113-12-005 Uniform Disciplinary Act. [Statutory Authority: RCW 18.26.027. 84-23-034 (Order PL 496), § 113-12-005, filed 11/15/84, effective 8/1/85.] Repealed by 85-20-078 (Order PL 558), filed 9/30/85. Statutory Authority: RCW 18.26.027.

WAC 113-12-005 Repealed. See Disposition Table at beginning of this chapter.

WAC 113-12-080 Vitamins, minerals and food supplements. (1) No chiropractor shall sell or dispense or permit to be sold or dispensed any vitamins, minerals or food supplements.

(2) Dietary advice may include the recommendation of vitamins, minerals and food supplements as long as they are recommended for the normal regimen of the patient and not for treatment of a specific disease. The normal regimen of the patient shall not include therapeutic levels of vitamins, minerals and food supplements.

(3) The chiropractor shall not receive any direct or indirect profit from the sale of vitamins, minerals and food supplements as provided in chapter 19.68 RCW. [Statutory Authority: RCW 18.26.110(2). 84-23-033 (Order PL 497), § 113-12-080, filed 11/15/84; Order 8, § 113-12-080, filed 9/9/68.]

WAC 113-12-190 Public testimonial advertising. (1) Public testimonial advertising includes the use of a statement testifying as to a chiropractor's qualifications, abilities and character or to the value of chiropractic services.

(2) The use of testimonial advertising will not be considered false or misleading if the following guidelines are met:

(a) Testimonials must relate to patient care provided within the immediately preceding five-year period.

(b) The testimonial should be documented by a notarized statement of the patient, a copy of which is kept by both the chiropractor and the patient.

(c) The testimonial must be consistent with the history of the patient's care, including office records, examination reports and x-rays.

(d) Testimonials should not:

(i) Be exaggerated or misrepresented.

(ii) State that a technique or doctor is superior.

(iii) Claim specific cures.

(iv) Compare one chiropractor to another.

(v) Include a named diagnosis. [Statutory Authority: RCW 18.26.110(2). 84-23-033 (Order PL 497), § 113-12-190, filed 11/15/84.]

WAC 113-12-195 Full disclosure of cost of services.

(1) This rule will apply to all representations made in public advertising regarding the provision of chiropractic services, including x-rays or chiropractic examinations, on a free basis or at a reduced cost.

(2) When a chiropractic service is represented in public advertising as available without cost or at a reduced cost that service must be made available to everyone who wishes to take advantage of the offer on an equal basis. No charge may be made to any individual or third party health care payor for any services which have been provided on a free basis. Billings to patients or to third party health care payors should accurately reflect the actual charge to the patient, including any discounts, reduced fees or waiver of co-payment.

(3) All billings to third party payors for patients who are also being treated for an unrelated condition must fully disclose the additional treatment being provided and the charges for that treatment. [Statutory Authority: RCW 18.26.110(2), 84-23-033 (Order PL 497), § 113-12-195, filed 11/15/84.]

WAC 113-12-200 Scope of practice—Revocation or suspension of license authorized for practice outside scope.

(1) The chiropractic disciplinary board finds that over the past few years there has been an increasing number of persons licensed as chiropractors who have been practicing other healing arts while holding themselves out to the public as chiropractors to the detriment of the public health and welfare of the state of Washington and contrary to the legislative directive contained in RCW 18.26.010(5). The board further finds and deems it necessary to carry out the provisions of chapter 18.26 RCW that this rule be adopted to give guidance to members of the profession, and the public, in interpreting for purposes of application by the disciplinary board of RCW 18.26.030, the scope of health care which comes within the definition of chiropractic in RCW 18.25.005 and which is authorized under a license to practice chiropractic in the state of Washington.

(2) RCW 18.25.005 defines the term "chiropractic" for purposes of chapters 18.25 and 18.26 RCW, as that practice of health care which deals with the detection of subluxations, which shall be defined as any alteration of the biomechanical and physiological dynamics of contiguous spinal structures which can cause neuronal disturbances, the chiropractic procedure preparatory to, and complementary to the correction thereof, by adjustment or manipulation of the articulations of the vertebral column and its immediate articulations for the restoration and maintenance of health; it includes the normal regimen and rehabilitation of the patient, physical examination to determine the necessity for chiropractic care, the use of x-ray and other analytical instruments generally used in the practice of chiropractic: *Provided*, That no chiropractor shall prescribe or dispense any medicine or drug nor practice obstetrics or surgery nor use x-rays for therapeutic purposes: *Provided, however*, That the term "chiropractic" as defined in this act shall not prohibit a practitioner licensed under chapter 18.71 RCW from performing accepted medical procedures, except such

procedures shall not include the adjustment by hand of any articulation of the spine: *And provided further*, That nothing herein shall be construed to prohibit the rendering of dietary advice.

(3) The board finds that the following diagnostic techniques and procedures, by whatever name known, are not within the definition of "chiropractic" as specified in (2) above and in RCW 18.25.005, and, consequently, a license to practice chiropractic does not authorize their use:

(a) The use of x-rays or other forms of radiation for any other reason than to x-ray the human skeleton.

(b) The use of any form of electrocardiogram.

(c) The testing and reduction to mathematical formulae of sputum and/or urine (commonly known as "Reams" testing).

(d) Hair analysis.

(e) The use of a vasculizer or plethysonograph (commonly known as plethysmography) except for research purposes.

(f) The use of iridology.

(g) The taking of blood samples.

The above list is not to be considered exhaustive or to limit the board in any way from finding under the statutory definition in RCW 18.25.005 that any other diagnostic technique or procedure is outside the scope of chiropractic practice.

(4) The board finds that the following treatment modalities, by whatever name known, are not within the definition of "chiropractic" as specified in (2) above and in RCW 18.25.005 and, consequently, a license to practice chiropractic does not authorize their use:

(a) Ultrasound, diathermy, high voltage galvanic therapy and x-rays or other radiation.

(b) Colonic irrigation.

(c) Extremity adjusting.

(d) Electrotherapy.

(e) The use of a transcutaneous electrical nerve stimulator (TENS).

(f) The use of the endonasal technique.

(g) The use of any type of casting other than light body casting.

(h) The use of meridian therapy (whether known as "acupressure," "trigger point therapy" or the same type of therapy under any other name).

(i) The use of hypnosis for any other than relaxation purposes.

(j) The use of clinical herbology.

The above list is not to be considered exhaustive or to limit the board in any way from finding under the statutory definition in RCW 18.25.005 that any other treatment modalities are outside the scope of chiropractic practice.

(5) In accord with the legislative directive of RCW 18.26.010(5), the use by a chiropractor of diagnostic techniques or procedures or treatment modalities which are outside the definition of chiropractic in RCW 18.25.005, whether or not listed in this rule, or the use by a chiropractor of any of the diagnostic techniques and procedures listed in (3) above or the use by a chiropractor of any of the treatment modalities listed in (4) above

shall constitute unprofessional conduct under RCW 18.26.030 (10) and (11) which shall be good and sufficient cause for revocation or suspension of that chiropractor's license to practice chiropractic in Washington. [Statutory Authority: RCW 18.26.110(2), 84-23-033 (Order PL 497), § 113-12-200, filed 11/15/84. Statutory Authority: RCW 18.26.110, 81-13-002 (Order PL 380), § 113-12-200, filed 6/4/81.]

WAC 113-12-210 Clinically necessary x-rays. All offers of free x-rays should be accompanied by a disclosure statement that x-rays will only be taken if clinically necessary in order to avoid unnecessary radiation exposure. [Statutory Authority: RCW 18.26.110(2), 84-23-033 (Order PL 497), § 113-12-210, filed 11/15/84.]
