household application no later than thirty days after the date a completed application is filed at SSADO.

(5) The department shall reassess those households for work registration eligibility if their pending SSI financial application is rejected by SSA.

(6) Effective October 5, 1981, the department shall complete recertification of pure SSI households when such has been requested in a timely manner through, and transmitted by SSADO. The department shall inform any food stamp household consisting only of SSI-eligible members that recertification may be requested through SSADO. Subsection (2) of this section applies to the recertification process. [Statutory Authority: RCW 74.04.510. 83-08-071 (Order 1956), § 388-54-615, filed 4/6/83; 81-22-082 (Order 1713), § 388-54-615, filed 11/4/81; 80-14-060 (Order 1548), § 388-54-615, filed 10/1/80.]

WAC 388-54-620 Application and participation-- Interview. (1) All food stamp households including those submitting applications by mail shall have a face-to-face interview prior to certification or recertification except: Food stamp households where all members are subject to mandatory monthly reporting (MMR) which may, at the option of the department, be excluded from the face-to-face interview requirement at recertification. The individual interviewed may be the head of the household, a spouse, any responsible member of the household or an authorized representative. The applicant

may bring any person he or she chooses to the interview. The department shall review the information on the application as well as explore and resolve unclear and incomplete information. Households shall be advised of the rights and responsibilities, to include the appropriate application processing standards and the household's responsibility to report changes.

(2) All food stamp applications from SSI households processed by SSADO are excluded from the department's in-office interview requirement.

(3) All interviews will take place in the certification office except in those cases where an office visit is waived; then a home visit or telephone interview is required. Office visits can be waived:

(a) If the household is unable to appoint an authorized representative and has no adult member able to visit the office because of hardships such as, but not limited to, illness, lack of transportation, prolonged severe weather, work hours, care of a household member or remoteness.

(b) If the household is unable to appoint an authorized representative and has no adult member able to visit the office because of age (sixty-five or over), mental or physical handicap.

(4) A home visit shall be used only if the time of the visit is scheduled in advance with the household. [Statutory Authority: RCW 74.04.510. 82-24-005 (Order 1905), § 388-54-620, filed 11/18/82; 80-14-060 (Order 1548), § 388-54-620, filed 10/1/80; 79-03-033 (Order 1374), § 388-54-620, filed 3/1/79.]

WAC 388-54-625 Application and participation-- Time limits. The department shall provide eligible households that complete the initial application an opportunity to participate in the program as soon as possible, but no later than thirty calendar days following the date the application was filed. [Statutory Authority: RCW 74.04.510. 82-24-005 (Order 1905), § 388-54-625, filed 11/18/82; 79-03-033 (Order 1374), § 388-54-625, filed 3/1/79.]

WAC 388-54-630 Application and participation-- Verification. (1) Sources of verification shall be:

(a) Documentary evidence. Documentary evidence consists of a written confirmation of a household's circumstances and shall be the primary source of verification. Whenever documentary evidence cannot be obtained, the department shall use alternate sources of verifications, such as collateral contacts or home visits.

(b) Collateral contacts. A collateral contact is a verbal contact confirmation of a household's circumstances by a person outside the household. A collateral contact is the secondary source of verification (except for household size and citizenship).

(c) Home visits. Home visits shall be scheduled in advance with the household. See WAC 388-54-620(4).

(2) The household has primary responsibility for providing documentary evidence. If it would be difficult or impossible for the household to obtain the documentary evidence in a timely manner, the department shall offer assistance in obtaining this evidence. Designation of a

collateral contact is the responsibility of the household; however, the CSO may designate a collateral contact if collateral contact designated by the client is not acceptable.

(3) Mandatory verifications shall include:

(a) Identity of the person making the application.

When an authorized representative applies for a household, the identity of the authorized representative and the head of household shall be verified.

(b) Residency; except in unusual cases where verification of residency cannot reasonably be accomplished.

(c) Social Security Number (SSN) for each household member. If verification is not completed, only the individual whose SSN is not verified shall be disqualified if he or she is unable to show "good cause" for failure to acquire the SSN (see WAC 388-54-687).

(d) Resources.

(e) Loans.

(f) Gross nonexempt income. Gross nonexempt income shall be verified for all households prior to certification (except expedited service households).

(g) Continuing shelter expenses, other than utilities, if allowing the expense could potentially result in a deduction. Verification will be on a one-time basis unless the household has moved, reported an increase in cost which would affect the level of the deduction, or unless questionable.

(h) Utility expenses.

(i) If the household is entitled to the utility standard, heating and/or cooling costs shall be verified on a one-time basis unless the household has moved, changed its utilities, or the information is questionable.

(ii) If the household wishes to claim expenses in excess of the utility standard and the expense would actually result in a deduction, excess utility costs shall be verified.

(i) Medical care costs. Verify medical expenses that will result in a deduction including the amount of reimbursement. If reimbursement cannot be verified, certify without allowing the expense.

(j) Dependent care cost. Verify actual costs of care of a child or other dependent when necessary for a household member to seek, accept, or continue employment or training.

(k) Household size. Verify the number of individuals within a food stamp household who reside in a domicile.

(l) Household composition. Verify the number of people who customarily purchase and prepare meals together.

(4) Verification of questionable information. Verify all other factors of eligibility prior to certification if the factors are questionable and affect a household's eligibility or benefit level. Questionable factors shall include but not be limited to:

(a) Citizenship. When a household's statement that one or more of its members are U.S. citizens is questionable, the household shall be asked to provide verification.

(b) Alien status. When a household identifies that a member is not a citizen, verification of alien status is required.

(i) The alien not providing documentation of status shall be ineligible.

(ii) The household is responsible for providing documentation of alien status. The department shall not contact INS to obtain information about the alien's correct status without the alien's written consent.

(iii) The household shall be given the option of withdrawing the application or participating without the alien member.

(iv) The income and resources of the ineligible alien shall be treated in the same manner as a disqualified individual as found in WAC 388-54-830.

(5) Verification at reapplication. At reapplication, a change in income or source of income, medical expenses, or actual utility expenses claimed in an amount over twenty-five dollars must be verified.

(a) All other changes may be reverified at recertification.

(b) Verifications shall be subject to the same verification procedures as apply during initial verification.

(6) For cases subject to food stamp monthly reporting, the department shall verify on a monthly basis:

(a) Gross nonexempt income;

(b) Utility expenses which exceed the standard;

(c) All other questionable information;

(d) Alien status if changed. [Statutory Authority: RCW 74.04.510, 83-22-002 (Order 2041), § 338-54-630, filed 10/20/83; 83-08-071 (Order 1956), § 388-54-630, filed 4/6/83; 82-24-005 (Order 1905), § 388-54-630, filed 11/18/82; 81-11-045 (Order 1653), § 388-54-630, filed 5/20/81; 80-10-043 (Order 1529), § 388-54-630, filed 8/6/80; 79-03-033 (Order 1374), § 388-54-630, filed 3/1/79.]

WAC 388-54-635 Application and participation-- Authorized representative. (1) An authorized representative is an adult nonhousehold member sufficiently aware of household circumstances and who has been designated in writing by the head of household, spouse or other responsible member of the household to act on behalf of the household in one or all of the following capacities:

(a) Making application. The authorized representative shall be a person who is sufficiently aware of relevant household circumstances. The head of the household or the spouse should prepare or review the application whenever possible, even though another household member or the authorized representative will actually be interviewed. The department shall inform the household that the household will be held liable for any overissue which results from erroneous information given by the authorized representative, except for residents in drug and alcohol treatment facilities.

(b) Obtaining coupons. The authorized representative for coupon issuance may be the same individual designated to make application for the household or may be another individual.

(c) Emergency situations. The household member named on the identification card may also designate an emergency authorized representative at a later date. A separate written designation is needed each time an emergency authorized representative is used.

(d) Using coupons. The authorized representative may use coupons to purchase food for the household's consumption, with the full knowledge and consent of the household, provided the authorized representative has the household's ID card.

(2) Drug addict or alcohol treatment centers and group homes as authorized representatives. Narcotic addicts or alcoholics who regularly participate in a drug or alcohol treatment program on a resident basis and disabled or blind residents of group living arrangements who receive benefits under Title II or Title XVI of the Social Security Act may elect to participate in the food stamp program.

(a) The resident of drug or alcohol treatment centers shall apply and be certified for program participation through the use of an authorized representative who shall be an employee of and designated by the private nonprofit organization or institution administering the treatment and rehabilitation program. The center, which acts on behalf of eligible persons who reside at the center, shall receive and spend the coupons for food prepared by and/or served to the addict or alcoholic.

(b) Residents of group living arrangements shall either apply and be certified through use of an authorized representative employed and designated by the group living arrangement or apply and be certified on their own behalf or through an authorized representative of their own choice.

(3) The following restrictions apply to authorized representatives:

(a) A retailer who is authorized to accept food coupons or an employee of the department, may not act for a household in applying or in purchase of food, without the specific written approval of the CSO administrator following a determination that no one else is available to serve.

(b) A multihousehold authorized representative may act on behalf of more than one household when the CSO determines there is a bona fide need.

(c) Individuals disqualified for fraud may not serve as authorized representatives during their disqualification period unless no other adult is available.

(4) In the event employers are designated as authorized representatives or a single authorized representative has access to a large number of ATPs or coupons, the department should exercise caution to assure that:

(a) The name of the authorized representative shall be contained in the household's case file and the household has freely requested the assistance of the authorized representative;

(b) The household circumstances are correctly represented and the household is receiving the correct amount of benefits;

(c) The authorized representative is properly using the coupons.

(5) When the department obtains evidence that an authorized representative has misrepresented a household's circumstances and has knowingly provided false information pertaining to the household or has made improper use of coupons, the department shall disqualify the authorized representative from participating as an

authorized representative for up to one year. The department shall send written notification to the affected household or households and the authorized representative thirty days prior to the date of disqualification. The notification shall include:

(a) The proposed action;

(b) The reason for the action; and

(c) The household's right to request a fair hearing.

This provision is not applicable in the case of drug and alcoholic treatment centers and those group homes which act as authorized representatives for their residents. Refer to WAC 388-54-660 (3)(c)(iii) for drug and alcohol treatment centers who commit fraud or misrepresent center residents in the food stamp application process. [Statutory Authority: RCW 74.04.510. 82-24-005 (Order 1905), § 388-54-635, filed 11/18/82; 79-03-033 (Order 1374), § 388-54-635, filed 3/1/79.]

WAC 388-54-640 Application and participation-- Opportunity to participate. (1) An eligible household shall be provided an opportunity to participate as soon as possible but not later than thirty days after the application was filed. An application is considered filed the day the department receives an application containing the applicant's name and address, which is signed by either a responsible member of the household or the household's authorized representative.

(2) An opportunity to participate consists of providing households with a Food Coupon Authorization (FCA) card or other authorization and having an issuance facility open and available for the household to obtain its allotment.

(3) Households that are found to be ineligible shall be sent a notice of denial as soon as possible but not later than thirty days following the date the application was filed.

(4) If the department does not determine a household's eligibility and provide an opportunity to participate within thirty days of the application, the department shall take the following action:

(a) Determine whether the delay was the fault of the household. A delay shall be considered the fault of the household if:

(i) The household has failed to complete the application form even though the department offered or attempted to offer assistance in its completion, and this assistance is documented;

(ii) One or more members of the household has failed to register for work and the department informed the household of the need to register and gave the household at least ten days from the date of notification to register these members, and the notice was documented;

(iii) In cases where verification is incomplete, the department provided assistance when required and allowed the household sufficient time to provide the missing verification which is at least ten days from the date of the department's initial request for the particular verification that was missing, and this ten-day period was documented;

(iv) For households that failed to appear for an interview, the department attempted to reschedule the initial

interview within thirty days of the date the application was filed.

(A) If a household failed to appear for the first interview and a subsequent interview is postponed at the household's request or cannot otherwise be rescheduled until after the twentieth day but before the thirtieth day following the date the application was filed, the household must appear for the interview, bring verification, and register members for work by the thirtieth day.

(B) If the household failed to appear for the first interview and a subsequent interview is postponed at the household's request until after the thirtieth day following the date the application was filed, the delay shall be the fault of the household.

(C) If the household has missed both scheduled interviews and requests another interview, any delay shall be the fault of the household.

(b) If the delay is the fault of the household, the household shall lose its entitlement to benefits for the month of application, and a denial notice shall be sent. However, the household shall be given an additional thirty days to take the required action.

After a notice of denial is sent and the household takes the required action within sixty days of the date the application was filed, the department shall reopen the case without requiring a new application.

(c) Determine if the delay is the fault of the department.

Delays that are the fault of the department include, but are not limited to, those cases where the department failed to take the action described in subsection (4)(a) of this section.

(d) If the delay is the fault of the department, the department shall take immediate corrective action. The department shall not deny the application but send a notice of pending action, complete with an explanation to the household of any action it must take to complete the application process.

If the household is given an additional thirty-day period to provide verifications that were missing and the household is determined eligible in this second thirty-day period, the household shall be entitled to benefits retroactive to the day of application.

(5) In cases of delays beyond sixty days:

(a) If the department is at fault for not completing the application process by the end of the second thirty-day period and the case file is otherwise complete, the original application will be processed until completed.

(i) If the department was at fault in the first thirty-day period, the household shall receive benefits retroactive to the day of application.

(ii) If the household was at fault in the first thirty days, the household shall receive benefits retroactive only to the month following the day of application.

(b) If the department is at fault for not completing the application process by the end of the second thirty-day period, but information is not complete enough to reach an eligibility determination, the case shall be denied and a notice sent.

(i) If the department was also at fault for the delay in the initial thirty days, the amount of benefits lost would be calculated from the day of application.

(ii) If the household was at fault for the initial delay, the amount of benefits lost would be calculated from the month following the day of application.

(c) If the household is at fault for not completing the application process by the end of the second thirty-day period, the department shall deny the application and require the household to file a new application. [Statutory Authority: RCW 74.04.510, 83-08-071 (Order 1956), § 388-54-640, filed 4/6/83; 81-23-044 (Order 1720), § 388-54-640, filed 11/18/81; 79-03-033 (Order 1374), § 388-54-640, filed 3/1/79.]

WAC 388-54-645 Application and participation--Expedited service. The department shall screen applicants at the time of application to determine which households are eligible for expedited service.

(1) If otherwise eligible, the following households are entitled to expedited service.

(a) Households with liquid resources not to exceed one hundred dollars, and

(b) Households with gross monthly income under one hundred fifty dollars, or

(c) Migrant or seasonal farmworkers who are destitute as defined in WAC 388-54-655.

(2) For households eligible for expedited service.

(a) The department shall mail or have available for the household an FCA or food coupons no later than the close of business on the fifth calendar day following the date the application was filed.

(b) For residents of drug or alcoholic treatment and rehabilitation centers who are eligible, the department shall make the FCA or [and] coupons available within seven working days following the date the application was filed.

(3) When expediting certification and issuance, the department shall:

(a) Verify the household's identity through a collateral contact or readily available documentary evidence.

(b) Make all reasonable efforts to verify within the expedited service processing standard, the household's residency, income (including a statement the household has no income), liquid resources, and all required verifications.

Benefits shall not be delayed beyond the delivery standard described in subsection (2) of this section solely because the eligibility factors have not been verified.

(c) Require the applicant to register for work unless exempt or unless the household has designated an authorized representative to apply on the household's behalf; postpone work registration of other members of the household if registration cannot be accomplished within the expedited service time frames.

(d) Promptly contact the collateral contact or otherwise assist the household in obtaining the necessary verification.

(4) Households that are certified on an expedited basis and have provided all necessary verification required

prior to certification shall be assigned a normal certification period. When Social Security numbers (SSNs) are the only required items not verified, the household member having applied for an SSN shall be allowed to participate through the end of the first month of benefits. Those households unable to provide the required SSNs or not having one prior to their next issuance shall be allowed thirty days from the first day of the first full month of participation to obtain the SSN. If good cause is established, the participant may continue to participate for an additional thirty days provided the individual has documentation indicating he or she has applied for a SSN.

If all necessary verification was postponed, the household will be certified for one month only unless the household has applied after the fifteenth of the month. Then the department shall certify the household for the month of application and the subsequent month. When the household has provided the postponed verification, the department shall issue the subsequent month's allotment within five working days from receipt of the verification.

(a) The allotment shall not be issued past the month of application if verification which was postponed is not completed. If the postponed verification is not completed within thirty days of the date of application, the household shall be terminated and no additional allotment issued.

(b) At the time of reapplication, the household shall complete the verification requirements which were postponed.

(c) There is no limit to the number of times a household can be certified under expedited procedures, so long as prior to each expedited certification, the household either completes the verification requirements postponed at the last expedited certification, or was certified under normal processing standards since the last expedited certification.

(5) A household entitled both to expedited service and waiver of office interview shall be interviewed and the application process completed within the expedited service standards. (d) The monthly income of the sponsor and sponsor's spouse deemed to be that of the alien shall be the total monthly earned and unearned income of the sponsor and the sponsor's spouse (if living with the sponsor) at the time the household containing the sponsored alien member applies or is recertified for program participation. Deduct the monthly gross income eligibility limit for a household equal in size to the sponsor, the sponsor's spouse, and any other person who is claimed by the sponsor or sponsor's spouse as a dependent for federal income tax purposes.

(e) If the alien has already reported gross income information on his or her sponsor due to AFDC's sponsored alien rules, that income amount may be used for food stamp program. However, allowable reductions to be applied to the total gross income of the sponsor and the sponsor's spouse prior to attributing an income amount to the alien, shall be limited to the eighteen percent earned income amount and the food stamp program gross monthly income amount.

(f) Actual money paid to the alien by the sponsor or the sponsor's spouse will not be considered as income to the alien unless the amount paid exceeds the amount attributed to the alien. Only the amount paid that actually exceeds the amount deemed would be considered income to the alien.

(g) Resources of the sponsor and sponsor's spouse to be deemed to be that of the alien shall be the total amount of their resources as determined in accordance with WAC 388-54-695 through 388-54-720, reduced by one thousand five hundred dollars. If the alien has already reported total resource information on his or her sponsor due to AFDC's sponsored alien rules, the resource amount calculated by AFDC as the amount to be attributed to the alien may be used for food stamp program deeming purposes.

(h) The amount of income and resources deemed to be that of the sponsored alien shall be considered in determining the eligibility and benefit level of the household of which the alien is a member.

If a sponsored alien can demonstrate to the state agency's satisfaction his or her sponsor sponsors other aliens, then the income and resources deemed available shall be divided by the number of sponsored aliens applying for or participating in the program.

(vi) The number of dependents for federal income tax purposes of the sponsor and the sponsor's spouse.

(vii) The name, address, and phone number of the alien's sponsor.

(m) If verification is not received on a timely basis, the sponsored alien and his or her spouse shall be ineligible until such time as all necessary facts are obtained. The eligibility of any remaining household members shall be determined. The income and resources of the ineligible alien and his or her spouse (excluding the attributed income and resources of the alien's sponsor and

the sponsor's spouse) shall be treated in the same manner as a disqualified member. If the information or verification is subsequently received, the CSO shall act on the information as a reported change in circumstances. The CSO shall obtain verification of information requested pursuant to subsection (6)(l)(i) and (ii) of this section. The CSO shall verify all other information which the state agency determines is questionable and which affects household eligibility and benefit level. (5) If the department finds a household member refused or failed to comply with the work registration requirement without good cause, the household shall be ineligible for participation in the program, until the member complies, becomes exempt, or, for two months, whichever is earlier.

(6) In determining whether good cause existed for failure to comply, facts and circumstances shall be considered including information submitted by the employment office, the household member, and the employer. "Good cause" includes circumstances beyond the member's control, such as but not limited to, illness, illness of another household member sufficiently serious to require the presence of the household member, unavailability of transportation, and unanticipated emergency. Problems caused by inability of the work registrant to speak or write English could constitute good cause.

(7) Employment will be considered unsuitable if:

(a) The wages offered are less than the highest amount of the standard following:

(i) The applicable state or federal minimum wage,

(ii) Eighty percent of the federal minimum wage.

(b) The employment offered is on a piece-rate basis and the average hourly yield the employee can reasonably be expected to earn is less than the hourly wages specified in subsection (7)(a) of this section;

(c) The registrant, as a condition of employment or continuing employment, is required to join, resign from or refrain from joining any legitimate labor organization; or

(d) The work offered is at a site subject to a strike or a lockout at the time of the offer, unless the strike has been enjoined under Section 208 of the Labor-Management Relations Act (commonly known as the Taft-Hartley Act) or unless an injunction has been issued under Section 10 of the Railway Labor Act.

(8) Employment shall be considered suitable unless the household member can demonstrate or the department otherwise becomes aware that:

(a) The degree of risk to the registrant's health and safety is unreasonable.

(b) The registrant is not physically or mentally fit to perform the employment offered, as documented by medical evidence or reliable information obtained from other sources.

(c) The employment offered is outside the registrant's major field of experience unless, after a period of thirty days following registration, job opportunities in his or her major field have not been offered.

(d) The distance from the member's home to the place of employment is unreasonable considering the expected wages and the time and cost of commuting.

(e) If daily commuting time, not including the transporting of a child to and from a child care facility, exceeds two hours or if the place of employment is too far to walk to and neither private nor public transportation is available to the client.

(f) The working hours or nature of the employment interferes with the member's religious observances, convictions or beliefs.

(g) In the case of students, the employment is offered during class hours or is more than twenty hours a week.

(9) Households with striking members shall be ineligible to participate in the food stamp program unless the household was eligible for benefits the day prior to the strike and is otherwise eligible at the time of application. Such a household shall not receive an increased allotment as the result of a decrease in the income of the striking member or members of the household.

A striker shall be anyone involved in a strike or concerted stoppage of work by employees (including a stoppage by reason of the expiration of a collective-bargaining agreement) and any concerted slowdown or other concerted interruption of operations by employees. Any employee affected by a lockout, however, shall not be deemed to be a striker. Further, an individual who goes on strike who is exempt from work registration the day prior to the strike, other than those exempt solely on the grounds they are employed, shall not be deemed to be a striker.

(a) Prestrike eligibility shall be determined by considering the day prior to the strike as the day of application and assuming the strike did not occur.

(b) Eligibility at the time of application shall be determined by comparing the striking member's income before the strike to the striker's current income and adding the higher of the two to the current income of nonstriking members during the month of application.

(c) To determine benefits, deductions shall be calculated for the month of application as for any other household.

(d) Whether the striker's prestrike earnings are used or his or her current income is used, the earnings deduction shall be allowed if appropriate. Strikers whose households are eligible shall be subject to the work registration requirements unless exempt.

(10) At the end of the two-month disqualification period, a household may apply to reestablish eligibility. Eligibility may be reestablished during the disqualification period if the reason for disqualification is corrected.

(11) A registrant moving out of the jurisdiction of the department of employment security (DES) office with

which he or she is registered must reregister at his or her new location.

(12) Persons losing exemption status due to any change of circumstance:

(a) Subject to reporting requirements shall register for work; the work registration report form shall be completed and returned within ten calendar days of the date the department hands or mails the form to the household member reporting the change. Failure to complete and return the form within that period shall result in termination of the household;

(b) Not subject to reporting requirements shall register for employment at the household's next recertification.

(13) The household shall be held liable for any over-issuances which result from erroneous information given by the household member or the household's authorized representative. [Statutory Authority: RCW 74.04.510, 83-08-071 (Order 1956), § 388-54-675, filed 4/6/83; 81-23-044 (Order 1720), § 388-54-675, filed 11/18/81; 81-11-045 (Order 1653), § 388-54-675, filed 5/20/81; 80-15-080 (Order 1558), § 388-54-675, filed 10/20/80; 79-03-033 (Order 1374), § 388-54-675, filed 3/1/79.]

WAC 388-54-676 Workfare. (1) All individuals required to register for work under WAC 388-54-677 shall be required to register for workfare if residing in a designated workfare project area. Workfare registration referrals shall be extended to include:

(a) Households exempt from work registration because they are receiving unemployment compensation;

(b) Caretaker of a child over six; and

(c) A person working less than twenty hours per week.

(2) The hours of mandatory workfare participation shall be determined by dividing the food stamp allotment by the federal or state minimum wage, whichever is higher.

(a) The participant shall not be required to work more than thirty hours a week; however, the participant may elect to work in excess of thirty hours per week provided the weekly average for the month does not exceed thirty hours.

(b) Participants working part time shall not be required to participate in workfare and employment more than a combined total of thirty hours per week.

(c) Participants shall not be required to work more than eight hours per day. The participant may voluntarily work more than eight hours a day.

(3) The workfare site shall be considered suitable unless the household can demonstrate or the department becomes aware that:

(a) The participant is required to join, resign from, or refrain from joining any legitimate labor organization;

(b) The work offered is at a site subject to a strike or lockout;

(c) The degree of risk to health and safety is unreasonable;

(d) The participant is physically or mentally unfit to perform the employment, as documented by medical evidence or by reliable information from other sources;

(e) The distance from the participant's home to the place of employment is more than a two-hour round trip commute not including transporting a child to and from a child care facility; or

(f) The working hours or nature of the work interferes with the participant's religious observances, conviction, or beliefs.

(4) In determining if a household has good cause for refusal or failure to cooperate, the following criteria shall apply:

(a) Circumstances beyond a household member's control, such as, but not limited to:

(i) Illness;

(ii) The illness or incapacitation of another household member requiring the presence of the workfare participant;

(iii) A household emergency; or

(iv) The lack of transportation when transportation is not provided by the department.

(b) Necessity for a parent or other responsible household member to care for a child between the age of six and twelve because adequate child care is not otherwise available;

(c) Becoming exempt from the workfare eligibility requirements; or

(d) Household moving out of the area of the workfare project.

(5) If the department finds a household member refuses or fails to comply with workfare requirements without good cause, the household shall be ineligible for participation until the member completes the outstanding workfare obligation or serves the sanction period. The sanction period shall be two months for every month of refusal or failure to participate.

(a) When a household is sanctioned for refusal or failure to comply, none of the household shall be eligible to participate in the food stamp program during the sanction.

(b) If a sanctioned household member joins another food stamp household, that household's eligibility and benefit level shall be determined as follows:

(i) The income and resources of the household member or members disqualified for noncompliance with workfare shall count in their entirety, and the entire household's allowable earned income, standard, medical, dependent care, and excess shelter deductions shall apply to the remaining household members.

(ii) An individual disqualified for noncompliance with workfare shall not be included when determining the household's size for the purpose of assigning a benefit level to the household or of comparing the household's monthly income with income eligibility standards. No household's coupon allotment shall be increased as a result of the disqualification of one or more household member or members for workfare noncompliance.

(6) Eligibility may be re-established during a disqualification period if the household reapplies and is determined eligible, and the member failing to comply or

any other eligible workfare member satisfies all outstanding workfare obligations. Eligibility for participation will resume the day the outstanding workfare obligation is completed.

(7) Child care, transportation expenses, and other work-related costs may be provided by DSHS. [Statutory Authority: 1983 1st ex.s. c 41. 83-21-082 (Order 2040), § 388-54-676, filed 10/19/83.]

WAC 388-54-677 Work registration--Voluntary quit. No applicant household whose primary wage earner voluntarily quit his/her most recent job without good cause shall be eligible for participation in the program as specified below:

(1) When a household files an application, the department shall determine:

(a) If any currently unemployed household member who is required to register for full time work has quit his/her most recent job without good cause within the last sixty days;

Changes in employment status that result from reducing hours of employment, while working for the same employer, terminating a self-employment enterprise or resigning from a job at the demand of the employer will not be considered as a voluntary quit for purpose of this subsection.

(b) If that member is the household's primary wage earner. The primary wage earner shall be that household member age eighteen or over who was acquiring the greatest amount of earned financial support for the household at the time of the quit;

(c) If the voluntary quit was with or without good cause.

(2) If the quit is without good cause the household's application for participation shall be denied for a period of two months beginning with the month of quit:

(a) The household shall be advised of the reason for the denial and of its rights to reapply and/or request a fair hearing;

(b) If an application for participation in the food stamp program is filed in the second month of disqualification, the department shall use the same application for the denial of benefits in the remaining month of disqualification and certification for any subsequent month(s) if all other eligibility criteria are met.

(3) Persons are exempt from voluntary quit provisions in the following circumstances:

(a) Primary wage earners in households certified for the program at the time of the quit; and

(b) Persons exempt from the full time work registration provisions.

(4) Good cause for leaving employment includes the good cause provisions found in WAC 388-54-675(5) and resigning from a job that does not meet the suitability criteria specified in WAC 388-54-675(7). Good cause for leaving employment shall also include:

(a) Discrimination by an employer based on age, race, sex, color, handicap, religious beliefs, national origin or political beliefs;

(b) Work demands or conditions that render continued employment unreasonable, such as working without being paid on schedule;

(c) Acceptance by the primary wage earner of employment, or enrollment of at least half-time in any recognized school, training program or institution of higher education including fulfillment of the provisions in WAC 388-54-670(2), that requires the primary wage earner to leave employment;

(d) Acceptance by any other household member of employment or enrollment at least half-time in any recognized school, training program or institution of higher education in another county or similar political subdivision which requires the household to move thereby requiring the primary wage earner to leave employment;

(e) Resignations by persons under the age of sixty which are recognized by the employer as retirement;

(f) Employment which becomes unsuitable by not meeting the criteria specified in WAC 388-54-675(7) after the acceptance of such employment;

(g) Acceptance of a bona fide offer of employment of more than twenty hours a week or in which the weekly earnings are equivalent to the federal minimum wage multiplied by twenty hours which, because of circumstances beyond the control of the primary wage earner, subsequently either does not materialize or results in employment of less than twenty hours a week or weekly earnings of less than the federal minimum wage multiplied by twenty hours; and

(h) Leaving a job in connection with patterns of employment in which workers frequently move from one employer to another such as migrant farm labor or construction work. There may be some circumstances where households will apply for food stamp benefits between jobs particularly in cases where work may not yet be available at the new job site. Even though employment at the new site has not actually begun, the quitting of the previous employment shall be considered as with good cause if part of the pattern of that type of employment.

(5) The department shall request verification of the household's statements only to the extent that the information given by the household is questionable:

(a) The primary responsibility for providing verification rests with the household;

(b) If it is difficult or impossible for the household to obtain documentary evidence in a timely manner, the department shall offer assistance to the household to obtain the needed verification;

(c) Acceptable sources of verification include but are not limited to the previous employer, employee association, union representatives and grievance committees or organizations;

(d) Whenever documentary evidence cannot be obtained, the department shall substitute a collateral contact;

(e) The department is responsible for obtaining verification from acceptable collateral contacts provided by the household;

(f) If the household and department are unable to obtain requested verification from these or other sources

because the cause for the quit resulted from circumstances that for good reason cannot be verified, such as a resignation from employment due to discrimination practices or unreasonable demands by an employer, or because the employer cannot be located, the household will not be denied access to the program. [Statutory Authority: RCW 74.04.510. 80-15-080 (Order 1558), § 388-54-677, filed 10/20/80; 79-07-056 (Order 1409), § 388-54-677, filed 6/25/79.]

WAC 388-54-678 Job search requirement. (1)(a) Persons required to register for work shall be subject to job search requirements in accordance with the following categories:

(i) Category I – job ready – work registrants who have no apparent substantial barriers to employment;

(ii) Category II – nonjob ready – work registrants with substantial barriers to employment, for example, medical, transportation, language or family problems;

(iii) Category III – exempt – work registrants for whom a job search is determined to be impractical, specifically including those individuals residing an unreasonable distance from the appropriate DES office or potential employers, and migrant and seasonal farmworkers away from their home base and following the work stream.

(d) Within ten days after a determination of failure to comply, shall be issued a notice of adverse action by the department;

(e) Have a right to a fair hearing to appeal a denial, reduction or termination of benefits due to a determination of nonexempt status or failure to comply.

(3) Work registrants classified as category II will not be assigned any specific job search activity.

(a) Job attached persons who have not returned to their jobs or otherwise become exempt from the job search requirement may be called in for job search categorization reassessment at the end of sixty days;

(b) Other persons may be called in for job search categorization reassessment during the six-month period.

(4) Work registrants classified as category III will not be required to fulfill job search requirements until such time as they are reclassified into an active job search category.

(5) Failure to comply with the job search requirement without good cause, shall result in household disqualification for a two-month period unless the member who caused the disqualification becomes exempt from the work requirement or is no longer a member of the household.

(6) In determining whether good cause exists for failure to comply, facts and circumstances shall be considered including information submitted by DES, the member and the employer.

"Good cause" includes circumstances beyond the member's control, such as but not limited to, illness, illness of another household member sufficiently serious to require the presence of the household member, unavailability of transportation and unanticipated emergency; problems resulting from inability of the work registrant to speak or write English could constitute good cause.

(7) Each household has a right to a fair hearing through the department to appeal a denial, reduction or termination of benefits due to a determination of nonexempt status or failure to comply with work registration and job search requirements of this section and WAC 388-54-675.

Each household may request a review of any decision made on the part of DES, such as a job search classification, prior to requesting a fair hearing through the department. (c) An alien who entered the United States prior to June 30, 1948, or some later date as required by law, and has continuously maintained residency in the United States since then, and is not ineligible for citizenship but is considered to be lawfully admitted for permanent residence as a result of an exercise of discretion by the attorney general pursuant to Section 249 of the Immigration and Nationality Act.

(d) An alien who qualified for entry after March 17, 1980, because of persecution or fear of persecution on account of race, religion or political opinion pursuant to Sections 203(a)(7), 207, and 208 of the Immigration and Nationality Act.

(h) An alien living within the United States for whom the attorney general has withheld deportation pursuant to Section 243 of the Immigration and Nationality Act because of the judgment of the attorney general that the alien would otherwise be subject to persecution on account of race, religion or political opinion.

(2) The CSO shall determine if household members identified as alien are eligible aliens by requiring the appropriate verification for each alien member. Aliens unable to furnish this identification are ineligible.

(3) Ineligible aliens. Aliens other than those described in this section shall not be eligible to participate in the program as a member of any household. Among those excluded are alien visitors, tourists, diplomats, and students who enter the United States temporarily with no intention of abandoning their residence in a foreign country. The following applies:

(a) The income and resources of an ineligible alien who would be considered a member of a household if he or she did not have ineligible alien status shall be considered in determining eligibility or level of benefits of the household in the same manner as the income and resources of a disqualified member as found in WAC 388-54-830.

(b) If verification of the eligible alien status is not provided on a timely basis, the eligibility of the remaining household members shall be determined. The income and resources of the individual whose alien status is unverified shall be treated in the same manner as a disqualified member as set forth in WAC 388-54-830 and considered available in determining the eligibility of the remaining household members. If verification of eligible alien status is subsequently received, the department shall act on the information as a reported change in household membership.

(c) When a household indicates inability or unwillingness to provide documentation of alien status for any household member, that member should be classified as an ineligible alien.

(4) Reporting illegal aliens. The department shall inform the local INS office whenever a member of a household is ineligible to receive food stamps because the member is present in the United States in violation of a known deportation order of the Immigration and Nationality Act.

(3) The department shall not impose any durational residency requirements.

(4) A fixed residence is not required nor shall residency require an intent to reside permanently in the state or project area.

(5) Persons in a project area solely for vacation purposes shall not be considered residents. [Statutory Authority: RCW 74.04.510. 82-11-092 (Order 1814), § 388-54-685, filed 5/19/82; 79-03-033 (Order 1374), § 388-54-685, filed 3/1/79.]

(b) Apply for a Social Security Number if it is unknown or has not been issued.

(2) An individual required to provide an SSN shall provide the SSN or verify that an application accompanied by the necessary documents has been filed with SSA prior to certification.

(3) If good cause exists for failure to comply with the SSN requirement, the household member shall be allowed to participate for an additional thirty days.

Documentary evidence or collateral information that the household has applied for or made every effort to supply SSA with the necessary information shall be considered good cause for not complying with this requirement.

Consider information from the household member, SSA, and the CSO in determining good cause.

If a household member has been unable to obtain documents required by SSA, the CSO staff should make every effort to assist the household member in obtaining these documents.

(4) An individual required to provide an SSN who cannot show good cause for failure to provide it shall be disqualified. Other household members who meet all requirements shall continue to be eligible to participate.

(5) A disqualified individual may become eligible upon providing the Social Security Number.

(6) The department shall explain to applicants and participants that refusal to provide an SSN will result in disqualification of the individual for whom an SSN is not obtained.

(7) The department shall inform the applicants or recipients where to apply for an SSN and what information will be needed. The department shall suggest that the household member ask for proof of application from SSA in the event the application is not processed within the thirty-day time period. not readily liquidated, if the household is making a good-faith effort to sell at a reasonable price and has not been sold.

Funds in a trust or transferred to a trust, and the income produced by that trust to the extent the trust is not available to the household, shall be considered inaccessible to the household if:

(a) The trustee administering the funds is either:

(ii) The individual appointed by the court who has court-imposed limitations placed on the household's use of the funds;

(15) For jointly owned resources, refer to WAC 388-54-715.

(16) Where an exclusion applies because of use of a resource by or for a household member, the exclusion shall also apply when the resource is being used by or for an ineligible alien or disqualified person whose resources are being counted as part of the household's resources. For example, work-related equipment essential to the employment of an ineligible alien or disqualified person shall be excluded, as shall one burial plot per ineligible alien or disqualified household member. WAC 388-54-715 Resources--Nonexempt. (1) The following shall be considered as resources:

(a) Liquid resources such as cash on hand or in checking or savings accounts, savings certificates, stocks and bonds, funds held in individual retirement accounts (IRAs), and funds held in Keogh plans which are accessible to and involve only food stamp household members.

(b) Nonliquid resources such as real property (buildings, land, etc.) and personal property (boats, aircraft, unlicensed vehicles, etc.) which are not exempted by WAC 388-54-695.

(c) Money received in the form of a nonrecurring lump-sum payment, including, but not limited to income tax refunds, rebates or credits; retroactive lump-sum Social Security, SSI, public assistance, railroad retirement benefits or other payment; or lump-sum insurance settlements; or refunds of rental, security or utility deposits.

(2) The value of nonexempt resources, except for licensed vehicles as specified in WAC 388-54-717, shall be its equity value. The equity value is the fair market value less encumbrances.

(3) Exempt moneys which are kept in a separate account, and that are not commingled in an account with

nonexempt funds, shall retain their resource exemption for an unlimited period of time.

(a) Those exempt moneys which are commingled in an account with nonexempt funds shall retain their exemption for six months from the date they are commingled.

(b) After six months from the date of commingling, all funds in the commingled account shall be counted as a resource.

(c) Those exempt moneys of students and self-employed households which are excluded as per WAC 388-54-695(9) and commingled in an account with nonexcluded funds shall retain their exclusion for the period of time over which they have been prorated as income.

(4) Vehicles as provided for in WAC 388-54-717.

(5) Resources owned jointly by separate households shall be considered available in their entirety to each household, unless one household can demonstrate that the resource is inaccessible to that household.

(a) If the household can demonstrate that it has access to only a portion of the resource, the value of that portion of the resource shall be counted toward the household's resource level.

(b) Resource shall be considered totally inaccessible to the household if the resource cannot practically be subdivided and the household's access to the value of the resource is dependent on the agreement of a joint owner who refuses to comply.

(c) For the purpose of considering jointly owned resources, ineligible aliens or disqualified individuals residing with the household shall be considered household members.

(6) Resources shall be considered inaccessible to persons residing in shelters for battered women and children if:

(a) The resources are jointly owned by such persons and by members of their former household; and

(b) The shelter resident's access to the value of the resources is dependent on the agreement of a joint owner who still resides in the former household. WAC 388-54-717 Resources--Vehicles. In determining its resource value, each vehicle will be handled as follows:

(1) Each vehicle will be evaluated to determine if it is exempt.

(a) The entire value of a licensed vehicle shall be excluded if the vehicle is:

(i) Used, over fifty percent of the time the vehicle is in use, for income producing purposes such as, but not limited to, a taxi, truck or fishing boat;

(ii) Annually producing income consistent with its fair market value even if used only on a seasonal basis;

(iii) Necessary for long distance travel, other than daily commuting, that is essential to the employment of

a household member (or ineligible alien or disqualified person whose resources are being considered available to the household), such as, but not limited to, a traveling salesperson or a migrant farmworker following the work stream;

(iv) Necessary for subsistence hunting or fishing; or

(v) Used as the household's home;

(vi) Necessary to transport a physically disabled household member (or ineligible alien or disqualified person whose resources are being considered available to the household), regardless of the purpose of such transportation (limited to one vehicle per physically disabled person). A vehicle shall be considered necessary for the transportation of a physically disabled household member if the vehicle is specially equipped to meet the specific needs of the disabled person or if the vehicle is a special type of vehicle that makes it possible to transport the disabled person. The vehicle need not have special equipment or be used primarily by or for the transportation of the physically disabled household member.

(b) The entire value shall be excluded if the unlicensed vehicle which is driven by Indian tribal members on those reservations not requiring vehicle licensing meets the provisions of subsection (1)(a) of this section.

(c) The exclusion will apply when the vehicle is not in use because of temporary unemployment.

(2) Each vehicle will be evaluated to determine its fair market value.

(a) The fair market value of licensed automobiles, trucks, and vans shall be determined by the value of the vehicles as listed in publications written for the purpose of providing guidance to automobile dealers and loan companies.

(b) All licensed vehicles not excluded in subsection (1) of this section shall individually be evaluated for fair market value. That portion of the value of each vehicle which exceeds four thousand five hundred dollars shall be attributed in full toward the household's resource level regardless:

(i) Of any encumbrances on the vehicle;

(ii) Of whether or not the vehicle is used to transport household members to and from employment.

(3) Each vehicle will be evaluated to see if it is equity exempt.

(a) Licensed vehicles shall be evaluated for their equity value except:

(i) Vehicles excluded in subsection (1) of this section; and

(ii) One licensed vehicle per household regardless of the use of the vehicle; and

(iii) Any other licensed vehicles used to transport household members (including ineligible alien or disqualified household member) to and from employment, for seeking employment or for training or education which is preparatory to employment, even during periods of unemployment.

(b) The equity value of licensed vehicles not covered by this exclusion and of unlicensed vehicles not excluded by subsection (1)(b) of this section shall be attributed toward the household's resource level.

(4) If the vehicle has a countable market value of more than four thousand five hundred dollars and also has a countable equity value, only the greater of the two amounts shall be counted as a resource. [Statutory Authority: RCW 74.04.510. 82-24-005 (Order 1905), § 388-54-717, filed 11/18/82; 81-01-015 (Order 1574), § 388-54-717, filed 12/8/80; 79-03-033 (Order 1374), § 388-54-717, filed 3/1/79.]

WAC 388-54-720 Resources--Transfer of property.

(1) A household member (or ineligible alien or disqualified person) which has knowingly transferred any resource for the purpose of qualifying or attempting to qualify for food stamp benefits within the three months immediately preceding the application for food stamp benefits, or after the household is determined eligible, shall be disqualified for up to one year from the date of discovery of the transfer. The penalty shall not apply to the following types of transfers:

(a) Resources which would not effect eligibility;

(b) Resources which are sold or traded at or near fair market value;

(c) Resources which are transferred between household members and ineligible aliens or disqualified persons of the same household;

(d) Resources transferred for reasons other than qualifying.

(2) The length of disqualification shall be based on the amount by which nonexempt and transferred resources, when added to other countable resources, exceed the allowable resource limits:

Amount in Excess of Resource Limits	Period of Disqualification
\$0 - 249.99	1 month
250 - 999.99	3 months
1,000 - 2,999.99	6 months
3,000 - 4,999.99	9 months

WAC 388-54-745 Income--Computations. (1) The amount of income to be counted in determining household eligibility and basis of coupon issuance shall be that income including salary advances which has been received or anticipated income the household and the department are reasonably certain will be received during the certification period.

(a) Wages held at the request of the employee shall be considered income in the month the wages would otherwise have been paid by the employer.

(b) Wages held by the employer as a general practice, even in violation of law, shall be counted as income to the household when received.

(2) Income received during the past 30 days shall be used as an indicator of the income that is and will be available to the household unless it has fluctuated so much it cannot be used.

(3) Income received on less than a monthly basis shall be converted into a monthly amount by multiplying the weekly amount by 4.3, and income received every two weeks shall be multiplied by 2.15 to determine monthly income.

(4) Households, except for destitute households and PA households subject to a monthly reporting requirement, may elect to have their income averaged.

(a) To average income, the department shall use the household's anticipation of income fluctuations over the certification period. The number of months used to arrive at the average income need not be the same as the number of months in the certification period.

(b) Households which by contract derive their annual income in a period of time shorter than one year shall have that income averaged over a 12-month period, provided the income from the contract is not received on an hourly or piecework basis. However, these provisions do not apply to migrant or seasonal farmworkers.

(5) Income deductions shall be determined as follows:

(a) Deductions shall be allowed only in the month the expense is billed or otherwise becomes due; amounts carried forward from past billing periods are not deductible, even if included with the most recent billing and actually paid by the household.

(b) A household may elect to have expenses which fluctuate or are billed less often than monthly, averaged over the period the expense is to cover;

(c) The department shall calculate a household's expenses on the basis of anticipated expenses.

(i) The department shall not average past expenses, such as utility bills for the last several months, as a method of anticipating utility costs for the certification period. [Statutory Authority: RCW 74.04.510, 79-03-033 (Order 1374), § 388-54-745, filed 3/1/79.]

WAC 388-54-750 Income--Self-employment. (1)

A household whose primary source of income is from self-employment, including self-employed farmers, shall be certified according to this section.

Self-employment income which is received on a monthly basis but which represents a household's annual support shall normally be averaged over a twelve-month period. If, however, the averaged amount does not accurately reflect the household's actual monthly circumstances because the household has experienced a substantial increase or decrease in business, the department shall calculate the self-employment income based on anticipated earnings.

(2) Income which represents annual income and costs of producing that income are to be computed on a yearly basis and averaged evenly over twelve months to determine eligibility even if it is received in only a short period of time.

(a) Self-employment income which represents only a part of a household's annual support shall be averaged over the period of time the income is intended to cover.

(b) If a household's self-employment enterprise has been in existence for less than a year, this income shall be averaged over the period of time the business has been in operation and the monthly amount projected for the coming year.

(3) In determining monthly income from self-employment:

(a) The household may choose to determine the benefit level by using either the same net income which was used to determine eligibility or by unevenly prorating the household's total net income over the period for which the household's self-employment income was averaged. If income is prorated, the net income assigned in any month cannot exceed the maximum monthly income eligibility standards or net monthly income eligibility standards for the household's size.

(b) For the period of time over which self-employment income is determined, the department shall add all gross self-employment income (including capital gains), exclude the cost of producing the self-employment income and divide this income by the number of months over which the income will be averaged.

(c) For those households whose self-employment income is not averaged but is instead calculated on an anticipated basis, the department shall add any capital gains the household anticipates receiving in the next twelve months, starting with the date the application is filed and divide this amount by twelve. This amount shall be used in successive certification periods during the next twelve months, but recalculated should anticipated capital gains amounts change. The anticipated monthly amount of capital gains shall be added to the

anticipated monthly self-employment income, and subtract the cost of producing the income. The cost of producing the self-employment income shall be calculated by anticipating the monthly allowable costs of producing the income.

(d) The monthly net self-employment income shall be added to any other earned income received by the household. The total monthly earned income less the eighteen percent earned income deduction shall then be added to all other monthly income received by the household. The standard deduction, dependent care, and shelter costs shall be computed as for any other household and subtracted to determine the adjusted monthly net income of the household.

(4) In calculating capital gains, the proceeds from the sale of capital goods or equipment shall be calculated in the same manner as a capital gain for federal income tax purposes. The department shall count the full amount of the capital gain as income for food stamp purposes even if only fifty percent of the proceeds from the sale of capital goods or equipment is taxed for federal income tax purposes.

(5) Allowable costs of producing self-employment income include, but are not limited to, the identifiable costs of labor, stock, raw material, seed and fertilizer, interest paid to purchase income-producing property, insurance premiums, and taxes paid on income-producing property.

(6) The following items shall not be allowed as a cost of producing self-employment income:

(a) Payments on the principal of the purchase price of income producing real estate and capital assets, equipment, machinery, and other durable goods;

(b) Net losses from previous periods; and

(c) Federal, state and local income taxes, money set aside for retirement purposes, and other work-related personal expenses, such as transportation to and from work, as these expenses are accounted for by the eight-percent earned income deduction specified.

(d) Depreciation.

(7) In assigning certification periods:

(a) Households that receive their annual support from self-employment and have no other source of income may be certified for up to twelve months;

(b) For those households that receive other sources of income or whose self-employment income is intended to cover a period of time that is less than a year, the department shall assign a certification period appropriate for the household's circumstances;

(c) For businesses which have been in operation for such a short time that there is insufficient data to make a reasonable projection, the household may be certified for less than a year until the business has been in operation long enough to base a longer projection.

(d) For those self-employed households that receive their annual income in a short period of time, the initial certification period shall be assigned to bring the household into the annual cycle. [Statutory Authority: RCW 74.04.510, 83-08-071 (Order 1956), § 388-54-750, filed 4/6/83; 82-24-005 (Order 1905), § 388-54-750, filed 11/18/82; 81-23-044 (Order 1720), § 388-54-

WAC 388-54-755 Income--Boarders. Households receiving income from boarders, except those households operating a commercial boarding house, shall have the income treated as follows:

(1) Income from boarders shall include:

(a) All direct payments to the household for room and meals.

(b) Direct contributions to the household for the household's shelter expenses.

(2) The cost of doing business is deducted. It shall not exceed the payment the household receives from the boarder. The cost of doing business shall include:

(a) The cost of the thrifty food plan for a household size that is equal to the number of boarders.

(b) The actual documented cost of providing room and meals if the actual cost exceeds the appropriate thrifty food plan. [Statutory Authority: RCW 74.04.510, 79-03-033 (Order 1374), § 388-54-755, filed 3/1/79.]

WAC 388-54-760 Certification periods--Duration.

(1) Based upon a thirty-day month, the value of the allotment issued to an eligible household for the initial month shall be prorated from the date of application through the end of the month, except no allotment shall be issued of less than ten dollars for the initial month.

(2) An assistance household shall be assigned a certification period which coincides with the scheduled assistance reviews so that the review of the grant and food stamp basis of issuance can be accomplished simultaneously, except:

(a) Food stamp households where all members are subject to mandatory monthly reporting (MMR) may be certified for up to twelve months.

(b) Households whose assistance is authorized for less than six months may be assigned certification periods to coincide with the assistance authorization.

(3) Other households shall be certified for at least three months or assigned the longest certification period possible based on the predictability of the household's circumstances, except as follows:

(a) Certification may be for less than three months when there is a possibility of frequent changes in income or household status.

(i) A household eligible for a certification period of three months or less shall, at the time of certification, have this certification period increased by one month, if the certification process is completed after the fifteenth day of the month of application and the household's circumstances warrant the longer certification period.

(ii) A household with one or more members on strike shall be assigned a certification period of no more than one month if the household is certified before the fifteenth day of the month; otherwise, the maximum certification period shall be for two months unless the department wishes to assign a longer certification period and the household signs a waiver of notice of adverse action.

(b) In situations in which there is little likelihood of changes in financial situation and household size, the household may be recertified for up to six months.

(c) A household consisting solely of unemployable persons with very stable income from retirement, disability payments or similar sources may be certified up to twelve months, provided that other household circumstances are expected to remain stable.

(d) A household whose primary source of income is from self-employment, farm operations or farm employment may be certified up to twelve months, provided income can be readily predicted and household circumstances are not likely to change. A household with additional income from other sources shall be assigned a certification period in accordance with subsection (3)(a), (b), and (c) of this section. WAC 388-54-765 Certification periods--Notices to households. (1) The applicant household shall be provided with one of the following written notices as soon as determination is made but no later than thirty days after the date of initial application:

(a) Notice of eligibility. Written notice containing the amount of the allotment, beginning and ending dates of the certification period, the right to a fair hearing, an information phone number and information regarding free legal representation.

(b) Notice of denial. Written notice explaining basis for denial, right to a fair hearing, information phone number and information about free legal services.

(c) Notice of pending status. Written notice informing the household that its application is still being processed; whether some action by the household is needed to complete the application, what this action is, and that the application will be denied if the household fails to take the required action within sixty days of the date the application was filed.

(2) Notice of adverse action. Prior to any action to reduce or terminate a household's benefits within the certification period the department shall provide notice to the household at least ten days prior to the action.

(a) This notice shall include:

(i) The proposed action and reason for the action;

(ii) The household's right to a fair hearing;

(iii) The household has moved from the project area;

(iv) Restoration of lost benefits is completed and the household was previously notified in writing of when the increased allotment would terminate;

(viii) The household contains a member subject to a strike and signs a waiver of its right to notice of adverse action for purposes of receiving a longer certification period than is otherwise allowed for such households.

(c) A notice of adverse action will be required because of mass changes resulting from the implementation of the Food Stamp Act of 1977. The department shall send an individual notice of adverse action to each household that receives a reduction or termination in benefits during its certification period due to these regulations. The notice of adverse action shall explain to the household:

(i) That the change is the result of changes in federal law;

(ii) That although the household has the right to request a fair hearing, benefits will be continued pending the fair hearing only if the household believes its eligibility or benefit level was computed incorrectly under the new law, or that the new law is being misapplied or misinterpreted.

(d) Instead of an individual notice, the department shall send a general notice to all or part of the food stamp caseload when new eligibility rules are matched by computer with current history file information.

The general notice shall explain that the cause of the allotment change, if any, is the Food Stamp Act of 1977, and the circumstances for continuing or reinstating the household's former level of benefits as in an individual notice. The general notice shall be sent no later than the allotment of ATP that adjusts the household's benefits to the new program. (2) The department shall determine the value of the allotment a household receives (taking into consideration the requirement within subsection (1) of this section to prorate the initial month's allotment) by multiplying the household's net monthly income by thirty percent, rounding the product up to the next whole dollar if it ends with one through ninety-nine cents, and subtract the result from the thrifty food plan for the appropriate household size. If the computation results in an allotment of one dollar, three dollars or five dollars, the amount shall be rounded up to two dollars, four dollars or six dollars, respectively.

All other detached coupons may be accepted only if accompanied by the coupon book bearing the same serial number as the detached coupons. It is the right of the household or the authorized representative to detach the coupons from the book.

(c) When change in an amount less than one dollar is required in a coupon transaction, the household shall receive the change in cash not to exceed ninety-nine cents.

(d) Upon request, the household or the authorized representative shall present the household's ID card to the retail food store or meal service when exchanging food coupons for eligible food.

(e) Coupons shall not be used to pay for any eligible food purchased prior to the time at which the coupons are presented to authorized retail food stores or meal service. (4) Where the direct mail system is used to issue coupons:

(a) After two reported mail losses by a household within the previous five months, the department shall utilize other means to deliver program benefits to the household.

(b) To minimize mail theft exposure, direct mail issuances shall be staggered through the tenth of the month, and may be staggered through the fifteenth day provided that each household will likely receive coupons on the same date every month.

(5) The department shall maintain issuance records for a period of three years from the month of origin.

This period may be extended at the written request of FNS.

(6) In returning coupons, the following shall apply:

(iv) If the hearing authority determines the department's action was correct, a claim against the household for any overissuances shall be prepared and processed.

(h) Within ninety days of the date the individual receives the notice of hearing, the final decision shall be entered.

(3) When a food stamp overpayment allegation is combined with a disqualification allegation, subsections (2) and (3) of this section govern the hearing.

(a) The department may combine a food stamp overpayment allegation and an administrative disqualification allegation into a single hearing when the facts alleged for each arise out of the same or related circumstances.

(b) When the overpayment and disqualification allegations are combined into a single hearing, the department must give the individual alleged to have committed intentional program violation and the person or persons alleged to be liable for the overpayment prior notice. (d) A certification period expires and the household has made a timely application for a new certification period pending receipt of the fair hearing decision. The department shall determine eligibility on the basis of all eligibility requirements without regard to the matter at issue in the fair hearing.

(2) If a hearing request is not made within the period provided by the notice of adverse action, benefits shall be reduced or terminated as provided in the notice, unless failure to make the request was for good cause.

Once continued or reinstated, benefits shall not be reduced or terminated prior to receipt of the hearing decisions unless:

(b) The presiding or review officer makes a preliminary determination in writing and at the hearing that good cause is a matter of policy;

(c) A change affecting the household's eligibility or basis of issuance occurs while the hearing decision is pending and the household fails to request a hearing after the subsequent notice of adverse action; or

(d) A mass change occurs while the hearing decision is pending.

(3) The department shall promptly inform the household in writing if benefits are reduced or terminated pending the hearing decision.

(4) When benefits are reduced or terminated due to a mass change, participation on the prior basis shall be reinstated only if the issue being contested is food stamp eligibility or benefits were improperly computed or federal law or regulation is being misapplied or misinterpreted by the department.

(5) If the department's action is upheld by the hearing decision, a claim against the household shall be established for all overissuances.

(6) The department shall send an individual notice of the adverse action to each household receiving a reduction or termination in benefits during the certification period due to mass changes resulting from implementation of the Food Stamp Act of 1977. The notice of adverse action shall explain to the household the change is the result of changes in federal law and although the household has the right to request a fair hearing, benefits will be continued pending the fair hearing only if the household believes the eligibility or benefits level was computed incorrectly under the new law, or the new law is being misapplied or misinterpreted. WAC 388-54-850 Overpayments. (1) Definitions of overpayments for which recovery action may be taken.

(a) An administrative error overpayment is an overpayment caused solely by department action or failure to act when the household had properly and accurately reported all the household's circumstances to the department.

(b) An inadvertent household error overpayment is an overpayment caused by misunderstanding or unintended error on the part of the household.

(c) An intentional program violation overpayment is an overpayment:

(i) Which a court or an administrative decision determined was caused by fraud or intentional program violation, or

(ii) For which the individual signed a disqualification consent agreement when the case had been referred for prosecution or signed a waiver of right to an administrative disqualification hearing.

(2) Households and household members against which recovery action can be taken.

(a) The department shall take recovery action against a household which was overpaid food stamps.

(b) If the household membership at the time an agency error or inadvertent household error overpayment occurred is not the same when recovery action is to be taken, the department shall take action against the household containing a majority of those who were members at the time the overpayment occurred.

(c) If the household membership at the time an intentional program violation overpayment occurred cannot be determined, the department shall take recovery action against the household containing the individual who committed the act of intentional program violation.

(d) If the department is unable to take recovery action under subsection (2)(a), (b), or (c) of this section, then the department shall take recovery action against the household which contains the person who was the head of the household at the time the overpayment occurred.

(3) Amount of overpayment.

(a) When the department discovers an administrative error or inadvertent household error overpayment occurred in the prior twenty-four months or discovers an intentional program violation in the prior seventy-two months, the department shall calculate the allotment the household should have been authorized.

(i) If the household accurately and timely reports the household's circumstances and changes in circumstances to the department, the calculation shall be based on the day the household's circumstances were reported.

(ii) If the household did not accurately and timely report the household's circumstances and change of circumstances, the calculation shall be based on the household having accurately reported the household's circumstances to the department in the application or on the date the change of circumstances occurred.

(iii) Calculation shall be based on the department having given the household advance notice if such notice would have been required.

(b) The difference between the monthly allotment the household should have been authorized as calculated in subsection (3)(a) of this section and the monthly allotment actually authorized is the amount of the overpayment.

(4) Amount of a household's and/or household member's liability for an overpayment. The difference between the amount of the overpayment calculated in subsection (3)(b) of this section and any food stamp lost benefits incurred prior to writing a letter demanding repayment, which had not previously been restored or used as an offset, is the amount of a household's and/or a household member's liability for an overpayment.

(5) Demand letter. Prior to initiating recovery action, the department shall provide the household member a demand letter.

(6) Methods of recovery. A household or household member may repay an overpayment in a lump sum or sums, in regular installments under a payment schedule agreed upon by the household or member and the department, and/or through reductions in the food stamp allotment.

(a) Lump sum.

(i) A household member may pay all or part of his or her liability for an overpayment in a lump sum.

(ii) A household member may use food stamp coupons, money order, check, cash, or any combination thereof to make a lump-sum payment.

(b) Installments.

(i) A household member may use food stamp coupons, money order, check, cash, or any combination thereof to make installment payments.

(ii) If the full liability for the overpayment or overpayments cannot be paid through a lump sum or allotment reduction or reductions, and the remaining amount of liability cannot be repaid in full in installment payments in three years, then the department may compromise the claim by reducing the claim to an amount allowing the household to pay the claim in three years.

(iii) The minimum installment payment schedule the department will agree to with a currently participating household member who is liable for an overpayment caused by inadvertent household error or intentional program violation shall be not less than the amount that could be recovered through allotment reduction.

(iv) When an installment payment schedule has been agreed to by the household member and the department, the amount to be repaid each month shall be that agreed to regardless of subsequent changes in the household's monthly household allotment unless the parties renegotiate the payment schedule and agree on a new payment schedule.

(v) A household member and/or the department may request of the other party that a payment schedule be renegotiated.

(A) The most recent agreed upon payment schedule shall remain in effect until the household member and the department agree to a different schedule.

(B) When a household member requests renegotiation and the department agrees the member's economic circumstances have changed enough to warrant a different schedule, the department shall offer a different schedule and/or consider any reasonable schedule the member offers.

(C) When a household member requests renegotiation and the department determines the member's economic circumstances have not changed enough to warrant a different schedule, the department shall inform the member of this determination and that the most recently agreed upon schedule remains in effect.

(vi) When a household member who has agreed to repay in installments fails to make a payment in accordance with the repayment schedule:

(A) The department shall give notice informing him or her:

(I) No payment or an insufficient payment was received;

(II) The household member may contact the department to discuss renegotiation of the payment schedule; and

Under this definition, the following individuals shall be eligible to apply for assistance and/or services under the refugee assistance program:

(a) Refugees must meet AFDC or Medicaid eligibility criteria to be transferred.

(b) A refugee cash assistance case being transferred to AFDC shall be regarded as a recipient rather than a new applicant so the income shall be disregarded accordingly.

(8) Applicants for and recipients of refugee assistance shall not be eligible for the thirty dollar plus one-third of the remainder exemption from earned income.

(10) Persons meeting the criteria in this section shall be eligible for refugee assistance only during the eight-month period beginning in the first month the individual entered the United States.

The dependent family of such an ineligible applicant may apply for and receive assistance if otherwise eligible.

(b) If an employable refugee recipient continues to refuse an offer of employment or training, assistance will be terminated the first of the following month after the

date of his or her original refusal. The refugee shall be given at least ten days written notice of the termination of assistance and the reason therefore. This sanction shall be applied in the following manner:

(i) If the assistance unit includes other individuals, the grant shall be reduced by the amount included on behalf of the refugee.

(ii) If such individual is the only individual in the assistance unit, the grant shall be terminated.

(iii) The recipient's voluntary agency (VOLAG) shall be notified if action is taken according to subsection (4)(b)(i) or (ii) of this section, provided the provisions for safeguarding information in chapter 388-320 WAC are met.

(v) An employable refugee shall be ineligible for a period of thirty days after the termination of assistance because of refusal to accept or continue employment or training. [Statutory Authority: RCW 43.20A.550. 83-13-069 (Order 1969), § 388-55-020, filed 6/16/83.]

WAC 388-55-030(1) is applicable in determining the amount of participation in medical costs for refugee recipients.

(3) The refugee recipient becoming ineligible because of increased income from employment shall remain eligible for medical assistance for four calendar months beginning with the month of ineligibility provided:

(b) Any individual or his/her spouse who waives supplementary payments for oneself or his/her ineligible spouse shall not receive state-funded general assistance in lieu of the supplementary payments.

(3) Any individual who has waived supplementary payments may revoke such waiver at anytime by making a written request to the Social Security office.

WAC 388-62-020 Repatriated United States citizens--Program objectives. The purpose of this program is to help needy U.S. citizens and their dependents returned from foreign countries for the period necessary and to enable them to utilize other resources for maintenance as soon as possible. A person is needy who does not have sufficient resources immediately available to

meet his requirements for living. The intent is to provide assistance only for a limited period of time to persons who are without available resources. Recipients of temporary assistance, with some exceptions, are required to repay the cost of such assistance to the United States in accordance with their ability. [Order 546, § 388-62-020, filed 3/31/71, effective 5/1/71; Regulation 26.10, filed 1/24/64.]

WAC 388-62-035 Repatriated United States citizens--Department responsibilities. (1) Persons returning from foreign countries because of destitution or illness are likely to have urgent needs and hence it is essential that needed services are rendered as quickly as possible.

(2) The local office is responsible for developing a plan with relatives, the person and dependents who return, and with social agencies for reception and resettlement. In carrying out the plan, the local office provides transportation, financial assistance, medical care and hospitalization, and social service for adults and unaccompanied children as needed. It may be necessary to perform the following activities in carrying out this responsibility:

(a) Conduct a social study, before or after return to this country, regarding possibilities of employment, the willingness and ability of relatives to assist the individual, and other resources available for self-support, or if it appears that there may be need for assistance indefinitely the possibility of obtaining assistance in the state of residence or elsewhere.

(b) Meet the returning person and dependents at the port of entry and help them with problems aggravated or induced by illness, and to develop resources available for self-support, or, if it appears they may be in need indefinitely, the possibility of obtaining assistance in the state of residence or elsewhere.

(c) Arrange for transportation from the port of entry to place of residence or other destination, if after social study this is in the best interests of the individual.

(d) Refer persons to available employment, retraining, vocational rehabilitation, and medical services.

(e) Assure safeguards for children not under the immediate care and protection of their parents. Agency responsibility for unaccompanied minor children should not end until adequate legal protection is established.

(f) Inform persons requesting assistance of the provisions governing repayment to the United States of the cost of assistance and make recommendations to USDHEW as to their financial ability to repay. [Order 969, § 388-62-035, filed 9/13/74; Order 546, § 388-62-035, filed 3/31/71, effective 5/1/71; Regulation 26.21, filed 1/24/64.]

WAC 388-62-050 Persons served. (1) To qualify for help from the program, an individual must be:

(a) A U.S. citizen or a dependent of a U.S. citizen (returned from a foreign country)

(b) Identified by the department of state as returned or brought from a foreign country because of destitution or illness

(c) Without resources immediately accessible to meet his needs.

(2) Within the above-identified coverage are U.S. citizens and their dependents who have returned from Cuba on or after September 1, 1960. [Regulation 26.30, filed 1/24/64.]

WAC 388-62-070 Repatriated United States citizens--Eligibility. (1) To qualify for help from the program, an individual must be

(a) A U.S. citizen or a dependent of a U.S. citizen returning from a foreign country,

(b) Identified by the department of state as returned or brought from a foreign country because of destitution, or illness other than mental illness,

(c) Without resources immediately accessible to meet his needs.

(2) Within the above identified coverage are U.S. citizens and their dependents who have returned from Cuba on or after September 1, 1960.

(3) Except in the case of U.S. citizens who have returned from Cuba, the need for financial assistance and medical care is the only factor of eligibility to be determined by the ESSO. The fact that an individual may have resources in a foreign country does not make him ineligible if the foreign country prohibits their removal.

(4) Temporary assistance under this program is limited to the first 90 days from the date of arrival of the person in the United States. If a person is handicapped in attaining self-support or self-care due to age, disability, lack of vocational preparation or similar reasons, an extension beyond the above limit may be requested from the Secretary of USDHEW. [Order 1082, § 388-62-070, filed 12/24/75; Order 546, § 388-62-070, filed 3/31/71, effective 5/1/71; Regulation 26.40, filed 1/24/64.]

WAC 388-62-075 Repatriated United States citizens--Standards of assistance. (1) Temporary assistance as used herein means money payments, medical care, temporary billeting, transportation, and other goods and services necessary for the health or welfare of individuals including guidance, counseling, and other welfare services. Assistance provided to adult repatriates shall be based upon supplemental security income standards, including the state supplement. The department's standards for the aid to families with dependent children or for foster care shall be used in determining the amount of financial assistance needed for families, with such adaptation as may be necessary due to the composition of the family, and without the use of the maximum cost standards for requirements.

(2) In determining the amount necessary for current and continuing self-support, consideration shall be given to the requirements of dependents, mortgage payments on real property occupied by the recipient as his home, for life insurance premiums, and for payments on obligations including medical bills.

(3) Depending upon the circumstances relating to repatriation, assistance may be granted to individuals and families in their own homes or for their maintenance in

congregate facilities, and for board and room in hotels or private homes. Provision may also be made for

(a) Transportation to their place of residence, to their relatives, or to a place where they can be resettled. The least costly and most direct means of transportation should be used unless effective service to the individual calls for providing other accommodations. Transportation also includes travel expenses, such as meals and lodging enroute and assistance with luggage, checking, storage, or transportation of personal effects.

(b) The cost of a special diet recommended by a physician

(c) Purchase of restaurant meals

(d) Housing arrangements to provide adequate accommodations

(e) Essential clothing for an initial supply and for the maintenance and replacement of such supply

(f) Medical and hospital care which a physician considers necessary because of the condition of the individual's health. Ordinarily, medical or hospital care at the port of entry is intended for treatment of acute illness which prevents the individual from traveling to his final destination where he would be able to obtain more complete care - see WAC 388-83-045.

(g) Communication by phone or telegraph to contact relatives, friends, or former employers to obtain access to resources for self-support.

(4) If it appears that a person may need financial assistance for maintenance after he reaches his destination, the local office, in addition to supplying transportation from the port of entry, may also provide sufficient funds for maintenance until he can contact the state-local agency on arrival at his destination. If foster care is required, standards for that program are used.

(5) Within 60 days after arrival in the United States, all persons who are 65 years of age, blind or disabled, shall be referred to the Social Security administration to apply for supplemental security income benefits. Assistance from the repatriate program shall be terminated immediately upon determination of eligibility for supplemental security income benefits. [Order 969, § 388-62-075, filed 9/13/74; Order 546, § 388-62-075, filed 3/31/71, effective 5/1/71; Regulation 26.41, filed 1/24/64.]

WAC 388-62-080 Repatriated United States citizens--Resources. (1) The resources considered in an emergency shall be only those immediately accessible for use at the time financial assistance is needed. Resources may be considered to be immediately accessible when they are in existence, the value is ascertainable, they are under the control of the individual, and he can draw upon them for maintenance.

(2) An individual may have resources through the company which employed him prior to repatriation. This company or former employer may assist their employee by financing transportation costs, living expenses, medical care, etc. Eligibility for benefits and assistance under established income maintenance programs should be considered a resource and help in securing such resources should be provided as soon as possible. [Order

546, § 388-62-080, filed 3/31/71, effective 5/1/71; Regulation 26.42, filed 1/24/64.]

WAC 388-62-095 Repatriated United States citizens--Assistance payments--Types of grants. Assistance is granted in cash or in kind to the recipient or in his behalf. It may be more convenient to grant assistance in kind at the port of entry and for transportation to the place of residence or resettlement. Cash assistance when needed temporarily in the place of residence or resettlement may be more appropriate. If there is no adult to whom a money payment can be made, or when congregate or other group care is purchased, payment can be made to vendors. [Order 546, § 388-62-095, filed 3/31/71, effective 5/1/71; Regulation 26.51, filed 1/24/64.]

WAC 388-62-100 Payments of assistance--Grants. (1) Grants for repatriated U.S. nationals shall be authorized and paid by use of procedures specified for general assistance noncontinuing assistance in chapter 388-62 WAC, except when foster care is authorized.

(2) SF 4595-B or SF 4595-B(T) certification of cash noncontinuing assistance, is used to certify a cash grant. SF 2600, disbursing order, is used to authorize a vendor payment.

(3) SF 5822-G, authorization of noncontinuing assistance, shall be used to compute and authorize grants.

(4) If foster care is required, payment is authorized by county office submittal of a voucher (A 19-PA1) to the state office monthly with appropriate codes entered. SF 5822-C is not used. [Regulation 26.52, filed 1/24/64.]

WAC 388-62-115 Repatriated United States citizens--Duration of assistance. The need for assistance is expected to be temporary since most returning United States citizens will be able to develop sufficient resources for maintenance or will soon be able to manage for themselves without financial help. If necessary, assistance may be continued on a temporary basis after the individual or family arrives at the place of residence or resettlement while the agency in the state of residence or resettlement makes a more complete investigation to determine need for further assistance, the amount of assistance required and the availability of other assistance or benefits. Assistance may be continued to persons without available resources until they become self-supporting or until their eligibility is established for assistance under any other public assistance program. If assistance is needed beyond the period of reception, the local office should review the recipient's situation at frequent intervals to assure that the need for assistance continues and that no other arrangements for maintenance can be made. [Order 546, § 388-62-115, filed 3/31/71, effective 5/1/71; Regulation 26.55, filed 1/24/64.]

WAC 388-62-130 Repatriated United States citizens--Welfare services. Welfare services are all services other than financial assistance to help individuals or

families adapt to the changes in their circumstances and to become self-sustaining as quickly as possible. These services may include counseling and referral in regard to employment, re-training, care and education of children, and resettlement. Most repatriated persons will have roots somewhere in this country and therefore will want to leave the port of entry as soon as appropriate arrangements for travel can be made. [Order 546, § 388-62-130, filed 3/31/71, effective 5/1/71; Regulation 26.60, filed 1/24/64.]

WAC 388-62-135 Repatriated United States citizens—Care and protection of children. Services should be provided for the care and protection of children, including care of children in foster homes or institutions. Social services or arrangements for facilities that supplement or substitute for parental care and supervision shall be made available as needed through the child welfare services program. Such services and assistance shall conform to the department's standards for foster home, receiving home, or institutional care. Recognized child welfare practices shall be observed in protecting the welfare of an unaccompanied minor child. [Order 969, § 388-62-135, filed 9/13/74; Order 546, § 388-62-135, filed 3/31/71, effective 5/1/71; Regulation 26.61, filed 1/24/64.]

WAC 388-62-155 Repatriated United States citizens—Food stamps. Repatriated U.S. citizens may be certified for federal food coupons as noncontinuing assistance recipients, or if they receive no assistance as nonrecipients. [Order 546, § 388-62-155, filed 3/31/71, effective 5/1/71; Regulation 26.71, filed 1/24/64.]

WAC 388-62-160 Repatriated United States citizens—Work incentive program. Repatriated U.S. citizens shall not be referred to the work incentive program. [Order 546, § 388-62-160, filed 3/31/71, effective 5/1/71; Regulation 26.72, filed 1/24/64.]

WAC 388-62-165 Repatriated United States citizens—Funeral-burial expenses. An application for funeral or burial expenses for a repatriated U.S. citizen must be cleared with the department's regional administrator before payment is authorized. [Order 969, § 388-62-165, filed 9/13/74; Order 546, § 388-62-165, filed 3/31/71, effective 5/1/71; Regulation 26.73, filed 1/24/64.]

WAC 388-62-170 Repatriated United States citizens—Related social services. Social services available to public assistance recipients shall be furnished to any U.S. repatriated citizen who requests them, without regard to eligibility for financial assistance. [Order 546, § 388-62-170, filed 3/31/71, effective 5/1/71; Regulation 26.74, filed 1/24/64.]

WAC 388-62-190 Repatriated United States citizens—Safeguarding information. (1) The use of information obtained about persons who receive temporary assistance under this program must be limited to the

purpose for which information was received. This limitation applies to

(a) Information about names and addresses including lists,

(b) Information furnished on applications, reports of investigations, medical reports, correspondence, and other records concerning the condition or circumstances of any person from whom or about whom information is obtained, whether recorded or not recorded,

(2) Local office evaluations of information may be released to another agency from whom the applicant has requested services and whose objective is the protection or advancement of his welfare. The basis for this disclosure is that the request constitutes an actual or implied consent for release of relevant information to such agency and a recognition that the release is to secure services for his benefit.

(3) Disclosure should be made only to representatives of other agencies which can give assurance that

(a) The confidential character of such information will be preserved,

(b) The information will be used only for the purposes for which it is made available, and for the functioning of the inquiring agency, and

(c) The standards of protection of the inquiring agency are equal to those of the department as to staff use of information and protective office equipment and procedures. This does not preclude disclosure upon proper inquiry of information about the presence of an eligible person in a hospital, or about his general condition and progress.

(4) Inspection of lists or rolls of persons furnished assistance under this program and publication of their names if prohibited. [Order 969, § 388-62-190, filed 9/13/74; Order 546, § 388-62-190, filed 3/31/71, effective 5/1/71; Regulation 26.82, filed 1/24/64.]

WAC 388-62-200 Repatriated United States citizens—Reimbursement and assignment of claims. (1) The local office function with respect to repayment is to

(a) Explain to an applicant that repayment is expected of persons with sufficient financial ability,

(b) Determine his ability to repay,

(c) Develop a plan of repayment when possible, and

(d) Recommend whether repayment is indicated.

(2) The kind and value of resources available to the individual or family and the obligations which must be met from these resources in the future must be explored. When possible, this evaluation should be made at the time assistance is approved for the individual.

(3) The department's rules and procedures for determining eligibility and need for federal aid are to be applied in this exploration, subject to the following:

(a) Ability to repay is considered to exist when resources in excess of continuing needs can be expected to become readily available to an individual within a reasonable period of time after self-support is attained. One year may be used as a reasonable period of time. It is not intended that an individual, in repaying the federal government, deplete himself of resources which he needs to become independent or to maintain his independence.

Resources are considered readily available when they are under control of the individual and are sufficient both for this maintenance and for repayment.

(b) Real and personal property may be considered according to the department's rules as to kind and method of determining the value. Resources intended for a future contingency, such as life insurance, ordinarily would not be considered readily available for repayment.

(c) In exploring an individual's resources, any claim he has against any person, trust or estate, partnership, corporation, or government in a foreign country shall be considered. Such claims may be assigned to the United States according to section 1113 of the Social Security act in making repayment of assistance. Assignment of such claim to the United States shall be required if no other resource in excess of that necessary for maintenance is available to an individual for repayment of assistance. Assignments are governed by the law of the state in which the assignment is executed.

(d) Assistance of less than fifty dollars is impracticable for collection. Repayment ordinarily will not be sought for assistance to cover incidental small expenses, such as overnight accommodations and meals in the course of reception, if no other assistance is furnished.

(4) As soon as an individual is found financially able to repay he shall be informed of the determination and the basis for it, and to discuss his plans for repayment.

(5) On termination of assistance, the USDHEW will notify the individual of the amount paid to him or in his behalf from information furnished by the department and will request repayment. Repayment should be made by personal check, cashier's check, or money order, payable (and sent directly) to the USDHEW, Washington, D.C., with sufficient identifying information to credit the payment properly. Checks made payable to the department of social and health services should be endorsed to the USDHEW. [Order 969, § 388-62-200, filed 9/13/74; Order 546, § 388-62-200, filed 3/31/71, effective 5/1/71; Regulation 26.90, filed 1/24/64.]

such care at the receiving home rate of nine dollars and ninety-five cents per day per child.

(6) Temporary or emergency care for a child shall not exceed thirty days. After thirty days, the rate for children who remain in care in a receiving home shall be that for regular full time foster care except as authorized by the regional director. - (a) Adoption exchange. In the referrals for an Indian child, adoptive homes having the following characteristics shall be given preference in the following order, each category being allowed 30 days before proceeding to the next.

- (i) An Indian family of the same tribe as the child.
 - (ii) A Washington Indian family considering tribal cultural differences.

 - (iv) Any other family which can provide a suitable home to an Indian child, as well as instill pride and understanding in the child's tribal and cultural heritage.
- (b) Foster parent adoptions: As a part of the total evaluation for approving a foster parent adoption of an Indian child, ESSO service staff shall document the foster family's past performance and future commitment in exposing the child to its Indian tribal and cultural heritage. The child's wish to be involved in his Indian culture shall be considered.
- (c) When an Indian child, in the custody of an out of state agency, is referred for potential adoptive parents residing in Washington, documentation shall be obtained that assures the department's standards for planning for Indian children have been complied with.
- (5) Local staff shall consult with an Indian child welfare committee in planning for placement of Indian children. [Order 1167, § 388-70-450, filed 10/27/76.]

Interpretation of the statute and the philosophy of the adoption support program shall emphasize a flexible approach to subsidized adoption, focusing on the welfare of the child; rules shall not be adversely applied to the child's welfare. (2) The payment for monthly maintenance shall not exceed the monthly cost standards for foster care established by the department for the department's foster homes. The payment includes regular foster care or specialized foster care, where indicated, and clothing and personal incidentals. (See WAC 388-70-042 and 388-70-048.)

(3) If the department determines that the prospective adoptive parent(s) cannot, because of limited financial

means, pay the cost or the full cost of legal proceedings for the adoption of a hard-to-place child eligible for support under the act and these regulations, the secretary may authorize departmental participation in adoption legal fees as determined by the superior court at the adoption hearing up to two hundred dollars plus court costs for each child or family unit, unless a different arrangement has been made by the department with the family and the family's attorney.

In cases in which the attorney indicates that the fee shall be in excess of two hundred dollars plus costs, a request for departmental participation in that fee must be made to the adoption support program at least three weeks prior to the finalization of the adoption. In any case, the attorney for the adoptive parent(s) shall furnish the department with a certified copy of the decree of adoption containing the finding as to the attorney's fee and an itemized statement of all other costs of the adoption proceedings.

Criteria governing amount of payment. (1) The factors considered by the department in setting the amount of

any payment(s) shall include the size of the family including the adoptive child, the usual living expenses of the family, the special needs of any family member including his educational needs, the family income, the family resources and plan for savings, the medical care and hospitalization needed by the family and the family's means of purchasing or otherwise obtaining the care, and any other expense likely to be needed by the child to be adopted.

(2) The specific amount of support to be requested in the application shall be based on an individual social determination arrived at between the family and their caseworker. The decision as to the amount of a monthly support payment shall be based on a realistic evaluation of the child's need to live in the particular family and the cost of the living expenses of the individual family. Due to changes in the family's economic circumstances or the needs of the child, support payments may be modified or discontinued and later resumed. The monthly maintenance may increase as a child reaches different foster care age payment categories, but this must be requested by the adoptive family. [Order 1037, § 388-70-560, filed 7/29/75.]

WAC 388-70-570 Adoption support for children-- Agreement for adoption support. (3) A stipulation that the agreement must be renewed each year, with termination from the program resulting from the adoptive parents' failure to renew. [Statutory Authority: RCW 43.20A.550. 82-02-023 (Order 1744), § 388-70-570, filed 12/30/81; Order 1037, § 388-70-570, filed 7/29/75.]

WAC 388-70-580 Adoption support for children-- Review of support payment. (1) Each agreement under the act and these regulations shall be reviewed annually when any parent(s) receives more than one lump sum payment. At the time of such annual review and at other times during the year when changed conditions (including variations in medical opinions, prognosis and costs)

are deemed by the secretary to warrant such action, appropriate adjustments in the payments shall be made based upon changes in the needs of the child or in the adoptive parent's income, resources or expenses. Any modification in the support payment shall result in a new agreement signed by the parents, the program coordinator and secretary of the department.

(2) Any parent who is a party to an agreement may request in writing at any time, a review of the amount of any payment or level of continuing payments as provided in RCW 74.13.118. The review shall be initiated not later than thirty days from the receipt of the request.

(3) Any adjustment in payment may be retroactive to the date the request was received by the secretary. If the request is not acted on within thirty days after receipt by the secretary, the parent may invoke the right to a fair hearing.

(2) A hearing must be requested within thirty days of the receipt of written notice by the adoptive parents of the decision of the secretary sought to be reviewed. A request for a hearing shall be made by certified mail.

(3) All hearings held pursuant to this section shall be conducted in accordance with chapter 388-08 WAC and RCW 74.08.070 except as specifically provided in the act and these regulations. (4) Denial of an initial request for support payments and social decisions based on the appropriateness of the individual(s) to adopt a child shall not be subject to any

WAC 388-73-044 Special requirements regarding American Indians. (1) Implementation of the licensing statute will recognize the unique tribal, cultural and religious sovereignty of Indian nations, tribes and communities. The licensing of a child care agency on sovereign Indian soil shall in no way abridge the sovereignty of an Indian nation nor shall compliance with these rules and regulations be deemed to be a relinquishment of sovereign authority.

(2) For the purposes of these rules, the term "Indian" includes the following groups:

(a) An enrolled Indian:

(i) Any person who is enrolled or eligible for enrollment in a recognized tribe.

(ii) Any person determined, or eligible to be found, to be an Indian by the secretary of the interior.

(iii) An Eskimo, Aleut or other Alaskan native.

(b) A Canadian Indian: Any person who is a member of a treaty tribe, Metis community or nonstatus Indian community from Canada.

(c) An unenrolled Indian: A person considered to be an Indian by a federally or nonfederally recognized Indian tribe or urban Indian/Alaskan native community organization.

(a) Obtain a written statement from the parent or Indian custodian regarding the preference of child placement;

(b) Obtain a written statement from the parent or Indian custodian regarding the utilization of the DSHS LICWAC.

(4) When an agency has an Indian child in its caseload, the agency shall develop social service resources and staff training programs designed to meet the special needs of such children through coordination with tribal, Indian Health Service and Bureau of Indian Affairs social service staff and appropriate urban Indian and Alaskan native consultants.

(5) In addition to reports required by WAC 388-73-056, an agency shall report to a child's tribal council the serious injury or death or abandonment of an enrolled Indian child or an Indian child eligible for enrollment.

(c) An Indian family of a Washington Indian tribe of a similar culture to that tribe;

(d) Any other family which can provide a suitable home for an Indian child, such suitability to be determined through consultation with a local Indian child welfare advisory committee.

(7) When foster care or adoptive placement of a non-enrolled Indian child is planned, the Portland area office of the bureau of Indian affairs' form "family ancestry chart," or appropriate equivalent, shall be compiled. Appropriate steps shall be taken to enroll eligible children in their respective tribes.

(8) Unless contrary to the wishes of a child and/or his parent(s), agencies serving Indian children shall make efforts to recruit facilities and/or homes particularly capable of meeting the special needs of such children. Indian children shall be placed preferably in Indian foster homes or in non-Indian foster homes specifically recruited and trained to meet the special needs of Indian foster children.

(9) When an agency has an Indian child in its caseload, the agency shall have a written policy and procedures statement on legal practices which shall reflect the rights of Indian children and families based upon their unique social-legal status guaranteed by treaty and federal law.

(10) If not contrary to the wishes of a child and/or his parent(s), in the adoptive placement of Indian children adoptive homes having the following characteristics shall be given preference in the following order:

(a) An Indian family of the same tribe as the child within thirty days from the time the child is determined to be legally and otherwise ready for adoptive planning.

Attention shall be given to matching the child to an Indian family whose culture is similar to that of his natural parents, such as, Coastal, Plateau, Plains, Southwest, Woodland.

(d) Any other family who can provide a suitable home to an Indian child, as well as instill pride and understanding in the child's tribal and cultural heritage. See also (c) of this subsection.

Medicaid eligibility determinations for this group must include this factor.

(b) A member of such family continues to be employed, and

(c) The family is otherwise eligible for AFDC except for increased hours or increased income from employment.

Any subsequent OASDI cost-of-living benefit increase shall be disregarded for eligibility. For institutionalized recipients, the amount subsequently is considered in the cost of institutional care. This disregard does not apply to:

(a) New applicants (i.e., who were not receiving SSI/SSP prior to increase).

(b) Persons who were not actually receiving SSI/SSP payments for some other reason.

(c) Persons who would have received SSI/SSP if they had applied.

(d) Persons who would have received SSI/SSP if they were not living in a medical or intermediate care facility, etc.

(3) For the Title XVI related person with income, all earned and unearned exemptions allowed by SSI may be retained for personal needs. The GA-U recipient is subject to GA-U income and resource standards.

(4) If income available to the recipient is less than the CPI standard, a state payment is authorized to the recipient to meet his or her personal needs.

(5) Payment is made by the department to the facility for the difference between income available for payment on care and the cost standard of the facility. [Statutory Authority: RCW 74.08.090. 81-16-033 (Order 1685), § 388-83-036, filed 7/29/81.]

(d) Families applying for medical assistance who received AFDC in any of the four preceding months shall be allowed the thirty dollars plus one-third disregard. After receiving the thirty dollars plus one-third income disregard for a maximum of four consecutive months an individual is not eligible for the disregard again until he/she has been off assistance for twelve consecutive months.

WAC 388-87-007 Medical provider agreement. The medical care program is offered through the use of certified providers of medical services. To be certified, a provider must be licensed to provide said services, must meet the conditions of eligibility defined in WAC 388-87-005, and must submit a form to the department stating his/her intention to participate in the program according to the terms of this section. This form and participation by the provider according to the terms of this section shall constitute the agreement between the department and the provider. Certified providers shall be issued a provider number by the department which is authorization to participate in the medical care program. Providers who participate in the program by providing services to recipients of medical assistance and billing the department for such services are bound by the rules and standards set forth in this section and as issued by the department.

(1) Providers shall keep all records necessary to disclose the extent of services the provider furnishes to recipients of medical assistance.

(2) Providers shall furnish the department with any information it may request regarding payments claimed by the provider for furnishing services to recipients of medical assistance.

(3) The provider shall bill according to instructions issued by the department and accept payment for services according to the schedule of maximum allowances, the drug formulary and other applicable maximum payment levels or schedules. Such payment shall constitute complete remuneration for such services.

(4) The provider shall refund to the recipient any payment received directly from the recipient for services for which the department is responsible for payment. The department's responsibility for services provided in a retroactive period, as defined in WAC 388-80-005, is limited to cases in which the cost of the services has not been otherwise paid. However, it is appropriate, but not required, that a provider refund to a recipient any payment received in a retroactive period, if he/she later becomes eligible for medicaid on a retroactive basis. Such refund would be for services for which the department would otherwise be responsible for payment. After refunding to the recipient, the provider may bill the department. Upon receipt of a medical coupon that identifies the patient as eligible on a retroactive basis, the provider may not bill the recipient for any unpaid charges for covered services remaining from the retroactive period.

(5) Each billing invoice submitted to the department by a provider shall contain the following language and verification: "I hereby certify under penalty of perjury, that the material furnished and service rendered is a correct charge against the state of Washington; the claim is just and due; that no part of the same has been paid and I am authorized to sign for the payee; and that all goods furnished and/or services rendered have been provided without discrimination on the grounds of race, creed, color, national origin or the presence of any sensory, mental or physical handicap."

(6) Providers shall render all services without discrimination on the grounds of race, color, sex, religion, national origin, creed, marital status, or the presence of any sensory, mental or physical handicap.

(7) The department may suspend or withdraw the provider's number and authorization to participate in the medical care program upon thirty days written notice to the provider.

(8) Providers shall render all services according to the applicable sections of the Revised Code of Washington, the Washington Administrative Code, federal regulations and program instructions issued by the department.

(9) Nothing in this section shall preclude the department and any provider or provider group or association from jointly negotiating or entering into another form of written agreement for provision of medical care services to eligible recipients.

(10) The provider must meet the disclosure of ownership requirements of WAC 388-87-008. [Statutory Authority: RCW 74.08.090. 83-17-095 (Order 2007), § 388-87-007, filed 8/23/83; 83-10-077 (Order 1958), § 388-87-007, filed 5/4/83; 80-13-020 (Order 1542), § 388-87-007, filed 9/9/80.]

WAC 388-87-008 Disclosure by providers--Information on ownership and control. (1) The department

shall not approve a provider agreement or a contract and shall terminate an existing agreement or contract, if the provider fails to disclose ownership or control information as required by this section.

(2) A disclosing entity shall disclose the following information:

(a) The name and address of each person with an ownership or control interest in the disclosing entity or any subcontractor in which the disclosing entity has a direct or indirect ownership of five percent or more;

(b) Whether any of the persons named, in compliance with this subsection, is related to another as spouse, parent, child, or sibling; and

(c) The name of any other disclosing entity in which a person with an ownership or control interest in the disclosing entity also has an ownership or control interest.

(3) On request by the department the disclosing entity shall within thirty-five days submit full and complete information about:

(a) The ownership of any subcontractor with whom the provider has had business transactions totaling more than twenty-five thousand dollars during a twelve-month period ending on the date of request; and

(b) Any significant business transactions between the provider and any wholly owned supplier, or between the provider and any subcontractors, during the five-year period ending on the date of the request.

(4) The disclosing entity shall disclose the following information on persons convicted of crimes who:

(a) Has ownership or control interest in the provider, or is an agent or managing employee of the provider; and

(b) Has been convicted of a criminal offense related to that person's involvement in any program under Medicare, Medicaid, or the Title XX services program since the inception of those programs.

(5) "Disclosing entity" means a Medicaid provider (other than an individual practitioner or group of practitioners) that furnishes, or arranges for the furnishing of, health-related services for which it claims payment under any plan or program administered by the department.

(6) "Group of practitioners" means two or more health care practitioners who practice their profession at a common location (whether or not they share common facilities, common supporting staff, or common equipment).

(7) "Person with an ownership or control interest" means a person or corporation that:

(a) Has an ownership interest totalling five percent or more in a disclosing entity;

(b) Has an indirect ownership interest equal to five percent or more in a disclosing entity;

(c) Has a combination of direct and indirect ownership interests equal to five percent or more in a disclosing entity;

(d) Owns an interest of five percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least five percent of the value of the property or assets of the disclosing entity;

(e) Is an officer or director of a disclosing entity that is organized as a corporation; or

(f) Is a partner in a disclosing entity that is organized as a partnership. [Statutory Authority: RCW 74.08.090. 83-10-077 (Order 1958), § 388-87-008, filed 5/4/83.]

(1) The department shall be responsible for payment of service rendered to a recipient only when the services are within the scope of care, properly authorized and the recipient certified as eligible.

(2) The fees and rates established by the department shall constitute the maximum allowable payment for approved medical care and services provided to recipients by the providers, except as specified in chapter 388-86 WAC.

(4) Payment for any service furnished to a recipient by a provider may not be made to or through a factor who advances money to that provider for accounts receivable.

(5) The department will not be responsible for payment for medical care and goods and/or services provided to a recipient enrolled in a department-contracted, prepaid medical plan who fails to use the provider under contract unless emergency conditions exist or the department has approved payment to another provider for provision of a service not covered by the prepaid plan.

(6) The department will not be responsible for payment of that portion of medical care or services reimbursable within a reasonable time by a third-party resource available to the recipient such as health insurance coverage, casualty insurance or when medical needs result from accident or injury caused by another party. (2) Except for nonallowable revenue codes, reimbursable cost will be determined by the application of the ratio of hospital commission approved operating expense and total rate setting revenue. For all administrative days, days of hospitalization in which medical necessity is below that appropriate for acute hospital care, the departments maximum reimbursement level will be the adjusted state-wide average per diem rate for skilled nursing facilities.

(3) However, for the period February 15, 1983, through June 30, 1983, reductions in the payment rate will be applied to services provided to persons eligible for the medically indigent component of the limited casualty program and recipients of continuing general assistance. For these two eligibility groups, hospitals will be statistically clustered into groupings on their base of full-charge paying patients. A different reduction in the payment rate will be applied to each group of hospitals as follows:

Hospital Group	Percent Revenue from Full-Charge Paying Patients	Percentage Point Reduction in Payment Rate	Percent Reduction Total Rate Setting Revenue
1	40.33 or less	4.4	0.30
2	40.34 - 45.98	17.9	0.36
3	45.99 - 57.28	18.7	0.42
4	57.29 - 68.59	28.0	0.48
5	68.60 or more	20.1	0.54

(5) Payment shall not be made for a prescription ordered for an individual recipient and used to replace drugs drawn from the doctor's stock for the treatment of such recipient. WAC 388-92-043 Transfer of resources without adequate consideration. (1) This section is to implement Second Substitute House Bill No. 557 effective December 1, 1981.

(2) An individual is ineligible for Title XVI categorical medical assistance or the medically needy component of the limited casualty program for a period determined under this section if the person knowingly and wilfully assigns or transfers nonexempt resources at less than fair market value after December 1, 1981, for the purpose of qualifying or continuing to qualify for such medical care within two years preceding the date of application for such care.

(3) Definitions:

(a) "Transfer" shall mean any act or omission to act whereby title to or any interest in property is assigned, set over, or otherwise vested or allowed to vest in another person; including delivery of personal property, bills of sale, deeds, mortgages, pledges, or any other instrument conveying or relinquishing an interest in property. Transfer of title to a resource occurs by:

(i) An intentional act or transfer; or

(ii) Failure to act to preserve title to the resource.

(b) Fair market value means the reasonable value of a resource at the time of transfer or assignment.

(c) Uncompensated value means the fair market value of a resource minus the amount of compensation received in exchange for the resource.

(d) Value of compensation received means the consideration paid or agreed to be paid by the purchaser.

(4) WAC 388-28-461, 388-28-462, and 388-28-465 are incorporated by reference and apply to this section, with the exception to the reference therein to WAC 388-28-460.

(5) The voluntary transfer or assignment of resources between spouses is permitted without affecting eligibility or continued eligibility of the spouse who transfers(ed) or assigns(ed) the resources.

(6) The uncompensated fair market value of the resource assigned or transferred and the corresponding periods of ineligibility from the date of transfer are as follows:

(b) The period of ineligibility shall not include partial months.

(7) The period of ineligibility may be waived if it is determined that the application of the period of ineligibility shall cause undue hardship.

(8) A person determined to be ineligible for medical care under this section has the right to request a hearing to appeal the determination, except as modified by this section, the procedure for the hearing is chapter 388-08 WAC.

(a) At a hearing the burden of proving that the person knowingly and wilfully assigned or transferred cash or other resource(s) at less than fair market value for the purpose of qualifying or continuing to qualify for assistance is on the department and the burden of proof is a preponderance of the evidence.

(b) When the appellant is the prevailing party in the hearing, the appellant shall be awarded reasonable attorney fees.

(9) See WAC 388-81-052 for civil penalties to be applied to persons who have received nonexempt resources and did not give the recipient adequate consideration. [Statutory Authority: RCW 74.08.090. 82-23-002 (Order 1897), § 388-92-043, filed 11/4/82; 82-10-017 (Order 1776), § 388-92-043, filed 4/28/82.]

WAC 388-92-045 Excluded resources. Applicants or recipients may transfer or exchange an exempt resource. Cash received from the sale of an exempt resource is excluded provided the total amount of cash is used to replace or reinvest in another exempt resource within three months. Any remaining portion in excess of allowed resources shall be considered a nonexempt resource if the individual's eligibility continues without a break in certification. In determining the resources of an individual and spouse, if any, the following items shall be excluded up to the dollar limit, if any, as indicated:

(1) The home or the proceeds from the sale of a home, which is an excluded resource, will also be excluded to the extent that they are reinvested in the purchase of another home which is similarly excluded within three months of the date of receipt of proceeds.

(a) The home of the individual must be the individual's principal place of residence in order to be an excluded resource.

(i) Temporary absences from home including absences from home for trips, visits, and hospitalizations do not offset the home exclusion as long as the individual intends to return home.

(ii) An absence of more than six months may indicate that the home no longer serves as the principal place of residence. See WAC 388-83-140 (4)(d).

(iii) The home continues to be excluded if the individual intends to return and there is a likelihood that he/she will return.

(iv) When an institutionalized individual intends to return home, a physician's evaluation of his/her ability to return at some future time to a home setting may be used as the basis of a temporary absence determination. The evidence must be conclusive before a determination can be made that the individual is unable to return home.

(v) Transfer of a home during a temporary absence may constitute evidence that the individual no longer intends to return. Adequate consideration must be received and allocated to the individual's resources. See WAC 388-92-043, transfer of property at less than fair market value.

(b) If the home is used by a spouse or dependent relative during the individual's absence, it will continue to be considered the principal place of residence.

(2) Household goods and personal effects.

(3) An automobile will be totally excluded if it is used for employment or for the individual's medical treatment; otherwise, the current retail market value up to \$4,500, any excess to be counted against the resource limit.

(4) Property of a trade or business which is essential to the means of self-support; however, it shall not include liquid resources as defined in WAC 388-92-005 even though such liquid resource may be producing income. This property means items commonly referred to as tangible business assets such as land and buildings, equipment and supplies, inventory, cash on hand, accounts receivable, etc. The current market value shall not exceed six thousand dollars with a minimum annual rate of return of six percent.

(5) Nonbusiness property which is essential to the means of self-support. This shall include:

(a) Nonliquid (see WAC 388-92-005), nonbusiness property if it is relied upon by the individual as a significant factor in producing income on which he can live, or is used to produce goods, or provide services essential to the individual's support.

(b) Property used exclusively to produce items for home consumption provided the items are significant factors for support and maintenance of the individual.

(c) Tools, equipment, uniforms and similar items required by the individual's employer.

(d) A motor vehicle (in addition to that already excluded) which is essential because of climate, terrain, or similar factors, or special modification, and required to provide necessary transportation. The limitation on value of such vehicle is the same as (3) above.

(6) Resources of a blind or disabled individual which are necessary to fulfill an approved plan for achieving self-support for so long as such plan remains in effect.

(7) Shares of stock held in a regional or village corporation during the period of twenty years ending January 1, 1992, in which such stock is inalienable pursuant to the Alaska Native Claims Settlement Act.

(8) Life insurance owned by an individual and spouse, if any, to the extent of its cash surrender value, provided that the total face value of policies held by each individual is \$1500 or less, in which case the cash surrender value is not evaluated. If the face value of policy(ies) is over \$1500, cash surrender value must be applied to resource limitations. Term or burial insurance with no cash surrender value is not considered in determining face value.

(9) Restricted allotted land owned by an enrolled member and spouse, if any, of an Indian tribe, if such land cannot be sold, transferred or otherwise disposed of without permission of other individuals, his tribe or an agency of the federal government.

(10) Cash received from an insurance company for purposes of repairing or replacing an excluded resource that is lost, damaged, or stolen, etc., is excluded as a resource provided the total amount of the cash is used to repair or replace such excluded resource within nine months that period may be extended based on circumstances beyond the control of the applicant to a maximum of nine additional months. Any such cash not so used within such time periods is considered as an available resource.

(11) Burial spaces.

(a) The value of burial spaces for the individual, the individual's spouse or any member of the individual's immediate family.

(b) Burial spaces shall include conventional gravesites, crypts, mausoleums, urns, and other repositories which are customarily and traditionally used for the remains of deceased persons.

(c) For purposes of this subsection immediate family means an individual's minor and adult children, including adopted children and step-children; an individual's brothers, sisters, parents, adoptive parents, and the spouses of those individuals. Neither dependency nor living-in-the-same-household will be a factor in determining whether a person is an immediate family member.

(12) Funds set aside for burial expenses.

(a) Funds specifically set aside for the burial arrangements of an individual or the individual's spouse not to exceed \$1,500 each.

(b) This exclusion applies if the inclusion of any portion of such amount would cause the resources of the individual (or spouse, if any) to exceed the limits specified in WAC 388-92-050.

(c) Funds set aside for burial expenses must be kept separate from other resources not set aside for burial. If such funds are mixed with other resources not intended for burial, the exclusion will not apply to any portion of the funds and will be treated as nonexcluded resources.

(d) Funds set aside for burial includes revocable burial contract, burial trust, or other burial arrangement or any other separately identifiable fund which is clearly designated as set aside for the individual's (or spouse's, if any) burial expenses.

(e) The \$1,500 exclusion must be reduced by the face value of insurance policies on the life of an individual owned by the individual or spouse if the cash surrender value of those policies has been excluded as provided in subsection (8) of this section and amounts in an irrevocable trust.

(f) Interest earned on excluded burial funds and appreciation on the value of excluded burial arrangements are excluded from resources if left to accumulate and become a part of the separately identifiable burial fund.

(g) Burial funds used for other purposes. Funds or interest earned on funds and appreciation in the value of burial arrangements which have been excluded from resources because they are burial funds must be used solely for that purpose. If any excluded funds, interest or appreciated values set aside for burial expenses are used for a purpose other than the burial arrangements of the individual or the individual's spouse for whom the funds were set aside, future medical assistance benefits of the individual (or the individual and individual's spouse) will be reduced by an amount equal to the amount of burial funds, interest or appreciated value used for other purpose.

(13) Other resources excluded by federal statute. [Statutory Authority: RCW 74.08.090, 83-10-077 (Order 1958), § 388-92-045, filed 5/4/83; 82-24-069 (Order 1916), § 388-92-045, filed 12/1/82; 82-10-062 (Order 1801), § 388-92-045, filed 5/5/82; 82-01-001

WAC 388-92-050 Limitation of resources. The total value of resources allowed and not otherwise excluded shall not exceed \$1,500 for a single individual or \$2,250 for a couple. WAC 388-93-005 Definitions. A "grandfathered" recipient of Title XIX is an individual who

(1) Had been determined eligible for nongrant and medical assistance related to old age assistance (OAA), aid to the blind (AB), or disability assistance (DA) as of December 31, 1973, and

(2) Continues to satisfy the criteria for the related categories as defined in WAC 388-93-020 or 388-93-025, and

(3) Meets the financial standards as defined in WAC 388-93-040 through 388-93-055, and

(4) Has a medical need. [Order 996, § 388-93-005, filed 12/31/74.]

WAC 388-93-010 Description of program. The department shall provide medical assistance within the limitations set forth in these rules and regulations to an individual who is a grandfathered recipient as defined in WAC 388-93-005. [Order 996, § 388-93-010, filed 12/31/74.]

WAC 388-93-015 Eligibility—General. (1) There is no requirement of citizenship imposed as a condition of eligibility for benefits under the medical care program.

(2) Residence – see WAC 388-83-025.

(3) Medical need – The grandfathered recipient must have a medical need to remain eligible for medical assistance under Title XIX of the social security act. For example, disability per se does not constitute a medical need; treatment of disability does.

(4) To continue to be eligible the grandfathered recipient shall be

(a) Age 65 or older, or

(b) Disabled as defined in WAC 388-93-025, or

(c) Blind as defined in WAC 388-93-020 and not publicly soliciting alms by wearing, carrying or exhibiting signs denoting blindness, carrying receptacles for the reception of alms or doing the same by proxy or by begging.

(i) It shall be assumed that a blind person is not soliciting alms unless there is evidence to the contrary. [Statutory Authority: RCW 74.08.090. 83-10-077 (Order 1958), § 388-93-015, filed 5/4/83; Order 996, § 388-93-015, filed 12/31/74.]

WAC 388-93-020 Eligibility—Blindness defined. Blindness is defined in terms of ophthalmic measurements as

(1) Central visual acuity of 20/200 or less in the better eye with the best possible corrective glasses, or

(2) Contraction of the peripheral field of vision to within twenty degrees of the fixation point in all quadrants as determined by standard perimetric testing, or

(3) Muscle function, measured in all parts of the motor field and charted upon 20 rectangles, 4 x 5 degrees in size, equal to 18/20 binocular or monocular. [Order 996, § 388-93-020, filed 12/31/74.]

WAC 388-93-025 Eligibility—Permanently and totally disabled defined. (1) In general, "permanently and totally disabled" means that the individual has some permanent physical or mental impairment, disease or loss that substantially precludes him from engaging in a useful occupation within his competence, such as holding a substantially gainful job or homemaking. The impairment may be physical or mental, organic or functional, and of such degree as to interfere with the individual's faculties, such as senses, reasoning, mobility. It may exist from birth, be acquired during the lifetime of the individual, or result from accident. It may be obvious, such as loss of a limb, or it may be such that it can be revealed only by medical examination. It may exist singly or in combinations.

(2) The term "permanently disabled" refers to the existence of a physiological, anatomical, emotional and/or mental impairment verified by medical findings, which is of major importance, and is a condition not likely to improve, but will continue throughout the lifetime of the individual. Any condition which is considered by the medical reviewer as not likely to respond to any known therapeutic procedure shall be deemed to be a permanent impairment. Furthermore, any condition which is

considered as likely to remain static or to become worse unless certain therapeutic measures are carried out shall be deemed to be permanent so long as treatment is unavailable, inadvisable, or the individual refuses treatment and his decision is reasonable – see WAC 388-93-030.

(a) Decision that an impairment is permanent can be made even though recovery from the impairment is possible. The discovery of new drugs or other advances in medical treatment is always a potential which may change a permanent "situation"; pending the actual physical improvement, the classification is proper. Therefore, the term "permanent" need not be everlasting or unchangeable, but is used in the sense of continuing indefinitely as distinct from temporary or transient.

(b) A physician's medical report must be used to establish the existence of an impairment and its permanency.

(3) The term "totally disabled" refers to an individual's ability to perform those activities necessary to carry out specified responsibilities such as those necessary to employment or homemaking. Totality involves considerations in addition to those verified through the medical findings such as age, training, skills and work experience, and the functioning of the individual in his particular situation in light of his impairment. Such social data will describe the individual's education and work history, the activities required of him in his home or in his job, living conditions, interests, his capacity and limitations, and the extent to which he has adjusted to his impairment.

(a) Job training may enable a permanently and totally disabled person to acquire a new skill in spite of his impairment. However, during a reasonable period of training and until he acquires job competence, he continues to be totally disabled.

(b) The social summary must show how the person reacts in social situations in order to illustrate that his disability substantially precludes him from engaging in employment or homemaking in the foreseeable future. The social worker carries the major responsibility for providing the state office review team with the recorded objective social information bearing on the totality factor.

(4) The term "substantially precludes" relates to the extent to which an individual's permanent impairment has left him unable to engage in those activities necessary to carry on specified responsibilities such as employment and homemaking. If an individual is able to perform such activities well enough and with sufficient regularity to receive substantial payment for his effort or to carry on homemaking responsibilities on a continuing basis, he is not considered as precluded from engaging in "useful occupations" and cannot be found to be permanently and totally disabled.

(5) The term "useful occupations" means productive activities which add to the economic wealth, or produce goods or services to which the public attaches a money value. However, the person whose impairment is so severe that it results in his being unable to leave his bed, leave his home or maintain body hygiene without help of another person, and for whom the assumption would

commonly be made that he could not engage in any useful occupation, but in fact, through supreme effort he does some work shall have his ability evaluated in light of

(a) The extent to which sympathy or compassion enters into the opportunity to engage in remunerative work. In other words, is the individual able to do something because family, friends, or neighbors help more than is usual — for example, running errands, bringing him materials, "engineering" the job, helping devise and create special tools, creating a market based more on sympathy than intrinsic value received, selling through church or other organization without charging the usual commission, etc., and

(b) The extent to which the energy which must be discharged by the person is far beyond that which is ordinarily required for that activity. For example, does it take him six or seven hours to do what most workers could do in an hour?

(c) If through careful consideration of such facts, in addition to the medical and social reports, it can be reasonably concluded that this individual is doing more than can ordinarily be expected from individuals with the impairments of similar severity, but his activity is not substantially gainful, a finding of permanent and total disability may be reached.

(6) The term "homemaking" involves the ability to carry the home management and decision making responsibilities and provide essential services within the home for at least one person in addition to oneself. This may be either a man or a woman. If homemaking is such that children are neglected or the other person receives practically no benefit from her efforts, these facts should be clearly shown in the social summary. If she must have the help of other persons to complete the essential household tasks, it may be shown that she is not actually able to perform as a homemaker. The following activities are important to successful performance of the occupation of homemaking – shopping for food and supplies; planning and preparing meals; washing dishes; cleaning house; making beds; washing and ironing clothes and, if the care of young children is within the homemaking responsibility – lifting and carrying infants; bathing and dressing young children; training and supervising children; accompanying children to community activities and to sources of medical care.

A finding that a person is unable to perform the occupation of homemaking would require that the individual is unable to perform a significant combination or grouping of these activities because of his permanent impairment. When homemaking is the responsibility of the applicant, determination shall be made as to whether a permanent impairment prevents the applicant from totally meeting such responsibility.

(7) Special emotional problems

(a) Alcoholism. For alcoholism to be considered permanently and totally disabling, since there is such variation in the severity of alcoholism, at least one of the following criteria are required for approval of permanent and total disability:

(i) Evidence that a pathological or demonstrable organic damage has resulted from chronic alcoholism, such as neuritis or cirrhosis of the liver;

(ii) Evidence that the alcoholism has reached the addiction state as shown by marked ethical deterioration, the obsessive character of the drinking, the approaching loss of alcohol tolerance, prolonged bouts, and a breakdown of the rationalization pattern;

(iii) A history of several years of excessive drinking to the extent that it has adversely affected his interpersonal relationships and his social and economic functioning — loss of employment and inability to sustain employment because of excessive drinking.

(b) Personality inadequacy. Even though the medical report does not show a physical ailment which of itself is permanently disabling, a person may be found to be permanently and totally disabled if the medical or psychiatric report together with the social report supplemented with a psychological report, if indicated, shows an extended history of a combination of personality problems, character disorders or social inadequacies including unusual behavior, which prevents the person from making the adjustment required for an employable person or a homemaker.

(i) This would include the person whose responses to his environment are habitually inadequate and who seems to have limited or no voluntary control over his reactions. The symptoms of this emotionally unstable personality usually are demonstrated in antisocial or unconventional behavior of one kind or another, for example, drug addiction or alcoholism. The person does not get along with other people and may break many of society's rules. Most of these persons have had one difficulty after another since childhood with the typical lack of awareness and lack of remorse that is associated with this kind of behavior. The repetitive nature of their problems coupled with the lack of motivation for change produces an individual whose pattern provides a serious permanent impairment that can be totally disabling. Examples of this kind of personality inadequacy might be

(A) a patient returning from a mental hospital who is no longer psychotic but whose behavior would be unacceptable to a prospective employer or to his family;

(B) The person who has never been able to hold a job due to a pattern of emotional instability, or other unusual behavior which shows that the individual is unable, for an extended period, to substantially engage in any gainful occupation or homemaking;

(C) Drug addiction over an extended period of time.

(ii) In all cases of personality inadequacy, the reports specified in subsection (7)(b) are required. [Order 996, § 388-93-025, filed 12/31/74.]

WAC 388-93-030 Refusal of disabled recipient to accept available and recommended medical treatment—Effect on eligibility. (1) A disabled recipient who refuses without good cause to accept available medical treatment which can reasonably be expected to render him able to work or do homemaking shall become ineligible.

(2) "Available medical treatment" shall mean and include medical, surgical, or psychiatric therapy, or any combination thereof.

(3) "Reasonably be expected to render him able to work or do homemaking" shall mean that, in the opinion of the state office review team, the recommended medical, surgical, or psychiatric therapy or any combination thereof, is of such a nature and prognosis that, in the specific instance of the individual involved, medical experience indicates that the recommended treatment will restore or substantially improve the individual's ability to work for pay in a regular and predictable manner or to engage in homemaking.

(4) For the purposes of this section, a recipient has good cause to refuse recommended medical treatment when, according to the best objective judgment of the state office review team, such refusal is based upon one or more of the following conditions:

(a) The individual is genuinely fearful of undergoing recommended treatment. Such fear may appear to be unrealistic, or entirely emotional in origin, or irrational; however, fear exists in such a degree that treatment would be adversely affected and the doctor may therefore be dubious about undertaking to treat the individual, or

(b) The individual could lose a faculty, or the remaining use of faculty he now has, and refuses to accept the risk, or

(c) Because of his definitely stated religious scruples, the individual will not accept recommended medical treatment.

(5) The controlling principle in determining whether refusal was for or without good cause rests with the state office review team which will be guided by whether a reasonable, prudent man under similar circumstances would accept the recommended treatment. The determination will be made only after considering all social and medical evidence, including that furnished by the individual himself, who will be provided with an opportunity to set forth in writing his objective reasons for declining recommended treatment. A determination that a refusal to accept treatment is without good cause is a decision which the recipient may appeal according to chapter 388-08 WAC. [Order 996, § 388-93-030, filed 12/31/74.]

WAC 388-93-035 Refusal of disabled recipient to accept available and recommended medical treatment—Review for disability or blindness. (1) The grandfathered recipient's blindness or permanent and total disability shall be reviewed when a significant change has occurred.

(2) If a change in blindness has occurred, an eye examination shall be secured from an ophthalmologist or optometrist and evaluated by the department's ophthalmological consultant. The ophthalmological consultant shall determine and certify whether legal blindness continues to exist.

(3) If a change in disability has occurred, a medical examination shall be secured. The medical reports shall be evaluated by the office of personal health services to

determine whether permanent and total disability continues to exist. [Statutory Authority: RCW 74.08.090. 83-10-077 (Order 1958), § 388-93-035, filed 5/4/83; Order 996, § 388-93-035, filed 12/31/74.]

WAC 388-93-040 Computation of available income.

(1) Income and net income shall be as defined in WAC 388-22-030. Total income of a beneficiary of supplementary security income is not considered an available resource except for institutionalized recipients.

(2) To arrive at available income, the following items shall be deducted from net income:

(a) Support payments being paid by the recipient under court order;

(b) Special nonmedical needs, such as payment to a wage earner's plan (specified by the court in a bankruptcy proceeding), or previously contracted major household repairs if failure to make such payments would result in garnishment of wages or loss of employment;

(c) Tax rebates or special payments exempted by federal regulations and publicized by numbered memoranda from the state office.

(3) The exempt earned income shall be:

(2) Income and resources are considered jointly for spouses who live together in a common household and blind or disabled children who live with their parent(s). Income and resources are considered separately when spouses and/or children and parents cease to live together. Income and resources are considered mutually available:

(a) For the first six months after the month they cease to live together where both spouses apply as SSI related (aged, blind or disabled) for eligibility, if eligible then consider separately;

(b) For the month of separation where only one spouse applies as SSI related (aged, blind or disabled), or where blind or disabled children are separated from parents.

(3) For SSI related individuals, age eighteen to twenty-one, parents' income is not deemed available.

(4) For SSI related individuals under age eighteen, parents' income is deemed available when living in the same household.

(5) When the spouse of an SSI related applicant is ineligible or does not apply, the exclusions in subsections (6) and (8) of this section, shall be applied to his/her income in determining the amount to be deemed to the applicant. If the remaining income of the ineligible spouse exceeds the monthly state supplement benefit standard all the remaining income shall be deemed to the applicant.

(6) Exclusions from income. The following shall be excluded sequentially from income:

(a) Any amount received from any public agency as a return or refund of taxes paid on real property or on food purchased by such individual or spouse;

(b) State public assistance based on financial need;

(c) Any portion of any grant, scholarship, or fellowship received for use in paying the cost of tuition and fees at any educational institution;

(d) Income that is not reasonably anticipated, or received infrequently or irregularly, if such income does not exceed twenty dollars per month if unearned, or ten dollars per month if earned;

(e) Any amounts received for the foster care of a child, who is not an eligible individual, but who is living in the same house as such individual and was placed in

such home by a public or nonprofit private child-placement or child-care agency;

The exclusion is considered only once for a husband and wife. There is no exclusion on income which is paid on the basis of need of the eligible individual, such as VA pension and cash from private charitable organizations;

(h) Tax exempt payments received by Alaska natives under the Alaska Native Claims Settlement Act;

(i) Tax rebates or special payments excluded by other statutes. When necessary these exclusions will be publicized by numbered memoranda from the state office;

(j) Compensation provided to volunteers in ACTION programs established by Public Law 93-113, the Domestic Volunteer Service Act of 1973;

(k) When an ineligible minor is in the household of an SSI applicant, an amount will be excluded for such child's needs. The exclusions will be the difference between the SSI couple cash benefit and the SSI individual cash benefit;

(l) Veteran's aid and attendance allowance is to be excluded in determining financial eligibility.

(i) If the sum is paid to a spouse, it is considered that individual's earned income and may be deemed to the applicant.

(ii) For institutionalized applicants, the amount subsequently is considered in the cost of institutional care.

(m) A fee charged by a guardian to reimburse himself or herself for services provided is not considered available to the individual and is not treated as income.

(n) Income received by an ineligible or nonapplying spouse from a governmental agency for services provided to an eligible recipient (e.g. chore services).

(7) An ineligible or nonapplying individual under the age of twenty-one who is a student regularly attending a school, college or university or pursuing a course of vocational or technical training designed to prepare him for gainful employment will have all earned income excluded unless that income is actually contributed to the applicant.

[Statutory Authority: RCW 74.08.090. 83-12-059 (Order 1964), § 388-95-340, filed 6/1/83.]

rehabilitative program designed to prepare the individual for less restrictive placement. The total amount of wages received plus the personal needs allowance may not exceed the one person medically needy income level. There are no deductions for expenses of employment. When the total amount of wages received plus the initial personal needs allowance exceeds the one person medically needy income level, the excess wages are applied to the cost of care.

(a) Maintenance needs of spouse not to exceed the one person medically needy income level;

(b) Maintenance needs of family adjusted for number of family members living at home, but not to exceed highest payment standard for a family of same size under AFDC;

(c) Amounts for incurred medical expenses not subject to third-party payment including but not limited to:

(i) Health insurance premiums, co-insurance or deductible charges;

(ii) Necessary medical care recognized under state law but not covered under Medicaid;

(d) For a single person, maintenance of the home where the individual has been certified by a physician to need institutional care for no more than six consecutive months. See WAC 388-95-380 (1)(a)(iv);

(i) Income thus exempted must be used to retain the independent living situation of an individual with no dependents through payment of such requirements as rent or mortgages, real estate taxes, insurance, gas, electricity, oil, water or sewer necessary to maintain the home. Also see chapter 388-28 WAC;

(ii) Up to one hundred eighty dollars per month may be exempted from the individual's actual income based on the verified actual cost to retain the home during six consecutive months;

(iii) The six-month period begins on the first of the month following date of admission for Medicaid eligible recipients or the date of eligibility for individuals changing from private to Medicaid, and ceases when the patient is discharged to an independent living arrangement or at the end of six months if the recipient has not been discharged;

(iv) CSO social service staff shall document initial need for the income exemption and review the individual's circumstances after ninety days. Also see chapter 388-28 WAC.

(5) Income remaining in subsections (1), (2), (3) or (4) of this section, will be used to compute payment of the participation amount (that income remaining after allocation of income) at the department rate. WAC 388-95-380 Excluded resources. Applicants or recipients may transfer or exchange an exempt resource. Cash received from the sale of an exempt resource is excluded provided the total amount of cash is used to replace or reinvest in another exempt resource within three months. Any remaining portion in excess of allowed resources shall be considered a nonexempt resource if the individual's eligibility continues without a break in certification. In determining the resources of an individual and spouse, if any, the following items shall be excluded up to the dollar limit, if any, as indicated:

(1) The home or the proceeds from the sale of a home, which is an excluded resource, will also be excluded to the extent that they are re-invested in the purchase of another home which is similarly excluded within three months of the date of receipt of proceeds.

(a) The home of the individual must be the individual's principal place of residence in order to be an excluded resource.

(i) Temporary absences from home including absences from home for trips, visits, and hospitalizations do not offset the home exclusion as long as the individual intends to return home.

(ii) An absence of more than six months may indicate that the home no longer serves as the principal place of residence. See WAC 388-95-360 (4)(d).

(iii) The home continues to be excluded if the individual intends to return and there is a likelihood that he/she will return.

(iv) When an institutionalized individual intends to return home, a physician's evaluation of his/her ability to return at some future time to a home setting may be used as the basis of a temporary absence determination. The evidence must be conclusive before a determination can be made that the individual is unable to return home.

(v) Transfer of a home during a temporary absence may constitute evidence that the individual no longer intends to return. Adequate consideration must be received and allocated to the individual's resources. See WAC 388-92-043, transfer of property at less than fair market value.

(b) If the home is used by a spouse or dependent relative during the individual's absence, it will continue to be considered the principal place of residence.

(2) Household goods and personal effects.

(3) An automobile will be totally excluded if it is used for employment or for the individual's medical treatment; otherwise, the current retail market value up to \$4,500, any excess to be counted against the resource limit.

(4) Property of a trade or business which is essential to the means of self-support; however, it shall not include liquid resources as defined in WAC 388-92-005 even though such liquid resource may be producing income. This property means items commonly referred to as tangible business assets such as land and buildings, equipment and supplies, inventory, cash on hand, accounts receivable, etc. The current market value shall not exceed six thousand dollars with a minimum annual rate of return of six percent.

(5) Nonbusiness property which is essential to the means of self-support. This shall include:

(a) Nonliquid (see WAC 388-92-005), nonbusiness property if it is relied upon by the individual as a significant factor in producing income on which he can live, or is used to produce goods, or provide services essential to the individual's support.

(b) Property used exclusively to produce items for home consumption provided the items are significant factors for support and maintenance of the individual.

(c) Tools, equipment, uniforms and similar items required by the individual's employer.

(d) A motor vehicle (in addition to that already excluded) which is essential because of climate, terrain, or similar factors, or special modification, and required to provide necessary transportation. The limitation on value of such vehicle is the same as in subsection (3) of this section.

(6) Resources of a blind or disabled individual which are necessary to fulfill an approved plan for achieving self-support for so long as such plan remains in effect.

(7) Shares of stock held in a regional or village corporation during the period of twenty years ending January 1, 1992, in which such stock is inalienable pursuant to the Alaska Native Claims Settlement Act.

(8) Life insurance owned by an individual and spouse, if any, to the extent of its cash surrender value, provided that the total face value of policies held by each individual is \$1500 or less, in which case the cash surrender value is not evaluated. If the face value of policy(ies) is over \$1500, cash surrender value must be applied to resource limitations. Term or burial insurance with no cash surrender value is not considered in determining face value.

(9) Restricted allotted land owned by an enrolled member and spouse, if any, of an Indian tribe, if such land cannot be sold, transferred or otherwise disposed of without permission of other individuals, his tribe or an agency of the federal government.

(10) Cash received from an insurance company for purposes of repairing or replacing an excluded resource that is lost, damaged, or stolen, etc., is excluded as a resource provided the total amount of the cash is used to repair or replace such excluded resource within nine months that period may be extended based on circumstances beyond the control of the applicant to a maximum of nine additional months. Any such cash not so used within such time periods is considered as an available resource.

(11) Burial spaces.

(a) The value of burial spaces for the individual, the individual's spouse or any member of the individual's immediate family.

(b) Burial spaces shall include conventional gravesites, crypts, mausoleums, urns, and other repositories which are customarily and traditionally used for the remains of deceased persons.

(c) For purposes of this subsection immediate family means an individual's minor and adult children, including adopted children and step-children; an individual's

brothers, sisters, parents, adoptive parents, and the spouses of those individuals. Neither dependency nor living-in-the-same-household will be a factor in determining whether a person is an immediate family member.

(12) Funds set aside for burial expenses.

(a) Funds specifically set aside for the burial arrangements of an individual or the individual's spouse not to exceed \$1,500 each.

(b) This exclusion applies if the inclusion of any portion of such amount would cause the resources of the individual (or spouse, if any) to exceed the limits specified in WAC 388-95-390.

(c) Funds set aside for burial expenses must be kept separate from other resources not set aside for burial. If such funds are mixed with other resources not intended for burial, the exclusion will not apply to any portion of the funds and will be treated as nonexcluded resources.

(d) Funds set aside for burial includes revocable burial contract, burial trust, or other burial arrangement or any other separately identifiable fund which is clearly designated as set aside for the individual's (or spouse's, if any) burial expenses.

(e) The \$1,500 exclusion must be reduced by the face value of insurance policies on the life of an individual owned by the individual or spouse if the cash surrender value of those policies has been excluded as provided in subsection (8) of this section and amounts in an irrevocable trust.

(f) Interest earned on excluded burial funds and appreciation on the value of excluded burial arrangements are excluded from resources if left to accumulate and become a part of the separately identifiable burial fund.

(g) Burial funds used for other purposes. Funds or interest earned on funds and appreciation in the value of burial arrangements which have been excluded from resources because they are burial funds must be used solely for that purpose. If any excluded funds, interest or appreciated values set aside for burial expenses are used for a purpose other than the burial arrangements of the individual or the individual's spouse for whom the funds were set aside, future medical assistance benefits of the individual (or the individual and individual's spouse) will be reduced by an amount equal to the amount of burial funds, interest or appreciated value used for other purposes.

(13) Other resources excluded by federal statute. [Statutory Authority: RCW 74.08.090. 83-12-059 (Order 1964), § 388-95-380, filed 6/1/83.]

WAC 388-95-390 Limitation of resources. The total value of resources allowed and not otherwise excluded shall not exceed \$1,500 for a single individual or \$2,250 for a couple. [Statutory Authority: RCW 74.08.090. 83-12-059 (Order 1964), § 388-95-390, filed 6/1/83.]

WAC 388-95-400 Medically needy--Eligibility determination--Institutional. (1) Individuals are considered institutionalized if they reside in a medical facility at least a full calendar month.

(a) SSI/state supplement-related individuals in medical facilities are medically needy if their gross income exceeds three hundred percent of the SSI benefit (SSI cap). AFDC-related individuals in medical facilities are medically needy if countable income exceeds the one-person AFDC grant standard.

(b) Determination of countable income. Countable income of a medically needy applicant residing in a nursing home is determined by deducting the following amounts from gross income:

(i) Amounts that would be deducted in determining either AFDC eligibility or for aged, blind, and disabled persons, amounts that would be deducted in determining eligibility for the state supplementary payment.

(ii) Previously incurred medical expenses that are not subject to third party payment and which are the current liability of the applicant.

(c) Medically needy nursing home residents will be determined eligible if their countable income is less than department's contracted rate plus verifiable recurring medical expenses. These individuals will participate in the cost of their nursing home care. Once it is established that an applicant meets the medically needy financial eligibility, see WAC 388-95-360 for post-eligibility allocation of income.

(d) Applicants for the medically needy program with countable income above the private nursing home rate plus verifiable recurring medical expenses are ineligible.

(e) Individuals with countable incomes below the private nursing home rate plus recurring medical expenses, but above the department's contracted rate plus medical expenses, will have eligibility determined as follows:

(i) Such applicants will be certified eligible for nursing home care. See WAC 388-95-360 for post-eligibility allocation of income.

(ii) Eligibility for nonnursing home medical care will require spending-down of all income remaining after allocating income, per (i) above. Coupons will be issued only when spend-down has been met.

(iii) Certification for nursing home care for such individuals shall be on a three-month basis. Spend-down of nonnursing home medical expenses will be on a three-month basis.

(f) Absence of not more than fourteen consecutive days from an institutional living arrangement would not interrupt an individual's institutional status.

(i) A transfer between institutions does not change institutional status.

(ii) A transfer from a hospital to a nursing home and discharge within the same calendar month is not continuous institutional status.

(2) Use other SSI financial criteria for consideration of resources as defined in WAC 388-95-380 and 388-95-390.

(3) Individuals who reside in a medical facility less than a full calendar month shall have their eligibility determined as for a noninstitutionalized person for that month. [Statutory Authority: RCW 74.08.090, 83-12-059 (Order 1964), § 388-95-400, filed 6/1/83. Formerly WAC 388-99-045.]

If a contractor maintains records utilizing a chart of accounts other than that established by the department, the contractor shall provide

to the department a written schedule which specifies the way in which the contractor's individual account numbers correspond to the department's chart of accounts. Records shall be available for review by authorized personnel of the department and of the United States Department of Health and Human Services during normal business hours at a location in the state of Washington specified by the contractor.

(6) If a contractor fails to maintain records adequate for audit purposes as provided in subsection (5) of this section or fails to allow inspection of such records by authorized personnel as provided in subsection (5) of this section, the department may suspend all or part of subsequent reimbursement payments due under the contract until compliance is forthcoming. Upon compliance, the department shall resume current contract payments and shall release payments suspended pursuant to subsection (6) of this section. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-113, filed 9/16/83; 83-05-007 (Order 1944), § 388-96-113, filed 2/4/83; 82-11-065 (Order 1808), § 388-96-113, filed 5/14/82; 80-09-083 (Order 1527), § 388-96-113, filed 7/22/80; Order 1262, § 388-96-113, filed 12/30/77.]

WAC 388-96-117 Certification requirement. Each required report shall be accompanied by a certification signed on behalf of the contractor which was responsible to the department during the report period. If the contractor files a federal income tax return, the certification shall be executed by the person who normally signs this return. The certification shall also be signed by the licensed administrator of the nursing home. If the report is prepared by someone other than an employee of the contractor, a separate statement shall be included with the certification signed by the individual preparing the report and indicating his or her status with the contractor. [Order 1262, § 388-96-117, filed 12/30/77.]

WAC 388-96-119 Reports--False information. (1) If a contractor knowingly or with reason to know files a report containing false information, such action constitutes cause for termination of its contract with the department.

(2) Adjustments to reimbursement rates required because a false report was filed will be made in accordance with WAC 388-96-769.

(3) Contractors filing false reports may be referred for prosecution under applicable statutes. [Order 1262, § 388-96-119, filed 12/30/77.]

WAC 388-96-122 Amendments to reports. (1) For purposes of computing a settlement, an amendment to an annual report shall be filed if significant errors or omissions are discovered prior to the commencement of the department's field audit. Errors or omissions shall be deemed "significant" if the errors or omissions would mean a net difference of two cents or more per patient day or one thousand dollars or more in reported costs, whichever is higher, in any cost area. To file an amendment, only those pages where changes appear need to be

filed, together with the certification required by WAC 388-96-117.

(2) If an amendment is filed, a contractor shall also submit with the amendment an account of the circumstances relating to and the reasons for the amendment, along with supporting documentation. The department may refuse to consider an amendment resulting in a more favorable settlement to a contractor if the amendment is not the result of circumstances beyond the control of the contractor or the result of good-faith error under the system of cost allocation and accounting in effect during the reporting period in question. Amendments may be submitted for purposes of adjusting reimbursement rates in accordance with WAC 388-96-769; however, use in this regard does not mean an amendment will be used for settlement purposes in the absence of conditions specified in this subsection.

(3) Acceptance or use by the department of an amendment to a cost report shall in no way be construed as a release of applicable civil or criminal liability. [Statutory Authority: RCW 74.09.120. 82-11-065 (Order 1808), § 388-96-122, filed 5/14/82; 79-03-021 (Order 1370), § 388-96-122, filed 2/21/79; Order 1262, § 388-96-122, filed 12/30/77.]

WAC 388-96-128 Requirements for retention of records by the contractor. All financial and statistical data supporting the required reports shall be retained for a period of four years subsequent to filing at a location in the state of Washington specified by the contractor. If at the end of four years there are unresolved audit questions, the records shall be retained until these questions are resolved. All such data shall be made available upon demand to authorized representatives of the department and of the United States Department of Health and Human Services. When a contract is terminated, final settlement will not be made and all payments due will be withheld until accessibility to and preservation of the records within the state of Washington are assured. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-128, filed 9/16/83; Order 1262, § 388-96-128, filed 12/30/77.]

WAC 388-96-131 Requirement for retention of reports by the department. The department will retain each required report for a period of four years following the date the report was submitted. If at the end of four years there are unresolved audit questions, the report will be retained until such questions are resolved. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-131, filed 9/16/83; Order 1262, § 388-96-131, filed 12/30/77.]

WAC 388-96-134 Disclosure of nursing home reports. (1) Cost reports and final audit reports will be made available for public disclosure. Financial statements, schedules summarizing adjustments to cost reports, reports or reviews of internal control and accounting procedures, and letters containing comments or recommendations relating to suggested improvements

in internal control or accounting procedures shall be exempt from public disclosure.

(2) Whether or not subject to public disclosure all documents shall be provided by the secretary, upon written request, to the legislature and to state agencies or state and local law enforcement officials who have an official interest in the requested documents. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-134, filed 9/16/83; Order 1262, § 388-96-134, filed 12/30/77.]

WAC 388-96-204 Field audits. (1) All cost reports for calendar year 1982 shall be field audited by the department.

(2) Cost reports for years subsequent to 1982 may be field audited by auditors employed by or under contract with the department.

(3) Beginning with cost reports for calendar year 1983, facilities selected for audit shall be notified within one hundred twenty days after submission of a complete and correct cost report of the department's intent to audit. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-204, filed 9/16/83; Order 1262, § 388-96-204, filed 12/30/77.]

WAC 388-96-207 Preparation for audit by the contractor. (1) The department will notify the contractor at least ten working days in advance of a field audit.

(2) The contractor shall provide the auditors with access to the nursing home and to all financial statements, reports, and schedules, including those pertaining to the filing of income taxes, and all such other financial and statistical records and work papers supporting the data in the cost report or relating to patient trust funds. Such records shall be made available at a location in the state of Washington specified by the contractor.

(3) The contractor shall reconcile reported data with applicable federal income and payroll tax returns and with the financial statement as of the end of the period covered by the report. Such reconciliation shall be in suitable form for verification by the auditors.

(4) The contractor shall designate and make available one or more individuals familiar with the internal operations of a facility being audited in order to respond to questions and requests for information and documentation from auditors. If the individual or individuals designated cannot answer all questions and respond to all requests, an alternate individual with sufficient knowledge and access to records and information must be provided by the contractor. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-207, filed 9/16/83; Order 1262, § 388-96-207, filed 12/30/77.]

WAC 388-96-210 Scope of field audits. (1) Auditors will review the contractor's record-keeping and accounting practices and, where appropriate, make written recommendations for improvements.

(2) The audit will result in a schedule summarizing adjustments to the contractor's cost report whether such adjustments eliminate costs reported or include costs not

reported. These adjustments shall include an explanation for the adjustment, the general ledger account or account group, and the dollar amount. Auditors will examine the contractor's financial and statistical records to verify that:

(a) Supporting records are in agreement with reported data;

(b) Only those assets, liabilities, and revenue and expense items the department has specified as allowable have been included by the contractor in computing the costs of services provided under its contract;

(c) Allowable costs have been accurately determined and are necessary, ordinary, and related to patient care;

(d) Related organizations and beneficial ownerships or interests have been correctly disclosed;

(e) Recipient trust funds have been properly maintained; and

(f) The contractor is otherwise in compliance with provisions of this chapter and chapter 74.46 RCW.

(3) Auditors will prepare draft audit narratives and summaries and provide them to the contractor before final narratives and summaries are prepared. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-210, filed 9/16/83; Order 1262, § 388-96-210, filed 12/30/77.]

WAC 388-96-213 Inadequate documentation. The auditors will disallow any assets, liabilities, revenues or expenses reported as allowable which are not supported by adequate documentation in the contractor's financial records. Documentation must show both that costs reported were incurred and were related to patient care, and that assets reported were used in the provision of patient care. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-213, filed 9/16/83; Order 1262, § 388-96-213, filed 12/30/77.]

WAC 388-96-216 Deadline for completion of audits. (1) Provided that auditors are given prompt and timely access to the nursing home and to all financial and statistical records necessary to audit the report, field audits will be completed within one year after a properly completed annual cost report is received by the department or, beginning with audits of 1983 cost reports, within one year after a nursing home is notified it has been selected for audit.

(2) The department will give priority to field audits of final annual reports and whenever possible will begin such field audits within ninety days after a properly completed final annual report is received. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-216, filed 9/16/83; Order 1262, § 388-96-216, filed 12/30/77.]

WAC 388-96-220 Principles of settlement. (1) For each cost center, a settlement shall be calculated at the lower of prospective reimbursement rate or audited allowable costs, except as otherwise provided in this chapter.

(2) Each contractor shall complete a proposed preliminary settlement by cost center as part of the annual cost

report and submit it by the due date of the annual cost report. After review of the proposed preliminary settlement, the department shall issue by cost center a preliminary settlement report to the contractor.

(3) If a field audit is conducted, the audit findings shall be evaluated by the department after completion of the audit and a final settlement by cost center, including any allowable shifting or cost savings, shall be issued which takes account of such findings and evaluations.

(4) Pursuant to preliminary or final settlement and the procedures set forth in this chapter, the contractor shall refund overpayments to the department and the department shall pay underpayments to the contractor. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-220, filed 9/16/83.]

WAC 388-96-221 Preliminary settlement. (1) The proposed preliminary settlement submitted by a contractor pursuant to WAC 388-96-220(2) shall compare the prospective rates at which the contractor was paid during the report period, weighted by the number of patient days reported for the period each rate was in effect, to the contractor's allowable costs for the reporting period. All authorized shifting, cost savings, and upper limits to rates shall be taken into account on a cost center basis.

(2) Within one hundred twenty days after a proposed preliminary settlement is received, the department shall review it for accuracy and either accept or reject the proposal of the contractor. If accepted, the proposed preliminary settlement shall become the preliminary settlement report. If rejected, the department shall issue a preliminary settlement report by cost center which shall fully substantiate disallowed costs, refunds, or underpayments due and adjustments to the proposed preliminary settlement.

(3) A contractor shall have thirty days after receipt of a preliminary settlement report to contest such report pursuant to WAC 388-96-901 and 388-96-904. Upon expiration of the thirty-day period, a preliminary settlement report shall not be subject to review. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-221, filed 9/16/83.]

WAC 388-96-224 Final settlement. (1) If an audit is conducted, the department shall issue a final settlement report to the contractor after completion of the audit process, including exhaustion or mutual termination of reviews and appeals of audit findings or determinations. The final settlement shall be by cost center and shall fully substantiate disallowed costs, refunds, underpayments, or adjustments to the cost report and financial statements, reports, and schedules submitted by the contractor. The final settlement report shall compare the prospective rate at which the contractor was paid during the report period, weighted by the number of patient days reported for the period each rate was in effect as verified by audit, to the contractor's audited allowable costs for the reporting period. All authorized shifting, cost savings, and upper limits to rates shall be taken into account on a cost center basis. If the contractor is pursuing an administrative or judicial review or appeal in

good faith regarding audit findings or determinations, the department may issue a partial final settlement report in order to recover overpayments based on audit findings or determinations not in dispute on review or appeal.

(2) A contractor shall have thirty days after receipt of a final settlement report to contest such report pursuant to WAC 388-96-901 and 388-96-904. Upon expiration of the thirty-day period, a final settlement report shall not be subject to review.

(3) If no audit is conducted by the department, the preliminary settlement report shall become the final settlement report.

(4) A final settlement will be reopened by the department if necessary to make adjustments based upon findings resulting from an audit performed pursuant to section 5(4), chapter 67, Laws of 1983 1st ex. sess. A final settlement may also be reopened to recover an industrial insurance dividend or premium discount under RCW 51.16.035 in proportion to a contractor's medical care recipients, pursuant to RCW 74.46.180(5). [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-224, filed 9/16/83.]

WAC 388-96-226 Shifting provisions. In computing a preliminary or final settlement, savings (overpayment) in a cost center may be shifted to cover a deficit (underpayment) in another cost center up to the amount of the savings, provided that:

(1) Not more than twenty percent of the rate in a cost center may be shifted into that cost center; and

(2) No shifting may be made into the property cost center. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-226, filed 9/16/83.]

WAC 388-96-228 Cost savings. (1) In the patient care and food cost areas and in the administration and operations and property cost areas prior to July 1, 1983, the contractor shall refund all payments received for medical care recipients in excess of allowable costs for those recipients in those cost centers, taking into account any authorized shifting.

(2) Beginning July 1, 1983, in the administration and operations and property cost areas, contractors shall be permitted to retain a portion of payments received for recipients in excess of allowable costs for those recipients according to the following procedures:

(a) Based upon the latest information available, the department shall, by December 31st of each year, notify contractors of the fiftieth percentile rates in the administration and operations and property cost areas for the period July 1st through December 31st.

(b) A contractor shall be permitted to retain, after allowable shifting, seventy-five percent of cost savings in the administration and operations cost area or the property cost area multiplied by medical care recipient days of service if the average rate for the cost report period computed according to department instructions in such cost area is at or below the fiftieth percentile rate.

(c) A contractor shall be permitted to retain, after allowable shifting, fifty percent of cost savings in the administration and operations cost area or property cost area multiplied by medical care recipient days of service if the average rate for the cost report period computed according to department instructions in such cost area is above the fiftieth percentile rate.

(3) Cost savings attributable to any industrial insurance dividend or premium discount under RCW 51.16.035 shall be recovered by the department in proportion to the ratio of medical care recipients to other patients at the facility.

(4) For the 1983 cost reporting period, cost savings shall be computed but allowable savings shall be prorated by the proportion of Medicaid patient days reported for July 1st through December 31st to the total number of Medicaid patient days reported for the year. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-228, filed 9/16/83.]

WAC 388-96-229 Procedures for overpayments and underpayments. (1) The department shall make payment of underpayments determined by preliminary or final settlement within thirty days after the preliminary or final settlement report is submitted to the contractor.

(2) A contractor found to have received overpayments or payments in error as determined by preliminary or final settlement shall refund such payments to the department within thirty days after receipt of the preliminary or final settlement report as applicable.

(3) If a contractor fails to comply with subsection (2) of this section, the department shall:

(a) Deduct from current monthly amounts due the contractor the refund due the department and interest on the unpaid balance at the rate of one percent per month; or

(b) If the contract has been terminated:

(i) Deduct from any amounts due the contractor the refund due the department and interest on the unpaid balance at the rate of one percent per month; or

(ii) Pursue, as authorized by law and regulation, recovery of the refund due and interest on the unpaid balance at the rate of one percent per month.

(4) If a facility is pursuing timely filed administrative or judicial remedies in good faith regarding a proposed preliminary settlement report which was rejected or a final settlement report, the contractor need not refund nor shall the department withhold from current amounts due the facility any refund or interest the department claims to be due from the facility, provided the refund is specifically disputed by the contractor on review or appeal. Portions of refunds due the department which are not specifically disputed by the contractor on review or appeal are subject to recovery and assessment of interest as provided in subsection (3) of this section. If the administrative or judicial remedy sought by the facility is not granted or is granted only in part after exhaustion or mutual termination of all appeals, the facility shall refund all amounts due the department within sixty days after the date of decision or termination plus interest as

payable on judgments from the date the review was requested pursuant to WAC 388-96-901 and 388-96-904 to the date the repayment is made. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-229, filed 9/16/83.]

WAC 388-96-310 Interest on other excess payments. (1) Any contractor obtaining benefits or payments under the medical assistance program to which such contractor is not entitled or in an amount to which such contractor is not entitled, shall be liable for such benefits or payments received and for interest on the amount of benefits or payments from the date of receipt until repayment is made to the department at the rate of one percent per month, unless the contractor establishes the overpayment was the result of errors made by the department.

(2) Interest charged by the department or interest expense incurred by the contractor, from whatever source, in making refund to the department shall not be reimbursable by the department as an allowable cost. The contractor may, by payment of a disputed settlement in whole or in part, stop accrual of interest on the amount paid. Such payment will be without prejudice to obtain review of a settlement determination. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-310, filed 9/16/83.]

WAC 388-96-366 The provider shall establish and maintain. (1) As a service to the recipient, a bookkeeping system, incorporated in the business records, adequate for audit, for all recipient moneys entrusted to and received by the facility for the recipient.

(2) The system will apply to the recipient who is:

(a) Incapable of handling his own money and whose guardian, relative, department economic and social service office administrator, or physician makes written request of the facility to accept this responsibility; if the social security form SSA-780, "certificate of applicant for benefits on behalf of another," is utilized as documentation, it must be signed by one of the persons designated in this subparagraph.

(b) Capable of handling his own money, but requests the facility in writing to accept this responsibility.

(3) It shall be the responsibility of the provider to maintain such written authorization in the recipient's file.

(4) The recipient must be given at least a quarterly reporting of all financial transactions in their trust account. The representative payee, the guardian and/or other designated agents of the recipient must be sent a copy of the quarterly accounting report. [Order 1168, § 388-96-366, filed 11/3/76; Order 1114 § 388-96-366, filed 4/21/76.]

WAC 388-96-369 The provider shall maintain a subsidiary ledger with an account for each recipient for whom the provider holds money in trust. (1) Each account and related supporting information shall:

- (a) Be maintained at the facility,
- (b) Be kept current,

(c) Be balanced each month, and

(d) Show in detail, with supporting verification, all moneys received on behalf of the individual patient and the disposition of all moneys so received.

(2) Each account shall be available for audit and inspection by a department representative and be maintained for a minimum of four years. The provider further agrees to notify the community services office of the department when:

(a) The account of any individual certified on or before December 31, 1973, whose award letter indicates a limit of \$200.00 cash, reaches the sum of \$175.00.

The community services office will re-evaluate the status of each recipient certified under the eligibility criteria prior to January 1, 1974, who has an award letter specifying a \$200.00 cash limit.

(b) The account of any individual certified on or after January 1, 1974, whose award letter indicates a limit of \$1,500.00 reaches the sum of \$1,450.00.

(c) For both groups, the accumulation toward the limit, after admission to the facility, is permitted only from savings from the clothing and personal incidentals allowance and other income which the department specifically designates as exempt income from time to time.

(d) No patient account may be overdrawn (show a debit balance). If a patient wants to spend an amount greater than in such patient's trust account, the home may provide money from its own funds and collect the debt by installments from that portion of the patient's allowance remaining at the end of each month. No interest may be charged to patients for such loans.

(3) In order to ensure that patient trust accounts are not charged for services provided under the Title XIX program, any charge for medical services otherwise properly made to a patient's trust account must be supported by a written denial from the department.

(a) A request for additional equipment such as a walker, wheelchair, or crutches must have a written denial from the department of social and health services before a patient trust account can be charged.

(b) Except as otherwise provided as follows, a request for physical therapy, restorative therapy, drugs, or other medical services must have a written denial from the local CSO before a patient trust account can be charged.

(c) A written denial from the local CSO is not required when the pharmacist verifies that a drug is not covered by the program (e.g., items on the FDA list of ineffective or possible effective drugs, nonformulary over-the-counter (OTC) medications such as vitamins, laxatives, nose drops, etc.). The pharmacist's notation to this effect is sufficient. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-369, filed 9/16/83; 82-21-025 (Order 1892), § 388-96-369, filed 10/13/82; Order 1168, § 388-96-369, filed 11/3/76; Order 1114, § 388-96-369, filed 4/21/76.]

WAC 388-96-372 The provider may maintain a petty cash fund originating from trust moneys of an amount reasonable and necessary for the size of the facility and the needs of the patients, not to exceed \$500.00. (1) This petty cash fund shall be an imprest

fund. All moneys over and above the trust fund petty cash amount shall be deposited intact in a trust fund checking account, separate and apart from any other bank account or accounts of the facility or other facilities.

(2) Cash deposits of recipient allowances must be made intact to the trust account within one week from the time that payment is received from the department, Social Security Administration, or other payor.

(3) Any related bankbooks, bank statements, checkbook, check register, and all voided and cancelled checks, shall be made available for audit and inspection by a department representative, and shall be maintained by the home for not less than four years.

(4) No service charges for such checking account shall be paid by recipient trust moneys.

(5) The trust account per bank shall be reconciled monthly to the trust account per patient ledgers. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-372, filed 9/16/83; Order 1114, § 388-96-372, filed 4/21/76.]

WAC 388-96-375 Trust moneys control/disbursement. Trust moneys shall be held in trust and are not to be turned over to anyone other than the recipient or his or her guardian without the written consent of the recipient, his or her designated agent as appointed by power of attorney, or appropriate department of social and health services personnel as designated by the CSO administrator.

(1) When moneys are received, a receipt should be filled out in duplicate; one copy should be given to the person making payment or deposit, and the other copy should be retained in the receipt book for easy reference.

(2) Checks received by patients must be endorsed by the patient. Schedule I-A(6e) of the agreement states in part: "Each patient receiving a check or state warrant is responsible for endorsement by his own signature. Only when the patient is incapable of signing his name may the Provider assume the responsibility of securing the patient's mark "X" followed by the name of the patient and the signature of two witnesses."

(3) If both the general fund account and the trust fund account are at the same bank, the trust portion of checks which include care payments can be deposited directly to trust by including a trust account deposit slip for the correct amount with the checks and the general account deposit slip.

(4) The patient's trust account ledger sheet must be credited with the allowance received. This should be referenced with the receipt number and must be supported by a copy of the deposit slip (one copy for all deposits made). [Statutory Authority: RCW 74.09.120. 82-21-025 (Order 1892), § 388-96-375, filed 10/13/82; Order 1168, § 388-96-375, filed 11/3/76; Order 1114, § 388-96-375, filed 4/21/76.]

WAC 388-96-378 Trust moneys availability. Moneys so held in trust for any recipient shall be available

for his or her personal and incidental needs when requested by the recipient or one of the individuals designated in WAC 388-96-375. [Order 1114, § 388-96-378, filed 4/21/76.]

WAC 388-96-381 Procedure for refunding trust money. (1) When a recipient is discharged and/or transferred, the balance of the recipient's trust account will be returned to the individuals within one week designated in WAC 388-96-375 and a receipt obtained. In cases it may be advisable to mail the refund to the recipient's new residence. [Order 1114, § 388-96-381, filed 4/21/76.]

WAC 388-96-384 Liquidation of trust fund. (1) Expired patient. The provider will obtain a receipt from next of kin, guardian, or duly qualified agent when releasing the balance of money held in trust. If there is no identified next of kin, guardian, or duly qualified agent, the CSO is to be contacted in writing within seven days for assistance in the release of the money held in trust. A check or other document showing payment to such next of kin, guardian, or duly qualified agent will serve as a receipt.

(2) Patient, unable to locate. In situations where the patient leaves the nursing home without authorization and his or her whereabouts are unknown:

(a) The nursing home will make a reasonable attempt to locate the missing patient. This includes: Contacting friends, relatives, police, the guardian, and the community services office in the area.

(b) If the patient cannot be located after ninety days, the nursing home must notify the department of revenue of the existence of "abandoned property," outlined in chapter 63.28 RCW. The nursing home will be required to deliver to the department of revenue the balance of the patient's trust fund account within twenty days following such notification. WAC 388-96-501 Allowable costs. Allowable costs are documented costs which are necessary, ordinary and related to the care of medical care recipients, and are not expressly declared nonallowable by applicable statutes or regulations. Costs are ordinary if they are of the nature and magnitude which prudent and cost-conscious management would pay. [Statutory Authority: RCW 74.09.120 and 74.46.800. 81-06-024 (Order 1613), § 388-96-501, filed 2/25/81. WAC 388-96-503 Substance prevails over form. (1) In determining allowable costs, the substance of a transaction will prevail over the form of the transaction. Accordingly, allowable costs will not include increased costs

resulting from transactions or the application of accounting methods which circumvent the principles of the prospective cost-related reimbursement system.

(2) Increased costs resulting from a series of transactions between the same parties and involving the same assets (e.g., sale, and leaseback, successive sales or leases of a single facility or piece of equipment) will not be allowed. WAC 388-96-505 Offset of miscellaneous revenues.

(1) Allowable costs shall be reduced by the contractor whenever the item, service, or activity covered by such costs generates revenue or financial benefits (e.g., purchase discounts or rebates) other than through the contractor's normal billing for care services; except that, unrestricted grants, gifts, and endowments, and interest therefrom, will not be deducted from the allowable costs of a nonprofit facility.

(2) Where goods or services are sold, the amount of the reduction shall be the actual cost relating to the item, service, or activity. In the absence of adequate documentation of cost, it shall be the full amount of the revenue received. Where financial benefits such as purchase discounts or rebates are received, the amount of the reduction shall be the amount of the discount or rebate.

(3) Only allowable costs shall be recovered under this section. Costs allocable to activities or services which are not included in SNF or ICF services (e.g., costs of vending machines, patients' personal laundry, and services specified in chapter 388-86 WAC which are not included in SNF or ICF services) are nonallowable costs. To be allowable, fees must be for necessary, non-duplicative services.

However, if the loan from which the interest expense arises is classified as a part of a contractor's equity capital according to Medicare rules and regulations, the interest expense shall be unallowable. (a) Building – the basic structure or shell and additions thereto.

(b) Building fixed equipment – attachments to buildings, such as wiring, electrical fixtures, plumbing, elevators, heating system, and air conditioning system. The general characteristics of this equipment are:

(i) Affixed to the building and not subject to transfer; and

(ii) A fairly long life, but shorter than the life of the building to which affixed.

(c) Major movable equipment – such items as beds, wheelchairs, desks, and x-ray machines. The general characteristics of this equipment are:

(i) A relatively fixed location in the building;

(ii) Capable of being moved as distinguished from building equipment;

(iii) A unit cost sufficient to justify ledger control;

(iv) Sufficient size and identity to make control feasible by means of identification tags; and

(v) A minimum life of approximately three years. Effective January 1, 1981, for settlement purposes for periods subsequent to that date, and for purposes of setting rates for periods beginning July 1, 1982, and subsequently, this equipment shall be characterized by a minimum life of greater than one year.

(d) Minor equipment – such items as wastebaskets, bedpans, syringes, catheters, silverware, mops, and buckets which are properly capitalized. No depreciation shall be taken on items which are not properly capitalized (see WAC 388-96-553). The general characteristics of minor equipment are:

(i) In general, no fixed location and subject to use by various departments;

(ii) Small in size and unit cost;

- (iii) Subject to inventory control;
- (iv) Large number in use; and
- (v) Generally, a useful life of one to three years.

(e) Land improvements – such items as paving, tunnels, underpasses, on-site sewer and water lines, parking lots, shrubbery, fences, walls, etc., where replacement is the responsibility of the contractor.

(f) Leasehold improvements – betterments and additions made by the lessee to the leased property, which become the property of the lessor after the expiration of the lease.

(2) Land is not depreciable. The cost of land includes, but is not limited to, the cost of such items as off-site sewer and water lines, public utility charges necessary to service the land, governmental assessments for street paving and sewers, the cost of permanent roadways and grading of a nondepreciable nature, and the cost of curbs and sidewalks, replacement of which is not the responsibility of the contractor. WAC 388-96-559 Depreciation base. (1) The depreciation base shall be the historical cost of the contractor in acquiring the asset from an unrelated organization and preparing the asset for use, less goodwill and less accumulated depreciation which has been incurred during periods that the assets have been used in or as a facility by the contractor, such accumulated depreciation to be measured in accordance with subsection (4) of this section and WAC 388-96-561, 388-96-565, and 388-96-567. If the department challenges the historical cost of an asset, the department will have the fair market value of the asset at the time of purchase established by appraisal. The fair market value of items of equipment will be established by appraisals performed by vendors of the particular type of equipment. When the appraisals are conducted, the depreciation base of the asset will not exceed the fair market value of the asset. Estimated salvage value shall be deducted from historical cost where the straight-line or sum-of-the-years digits method of depreciation is used.

(2) Effective January 1, 1981, for purposes of setting rates for rate periods beginning July 1, 1982, and subsequently, subsection (1) of this section shall be applied with the phrase "in an arm's-length transaction" replacing the phrase "from an unrelated organization."

(3) Effective July 1, 1982, in all cases subsection (1) of this section shall be applied with the phrase "in an arm's-length transaction" replacing the phrase "from an unrelated organization."

(4) Where depreciable assets are acquired from a related organization, the contractor's depreciation base shall not exceed the base the related organization had or would have had under a contract with the department.

(a) Fair market value at the date of donation or death, less goodwill, provided that, estimated salvage value shall be deducted from fair market value where the straight-line or sum-of-the-years digits method of depreciation is used; or

(b) The depreciation base under the cost-related reimbursement program of the owner last contracting with the department, if any.

(2) If the donation or distribution is between related organizations, the base shall be the lesser of:

(a) Fair market value, less goodwill and, where appropriate, salvage value; or

(b) The depreciation base the related organization had or would have had for the asset under a contract with the department. WAC 388-96-565 Lives. (1) The contractor shall use lives reflecting the estimated actual useful life of the asset and shall be no shorter than guideline lives contained in the Internal Revenue Service class life ADR system or published by the American Hospital Association in computing allowable depreciation. The shortest life which may be used for buildings is thirty years.

(2) Lives shall be measured from the date on which the assets were first used in the medical care program or from the date of the most recent arm's-length acquisition of the asset, whichever is more recent. Lives shall be extended to reflect periods, if any, during which assets were not used to provide nursing care.

(3) Building improvements shall be depreciated over the remaining useful life of the building, as modified by the improvement, but not less than fifteen years.

(4) Improvements to leased property which are the responsibility of the contractor under the terms of the lease shall be depreciated over the useful life of the improvement.

(5) A contractor may change the estimate of an asset's useful life to a longer life for purposes of depreciation. WAC 388-96-567 Methods of depreciation. (1) Buildings, land improvements, and fixed equipment shall be depreciated using the straight-line method. Major-minor equipment shall be depreciated using either the straight-line method, the sum of the years' digits method, or declining balance method not to exceed one hundred fifty percent of the straight-line rate. Contractors which have elected to take either the sum-of-the-years' digits method or the declining balance method of depreciation on major-minor equipment may change to the straight-line method without permission of the department.

(2) The annual provision for depreciation shall be reduced by the portion allocable to use of the asset for purposes not both necessary and related to patient care.

(3) No further depreciation shall be claimed after an asset has been fully depreciated unless a new depreciation base is established pursuant to WAC 388-96-559. [Statutory Authority: RCW 74.09.120. 81-22-081 (Order 1712), § 388-96-567, filed 11/4/81. WAC 388-96-569 Retirement of depreciable assets.

(1) Where depreciable assets are disposed of through sale, trade-in, scrapping, exchange, theft, wrecking, or fire or other casualty, depreciation shall no longer be taken on the assets. No further depreciation shall be taken on permanently abandoned assets.

(2) Where an asset has been retired from active use but is being held for stand-by or emergency service, and the department has determined that it is needed and can be effectively used in the future, depreciation may be taken. [Statutory Authority: RCW 74.09.120 and 74.46.800. 81-06-024 (Order 1613), § 388-96-569, filed 2/25/81; Order 1262, § 388-96-569, filed 12/30/77.]

WAC 388-96-571 Handling of gains and losses upon retirement of depreciable assets settlement periods prior to 1/1/81 and rate periods prior to 7/1/82. (1) For settlement purposes for periods prior to January 1, 1981, and for rate-setting purposes for periods prior to July 1, 1982, gains and losses on the retirement of depreciable assets either during the period of participation in the program or within twelve months following termination, shall be treated in accordance with this section.

(2) A gain or loss on the retirement of an asset shall be the difference between the remaining undepreciated base and any proceeds received for, or to compensate for loss of, the asset. For purposes of subsections (3) and (4) of this section, the total gain shall be reduced by one percent for each month of ownership of an asset with an expected useful life of one hundred months or longer. For an asset with an expected useful life of less than one hundred months, total gain shall be reduced by the portion thereof equal to the ratio of the actual life of the asset from its most recent arms-length acquisition up to the date of retirement to its expected useful life.

(3) If the retired asset is replaced, the gain or loss shall be applied against or added to the cost of the replacement asset, provided that a loss will only be so applied if the contractor has made a reasonable effort to recover at least the outstanding book value of the asset.

(4) If the retired asset is not replaced, or if the contractor is terminating its contract, the gain or loss shall be spread over the actual life of the asset up to the date of retirement, provided that a loss will only be so spread if the contractor has made a reasonable effort to recover at least the outstanding book value of the asset. The difference between reimbursement actually paid for depreciation in any period beginning on or after January 1, 1978, and the reimbursement for depreciation which would have been paid with the base adjusted to reflect the gain or loss, will be computed. Where the difference results from a gain, it shall be recovered by the department. Where the difference results from a loss, it will be added to allowable costs for purposes of determining settlement. [Statutory Authority: RCW 74.09.120 and 74.46.800. 81-06-024 (Order 1613), § 388-96-571, filed 2/25/81. WAC 388-96-572 Handling of gains and losses upon retirement of depreciable assets—Other periods. (1) This section shall apply in the place of WAC 388-96-571 effective January 1, 1981, for purposes of settlement for settlement periods subsequent to that date, and for purposes of setting rates for rate periods beginning July 1, 1982, and subsequently.

(2) A gain or loss on the retirement of an asset shall be the difference between the remaining undepreciated base and any proceeds received for, or to compensate for loss of, the asset.

(3) If the retired asset is replaced, the gain or loss shall be applied against or added to the cost of the replacement asset, provided that a loss will only be so applied if the contractor has made a reasonable effort to recover at least the outstanding book value of the asset.

(4) If the retired asset is not replaced, any gain shall be offset against property expense for the period during which it is retired and any loss shall be expensed subject to the provisions of WAC 388-96-554(6). [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-572, filed 9/16/83. Statutory Authority: RCW 74.09.120 and 74.46.800. 81-06-024 (Order 1613), § 388-96-572, filed 2/25/81.]

WAC 388-96-573 Recovery of excess over straight-line depreciation. This section shall apply to settlement periods prior to January 1, 1981, only. If a contractor terminates its contract without selling or otherwise retiring equipment which was depreciated using an accelerated method, depreciation schedules relating to these assets for periods during which the contractor participated in the program shall be adjusted. The difference between reimbursement actually paid for depreciation in any period beginning on or after January 1, 1978, and

the reimbursement which would have been paid for depreciation if the straight-line method had been used, will be recovered by the department. [Statutory Authority: RCW 74.09.120. 83-05-007 (Order 1944), § 388-96-573, filed 2/4/83; Order 1262, § 388-96-573, filed 12/30/77.]

(2) Unallowable costs include, but are not limited to, the following:

(i) Costs applicable to services, facilities, and supplies furnished by a related organization in excess of the lower of the cost to the related organization or the price of comparable services, facilities, or supplies purchased elsewhere.

(j) Bad debts. Beginning July 1, 1983, bad debts of Title XIX recipients are allowable if the debt is related to covered services, it arises from the recipient's required contribution toward the cost of care, the provider can establish reasonable collection efforts were made, the debt was actually uncollectible when claimed as worthless, and sound business judgment established there was

no likelihood of recovery at any time in the future. Reasonable collection efforts shall consist of three documented attempts by the contractor to obtain payment. Such documentation shall demonstrate the effort devoted to collect the bad debts of Title XIX recipients is at the same level as the effort normally devoted by the contractor to collect the bad debts of non-Title XIX patients. (1) A prospective reimbursement rate for a new contractor will be established within sixty days following receipt by the department of a properly completed projected budget (see WAC 388-96-026). It will be effective as of the effective date of the contract.

(2) This prospective reimbursement rate will be based on the contractor's projected cost of operations, and on costs and payment rates of the prior contractor, if any, and/or of other contractors in comparable circumstances, taking into account applicable lids or maximums.

(3) If a properly completed projected budget is not received at least sixty days prior to the effective date of the contract, the department will establish a preliminary rate based on the other factors specified in subsection (2) of this section. This preliminary prospective rate will remain in effect until an initial prospective rate can be set.

(4) Where a change of ownership is involved which is not an arm's-length transaction as defined in WAC 388-96-010, the new contractor's prospective rates in the administration and operation and property cost areas will be no higher than the rates of the old contractor, adjusted if necessary to take into account economic trends. WAC 388-96-716 Cost areas. A contractor's overall reimbursement rate for medical care recipients consists of the total of five component rates, each covering one cost area. The five cost areas are:

- (1) Nursing services;
- (2) Food;
- (3) Administration and operations;
- (4) Property; and

(5) Return on equity. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-716, filed 9/16/83; 81-15-049 (Order 1669), § 388-96-716, filed 7/15/81; 80-06-122 (Order 1510), § 388-96-716, filed 5/30/80, effective 7/1/80; 78-02-013 (Order 1264), § 388-96-716, filed 1/9/78.]

WAC 388-96-717 Desk review adjustments. (1) The department shall analyze each annual cost report to determine if the information is correct, complete, and reported in conformity with generally accepted accounting principles, the nursing home accounting and reporting manual, and instructions issued by the department. An analysis by the department to determine whether reported information is correct and complete may include, but is not limited to:

(a) An examination of reported costs for prior years;

(b) An examination of desk review adjustments made in prior years and their final disposition; and

(c) An examination of findings, if any, from field audits of cost reports from prior years and findings, if any, from the field audit of the cost report under analysis.

(2) If it appears from this analysis that a contractor has not correctly determined or reported its costs, the department may make adjustments to the reported information for the purpose of establishing reimbursement rates. A schedule of such adjustments shall be provided to contractors and shall include an explanation of the adjustment and the dollar amount of the adjustment for each adjustment made. If a contractor believes an adjustment is in error, it shall be subject to review pursuant to WAC 388-96-769 and, if a satisfactory resolution of issues is not reached, to further review pursuant to WAC 388-96-901 and 388-96-904.

(3) The department shall accumulate data from properly completed cost reports and financial statements, reports and schedules for use in exception profiling and establishing rates.

(4) The department may further utilize such accumulated data for analytical, statistical, or informational purposes as deemed necessary by the department. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-717, filed 9/16/83.]

WAC 388-96-719 Method of rate determination.

(1) Data used in determining rates will be taken from the most recent complete, desk-reviewed annual cost report submitted by contractors.

(2) Data containing obvious errors will be excluded from the determination of predicted costs and rate upper limits for WAC 388-96-743 and 388-96-735.

(3) Inflation adjustments shall be applied as follows:

(a) In the nursing services and administration and operations cost areas for July 1, 1983, rate setting, an adjustment of 2.5 percent shall be applied to allowable costs in these cost areas if the cost report for a contractor covers all twelve months of 1982. If the cost report covers less than twelve months, the inflation factor shall be reduced to reflect the shorter period.

(b) In the food cost area, an inflation adjustment factor of 2.5 percent shall be applied to the January 1, 1983, rate for all contractors.

(c) Property and return on equity rates will not be adjusted for inflation.

(4) The occupancy level for each facility shall be computed by dividing the actual number of patient days by the product of the numbers of licensed beds and calendar days in the report period. For prospective rate computations, as well as determining lids for property and administration and operations reimbursement, if a facility's occupancy is below eighty-five percent, per patient day cost shall be computed utilizing patient days at the eighty-five percent occupancy level. Actual occupancy level shall be utilized for facilities at or above eighty-five percent occupancy. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-719, filed 9/16/83; 82-17-071 (Order 1867), § 388-96-719, filed 8/18/82; 82-12-068 (Order 1820), § 388-96-719, filed 6/2/82; 82-04-073 (Order 1756), § 388-96-719, filed 2/3/82; 81-15-049 (Order 1669), § 388-96-719, filed 7/15/81; 80-06-122 (Order 1510), § 388-96-719, filed 5/30/80, effective 7/1/80; 79-12-085 (Order 1461), § 388-96-719, filed 11/30/79; 78-11-043 (Order 1353), § 388-96-719, filed 10/20/78. WAC 388-96-722 Nursing services cost area rate.

(1) The nursing services cost area reimbursement rate will reimburse for the necessary and ordinary costs of providing routine nursing and related care to recipients.

(2) Nursing service costs will be subject to two reasonableness tests:

(a) A test for nursing staff hours; and

(b) A test for cost increases between the current and preceding report period.

(i) The test for nursing staff hours will use a regression of hours reported by facilities for registered nurses, licensed practical nurses, and nurses' aids, including purchased and allocated nursing and aid staff time, and the average Battelle patient debility score for the corresponding facilities as computed by the department. Data for the regression shall be taken from correctly completed cost reports and from patient assessments completed by the department for the corresponding calendar report year, which are available at the time the regression equation is computed. A limit on nursing and nursing aid staffing hours will be calculated and set for each facility at predicted staffing hours plus 1.75 standard errors utilizing the regression equation calculated by the department. Costs for facilities with reported hours exceeding the limit will be reduced by an amount equivalent to the hours exceeding the limit times the average wage rate for nurses and aids indicated on cost reports for the year in question, including benefits and payroll taxes allocated to such staff. Contractors' reporting hours exceeding the limit shall receive the higher of their January 1983 patient care rate or the nursing services

rate computed for them according to the provisions of this subsection, plus applicable inflation adjustments.

(ii) The test for cost increases shall compare the percentage change between the 1981 and 1982 allowable patient care costs for the facility against the percentage change between the July 1981 and July 1982 medical care component of the consumer price index for urban consumers nationwide. Facilities which report increases greater than the consumer price index shall be limited to a rate determined by their 1981 adjusted patient care costs inflated by the medical care component of the consumer price index. If a facility is affected by this limit due to special or unusual circumstances, such as a decrease in patient days, the department may grant an exception or partial exception to the limit. WAC 388-96-727 Food cost area rate. (1) The food cost area rate will reimburse for the necessary and ordinary costs of procuring food, dietary supplements, and beverages for meals and between-meal nourishment for recipients.

(2) Reimbursement for the food cost center shall be at the January 1, 1983, rate, adjusted for inflation utilizing the inflation factor specified in WAC 388-96-719 (3)(b). [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-727, filed 9/16/83; 81-15-049 (Order 1669), § 388-96-727, filed 7/15/81; 79-12-085 (Order 1461), § 388-96-727, filed 11/30/79; 78-02-013 (Order 1264), § 388-96-727, filed 1/9/78.]

WAC 388-96-735 Administration and operations cost area rate. (1) The administration and operations cost area reimbursement rate will reimburse for the necessary and ordinary costs of overall management of the facility, operation and maintenance of the physical plant, and providing dietary service (other than the cost of food and beverages), medical supplies, taxes, and insurance.

(2) Each contractor's allowable, inflation adjusted, per patient day administration and operations cost shall be determined.

(3) Costs for contractors having submitted correct and complete cost reports by the time July rates are initially to be established shall be ranked from highest to lowest. The eighty-fifth percentile of the ranking shall be determined.

(4) Administration and operations rates for individual providers shall be the lower of the provider's allowable cost or the eighty-fifth percentile.

(5) Beginning July 1, 1984, allowable costs for administration and operations for rate setting purposes shall include allowable retained savings for the preceding report year. WAC 388-96-743 Property cost area rate. (1) Each contractor's allowable depreciation, property interest, and lease expense shall be based on information in the most recent desk-reviewed annual cost report, including any adjustments. The prospective rate for a contractor shall be the lower of these costs calculated on a per patient day basis or the maximum rate computed in accordance with subsection (2) of this section.

(2) Property reimbursement for both leased and owner-operated facilities will not exceed the predicted cost plus 1.75 standard deviation of the necessary and ordinary costs of depreciation, and interest, of owner-operated facilities as contained in annual cost reports for the preceding year, including adjustments, utilizing a multiple regression formula developed by the department, recognizing factors which may be significant, including location, age, and construction type of facility. Beginning July 1, 1981, allowable rental costs of leased facilities and depreciation and interest costs of owner-operated facilities based upon the most recent desk-reviewed annual cost report, for leases or mortgages entered into prior to July 1, 1979, will be reimbursed to the extent they do not exceed the reimbursement rate payable for the property cost center as of June 30, 1979, adjusted to meet any discrepancies as determined by the federal government between the reimbursements made and the approved state Medicaid plan, the reimbursement rate payable July 1, 1979, or the regression formula rate, whichever is higher, and adjusted for any approved capitalized additions or replacements.

(3) For purposes of this section, the following definitions shall apply:

(a) Location shall consist of location within a standard metropolitan statistical area (SMSA) as defined by the United States Bureau of the Census, or location outside of an SMSA;

(b) Age shall consist of the construction age of a facility. Where a facility is of several construction dates, an average facility age shall be computed by weighting each construction age by the number of licensed beds in the facility area of that construction age;

(c) Construction type shall consist of fire resistant construction (type 1 or 2 construction as determined by the office of the state fire marshal); or nonfire resistant construction (type 3, 4, or 5 construction as determined by the office of the state fire marshal). Where a facility

is of several construction types, an average facility construction type shall be computed by weighting the construction type of each area of the facility by the number of licensed beds in the facility area of that construction type.

(d) Those factors are significant which improve the explanatory power of the regression at a ninety percent level of confidence. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-743, filed 9/16/83; 82-21-025 (Order 1892), § 388-96-743, filed 10/13/82; 81-15-049 (Order 1669), § 388-96-743, filed 7/15/81; 80-06-122 (Order 1510), § 388-96-743, filed 5/30/80, effective 7/1/80; 79-12-085 (Order 1461), § 388-96-743, filed 11/30/79; 78-02-013 (Order 1264), § 388-96-743, filed 1/9/78.]

WAC 388-96-750 Return on investment. (1) Beginning July 1, 1983, the department will pay a return on equity to proprietary contractors utilizing applicable Medicare rules and regulations with the following modifications:

(a) Contractors will not be required to submit monthly equity calculations in order to calculate allowable equity for cost reporting periods unless a desk review of reported equity conducted pursuant to WAC 388-96-717 discloses reported equity appears to exceed a level that is ordinary, necessary, and related to patient care. In such cases, the department may request and the contractor shall provide a monthly equity calculation as established by Medicare rules, regulations, and guidelines. The average ratio among proprietary contractors of current assets to expenses will be computed from the most recent desk reviewed cost reports. The standard deviation of the ratio and the average ratio plus one standard deviation will also be computed. Current assets in excess of the average ratio plus one standard deviation will not be allowed unless the contractor can document that the excess is ordinary, necessary, and related to patient care. No adjustments will be made to reported equity insofar as changes reflect additions to fixed assets which are ordinary, necessary, and related to patient care.

(b) Goodwill is not includable in the determination of net equity.

(c) Net equity and the payment for net equity shall be calculated as described in subsections (2) and (3) of this section.

(2) A contractor's net equity will be calculated using the appropriate items from the contractor's most recent desk reviewed cost report utilizing the definition of equity in WAC 388-96-010 and applying relevant Medicare rules, regulations, and guidelines, with the modifications described in subsection (1) of this section.

(3) The contractor's net equity will be multiplied by a rate of return on equity capital of twelve percent. This amount will be divided by the contractor's annual patient days for the cost report period to determine a rate per patient day. Where a contractor's cost report covers less than a twelve-month period, annual patient days will be estimated using the contractor's reported patient days. The contractor shall be paid at a prospective rate

which is the lesser of the amount calculated pursuant to this section or two dollars per patient day.

(4) The information on which the return on equity is calculated is subject to field audit. If a field audit determines that the desk reviewed reported equity exceeds the equity which can be documented and calculated in conformity with Medicare rules, regulations, and guidelines as modified by this section, the contractor's return on equity rate for the rate period during which a return on equity rate calculated on the basis of that cost report was in effect shall be recalculated using the determinations of the field audit, not to exceed a maximum of two dollars per patient day. Any payments in excess of this rate shall be refunded to the department as part of the settlement procedure established by this chapter. WAC 388-96-760 Upper limits to reimbursement rate. The reimbursement rate shall not exceed the contractor's customary charges to the general public for the services covered by the rate, except that public facilities rendering such services free of charge or at a nominal charge will be reimbursed according to the methods and standards set out in this chapter. The contractor shall immediately inform the department if its reimbursement rate does exceed customary charges for comparable services. If necessary, the rate will be adjusted in accordance with WAC 388-96-769. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-760, filed 9/16/83; 81-22-081 (Order 1712), § 388-96-760, filed 11/4/81. WAC 388-96-763 Rates for recipients requiring exceptionally heavy care. (1) A contractor certified to care for SNF patients may apply for an individual prospective reimbursement rate for a recipient whose special nursing and direct care-related service needs are such that the cost of care will be at least twice the contractor's current reimbursement rate.

(2) Application for an individual rate for an exceptionally heavy care recipient shall be made in accordance with instructions furnished by the department.

(3) An individual rate for an exceptionally heavy care recipient will be granted for a specified period of time, subject to extension, revision, or termination depending on the recipient's care requirements at the end of such period. It will be computed to cover the projected actual costs of care of the recipient.

(4) The contractor will be informed in writing of the disposition of its application as soon as possible and in no case longer than thirty days following receipt of a

properly completed application. [Statutory Authority: RCW 74.09.120. 82-21-025 (Order 1892), § 388-96-763, filed 10/13/82. WAC 388-96-766 Notification of rates. The department will notify each contractor in writing of its prospective reimbursement rate. Unless otherwise specified at the time it is issued, the rate will be effective from the first day of the month in which it is issued until a new rate becomes effective. If a rate is changed as the result of an appeal in accordance with WAC 388-96-904, it will be effective as of the date the rate appealed from became effective. [Statutory Authority: RCW 74.09.120. 78-02-013 (Order 1264), § 388-96-766, filed 1/9/78.]

WAC 388-96-769 Adjustments required due to errors or omissions. (1) Prospective rates are subject to adjustment by the department as a result of errors or omissions by the department or by the contractor. The department will notify the contractor in writing of each adjustment and of the effective date of the adjustment, and of any amount due to the department or to the contractor as a result of the rate adjustment. Rates adjusted in accordance with this section will be effective as of the effective date of the original rate.

(2) If a contractor claims an error or omission based upon incorrect cost reporting, amended cost report pages shall be prepared and submitted by the contractor. Amended pages shall be accompanied by the certification required by WAC 388-96-117 and a written justification explaining why the amendment is necessary. Such amendments shall not be accepted for settlement purposes unless the amendments meet the requirements of WAC 388-96-122, but may be used for purposes of revising a prospective rate. If changes made by the amendments are determined to be material by the department according to standards established by the department, such amended pages shall be subject to field audit. If a field audit determines the amendments are incorrect or otherwise unacceptable, any rate adjustment based on the amendment shall be null and void. Payments based upon the rate adjustment shall be subject to repayment as provided in subsection (3) of this section.

(3) The contractor shall pay an amount owed the department resulting from an error or omission, or commence repayment in accordance with a schedule determined by the department, within sixty days after receipt of notification of the rate adjustment, unless the contractor contests the department's determination in accordance with the procedures set forth in WAC 388-96-904. If the determination is contested, the contractor shall pay or commence repayment within sixty days after completion of these proceedings. If a refund is not paid when due, the amount thereof may be deducted from current payments by the department.

(4) The department shall pay any amount owed the contractor as a result of a rate adjustment within thirty days after the contractor is notified of the rate adjustment.

(5) No adjustments will be made to a rate more than one hundred twenty days after the final audit narrative and summary for the period the rate was effective is sent to the contractor. [Statutory Authority: RCW 74.09-.120. 82-11-065 (Order 1808), § 388-96-769, filed 5/14/82; 81-22-081 (Order 1712), § 388-96-769, filed 11/4/81; 78-02-013 (Order 1264), § 388-96-769, filed 1/9/78.]

WAC 388-96-773 Revisions of prospective rates.

(1) Prospective rates are intended as maximum payment rates for contractors for the periods to which they apply. Rate adjustments shall not be granted for cost increases subject to management control or negotiation, cost increases which can reasonably be expected to be met from a contractor's existing or available resources, or for cost increases attributable to reasons not expressly authorized in this section and in chapter 74.46 RCW.

(2) Adjustments to prospective rates may be granted by the department for the following reasons:

(a) The facility's average debility score for the latest available twelve-month period differs from the score employed in establishing the facility's preceding July 1st rate by ten percent or more;

(b) Changes in staffing levels required by the department; or

(c) Other reasons deemed sufficient by the department which are established and documented by a contractor in the course of an administrative review conducted pursuant to WAC 388-96-901 and 388-96-904.

(3) Adjustments to prospective rates shall be granted by the department for capital additions, improvements, or replacements made as a condition of licensure or certification.

(4) Contractors requesting an adjustment to a prospective rate shall:

(a) Provide a detailed written explanation of the reasons the adjustment is necessary;

(b) A financial analysis which sufficiently demonstrates the increased costs cannot be funded from existing resources available to the contractor; and

(c) An estimate of the rate and adjustment computed according to allowable methods, necessary to fund the increased costs.

(5) Adjustments requested pursuant to subsection (2) of this section shall not be granted unless the department determines the contractor will incur substantial hardship as determined by applicable facts and circumstances, provided that, hardship shall not be deemed to exist by the department unless the increased costs are expected to equal or exceed ten cents per patient day.

(6) Adjustments for economic trends and conditions shall be provided exclusively by means of inflation adjustments pursuant to WAC 388-96-719.

(7) The department shall inform a contractor of the disposition of a rate adjustment request within sixty days

after its receipt by the department if the request is adequately documented and meets the conditions set forth in subsection (4) of this section. Unless otherwise specified, a revised rate shall be effective on the first day of the month in which it is issued by the department. WAC 388-96-775 Public review of rate-setting methods and standards. The department will provide all interested members of the public with an opportunity to review and comment on proposed rate-setting methods and standards each year before they are used to set rates. WAC 388-96-801 Billing period. A contractor shall bill the department for care provided to medical care recipients from the first through the last day of each calendar month. [Order 1262, § 388-96-801, filed 12/30/77.]

WAC 388-96-804 Billing procedures. (1) A contractor shall bill the department each month by completing and returning the nursing home statement provided by the department. This form shall be completed and filed in accordance with instructions issued by the department.

(2) A contractor shall not bill the department for service provided to a recipient until an award letter relating to the recipient has been received except in accordance with department policies and procedures. At that time it may bill for service provided back through the date the recipient was admitted or became eligible.

(3) Billing shall not cover the day of a recipient's death, discharge or transfer from the nursing home. [Statutory Authority: RCW 74.09.120. 82-20-024 and 82-20-036 (Orders 1883 and 1883A), § 388-96-804, filed 9/29/82 and 9/30/82; Order 1262, § 388-96-804, filed 12/30/77.]

WAC 388-96-807 Charges to patients. (1) The department will notify a contractor of the amount each medical care recipient is required to pay for care provided under the contract and the effective date of such required contribution. It is the contractor's responsibility to collect that portion of the cost of care from the patient, and to account for any authorized reduction from his or her contribution in accordance with procedures established by the department.

(2) If a contractor receives documentation showing a change in the income or resources of a recipient which will mean a change in his or her contribution toward the cost of care, this shall be reported in writing to the CSO

within seventy-two hours. If necessary, appropriate corrections shall be made in the next nursing home statement, and a copy of documentation supporting the change shall be attached. If increased funds for a recipient are received by a contractor, the normal amount shall be allowed for clothing, personal and incidental expense, and the balance applied to the cost of care.

(3) The contractor shall accept the reimbursement rate established by the department as full compensation for all services it is obligated to provide under the contract, certification as specified by Title XIX, and licensure under chapter 18.51 RCW. The contractor shall not seek or accept additional compensation from or on behalf of a recipient for any or all such services. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-807, filed 9/16/83; 82-21-025 (Order 1892), § 388-96-807, filed 10/13/82; Order 1262, § 388-96-807, filed 12/30/77.]

(2) The amount paid will be computed using the appropriate rate assigned to the contractor.

(3) The special rate assigned to a contractor by the department for the care of an exceptional care recipient will be used in computing the amount paid for care of such recipient.

(4) For each recipient, the department will pay an amount equal to the appropriate rate or rates, multiplied by the number of patient days each rate was in effect, less the amount the recipient is required to pay for his or her care (see WAC 388-96-807). [Order 1262, § 388-96-810, filed 12/30/77.]

WAC 388-96-813 Suspension of payment. (1) Payments to a contractor may be withheld by the department in each of the following circumstances:

(b) Auditors or other authorized department personnel in the course of their duties are refused access to a nursing home or are not provided with existing appropriate records. Payments will be released as soon as such access or records are provided.

(c) A refund in connection with a settlement or rate adjustment is not paid by the contractor when due. The amount withheld will be limited to the unpaid amount of the refund.

(d) Payment for the final thirty days of service under a contract will be held pending final settlement when the contract is terminated.

(2) No payment will be withheld until written notification of the suspension is given to the contractor, stating the reason therefor. [Statutory Authority: RCW 74.09.120. 83-19-047 (Order 2025), § 388-96-813,

filed 9/16/83; Order 1262, § 388-96-813, filed 12/30/77.]

WAC 388-96-901 Disputes. (1) If a reimbursement rate issued to a contractor is believed to be incorrect because it is based on errors or omissions by the contractor or department, the contractor may request an adjustment pursuant to WAC 388-96-769. Pursuant to WAC 388-96-904(1) a contractor may within thirty days request an administrative review after notification of an adjustment or refusal to adjust.

(2) If a contractor wishes to contest the way in which a rule, contract provision, or policy statement relating to the prospective cost-related reimbursement system was applied to the contractor by the department, e.g., in setting a reimbursement rate or determining a disallowance at audit, it shall first pursue the administrative review process set out in WAC 388-96-904.

(3) The administrative review and fair hearing process set out in WAC 388-96-904 need not be exhausted if a contractor wishes to challenge the legal validity of a statute, rule, contract provision or policy statement. [Statutory Authority: RCW 74.09.120. 82-21-025 (Order 1892), § 388-96-901, filed 10/13/82; Order 1262, § 388-96-901, filed 12/30/77.]

WAC 388-96-902 Recoupment of undisputed overpayments. The department is authorized to withhold from the nursing home current payment all amounts found by preliminary or final settlement to be overpayments not identified by the nursing home and challenged as overpayments as part of a good-faith administrative or judicial review. Contested amounts retained by the nursing home pursuant to this section may be subject to recoupment by the department from the nursing home current payment upon completion of judicial and administrative review procedures to the extent the department's position or claims are upheld. [Statutory Authority: RCW 74.09.120. 82-11-065 (Order 1808), § 388-96-902, filed 5/14/82.]

WAC 388-96-904 Administrative review process.

(1) Within thirty days after a contractor is notified of an action or determination it wishes to challenge, it shall request in writing that the director, bureau of nursing home affairs or his or her designee (director, BNHA) review such determination. The request shall be signed by the contractor or the licensed administrator of the facility, shall identify the challenged determination and

the date thereof, and shall state as specifically as practicable the issues and regulations involved and the grounds for its contention that the determination is erroneous. Copies of any documentation on which the contractor intends to rely to support its position shall be included with the request.

(2) After receiving a timely request meeting the criteria of this section, the department will contact the contractor to schedule a conference for the earliest mutually convenient time. The conference shall be scheduled for no later than thirty days after a properly completed request is received unless both parties agree in writing to a specific later date. The conference may be conducted by telephone unless either the department or the contractor requests in writing that the conference be held in person.

(3) The contractor and appropriate representatives of the department shall participate in the conference. In addition, representatives selected by the contractor may participate. The contractor shall bring to the conference, or provide to the department in advance of the conference, any documentation requested by the department which the contractor is required to maintain for audit purposes pursuant to WAC 388-96-113 and any documentation on which it intends to rely to support its contentions. The parties shall clarify and attempt to resolve the issues at the conference. If additional documentation is needed to resolve the issues, a second session of the conference shall be scheduled for not later than thirty days after the initial session unless both parties agree in writing to a specific later date.

(4) Regardless of whether agreement has been reached at the conference, a written decision by the director, BNHA or his or her designee will be furnished to the contractor within sixty days after the conclusion of the conference.

(5) If the contractor desires review of an adverse decision of the director, BNHA, or his or her designee, it shall within thirty days following receipt of such decision request a fair hearing in writing in accordance with the Administrative Procedure Act, chapter 34.04 RCW. [Statutory Authority: RCW 74.09.120. 82-21-025 (Order 1892), § 388-96-904, filed 10/13/82; Order 1262, § 388-96-904, filed 12/30/77.]

(a) The medical expense must be a current liability of the individual or financially responsible relative in the same household. See WAC 388-92-025(4).
