(c) Disciplinary probation: Formal action placing conditions upon the student's continued attendance because of his violation of college rules and regulations or failure to satisfy the college's expectations regarding conduct. The disciplinary official placing the student on probation will specify, in writing, the period of probation and the conditions, such as limiting the student's participation in extra-curricular activities. Disciplinary probation warns the student that any further misconduct will automatically raise the question of dismissal from the college. Disciplinary probation may be for a specified term or for an indefinite period which may extend to graduation or other termination of the student's enrollment in the college.

(d) Summary suspension: Temporary dismissal from the college and temporary termination of a student's status for a period of time not to exceed ten days which occurs prior to invocation of the formal hearing procedures specified in this code due to a necessity to take immediate disciplinary action, where a student presents an imminent danger to the college property, or to himself or other students or persons in college facilities on or off campus, or to the educational process of the college.

(e) Suspension: Temporary dismissal from the college and temporary termination of student status for violation of college rules and regulations or for failure to meet college standards of conduct.

(f) Expulsion: Dismissal from the college and termination of student status for violation of college rules and regulations or for failure to meet the college standards of conduct for an indefinite period of time or permanently.

(2) Refund of fees for the quarter in which disciplinary action is taken shall be in accord with the college's refund policy.

WAC 132B-120-140 Readmission after suspension/expulsion. Any student suspended from the college for disciplinary reasons will normally be readmitted upon expiration of the time period for which the suspension was issued. If the student has been expelled or feels that circumstances warrant reconsideration of a temporary suspension prior to its expiration, or if the student was suspended with conditions imposed for readmission, the student may be readmitted following approval of a written petition submitted to the associate dean of student affairs. Such petition must state reasons which support a

reconsideration of the matter. Before readmission may be granted, such petition must be reviewed and approved by the college president or his designee.

(1) The associate dean of student affairs or, in his absence, the dean of instruction of the college is responsible for initiating disciplinary proceedings for infractions of rules and regulations as outlined in the procedures. The associate dean of student affairs or, in his absence, the dean of instruction, may delegate this responsibility to members of their staff and they may also establish committees or other hearing bodies to advise or act for them in disciplinary matters.

(2) In order that any informality in disciplinary proceedings not mislead a student as to the seriousness of the matter under consideration, the student involved shall be informed at the initial conference or hearing of the several sanctions that may be involved for the misconduct.

(3) After considering the evidence in a case and interviewing the student or students involved, the associate dean of student affairs, or in his absence, the dean of instruction, may take any of the following actions:

(a) Terminate the proceeding, exonerating the student or students.

(b) Dismiss the case after whatever counseling and advice maybe appropriate.

(c) Impose disciplinary sanctions directly, subject to the student's right of appeal as described in this procedure. The student shall be notified in writing of the action taken except that disciplinary warnings may be given verbally.

(d) Refer the matter to the student/faculty disciplinary committee on conduct and standards for appropriate action. The student shall be notified in writing that the matter has been referred to the committee.

(4) This section shall not be construed as preventing the appropriate official from summarily suspending a student. In the event of summary suspension, the student will be given oral or written notice of the charges against him, an explanation of the evidence against him if he denies the charges, and an informal opportunity to present his side of the matter. He will also be given an

opportunity to invoke the formal hearing process set forth in this code.

(b) Two members of the faculty, appointed by the president of the faculty association

(c) Two representatives from the student council, appointed by the student body president.

(2) None of the above-named persons shall sit on any case in which he has a complaint or witness, in which he has a direct or personal interest, or in which he has acted previously in an advisory or official capacity. Decisions in this regard, including the selection of alternates, shall be made by the disciplinary committee as a whole. WAC 132B-120-180 Procedural guidelines. (1) The student, if he wishes to appeal, has a right to a fair and impartial hearing before the committee on any charge of misconduct. His failure to cooperate with the hearing procedures, however, shall not preclude the committee from making its findings of fact, reaching conclusions and imposing sanctions. Failure of the student to cooperate may be taken into consideration by the committee in recommending penalties.

(2) The student shall be given notice of the date, time and place of the hearing, the charges against him, a list of witnesses who will appear, and a description of any documentary or other physical evidence that will be presented at the hearing. This notice shall be given to the student in writing and shall be provided in sufficient time to permit him to prepare a defense. The notice may be amended at any time prior to the hearing, but if such amendment is prejudicial to the student's case, the hearing shall be rescheduled to a later date if so requested in writing by the student.

(3) The student or his representative shall be entitled to hear and examine the evidence against him and be

informed of the identity of its sources; he shall be entitled to present evidence in his own behalf and to question witnesses testifying against him as to factual matters. The student shall have all authority which is possessed by the college to obtain information or to request the presence of witnesses or the production of other evidence relevant to the issues at the hearing.

(4) Only those matters presented at the hearing, in the presence of the student involved, will be considered in determining whether he is guilty of the misconduct charged but the student's past record of conduct may be taken into account in formulating the committee's recommendation for disciplinary action.

(5) The student may be represented by counsel and/or accompanied by an advisor of his choice.

(6) Hearings conducted by the committee may be held in closed session at the discretion of the committee, the only exception being when the student involved invites particular persons or requests an open hearing. If at any time during the conduct of the hearing invited guests are disruptive of the proceedings, the chairman of the committee may exclude such persons from the hearing room.

(7) A majority of the committee shall set the time, place and available seating capacity for a hearing.

(8) All proceedings of the committee will be conducted with reasonable dispatch and terminated as soon as fairness to all parties involved permits.

(9) An adequate summary of the proceedings will be kept. As a minimum, such summary would include a tape recording of testimony. Such record will be available for inspection and copying in the office of student affairs during regular business hours.

(10) The student will be provided with a copy of the findings of fact and with the conclusions of the committee. He will also be advised of his right to present, within ten calendar days, a written statement of appeal to the president of the college before action is taken on the decision of the committee. In the case of an unmarried student under eighteen years of age, written notice of any action involving dismissal or disciplinary probation will be sent to the parents or guardian of the student.

(11) The committee chairman shall establish general rules of procedures for conducting hearings consistent with the foregoing procedural guidelines.

(12) The president of the college or his designated representative, after reviewing the case, including the report of the committee and any statement filed by the student, shall either indicate his approval of the conclusions of the committee by sustaining its decision, shall give directions as to what other disciplinary action shall be taken by modifying its decision, or shall nullify previous sanctions imposed by reversing its decision. He shall then notify the official who initiated the proceedings, the student and the committee chairperson.

[Statutory Authority: RCW 28B.50.140(13). 80-10-053 (Order 80-1, Resolution No. 10-80), § 132B-120-180, filed 8/6/80.]

(2) Disciplinary action by the appropriate disciplinary official may be appealed to, and shall be reviewed by, the student/faculty disciplinary committee.

(3) Disciplinary action by the student/faculty disciplinary committee may be appealed to, and shall be reviewed by, the college president or his designee.

All appeals to the president shall be final.

WAC 132B-120-200 Reporting, recording and maintaining records. Records of all disciplinary cases shall be kept by the disciplinary official taking or initiating the action. Except in proceedings where the student is exonerated, all documentary or other physical evidence produced or considered in disciplinary proceedings and all recorded testimony shall be preserved, insofar as possible, for not more than five years. No other records of proceedings wherein the student is exonerated, other than the fact of exoneration, shall be maintained in the student's file or other college repository after the date of the student's graduation or not more than five years.

WITHHOLDING SERVICES FOR OUTSTANDING DEBTS

WAC

132B-122-010 Withholding services for outstanding debts.

WAC 132B-122-010 Withholding services for outstanding debts. If any person, including faculty, staff, student, or former student, is indebted to the institution for an outstanding overdue debt, the institution need not provide any further services of any kind to such individual, including but not limited to transmitting files, records, transcripts or other services which have been requested by any such person. The institution also reserves the right to off set any funds received from an individual against an outstanding overdue debt.

Upon receipt of such a request for services where there is an outstanding debt due the institution from that person, the institution shall notify the person, in writing, that the services will not be provided since there is an

outstanding debt due the institution, and further that until that debt is satisfied, no such services will be provided the individual. When the institution exercises its right of off set, the institution shall notify the person, in writing, of the amount applied and balance due, if any.

The notification referred to above shall also inform the individual that he has a right to a hearing before a person designated by the president of the institution if he believes the records of the institution are incorrect concerning his indebtedness. The notification shall also indicate that the request for the hearing must be made within ten days from the date of the notification.

Upon receipt of a timely request for a hearing, the person designated by the president shall have the records and files of the institution available for review and, at that time, shall hold an informal hearing concerning whether the individual owes or owed any outstanding debts to the institution. After the informal hearing, a decision shall be rendered by the president's designee indicating whether the institution is correct in withholding services and/or applying off set for the outstanding debt. If the outstanding debt is found to be owed by the individual involved, the off set shall remain applied and/or no further services shall be provided. Notification of this shall be sent to the individual within five days after the hearing. This decision shall constitute an informal proceeding established by the institution pursuant to the Higher Education Administrative Procedure Act as defined in RCW 28B.19.110.

WAC 132B-128-030 Procedure for granting tenure.

(1) Selection of the tenure review committee –

(a) A tenure review committee shall be established for each probationer. The committee shall be responsible for the probationer until he is either granted tenure or is no longer employed within Community College District No. 2. If a vacancy occurs during the terms of service of the tenure review committee members, the dean of instruction will call a special election within two weeks to fill that position.

(b) The dean of instruction shall be responsible for the establishment of each tenure review committee, which shall normally begin functioning no later than four weeks after the day that the probationer has begun his faculty duties.

(c) Each tenure review committee shall be composed of five members. There shall be automatic nomination of the appropriate division chairman to position number one. One faculty member shall be nominated by the probationer to position number two. After these nominations are made, the dean of instruction shall call an all-faculty meeting at which faculty members shall nominate one or more faculty members for position number three and may nominate faculty members for positions one and two. A vote shall be taken and the nominee receiving a majority vote for a particular position shall be elected. If no candidate for a particular position receives a majority vote, a run-off election shall be held within five days between the two candidates receiving the largest number of votes. A student representative, who shall be a full-time student, shall be appointed by Grays Harbor College student council to position number four. The president of the college shall appoint a member to position number five.

(2) Evaluation of the probationer –

If the probationer disagrees with the tenure review committee's recommendation, he shall be given an opportunity to challenge it before the college president.

(3) Final action on tenure –

(a) The final decision to award or withhold tenure shall rest with the board of trustees (appointing authority) after it has given reasonable consideration to the recommendations of the tenure review committee, and reasonable consideration to the recommendation of the college president. Any recommendations of the tenure review committee and the president shall be advisory only and not binding upon the board of trustees (appointing authority).

(b) If the probationer is not to be retained, he must be informed no later than the last day of winter quarter.

(c) If the probationer is dismissed prior to the termination of his contract, his case shall be considered by the dismissal review committee in accordance with the laws of the state of Washington and the dismissal policy of Community College District No. 2.

[Statutory Authority: RCW 28B.50.140(13), 79-08-129 (Order 79-1, Resolution No. 11-79), § 132B-128-030, filed 8/1/79; Order, § 132B-128-030, filed 3/28/73.]

WAC 132B-128-040 Basis for dismissal. A tenured faculty member shall not be dismissed from his appointment except for sufficient cause, nor shall a faculty member who holds a probationary faculty appointment be dismissed prior to the dates established in the written terms of his appointment except for sufficient cause which is of a substantial nature and is not frivolous or inconsequential as determined by the board of trustees, and when it is determined by the board of trustees that the termination of his employment would be in the best interests of the community college district.

[Order, § 132B-128-040, filed 3/28/73.]

WAC 132B-128-050 Procedures for dismissal. (1)

A dismissal review committee created for the express purpose of hearing dismissal cases shall be established no later than October 15 of each academic year (except if this provision is passed after October 15 of any academic year, the dismissal review committee will be chosen within thirty days after passage of this provision), and shall be comprised of the following members:

(a) One member chosen by the college president

(b) Three faculty members chosen by the faculty and division heads acting in a body and in the following manner:

(i) Two individuals will be nominated for each of positions one, two and three by a district-wide random selection process as described in (v) below.

(ii) Two individuals will be nominated in the same manner as (i) above to run for each of three alternate positions identified as alternate one, alternate two and alternate three.

(iii) The nominees receiving a majority of the votes cast will be elected for a one-year term.

(iv) In case of a vacancy in position one, two or three occurring any time after the election, the vacancy will be filled by the alternates, beginning with alternate one.

(v) A district-wide random selection process will be developed by the president of Grays Harbor College.

This selection process will be designed to remove any element of preselection or predisposition from the dismissal review committee selection process.

(c) A student representative, who shall be a full-time student, shall be appointed by the Grays Harbor College student council. The student council shall also appoint a full-time student as an alternate member to serve on the dismissal review committee should the regularly appointed member be unable to serve on the committee.

(d) The college president shall choose one alternate member to serve on the dismissal review committee should the regularly appointed member be unable to serve on the committee.

(e) The dismissal review committee will select one of its members to serve as chairman.

(2) When the president receives or initiates a formal written recommendation about a faculty member which may warrant dismissal, he shall inform that faculty member. Within ten days after having been so informed, the faculty member will be afforded an opportunity to meet with the president or his designee and the chairman of the division. At this preliminary meeting, which shall be an information-gathering session, an adjustment may be mutually agreed upon. If the matter is not settled or adjusted to the satisfaction of the college president, he shall recommend that the faculty member be dismissed.

(3) If the president recommends that the faculty member be dismissed, he shall:

(a) Deliver a short and plain statement to the faculty member which shall contain:

(i) The grounds for dismissal in reasonable particularity;

(ii) A statement of the legal authority and jurisdiction under which the hearing is to be held;

(iii) Reference to any particular statutes or rules involved.

(b) Call into action the dismissal review committee and deliver the above statement to the members of the dismissal review committee, if the professional requests a hearing.

(4) After receiving the president's recommendation for dismissal, the affected professional may request a hearing within the following five days. If the president does not receive this request within five days, the professional's right to a hearing will be deemed waived.

(5) If the president receives a request for a hearing, the dismissal review committee shall, after receiving the written recommendation from the college president, establish a date for a committee hearing giving the faculty member so charged twenty days notice of such hearing, and inform in writing the faculty member so charged of the time, date and place of such hearing.

(6) The dismissal review committee shall:

(a) Hear testimony from all interested parties, including but not limited to other faculty members and students and receive any evidence offered by same;

(b) Afford the faculty member whose case is being heard the right of cross-examination and the opportunity to defend himself and be accompanied by legal counsel;

(c) Allow the college administration to be represented by an assistant attorney general.

(7) The dismissal review committee shall include a neutral presiding officer appointed by the appointing authority. Such presiding or hearing officer shall not be a voting member of the committee; it shall be his responsibility to:

(a) Make all rulings regarding the evidentiary and procedural issues presented during the course of the dismissal review committee hearings;

(b) Meet and confer with the members of the dismissal review committee and advise them in regard to procedural and evidentiary issues considered during the course of the committee's deliberations;

(c) Appoint a court reporter, who shall operate at the direction of the presiding officer and shall record all testimony, receive all documents and other evidence introduced during the course of hearings, and record any other matters related to the hearing as directed by the presiding officer;

(d) Prepare a record which shall include:

(i) All pleadings, motions and rulings;

(ii) All evidence received or considered;

(iii) A statement of any matters officially noticed;

(iv) All questions and offers of proof, objections and rulings thereon;

(v) Proposed findings and exceptions;

(vi) A copy of the recommendations of the dismissal review committee.

(8) A copy of the above shall be transcribed and furnished upon request to the faculty member whose case is being heard.

(9) The hearing shall be closed. However, interested parties, including but not limited to faculty members and students, will be given an opportunity to present evidence.

(10) Within ten college calendar days of the conclusion of the hearing, the dismissal review committee will arrive at its recommendations in conference on the basis of the hearing. Before doing so, it should give the faculty member or his counsel(s) and the representative designated by the president of the college the opportunity to argue orally before it. If written briefs would be helpful, the dismissal review committee may request them. The dismissal review committee may proceed to a recommendation promptly or await the availability of a transcript if making a fair recommendation would be aided thereby. Within fifteen college calendar days of the conclusion of the hearing the president of the college, the faculty member and the board of trustees will be presented with recommendations in writing and given a copy of the record of the hearing.

(11) The board of trustees shall meet within a reasonable time subsequent to its receipt of the dismissal review committee recommendations to consider those recommendations. The board of trustees shall afford the parties the right to oral and written argument with respect to whether they will dismiss the faculty member involved. The board of trustees may hold such other proceedings as they deem advisable before reaching their decision. A record of the proceedings at the board level

shall be made and the final decision shall be based only upon the record made before the board and the dismissal review committee, including the briefs and oral arguments. The decision to dismiss or not to dismiss shall rest, with respect to both the facts and the decision, with the board of trustees after giving reasonable consideration to the recommendations of the dismissal review committee. The dismissal review committee's recommendations shall be advisory only and in no respect binding in fact or law upon the decision maker, the board of trustees. The board of trustees shall within fifteen days following the conclusion of their review, notify the charged faculty member in writing of its final decision.

(12) Suspension of the faculty member by the president during the administrative proceedings involving him (prior to the final decision of the board of trustees) is justified if immediate harm to himself or others is threatened by his continuance. Any such suspension shall be with pay.

(13) Except for such simple announcements as may be required covering the time of the hearing and similar matters, no public statements about the case shall be made by the faculty member, the dismissal review committee or administrative officers of the board of trustees until all administrative proceedings and appeals have been completed.

(14) Any dismissed faculty member shall have the right to appeal the final decision of the board of trustees within ten days of the receipt of the notice of dismissal. The filing of an appeal shall not stay enforcement of the decision of the board of trustees.

(15) If the president of Grays Harbor College initiates a formal written recommendation that a faculty member be dismissed and the board of trustees decides to retain the faculty member, or if the trustees' decision to dismiss a faculty member is reversed by a court, all evidence concerning the dismissal will be removed from the faculty member's permanent personnel file if the reason for the denial of the recommendation was the president's failure to establish the facts which were the basis for the dismissal recommendation.

If the facts which were the basis for the dismissal recommendation were shown to the satisfaction of the trustees and the courts, but the dismissal recommendation was not followed because the trustees or the courts decided that the facts were not sufficient to warrant dismissal, the facts which were shown would be retained in the faculty member's permanent personnel file along with a record of the outcome of the dismissal proceeding.

If the facts are to be retained in the faculty member's permanent personnel file, the faculty member will be given an opportunity to review the facts and to write an explanation which will be retained along with the findings of fact.

[Statutory Authority: RCW 28B.50.140(13), 79-08-129 (Order 79-1, Resolution No. 11-79), § 132B-128-050, filed 8/1/79; Order, § 132B-128-050, filed 3/28/73.]

WAC 132B-128-100 Academic employee reduction procedure. If an academic employee with a full-time faculty appointment is to be laid off for program termination or reduction, decreases in enrollment, changes in educational policy or substantial evidence of a serious shortage of funds, the Grays Harbor College policies and procedures for tenure and dismissal will be utilized and the following criteria and procedures will be used:

(1) The president, with consultation from his administrative staff, will review the nature of the problem facing the college. If the president determines that reductions in staff are or will be necessary in the near future, he will give notice of the potential reductions to the recognized academic employee organization. The notice which the president gives to the recognized academic employee organization shall include:

(a) The reasons for the proposed reductions in force;

(b) The number of academic employees to be considered for layoff.

(2) The recognized academic employee organization will then have the right to meet with the president who shall fully document the need for such reductions in staff. The president shall present and explain the major criteria to be used to identify those to be laid off. If any courses currently in the curriculum are expected to be eliminated, he shall identify those courses and explain why they have been judged not to be the most necessary course offerings to maintain the best possible quality educational opportunities at Grays Harbor College.

(3) The need for a reduction in force will be determined on the basis of the need for reduction in each division of Grays Harbor College.

(4) The divisions at Grays Harbor College, for purposes of this document, shall be business administration, English-speech, health and physical education, humanities, life sciences, physical science and mathematics, social science, vocational-technical, administration, library, and student services.

(5) Within a reasonable time after the start of the fall quarter of each year, the dean of instruction, with advice from the appropriate division chairman, shall assign each academic employee to a division. An academic employee may not be a member of more than one division. (If this code is passed during the school year, the dean of instruction shall assign the academic employees to their respective divisions within a reasonable period of time after passage of this code.)

(6) If the number of academic employees is to be reduced, the president, with advice from the dean of instruction and division chairmen, shall decide in the case of each affected division what course offerings and/or other services are most necessary to maintain quality education at Grays Harbor College. The president shall consider but not be limited to the following factors:

(a) The enrollment and the trends in enrollment for not less than four consecutive quarters, if applicable, and their effect upon each division;

(b) The goals and objectives of Grays Harbor College and the state board for community college education;

(c) Information concerning faculty and administrative vacancies occurring through retirement, resignation, sabbaticals and leaves of absence.

(7) Those duties associated with the course offerings and/or other services determined to be most necessary at Grays Harbor College will be considered needed duties of an academic employee.

(8) The president's determination of the most necessary course offerings and/or other services is not subject to review by the dismissal review committee.

(9) If a reduction is necessary within a division, the following order of layoff will be utilized provided there are qualified academic employees to replace and perform all the needed duties of the academic employees to be laid off: First, part-time academic employees; second, probationary appointees with the least seniority; third, full-time tenured academic employees with the least seniority.

(10) Seniority shall be determined by establishing the date of the signing of the first full-time contract for the most recent period of continuous full-time professional service for Grays Harbor College which shall include leaves of absence, sabbatical leaves, and periods of layoffs. (This shall include professional services for the Aberdeen School District No. 5 prior to July 1, 1967, if assigned to Grays Harbor College.) The longest terms of employment as thus established shall be considered the highest level of seniority. In instances where academic employees have the same beginning date of full-time professional services, seniority shall be determined in the following order:

(a) First date of the signature of a letter of intent to accept employment;

(b) First date of application for employment.

(11) An academic employee shall be qualified to instruct courses which the president, with advice from the dean of instruction and the appropriate division chairman, determines the academic employee is qualified to instruct. The president's determination of what duties an academic employee is qualified to perform is not subject to review by the dismissal review committee.

(12) A full-time tenured academic employee whose contract was not renewed as a result of this academic employee staff reduction procedure has a right to recall to any teaching position, either a newly created one or a vacancy, providing he is qualified as determined by the college president. The recall shall be in reversed seniority, the most senior first. The right of recall shall extend three years from the date of layoff. Full-time tenured academic employees who have been laid off will retain all accrued benefits, such as sick leave and seniority. Upon recall they shall be placed at least at the next higher increment on the salary schedule than at the time of layoff and will retain their tenured status.
