(1) To facilitate the work of the university.

(2) To assign the limited available space for the most effective use.

(3) To protect and control pedestrian and vehicular traffic.

(5) To regulate parking and minimize traffic disturbance during class hours.

**WAC 516-12-420 Authority.** The board of trustees of Western Washington University is granted authority under Title 28B of the Revised Code of Washington to establish regulations to govern pedestrian and vehicular traffic and parking on the campus of the university. The administration of the parking regulations is the responsibility of the parking manager. Moving violations are the responsibility of the director of public safety.

(1) All regulations in this chapter and all motor vehicle and other traffic laws of the state of Washington will apply on the campus.

(2) The traffic code of the city of Bellingham will apply on city streets which cross the campus.

(3) The parking manager is authorized to:

(a) Issue and/or sell parking permits to employees, students, guests, visitors, and others when necessary, and to provide special parking for the physically disabled.

(b) Impose and/or suspend traffic and parking regulations and restrictions when appropriate to the mission of the university.

(c) Erect signs, barricades, and other structures to designate and mark the various parking or no parking areas on campus; and to paint marks and other directions on the streets and roadways for the regulation of traffic and parking.

(d) Establish procedures, including time schedules and deadlines, to govern the purchase of annual, academic year, and quarterly permits, and to assign the limited parking spaces.

(4) The authority conferred upon the parking manager under this chapter may be delegated by the parking manager to other personnel within the transportation and parking department under guidelines established by business and financial affairs.

(5) The university reserves the right to change or close, either temporarily or permanently, any campus parking area. Notice of change will be provided whenever practical. [Statutory Authority: RCW 28B.10.560. 85-14-098 (Resolution No. 85-05), § 516-12-420, filed 7/2/85. **WAC 516-12-430 General regulations.** (1) The registered owner(s) and the operator of a vehicle or the person to whom a permit is issued involved in a violation of these regulations will be jointly and severally responsible for the violation.

(2) All vehicles, attended or unattended, must display a valid Western Washington University parking permit when parked on the campus unless parked in a metered parking space (with meter payment), a time-limited space, or, with approval by the parking services office, a space designated for visitors.

(3) Policy on assignments to parking lots will be established by the parking manager.

(4) If a parking permit holder cannot locate a parking space in the assigned lot, he/she may park in the nearest visitor area and then must call the parking services office. Motorcycle permit holders will go to the next nearest motorcycle lot.

(5) The university reserves the right to refuse issuance of a parking permit to anyone who has

(a) Had a permit revoked.

(b) Falsified a parking application or registration.

(c) Counterfeited or altered an, area designator or permit.

(d) Failed to pay outstanding citations.

(7) The operator of a vehicle must yield the right-of-way to pedestrians crossing streets and roadways within the campus, and at intersections or clearly marked crosswalks or city streets which cross the campus. Pedestrians must not cross any street or roadway except at an intersection or clearly marked crosswalk. Pedestrians must utilize sidewalks where provided on streets and roadways. If no sidewalk is provided, pedestrians will utilize the extreme left-hand side and move to their left and clear of the roadway or street upon meeting an oncoming vehicle.

(8) Vehicles owned by or assigned on a permanent basis to administrative units on campus and bearing "B" or "M" license plates or a university insignia may be parked in "G" or "P" lots for brief periods while the driver is on university business. Long-term parking is not permitted, nor is any parking allowed in reserved spaces except when a space is designated for that specific vehicle. University vehicles may be parked in metered spaces provided that meter regulations are observed. Violations incurred will be the responsibility of the driver. All operators of these or other state vehicles will abide by all traffic and parking regulations.

(9) No person may utilize any vehicle parked on campus as a living unit without specific approval from the parking manager. Violators will be cited and/or towed.

(10) Vehicles are to be maintained in operating condition at all times on university property. Repairs will not be made on campus unless authorization has been received in advance from the parking manager. A vehicle which appears to be abandoned, with or without current Western Washington University registration or license plates, may be impounded after an attempt is made to locate and notify the owner of the impending action.

(11) The university rents space to individuals who wish to park on campus and who are issued a parking

permit. The university assumes no responsibility or liability under any circumstances for vehicles or bicycles parked on campus nor does it assume any personal liability in connection with its parking program. No bailment of any sort is created by the issuance of a permit.

(12) The person who obtains a permit is responsible for assuring that the vehicle, regardless of who drives it, is parked in conformance with these regulations. [Statutory Authority: RCW 28B.10.560. 85-14-098 (Resolution No. 85-05), § 516-12-430, filed 7/2/85. Statutory Authority: RCW 28B.35.120(11). 83-14-014 (Order 6-02-83, Motion No. 6-02-83), § 516-12-430, filed 6/28/83, effective 9/19/83.]

(9) Bicycles must be parked in bicycle racks where provided. (Chapter 516-13 WAC.)

(10) Personal notes left on vehicles describing reasons for parking without a proper and valid permit or for parking in an unauthorized manner will not be accepted.

(11) Spaces designated for specific use are restricted to assigned vehicles.

(12) Resident student (C) lots are restricted to permit holders 24 hours per day.

(13) All parking spaces are defined by signs, painted surface lines, traffic "buttons," and/or wheelstops. All other areas are no parking zones. Using more than one space when parking is prohibited.

(14) The fact that other vehicles are parked improperly does not constitute a valid excuse. Should an individual parked in violation of any regulation not receive a citation, it does not indicate that such parking is authorized, that the regulation is no longer in effect, or that a future ticket is invalid.

(15) The fact that one vehicle is parked in such a manner as to occupy more than one parking space is not an acceptable excuse for another operator to do the same. [Statutory Authority: RCW 28B.10.560. 85-14-098 (Resolution No. 85-05), § 516-12-440, filed 7/2/85. Statutory Authority: RCW 28B.35.120(11).

83-14-014 (Order 6-02-83, Motion No. 6-02-83), § 516-12-440, filed 6/28/83, effective 9/19/83.]

**WAC 516-12-450 Permits.** (1) Except as otherwise provided in this chapter, permits may be issued only to students, employees, and other members of the university community. Persons wishing to obtain parking permits are required to complete a registration form provided by the transportation and parking department and pay the fee. Ownership of the parking permit remains with the university. Individuals are not allowed to transfer ownership. All permits reported lost or stolen should be returned to the parking services office immediately upon recovery. Possession or use of a lost or stolen permit or a forged permit will result in a fine and loss of parking privileges. Report the loss or theft of a parking permit to the parking services office immediately.

(2) A valid permit means an unexpired parking permit authorized by the parking manager, properly registered and displayed on the vehicle.

(3) Hanging parking permits are to be displayed from the rear-view mirror according to instructions on the permit. Other types of permits are to be displayed according to instructions provided by parking services personnel. A parking permit is not considered valid unless it is correctly displayed on the vehicle.

(4) Motorcycle permits will be permanently attached to the top of the taillight. If taillight does not conform to current federal law, permits must be attached so as to be easily seen from the rear of the vehicle.

(5) The theft or loss of a parking permit should be reported immediately upon discovery.

A stolen permit will be replaced the first time at no cost providing a theft report has been filed with the public safety department. The second time the replacement fee will be \$10.00; the third time \$20.00; and thereafter at the original cost of the highest priced permit plus \$5.00.

A lost permit will be replaced the first time for \$5.00; the second time \$10.00; the third time \$20.00; and thereafter at the original cost of the highest priced permit plus \$5.00.

Recovered lost or stolen permits should be returned to the parking services office immediately.

(6) To enhance the business and operation of the university "all lots" decals or official business permits may be issued by the parking manager. Requests for all lots decals require annual written justification and the signature of the dean, director, or chairperson of the department with which the person is associated. Requests may also require the approval of the transportation and parking advisory committee. Issuance requires purchase of a "G" parking permit and permits will be in effect the same period of time. These permits are valid for brief periods of time only when on university business and are not valid in metered lots, specifically reserved spaces, or small capacity lots.

(7) Persons with a temporary or permanent physical disability who require special parking consideration must

furnish to the parking manager a physician's certification of the request on forms provided by the parking services office. (This certification does not apply to persons whose vehicles bear a state-issued handicapped license or permit.)

(8) All permits are the property of the university and may be recalled by the parking manager under the following circumstances:

All spaces not renewed will go on open sale finals week of each quarter. Permits may not be renewed for fall quarter.

(10) Special permits may include, but are not limited to: Guest, service/vendor, temporary assignment, visitor, and loading permits authorized by the parking manager.

(11) Faculty, staff, or students who have purchased a hanging parking permit but forget to place it on the vehicle they are driving to campus and those who have not purchased a permit must obtain a temporary permit from the parking services office or the visitor information center at the cost of a daily visitor permit. Temporary permits are issued for the lot assigned or, if no permit has been purchased, for available spaces, not for visitor lots.

(12) Faculty, staff, or students who purchase an annual, academic, or quarterly parking permit may use the permit on any vehicle but may not transfer ownership of the permit. The individual to whom a permit is issued is responsible for parking violations by any vehicle bearing the permit. [Statutory Authority: RCW 28B.10.560. 85-14-098 (Resolution No. 85-05), § 516-12-450, filed 7/2/85. Statutory Authority: RCW 28B.35.120(11). 83-14-014 (Order 6-02-83, Motion No. 6-02-83), § 516-12-450, filed 6/28/83, effective 9/19/83.]

(3) Refunds may be made based on the valid time remaining upon application by the permit holder or upon revocation of the permit by the parking manager. Unpaid citation fines will be deducted from any refund.

[Statutory Authority: RCW 28B.10.560. 85-14-098 (Resolution No. 85-05), § 516-12-460, filed 7/2/85. Statutory Authority: RCW 28B.35.120(11). 83-14-014 (Order 6-02-83, Motion No. 6-02-83), § 516-12-460, filed 6/28/83, effective 9/19/83.]
