Thereafter, at all subsequent regular elections, the terms of all councilmen shall be set as four years.

(2) Third class city (mayor-council): Of the seven councilmen elected, the three councilmen receiving the greatest number of votes shall be assigned four year terms while the remaining four councilmen shall be assigned two year terms. Thereafter, at all subsequent regular elections, the terms of all councilmen shall be set as four years, except the position of councilman-at-large which shall remain at two years.

(3) Fourth class city (or town) (mayor-council): Of the five councilmen elected, the three councilmen receiving the greatest number of votes shall be assigned terms of four years while the remaining two councilmen shall be assigned terms of two years. Thereafter, at all subsequent regular elections, the terms of all councilmen shall be set as four years.

(4) Second, third and fourth class cities organized under the council-manager plan: The staggering of terms of councilmen shall be as set forth by RCW 35.18.020 (relating to existing cities adopting council-manager plan).

[Regulation 4, filed 3/24/60.]

WAC 434-08-050 Restrictions on write-in or sticker votes. No write-in or sticker vote cast on a partisan office at any primary or election shall be valid or counted unless the voter has restricted his choice to one of the political parties appearing upon said ballot.

In other words, the voter may write in names of candidates who do not appear upon the ballot, but not names of political parties.

WAC 434-36-010 Authority and purpose. These rules are adopted under the authority of section 8, chapter 71, Laws of 1983 1st ex. sess., for the purpose of establishing standards and procedures to prevent fraud and to facilitate the accurate processing of mail ballot elections, to ensure that standards and procedures are established to insure the secrecy of the ballot, and to ensure that uniformity exists among the counties in the conduct of mail ballot elections.

[Statutory Authority: 1983 1st ex.s. c 71. 83-22---055 (Order 83-2), § 434-36-010, filed 11/1/83.]

WAC 434-36-020 Definitions. As used in this chapter:

(1) "County auditor" means the county auditor in a noncharter county or the officer, irrespective of title, having the overall responsibility to maintain voter registration information and conduct state and local elections in a charter county, and his or her deputies or staff, where the context indicates;

(2) "Mail ballot special election" means an election conducted entirely by mail ballot where:

(a) Only issues or nonpartisan offices are on the ballot;
(b) The election is not being held in conjunction with a primary or general election; and
(c) The election involves precincts not regularly voting by mail at primary and general elections;

(3) "Mail ballot" means a ballot used in a mail ballot special election and does not include a ballot used in a precinct with fewer than one hundred registered voters regularly voting by mail in primary and general elections or an absentee ballot issued at the request of the voter;

(4) "Ballot security envelope" means the envelope which fits inside of the return envelope and in which the voter is instructed to seal his or her ballot so that, following the verification of the signature of that voter, the ballot cannot be distinguished from other valid ballots;

(5) "Return envelope" means the envelope in which the voter is instructed to seal his or her ballot security envelope and on which the voter signs and dates the affidavit that he or she has cast a vote in that special election;

(6) "Transmittal envelope" means the envelope in which the ballot, ballot security envelope, return envelope, and instructions are sent to the voter in a mail ballot special election; and

(7) "Secure storage" means a locked room, cabinet, or other space, where access is controlled by the county auditor and where a record is maintained by the auditor of the date, time, and name of any person, other than an employee of the auditor's office, to whom access is permitted.

WAC 434-36-030 Request for mail ballot special election. At any nonpartisan, special election not conducted in conjunction with a primary or general election, the jurisdiction requesting the election may also request that the election be conducted entirely by mail ballot. Such a request may be included in the resolution calling for the special election adopted pursuant to RCW 29.13.010 or 29.13.020, or it may be done by separate resolution. Not less than forty days prior to the date for which a mail ballot special election has been requested, the county auditor shall inform the requesting jurisdiction, in writing, that either (1) the request for the mail ballot special election is granted, pending approval of an election plan by the secretary of state, or (2) that the request for the mail ballot special election is not granted, for reasons specified. At the same time, the county auditor shall mail to the secretary of state a copy of the resolution for the mail ballot special election and a copy of the auditor's response.

WAC 434-36-040 Mail ballot special election plan. A county auditor planning to conduct mail ballot special elections shall, not less than sixty days prior to the first such election, submit a standard mail ballot special election plan to the secretary of state. This plan shall remain on file in the office of the secretary of state and shall remain in effect for all mail ballot special elections unless amended by the county auditor. The election plan shall be in check list form and shall specify the number of days before the election when certain activities are expected to be completed. The checklist may contain other activities, in addition to those listed here and may be arranged in a different chronological order, but otherwise shall be in substantially the following form:

(1986 Ed.)
The standard mail ballot election plan may be amended at any time up to thirty-five days before the date of any mail ballot special election by notifying the secretary of state, in writing, of any changes. In addition to the standard mail ballot special election plan, the county auditor shall, for the first three mail ballot special elections in his or her county, provide copies of that notification to the other members of the county canvassing board and, if he or she deems appropriate, to the governing body of any jurisdiction for which a mail ballot special election has been scheduled in that county.

WAC 434-36-060 Notice of election. In any mail ballot special election, the notice of election published pursuant to RCW 29.27.080 shall include the following:

(1) The title of each office to be voted upon, if any;
(2) The names and addresses of all candidates; and
(3) The ballot titles of all ballot measures.

The notice shall also list:

(a) The precincts that are voting by mail ballot only;
(b) The location where voters may obtain replacement ballots; and
(c) The location(s) where unmailed ballots may be deposited between the hours of 7:00 a.m. and 8:00 p.m. on the day of the election.

The auditor shall additionally notify local radio, television, and newspapers, if applicable, that the election is to be conducted by mail ballot only.

WAC 434-36-070 Delivery of ballot to voter. Not sooner than twenty-five days nor later than fifteen days before any mail ballot special election, the county auditor shall send to each registered voter in the election district a ballot, a return envelope, a ballot security envelope, and instructions regarding the mail ballot election.

WAC 434-36-050 Review of the plan by the secretary of state. (1) Within five business days after the receipt of a standard mail ballot special election plan, an amendment to a special election plan, or election materials for a specific election, the secretary of state shall review the plan. If the secretary of state finds that, in his or her judgment, elements of the election plan, amendments to a plan, or election materials do not adequately provide for secrecy of the ballots, prevention of fraud, or the accurate processing and canvassing of ballots, he or she shall immediately notify the county auditor of these exceptions. The county auditor and the secretary of state shall attempt to reach mutually acceptable modifications to the election plan, amendments to a plan, or election materials. In the event that no mutually acceptable agreement is reached, the secretary of state shall notify the county auditor, in writing, that he or she takes formal exception to the disputed elements of the plan, amendment to a plan, or election materials and of the reasons for his or her objections. He or she shall also provide copies of that notification to the other members of the county canvassing board and, if he or she deems appropriate, to the governing body of any jurisdiction for which a mail ballot special election has been scheduled in that county.

(2) The secretary of state may not take formal exception to any policies, procedures, or materials developed by the county auditor for the conduct of a mail ballot special election which do not directly affect secrecy of the ballot, prevention of fraud, or accurate processing and canvassing of the ballots. He or she may recommend changes to these policies, procedures, or materials where, in his or her judgment, such changes would improve the administration of the election.

WAC 434-36-050 Review of the plan by the secretary of state. (1) Within five business days after the receipt of a standard mail ballot special election plan, an amendment to a special election plan, or election materials for a specific election, the secretary of state shall

The standard mail ballot election plan may be amended at any time up to thirty-five days before the date of any mail ballot special election by notifying the secretary of state, in writing, of any changes. In addition to the standard mail ballot special election plan, the county auditor shall, for the first three mail ballot special elections in his or her county, provide copies of that notification to the other members of the county canvassing board and, if he or she deems appropriate, to the governing body of any jurisdiction for which a mail ballot special election has been scheduled in that county.

WAC 434-36-080 Envelope specifications. All ballots, ballot security envelopes, and return envelopes shall be of uniform color and size for each jurisdiction conducting a mail ballot special election. The county auditor may, however, use ballots, security envelopes, and return envelopes of uniform size for all jurisdictions conducting a mail ballot special election should he or she so desire. The envelope in which the ballot is mailed to the voter shall be clearly marked, "DO NOT FORWARD — RETURN TO SENDER — RETURN POSTAGE GUARANTEED." The return envelope shall bear the address of the issuing officer and the words, "OFFICIAL BALLOT — DO NOT DELAY" prominently displayed on the front, and shall also bear the words "POSTAGE REQUIRED" in the upper right hand corner. The envelope shall contain a space for the voters name and address to be listed and shall also contain the following statement:

5. Advise the voter that his or her ballot must be marked in secret; and

WAC 434-36-100 Depositing of ballots. Ballots may be deposited in the auditor's office at any time, during normal business hours, prior to the day of the election and from 7:00 a.m. to 8:00 p.m. on election day. The county auditor shall designate at least one other place of deposit within the jurisdiction holding the mail ballot special election whenever, in his or her judgment, having only the auditor's office as a place of deposit would unduly inconvenience the voter. If other places of deposit are designated, each shall be staffed by an employee of the auditor's office or by another person designated by the auditor. The person designated by the auditor shall not be an employee of the jurisdiction conducting the special election and shall subscribe to an oath regarding the discharge of his or her duties, administered by the county auditor. All designated place of deposit shall be open from 7:00 a.m. until 8:00 p.m. on the day of the election and shall have a secure ballot box. The ballot box shall be constructed in such a manner that return envelopes, once deposited, may be removed only by the county auditor or the person appointed to staff the place of deposit. That person shall ensure that the affidavit on the return envelope is signed before the ballot is deposited in the ballot box. On election day, the person(s) staffing the designated place(s) of deposit shall place their initials and time of deposit on the return envelope.

[Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-100, filed 11/1/83.]

WAC 434-36-110 Obtaining replacement ballots. Each county auditor shall designate his or her office or any other location within the jurisdiction requesting the mail ballot special election as the single place where voters may obtain a replacement ballot. Any voter seeking a replacement ballot must, prior to 8:00 p.m. on election day, return the original ballot if it was spoiled and sign a sworn statement in substantially the following form:

The county auditor shall maintain a record of each replacement ballot so issued. Any absentee ballot request made wherein the voter lists an address different from that to which his or her mail ballot has been or is to be mailed shall be handled as provided by RCW 29.36.030.

WAC 434-36-120 Unsigned affidavit. If the voter neglects to sign the affidavit on the return envelope, the auditor shall notify the voter, either by telephone or by first class mail, of that fact. He or she shall advise the voter that, in order for the ballot to be counted, the voter must appear in person at the auditor's office not later than 8:00 p.m. on election day. A record shall be kept on the return envelope of the date on which the voter was contacted or on which the notice was mailed. Any notice by mail shall be in substantially the following form:

Dear Voter:

Please appear in person at the location listed on this card and sign this affidavit no later than 8:00 p.m. on .......... Your ballot cannot be counted unless the return envelope is signed.

ADDRESS: .................................................................

WAC 434-36-130 Signature verification—Personnel. A mail ballot shall be counted only if:

(1) It is returned in the return envelope;

(2) The envelope is signed by the registered voter to whom it was issued;

(3) The signature has been verified by the county auditor; and

(4) It is postmarked not later than the day of the election or deposited not later than 8:00 p.m. on election day.

The auditor must compare the signature on the return envelope with the voter's signature as it appears on the voter registration card, and shall hire as many persons as he or she deems necessary to assist in this process. All personnel assigned to the duty of signature verification shall subscribe to an oath regarding the discharge of his or her duties, administered by the county auditor. The auditor shall instruct his or her employees in the signature verification process prior to actually canvassing any signatures and may request that local law enforcement officials instruct those employees in techniques used to identify forgeries.

WAC 434-36-140 Verification of signatures—Process. If the auditor determines that the signature on the return envelope matches that on the voter registration card, he or she shall indicate on the envelope that a signature comparison has been made. No indication of a voter having cast a ballot shall be made on the voter registration file until a signature comparison has been made. In the event the auditor determines that the signatures do not match, or that the voter has voted more than once, he or she shall refer all such ballots and any other related materials to the county canvassing board. No ballot so referred shall be counted unless subsequent investigation reveals it to be a valid ballot and the canvassing board directs the auditor to accept it. The signature verification process shall be open to the public, subject to reasonable procedures promulgated by the county auditor to insure that order is maintained and to safeguard the integrity of the process.

WAC 434-36-150 County canvassing board. The county canvassing board shall examine each ballot and related material referred by the auditor and shall determine whether or not the ballot is to be counted. The canvassing board may employ local law enforcement officials or any other persons they deem necessary to assist them in this effort. In the event the canvassing board determines that the ballot is to be counted, they shall direct the county auditor to do so. In the event the canvassing board determines that the signature on the ballot was not made by the voter to whom the ballot was issued or that the voter has attempted to vote more than once, they shall direct the auditor to refer all such ballots and related materials to the prosecuting attorney. The county auditor must also notify the attorney general of any persons attempting to vote more than once.

WAC 434-36-160 Master list of voters. The county auditor shall maintain in his or her office a list of all

(1986 Ed.)
voters eligible to vote in any mail ballot election. An indication shall be made on this master list of the status of all ballots returned and verified, and this list shall be available for public inspection and copying at a reasonable cost.

WAC 434-36-170 Logic and accuracy test. At least three days before any mail ballot special election, if an electronic vote tallying system is to be used, the auditor shall conduct a logic and accuracy test of all programming. Wherever applicable, this test shall be conducted in accordance with RCW 29.34.163, except that the secretary of state need not be present. The test shall be repeated immediately prior to any tabulation of ballots on election day.

WAC 434-36-180 Tallying of ballots. The county canvassing board, upon the request of the county auditor, may direct that, after 12:00 noon on election day, mail ballots on hand be counted. Any such count made prior to 8:00 p.m. must be done in secret and the results not revealed until after 8:00 p.m. Whenever any ballot is to be counted, the county auditor shall ensure that at least three election officers are present. Such officers shall be appointed as provided by RCW 29.45.010. Any violation of the secrecy of the count shall be subject to the penalties provided in RCW 29.54.035. During either the early count of ballots or the regular tabulation of ballots on election night in counties using electronic voting devices, political party observers may select up to ten precincts and count by hand either the total number of ballots or the total number of votes cast for any single office or issue. This hand count may take place at any time after the ballots have been officially tabulated by the electronic vote tallying system, but must take place prior to the official certification of the election results.

WAC 434-36-190 Canvassing of ballots. Except as otherwise provided by law, mail ballots shall be canvassed in the same manner as absentee ballots issued at the request of the voter. To be counted such mail ballots must be deposited at the designated place not later than 8:00 p.m. on election day or postmarked not later than the day of the election. In the event the postmark is missing or illegible, the county canvassing board may rely on the date of the oath signed by the voter on the outside of the return envelope. Any mail ballot may be challenged in the same manner as absentee ballots are challenged, and the county canvassing board must determine that any challenged ballot is valid before it may be counted.

[Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-190, filed 11/1/83.]

WAC 434-36-200 Maintenance of records. Each county auditor conducting a mail ballot special election shall maintain and retain complete documentation of that election. The documentation maintained shall include, but not be limited to, the following:

1. A copy of the resolution calling for the mail ballot election;
2. A copy of the legal notice identifying the election as a mail ballot election;
3. The return envelopes which have been marked to indicate the signature had been verified;
4. The sworn statement of each voter issued a replacement ballot; and
5. The master list indicating which voters cast ballots.

The retention period for this material and for the ballots themselves shall be the same as for absentee ballots, or until the resolution of any litigation arising out of the mail ballot election. Ballots and all related material shall be held in secure storage both before they are mailed and after they are returned.

WAC 434-36-210 Report to the secretary of state. Not later than seven calendar days following the official canvass of any mail ballot special election, the county auditor shall report the results of that election to the secretary of state. Included in that report shall be:

1. The total number of eligible voters in the district;
2. The total number of ballots mailed;
3. The total number of ballots returned (listing those returned by mail and by deposit as separate subtotals);
4. The total number of replacement ballots issued (with separate subtotals for destroyed, lost, spoiled or not received original ballots);
5. The total number of ballots accepted as valid and counted;
6. The total number of ballots rejected; included in the rejected ballot total shall be subtotals listing:
   (a) The number of ballots received late;
   (b) The number of ballots rejected because the return envelope bore no signature;
   (c) The number of ballots rejected because the signature on the return envelope was not that of the registered voter to whom the ballot was issued; and
   (d) The number of ballots rejected because the voter attempted to vote more than once;
7. The official results of the election; and
8. An itemization of the cost of the mail ballot special election to the jurisdiction which requested it.

The auditor shall retain a copy of this report in his or her files, and shall provide a copy to the jurisdiction for which the mail ballot special election was conducted.

WAC 434-50-035 In-person or expedited counter service—Special fees. (1) Same-day processing of corporate documents is available during counter-service hours (8:30–11:30 a.m., 1:00–3:30 p.m.) at the offices of the corporations division. Expedited services available

[Title 434 WAC—p 38]
include charter document review and filing, name reservation review and filing, document certification, document copying, processing of service-of-process filings, trademark filings and other services related to corporation records and filings. Special service fees apply to same-day services.

(2) Fees for same-day services provided in-person, over-the-counter at the corporations division are as follows:

(a) A copy of corporate or other records: Five dollars expedited service fee plus statutory fees (one dollar for first page copied, twenty cents per page thereafter);

(b) Certificate or certified copies: Five dollars expedited service fee, plus statutory fee ($5.00 each certificate, plus twenty cents per page copied);

(c) Same-day processing of corporate charter documents, such as articles of incorporation, amendments, mergers, dissolutions, qualification of foreign corporation: Ten dollars expedited service fee per document, plus statutory fees for the form of the filing;

(d) Same-day processing of name reservation or registration requests: Ten dollars expedited service fee, plus regular statutory filing fee for each action or document processed;

(e) Processing of trademark filing, same-day basis: Ten dollars expedited service fee, plus statutory fee for the form of the filing, for each action or document processed;

(f) Processing of service-of-process on the secretary of state under Title 23A RCW or RCW 46.64.040, on a same-day basis: Ten dollars expedited service fee, plus statutory $25.00 service-of-process fee, for each action or document filed;

(3) (a) Special service fees, as established above, will be charged when same-day, over-the-counter service is requested. (Allow four-hour turn-around time for same-day service.) If the office of the secretary of state is unable to complete the requested action, by approval, denial or other definite disposition of the matter, by 4:30 p.m. of the day of receipt, the documents or other work will be processed first on the following business day.

(b) If special emergency services beyond same-day or over-the-counter services are provided by the division, including but not limited to delivery of documents, employee overtime, special copying, certifying or approval of materials, special research, or making long-distance phone calls related to the emergency situation, a special emergency fee of $75.00 per hour will be charged, in addition to regular fees which may be due for the form of the filing. When a request qualifying as an emergency is received by the agency, the agency will notify the requestor of the emergency service fee. The requestor must agree to the fee and any other reasonable conditions set by the agency before emergency services will be provided. Emergency requests require intensive amounts of agency effort for a short period, and will not be accepted by the agency except under exigent and compelling circumstances.

(4) Because of limited staff, the corporations division reserves the right to limit the availability of counter service or to limit the number of service requests submitted by one person during one day. Generally, the agency will limit to three the separate service requests which may be submitted by one person in one day. In the case of documents submitted by courier services or document-handling companies, no more than five separate service requests may be submitted per day for handling the same day unless alternate arrangements have been made with the agency or unless agency workload permits.

(5) There are no special fees or other expedited service charges for:

(a) In-person inspection or review of corporate or other public records located at the corporation division offices;

(b) Documents or other service requests left at the corporations division for regular, nonexpedited processing. Such documents will be receipt-stamped only, and reviewed and processed as if otherwise received in the mail.

[Statutory Authority: 1982 c 35 §§ 67, 114, 159 and 187. 82-16-059 (Order 82-1), § 434-50-035, filed 7/30/82.]

WAC 434-50-040 Miscellaneous charges—Special service fees. (1) Dishonored checks. If a person, corporation or other submitting entity has attempted to pay any fee due to the secretary of state by means of a check, and the check is dishonored by the financial institution when presented, the secretary of state will impose a seven-dollar reprocessing fee, payable to the secretary of state.

In the event a valid replacement check and dishonor charge is not received in the office of the secretary of state within the time prescribed by its accounting division, the transaction covered by the dishonored check will be cancelled and all other late filing fees and penalties will be instituted.

(2) Error in document—Resubmission fees. If a person, corporation or other entity submits a document for filing to the office of the secretary of state and the document contains one or more of the errors listed below, subsections (a)–(e), a three-dollar resubmittal fee to cover postage and handling will be charged each time the office of the secretary of state must return the documents to sender for correction or completion and the corrected documents are subsequently resubmitted to the office of the secretary of state for action. Reasons for document rejection which will trigger a resubmission fee are:

(a) Submission corporate charter document(s) lacking required signature(s) on any copy of the document, or
not accompanied by supportive documents, such as certificate of good standing, second set of charter documents;

(b) Submission of corporate charter document(s) without required filing or license fees;

(c) Submission of corporate charter documents which fail to state a registered office address or to appoint a registered agent, if the document filing is of a type which requires such designation (i.e., articles of incorporation), or if agent's signed consent to serve is not included;

(d) Submission of articles of incorporation wherein the name of the corporation is not consistently spelled in the same manner throughout the articles (i.e., where page one refers to the "ABC Company," but page six refers to "ABCD Company").

(e) Submission of documents wherein the capital value is inconsistent or which fail to set an aggregate value for nonpar shares.

(f) Submission of documents required to be filed with the phrase "not to exceed (specified dollar amount)" above the space intended for the written dollar amount. The clerk who processes the request will fill in the exact fee amount, and a memo indicating the exact amount filled in on the check will accompany the returned certificate or other document.

WAC 434-50-045 Fee prepayment, when required.

(1) The following fees due to the office of the secretary of state must be prepaid (check or money submitted concurrently with the document(s)) before action can be taken:

(a) Filing fees, under Titles 23A, 18, 23 and 24 RCW;

(b) Corporate annual license fees;

(c) Trademark filing fees;

(d) Special service fees for expedited document processing;

(e) Service-of-process fees;

The clerk who processes the request will fill in the exact fee amount, and a memo indicating the exact amount filled in on the check will accompany the returned certificate or other document.

WAC 434-50-050 Original signature requirement—Original retained. RCW 23A.04.010(16) and related sections in the Washington profit and nonprofit corporation statutes permit documents which are to be submitted to the office of the secretary of state in duplicate original form to be submitted as "one original with original signatures and one copy thereof." In the case of documents submitted with only one original—signature version and one copy thereof, the office of the secretary of state will retain as its official file copy the document version bearing the original signature(s), and will return to the submitter that document version bearing the copy of the signature(s).

WAC 434-50-055 Registered office address—Requirements. By law, the registered office address for a corporation registered in Washington state must be at a geographic location in this state. However, a post office box address may be used in conjunction with the registered office address. A post office address may be used when:

(1) The U.S. Postal Service cannot or will not deliver to the "street address," and the agent will therefore not receive mail communications from the office of the secretary of state, including the annual license fee billing; and

(2) The post office box address the agent desires to use is in the same Washington city or town as the registered office address; and

(3) The agent notifies the office of the secretary of state and the corporation of any changes in address, whether of the official registered office address or of the mail (post office box) address.

WAC 434-55-020 Domestic limited partnerships—Requirements for filing. (1) A domestic limited partnership certificate will be accepted for filing when duplicate originals thereof which comply with the requirements of the 1981 Washington Uniform Limited Partnership Act are submitted to the secretary of state with applicable fees as established in these regulations. See RCW 25.10.080.

(2) The limited partnership certificate must set forth at a geographic address in this state the specified office at which records will be kept pursuant to RCW 25.10- .050. The specified office address may be, but is not required to be, identical to the specified agent's address.

(3) The limited partnership certificate must set forth an address of the specified agent which is at a specific geographic location in this state, identified by number, if any, and street or building address or rural route, or, if a commonly known street or rural route address does not exist, by legal description. A specified agent's address may not be identified solely by post office box number or other nongeographic address. For purposes of mail communications from the secretary of state, the secretary of state will permit the use of a post office address in conjunction with a specified agent's street address, provided the post office box address is in the same Washington city as the street address.

(4) The limited partnership certificate submitted to the secretary of state should leave at least 2.5 vertical inches of space at the top of the first page of the certificate. This space will be used by the secretary of state to indicate the filing acceptance and filing date of the certificate.

WAC 434-55-030 Filing domestic limited partnerships—Optional index sheet. A new domestic limited partnership filing may use an index sheet or cover sheet to assist the secretary of state's review of the documents presented for filing.

The index sheet shall list the following in this order, and provide a reference to the page number of the underlying document on which the information requested will be found:

(1) The name of the limited partnership;

(2) The general character of its business;

(3) The specified office address;

(4) The specified agent's name and address;

(5) The page or pages of the underlying document whereon the names and addresses of partner(s) are identified;

WAC 434-55-035 Foreign (out-of-state) limited partnerships—Requirements for filing. (1) A foreign limited partnership must identify a specified office and a specified agent in the same manner as set out in WAC 434-55-025.
(2) A foreign limited partnership will be accepted for filing and issuance of a certificate of registration when it submits:

(a) An application in compliance with the requirements of RCW 25.10.490 - 25.10.510, and
(b) The requisite fees for filing.
(3) The secretary of state does not presently provide forms for the application for a certificate of registration of a foreign limited partnership.
(4) A foreign limited partnership which in its application designates the secretary of state as its only specified agent must maintain at the secretary of state's office a current address of its principal place of business in its home state and current address(s) of its general partner(s). Such addresses must be maintained in a current manner so as to facilitate the secretary of state's forwarding of any documents it receives as specified agent. Failure to maintain such current addresses at the secretary of state's office may be cause for involuntary revocation of the certificate of foreign limited partnership.

WAC 434-55-040 Execution of documents, duplicate originals and reproduction quality. (1) At any time that the statute requires a limited partnership document filing with the secretary of state to be in duplicate form, the secretary of state will accept the following:

(a) Two original copies, each with original signatures; or
(b) Two original copies, one with original signatures and one with true and correct copies of the original signatures; or
(c) One original with original signatures and a true and correct photocopy thereof.

In the case of duplicate originals submitted with only one original and one copy thereof, the secretary of state will retain as its official file copy the certificate or document with original signatures and will return to the limited partnership for its records the document version bearing copied signatures.

(2) (a) Certificates for domestic limited partnerships shall be executed as provided in RCW 25.10.110.
(b) Filings for foreign limited partnerships must be signed and sworn to by at least one general partner of the foreign limited partnership. The secretary of state will accept as a "sworn" document an application or amendment witnessed or attested to by an appropriate notary or official of the foreign limited partnership's home state, or a statement that the signature of the general partner is executed under penalties of perjury, and is, to the best of his or her knowledge, true and correct.
(3) All documents presented to the secretary of state for filing under the limited partnership act shall be of no larger size than standard legal paper (8-1/2 x 14). The materials shall be submitted in form and quality which is suitable for future microfilming or reproduction by a similar photographic process. The secretary of state will not accept documents for filing which are not typed, or with illegible text and signatures.

[Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-040, filed 10/6/82.]

WAC 434-55-050 Name reservation or registration. A name for a limited partnership may be reserved by filing an application therefor and paying the applicable fee. The applicant may use the secretary of state's regular form for reservation of name, or may submit a written request. A written request must identify the name desired, the fact that it is requested for a limited partnership, the entity for which the name is to be reserved, the agent making the request and his/her address, and must be signed by the agent, partner or other authorized representative of the limited partnership.

In view of the increasing competition for business names, persons making name reservation requests are advised to submit up to three prioritized names per request. The secretary of state will review the names requested in order of priority indicated and will reserve the available name of highest priority. If no name reservation can be accepted, the reservation fee is returned to the requestor.

[Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-050, filed 10/6/82.]

WAC 434-55-055 Pre-October 1, 1982, limited partnership filings. (1) Except as otherwise provided by law or these regulations, limited partnership filings originally made at the respective county clerks' offices before October 1, 1982, shall be deemed to be filings at the secretary of state's office, and shall continue in full force and effect as when previously filed at the respective county clerks' offices. No additional registration or re-filing shall be required for pre-October 1, 1982, limited partnerships.
(2) Pre-October 1, 1982, conflicts between limited partnership names in the separate 39 counties' files, between filings in the same county, and between pre-October 1, 1982, limited partnership filings and active corporation filings since 1889 render a satisfactory integration of pre-October 1, 1982, limited partnership filings into the corporate name protection system impossible. Except as provided below, the secretary of state will therefore not consider or research the name of any pre-October 1, 1982, limited partnership in determining whether a proposed name for a post-October 1, 1982, limited partnership is acceptable under RCW 25.10.020. The post-October 1, 1982, name will be checked as against other post-October limited partnership names and the names of active profit and nonprofit corporations registered at the office of the secretary of state.

Nothing in this section is intended to limit any judicial remedies which may be available to a pre-October 1, 1982, limited partnership for protection of its business name. In addition, if the probable existence of a name conflict between (a) a specific pre-October 1, 1982,
limited partnership, and (b) a post—October 1, 1982, limited partnership filing that would have been filed in that same county if the centralized system had not been established, is brought to the attention of the secretary of state, the secretary of state may determine that an unacceptable conflict exists and/or would be perpetuated if the proposed name of the post—October 1, 1982, limited partnership were accepted. Under those circumstances, the secretary of state may refuse to accept the proposed name without modification, or without consent of the existing pre—October 1, 1982, limited partnership, sufficient to comply with RCW 25.10.020.

(3) Pre—October 1, 1982, limited partnerships are not prohibited from "refiling" under chapter 25.10 RCW. Such optional "refiling" is accomplished by submitting a regular certificate/application as outlined in chapter 25.10 RCW and WAC 434-55-020 – 434-55-035. However, a "refiling" limited partnership is not guaranteed the use of its pre—October 1, 1982, name.

[Statutory Authority: RCW 25.10.600 – 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-055, filed 10/6/82.]

WAC 434-55-060 Document filing fees—Limited partnerships. The following fees are due and must be submitted concurrently with the limited partnership documents presented to the secretary of state for filing under the Washington Uniform Limited Partnership Act:

(1) Filing of a certificate of limited partnership for a domestic or foreign limited partnership: $65.00 with index sheet, $100.00 without (domestics); $65.00 (foreigns)

(6) Furnishing a certified copy of any certificate of limited partnership: $5.00 plus $.20 per page copied

(8) Furnishing a certificate, under seal, attesting to the fact that a limited partnership is on file with the office of the secretary of state, or to facts on record in a particular limited partnership file: $5.00

(9) Furnishing copies of any document, instrument, or paper relating to a limited partnership: $1.00 first page. $.20 each page thereafter

(10) Service of process on the office of the secretary of state as agent of a limited partnership: $25.00

All fees under this section are general fund fees and do not support services or operations of the office of the secretary of state.

[Statutory Authority: RCW 25.10.600 – 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-060, filed 10/6/82.]

(1986 Ed.)
(a) In-person inspection or review of limited partnership or other public records located at the corporation division offices;

(b) Documents or other service requests left at the corporations division for regular, nonexpedited processing. Such documents will be receipt stamped only, and reviewed and processed as if otherwise received in the mail.

WAC 434–55–066 Miscellaneous charges—Special service fees. (1) Dishonored checks. If a person, corporation or other submitting entity has attempted to pay any fee due to the secretary of state by means of a check, and the check is dishonored by the financial institution when presented, the secretary of state will impose a seven-dollar reprocessing fee, payable to the secretary of state.

In the event a valid replacement check and dishonor charge is not received in the office of the secretary of state within the time prescribed by its accounting division, the transaction covered by the dishonored check will be cancelled and all other late filing fees and penalties will be instituted.

(2) Error in document — Resubmission fees. If a person or limited partnership submits a limited partnership document for filing to the office of the secretary of state and the document must be returned to sender for correction of one or more of the errors identified below, a resubmission fee of three dollars to cover postage and handling will be assessed by the secretary of state when the documents are returned to sender. Reasons for document rejection which will trigger a resubmission fee are:

(a) Submission of limited partnership document(s) lacking required signature(s), required duplicate copies, information required by the limited partnership statute for the form of the filing, or required supportive documents.

(b) Submission of limited partnership filings without proper document filing fees (WAC 434–55–060) attached.

WAC 434–57–010 Purpose. These regulations are adopted pursuant to RCW 29.57.170 to implement the provisions of chapter 29.57 RCW and the requirements of Public Law 98–435 regarding the accessibility of polling places and voter registration facilities for federal elections.

WAC 434–57–020 Definitions. As used in these regulations:

(1) "Accessible" means the combination of factors which create an environment free of barriers to the mobility or functioning of voters who are elderly or disabled. The environment consists of the routes of travel to and through buildings or facilities used for the purpose of voting or voter registration.

(2) "Alternative polling place" means an accessible location which could be used as a polling place in the event that the existing site is inaccessible and which is reasonably convenient to assigned voters as determined by the county auditor.

(3) "County auditor" means the county auditor or county election official.

(4) "Election" means any primary, special or general election for any federal office.

(5) "Federal election" means a primary, special or general election for the office of president, vice–president, United States senator or United States representative.

(6) "Permanent voter registration facilities" means any offices or other locations specifically required to provide voter registration services under chapter 29.07 RCW or the location of any deputy registrar appointed by the county auditor to serve for an indefinite period of time.

(7) "State of emergency" means any condition which, in the opinion of the county auditor and secretary of state, would interfere with the safe and efficient conduct of an election.

WAC 434–57–030 Standards for accessible polling places and permanent voter registration facilities. A polling place is accessible if each of the following standards is met or exceeded. If each of the following standards cannot be met, alternative accommodations may be permitted under RCW 29.57.090. A permanent voter registration facility is accessible if each of the following standards is met or exceeded, except in subsections 3 and 4 where the standard specifically applies to a polling place.

(1) PARKING. Where off–street parking is provided, there is at least one existing or temporary parking place
Accessibility of Polling Places

434-57-040

Use of public buildings as polling places. A county auditor may request the legislative authority of a county, municipality or special district for the use of their facility as a polling place when, in the judgment of the county auditor, that facility would provide a location that would best satisfy the requirements at a polling place designated for use on the day of the election by voters [on the day of the primary or election, for each nine hundred persons registered to vote at that polling place] whose vehicle displays a special card, decal or license plate as required by RCW 64.61.381 [46-16.381]. A polling place, where off-street parking is not available, is considered accessible only if there is no other equally accessible alternative polling place where off-street parking is available which would be suitable for a precinct or group of precincts. Where off-street parking is provided, there is at least one existing parking place at a permanent voter registration facility designated for use by persons who are elderly or disabled. The designated parking place(s) is in close proximity to the accessible entrance to the building containing the polling place or permanent voter registration facility and is no less than twelve feet six inches wide. The area surrounding the [designated] parking place(s) [for voters with disabilities] is a firm, stable surface and generally level, with a maximum slope in any direction of one inch in fifty inches. A slope of one inch in thirty inches in the area surrounding the designated parking place(s) is considered accessible only if all other potential polling places within [the] [a] precinct [or group of precincts] are not and cannot be made to meet this standard.

(2) ACCESSIBLE ROUTE OF TRAVEL. A continuous, unobstructed pathway exists from the accessible parking place(s), where provided, to and through the accessible building entrance and to the polling place or permanent voter registration facility. The accessible route of travel is a minimum of thirty-six inches of clear width and seventy-nine inches in clear height unless otherwise specified in these standards.

(a) WALKWAYS AND RAMPS. Walkways or ramps which occur within the accessible route of travel have a minimum clear width of forty-four inches, no abrupt edge over one-half inch in height, no grating with openings larger than one-half inch, and a maximum slope in the direction of travel less than one inch in twenty inches with a cross slope no more than one inch in fifty inches. The width of walkways and ramps may be thirty-six inches only in instances where it is impractical or unreasonable to provide forty-four inches. If the slope of the accessible route of travel is between one inch in twenty inches and one inch in twelve inches, a level five foot by five foot landing is provided for each thirty inches of rise. Ramps and curb cuts have a slope no more than one inch in twelve inches. Ramps one inch in twenty or steeper have handrails. Curb cuts have a clear width of thirty-six inches and side slopes no more than one inch in six inches.

(b) ENTRANCES. The entrance to the building containing the polling place or permanent voter registration facility is at least thirty-two inches of clear width with a threshold no more than one-half inch in height. The entrance to the building containing a polling place with a threshold of one and one-half inches in height is considered accessible if there is no other equally accessible alternative polling place where the entrance with a threshold of one-half inch in height is available which would be suitable for a precinct or a group of precincts. There is a level, firm, stable and slip resistant surface at least fifty inches wide, at least eighteen inches of which is directly adjacent to the latch side of the door, and five feet deep on both the inside and outside of the door. If the entrance to the building containing the polling place remains in an open position during polling hours, the requirement for the eighteen inches adjacent to the latch side of the door does not apply. If the door is power operated, it is equipped with a time delay.

(c) INTERIOR CORRIDORS. If the entrance to the building containing the polling place or permanent voter registration facility does not open directly to the polling place or permanent voter registration facility, there is an unobstructed route of travel from the entrance of the building to the entrance of the polling place or permanent voter registration facility which is at least forty-four inches wide. If there is an elevator on the only accessible route of travel, it is in close proximity to the entrance to the building, it has a minimum interior depth of forty-eight inches, the doors have at least thirty-two inches clear width, and the floor has a firm, stable surface.

(3) POLLING PLACE. There is seating and adequate, unobstructed space for reasonable movement of voters who are elderly or disabled within the polling place.

(4) VOTING EQUIPMENT. In polling places in which ballots are cast on voting machines or voting devices, there is at least one machine or device which is no higher than thirty inches with at least twenty-seven inches minimum height knee clearance under the machine, device or table for a seated person. Voters may also be provided with paper ballots and a voting booth with a horizontal surface which is no higher than thirty inches with at least twenty-seven inches minimum height knee clearance under the booth or table.

(5) ILLUMINATION. There is sufficient illumination at all points along the accessible route of travel and within the polling place or permanent voter registration facility.

(6) SIGNS. There are signs with large, high contrast lettering which identify any available accessible parking spaces and the accessible route of travel to the polling place or permanent voter registration facility if it is different from the primary route of travel to the polling place or permanent voter registration facility. Signs shall prominently display the international symbol of access as provided by RCW 70.92.120.

Reviser's note: RCW 34.04.058 requires the use of underlining and deletion marks to indicate amendments to existing rules, and deems ineffectual changes not filed by the agency in this manner. The bracketed material in the above section does not appear to conform to the statutory requirement.

WAC 434-57-040

Use of public buildings as polling places. A county auditor may request the legislative authority of a county, municipality or special district for the use of their facility as a polling place when, in the judgment of the county auditor, that facility would provide a location that would best satisfy the requirements
of chapter 29.57 RCW. The county auditor shall notify the secretary of state if authorization to use such a facility is not granted and no other accessible location is available.

This report shall specify those polling places which are inaccessible, a summary of the efforts to locate alternative polling places and any measures taken to temporarily modify existing inaccessible polling places.

(2) In 1986, the secretary of state may, on the request of a county auditor, extend the deadline of this report to no later than July 1.

(3) No later than thirty days before the next election in an even-numbered year, a county auditor shall notify the secretary of state of any changes in polling place locations. No changes in polling place locations may be made after that time except where it has been determined that a state of emergency exists.

[Statutory Authority: RCW 29.57.170. 86-08-045 (Order 86-02), § 434-57-070, filed 3/27/86.]

WAC 434-57-080 Examination of inaccessible polling places. (1) No later than July 1 in each even-numbered year, or August 1, 1986 when the reporting deadline has been extended, the secretary of state shall review the reports of polling places submitted by each county auditor. The secretary of state shall verify that every effort has been made to locate alternative polling places for each inaccessible polling place and shall check each inaccessible polling place to verify its inaccessibility.

(2) Any polling place for which a report has not been submitted shall be considered inaccessible and shall not be used in an election unless it has been determined that a state of emergency exists.

[Statutory Authority: RCW 29.57.170. 86-08-045 (Order 86-02), § 434-57-080, filed 3/27/86.]

WAC 434-57-090 Accessible polling places—Exceptions. An inaccessible polling place shall not be used in federal elections unless the following conditions have been met:

(1) The secretary of state has reviewed and verified the inaccessible polling place, that a reasonable effort has been made to locate an alternative polling place and that measures to temporarily modify the existing polling place are not feasible, and

(2) The registered voters assigned to such an inaccessible polling place have been notified as required,

(3) It has been determined that a state of emergency exists.

[Statutory Authority: RCW 29.57.170. 86-08-045 (Order 86-02), § 434-57-090, filed 3/27/86.]

WAC 434-57-100 Procedures for inaccessible polling places. (1) No later than thirty days before a special election for a federal office or a primary in each even-numbered year, the county auditor shall mail a notice to each registered voter assigned to an inaccessible polling place which has been authorized for use under these rules and shall contain the following information:

(a) The polling place for that precinct is inaccessible, for the election or elections indicated in the notice, according to the accessibility standards established for voters who are elderly and disabled. The extent and nature of inaccessibility shall be specified.

(b) No later than twenty days before the election or elections indicated in the notice, voters who are elderly or disabled may request to be assigned to an alternative polling place as listed in the notice, or may request to vote by absentee ballot.

(c) An absentee ballot request form or instructions for requesting an absentee ballot for the specific election or elections indicated in the notice.

(2) Subsequent to the transmittal of a notice under (1) of this section and no later than thirty days before the next election, the county auditor shall also notify any person who registers to vote and is assigned to a precinct for which the polling place is inaccessible.

(3) The county auditor shall make the following accommodations in voting procedures necessary to allow the use of alternative polling places by voters who are elderly and disabled:

(a) The county auditor shall assemble election materials for voters who request to vote at an alternative polling place. The following materials shall be separated according to the precinct in which the voters are registered and placed into an envelope which clearly identifies that precinct:

(i) A poll book or precinct list which contains the names of only those voters from that precinct assigned to the alternative polling place;

(ii) A ballot for each voter from the precinct in which that voter is registered;

(iii) An envelope for voted ballots which is clearly marked "Ballots for Precinct ______ from Alternative Polling Place _______ for Elderly and Disabled Voters";

(iv) Instructions for the precinct election officers.

(b) The procedures for voting and ballot tabulation for all ballots cast by a voter who is elderly or disabled at an alternative polling place shall be as follows:

(ii) After the voter has cast his or her ballot, the ballot shall be placed in a separate ballot box or an envelope designated for ballots cast in an alternative polling place.

(iii) Following the close of the polls, ballots shall be transmitted in the designated envelopes to the county auditor's office. Within each county, all ballots cast at alternative polling places shall be canvassed and reported by legislative district separately from absentee or question ballots.

This list shall identify those facilities which meet the accessibility standards as provided in these rules. Each county auditor shall submit this list with the report of polling places. The secretary of state shall review such lists and determine if the number of accessible permanent voter registration facilities is adequate to meet the needs of persons who are elderly or disabled. If the secretary of state determines that the number of facilities is inadequate, he or she shall notify the county auditor and request additional facilities be provided.

abstract of votes shall be unofficial until verified and certified by the county canvassing board.

(5) "Verification of the auditor's abstract of votes" is that process whereby the county canvassing board determines that all of the individual precinct and absentee ballot totals, as shown on the auditor's abstract of votes, have been correctly listed and that the various subtotals are an accurate reflection of the sum of those individual precinct and absentee ballot totals.

(6) "County canvass report" is the auditor's abstract of votes after verification by the county canvassing board and shall contain a certificate which shall include the oath as specified in RCW 29.62.040, the original signatures of each member of the county canvassing board, the county seal, and all other material pertinent to the election.

(7) "Certified copy of the county canvass report" is that report transmitted by the county auditor to the secretary of state which contains registered voters and votes cast by precinct, or combination of precincts if applicable, votes cast for and against state measures, and votes cast for candidates for federal and state-wide offices and for any office whose jurisdiction encompasses more than one county, absentee ballot totals for those measures and candidates, subtotals if applicable, and county-wide totals. It shall also include a certificate, bearing original signatures and an original county seal, identical to that included in the official county canvass report, and any other material which may be pertinent to the canvass of the election.

WAC 434-62-020 Preliminary abstract of votes. Following the election and prior to the official canvass, the county auditor shall prepare an abstract of votes, listing registered voters and votes cast, votes cast for and against measures, and votes cast for candidates, by precinct or groups of precincts in the event precincts have been combined pursuant to RCW 29.04.055.

WAC 434-62-030 Auditor's abstract of votes. No later than the tenth day following any primary or special election and the fifteenth day following any general election the county canvassing board shall meet and canvass all absentee ballots not previously processed under the provisions of chapter 29.36 RCW, together with all questioned and challenged ballots. Upon completion of this canvass the board shall direct the county auditor to include all absentee ballot totals and all challenged and questioned ballot totals, or legislative district subtotals if applicable, in the preliminary abstract of votes prepared pursuant to WAC 434-62-020. The county auditor shall then add these totals to the existing precinct totals. The ensuing report, containing a count of all ballots cast in the election, subtotal reports by legislative district, and county-wide totals shall constitute the auditor's abstract of votes.

WAC 434-62-040 Verification of auditor's abstract of votes. The county canvassing board shall examine the auditor's abstract of votes and shall verify that all of the individual precinct and absentee ballot totals have been included in the abstract and that the subtotals and county-wide totals for registered voters and votes cast are an accurate reflection of the sum of those individual precinct and absentee ballot totals. This verification shall be accomplished, in counties with fewer than 100,000 registered voters, by directing the county auditor or his or her representative to add these individual precinct and absentee ballot totals in the presence of the canvassing board manually or by using an adding machine. The canvassing board shall then compare the subtotals and totals produced in this manner against the subtotals and totals as they appear on the auditor's abstract of votes and verify that the figures are identical. In counties with more than 100,000 registered voters the adding machine tapes or manual totals may be produced prior to the meeting of the canvassing board, but in such counties the canvassing board shall carefully compare the preproduced subtotals and totals against the subtotals and totals as they appear on the official abstract of votes and verify that the two sets of figures are identical.

WAC 434-62-050 Errors or discrepancies discovered during the verification of the auditor's abstract of votes. In the event that the county canvassing board, during the verifications process, discovers that errors exist in the auditor's abstract of votes or that discrepancies exist between that abstract and the manual or adding machine totals for registered voters and votes cast produced pursuant to WAC 434-62-040, the board shall investigate those errors and discrepancies. They shall be empowered to take whatever corrective steps a majority of the board deems necessary, including changing or modifying the auditor's abstract of votes if the error or discrepancy is discovered in that document. The canvassing board may then proceed to verify votes cast on measures or for candidates if a majority of the board believes that the nature of the errors or discrepancies discovered warrant such further action on their part.

WAC 434-62-060 Documentation of corrective action taken. If the canvassing board decides to take corrective action with respect to any part of the auditor's abstract of votes, they shall prepare a written narrative of the errors or discrepancies discovered, the cause of those errors, if known, and the corrective action taken. In the event the auditor's abstract of votes is altered or modified by the canvassing board, those alterations and modifications shall be initialed by each member of the canvassing board, additionally, the written narrative shall be signed by each member of the board.

(1986 Ed.)
WAC 434-62-070 Official county canvass report. Upon completion of the verification of the auditor's abstract of votes and the documentation of any corrective action taken, the county canvassing board shall sign a certification that the abstract is a full, true, and correct representation of the votes cast for the issues and offices listed thereon. The certification shall also state the total number of registered voters and votes cast in the county. The certification shall contain the oath required by RCW 29.62.040, signed by the county auditor and attested to by the chairman of the board of the county legislative authority, and shall have a space where the official seal of the county shall be attached. This certification, the auditor's abstract of votes, any adding machine tapes produced during the verification process, and the written narrative of errors and discrepancies discovered and corrected, if applicable, shall constitute the official county canvass report. This report may not be subsequently amended or altered, except in the event a recount conducted pursuant to chapter 29.64 RCW, or upon order of the superior court, or by the county canvassing board reconvened specifically for that purpose. The vote totals contained therein shall constitute the official returns of that election.

WAC 434-62-080 Auditor's abstract of votes—Secretary of state to receive certified copy—Transmittal. No later than the next business day following the certification of the returns of any primary, special, or general election at which votes were cast for or against state measures or for candidates for federal and state-wide office or for offices whose jurisdiction encompasses more than one county, the county auditor shall send a certified copy of that part of the auditor's abstract of votes covering those issues and offices to the secretary of state. This copy must be no larger than eleven inches by fourteen inches and have a certificate identical to that accompanying the official county canvass report, bearing the county seal and original signatures of the officers required to sign that document attached or affixed thereto. A copy of the written narrative documenting errors and discrepancies discovered and corrective action taken shall accompany the abstract if applicable. Copies of the adding machine tapes used during the verification process need not be sent to the secretary of state.

WAC 434-62-090 Receipt of certified copy of auditor's abstract of votes by secretary of state. The secretary of state shall ensure that all material required to be submitted pursuant to state law and these regulations has been included in the certified copy of the auditor's abstract of votes transmitted to his or her office. In the event the secretary of state determines that the certified copy of the auditor's abstract of votes is incomplete, he or she shall notify the county auditor of that fact and shall request that the missing part of the abstract be forwarded immediately. No county's certified copy of the abstract of votes shall be considered as complete for acceptance by the secretary of state until all of the material required by statute and regulation has been received by the secretary of state. In the event the certified copy of the official abstract is illegible or in improper form, the secretary of state shall return that abstract and require an immediate re-submission of the abstract in proper or legible form.

WAC 434-62-100 Canvas of returns by the secretary of state—Powers and duties. Upon receipt of a complete certified copy of the auditor's abstract of votes from a county auditor, the secretary of state shall proceed to include the results from that abstract in the official canvass of the primary, special, or general election prepared by that office. This shall be done by adding the certified returns from each completed county abstract of votes in order to determine the final results for those offices and issues he or she is required by law to certify. The secretary of state shall accept the certified copy of the official abstract of votes from each county as being full, true, and correct in all respects. The secretary of state may include in the official canvass, a narrative which details or describes any apparent discrepancies discovered during the canvassing procedure, and may notify the county or counties involved of such discrepancies.

WAC 434-62-110 Certification of primary returns by the secretary of state. Upon completion of the canvass of each county's certified copy of the auditor's abstract of votes and no later than the third Tuesday following the primary, the secretary of state shall certify to the appropriate county auditors the returns for all candidates for federal and state-wide offices, for those offices whose jurisdiction encompasses more than one county, and the ballot titles for all state measures. In the event the secretary of state is unable to certify all or part of a primary election by the third Tuesday following that primary because he or she has not received completed certified copies of the auditor's abstract of votes from one or more counties, he or she shall certify the state ballot measures and those candidates for which completed abstracts have been received. The secretary of state shall also set forth, by letter to the county auditors, those reasons which render him or her unable to certify the entire primary. The certification of the remainder of the primary shall take place when all outstanding certified copies of official abstracts have been received and filed.

WAC 434-62-120 Certification of general election returns by the secretary of state. Upon completion of the
canvass of each county's certified copy of the auditor's abstract of votes and no later than the thirtieth day following a general election the secretary of state shall certify to the governor the returns for all candidates for federal and statewide offices, for those offices whose jurisdiction encompasses more than one county, and for all state ballot measures. In the event the secretary of state is unable to certify all or part of a general election by the thirtieth day following that election because he or she has not received completed certified copies of the auditor's abstract of votes from one or more counties, he or she shall certify those candidates for which completed abstracts have been received. The secretary of state shall also set forth, by letter to the governor, those reasons which render him or her unable to certify the entire election. The certification of the remainder of the election shall take place when all outstanding certified copies of official abstracts have been received.

[Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-120, filed 10/3/80]

WAC 434-62-130 Certification of special primaries and special elections. Insofar as practicable, the procedures governing the certification of special primaries by the secretary of state shall be the same as those governing the certification of primaries, and the procedures governing the certification of special elections shall be the same as those governing general elections.

[Statutory Authority: RCW 29.04.080. 80-15-008 (Order 80-3), § 434-62-130, filed 10/3/80]

WAC 434-62-140 Microfilm copies of election returns. The secretary of state shall produce and make available for public inspection and copying pursuant to chapter 434-12 WAC microfilm or microfiche copies of all county canvass reports submitted to his or her office. The charges for microfilm duplicates or photocopies produced from the microfilm originals shall be equal to the actual cost of reproduction including personnel time and any cost of mailing.

Chapter 434-79 WAC
VERIFICATION OF SIGNATURES ON
REFERENDUM AND INITIATIVE PETITIONS

WAC 434-79-010 Random sampling procedure.

WAC 434-79-010 Random sampling procedure. In
the verification of signatures on initiative and referen-
dum petitions, pursuant to RCW 29.79.200 and 29.79-
.220, when the number of signatures submitted is more
than 110 percent of the number of signatures required
by Article II, Section 1A of the Washington State Con-
stitution, the following statistical test may be employed:

(1) Take an unrestricted random sample of the signa-
tures submitted;

(2) Check each signature sampled to determine the
number of valid signatures in the sample, the number of
signatures in the sample which are invalid because the
individual signing is not registered or the signature is
improper in form, and the number of signatures which
are duplicated in the sample;

(3) Calculate an allowance for the chance error of
sampling by multiplying the square root of the number
of invalid signatures in the sample by 1.5;

(4) Estimate the upper limit of the number of signa-
tures in the population which are invalid by dividing the
sum of the invalid signatures in the sample and the al-
lowance for the chance error of sampling by the samp-
ling ratio, i.e. the number of signatures sampled divided
by the number of signatures submitted;

(5) Determine the maximum allowable number of
pairs of signatures in the population by subtracting the
sum of 110 percent of the number of signatures required
by Article II, Section 1A of the Washington state con-
stitution and the estimate of the upper limit of the num-
ber of invalid signatures in the population from the
number of signatures submitted;

(6) Determine the expected number of pairs of signa-
tures in the sample by multiplying the square of the
sampling ratio by the maximum allowable number of
pairs of signatures in the population;

(7) Determine the acceptable number of pairs of sig-
natures in the sample by subtracting 1.65 times the
square root of the expected number of pairs of signa-
tures in the sample from the expected number of pairs of
signatures in the sample;

(8) If the number of pairs of signatures in the sample
is greater than the acceptable number of pairs of signa-
tures in the sample, each signature shall be canvassed to
determine the exact number of valid signatures;

(9) If the number of pairs of signatures in the sample
is less than the acceptable number of pairs of signatures
in the sample, the petition shall be deemed to contain
sufficient signatures and the serial number and ballot ti-
tle shall be certified to the state legislature as provided
in RCW 29.79.200 or to the county auditors as provided
in RCW 29.79.230.
