[Title 132P WAC—p 10]
WAC 132P-08-410 Hearing procedures. Each hearing shall be conducted in the manner provided for in these rules and in chapter 28B.19 RCW.

WAC 132P-08-420 Duties of hearing officers. (1) All hearing officers appointed in accordance with WAC 132P-08-400 shall conduct hearings in the same manner and shall have the same authority as provided in hearings by the board of trustees as set forth in these rules and in chapter 28B.19 RCW: Provided, That hearing officers shall only make proposals for decisions.

The board may limit the length of oral or written argument and impose reasonable limitations regarding the time and place for the presentation of the written or oral argument. After a review of the matter, and giving reasonable consideration to the proposal for decision by the hearing officer or officers, the board of trustees shall announce its decision and the final action to be taken.

WAC 132P-08-430 Stipulations and admissions of record. The existence or nonexistence of a material fact, as made or agreed in a stipulation or in an admission of record, will be conclusively presumed against any party bound thereby, and no other evidence with respect thereto will be received upon behalf of such party, provided:

(1) Upon whom binding. Such a stipulation or admission is binding upon the parties by whom it is made, their privies and upon all other parties to the proceeding who do not expressly and unequivocally deny the existence or nonexistence of the material fact so admitted or stipulated upon the making thereof, if made on the record at a prehearing conference, oral hearing, oral argument or by a writing filed and served upon all parties within five days after a copy of such stipulation or admission has been served upon them;

(2) Withdrawal. Any party bound by a stipulation or admission of record at any time prior to final decision may be permitted to withdraw the same in whole or in part by showing to the satisfaction of the agency that such stipulation or admission was made inadvertently or under a bona fide mistake of fact contrary to the true fact and that its withdrawal at the time proposed will not unjustly prejudice the rights of other parties to the proceeding.

WAC 132P-08-440 Definition of issues before hearing. In all proceedings the issues to be adjudicated shall be made initially as precise as possible, in order that the agency may proceed promptly to conduct the hearings on relevant and material matter only.

Any party who desires a continuance shall, immediately upon receipt of notice of a hearing, or as soon thereafter as facts requiring such continuance come to his knowledge, notify the agency of such desire, stating in detail the reasons why such continuance is necessary. The agency, in passing upon a request for continuance, shall consider whether such request was promptly and timely made. For good cause shown, the agency may grant such a continuance and may at any time order a continuance upon its motion. During a hearing, if it appears in the public interest or in the interest of justice that further testimony or argument should be received, the agency may in its discretion continue the hearing and fix the date for introduction of additional evidence or presentation of argument. Such oral notice shall constitute final notice of such continued hearing.

WAC 132P-08-460 Rules of evidence—Admissibility criteria. Subject to the other provisions of these rules, all relevant evidence is admissible which, in the opinion of the agency is the best evidence reasonably obtainable, having due regard for its necessity, availability and trustworthiness. DRUG POLICY

WAC

132P–20–020 Educational responsibility regarding drugs.
132P–20–030 Programs regarding drugs.
132P–20–060 Violation of drug laws—College involvement—Hearing committee.
132P–20–080 Violation of drug laws—Suspension of student.
132P–20–100 Violation of drug laws—Nonstudent.
132P–20–110 Constitutional rights of individuals.

WAC 132P–20–010 Introduction—Responsibility of college. The board of trustees, students, faculty, and administration of Community College No. 16 believe the primary responsibility of a college to be the creation of a scholarly environment in which the interchange between students, faculty, and administrators will produce the fullest opportunities for the maturation of every individual involved.

[Order 2–68, § 132P–20–010, filed 4/10/68.]

WAC 132P–20–020 Educational responsibility regarding drugs. Believing that no areas of search into human values and problems are to be restricted, the college recognizes as part of its educational responsibility the necessity of providing for frank, honest, and thorough discussions of the role of drugs in modern society.

WAC 132P–20–030 Programs regarding drugs. It shall be the responsibility of the students, faculty, and administration of Yakima Valley College to provide programs consistent with a thorough and honest discussion of the issue.

WAC 132P–20–040 Drug policy—Requested procedure. In order to implement the above policy, the following techniques are requested procedures in which this may be accomplished:

1. Conduct a voluntary workshop for faculty and student leaders. This would be a background for future meetings and classroom discussions.

2. Provide in the library materials in sufficient quantities on the subject of drugs and drug abuses. These materials should be current and readily available. Prepare a complete bibliography on the subjects.

3. Provide necessary background and materials for discussion of drugs and drug abuse in all psychology and health education sections. At least one class period each quarter should be reserved for this subject.

4. Conduct at least one program each quarter on drugs and drug abuses; which shall be held in the college auditorium. This would be held during the noon hour.

5. Conduct an evening session on drugs and drug abuses; which shall be held in the college auditorium for interested students and members of the community.

6. Present a new student orientation program on drugs and drug abuse each quarter. The program will be directed toward college rules and regulations and federal and state laws on the subject. The program is to be given by the president.

WAC 132P–20–050 Drug policy—Violation—Disciplinary action. The college does not in any way condone the medically uncontrolled use of hallucinogens and other drugs by students. In view of existing legal restrictions and scientific evidence concerning the effects of these drugs; if a student possesses, manufactures, sells, uses, or causes someone else to use these drugs on college property, property of the Yakima Valley corporate board, or property under the supervision and control of the college, he becomes subject to the immediate disciplinary action by the college.

[Order 2–68, § 132P–20–050, filed 4/10/68.]

WAC 132P–20–060 Violation of drug laws—College involvement—Hearing committee. Where college regulations do not apply, and when a student is charged with violation of public or criminal law regarding drugs, the college may become involved only at the student's request. In no case should college involvement include acceptance of disciplinary responsibility in lieu of criminal action. The hearing committee may reexamine students convicted by civil authority where the welfare of other students might be jeopardized. Only the hearing committee has the authority to call for such reexamination.

[Order 2–68, § 132P–20–060, filed 4/10/68.]

WAC 132P–20–070 Violation of drug laws—Action by college. In the event that a student is charged by legal authorities in connection with alleged violation of statutory provisions regarding drug abuse, the college will not initiate any specific action against this student until after a plea of guilty or a conviction is secured in a court and the student is sentenced.

WAC 132P–20–080 Violation of drug laws—Suspension of student. Any student of Yakima Valley College, convicted or who has entered a plea of guilty to a gross misdemeanor or felony resulting from a violation of drug or narcotic laws while in attendance, shall be automatically suspended. This action may be appealed to
the hearing committee, but only at the initiative of the suspended individual.

WAC 132P–20–090 Hearing committee—Members—Appeal. The procedure for dealing with an individual case shall be as follows: The student will appear before the hearing committee consisting of four elected or appointed students, three faculty members, and the director of student personnel. The latter will serve as chairman of this group. The method of appointing or electing students shall be determined by the student executive council; the faculty members shall be selected by the faculty senate. Throughout the hearing the convicted student will be granted due process and right of appeal to the college president, to the board of trustees of College District No. 16, and finally to the state board of community college education.

[Order 2–68, § 132P–20–090, filed 4/10/68.]

WAC 132P–20–100 Violation of drug laws—Nonstudent. Any nonstudent associated with Yakima Valley College violating WAC 132P–20–080 shall not be subject to the application of the hearing committee procedure because of his nonstudent classification; however, if found guilty of a violation set forth in WAC 132P–20–080, shall be subject to a like procedure before the proper college authorities and shall be subject to the degree equal, but not restricted to, that treatment prescribed for any student or students found to be in violation of this policy.

[Order 2–68, § 132P–20–100, filed 4/10/68.]

WAC 132P–20–110 Constitutional rights of individuals. Underlying all of these procedures will be the college recognition of a concern for the constitutional rights of all individuals.

The board of trustees of Community College District No. 16 find the immediate adoption of the foregoing rules is necessary for the preservation of the public health, safety, and general welfare of the students and public, and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest.

The ASYVCC constitution and the college's administrative procedures provide clear channels for student participation in the formulation and application of institutional policies regarding academic and student affairs. Individuals affected by a policy shall have a representative voice in the formulation of that policy.

WAC 132P-33-100 Student records. In compliance with the Family Educational Rights and Privacy Act, this policy has been created to insure continued confidentiality of student records at the college and govern the release of personally identifiable information contained within.

(1) Education record. Education records are defined as those records, files, and documents containing information directly pertaining to a student. At Yakima Valley Community College these are:

(a) Records pertaining to admission, advisement, registration, grading and progress to a degree that are maintained by the registrar.

(b) Testing information used for advisement and counseling purposes by the counseling center.

(c) Information concerning payment of fees as maintained by the business office.

(d) Financial aid information as collected by the financial aid office.

(e) Information regarding students participating in student government or athletics that is maintained by the student programs office.

(2) Access to education records. Students who are or have attended the college have the right to examine or review their personal records, as defined above, by submitting to the registrar a written request indicating education records to which access is desired.

Note: Charges may be assessed for reproduced copies of education records.

[Title 132P WAC—p 16]
(3) Directory information. The following information is considered "directory information" and thus may be disclosed without consent of the student, unless otherwise directed by the student, at any time, to the registrar in writing: The student's name, address, telephone number, date and place of birth, major field of study, eligibility for and participation in officially recognized activities, organizations, and sports, weight and height of members of athletic teams, dates of attendance, honor roll, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

(4) Disclosure from education records. In addition to directory information the college will, at its discretion, make disclosures from education records of students with the student's prior written consent or to the following listed parties:

(a) College officials including college administrative and clerical staff, faculty, and students where officially elected or appointed to the ASYVCC senate or employed by the college. Access or release of records to the above is permissible only when the information is required for advisement, counseling, record keeping, reporting, or other legitimate educational interest consonant with their specific duties and responsibilities.

(b) To officials of another school in which the student seeks or intends to enroll.

(c) To authorized federal, state, or local officials as required by law.

(d) In connection with financial aid for which the student has applied or received.

(e) To accrediting organizations, or organizations conducting studies for or on behalf of the institution.

(f) To appropriate parties in a health or safety emergency.

(g) To parents of a dependent student, as defined in section 152 of the Internal Revenue Code of 1954, upon receipt of a written affidavit stating that the student is a dependent for income tax purposes. This, however, will not affect the other rights of the student.

In cases where consent of the student is required for release of education records, the student shall in writing, signed and dated by the student, specify: The records to be disclosed, the purpose or purposes of the disclosure, and the name of the party or parties to whom the disclosure can be made.

When personally identifiable information is released without prior consent of the student, other than directory information and information released to college officials or the student, the college official in charge of these records will record the names of the parties who have requested information from education records and the nature of the interest in that information.

Educational records released to third parties shall be accompanied by a statement indicating that the information cannot be subsequently released in a personally identifiable form to other parties without obtaining the consent of the student. The college is not precluded from permitting their party disclosures to other parties listed in subsection (4)(a) through (g) of this section.

(5) Challenge of education records. Students who believe that information contained in their education records is inaccurate, misleading or violates the privacy of other rights of the student may request in writing to the appropriate college official that the college amend their record(s). The college official(s) will make every effort to settle disputes through informal meetings and discussion with the student.

In instances where disputes regarding contents of education records cannot be resolved by the parties concerned, the college official involved shall advise the student of the right to a hearing through a written request to the registrar or dean of students. Should the registrar or dean of students deem that the education records in question are inaccurate or misleading, he or she can ask that the records be amended by the appropriate college official. If the education records are held to be accurate, the student shall be granted the opportunity to place within those records a personal statement commenting upon the information contained within.

Each eligible student is afforded the right to file a complaint concerning alleged failures by the college to comply with the requirements of the act. The address of the office designated to investigate, process, and review violations and complaints which are filed is:

The Family Educational Rights and Privacy Act Office (FERPA)
Department of Health, Education, and Welfare
330 Independence Avenue, SW
Washington, DC 20201

WAC 132P-33-110 Student publications. The college recognizes the fact that student publications are a valuable aid in establishing and maintaining an atmosphere of free and responsible discussion and of intellectual exploration on the campus. They are a means of bringing student concerns to the attention of the faculty and institutional authorities and of formulating opinion on various issues on the campus and in the college community at large. They may also serve as a means of journalistic and/or creative expression.

The college, as the publisher of student publications, must bear the legal responsibility for the contents of the publications.

Students shall have freedom to deal with any ideas and to express any opinions in the student publications without fear of their censorship. Editors and managers of student publications are protected from arbitrary suspension and removal. Only for proper and stated causes, as outlined in the statement of purpose or philosophy adopted for each student publication, should editors and
managers be subject to removal and then by orderly and prescribed procedures.

At the same time, student editors and managers are charged with corollary responsibilities to be governed by the canons of responsible journalism, including the avoidance of libel, indecency, undocumented allegations, attacks on personal integrity, and the techniques of harassment and innuendo.

WAC 132P-33-120 Student complaints. Student complaints regarding academic employees (faculty) are governed by the negotiated policy agreement between the faculty and college board of trustees. Students with complaints about academic employees may contact the dean of students, director of student programs and activities, or division chairs for further information. Complaints regarding the staff and administrators shall be brought to the attention of the appropriate dean or the college president.

Permission for posting of literature in the various restricted areas provided therefore, shall be obtained from the following college officials:

(1) The director of student programs for posting on the restricted posting areas of the HUB and those areas located on the campus outside of college buildings.

(2) Deans and directors for posting on the restricted posting areas provided in the appropriate college facility.

ASYVCC campaign rules govern special poster and sign locations for elections. Information on these special posting areas must have the identity of its sponsor appearing on its face.

Posting of posters, signs, and other publicity or promotional materials is permitted only in the locations specified above. All material sought to be posted in restricted posting areas must have the identity of its sponsorship appearing on its face.

The dissemination or distribution of materials by persons on the public streets, walks and ways of the campus or off-campus college facility, shall be subject to the laws of the particular city, state of Washington, and the United States.

Permission for the dissemination or distribution of materials in other areas of the college campus, buildings and facilities shall be obtained from the director of student programs. Persons distributing materials without permission shall be subject to the provisions of the Code of student rights and responsibilities.

WAC 132P-33-140 Commercial and promotional activities. College facilities may not be used for commercial solicitations, advertising, or promotional activities except when such activities clearly serve educational objectives (as in display of books or technical books or technical equipment of interest to the academic community), and when they are conducted under the sponsorship or at the request of a college department or the associated students, and so long as such use does not interfere with or operate to the detriment of the conduct of college affairs.

WAC 132P-33-150 Use of college facilities. Any recognized ASYVCC organization may request approval from the director of student programs to utilize available college facilities for authorized activities as provided for in official ASYVCC documents. Facilities will be provided free of charge to the organization except when such use necessitates staffing and services beyond regular college requirements. Standard college fees will be charged in these cases.

Use of facilities for purposes other than those approved or in an irresponsible manner may result in withdrawal of this privilege for an organization.

Student organizations should schedule facility use requests with the director of student programs as far in advance as possible.

WAC 132P-33-160 Noncollege speaker policy. The trustees, the administration, and the faculty of the college subscribe to the proposition that an important aspect of the education of college students is the opportunity to listen to speakers representing a wide variety of opinions and beliefs on important public issues. In conformity with the American tradition of free speech and free inquiry, the following policies are established:

(1) Any recognized ASYVCC student organization with the written sanction of its advisor, may ask individuals to speak on the campus subject to normal restraints imposed by considerations of common decency and the state law.

(2) The appearance of a speaker on the campus does not involve an endorsement, either implicit or explicit, of the speaker's views by the college, its students, its faculty, its administration, or its board of trustees.

(3) The scheduling of facilities for hearing invited speakers shall be made through the office of the director of student programs.

(4) The director of student programs or designee will be notified at least three academic calendar days prior to the appearance of an invited speaker, at which time a form (available in the student programs office) must be completed with such particulars as name of speaker, speech or discussion topic, time of appearance(s) and
sponsoring organization. The form must bear the signature of the sponsoring organization's advisor. Exceptions to the three day ruling may be made by the director of student programs with the approval of the dean of students.

(5) The dean of students may require views other than those of the invited speaker to be presented at the meeting, or at a subsequent meeting. The campus president may assign a faculty member to preside over any meeting where a speaker has been invited.

[Statutory Authority: RCW 285.50.140 [28B.50.140]. 82-01-079 (Resolution No. 81-4), § 132P-33-160, filed 12/21/81.]

   (h) Intentionally inciting others to engage immediately in any of the conduct prohibited herein, which incitement leads directly to such conduct. (Inciting is that advocacy which prepares the group addressed for imminent action and steers it to the conduct prohibited herein.)

   (j) Disorderly conduct, including disorderly conduct resulting from drunkenness.

WAC 132P-33-180 Emergency procedures. In the event of activities which interfere with the orderly operation of the college as defined in WAC 132P-33-070, Freedom of expression, the dean of students or the college president or their designees shall determine the course of action which appears to offer the best possibility for resolution of the problem. The emergency procedures outlined below will be followed if deemed essential:

(1) Inform those involved in such activities that they are in violation of college and/or civil regulations.
(2) Inform them that they should cease and desist. Indicate an area on campus where they are able to conduct their activities without interfering with the operation of the college, if such an area is available.

CODE PROCEDURES

WAC 132P-33-190 Purpose of disciplinary actions. The college may apply sanctions or take other appropriate action when student conduct materially and substantially interferes with the college's:

(1) Primary educational responsibility of ensuring the opportunity for all students of the college community to attain their educational objectives; or
(2) Subsidiary responsibilities of protection and maintaining property, keeping records, other services, and sponsoring nonclassroom activities such as lectures, concerts, athletic events, and social functions. Disciplinary action proceedings shall determine whether and under what condition the violator may continue as a student at the college.

(1986 Ed.)
(a) Nothing herein shall prevent faculty members from taking reasonable summary action as may be reasonably necessary to maintain order when they have reason to believe that such action is necessary for the physical safety and well-being of the student, or the safety and protection of other students or of college property or where the student's conduct materially and substantially disrupts the educational process.

(b) Such summary action in the form of removal from the classroom shall be effective for a period not to exceed two scheduled classroom days.

(c) Faculty shall maintain a written record of any summary action and a copy shall be filed with the dean of students within two scheduled classroom days.

(d) Any summary action may be appealed to the dean of students for an informal hearing.

[Statutory Authority: RCW 285.50.140 [28B.50.140]. 82-01-079 (Resolution No. 81-4), § 132P-33-190, filed 12/21/81.]

WAC 132P-33-200 Initial proceedings. (1) Initiation of prosecution. Students, faculty members, administrators and other employees of the district shall have concurrent authority to report violations which will be acted upon by the dean of students. All disciplinary proceedings will be initiated by the dean of students or designated representative.

(2) Notice requirements. Any student charged with a violation of the Code of student rights and responsibilities shall be notified by the dean of students or designated representative within two academic calendar days after the filing of such a report. The notice shall not be ineffective if presented later due to the student's absence. Such notice shall:

(a) Inform the student that a report has been filed alleging that the student violated specific provisions of the code and the date of the violation; and

(b) Set forth those provisions allegedly violated; and

(c) Specify the exact time and date the student is required to meet with the dean of students; and

(d) Specify the exact time, date, and location of the formal hearing, if one is required; and

(e) Inform the student that he/she may question witnesses, that he/she may have anyone appear in his/her behalf to defend him/her, that he/she may have a maximum of three character witnesses appear in his/her behalf; and

(f) Inform the student that failure to appear at either of the appointed times at the dean of student's office or at the hearing may subject the student to suspension from the institution for a stated or indefinite period of time.

(3) Meeting with the dean of students.

(a) At the meeting with the dean of students the student shall be informed of provisions of the Code of student rights and responsibilities that are involved, that the student may appeal any sanction imposed by the dean of students and that if a hearing is required the student may have that hearing open to the public. If the student requests a formal hearing, the dean of students shall take no action nor make any determination in the matter other than to inform the student again of the time, date, and location of the formal hearing.

(b) After considering the evidence in the case and interviewing the student or students involved, the dean of students may take any of the following actions:

(i) Terminate the proceedings exonerating the student or students; or

(ii) Dismiss the case after whatever counseling and advice may be appropriate; or

(iii) Impose minor sanctions directly, such as but not limited to, warning, reprimand, fine, restitution, disciplinary probation, subject to the student's right of appeal described below; or

(iv) Refer the matter to the student hearing committee for a recommendation to the college president or designee as to appropriate action; or

(v) Recommend to the college president or designee that the student shall immediately be notified in writing of such recommendation and of the right to a hearing before the student hearing committee prior to the college president or designee's final decision.

(c) A student accused of violating any provision of the Code of student rights and responsibilities shall be given immediate notification of any disciplinary action taken by the dean of students or designated representative.

(d) No disciplinary action taken by or at the recommendation of the dean of students or designated representative is final unless the student fails to exercise the right of appeal as provided for in these rules. The college president or designee after reviewing the case, including any statement the student may file with the college president or designee, shall either give written approval of the action taken by or at the recommendation of the dean of students, or give written direction as to what lesser disciplinary action, if any, is to be taken.

[Statutory Authority: RCW 285.50.140 [28B.50.140]. 82-01-079 (Resolution No. 81-4), § 132P-33-200, filed 12/21/81.]

WAC 132P-33-210 Appeals. (1) Appeals contesting recommendations of disciplinary action(s) shall be taken in the following order:

(a) Disciplinary action taken by or at the recommendation of the dean of students or designated representative may be appealed to the student hearing committee;

(b) Disciplinary recommendations made by the student hearing committee may be appealed by the student to the college president; in the case of a recommendation for suspension it may also be appealed to the college president;

(c) Disciplinary action taken by the college president and resulting in suspension exceeding in duration one college quarter may be appealed by the student to the board of trustees and their decision shall be final.

(2) All appeals by a student must be made in writing to the committee, college president or designee or board of trustees and presented to the committee, college president or designee or chairman of the board of trustees within ten calendar days after the student has been notified of the action from which he/she has a right of appeal.
WAC 132P-33-220 Student hearing committee. (1) Composition. The college shall have a standing committee composed of nine members, who shall be chosen and appointed no later than October 15 of each year to serve as a standing committee until their successors are appointed. The membership of the standing committee shall consist of three members of the administration, excepting the dean of students, chosen by the college president; three faculty members chosen by the faculty organization; and three students chosen by the ASYVCC senate. Any student entitled to a hearing before a student hearing committee shall choose, in writing, five members of the standing committee to hear and decide the appeal, provided, the student must choose at least one student, one faculty member and one member of the administration from the nine member standing committee. The balance of the student hearing committee, two members, may be chosen from the remainder of the standing committee, provided that both shall not be from the same classification. If a hearing is to be conducted for a student from a specialized program (i.e., allied health, vocational–technical), an additional member will be appointed to the hearing committee by the division involved. In the event that unforeseen circumstances prevent a previously selected committee member from attending the hearing, the student must choose a replacement from among the balance of the standing committee.

(2) Procedures for hearing.

(a) Five members of the student hearing committee will hear, de novo, and make recommendations to the college president or designee on all disciplinary cases appealed to the committee by the student or referred to it by the dean of students or designated representative. Recommendations involving suspension will be referred to the college president or designee.

(b) The student hearing committee shall elect from among its five members a chairman for the purpose of presiding at the disciplinary hearing.

(c) Hearings generally will be held in closed session, except when a student requests that persons other than those directly involved be invited to attend. If at any time during the conduct of a hearing any person is disruptive of the proceedings, the chairman of the student hearing committee may exclude such person from the hearing room.

(d) The student has a right to a fair and impartial hearing before the committee on any charge of violating a provision or provisions of the Code of student rights and responsibilities. The student’s failure to cooperate with the hearing procedures hereinafter outlined, however, shall not preclude the committee from making its findings of fact, conclusions and recommendations as provided below. Failure by the student to cooperate may be taken into consideration by the committee in recommending to the college president or designee the appropriate disciplinary action.

(e) The student shall be given written notice of the time and place of the hearing before the committee. Said notice shall contain:

(i) A statement of the date, time, place and nature of the disciplinary proceedings;

(ii) A statement of the specific charges against the student including references to the particular sections of the Code of student rights and responsibilities involved;

(iii) To the extent known, a list of witnesses who will appear and a summary description of any documentary or other physical evidence that will be presented by the college at the hearing.

(f) The student shall be entitled to hear and examine the evidence against him/her and be informed of the identity of its source; the student shall be entitled to present evidence in his/her own behalf and cross-examine witnesses testifying against him/her as to factual matters. The student shall have all authority possessed by the college to obtain information that the student specifically describes, in writing, and tenders to the dean of students no later than three days prior to the hearings or to request the presence of witnesses or the production of other evidence relevant to the hearings.

(g) The student may be represented by counsel of his/her choice at the disciplinary hearings. If the student elects to choose a duly licensed attorney admitted to practice in any state in the United States as counsel, the student must tender three days notice thereof to the dean of students.

(h) In all disciplinary proceedings the college may be represented by the dean of students or designee; the dean of students may then present the college’s case against the student accused of violating the Code of student rights and responsibilities, provided, that in those cases in which the student elects to be represented by a licensed attorney, the dean of students may elect to have the college represented by an assistant attorney general.

(i) The proceedings of the hearing shall be recorded. A copy thereof shall be on file at the office of the dean of students.

(j) The time of the hearing may be advanced by the committee at the request of the student or continued for good cause.

(3) Admissible evidence.

(a) Only those matters presented at the hearing in the presence of the accused student will be considered in determining whether the student hearing committee has sufficient cause to believe that the accused student is guilty of violating the rules that the student is charged with having violated.

(b) In determining whether sufficient cause, as stated in the preceding paragraph (a) of this subsection, does exist, members of the student hearing committee shall give probative effect to evidence which possesses probative value commonly accepted by reasonably prudent persons in the conduct of their affairs.

(c) The chairman of the student hearing committee shall, in the course of presiding at the disciplinary hearing, give effect to the rules of privilege recognized by law and exclude incompetent, irrelevant, immaterial and unduly repetitious evidence.

[Statutory Authority: RCW 285.50.140 [28B.50.140]. 82-01-079 (Resolution No. 81-4), § 132P-33-210, filed 12/21/81.]
(4) **Interference with proceedings.** Any student interfering with the proceedings of the meeting with the dean of students or the formal hearing or any subsequent hearing shall be in contempt of the proceedings and may be summarily suspended from the college by the dean of students or the student hearing committee or the college president or designee, or the board of trustees at the time the interference takes place or within fifteen academic calendar days thereafter.

(5) **Decision by the committee.**

(a) Upon conclusion of the disciplinary hearing, the student hearing committee shall consider all the evidence therein presented and decide by majority vote whether to recommend to the college president or designee the following actions:

(i) That the college terminate the proceedings and expel the student or students;

(ii) That the college impose minor sanctions directly, such as, but not limited to, a warning, reprimand, fine, restitution, or disciplinary probation;

(iii) That the student be suspended from college including a recommendation of the duration of suspension.

(b) The student shall be provided with a copy of the committee's findings of fact and conclusions regarding whether the student did violate any rule or rules of the **Code of student rights and responsibilities** and the committee's recommendation to the college president or designee. The committee shall also advise the student in writing of the right to present within ten calendar days, a written statement to the college president or designee appealing the recommendation of the committee.

[Statutory Authority: RCW 285.50.140 [28B.50.140]. 82-01-079 (Resolution No. 81-4), § 132P-33-220, filed 12/21/81.]

**WAC 132P-33-230 Final decision regarding disciplinary sanction.** (1) The college president or designee (except the dean of students) shall, after reviewing the record of the case prepared by the student hearing committee together with any statement filed by the student, include therein a written acceptance of the recommendations of the committee, or written directions as to what lesser disciplinary sanction shall be taken.

(2) If the college president or designee decides that discipline is to be imposed after the review provided by subsection (1) of this section, the college president or designee shall notify the student in writing of the discipline imposed.

(3) In all cases of disciplinary action, the decision of the college president or designee shall be final except for those cases involving suspension if the suspension has been appealed to the board.

[Statutory Authority: RCW 285.50.140 [28B.50.140]. 82-01-079 (Resolution No. 81-4), § 132P-33-230, filed 12/21/81.]

**WAC 132P-33-240 Disciplinary sanctions.** The following definitions of disciplinary terms have been established and shall be the sanctions imposed upon violators of the **Code of student rights and responsibilities**:

(1) **Warning.** Notice to a student, either verbally or in writing, that the student has been in violation of college rules or regulations or has otherwise failed to meet the college's standards of conduct. Such warnings will include the statement that continuation or repetition of the specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described below.

(2) **Reprimand.** Formal action censuring a student for violation of the college rules or regulations or has otherwise failed to meet the college's standards of conduct. Reprimands shall be made in writing to the student by the officer of agency taking action, with copies filed in the office of the dean of students. A reprimand will include the statement that continuation or repetition of the specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described below.

(3) **Fines.** The dean of students and/or the student hearing committee may assess monetary fines up to a maximum of twenty-five dollars against individual students for violation of college rules and regulations or for the failure to meet the college's standards of conduct. Failure to pay such fines within thirty days will result in suspension for an indefinite period of time as set forth in subsection (6) of this section, provided that a student may be reinstated upon payment of the fine.

(4) **Restitution.** An individual student may be required to make restitution for damage or loss to college or other property and for injury to persons. Failure to make restitution within thirty days will result in suspension for an indefinite period of time as set forth in subsection (6) of this section, provided that a student may be reinstated upon payment.

(5) **Disciplinary action.** Formal action placing conditions upon the student's continued attendance for violation of college rules or regulations or other failure to meet the college standards of conduct. The office or agency placing the student on disciplinary probation or action will specify, in writing, the period of probation or action and the conditions, such as limiting the student's participation in extra curricular activities, denial of admission to a specific class, or other possible penalties. Disciplinary probation or action warns the student that any further misconduct will automatically raise the question of suspension from the college. Disciplinary probation or action may be for a specified term or for an indefinite period which may extend to graduation or other termination of the student's enrollment in the college.

(6) **Suspension.** Temporary or indefinite dismissal from the college and termination of the student status of a student for violation of college rules or regulations or for failure to meet the college's standards of conduct. The notification of suspending a student will indicate, in writing, the term of the suspension and any special conditions which must be met before readmission. Refund of fees for the quarter in which disciplinary action is taken shall be in accord with the college's refund policy. Students suspended on the basis of conduct which disrupted the orderly operation of the campus or any facility of the district may be denied access to all or any part of the campus or other facility.

[Title 132P WAC—p 22]
WAC 132P-33-250 Readmission after suspension. Any student suspended from the college for disciplinary reasons may be readmitted upon expiration of the time period for which the suspension was issued. If the student has been suspended for an indefinite period, or feels that circumstances warrant reconsideration of the temporary suspension prior to its expiration, the student may be readmitted following approval of a written petition submitted to the dean of students. Such petitions must state reasons which support a reconsideration of the matter. Before readmission may be granted, such petitions must be reviewed and approved by the college president or designee, or by the board in those cases in which it made the final disciplinary action decision.

WAC 132P-33-260 Reestablishment of academic standings. Students who have been suspended pursuant to disciplinary procedures set forth in code procedures of summary suspension rules, and whose suspension appeal is found to have been unwarranted shall be provided the opportunity to reestablish their academic and student standing to the extent possible within the abilities of the college, including an opportunity to retake examinations or otherwise complete course offerings missed by reason of such action.

WAC 132P-33-270 Initiation of summary suspension proceedings. The college president or designee may suspend any student of the college for not more than ten academic calendar days pending investigation, action or prosecution on charges of an alleged Code of student rights and responsibilities violation or violations, and if the college president or designee has reason to believe the student's physical or emotional safety and well-being, or the safety and well-being of the other college community members, or the safety and well-being of the college property command such suspension.

WAC 132P-33-280 Permission to enter or remain on campus. During the period of summary suspension, the student shall not enter any campus of District 16 other than to meet with the dean of students or to attend the hearing. However, the dean of students may grant the student special permission to enter a campus for the express purpose of meeting with faculty, staff, or students in preparation for the hearing.

WAC 132P-33-290 Notice of summary suspension proceedings. (1) If the college president or designee desires to exercise the authority to summarily suspend a student, the college president shall cause notice thereof to be served upon that student by registered or certified mail at the student's last known address, or by causing personal service of such notice upon that student.

(2) The notice shall be entitled "notice of summary suspension proceedings" and shall state:
(a) The charges against the student including reference to the provisions of the Code of student rights and responsibilities involved; and
(b) That the student charged must appear before the dean of students at a time specified in the notice.

WAC 132P-33-300 Procedures of summary suspension hearing. (1) At the summary suspension hearing, the student against whom the violation or violations are alleged shall have the opportunity of proving to the dean of students that there is no cause to believe that the violation stated on the notice of summary suspension proceedings did occur, and that immediate suspension is not necessary nor justifiable pursuant to summary suspension rules, WAC 132P-33-270 through 132P-33-350.

(2) The student may offer personal oral testimony or that of any person, submit any statement or affidavit, examine any affidavit or cross-examine any witness, and submit any matter in extenuation or mitigation of the violation or violations charged.

(3) The dean of students shall at the time of the summary suspension proceedings determine whether there is probable cause to believe that a violation of law or of provisions of the Code of student rights and responsibilities has occurred, and whether there is reason to believe that immediate suspension is necessary. In the course of making such a decision, the dean of students may consider the sworn affidavits or oral testimonies of persons who have alleged that the student charged had committed a violation of law or provisions of the Code of student rights and responsibilities and the oral testimony and affidavits submitted by the student charged.

WAC 132P-33-310 Decision by the dean of students. If the dean of students, following the conclusion of the summary suspension proceedings, finds that there is probable cause to believe that:
(1) The student against whom specific violations of law or of provisions of the Code of student rights and responsibilities are alleged has committed one or more of such violations upon any college facility; and
(2) That summary suspension of said student is necessary under the provisions of summary suspension rules, WAC 132P-33-270 through 132P-33-350; and
(3) Such violation or violations of the law or of provisions of the Code of student rights and responsibilities constitute grounds for disciplinary action, then the dean
of students may, with the written approval of the college president, suspend such student from college.

[WAC 132P-33-320 Notice of summary suspension. (1) If a student is suspended pursuant to the above rules, the student shall be provided with a written copy of the dean of students' findings of fact and conclusions, as expressly concurred in by the college president, which constituted probable cause to believe that the conditions for summary suspension existed.

(2) The student suspended pursuant to the authority of this rule shall be served a copy of the notice of suspension by personal service or by registered mail. Notice by mail shall be sent to said student's last known address. The suspension shall be effective from the day of the notice of suspension is mailed or personal service accomplished, whichever shall occur first.

[WAC 132P-33-330 Suspension for failure to appear. If the student against whom specific violations of provisions of the Code of student rights and responsibilities have been alleged has been served pursuant to the notice required and then fails to appear at the time designated for the summary suspension proceedings, the dean of students may, with the written concurrence of the college president, suspend the student from college.

[WAC 132P-33-340 Appeal. (1) Any student aggrieved by an order issued at the summary suspension proceedings may appeal the same to the college president or designee. No such appeal shall be entertained, however, unless written notice of the appeal, specifically describing alleged errors in the proceedings of findings of the dean of students and the college president, is tendered at the office of the college president within seventy-two hours following the date notice of summary suspension was served or mailed to the student, whichever occurred first.

(2) The college president or designee shall, as soon as reasonably possible, examine the allegations contained within the notice of appeal, along with the findings of the dean of students, the record of summary suspension proceedings, and determine therefrom whether the summary suspension order is justified. Following such examination, the college president or designee may, at his/her discretion, stay the summary suspension pending determination of the merits of the disciplinary proceedings pursuant to the provisions of the code procedures.

(3) The college president or designee shall notify the appealing student within forty-eight hours following his/her consideration of the notice of appeal, as to whether the summary suspension shall be maintained or stayed pending disposition of the disciplinary proceedings pursuant to the provisions of the code procedures.

[WAC 132P-33-350 Summary suspension proceedings not duplicitous. (1) The summary suspension proceedings shall in no way substitute for the disciplinary proceedings provided for in provisions of the code procedures. At the end of the suspension, the student shall be reinstated to full rights and privileges as a student, subject to whatever sanctions may have been or may be in the future imposed for violation of the Code of student rights and responsibilities.

(2) Any disciplinary proceedings initiated against the student because of violations alleged against any student in the course of the summary suspension proceedings provided for herein shall be heard de novo, provided that the records made and evidence presented during the course of any facet of the summary suspension proceedings brought against the student shall be available for the use of the student and of the college in the disciplinary proceedings initiated under the provisions of the code procedures.
