WAC

- 434-08-010 Advisory election upon contemplation of classification advancement.
- 434-08-020 Remedial steps—Third class city under mayor-council government.
- 434-08-030 Determination of original terms of councilmen—Second, third, or fourth class city or town.
- 434-08-040 Appointment of clerks.
- 434-08-050 Restrictions on write-in or sticker votes.

WAC 434-08-010 Advisory election upon contemplation of classification advancement. Any second or third class city contemplating advancement to the rank of first class city under charter government, may hold a preliminary advisory election to determine the wishes of the electorate concerning the advancement of classification under the following qualifications:

(1) Such preliminary advisory election must be held on the day of a regular city primary or city general election.

(2) The resulting votes on said question shall be advisory only and not binding upon the governing body of said city. [Regulation 1, filed 3/24/60.]

WAC 434-08-020 Remedial steps—Third class city under mayor-council government. Whenever any third class city operating under the mayor-council form of government shall inadvertently advise candidates subject to a city primary that four councilmanic positions are to be filled, each for a four year term, when by law only three councilmanic positions are to be filled for a four year term and the fourth position is to be filled for a two year term and the filing period is closed, then the following remedial steps shall be taken:

(1) The city clerk shall cause all names of candidates to appear in alphabetical sequence on the city primary ballot under the heading "councilman" (vote for four). No term of office shall be designated on the ballot.

(2) After the primary has been held, the city clerk shall cause the names of the eight candidates receiving the most votes at the city primary to appear on the city general election ballot in order of most votes received.

The position designation shall be the same as appeared on the city primary ballot.

(3) The votes cast for candidates at the city general election shall be interpreted as follows:

(a) The three candidates receiving the greatest number of votes shall be assigned each a term of four years.

(b) The candidate ranked fourth in order of votes received shall be assigned a term of two years and said position shall be designated at all future elections as "councilman-at-large."

(c) In the event two or more candidates receive the same number of votes for the fourth position, then said tie shall be determined by lot. [Regulation 2, filed 3/24/60.]

WAC 434-08-030 Determination of original terms of councilmen--Second, third, or fourth class city or town. When any second, third or fourth class city (or town) newly organized under the mayor-council or council-manager forms of government shall hold its first regular election subsequent to its organization election, the staggering of the original terms of councilmen shall be determined as follows:

(1) **Second class city (mayor-council):** Of the twelve councilmen elected, the six councilmen receiving the greatest number of votes shall be assigned four year terms while the remaining six councilmen shall be assigned two year terms. Thereafter, at all subsequent regular elections, the terms of all councilmen shall be set as four years.

(2) **Third class city (mayor-council):** Of the seven councilmen elected, the three councilmen receiving the greatest number of votes shall be assigned terms of four years while the remaining four councilmen shall be assigned terms of two years. Thereafter, at all subsequent regular elections, the terms of all councilmen shall be set as four years, except the position of councilman-at-large which shall remain at two years.

(3) **Fourth class city (or town) (mayor-council):** Of the five councilmen elected, the three councilmen receiving the greatest number of votes shall be assigned terms of four years while the remaining two councilmen shall be assigned terms of two years. Thereafter, at all subsequent regular elections, the terms of all councilmen shall be set as four years.

(4) **Second, third and fourth class cities organized under the council-manager plan:** The staggering of terms of councilmen shall be as set forth by RCW 35.18.020 (relating to existing cities adopting council-manager plan). [Regulation 3, filed 3/24/60.]

WAC 434-08-040 Appointment of clerks. In each precinct containing one hundred or more registered voters and wherein paper ballots alone are voted, the inspector and judges, before the opening of the polls, shall appoint two registered voters to act as clerks: *Provided, however, That:*

(1) The election officer (county auditor, city, town or district clerk, as the case may be) having jurisdiction of the election concerned, may designate at what hour the clerks shall report for duty.

(2) Said hour of start of duty for the clerks may vary among the precincts according to the discretion of the election officer having jurisdiction. [Regulation 4, filed 3/24/60.]

WAC 434-08-050 Restrictions on write-in or sticker votes. No write-in or sticker vote cast on a partisan office at any primary or election shall be valid or counted unless the voter has restricted his choice to one of the political parties appearing upon said ballot.

In other words, the voter may write in names of candidates who do not appear upon the ballot, but not names of political parties. [Regulation 5, filed 3/24/60.]

The request for review shall specifically refer to, or be accompanied by, a copy of the written statement by the public records officer, or other staff member, which constituted or accompanied the denial.

(2) Immediately after receiving a request for review of a decision denying a public record, the public records officer or other staff member denying the request shall refer it to the secretary of state, or in his absence, a designee of the secretary of state. The secretary of state or designee, as the case may be, shall immediately consider the matter and either affirm or reverse such denial. In any case, the request shall be returned with a final decision, within two business days following the original denial.

(3) Administrative remedies shall not be considered exhausted until the secretary of state or his designee has returned the petition with a decision or until the close of the second business day following denial of inspection,

whichever first occurs. [Order 74-2, § 434-12A-120, filed 2/19/74.]

[Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-010, filed 11/1/83.]

Such a request may be included in the resolution calling for the special election adopted pursuant to RCW 29-13.010 or 29.13.020, or it may be done by separate resolution. Not less than forty days prior to the date for which a mail ballot special election has been requested, the county auditor shall inform the requesting jurisdiction, in writing, that either (1) the request for the mail ballot special election is granted, pending approval of an election plan by the secretary of state, or (2) that the request for the mail ballot special election is not granted, for reasons specified. At the same time, the county auditor shall mail to the secretary of state a copy of the resolution for the mail ballot special election and a copy of the auditor's response. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-030, filed 11/1/83.]

A county auditor planning to conduct mail ballot special elections shall, not less than sixty days prior to the first such election, submit a standard mail ballot special election plan to the secretary of state. This plan shall remain on file in the office of the secretary of state and shall remain in effect for all mail ballot special elections unless amended by the county auditor. The election plan shall be in check list form and shall specify the number of days before the election when certain activities are expected to be completed. The checklist may contain other activities, in addition to those listed here and may be arranged in a different chronological order, but otherwise shall be in substantially the following form:

| DAYS PRECEDING THE ELECTION | ACTIVITY |
|--------------------------------|---|

The standard mail ballot election plan may be amended at any time up to thirty-five days before the date of any mail ballot special election by notifying the secretary of state, in writing, of any changes. In addition to the standard mail ballot special election plan, the county auditor shall, for the first three mail ballot special elections in his or her county, provide the secretary of state with the following material:

- (1) A brief narrative of the arrangements made with the postal authorities;
- (2) A copy of the ballot layout, including the ballot title(s);
- (3) A brief narrative of the procedures to be followed from the time the ballots are received until they are tabulated;
- (4) A floor plan of the working area where ballots will be processed, including approximate dimensions;
- (5) Samples of ballot materials, instructions, legal notices, press releases, newspaper articles, and any other printed materials as they become available; and

WAC 434-36-050 Review of the plan by the secretary of state. (1) Within five business days after the receipt of a standard mail ballot special election plan, an amendment to a special election plan, or election materials for a specific election, the secretary of state shall review the plan. If the secretary of state finds that, in his or her judgment, elements of the election plan, amendments to a plan, or election materials do not adequately provide for secrecy of the ballots, prevention of fraud, or the accurate processing and canvassing of ballots, he or she shall immediately notify the county auditor of these exceptions. The county auditor and the secretary of state shall attempt to reach mutually acceptable modifications to the election plan, amendments to a plan, or election materials. In the event that no mutually acceptable agreement is reached, the secretary of state shall notify

the county auditor, in writing, that he or she takes formal exception to the disputed elements of the plan, amendment to a plan, or election materials and of the reasons for his or her objections. He or she shall also provide copies of that notification to the other members of the county canvassing board and, if he or she deems appropriate, to the governing body of any jurisdiction for which a mail ballot special election has been scheduled in that county.

(2) The secretary of state may not take formal exception to any policies, procedures, or materials developed by the county auditor for the conduct of a mail ballot special election which do not directly affect secrecy of the ballot, prevention of fraud, or accurate processing and canvassing of the ballots. He or she may recommend changes to these policies, procedures, or materials where, in his or her judgment, such changes would improve the administration of the election. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-050, filed 11/1/83.]

WAC 434-36-060 Notice of election. In any mail ballot special election, the notice of election published pursuant to RCW 29.27.080 shall include the following:

- (2) The names and addresses of all candidates; and
- (3) The ballot titles of all ballot measures.

The notice shall also list:

- (a) The precincts that are voting by mail ballot only;
- (b) The location where voters may obtain replacement ballots; and
- (c) The location(s) where unmailed ballots may be deposited between the hours of 7:00 a.m. and 8:00 p.m. on the day of the election.

The auditor shall additionally notify local radio, television, and newspapers, if applicable, that the election is to be conducted by mail ballot only. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-060, filed 11/1/83.]

WAC 434-36-070 Delivery of ballot to voter. Not sooner than twenty-five days nor later than fifteen days before any mail ballot special election, the county auditor shall send to each registered voter in the election district a ballot, a return envelope, a ballot security envelope, and instructions regarding the mail ballot election. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-070, filed 11/1/83.]

WAC 434-36-080 Envelope specifications. All ballots, ballot security envelopes, and return envelopes shall be of uniform color and size for each jurisdiction conducting a mail ballot special election. The county auditor may, however, use ballots, security envelopes, and return envelopes of uniform size for all jurisdictions conducting a mail ballot special election should he or she so desire. The envelope in which the ballot is mailed to the voter shall be clearly marked, "DO NOT FORWARD — RETURN TO SENDER — RETURN POSTAGE GUARANTEED." The return envelope shall bear the address of the issuing

officer and the words, "OFFICIAL BALLOT — DO NOT DELAY" prominently displayed on the front, and shall also bear the words "POSTAGE REQUIRED" in the upper right hand corner. The envelope shall contain a space for the voters name and address to be listed and shall also contain the following statement:

I, the undersigned, hereby state that I am a registered voter in Washington; that I am entitled to vote in this election; that I have not voted another ballot; and that I have completed this ballot in secret. I further understand that any person attempting to vote when he or she is not entitled or who falsely signs this affidavit shall be guilty of a felony, punishable by imprisonment of not more than five years or a fine of not more than five thousand dollars, or both such fine and imprisonment.

(date of oath)

[Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-080, filed 11/1/83.]

WAC 434-36-090 Instructions to voters. Instructions shall be included with the mail ballot, the return envelope, and ballot envelope delivered to the voter. The instructions shall detail the mechanical process which must be followed in order to properly cast the ballot. The instructions shall also:

- (1) Advise the voter that the election is to be by mail ballot, the amount of postage required on the return envelope, and that regular polling places will not be open;
- (2) List the location of the place where the voter may obtain a replacement ballot if his or her ballot is destroyed, spoiled, or lost;
- (3) List the location of the place(s) where the voter may deposit his or her ballot on election day in the event the ballot is not mailed;
- (4) Advise the voter that in order for his or her ballot to be counted it must be either postmarked not later than the day of the election or deposited at the designated place between the hours of 7:00 a.m. and 8:00 p.m. on the day of the election;
- (5) Advise the voter that his or her ballot must be marked in secret; and
- (6) Advise the voter that any person attempting to vote when he or she is not entitled or who falsely signs the affidavit shall be guilty of a felony, punishable by imprisonment for not more than five years or a fine of not more than five thousand dollars, or both such fine and imprisonment. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-090, filed 11/1/83.]

WAC 434-36-100 Depositing of ballots. Ballots may be deposited in the auditor's office at any time, during normal business hours, prior to the day of the election and from 7:00 a.m. to 8:00 p.m. on election day. The county auditor shall designate at least one other place of deposit within the jurisdiction holding the mail ballot special election whenever, in his or her judgment,

having only the auditor's office as a place of deposit would unduly inconvenience the voter. If other places of deposit are designated, each shall be staffed by an employee of the auditor's office or by another person designated by the auditor. The person designated by the auditor shall not be an employee of the jurisdiction conducting the special election and shall subscribe to an oath regarding the discharge of his or her duties, administered by the county auditor. All designated place of deposit shall be open from 7:00 a.m. until 8:00 p.m. on the day of the election and shall have a secure ballot box. The ballot box shall be constructed in such a manner that return envelopes, once deposited, may be removed only by the county auditor or the person appointed to staff the place of deposit. That person shall ensure that the affidavit on the return envelope is signed before the ballot is deposited in the ballot box. On election day, the person(s) staffing the designated place(s) of deposit shall place their initials and time of deposit on the return envelope. [Statutory Authority: 1983 1st ex.s. c 71, 83-22-055 (Order 83-2), § 434-36-100, filed 11/1/83.]

WAC 434-36-110 Obtaining replacement ballots. Each county auditor shall designate his or her office or any other location within the jurisdiction requesting the mail ballot special election as the single place where voters may obtain a replacement ballot. Any voter seeking a replacement ballot must, prior to 8:00 p.m. on election day, return the original ballot if it was spoiled and sign a sworn statement in substantially the following form:

The county auditor shall maintain a record of each replacement ballot so issued. Any absentee ballot request made wherein the voter lists an address different from that to which his or her mail ballot has been or is to be mailed shall be handled as provided by RCW 29.36.030. [Statutory Authority: 1983 1st ex.s. c 71, 83-22-055 (Order 83-2), § 434-36-110, filed 11/1/83.]

WAC 434-36-120 Unsigned affidavit. If the voter neglects to sign the affidavit on the return envelope, the auditor shall notify the voter, either by telephone or by first class mail, of that fact. He or she shall advise the voter that, in order for the ballot to be counted, the voter must appear in person at the auditor's office not later than 8:00 p.m. on election day. A record shall be kept on the return envelope of the date on which the voter was contacted or on which the notice was mailed. Any notice by mail shall be in substantially the following form:

Dear Voter:

[Statutory Authority: 1983 1st ex.s. c 71, 83-22-055 (Order 83-2), § 434-36-120, filed 11/1/83.]

WAC 434-36-130 Signature verification--Personnel. A mail ballot shall be counted only if:

- (1) It is returned in the return envelope;
- (2) The envelope is signed by the registered voter to whom it was issued;
- (3) The signature has been verified by the county auditor; and
- (4) It is postmarked not later than the day of the election or deposited not later than 8:00 p.m. on election day.

The auditor must compare the signature on the return envelope with the voter's signature as it appears on the voter registration card, and shall hire as many persons as he or she deems necessary to assist in this process. All personnel assigned to the duty of signature verification

shall subscribe to an oath regarding the discharge of his or her duties, administered by the county auditor. The auditor shall instruct his or her employees in the signature verification process prior to actually canvassing any signatures and may request that local law enforcement officials instruct those employees in techniques used to identify forgeries. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-130, filed 11/1/83.]

WAC 434-36-140 Verification of signatures--Process. If the auditor determines that the signature on the return envelope matches that on the voter registration card, he or she shall indicate on the envelope that a signature comparison has been made. No indication of a voter having cast a ballot shall be made on the voter registration file until a signature comparison has been made. In the event the auditor determines that the signatures do not match, or that the voter has voted more than once, he or she shall refer all such ballots and any other related materials to the county canvassing board. No ballot so referred shall be counted unless subsequent investigation reveals it to be a valid ballot and the canvassing board directs the auditor to accept it. The signature verification process shall be open to the public, subject to reasonable procedures promulgated by the county auditor to insure that order is maintained and to safeguard the integrity of the process. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-140, filed 11/1/83.]

WAC 434-36-150 County canvassing board. The county canvassing board shall examine each ballot and related material referred by the auditor and shall determine whether or not the ballot is to be counted. The canvassing board may employ local law enforcement officials or any other persons they deem necessary to assist them in this effort. In the event the canvassing board determines that the ballot is to be counted, they shall direct the county auditor to do so. In the event the canvassing board determines that the signature on the ballot was not made by the voter to whom the ballot was issued or that the voter has attempted to vote more than once, they shall direct the auditor to refer all such ballots and related materials to the prosecuting attorney. The county auditor must also notify the attorney general of any persons attempting to vote more than once. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-150, filed 11/1/83.]

WAC 434-36-160 Master list of voters. The county auditor shall maintain in his or her office a list of all voters eligible to vote in any mail ballot election. An indication shall be made on this master list of the status of all ballots returned and verified, and this list shall be available for public inspection and copying at a reasonable cost. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-160, filed 11/1/83.]

WAC 434-36-170 Logic and accuracy test. At least three days before any mail ballot special election, if an

electronic vote tallying system is to be used, the auditor shall conduct a logic and accuracy test of all programming. Wherever applicable, this test shall be conducted in accordance with RCW 29.34.163, except that the secretary of state need not be present. The test shall be repeated immediately prior to any tabulation of ballots on election day. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-170, filed 11/1/83.]

WAC 434-36-180 Tallying of ballots. The county canvassing board, upon the request of the county auditor, may direct that, after 12:00 noon on election day, mail ballots on hand be counted. Any such count made prior to 8:00 p.m. must be done in secret and the results not revealed until after 8:00 p.m. Whenever any ballot is to be counted, the county auditor shall ensure that at least three election officers are present. Such officers shall be appointed as provided by RCW 29.45.010. Any violation of the secrecy of the count shall be subject to the penalties provided in RCW 29.54.035. During either the early count of ballots or the regular tabulation of ballots on election night in counties using electronic voting devices, political party observers may select up to ten precincts and count by hand either the total number of ballots or the total number of votes cast for any single office or issue. This hand count may take place at any time after the ballots have been officially tabulated by the electronic vote tallying system, but must take place prior to the official certification of the election results. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-180, filed 11/1/83.]

WAC 434-36-190 Canvassing of ballots. Except as otherwise provided by law, mail ballots shall be canvassed in the same manner as absentee ballots issued at the request of the voter. To be counted such mail ballots must be deposited at the designated place not later than 8:00 p.m. on election day or postmarked not later than the day of the election. In the event the postmark is missing or illegible, the county canvassing board may rely on the date of the oath signed by the voter on the outside of the return envelope. Any mail ballot may be challenged in the same manner as absentee ballots are challenged, and the county canvassing board must determine that any challenged ballot is valid before it may be counted. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-190, filed 11/1/83.]

WAC 434-36-200 Maintenance of records. Each county auditor conducting a mail ballot special election shall maintain and retain complete documentation of that election. The documentation maintained shall include, but not be limited to, the following:

- (1) A copy of the resolution calling for the mail ballot election;
- (2) A copy of the legal notice identifying the election as a mail ballot election;
- (3) The return envelopes which have been marked to indicate the signature had been verified;

(4) The sworn statement of each voter issued a replacement ballot; and

(5) The master list indicating which voters cast ballots.

The retention period for this material and for the ballots themselves shall be the same as for absentee ballots, or until the resolution of any litigation arising out of the mail ballot election. Ballots and all related material shall be held in secure storage both before they are mailed and after they are returned. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-200, filed 11/1/83.]

WAC 434-36-210 Report to the secretary of state. Not later than seven calendar days following the official canvass of any mail ballot special election, the county auditor shall report the results of that election to the secretary of state. Included in that report shall be:

- (1) The total number of eligible voters in the district;
- (2) The total number of ballots mailed;
- (3) The total number of ballots returned (listing those returned by mail and by deposit as separate sub-totals);
- (4) The total number of replacement ballots issued (with separate sub-totals for destroyed, lost, spoiled or not received original ballots);
- (5) The total number of ballots accepted as valid and counted;
- (6) The total number of ballots rejected; included in the rejected ballot total shall be sub-totals listing:
 - (a) The number of ballots received late;
 - (b) The number of ballots rejected because the return envelope bore no signature;
 - (c) The number of ballots rejected because the signature on the return envelope was not that of the registered voter to whom the ballot was issued; and
 - (d) The number of ballots rejected because the voter attempted to vote more than once;
- (7) The official results of the election; and
- (8) An itemization of the cost of the mail ballot special election to the jurisdiction which requested it.

The auditor shall retain a copy of this report in his or her files, and shall provide a copy to the jurisdiction for which the mail ballot special election was conducted. [Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-210, filed 11/1/83.]

Requests for specific filing dates not more than thirty days in advance will be observed; documents must be received in proper order with correct fees by the specified date.

(3) Information requests are processed in order of date of receipt, when related to active files. However, inquiries requiring search of nonactive or archived files are processed on a time-available basis. (1) Same-day processing of corporate documents is available during counter-service hours (8:30-11:30 a.m., 1:00-3:30 p.m.) at the offices of the corporations division. Expedited services available include charter document review and filing, name reservation review and filing, document certification, document copying, processing of service-of-process filings, trademark filings and other services related to corporation records and filings. Special service fees apply to same-day services.

(2) Fees for same-day services provided in-person, over-the-counter at the corporations division are as follows:

(a) A copy of corporate or other records: Five dollars expedited service fee plus statutory fees (one dollar for first page copied, twenty cents per page thereafter);

(b) Certificate or certified copies: Five dollars expedited service fee, plus statutory fee (\$5.00 each certificate, plus twenty cents per page copied);

(c) Same-day processing of corporate charter documents, such as articles of incorporation, amendments, mergers, dissolutions, qualification of foreign corporation: Ten dollars expedited service fee per document, plus statutory fees for the form of the filing;

(d) Same-day processing of name reservation or registration requests: Ten dollars expedited service fee, plus regular statutory filing fee for each action or document processed;

(e) Processing of trademark filing, same-day basis: Ten dollars expedited service fee, plus statutory fee for the form of the filing, for each action or document processed;

(f) Processing of service-of-process on the secretary of state under Title 23A RCW or RCW 46.64.040, on a same-day basis: Ten dollars expedited service fee, plus statutory \$25.00 service-of-process fee, for each action or document filed;

When a request qualifying as an emergency is received by the agency, the agency will notify the requestor of the emergency service fee. The requestor must agree to the fee and any other reasonable conditions set by the agency before emergency services will be provided. Emergency requests require intensive amounts of agency effort for a short period, and will not be accepted by the agency except under exigent and compelling circumstances.

(4) Because of limited staff, the corporations division reserves the right to limit the availability of counter service or to limit the number of service requests submitted by one person during one day. Generally, the agency will limit to three the separate service requests which may be submitted by one person in one day. In

the case of documents submitted by courier services or document-handling companies, no more than five separate service requests may be submitted per day for handling the same day unless alternate arrangements have been made with the agency or unless agency workload permits.

(a) In-person inspection or review of corporate or other public records located at the corporation division offices;

(b) Documents or other service requests left at the corporations division for regular, nonexpedited processing. WAC 434-50-040 Miscellaneous charges--Special service fees. (1) Dishonored checks. If a person, corporation or other submitting entity has attempted to pay any fee due to the secretary of state by means of a check, and the check is dishonored by the financial institution when presented, the secretary of state will impose a seven-dollar reprocessing fee, payable to the secretary of state.

In the event a valid replacement check and dishonor charge is not received in the office of the secretary of state within the time prescribed by its accounting division, the transaction covered by the dishonored check will be cancelled and all other late filing fees and penalties will be instituted.

(2) Error in document--Resubmission fees. If a person, corporation or other entity submits a document for filing to the office of the secretary of state and the document contains one or more of the errors listed below, subsections (a)-(e), a three-dollar resubmittal fee to cover postage and handling will be charged each time the office of the secretary of state must return the documents to sender for correction or completion and the corrected documents are subsequently resubmitted to the office of the secretary of state for action. Reasons for document rejection which will trigger a resubmission fee are:

(a) Submission corporate charter document(s) lacking required signature(s) on any copy of the document, or not accompanied by supportive documents, such as certificate of good standing, second set of charter documents;

(b) Submission of corporate charter document(s) without required filing or license fees;

(c) Submission of corporate charter documents which fail to state a registered office address or to appoint a registered agent, if the document filing is of a type which requires such designation (i.e., articles of incorporation), or if agent's signed consent to serve is not included;

(d) Submission of articles of incorporation wherein the name of the corporation is not consistently spelled in

the same manner throughout the articles (i.e., where page one refers to the "ABC Company," but page six refers to "ABCD Company").

(e) Submission of documents wherein the capital value is inconsistent or which fail to set an aggregate value for nonpar shares.

(3) The office of the secretary of state may provide certain photocopies or services free of charge as a cost-effective measure and convenience of office administration. [Statutory Authority: 1982 c 35 §§ 67, 114, 159 and 187. 82-16-059 (Order 82-1), § 434-50-040, filed 7/30/82.]

WAC 434-50-045 Fee prepayment, when required.

(1) The following fees due to the office of the secretary of state must be prepaid (check or money submitted concurrently with the document(s)) before action can be taken:

(a) Filing fees, under Titles 23A, 18, 23 and 24 RCW;

(b) Corporate annual license fees;

(c) Trademark filing fees;

(d) Special service fees for expedited document processing;

(e) Service-of-process fees;

(f) Copy or copying charges;

(g) Certificate or certified copy charges;

(h) Special archival search service fees;

(i) Document resubmission fees or dishonored check fees;

(j) Purchase of publications, such as the corporate laws or microfiche subscription.

(2) Anyone desiring a certificate, certified copies or photocopies or other service for which the statutes have set a variable rate may send in his request accompanied by a check made payable to the "secretary of state," with the phrase "not to exceed (specified dollar amount)" above the space intended for the written dollar amount. The clerk who processes the request will fill in the exact fee amount, and a memo indicating the exact amount filled in on the check will accompany the returned certificate or other document. [Statutory Authority: 1982 c 35 §§ 67, 114, 159 and 187. 82-16-059 (Order 82-1), § 434-50-045, filed 7/30/82.]

WAC 434-50-050 Original signature requirement--Original retained. RCW 23A.04.010(16) and related

sections in the Washington profit and nonprofit corporation statutes permit documents which are to be submitted to the office of the secretary of state in duplicate original form to be submitted as "one original with original signatures and one copy thereof." In the case of documents submitted with only one original-signature version and one copy thereof, the office of the secretary of state will retain as its official file copy the document version bearing the original signature(s), and will return to the submitter that document version bearing the copy of the signature(s). [Statutory Authority: 1982 c 35 §§ 67, 114, 159 and 187. 82-16-059 (Order 82-1), § 434-50-050, filed 7/30/82.]

WAC 434-50-055 Registered office address--Requirements. By law, the registered office address for a corporation registered in Washington state must be at a geographic location in this state. However, a post office box address may be used in conjunction with the registered office address. A post office address may be used when: (1) The U.S. Postal Service cannot or will not deliver to the "street address," and the agent will therefore not receive mail communications from the office of the secretary of state, including the annual license fee billing; and

(2) The post office box address the agent desires to use is in the same Washington city or town as the registered office address; and

(3) The agent notifies the office of the secretary of state and the corporation of any changes in address, whether of the official registered office address or of the mail (post office box) address. [Statutory Authority: 1982 c 35 §§ 67, 114, 159 and 187. 82-16-059 (Order 82-1), § 434-50-055, filed 7/30/82.]

WAC 434-55-015 Filing office location and address. (1) Effective October 1, 1982, limited partnership filings under chapter 25.10 RCW are to be made at the Office of the Secretary of State, Olympia, Washington, rather than at the offices of the respective county clerks.

(2) Effective October 1, 1982, limited partnership filings will be handled by the corporations division of the office of the secretary of state.

(3) Mail address for the corporations division is: Corporations Division, Office of the Secretary of State,

Olympia, WA 98504. Use of any other address may delay mail delivery.

(4) The offices of the corporations division are located at 500-A State Modular Office Building, Airdustrial Way and Armstrong Street SW, Tumwater, Washington. WAC 434-55-016 Office hours. (1) Hours of operation for personnel in the division are 8:00 a.m. to 12 noon and 1:00 to 4:30 p.m., Monday through Friday.

(2) Over-the-counter or walk-in, same-day processing of documents is available only between 8:30 - 11:30 a.m. and 1:00 to 3:30 p.m. each day. Documents can be received, but not processed on a same-day basis, at other times when the office is open. Same-day or expedited counter service is available at other hours only under exigent circumstances or by approval of the supervisor of corporations.

(3) Certain expedited or over-the-counter services are subject to the special service fees established elsewhere in these regulations. [Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-016, filed 10/6/82.]

WAC 434-55-020 Domestic limited partnerships--Requirements for filing. (1) A domestic limited partnership certificate will be accepted for filing when duplicate originals thereof which comply with the requirements of the 1981 Washington Uniform Limited Partnership Act are submitted to the secretary of state with applicable fees as established in these regulations. See RCW 25.10.080.

(2) The limited partnership certificate must set forth at a geographic address in this state the specified office at which records will be kept pursuant to RCW 25.10.050. The specified office address may be, but is not required to be, identical to the specified agent's address.

(3) The limited partnership certificate must set forth an address of the specified agent which is at a specific geographic location in this state, identified by number, if any, and street or building address or rural route, or, if a commonly known street or rural route address does not exist, by legal description. A specified agent's address may not be identified solely by post office box number or other nongeographic address. For purposes of mail communications from the secretary of state, the secretary of state will permit the use of a post office address in conjunction with a specified agent's street address, provided the post office box address is in the same Washington city as the street address.

(4) The limited partnership certificate submitted to the secretary of state should leave at least 2.5 vertical

inches of space at the top of the first page of the certificate. This space will be used by the secretary of state to indicate the filing acceptance and filing date of the certificate. [Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-020, filed 10/6/82.]

WAC 434-55-030 Filing domestic limited partnerships—Optional index sheet. A new domestic limited partnership filing may use an index sheet or cover sheet to assist the secretary of state's review of the documents presented for filing.

The index sheet shall list the following in this order, and provide a reference to the page number of the underlying document on which the information requested will be found:

- (1) The name of the limited partnership;
- (2) The general character of its business;
- (3) The specified office address;
- (4) The specified agent's name and address;
- (5) The page or pages of the underlying document whereon the names and addresses of partner(s) are identified;
- (6) The time at which and any earlier events upon the happening of which the limited partnership is to be dissolved and its affairs wound up; and
- (7) The page or pages on which executing signatures are located.

The index cover sheet shall be signed by a partner or agent of the partnership. The index sheet may be, but is not required to be, submitted in duplicate. [Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-030, filed 10/6/82.]

WAC 434-55-035 Foreign (out-of-state) limited partnerships—Requirements for filing. (1) A foreign limited partnership must identify a specified office and a specified agent in the same manner as set out in WAC 434-55-025.

(2) A foreign limited partnership will be accepted for filing and issuance of a certificate of registration when it submits:

- (a) An application in compliance with the requirements of RCW 25.10.490 - 25.10.510, and
- (b) The requisite fees for filing.
- (3) The secretary of state does not presently provide forms for the application for a certificate of registration of a foreign limited partnership.

(4) A foreign limited partnership which in its application designates the secretary of state as its only specified agent must maintain at the secretary of state's office a current address of its principal place of business in its home state and current address(es) of its general partner(s). Such addresses must be maintained in a current manner so as to facilitate the secretary of state's forwarding of any documents it receives as specified agent. Failure to maintain such current addresses at the secretary of state's office may be cause for involuntary revocation of the certificate of foreign limited partnership. [Statutory Authority: RCW 25.10.600 - 25.10.610,

1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-035, filed 10/6/82.]

WAC 434-55-040 Execution of documents, duplicate originals and reproduction quality. (1) At any time that the statute requires a limited partnership document filing with the secretary of state to be in duplicate form, the secretary of state will accept the following:

- (a) Two original copies, each with original signatures; or
- (b) Two original copies, one with original signatures and one with true and correct copies of the original signatures; or
- (c) One original with original signatures and a true and correct photocopy thereof.

In the case of duplicate originals submitted with only one original and one copy thereof, the secretary of state will retain as its official file copy the certificate or document with original signatures and will return to the limited partnership for its records the document version bearing copied signatures.

(2)(a) Certificates for domestic limited partnerships shall be executed as provided in RCW 25.10.110.

(b) Filings for foreign limited partnerships must be signed and sworn to by at least one general partner of the foreign limited partnership. The secretary of state will accept as a "sworn" document an application or amendment witnessed or attested to by an appropriate notary or official of the foreign limited partnership's home state, or a statement that the signature of the general partner is executed under penalties of perjury, and is, to the best of his or her knowledge, true and correct.

(3) All documents presented to the secretary of state for filing under the limited partnership act shall be of no larger size than standard legal paper (8-1/2 x 14). The materials shall be submitted in form and quality which is suitable for future microfilming or reproduction by a similar photographic process. The secretary of state will not accept documents for filing which are not typed, or with illegible text and signatures. [Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-040, filed 10/6/82.]

WAC 434-55-050 Name reservation or registration.

A name for a limited partnership may be reserved by filing an application therefor and paying the applicable fee. The applicant may use the secretary of state's regular form for reservation of name, or may submit a written request. A written request must identify the name desired, the fact that it is requested for a limited partnership, the entity for which the name is to be reserved, the agent making the request and his/its address, and must be signed by the agent, partner or other authorized representative of the limited partnership.

In view of the increasing competition for business names, persons making name reservation requests are advised to submit up to three prioritized names per request. The secretary of state will review the names requested in order of priority indicated and will reserve the

available name of highest priority. If no name reservation can be accepted, the reservation fee is returned to the requestor. [Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-050, filed 10/6/82.]

WAC 434-55-055 Pre-October 1, 1982, limited partnership filings. (1) Except as otherwise provided by law or these regulations, limited partnership filings originally made at the respective county clerks' offices before October 1, 1982, shall be deemed to be filings at the secretary of state's office, and shall continue in full force and effect as when previously filed at the respective county clerks' offices. No additional registration or re-filing shall be required for pre-October 1, 1982, limited partnerships.

(2) Pre-October 1, 1982, conflicts between limited partnership names in the separate 39 counties' files, between filings in the same county, and between pre-October 1, 1982, limited partnership filings and active corporation filings since 1889 render a satisfactory integration of pre-October 1, 1982, limited partnership filings into the corporate name protection system impossible. Except as provided below, the secretary of state will therefore not consider or research the name of any pre-October 1, 1982, limited partnership in determining whether a proposed name for a post-October 1, 1982, limited partnership is acceptable under RCW 25.10.020. The post-October 1, 1982, name will be checked as against other post-October limited partnership names and the names of active profit and nonprofit corporations registered at the office of the secretary of state.

Nothing in this section is intended to limit any judicial remedies which may be available to a pre-October 1, 1982, limited partnership for protection of its business name. In addition, if the probable existence of a name conflict between (a) a specific pre-October 1, 1982, limited partnership, and (b) a post-October 1, 1982, limited partnership filing that would have been filed in that same county if the centralized system had not been established, is brought to the attention of the secretary of state, the secretary of state may determine that an unacceptable conflict exists and/or would be perpetuated if the proposed name of the post-October 1, 1982, limited partnership were accepted. Under those circumstances, the secretary of state may refuse to accept the proposed name without modification, or without consent of the existing pre-October 1, 1982, limited partnership, sufficient to comply with RCW 25.10.020.

(3) Pre-October 1, 1982, limited partnerships are not prohibited from "refiling" under chapter 25.10 RCW. Such optional "refiling" is accomplished by submitting a regular certificate/application as outlined in chapter 25.10 RCW and WAC 434-55-020 - 434-55-035. However, a "refiling" limited partnership is not guaranteed the use of its pre-October 1, 1982, name. [Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-055, filed 10/6/82.]

WAC 434-55-060 Document filing fees--Limited partnerships. The following fees are due and must be submitted concurrently with the limited partnership documents presented to the secretary of state for filing under the Washington Uniform Limited Partnership Act:

- (1) Filing of a certificate of limited partnership for a domestic or foreign limited partnership: \$65.00 with index sheet, \$100.00 without (domestics); \$65.00 (foreigners)
- (2) Filing of a certificate of cancellation for a domestic or foreign limited partnership: \$10.00
- (3) Filing of a certificate of amendment for a domestic or foreign limited partnership: \$25.00

WAC 434-62-005 Authority and purpose. These rules are adopted pursuant to RCW 29.04.080 and chapter 34.04 RCW in order to establish uniform procedures governing the canvass of primaries and elections, general and special, and to ensure the accurate and timely certification of those election returns. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-005, filed 10/3/80.]

WAC 434-62-010 Definitions. As used in these regulations:

(1) "Canvassing" is that process of examining in detail a ballot, groups of ballots, election subtotals, or

grand totals, in order to determine the final official returns of a primary, special, or general election, and to safeguard the integrity of the election process.

(2) "County canvassing board" is that body charged by law with the duty of canvassing absentee ballots, of ruling on the validity of questioned or challenged ballots, of the verifying all unofficial returns as listed in the auditor's abstract of votes, and the producing of the official county canvass report; it shall be composed of the county auditor, prosecuting attorney, and chairman of the board of the county legislative authority, or their designated representatives.

(3) "Preliminary abstract of votes" is that report prepared by the county auditor which lists registered voters, votes cast, and all vote totals by precinct, or by combination of precincts if applicable, but it shall not include any absentee ballot totals or any subtotals or county-wide totals.

(4) "Auditor's abstract of votes" is that report prepared by the county auditor which lists registered voters, votes cast, all of the vote totals by precinct, or by combination of precincts if applicable, and which includes absentee ballot totals, legislative district subtotals, if any, and county-wide totals. Vote totals in the auditor's abstract of votes shall be unofficial until verified and certified by the county canvassing board.

(5) "Verification of the auditor's abstract of votes" is that process whereby the county canvassing board determines that all of the individual precinct and absentee ballot totals, as shown on the auditor's abstract of votes, have been correctly listed and that the various subtotals are an accurate reflection of the sum of those individual precinct and absentee ballot totals.

(6) "County canvass report" is the auditor's abstract of votes after verification by the county canvassing board and shall contain a certificate which shall include the oath as specified in RCW 29.62.040, the original signatures of each member of the county canvassing board, the county seal, and all other material pertinent to the election.

(7) "Certified copy of the county canvass report" is that report transmitted by the county auditor to the secretary of state which contains registered voters and votes cast by precinct, or combination of precincts if applicable, votes cast for and against state measures, and votes cast for candidates for federal and state-wide offices and for any office whose jurisdiction encompasses more than one county, absentee ballot totals for those measures and candidates, subtotals if applicable, and county-wide totals. It shall also include a certificate, bearing original signatures and an original county seal, identical to that included in the official county canvass report, and any other material which may be pertinent to the canvass of the election. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-010, filed 10/3/80.]

WAC 434-62-020 Preliminary abstract of votes. Following the election and prior to the official canvass, the county auditor shall prepare an abstract of votes, listing registered voters and votes cast, votes cast for and

against measures, and votes cast for candidates, by precinct or groups of precincts in the event precincts have been combined pursuant to RCW 29.04.055. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-020, filed 10/3/80.]

WAC 434-62-030 Auditor's abstract of votes. No later than the tenth day following any primary or special election and the fifteenth day following any general election the county canvassing board shall meet and canvass all absentee ballots not previously processed under the provisions of chapter 29.36 RCW, together with all questioned and challenged ballots. Upon completion of this canvass the board shall direct the county auditor to include all absentee ballot totals and all challenged and questioned ballot totals, or legislative district subtotals if applicable, in the preliminary abstract of votes prepared pursuant to WAC 434-62-020. The county auditor shall then add these totals to the existing precinct totals. The ensuing report, containing a count of all ballots cast in the election, subtotal reports by legislative district, and county-wide totals shall constitute the auditor's abstract of votes. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-030, filed 10/3/80.]

WAC 434-62-040 Verification of auditor's abstract of votes. The county canvassing board shall examine the auditor's abstract of votes and shall verify that all of the individual precinct and absentee ballot totals have been included in the abstract and that the subtotals and county-wide totals for registered voters and votes cast are an accurate reflection of the sum of those individual precinct and absentee ballot totals. This verification shall be accomplished, in counties with fewer than 100,000 registered voters, by directing the county auditor or his or her representative to add these individual precinct and absentee ballot totals in the presence of the canvassing board manually or by using an adding machine. The canvassing board shall then compare the subtotals and totals produced in this manner against the subtotals and totals as they appear on the auditor's abstract of votes and verify that the figures are identical. In counties with more than 100,000 registered voters the adding machine tapes or manual totals may be produced prior to the meeting of the canvassing board, but in such counties the canvassing board shall carefully compare the preproduced subtotals and totals against the subtotals and totals as they appear on the official abstract of votes and verify that the two sets of figures are identical. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-040, filed 10/3/80.]

WAC 434-62-050 Errors or discrepancies discovered during the verification of the auditor's abstract of votes. In the event that the county canvassing board, during the verifications process, discovers that errors exist in the auditor's abstract of votes or that discrepancies exist between that abstract and the manual or adding machine totals for registered voters and votes cast produced pursuant to WAC 434-62-040, the board shall

investigate those errors and discrepancies. They shall be empowered to take whatever corrective steps a majority of the board deems necessary, including changing or modifying the auditor's abstract of votes if the error or discrepancy is discovered in that document. The canvassing board may then proceed to verify votes cast on measures or for candidates if a majority of the board believes that the nature of the errors or discrepancies discovered warrant such further action on their part. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-050, filed 10/3/80.]

WAC 434-62-060 Documentation of corrective action taken. If the canvassing board decides to take corrective action with respect to any part of the auditor's abstract of votes, they shall prepare a written narrative of the errors or discrepancies discovered, the cause of those errors, if known, and the corrective action taken. In the event the auditor's abstract of votes is altered or modified by the canvassing board, those alterations and modifications shall be initialed by each member of the canvassing board. Additionally, the written narrative shall be signed by each member of the board. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-060, filed 10/3/80.]

WAC 434-62-070 Official county canvass report. Upon completion of the verification of the auditor's abstract of votes and the documentation of any corrective action taken, the county canvassing board shall sign a certification that the abstract is a full, true, and correct representation of the votes cast for the issues and offices listed thereon. The certification shall also state the total number of registered voters and votes cast in the county. The certification shall contain the oath required by RCW 29.62.040, signed by the county auditor and attested to by the chairman of the board of the county legislative authority, and shall have a space where the official seal of the county shall be attached. This certification, the auditor's abstract of votes, any adding machine tapes produced during the verification process, and the written narrative of errors and discrepancies discovered and corrected, if applicable, shall constitute the official county canvass report. This report may not be subsequently amended or altered, except in the event a recount conducted pursuant to chapter 29.64 RCW, or upon order of the superior court, or by the county canvassing board reconvened specifically for that purpose. The vote totals contained therein shall constitute the official returns of that election. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-070, filed 10/3/80.]

WAC 434-62-080 Auditor's abstract of votes—Secretary of state to receive certified copy—Transmittal. No later than the next business day following the certification of the returns of any primary, special, or general election at which votes were cast for or against state measures or for candidates for federal and state-wide office or for offices whose jurisdiction encompasses more than one county, the county auditor shall send a certified

copy of that part of the auditor's abstract of votes covering those issues and offices to the secretary of state. This copy must be no larger than eleven inches by fourteen inches and have a certificate identical to that accompanying the official county canvass report, bearing the county seal and original signatures of the officers required to sign that document attached or affixed thereto. A copy of the written narrative documenting errors and discrepancies discovered and corrective action taken shall accompany the abstract if applicable. Copies of the adding machine tapes used during the verification process need not be sent to the secretary of state. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-080, filed 10/3/80.]

WAC 434-62-090 Receipt of certified copy of auditor's abstract of votes by secretary of state. The secretary of state shall ensure that all material required to be submitted pursuant to state law and these regulations has been included in the certified copy of the auditor's abstract of votes transmitted to his or her office. In the event the secretary of state determines that the certified copy of the auditor's abstract of votes is incomplete, he or she shall notify the county auditor of that fact and shall request that the missing part of the abstract be forwarded immediately. No county's certified copy of the abstract of votes shall be considered as complete for acceptance by the secretary of state until all of the material required by statute and regulation has been received by the secretary of state. In the event the certified copy of the official abstract is illegible or in improper form, the secretary of state shall return that abstract and require an immediate re-submission of the abstract in proper or legible form. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-090, filed 10/3/80.]

WAC 434-62-100 Canvass of returns by the secretary of state—Powers and duties. Upon receipt of a complete certified copy of the auditor's abstract of votes from a county auditor, the secretary of state shall proceed to include the results from that abstract in the official canvass of the primary, special, or general election prepared by that office. This shall be done by adding the certified returns from each completed county abstract of votes in order to determine the final results for those offices and issues he or she is required by law to certify. The secretary of state shall accept the certified copy of the official abstract of votes from each county as being full, true, and correct in all respects. The secretary of state may include in the official canvass, a narrative which details or describes any apparent discrepancies discovered during the canvassing procedure, and may notify the county or counties involved of such discrepancies. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-100, filed 10/3/80.]

WAC 434-62-110 Certification of primary returns by the secretary of state. Upon completion of the canvass of each county's certified copy of the auditor's abstract of votes and no later than the third Tuesday

following the primary, the secretary of state shall certify to the appropriate county auditors the returns for all candidates for federal and state-wide offices, for those offices whose jurisdiction encompasses more than one county, and the ballot titles for all state measures. In the event the secretary of state is unable to certify all or part of a primary election by the third Tuesday following that primary because he or she has not received completed certified copies of the auditor's abstract of votes from one or more counties, he or she shall certify the state ballot measures and those candidates for which completed abstracts have been received. The secretary of state shall also set forth, by letter to the county auditors, those reasons which render him or her unable to certify the entire primary. The certification of the remainder of the primary shall take place when all outstanding certified copies of official abstracts have been received and filed. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-110, filed 10/3/80.]

WAC 434-62-120 Certification of general election returns by the secretary of state. Upon completion of the canvass of each county's certified copy of the auditor's abstract of votes and no later than the thirtieth day following a general election the secretary of state shall certify to the governor the returns for all candidates for federal and statewide offices, for those offices whose jurisdiction encompasses more than one county, and for all state ballot measures. In the event the secretary of state is unable to certify all or part of a general election by the thirtieth day following that election because he or she has not received completed certified copies of the auditor's abstract of votes from one or more counties, he or she shall certify those candidates for which completed abstracts have been received. The secretary of state shall also set forth, by letter to the governor, those reasons which render him or her unable to certify the entire election. The certification of the remainder of the election shall take place when all outstanding certified copies of official abstracts have been received. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-120, filed 10/3/80.]

WAC 434-62-130 Certification of special primaries and special elections. Insofar as practicable, the procedures governing the certification of special primaries by the secretary of state shall be the same as those governing the certification of primaries, and the procedures governing the certification of special elections shall be the same as those governing general elections. The secretary of state shall produce and make available for public inspection and copying pursuant to chapter 434-12 WAC microfilm or microfiche copies of all county canvass reports submitted to his or her office. The charges for microfilm duplicates or photocopies produced from the microfilm originals shall be equal to

the actual cost of reproduction including personnel time and any cost of mailing. [Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-140, filed 10/3/80.]

VERIFICATION OF SIGNATURES ON REFERENDUM AND INITIATIVE PETITIONS

WAC

434-79-010 Random sampling procedure.

WAC 434-79-010 Random sampling procedure. In the verification of signatures on initiative and referendum petitions, pursuant to RCW 29.79.200 and 29.79.220, when the number of signatures submitted is more than 110 percent of the number of signatures required by Article II, Section 1A of the Washington State Constitution, the following statistical test may be employed:

(1) Take an unrestricted random sample of the signatures submitted;

(2) Check each signature sampled to determine the number of valid signatures in the sample, the number of signatures in the sample which are invalid because the individual signing is not registered or the signature is improper in form, and the number of signatures which are duplicated in the sample;

(3) Calculate an allowance for the chance error of sampling by multiplying the square root of the number of invalid signatures in the sample by 1.5;

(4) Estimate the upper limit of the number of signatures in the population which are invalid by dividing the

sum of the invalid signatures in the sample and the allowance for the chance error of sampling by the sampling ratio, i.e. the number of signatures sampled divided by the number of signatures submitted;

(5) Determine the maximum allowable number of pairs of signatures in the population by subtracting the sum of 110 percent of the number of signatures required by Article II, Section 1A of the Washington state constitution and the estimate of the upper limit of the number of invalid signatures in the population from the number of signatures submitted;

(6) Determine the expected number of pairs of signatures in the sample by multiplying the square of the sampling ratio by the maximum allowable number of pairs of signatures in the population;

(7) Determine the acceptable number of pairs of signatures in the sample by subtracting 1.65 times the square root of the expected number of pairs of signatures in the sample from the expected number of pairs of signatures in the sample;

(8) If the number of pairs of signatures in the sample is greater than the acceptable number of pairs of signatures in the sample, each signature shall be canvassed to determine the exact number of valid signatures;

(9) If the number of pairs of signatures in the sample is less than the acceptable number of pairs of signatures in the sample, the petition shall be deemed to contain sufficient signatures and the serial number and ballot title shall be certified to the state legislature as provided in RCW 29.79.200 or to the county auditors as provided in RCW 29.79.230.
