(2) Permission to park or operate a vehicle or bicycle upon state lands governed by these regulations is a privilege granted by the board of regents of the University of Washington, and does not ensure regular availability of a parking space under the conditions stated in WAC 478-116-020 and 478-116-180 and elsewhere in these regulations.

(1986 Ed.)

478-116-030 Applicable parking and traffic regulations—Areas affected. The following regulations apply upon state lands devoted mainly to the educational or research activities of the University of Washington, hereinafter called "campus":

(1) The motor vehicle and other traffic laws of the state of Washington. These shall be applicable upon all lands located within the state of Washington.

(2) The traffic code of the city of Seattle. This code applies upon all lands located within the city of Seattle.

(3) The University of Washington parking and traffic regulations. These shall be applicable to all state lands which are or may hereafter be devoted mainly to educational research, housing, recreational, or parking activities of the University of Washington. In case of conflict among the provisions of the motor vehicle and other traffic laws of the state of Washington or the traffic code of the city of Seattle and these regulations, the provisions of these regulations shall govern.

[Order 75-2, § 478-116-030, filed 6/4/75.]

   (c) Impounded bicycles will be stored at the university police department. Bicycles will be released at specified times and upon presentation of proof of ownership and payment of a $3.00 fine. Owners of impounded bicycles, if identifiable, will be notified as soon as reasonably possible after impoundment and must reclaim the bicycle within seven days. Bicycles unclaimed after seven days will be released to the sole custody and control of the Seattle police department. The person to whom a permit is issued pursuant to these regulations shall be responsible for all violations of these rules and regulations involving the vehicle for which the permit was issued and to which it was affixed. WAC 478–116–340 Display of permits. The single vehicle permit issued by the manager of the parking division shall be displayed affixed to the center bottom of the windshield of the vehicle. The transferable vehicle permit shall be displayed in the plastic pocket which shall be affixed to the center bottom of the windshield of the vehicle. The area designator (numeral, letter or combination) will be affixed to the vehicle permit. Motorcycle and scooter permits shall be prominently displayed on the front or left side of the vehicle. (5) Counterfeiting or altering of permits, area designators or gate key cards;
(6) Failure to comply with a final judgment of the university parking court.

WAC 478–116–380 Annual parking fee payment. Regardless of payment method used, payment for an annual parking permit is the sole responsibility of the permit holder and failure to pay the parking permit fee
is grounds for recall under WAC 478–116–370(4). In addition, if payment is not made, a prorated charge will be made for the time the parking permit is used. Payment for an annual parking permit may only be made in one of the following ways:

(1) By cash, by check, or by money order payable to "University of Washington" directly to the parking division. Cash should not be sent by mail.

(2) By payroll deduction plan. Faculty and staff members on the regular monthly payroll may select the payroll deduction plan for payment of the annual permit only. Deductions will be made from each monthly paycheck for that month's parking installment period. The refund schedule will be established by the parking division and will be adjusted semimonthly on a declining scale with a zero balance for the final two weeks of the period.

(2) Upon termination of employment, or stopping of payroll deductions, the unexpired annual parking permit must be returned to the parking division. If the permit is being paid for by the payroll deduction plan, then a payroll deduction termination form must be completed.

WAC 478–116–410 Establishment of court and appointment of judges. A university parking court is hereby established. The judge or judges of the parking court shall be appointed by the dean of the law school. If more than one parking judge is appointed, the dean of the law school shall designate one of them as senior parking judge. Only regularly enrolled students in the school of law may be appointed judges.

WAC 478–116–420 Compensation for judges not based on fines. The rate of compensation for university parking court judges shall not be dependent upon the amount of fines or penalties assessed by the judge.

WAC 478–116–430 Jurisdiction of the university parking court. (1) The university parking court established by WAC 478–116–410 shall have jurisdiction to hear and decide cases involving alleged violations of these rules. The university parking court shall have no jurisdiction to hear and decide cases involving alleged violations of:

(a) The motor vehicle and other traffic laws of the state of Washington;
(b) The traffic code of the city of Seattle;
(c) These regulations insofar as applicable to moving traffic violations of vehicles other than bicycles.

(2) Offenses under WAC 478–116–430 (1)(a) through (c) will be referred to Seattle district court for prosecution under applicable laws.

WAC 478–116–440 Procedure—Summons and service thereof. Upon probable cause to believe that a violation of these regulations has occurred, an appropriate summons or parking/traffic violation notice may be issued by the university police department setting forth the date, the approximate time, the locality, and the nature of the violation. Such summons may be served by delivering or mailing a copy thereof to the alleged violator, by attaching or affixing a copy thereof to the vehicle or bicycle allegedly involved in such violation, or by placing a copy thereof in some prominent place within such vehicle. Service by mail shall be accomplished by placing a copy of the summons in the mail addressed to the alleged violator at the address shown on the records of the office of the registrar, the staff personnel office or academic personnel records for that person or any other last known address of that person.

WAC 478–116–450 Election to forfeit or contest. (1) The summons or parking violation notice issued pursuant to WAC 478–116–440 shall advise the alleged violator that he or she may elect either to pay and forfeit the fine applicable to the violation(s) charged or to contest the matter(s) in the university parking court.

(2) If the alleged violator chooses to forfeit the fine(s) he or she may do so by mail, forwarding the appropriate amount by check or money order or bringing such amount in cash to the university parking violations division. Such forfeiture shall constitute a waiver of the right to a hearing.

(3) If the alleged violator chooses to contest, he or she may do so by contacting the parking violations division and requesting a date to appear in court. Such request may be made by telephone, mail or in person.

(4) If an alleged violator has received one or more parking violation notice(s) amounting to $12.00 or more and has neither paid the fines nor requested a court date, the parking violations division shall send a notice of election to forfeit or contest to the alleged violator not less than seven business days following service of the unanswered summons or parking violations notice. This notice shall direct the individual to either (a) pay the fine in the amount specified or, (b) request an appearance before the university parking court. Such action must be taken within ten business days of the date the notice of election to forfeit or contest was posted. Failure to comply with either (a) or (b) within the specified time limit will result in a default judgment, and the university
parking judge may impose such penalty or fines appropriate under the schedule of fines established pursuant to WAC 478-116-520.

(5) Failure of an alleged violator to appear in the university parking court on the date set or to apply for a continuance of the hearing to present such evidence as is relevant and material to the hearing date shall, unless lawful excuse is established before the university parking court, constitute a plea of guilty to the complaint or information and such penalty or fine may be imposed by the parking judge as is appropriate under the schedule of fines established pursuant to WAC 478-116-520.

WAC 478-116-460 Procedure—Complaint and information. (1) A summons served in accordance with the provisions of WAC 478-116-440 shall constitute the complaint or information against the person to whom delivered or mailed, the person to whom a permit was issued for the vehicle in which it was placed or to which it was attached, or if no permit for the vehicle has been issued, the registered owner of the vehicle in which it was placed or to which it was attached. If such person or owner desires a more particular and detailed statement of the alleged offense, he or she may within seven days after being served with a summons or parking violation notice request such a statement from the university police department. If such a statement in writing is issued by the university police department, it together with the original summons shall constitute the complaint or information. If such request is denied because it was not timely made, the alleged violator may, at any time prior to the date of the hearing, apply in writing to the parking judge for an order requiring the university police department to furnish him or her a more particular and detailed statement of the alleged offense. If, for good cause shown, the parking judge grants such an application and the university police department fails to furnish such a statement in writing within the time set by the parking judge, the prosecution for the alleged offense shall be dismissed with prejudice.

(2) The complaint or information may be amended at any time, either in writing delivered or mailed to the alleged violator or upon motion at trial in his or her presence, to include new charges of violations of these regulations. If such amendment prejudices or hampers the alleged violator in the presentation of his or her defenses, the parking judge shall grant a continuance of the hearing until such date as the alleged violator may present his or her defenses without undue prejudice.

WAC 478-116-470 Procedure—Plea at hearing. At the date set for the hearing, the alleged violator shall appear and plead either "guilty" or "not guilty." Upon a plea of "guilty," the parking judge shall hear such relevant evidence as the alleged violator may present concerning the amount of the fine or penalty which should be imposed. Upon a plea of "not guilty" an alleged violator may present all relevant legal defenses available to him or her.

WAC 478-116-480 Procedure—Oath or solemn affirmation. Upon hearing, the parking judge may require witnesses to be sworn or to present their solemn affirmation that the testimony which they give is true.

WAC 478-116-490 Procedure—Rules of evidence. The technical rules of evidence applicable in courts of law shall not apply, and the proceedings of the court shall be informal. Any oral or documentary evidence may be received, but the parking judge may exclude such evidence as is irrelevant, immaterial, or unduly repetitious.

WAC 478-116-500 Procedure—Examination of witnesses. The alleged violator or his or her representative shall be afforded an opportunity to cross-examine the witnesses against him or her. The representative of the university police department present at the hearing shall be afforded an opportunity to cross-examine the witnesses for the alleged violator. The parking judge may also, in the interest of justice, examine the witnesses for either side, or call and examine witnesses on his or her own motion.

WAC 478-116-510 Procedure—Judgment. Upon conclusion of the hearing, the parking judge shall specify the charge or charges, pronounce judgment of acquittal or conviction as to each charge, and shall assess fines or penalties not in excess of the schedule of fines and penalties established pursuant to the procedures set forth in WAC 478-116-520. The judgment and sentence imposed, if any, shall be recorded in the records maintained by the parking violations division and the parking judge shall endorse his or her signature thereon, certifying the record to be correct.

WAC 478-116-511 Procedure—Appeal of judgment. A person charged with a parking infraction who deems himself or herself aggrieved by the final decision in an internal jurisdiction may, within ten days after written notice of the final decision, appeal by filing a written notice thereof with the University of Washington police department. Documents relating to the appeal shall immediately be forwarded to the Seattle district court who shall have jurisdiction to hear the appeal de novo.

WAC 478-116-520 Fines and penalties. (1) The fines or penalties which may be assessed for violations of
these regulations are those detailed in WAC 478-116-601.

(2) Fines.
(a) Persons cited for violation of these regulations may respond either by arranging for a university parking court date or by paying and forfeiting a fine within seven days of service of the citation in accordance with WAC 478-116-450. Forfeitures submitted by mail must be postmarked within seven days of the date of issue of the citation in order to avoid additional penalties.
(b) An additional fine of $5.00 per offense shall be assessed for each parking citation which is not responded to within the seven day limit provided in WAC 478-116-520 (2)(a).
(c) The manager of the parking division shall cause these regulations or a reasonable summary thereof to be:
   (i) Published in the University of Washington Daily at least twice each calendar year.
   (ii) Prominently displayed in the offices of the university parking violations division, the university police department, and the parking division.
(d) The fine schedule shall be printed on the parking violation notices served on alleged violators.
(3) In any case where an alleged violator within a period of three months or less has a combined total of five or more violations with respect to which he/she has either forfeited the fine or been convicted of the violation, the parking judge may, in addition to whatever fines are appropriate under the applicable fine schedule, impose the following sanctions:
   (a) Suspension of permit parking privileges on campus for a specified time;
   (b) Direct a report of the offense to be forwarded to the appropriate dean or administrative officer.

WAC 478-116-530 Mitigation and suspension of penalties. Upon a showing of good cause or mitigating circumstances, the parking judge may impose any lesser fine than those established in WAC 478-116-520 or may suspend the fine. He or she may grant an extension of time within which to comply with his or her judgment and sentence.

WAC 478-116-540 Enforcement of judgments of the university parking court. (1) Any parking fine which, without lawful excuse, is unpaid for a period of time in excess of the time specified for payment, constitutes a delinquent and unpaid debt due and owing the University of Washington and may be processed for collection in accordance with applicable statutes and university procedures.
(2) If a parking permit holder refuses or fails without lawful excuse to comply with a final judgment in the parking court, the manager of the parking division may notify the individual concerned that his or her failure to comply with the judgment of the university parking court constitutes grounds for recall of his or her parking permit as provided in WAC 478-116-370(6) and/or may subject his or her vehicle to impoundment as provided in WAC 478-116-582. If there is no response to this notice, a parking permit holder's parking privileges shall be revoked by the manager of the parking division and the vehicle made subject to impoundment if found parked on university lands.
(3) Any unpaid fine adjudged by the university parking court will be deducted from any refund due to revocation of parking privileges.
(4) Refusal or failure without lawful excuse to comply with a final judgment of the university parking court is a misdemeanor over which Seattle district court has jurisdiction.

WAC 478-116-550 Registered owner responsible for illegal parking. Every person in whose name a vehicle is registered (licensed) shall be responsible for any parking of said vehicle and for all offenses other than moving violations under these regulations. It shall be no defense that said vehicle was illegally parked or used by another, unless it be shown that at such time said vehicle was being used without the consent of the registered (licensed) owner thereof: Provided, That the lessee of a commercially rented or leased vehicle alone shall be responsible for any parking of such vehicle and for all violations of these regulations committed while the vehicle is being leased or rented, if the registered (licensed) owner of such vehicle furnished the parking violations division with a copy of the renting or leasing contract stating the name and address of the lessee.

WAC 478-116-560 Certain violations—When complete. For the purpose of RCW 28B.10.565, a violation of the pedestrian, parking, or bicycle regulations established by these rules shall not be completed until such person has refused or failed without lawful excuse to comply, or has advised in writing of an intent not to comply, with a final judgment of the university parking court.

WAC 478-116-570 Regulatory signs, markings, barricades, etc. (1) The plant engineering manager or his or her designee is authorized to erect signs, barricades and other structures and to paint marks and other directions upon the streets and roadways for the regulation of traffic and parking upon state lands devoted mainly to the educational or research activities of the University of Washington. Such signs, barricades, structures, markings and directions shall be so made and placed as in the opinion of the plant engineering manager or his or her designee will best effectuate the objectives stated in WAC 478-116-020 of these regulations.
(2) No person, without authorization from the plant engineering manager or his or her designee shall remove, move, deface, or in any way change a sign, barricade,
structure, marking, or direction so placed, or previously placed, for the purpose of regulating traffic or parking. Authority to make permanent changes of this nature must be obtained from the plant engineering manager or his or her designee. Authority to make temporary changes of this nature with respect to parking areas must be obtained from the manager of the parking division or his or her designee. Authority to make temporary changes of this nature with respect to streets or roadways must be obtained from the chief of the university police department or his or her designee.

WAC 478-116-580 Impoundment of vehicles. Any vehicle parked upon state lands devoted mainly to the educational purposes of the University of Washington may be subject to impoundment for cause as specified under WAC 478-116-582, 478-116-584 and 478-116-586 of these regulations. The university and its officers, employees and agents shall not be liable for loss or damage of any kind resulting from such impoundment.

[Order 76-3, § 478-116-580, filed 10/6/76; Order 75-2, § 478-116-580, filed 6/4/75.]

WAC 478-116-582 Impoundment for failure to pay fines. Any vehicle may be impounded for outstanding fines when, after fourteen days after judgment of the university parking court imposing liability for fines, the owner has not paid such fines or requested a hearing before the university parking court to contest the judgment. In no case shall failure to comply with a judgment of the parking court constitute grounds for impoundment unless notice is sent to the registered owner or alleged violator prior to the hearing informing him of the violations with which he/she was charged and of his/her right to elect between paying the fine prior to the date set for hearing before the parking court or appearing on that date to contest such fines. Such notice shall clearly indicate that failure to respond by either payment of the fines or appearance in court will result in a judgment against the owner and that failure to comply with an order of the parking court shall subject the vehicle to impoundment if it is found parked on university lands.

WAC 478-116-584 Impoundment without prior notice. A vehicle may be impounded without reasonable attempt having been made to notify the owner of the possibility of this action only in the following circumstances:

(a) When in the judgment of a university police officer the vehicle is obstructing or may impede the flow of traffic, or

(b) When in the judgment of a university police officer the vehicle poses an immediate threat to public safety, or

(c) When a university police officer has probable cause to believe the vehicle is stolen, or

(d) When a university police officer has probable cause to believe that the vehicle constitutes evidence of a crime or contains evidence of a crime, and in his judgment impoundment is necessary to obtain or preserve such evidence.

(e) When a driver is arrested and/or deprived of the right to leave with his/her vehicle, and the university police are responsible for the "safekeeping" of the vehicle.

[Statutory Authority: RCW 28B.10.560. 78-07-019 (Order 78-3), § 478-116-584, filed 10/6/76.]

WAC 478-116-586 Impoundment of abandoned vehicles. A vehicle not subject to impoundment under WAC 478-116-582 or 478-116-584 may be impounded after notice of such proposed impoundment has been securely attached to and conspicuously displayed on said vehicle for a period of twenty-four hours prior to such impoundment when such vehicle is abandoned as that term is defined in RCW 46.52.102 as now or hereafter amended.

[Order 76-3, § 478-116-586, filed 10/6/76.]

WAC 478-116-588 Notice and redemption of impounded vehicles. (1) Not more than 48 hours after impoundment of any vehicle, the University of Washington police department shall mail a notice to the registered owner of the vehicle, as may be disclosed by the vehicle license number, if such be obtainable, and to any other person who claims the right to possession of the vehicle, if such a claim is known to an officer, agent or employee of the University of Washington police department who has knowledge of the impoundment. The notice shall be mailed to the registered owner at the address provided by the Washington state department of motor vehicles or the corresponding agency of any other state or province. If a police officer who has knowledge of the impoundment has reason to believe that an owner, or one who claims to be an owner, is residing or in custody at some different address which is known to the officer, a copy of the notice shall be mailed or personally delivered to such owner or claimant in a manner designed, as nearly as may be practicable, to give actual notice to him or her. The notice shall contain the full particulars of the impoundment, redemption, an opportunity for [a] hearing to contest the propriety of the impoundment as hereinafter provided.

Similar notice shall be given to each person who seeks to redeem an impounded vehicle. If a vehicle is redeemed prior to the mailing of notice, the notice need not be mailed.

(2) Vehicles impounded shall be redeemed only under the following circumstances:

(a) Only the registered owner or person authorized by the registered owner and who produces proof of authorization and signs a receipt therefor, may redeem an impounded vehicle.

(1986 Ed.)
(b) Any person so redeeming a vehicle impounded shall pay the cost of such impoundment (towing and storage), together with such fines as [are outstanding against the vehicle if impoundment was made pursuant to] WAC 478-116-582 prior to redemption, except as provided in subsection (c) of this regulation.

(c) Any person seeking to redeem a vehicle impounded under [WAC 478-116-582,] WAC 478-116-584 or 478-116-586 has a right to a hearing to contest the validity of impoundment or the amount of towing and storage charges and shall have his or her vehicle released upon making a written request for a hearing to the university parking court[,] paying any outstanding fines, and executing a promissory note, naming the University of Washington as payee, in an amount to include both the costs of towing and storage and a civil penalty of fifty dollars which promissory note shall immediately become due and owing in the event such person either:

(i) Fails to appear at the requested hearing, or

(ii) Fails to pay by 7:00 p.m. the next business day following the hearing any towing and storage charges for which such person may be found liable.

(A) In addition to any other penalty which may be imposed as a result of actions described in subsections (i) or (ii), campus parking privileges shall be suspended until all such debts are paid.

(B) The promissory note shall be automatically cancelled and discharged when a person either:

(i) Pays the towing and storage charges and cancels his or her request for a hearing, or

(ii) Pays the towing and storage charges by 7:00 p.m. the next business day after having been found liable therefore at the hearing provided for in this section.

Reviser's note: WAC 1-13-130 requires the use of underlining and deletion marks to indicate amendments to existing rules. The bracketed material in the above section does not appear to conform to this rule.

WAC 478-116-590 Delegation of authority. The authority and powers conferred upon the chief of police, chief plant engineer and the manager of the parking division by these regulations shall be subject to delegation by them to their subordinates.

Student Conduct Code

478–120–030

Disciplinary actions. (1) Most disciplinary proceedings will be conducted informally between the student and his academic dean in matters relating to the student’s academic work and between the student and the office of student affairs in other matters. (See WAC 478–120–050 for jurisdiction.) More formal procedures are provided, however, including an impartial hearing before the university disciplinary committee; these procedures may be invoked either by the officer dealing with the case or by the student involved. In all situations, whether handled formally or informally, basic standards of fairness will be observed in the determination of:

(a) The truth or falsity of the charges against the student;

(b) Whether the alleged misconduct is, in fact, a violation of university standards of conduct and, if so,

(c) What sanctions should be imposed.

The criteria for judging student misconduct shall be the general standards of conduct as stated in WAC 478–120–020 or as modified and interpreted in accordance with the procedures specified in WAC 478–120–110.

(2) When questions of mental or physical health are raised in conduct cases, the dean, the office of student affairs, or the university disciplinary committee may request the student to appear for examination before two physician–consultants designated by the dean of the school of medicine. The physician–consultants may call upon the student health center for any other professional assistance they deem necessary. After examining the

(2) If any provision of this chapter 478–116 WAC, or its application to any person or circumstance is held invalid, the remainder of the chapter, or the application of the provision to other persons or circumstances is not affected.

(3) The repeal of chapter 478–16 WAC shall not be construed as affecting any existing right or duty acquired under the provisions of the chapter repealed, nor as affecting any proceeding instituted thereunder. Any violation of the parking and traffic rules as prescribed in the repealed chapter prior to the effective date of the repeal must be construed according to provisions of the repealed chapter existing at the time of the commission thereof in the same manner as if this chapter 478–116 WAC had not been enacted.

WAC 478–120–010 Student conduct code—Authority. Pursuant to the authority granted by RCW 28B.20.130, the board of regents of the University of Washington has established the following regulations on student conduct and student discipline.

[Order 72–9, § 478–120–010, filed 11/30/72.]

WAC 478–120–020 Standards of conduct. (1) The university is a public institution having special responsibility for providing instruction in higher education, for advancing knowledge through scholarship and research, and for providing related services to the community. As a center of learning, the university also has the obligation to maintain conditions which are conducive to freedom of inquiry and expression in the maximum degree compatible with the orderly conduct of its functions. For these purposes the university is governed by regulations and procedures which safeguard its functions and which, at the same time, protect the rights and freedoms of all members of the academic community.

(2) Admission to the university carries with it the presumption that the student will conduct himself as a responsible member of the academic community. Thus, when he enrolls in the university, the student likewise assumes the obligation to observe standards of conduct which are appropriate to the pursuit of academic goals. Stated in general terms, the student has the obligation to:

(a) Maintain high standards of academic and professional honesty and integrity;

(b) Respect the rights, privileges and property of other members of the academic community and visitors to the campus, refraining from actions which would interfere with the university functions or endanger the health, safety, or welfare of other persons;

(c) Comply with the rules and regulations of the university and its schools, colleges, and departments.

(3) Specific regulations on student activities shall be in accord with these general standards.

[Order 72–9, § 478–120–020, filed 11/30/72.]

WAC 478–120–030 Disciplinary actions. (1) Most disciplinary proceedings will be conducted informally between the student and his academic dean in matters relating to the student’s academic work and between the student and the office of student affairs in other matters. (See WAC 478–120–050 for jurisdiction.) More formal procedures are provided, however, including an impartial hearing before the university disciplinary committee; these procedures may be invoked either by the officer dealing with the case or by the student involved. In all situations, whether handled formally or informally, basic standards of fairness will be observed in the determination of:

(a) The truth or falsity of the charges against the student;

(b) Whether the alleged misconduct is, in fact, a violation of university standards of conduct and, if so,

(c) What sanctions should be imposed.

The criteria for judging student misconduct shall be the general standards of conduct as stated in WAC 478–120–020 or as modified and interpreted in accordance with the procedures specified in WAC 478–120–110.

(2) When questions of mental or physical health are raised in conduct cases, the dean, the office of student affairs, or the university disciplinary committee may request the student to appear for examination before two physician–consultants designated by the dean of the school of medicine. The physician–consultants may call upon the student health center for any other professional assistance they deem necessary. After examining the
student and consulting with the student's personal physician, the physician–consultants shall make a recommendation to the referring agency as to whether the case should be handled as a disciplinary matter or as a case for medical or other treatment. Decisions based upon these recommendations are the responsibility of the referring agency. Such decisions may be appealed in accordance with the provisions of WAC 478–120–070 and 478–120–090(1).

(3) In the case of student conduct which involves an alleged or proven violation of law, the disciplinary authority of the university will not be used to duplicate the function of civil authorities. Disciplinary action may be taken if the conduct also involves a violation of university standards and the interests of the university community are distinct from those of the civil authorities.

(4) A student who has been judged to have violated university standards of conduct will be subject to disciplinary sanctions up to and including dismissal from the university for the most serious offenses. In the case of students who are unmarried minors, such sanctions may be reported to parents or legal guardians at the discretion of the officer or agency taking the action except that dismissal of a minor will always be reported to his parents or legal guardians.

[Order 72–9, § 478–120–030, filed 11/30/72.]

WAC 478–120–040 Disciplinary sanctions. The following definitions of disciplinary terms have been established to provide consistency in the application of sanctions:

(1) Disciplinary warning – notice to a student, either verbally or in writing, that he has been in violation of university rules or regulations or has otherwise failed to meet the university's standards of conduct. Such warnings will include the statement that continuation or repetition of the specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described in WAC 478–120–040 (2), (3), (4) and (5).

(2) Reprimand – formal action censuring a student for violation of university rules or regulations or for failure to meet the university's standards of conduct. Reprimands are always made in writing to the student by the officer or agency taking action, with copies to the office of student affairs. A reprimand will include the statement that continuation or repetition of the specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described in WAC 478–120–040 (3), (4) and (5).

(3) Restitution – an individual student may be required to make restitution for damage or loss to university or other property and for injury to persons. Failure to make arrangements to pay will result in cancellation of the student's registration and will prevent the student from reregistration.

(4) Disciplinary probation – formal action placing conditions upon the student's continued attendance for violation of university rules or regulations or other failure to meet the university's standards of conduct. The office placing the student on disciplinary probation will specify in writing the period of probation and the conditions, such as limiting the student's participation in extra–curricular activities. Disciplinary probation warns the student that any further misconduct will automatically raise the question of dismissal from the university. Disciplinary probation may be for a specified term or for an indefinite period which may extend to graduation or other termination of the student's enrollment in the university.

(5) Dismissal – termination of student status for violation of university rules or regulations or for failure to meet the university's standards of conduct. Students may be dismissed only with the approval of the president of the university and on the recommendation of the dean of a college or school, the office of student affairs, or the university disciplinary committee. Dismissal may be for a stated or for an indefinite period. The notification dismissing a student will indicate in writing the term of the dismissal and any special conditions which must be met before readmission. In the case of an unmarried student under twenty–one years of age, a copy of the notification of dismissal will be sent to the parents or the guardian of the student. There is no refund of fees for the quarter in which the action is taken but fees paid in advance for a subsequent quarter are to be refunded.

[Order 72–9, § 478–120–040, filed 11/30/72.]

WAC 478–120–050 Jurisdiction. (1) The dean of each college or school, including the graduate school, is responsible for initiating disciplinary proceedings for infractions of the rules and regulations of that college or school or for misconduct in academic work (cheating, plagiarism, etc.). When a case involving academic misconduct is brought before the university disciplinary committee, that committee may consult the initiating dean on rules or standards of academic discipline within that school or college.

(2) The initiation of proceedings for violation of university–wide regulations or for misconduct unrelated to the student's academic work is the responsibility of the office of student affairs, except that jurisdiction may be transferred to the dean of the college or school in which the student is enrolled when the office of student affairs and the dean of that college or school agree that the alleged misconduct bears upon the student's fitness to continue in the college or school.

(3) Misconduct in academic work by a student enrolled in another college or school shall be reported to the dean of the college in which the student is enrolled through the dean of the college offering the course. The dean of the college in which the student is enrolled shall be responsible for taking or initiating appropriate disciplinary action. In the case of a nonmatriculated student, the dean of the college offering the course shall be responsible for taking or initiating appropriate disciplinary action.

(4) The provisions of these sections do not apply to the evaluation of a student's academic performance, including the assignment of grades by instructors. Each college and school provides orderly procedures for the
review of grades if such review is requested by the student. An instructor need not give credit for work which is the product of cheating, plagiarism or other academic misconduct.

However, the lowering of a course grade is not appropriate as a disciplinary sanction; if disciplinary action is warranted by academic misconduct, it will be initiated by the provisions of this section.

(5) An instructor has the authority to exclude a student from any class session in which the student is disorderly or disruptive. Should such disorderly or disruptive conduct persist, the instructor should report the matter to the dean of the school or college in which the student is enrolled. The dean may initiate disciplinary action as provided in WAC 478-120-060.

(6) Special and more detailed rules and regulations regarding conduct in the residence halls may be promulgated by the director of student residences subject to review and approval by the office of student affairs. Authority to impose disciplinary sanctions for the violation of such rules and regulations is delegated to the director of student residences by the vice president for student affairs. Appeals from these actions of the director will be addressed in the first instance to the vice president for student affairs or his designated representatives. The office of student affairs reserves the right to remove students from the residence halls for disciplinary reasons. These actions may be further appealed to the university disciplinary committee.

(7) Campus traffic regulations are under the general jurisdiction of the police department of the university. The university traffic court has jurisdiction to hear and decide cases involving alleged violations of such regulations. (See chapter 478-16 [478-116] WAC.)

(8) Library borrowing and use regulations, including fines for late return of library materials and repair and replacement costs for damaged or lost materials are under the jurisdiction of the university library. The library advisory committee has jurisdiction to hear appeals from decisions of the director of libraries and to decide cases involving alleged violations of rules relating to borrowing and use of library materials, including fines for late returns and costs of repair or replacement. (See chapter 478-168 WAC.)

[Order 72-9, § 478-120-050, filed 11/30/72.]

WAC 478-120-060 Disciplinary authority of deans and office of student affairs. (1) Except as otherwise provided in WAC 478-120-050, all disciplinary proceedings will be initiated by either the dean of the college or school in which the student is enrolled or by the office of student affairs. The deans and the vice-president for student affairs may delegate this responsibility to members of their staffs and to students; they may also establish student or student–faculty courts or hearing bodies to advise or act for them in disciplinary matters.

(2) In order that any informality in disciplinary proceedings not mislead a student as to the seriousness of the matter under consideration, the student involved shall be informed at the initial conference or hearing of the various sanctions that may be involved for misconduct, as listed in WAC 478-120-040.

(3) After considering the evidence in the case and interviewing the student or students involved, the dean or vice president for student affairs, or their duly empowered representatives, courts, or hearing bodies may take any of the following actions:

(a) Terminate the proceeding, exonerating the student or students.
(b) Dismiss the case after whatever counseling and advice may be appropriate.
(c) Impose disciplinary sanctions directly, subject to the student’s right of appeal described in WAC 478-120-070. The student shall be notified in writing of the action taken except that disciplinary warnings may be given verbally.
(d) Refer the matter to the university disciplinary committee for appropriate action. The student shall be notified in writing that the matter has been referred to the committee.

(4) In all cases the student shall be advised of his rights by reference to this part of university regulations. Should the student prefer a formal hearing before the university disciplinary committee in place of informal or semiformal hearings by deans, the office of student affairs, or their representatives, he shall so indicate to the initiating officer. In such circumstances, the case shall be referred immediately to the university disciplinary committee.

[Order 72-9, § 478-120-060, filed 11/30/72.]

WAC 478-120-070 Appeals. (1) Any disciplinary action taken by the dean of a college or school or his representative, by the vice president for student affairs or his representatives, or by the university disciplinary committee, may be appealed by the student to the next higher hearing body with the following conditions:

(a) If a student chooses to make an appeal, the appeal body may base its decision on the record of the proceedings in the initial hearing(s) or, if it chooses, may receive additional evidence, or re hear the case entirely. The appeal body may sustain, reduce, or vacate the penalty imposed by the group or individual originally hearing the case.

(b) A student who has been disciplined by the deans or by the office of student affairs or their representatives may appeal the case to the university disciplinary committee.

(c) Cases brought before the university disciplinary committee, either for initial hearing or for appeal, may be appealed to the faculty appeal board. (See WAC 478-120-100.)

(d) All cases in which the sanction imposed by the university disciplinary committee is dismissal shall be automatically heard on appeal by the faculty appeal board. Should the faculty appeal board sustain the recommendation of dismissal, approval of the president of the university is required before the sanction takes effect.
(2) A student wishing to appeal to either the disciplinary committee or the faculty appeal board shall indicate his intention, in writing, and within five calendar days of the original decision, to the chairman of the group to which the appeal is made.

[Order 72-9, § 478-120-070, filed 11/30/72.]

WAC 478-120-080 University disciplinary committee. A standing university disciplinary committee, composed equally of student and faculty representatives, will provide a hearing and will make decisions on all disciplinary cases referred to it by the deans or appealed to it by students who have been disciplined by the deans, or the office of student affairs, or their representatives.

(1) The members of the committee and their terms of office shall be:

(a) A member of the faculty or administration designated by the president of the university, who shall act as nonvoting chairman for a period of one year. Reappointment of the chairman is permissible.

(b) Four members of the voting faculty of the university holding the rank of assistant professor or higher and who have been members of the faculty of the university for at least one year. These committee members shall serve for one-year terms.

(c) Four full-fee-paying students in good standing to serve for one-year terms. The student members will participate in each individual case at the option of the student defendant.

(2) Selection:

(a) Each of the four nonappointive faculty positions of the disciplinary committee shall be identified from a panel randomly selected from the eligible faculty in the order they were so selected, except that membership shall be limited to not more than one faculty member from each senate group.

(b) Each of the four student positions on the disciplinary committee shall be identified from a panel randomly selected from the entire full-time student body and in the order they were selected, except that membership shall include one student from the graduate or professional class standing and the other three students shall be limited to no more than one student from each class.

(c) Panels of faculty and students of adequate size shall be maintained in advance of need but the names included shall not be disclosed.

(d) Any faculty or student member may be relieved from service for the entire year, for a particular period of time, or after a particular case, by advising the chairman of his or her desire not to serve.

(e) Membership on the disciplinary committee terminates with the beginning of the winter quarter, except that cases in process shall be continued to decision.

(f) No member of the disciplinary committee shall participate in any case in which he is a defendant, complainant, or witness, in which he has a direct or personal interest, or in which he has acted previously in an advisory capacity. A committee member's eligibility to participate in a case may be challenged by parties to the case or by other committee members, but decisions in this regard shall be made by the committee as a whole. Either party may also exercise three peremptory challenges; in a hearing involving more than one charged student, the combined peremptory challenges of all students shall be limited to twelve. All challenges must be exercised at least three days before commencement of the hearing. Replacement shall be made from the appropriate panel or by presidential appointment in the case of the chairman.

(g) The new panels shall be identified by the outgoing chairman, or by the person designated by the chairman, through random procedures established by the chairman.

(3) Responsibility:

(a) It is the responsibility of the chairman of the disciplinary committee to insure that all procedural safeguards and guidelines specified in WAC 478-120-090 are followed, to decide all procedural questions that arise during or in connection with a hearing, to take whatever steps are necessary during the hearing itself to insure that the hearing is conducted in a safe and orderly manner, and to inform the student, in writing, of the action taken by the disciplinary committee following the hearing.

(b) Decisions of the committee as to whether a student engaged in misconduct and as to the appropriate sanction to be applied will ordinarily be made on the basis of mutual agreement after discussion of the evidence. For both hearing and deciding, a quorum of the committee shall be three faculty members and, if student members are participating, three students.

(4) At the conclusion of a term of office, the chairman shall prepare for the guidance of subsequent chairmen a report of the year's activities, describing how unusual procedural problems were dealt with. Such reports shall be collected in a chairman's Handbook which shall be made available to subsequent chairmen and to any interested parties. Subsequent chairmen shall not be bound to follow the procedures described in the handbook.

[Order 72-9, § 478-120-080, filed 11/30/72.]

WAC 478-120-090 Procedural guidelines and safeguards. The student has a right to a fair and impartial hearing by the university disciplinary committee on any charge of misconduct. His failure to appear at or participate in the hearing procedures, however, shall not preclude the committee from making its findings of fact, conclusions and decisions as provided in this section.

(1) The chairman of the university disciplinary committee shall give the student notice of the time and place of the hearing, the charges against him, a list of witnesses who will appear, and a description of any documentary or other physical evidence that will be presented at the hearing. This notice shall be given to the student in writing and shall be provided in sufficient time (one week minimum) to permit him to prepare his defense. The notice may be amended at any time prior to the hearing, but if such amendment is prejudicial to the student's case, the hearing shall be rescheduled to a later date.
(2) The student shall be entitled to hear and examine the evidence against him and be informed of the identity of its sources; he shall be entitled to present evidence in his own behalf and to question witnesses testifying against him as to factual matters.

(3) The burden to prove, by a preponderance of the evidence, that the student engaged in the misconduct charged shall be on the official who initiated the charges. Only those matters presented at the hearing will be considered in determining whether the student engaged in misconduct, but the student's past record of conduct may be taken into account in formulating the committee's recommendations for disciplinary action.

(4) The student may be represented by counsel and/or accompanied by an adviser of his choice.

(5) No one will be required to give self-incriminating evidence.

(6) Hearings conducted by the committee generally will be held in closed session except when the student requests that persons other than those directly involved be invited to attend. When a hearing has been opened to persons other than those directly involved, the committee shall conduct the hearing in a room which will accommodate a reasonable number of observers. The Committee may exclude from the hearing room any persons who are disruptive of the proceedings and may limit the number who may attend the hearing in order to afford safety and comfort to the participants and orderliness to the proceedings.

(7) All proceedings of the committee will be conducted with reasonable dispatch and terminated as soon as fairness to all parties involved permits.

(8) An adequate summary of the proceedings will be kept. As a minimum, such a summary would include a tape recording of testimony.

(9) The student will be provided with a copy of the findings of fact and with the conclusions and the sanctions, if any, to be imposed. He will also be advised of his right to appeal the committee's decision, within five calendar days, in a written statement to the faculty appeal board.

(10) If there is no appeal to the faculty appeal board, the sanctions shall be in effect at the end of the five-day appeal period or at such other time as may be indicated by the committee. If there is an appeal, imposition of sanctions shall be delayed pending the review provided for in this section.

(11) Where, in the judgment of a majority of the committee, proceedings will be expedited thereby, it may appoint a hearing examiner, who shall be a member of the faculty or a member of the bar, to conduct the hearing provided for in this action. Such examiner will conduct the hearing in accordance with the provisions of this section and any rules of procedure adopted by the committee, provided that a stenographic record of the hearing will be kept and a transcript of the hearing will be provided to the committee prior to its rendering its decision. The committee may, at its option, request the hearing examiner to provide his recommendations as to findings, conclusions and decisions, but such recommendations shall not be binding on the committee, who shall make its findings, conclusions and decision based on the transcript of the hearing. The hearing examiner shall rule on all objections to evidence but any such ruling may be appealed by an affected party to the committee for final decision.

(12) Each report of the university disciplinary committee shall, upon approval of the student involved, be made available to members of the university community through the office of student affairs.

WAC 478-120-100 Faculty appeal board. (1) The faculty appeal board shall be composed of seven members of the faculty to be appointed by the chairman of the faculty senate in consultation with the faculty council on student affairs. One member of the faculty appeal board shall be designated by the chairman of the faculty senate as chairman of the board. Individual cases may be heard by the entire board or by subgroups of no fewer than three members.

(2) The faculty appeal board shall hear three types of cases:

(a) Appeals by the student defendant from the action of the disciplinary committee.

(b) All cases involving recommendations of dismissal.

(c) Appeals by the vice president for student affairs, by a dean, or by their representatives. In the case where it is felt that the disciplinary committee has imposed too light a penalty, and where the student himself has not appealed to the faculty appeal board, the dean or the vice president for student affairs, or their representatives, may request an advisory review of the case by the faculty appeal board. If, in the opinion of the board, the complainant's view is correct, the sanction imposed on the student may not be increased in that specific case but the board may request that the issue be discussed by the joint council (see WAC 478-120-110), or that the faculty council on student affairs prepare additional guidelines for the disciplinary committee.

(3) All procedural safeguards detailed in WAC 478-120-090 for cases before the disciplinary committee shall hold for hearings before the faculty appeal board.

WAC 478-120-110 Student-faculty joint council on student conduct and activities. (1) There shall be a student-faculty joint council on student conduct and activities, to serve primarily as an advisory group to the faculty council on student affairs, composed of the following members:

(a) Five undergraduate students to be approved by a majority vote of the associated students of the University of Washington board of control. A list of nominees shall be prepared each year by the president of the ASUW, with the advice of the faculty council on student affairs.

(b) Three graduate or advanced professional students to be approved by a majority vote of the executive committee of the graduate and professional student senate. A list of nominees shall be prepared each year by the president of the GPSS, with the advice of the faculty council on student affairs.

(1986 Ed.)
(c) Five members of the faculty to be appointed by the chairman of the faculty senate with the advice of the faculty council on student affairs. At least one faculty member appointed shall also be a member of the faculty council on student affairs.

(d) One representative of the office of student affairs to be appointed by the vice president for student affairs.

(e) One representative of the office of the provost appointed by the vice president for academic affairs and provost.

(f) The faculty chairman of the disciplinary committee who shall serve ex officio, without vote.

(2) Each of the above persons shall serve for one year and may succeed himself, with terms of office to begin on the first day of spring quarter.

(3) The joint council shall select by majority vote one of its members to serve as chairman for one year. Business of the joint council may be conducted informally, except as specified in this section.

(4) The joint council shall maintain a continuous review of the general standards of conduct listed in WAC 478-120-020, other rules and regulations on student activities, and procedures for student discipline as they affect both individual students and student organizations. In the course of this review, the joint council may solicit advice from the student body, the faculty and administrative officers of the university, the disciplinary committee and the faculty appeal board. When it is felt that there is need for further definition, explication or change in the general standards, rules, regulations, or disciplinary procedures, the joint council will proceed to formulate appropriate recommendations which will be forwarded to the faculty council on student affairs.

(5) The faculty council on student affairs, after consideration of the recommendations of the joint council, may request further study of the issue to the appropriate group or individual. If the proposed change or modification requires board of regents action, the recommendation shall be transmitted, through regular senate procedures, to the president of the university for action by the regents. Recommendations which do not require senate or regents' action will be transmitted to the appropriate office, agency, or committee after review by the faculty council on student affairs. Each transmittal specified above will be accompanied by a statement indicating concurrence, suggested modifications, or disapproval.

[Order 72-9, § 478-120-110, filed 11/30/72.]

WAC 478-120-120 Recording and maintenance of records. (1) Records of all disciplinary cases shall be kept by the office taking or initiating the action. Except in proceedings wherein the student is exonerated, all documentary or other physical evidence produced or considered in disciplinary proceedings and all recorded testimony shall be preserved insofar as possible for at least five years. No record of proceedings wherein the student is exonerated, other than the fact of exoneration, shall be maintained in the student's file or other university repository after the date of the student's graduation.

(2) The dean of a college or school shall report to the office of student affairs, in writing, all cases in which disciplinary action is taken. He shall also inform the registrar of any action affecting a student's official standing in the university.

(3) The office of student affairs shall notify the dean of the college or school in which the student is enrolled of any disciplinary action it takes and also shall notify the registrar of any action affecting a student's official standing in the university. The office of student affairs shall keep accurate records of all disciplinary actions taken by, or reported by, that office. All disciplinary actions will be entered on the student's record and may be removed at the time of graduation or earlier at the discretion of the office initiating the action if special terms and conditions have been met or if other circumstances warrant the removal. The office which initiated the action is responsible for ordering the removal of temporary notations of any disciplinary action on the student's record. A student may petition to that office for removal of such a notation at any time.

(4) Disclosure of information contained in disciplinary records is governed by chapter 478-140 WAC.

[Order 72-9, § 478-120-120, filed 11/30/72.]

WAC 478-120-130 Emergency authority of the president of the university. Ordinarily, disciplinary sanctions of any kind will be imposed only after the appropriate informal or formal hearing has taken place, and after the student, if he so chooses, has availed himself of his right of appeal. However, the president of the university or his authorized representative, by virtue of the authority delegated to them by the board of regents of the university, under conditions which the president or his authorized representative deems to be an emergency situation, may suspend students from participation in any or all university privileges, pending the application of university disciplinary procedures, in order to protect the offenders or other members of the university community, or to assure the university's ability to function. In any case in which this provision is invoked, the student or students in question are entitled to an early disciplinary hearing by the university disciplinary committee, and the case takes precedence over other business pending before the committee.

DISPOSITION OF SECTIONS FORMERLY CODIFIED IN THIS CHAPTER

WAC 478-136-010 Use of university facilities—General policy. The University of Washington is an educational institution provided and maintained by the people of the state in order to carry out its broad mission of teaching, research and public service. The purpose of this policy is to assure that all facilities operated by the university are reserved primarily for educational, cultural or recreational activities related to that mission. Further, the use of each facility may be maximized, so long as the basic function the facility was intended to serve is protected (e.g., instruction, research, public assembly, student activities, recreation, etc.).

[Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2), § 478-136-010, filed 7/22/82, effective 10/1/82; Order 73-2, § 478-136-010, filed 1/10/73.]

WAC 478-136-012 Definitions. (1) "Facilities" includes all structures, grounds, parking lots, waterfront, and airspace.

(2) "Use of facilities" includes the holding of events, the posting and removal of signs, all forms of advertising, commercial activities, and charitable solicitation.

(3) "Approved event" means a use of university facilities which is sponsored by an academic or administrative unit and which has been determined to be appropriate by the committee on the use of university facilities.

[Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2), § 478-136-012, filed 7/22/82, effective 10/1/82.]

WAC 478-136-015 Administrative responsibilities.

(1) The board of regents delegates to the president of the university the authority to regulate the use of university facilities.

(2) Under this authority, the president has appointed the committee on the use of university facilities to provide for proper review of the use of university facilities; to establish within the framework of this policy, guidelines and procedures governing such use; and to establish policies regarding fees and rental schedules where appropriate. Inquiries concerning the use of university facilities may be directed to the Secretary of the Committee, 400 Administration Building (Al-10), 543-2560.

(3) Sponsorship of an event by an academic or administrative unit of the university implies that professional judgment has been applied to the content of the program, the qualifications of the individuals conducting the event, the manner of presentation, and that the event is consistent with the teaching, research, and/or public service mission of the university.

(4) Approval of a facilities use request by the committee on the use of university facilities implies the proposed event has been reviewed with regard to the general facilities policy; the direct and indirect costs to the institution; environmental, health and safety concerns; wear and tear on the facilities; appropriateness of the event to the specific facility; and the impact of the event on the campus community, surrounding neighborhoods and the general public.

(5) Individuals who violate the university's use of facilities regulations will be advised of the specific nature of the violation and, if they persist, will be requested to leave university property. Failure to comply with such a request will subject such individuals to arrest under provisions of RCW 9A.52.080 (Criminal trespass in the second degree), city of Seattle 12A.08.040 (Criminal trespass), or other applicable laws.

WAC 478-136-025 Users. (1) Faculty, staff, registered or official student organizations may use university facilities to hold events for faculty, staff and students provided such uses comply with the general policy on the use of university facilities. They do not, however, require either academic or administrative unit sponsorship or approval by the committee on the use of university facilities.

(2) Faculty, staff, registered or official student organizations may use university facilities to hold events to

[Title 478 WAC—p 25]
which the general public is invited when the event has
academic or administrative unit sponsorship and the ap­
proval of the committee on the use of university
facilities.

(3) Nonuniversity organizations may use university
facilities to hold events which are sponsored by a uni­
versity academic or administrative unit and approved by
the committee on the use of university facilities. The
general public may be invited to such events.

(4) Use of facilities by groups for religious purposes is
permitted on the same basis as for nonreligious pur­
poses as long as the use by groups for religious purposes
does not dominate access to facilities.

[Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2),
§ 478-136-025, filed 7/22/82, effective 10/1/82.]

WAC 478-136-030 Limitations on use. (1) Univer­
sity facilities may not be used in ways which obstruct or
disrupt university operations, the freedom of movement,
or any other lawful activities.

(2) Faculty, staff, registered or official student organ­
izations may use university facilities to present educa­
tional forums regarding ballot propositions and/or can­
didates who have filed for public office as long as the
audience is limited to university faculty, staff and stu­
dents. However, state law (RCW 42.17.130) prohibits
"the use of any of the facilities of a public office or
agency, directly or indirectly, for the purpose of assisting
a campaign for election of any person to any office or
for the promotion of or opposition to any ballot
proposition."

(3) University facilities may not be used for private or
commercial purposes such as sales, advertising, or pro­
motional activities unless such activities serve an educa­
tional purpose, as determined by the committee on the
use of university facilities.

(4) The distribution of handbills, pamphlets and simi­
lar materials is not permitted in those areas of campus
to which access by the public is restricted or where such
distribution would significantly impinge upon the pri­
mary business being carried on. Handbills and similar
printed materials may not be left in the Daily distribu­
tion boxes or left for distribution anywhere else on
campus.

(5) Charitable solicitation is not permitted in those
areas of the campus to which access by the public is re­
stricted or where such solicitation would significantly
impinge upon the primary business being carried on.

(6) Electronic amplification on the grounds of the
campus is prohibited with the following exceptions:

(a) The lawn area immediately west of the student
union building will be available for open-air speaking
events using directional and volume-controlled speech
amplification equipment provided by the university. Use
of the student union building lawn site will be available
to registered or official student organizations and faculty
or staff groups on a first-come, first-served basis. The
amplification system will be issued upon presentation of
a currently valid student, faculty or staff identification
card at the Student Union Reservation Office, 104C
Student Union Building.

(b) The committee on the use of university facilities
may grant permission, under special circumstances, for
the use of other amplification equipment on the lawn site
west of the student union building or in other outdoor
locations. Permission should be requested through the
Secretary to the Committee, 400 Administration Build­
ing (AI-10), 543–2560, sufficiently in advance of the
program to allow timely consideration.

(7)(a) The parking garages on the campus of the
University of Washington are open to the public for the
limited purpose of parking motor vehicles. Sleeping, or
remaining in the parking garages for purposes unrelated

478-140-020 General rule. [Order 72-11, § 478-140-020, filed 1/30/72.] Repealed by Order 75-1, filed 3/5/75.
478-140-030 Requests from outside the university. [Order 72-11, § 478-140-030, filed 11/30/72.] Repealed by Order 75-1, filed 3/5/75.

WAC 478-140-010 University policy on student education records. Public Law 93-380, the Family Educational Rights and Privacy Act of 1974, requires that the university adopt guidelines concerning the right of a student to inspect his or her education records, and guidelines concerning the release of personally-identifiable information to third parties. The act further provides that such a student has the right to a hearing in order to provide for the correction or deletion of inaccurate, misleading or otherwise inappropriate data. The act also provides that students be informed annually of the types of education records maintained by the university that are directly related to students.

Consistent with that act, this policy on student education records is established to insure that information contained in such records is treated in a responsible manner with due regard to the personal nature of the information.

[Order 75-1, § 478-140-010, filed 3/5/75; Order 72-11, § 478-140-010, filed 11/30/72.]

WAC 478-140-015 Definition of a student. A student is defined as any person who is or has been officially registered at the University of Washington and with respect to whom the university maintains education records or personally-identifiable information; except that a person who has applied for admission to, but has never been in attendance at, a component unit of the university (i.e., college, school, or department; undergraduate, graduate, or professional program), even if that person is or has been in attendance at another component unit of the university, is not considered to be a student with respect to the component unit to which an application for admission has been made but to which admittance was denied.

[Title 478 WAC—p 28]
Disclosure of Student Records

(4) Students have the right to obtain copies of their education records. Charges for the copies shall not exceed the cost normally charged by a University of Washington copy center (except in cases where charges have previously been approved by regental action for certain specified services, such as transcripts and grade sheets).

(5) The registrar is the official custodian of academic records and therefore is the only official who may issue a transcript of the student's official academic record.

(6) Student education records may be destroyed in accordance with a department's routine retention schedule. In no case will any record which is requested by a student for review in accordance with WAC 478-140-018 and 478-140-021 be removed or destroyed prior to providing the student access.

WAC 478-140-021 Requests and appeal procedures.

(1) A request by a student for review of information should be made in writing to the university individual(s) or office(s) having custody of the particular record.

(2) An individual(s) or office(s) must respond to a request for education records within a reasonable period of time, but in no case more than forty-five days after the request has been made.

(3) (a) After reviewing his or her records, a student may challenge the content of the records if they are felt to be inaccurate, misleading or otherwise in violation of the privacy or other rights of the student. In such cases the student should contact the appropriate dean or director responsible for custody of the record.

(b) In cases where a student has been unable to correct or delete such inaccurate, misleading or otherwise inappropriate data, he or she may request a hearing by the university's student records committee. The student records committee will render its decision within a reasonable period of time following the hearing. The decision of the student records committee shall be final.

(i) If, as a result of the hearing, the university student records committee decides that the information the student complained of is inaccurate, misleading, or otherwise in violation of the privacy or other rights of the students, it shall amend the education records of the student accordingly and shall inform the student in writing of the action taken.

(ii) If, as a result of the hearing, the university student records committee decides that the information the student complained of is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, the student shall be given the right to place in the education record a statement commenting upon the information in the education record and/or setting forth any reasons for disagreeing with the decision of the university student records committee.

(c) In no case shall any request for review by a student be considered by the university's student records committee which has not been filed with that body in

(1986 Ed.)
writing within ninety days from the date of the initial request to the custodian of the record.

(d) The student records committee shall not review any matter regarding the appropriateness of official academic grades, in that each school or college within the university provides appropriate review procedures in this area.

WAC 478-140-024 Release of personally-identifiable records. (1) The university shall not permit access to or the release of education records or personally-identifiable information contained therein, other than "directory information," (as defined in section (5) hereof), without the written consent of the student, to any party other than the following:

(a) University staff, faculty, and students when officially appointed to a faculty council or administrative committee, when the information is required for a legitimate educational interest within the performance of their responsibilities to the university, with the understanding that its use will be strictly limited to the performance of those responsibilities.

(b) Federal and state officials requiring access to education records in connection with the audit and evaluation of a federally- or state-supported education program or in connection with the enforcement of the federal or state legal requirements which relate to such program. In such cases the information required shall be protected by the federal or state official in a manner which will not permit the personal identification of students and their parents to other than those officials, and such personally-identifiable data shall be destroyed when no longer needed for such audit, evaluation or enforcement of legal requirements.

(c) Agencies or organizations requesting information in connection with a student's application for, or receipt of, financial aid.

(d) Organizations conducting studies for or on behalf of the university for purposes of developing, validating or administering predictive tests, administering student aid programs, and improving instruction, if such studies are conducted in such a manner as will not permit the personal identification of students by persons other than representatives of such organizations, and such information will be destroyed when no longer needed for the purposes for which it was provided.

(e) Accreditting organizations in order to carry out their accrediting functions.

(f) Any person or entity designated by judicial order or lawfully-issued subpoena, upon condition that the student is notified of all such orders or subpoenas in advance of the compliance therewith. Any university individual(s) or office(s) receiving a subpoena or judicial order for education records should immediately notify the attorney general's division.

(2) Where the consent of a student is obtained for the release of education records, it shall be in writing, signed and dated by the person giving such consent, and shall include:

(a) A specification of the records to be released,

(b) The reasons for such release, and

(c) The names of the parties to whom such records will be released.

(3) In cases where records are made available without student release as permitted by WAC 478-140-024 (1)(b), (c), (d), (e) and (f), the university shall maintain a record kept with the education record released, which will indicate the parties which have requested or obtained access to a student's records maintained by the university and which will indicate the legitimate interest of the investigating party. Releasess in accordance with WAC 478-140-024 (1)(a) need not be recorded. The records of disclosure may be inspected by the student, the university official responsible for the custody of the records, and other authorized parties.

(4) Personally-identifiable education records released to third parties, with or without student consent, shall be accompanied by a written statement indicating that the information cannot be subsequently released in a personally-identifiable form to any other parties without obtaining consent of the student.

(5) The term "directory information" used in WAC 478-140-024(1) is defined as student's name, address, telephone number, date and place of birth, major field of studies, participation in officially-recognized sports activities, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Students may request that the university not release directory information by so indicating on their registration form or through written notice to the Registration Department of the Registrar's Office, 225 Schmitz Hall, Window 3, 1400 N.E. Campus Parkway.

(6) Information from education records may be released to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other person(s).

WAC 478-140-050 University records. All university individual(s) or office(s) which have custody of education records will develop procedures in accord with WAC 478-140-010 through 478-140-060. Any supplementary regulations found necessary by departments will be filed with the student records committee, which will be responsible for periodic review of policy and procedures.

(1) Disciplinary records shall be kept separate and apart from academic records, and transcripts of a student's academic record shall contain no notation of any disciplinary action. Special precautions shall be exercised to insure that information from disciplinary or counseling files is not revealed to unauthorized persons. Provision shall be made for periodic review and routine

[Title 478 WAC—p 30] (1986 Ed.)
destruction of inactive disciplinary records by offices maintaining such records.

(2) No records shall be kept that reflect a student's political or ideological beliefs or associations.

[Order 75-1, § 478-140-050, filed 3/5/75; Order 72-11, § 478-140-050, filed 11/30/72.]

WAC 478-140-060 Student records committee. The student records committee shall be responsible for reviewing unusual requests for information and for assisting in the interpretation of these rules. The committee shall also be responsible for hearing appeals as defined in WAC 478-140-021. The committee shall consist of the registrar, a graduate student, an undergraduate student, two faculty and two university staff members. Separate financial need figures are established for each unit size. The applicable dollar amounts and deadlines for submission of the financial aid form are published by and available at the housing and food services office in January of each year. Eligibility will be for the period July 1 through June 30. Any expenses related to the processing of the financial aid form will be borne by the applicant or the current resident. versity of Washington offers programs of study which lead to undergraduate, graduate and advanced professional degrees and/or professional certificates. To apply for admission at their proposed level of study, prospective university students are provided with information about the university's admission procedures and guidelines.

The University of Washington has established the following regulations to provide prospective university students with information on how to apply for admission at their proposed level of study. These guidelines are designed to promote academic standards and ensure a fair and consistent application process.

WAC 478-160-005 Legal authority to enact. Pursuant to the authority granted by RCW 28B.20.130 and chapter 28B.15 RCW, the board of regents of the University of Washington has established the following regulations governing the admission, residence classification and registration of students at the University of Washington.

WAC 478-160-010 Admissions procedures—Statement of purpose. The purpose of these regulations is to provide prospective university students with information on how to apply for admission at their proposed level of study.

WAC 478-160-015 Admission categories. The University of Washington offers programs of study which lead to undergraduate, graduate and advanced professional degrees and/or professional certificates.

(1) Undergraduate study includes programs of study which normally lead to a bachelor's degree.

(2) Graduate study includes programs of post-baccalaureate study normally leading to a graduate degree.

(3) Advanced professional study includes programs of study normally leading to a professional degree in medicine, dentistry or law.

In addition, the university has a special admissions category, nonmatriculated status, which is intended for students who have a limited educational objective which does not include a University of Washington degree or a professional certificate.

WAC 478-160-020 Undergraduate admission policy. The University of Washington's board of admissions, scholastic standards and graduation, appointed by the president of the university, is responsible for the interpretation and administration of the regulations governing the admission of undergraduate students.

The office of admissions has been assigned the responsibility of distributing and processing applications for admission with undergraduate standing at the University of Washington. Application closing dates are established for all admission classifications for all quarters. Applications are generally not accepted after closing dates except for summer quarter when they will be accepted routinely through the official change of registration period. Applications will be accepted after the closing date only from students returning to the university in the classification under which they last attended or students new to the university as "Summer only nonmatriculated" students. Applications accepted after the closing date will be subject to a late application fee.

WAC 478-160-025 Undergraduate student classifications. A person may apply as an entering freshman, a transfer student, or a fifth-year student depending on his academic background and present educational goal.

(1) Entering freshmen have completed their secondary school education and intend to engage in a program of study leading to a bachelor's degree.

(2) Transfer students have completed some academic work at another collegiate institution and intend to engage in a program of study leading to a bachelor's degree.

(3) Fifth-year students have previously earned at least one bachelor's degree and intend to engage in a program of study leading to an additional bachelor's degree and/or a professional certificate.

WAC 478-160-030 Early application guidelines. In order to be assured of consideration, prospective freshmen should submit applications for the autumn quarter of any given year during the preceding December. Applicants for winter and spring quarters and transfer and fifth-year applicants for autumn quarter should submit applications at least six months in advance of their proposed date of entry. Applicants for summer quarter should submit applications at least three months in advance of the beginning of summer quarter.
WAC 478-160-035 Application forms for undergraduate standing. To apply for freshman, transfer or fifth-year status, either an "Application for admission to an undergraduate college or school" or an "Application for admission to four-year colleges and universities in the state of Washington" must be submitted to the Office of Admissions, 1400 N.E. Campus Parkway, Room 348, Seattle, Washington 98195. An application form with complete instructions will be provided to prospective applicants upon request.

WAC 478-160-040 Admission of undergraduate students through the educational opportunity program. In recognition of the numerous factors which may have interfered with the earlier education of students from certain ethnic minorities and/or poverty environments, the university offers an educational opportunity program.

Minority and disadvantaged students are encouraged, regardless of their previous academic records, to apply for admission to the university through this program.

Prospective applicants may obtain undergraduate application forms and additional information by contacting the Office of Minority Affairs, 1400 N.E. Campus Parkway, Room 394, Seattle, WA 98195.

WAC 478-160-045 Admission of students from foreign countries. Virtually no foreign students who are in need of financial assistance from the university can be accepted at the undergraduate level.

WAC 478-160-050 Application forms for foreign students. Foreign students who have sufficient financial support, foreign students who intend to transfer to the university from another United States school, and foreign students who wish to attend summer quarter only must submit an "Application for admission to an undergraduate college or school" to the Office of Admissions, 1400 N.E. Campus Parkway, Room 348, Seattle, WA 98195. The application form with complete instructions will be provided to prospective applicants upon request.

WAC 478-160-055 Admission to specific major degree programs. Undergraduate and fifth-year applicants who are qualified for admission to the university are required to enter one of the university's colleges or schools. At the time an application is completed, applicants are asked which of the university's schools or colleges they wish to enter. In addition, applicants may indicate, at the time they make application, the major degree program of their choice. However, all applicants who are qualified for admission to the university cannot always be accommodated in the college, school or degree program of their choice because of space limitations or because some prerequisites for the program have not yet been fulfilled. In such cases, applicants may be offered admission to the university in the college of arts and sciences as pre-majors.

In order to be considered for admission in the degree program of their choice, at a later date, such students may be required to submit a supplemental application and present additional information to the appropriate academic department or unit.

Examples of the information which might be considered may include but are not necessarily limited to the following: Achievement of at least sophomore or junior standing, grade point average, successful completion of elementary courses in the field, an audition, samples of previous accomplishments, recommendations, and test scores.

Although criteria for acceptance may vary from department to department, they are binding if all of the following conditions have been met:

1. They are the result of action by the faculty of the department concerned and have been approved by the dean of that school or college and the president of the university.

2. They apply to all students seeking admission to the degree program at a particular time.

3. They have been announced through printed statements available in the office of admissions and in the advising office of the department sponsoring the program no later than the first day of the quarter (excluding summer quarter) preceding the quarter in which they are to become effective.

WAC 478-160-060 Requests for reconsideration of admission decision. Applicants who are denied admission may request further consideration by presenting additional information in support of their application. Such requests should be addressed to the Committee on Admissions and Academic Standards, Office of Admissions, 1400 N.E. Campus Parkway, Seattle, WA 98195.

WAC 478-160-065 Admission of former students. Former undergraduate students who wish to resume study in the degree or certificate program for which they were last registered and graduate students who are officially on leave and who wish to return to the university must submit a "Returning student reenrollment application" form to the office of the registrar.

Applications may be obtained by contacting the Registrar's Office, 1400 N.E. Campus Parkway, Room 225, Seattle, WA 98195.

Returning former students are advised to file such an application at least four months in advance of the quarter they intend to return.

Former students who completed a degree or certificate program at the time they were last enrolled and former graduate students must apply as new students if they wish to return to the university.
WAC 478-160-070 Graduate admission policy. The dean of the graduate school is responsible for the interpretation and administration of regulations governing the admission of graduate students.

The office of graduate admissions has been assigned the responsibility of collecting and processing applications for admission to the university's graduate school.

[Order 72–8, § 478–160–260, filed 11/30/72.]

**WAC 478-160-265** Registration for residence credit courses. No person, other than a faculty member attending informally with the approval of the instructor, may attend a university residence credit course in which he has not been registered.

[Order 72–8, § 478–160–265, filed 11/30/72.]

**WAC 478-160-270** Registration periods. There are two official registration periods: (1) Preregistration and (2) registration. Specific dates, criteria for eligibility and procedural steps for each of the registration periods are published in the University Daily, the University Calendar, and the quarterly Time Schedule and are posted about the campus by the university registrar before either of the registration periods begins.

[Order 72–8, § 478–160–270, filed 11/30/72.]

**WAC 478-160-275** Late registration. Any student who registers after both of the official registration periods have passed will be charged a late registration service fee.

No student shall be permitted to register after the first seven calendar days of autumn, or winter, or spring quarter, except with the written consent of the dean of his college and the written approval of the instructors whose classes the student wishes to enter.

No student shall be permitted to register for "a" term courses after the first two calendar days of summer quarter, for full-quarter courses after the first five calendar days of summer quarter, or for "b" term courses after the first two calendar days of "b" term, except with the written consent of the dean of his college and the written approval of the instructors whose classes the student wishes to enter.

the quarter he officially withdraws. A withdrawal form must be signed by the student's academic adviser and filed with the registrar's office. A copy of the student's military orders must also be submitted. Complete information is available from the Registrar's Office, 1400 N.E. Campus Parkway, Room 225, Seattle, WA 98195.

[Order 72-8, § 478-160-295, filed 11/30/72.]

**WAC 478-160-300 Registration requirements for graduate students.** Every graduate student from the time of first enrolling in the graduate school is required either to be registered each quarter or to be officially on leave until the completion of all requirements for the graduate degree for which such a student is working. Failure to register each quarter (except summer) or to go on leave will constitute presumptive evidence that the student has withdrawn and resigned from the graduate school.

[Order 72-8, § 478-160-300, filed 11/30/72.]

**WAC 478-160-305 On-leave status for graduate students.** If a graduate student in good standing plans to be away from the university and out of contact with the university faculty and facilities for a period of time, not to exceed four successive quarters except in the case of absence for military reasons, he may apply for on-leave status. Forms for this purpose and further information may be obtained from the departmental graduate program adviser.

A graduate student who is either registered or officially on leave for a given spring quarter and who does not register for the immediately following summer quarter is automatically on leave for that summer quarter.

[Order 72-8, § 478-160-305, filed 11/30/72.]

**WAC 478-160-310 Change of school or college.** An undergraduate student desiring to transfer from one school or college within the university to another must obtain approval from the deans of the two schools or colleges concerned. Change of college forms may be obtained from and must be submitted to the Registrar, 1400 N.E. Campus Parkway, Room 225, Seattle, WA 98195.

[Order 72-8, § 478-160-310, filed 11/30/72.]

**WAC 478-160-315 Auditors.** With the consent of the instructor, and to the extent that space is available after the students who are registering for credit have been accommodated, a student may register as an auditor in a nonlaboratory course or the lecture section of a laboratory course.

A student who audits a course may not participate in class discussion or laboratory work, or take an examination in the course. The fact that a course has been audited will not appear on the student's permanent record.

[Order 72-8, § 478-160-315, filed 11/30/72.]

**WAC 478-160-320 Special instructional programs offered summer quarter.** In recognition of the special needs of students who can attend the university only in the summer, a number of institutes, workshops, and special programs are offered each summer quarter. Because the nature and content of the programs vary from year to year, interested persons are invited to contact the Summer Quarter Office, Lewis Hall, Seattle, WA 98195 to obtain a copy of the summer quarter Bulletin.

Title 478 WAC: University of Washington

Chapter 478-168

478-168-010 Legal authority to enact. Pursuant to the authority granted by RCW 28B.20.130, chapter 223, Laws of 1969 ex. sess. (RCW 28B.20.130), and section 2, chapter 279, Laws of 1971 ex. sess. (RCW 28B.15.031), the board of regents of the University of Washington has established the following regulations governing the service schedules for and the lending of library materials from library facilities devoted mainly to the educational or research activities of the University of Washington.

[Order 72-3, § 478-168-010, filed 8/7/72.]

WAC 478-168-020 Purpose of libraries' existence. The libraries constitute a vital instructional arm of the University of Washington and exist primarily to contribute to the university's teaching and research functions. In addition, the libraries seek to serve the citizens of the state of Washington, consistent with their primary function and within the limits of their resources.

[Order 72-3, § 478-168-020, filed 8/7/72.]

WAC 478-168-030 Modification of these regulations. The board of regents reserves the right to add, delete, or modify portions of these regulations including the fine schedules in accordance with its regulations and applicable laws.

[Order 72-3, § 478-168-030, filed 8/7/72.]

WAC 478-168-040 Manuscript collection and university archives access policy—Basis of policies and procedures. Policies and procedures described herein are based on the special characteristics of manuscript and archival materials. Manuscript and archival materials are unique items or nearly so unique that they are administered as if they were in effect the only copies extant (examples: Correspondence, diaries, minutes, reports, business record books, client files, etc.). Manuscripts and archives alone are rarely sufficient to document the area of study addressed by the researcher. Consequently, persons are discouraged from using manuscript and archival materials unless they are thoroughly familiar with relevant published source materials.

[Order 72-3, § 478-168-040, filed 8/7/72.]

Note: If unusually heavy use is anticipated, facsimile copies must be substituted for the original material.

(b) If a faculty member, he must present identification and is encouraged to correspond beforehand about his research interests.

(c) Access to all other potential users is regulated in conformity with WAC 478-168-060 (1) and (2). The inquirer must demonstrate that manuscript and archival materials are relevant to his purpose.

(3) Public records in the university records center.

(a) Permission in writing from the office of origin must be given for access to any records in the scheduled records section because these are not under control of the records center.

(b) Access is given to all such records in the university archive proper as distinct from those in the scheduled records section, once need is established.

(4) Care of the materials by the user.

(a) Materials must be used in the area designated by the staff.

(b) Materials must not be removed from the assigned area or in any way damaged or defaced.

Note: Removal or mutilation of records is forbidden by law. (RCW 40.16.010)

(c) Materials must be kept in the same order as received.

(d) Users may not smoke, eat, or drink in the assigned reading room.

(e) Users may not use ink or comparable writing instruments in the research area. Pencils, typewriters and tape recorders may be used. Permission to use any other note-taking device must be obtained from the curator of manuscripts, the university archivist, or his designee.

(f) Permission from the responsible authority must be secured for any facsimile copying.

(g) Freedom of access does not include the right of publication. The user is hereby notified that literary rights adhere permanently to all unpublished items unless expressly declared to be public by the author, heirs, or assigns. The user assumes full responsibility for obtaining permission to publish such items in whole or in part.

[Order 72-3, § 478-168-050, filed 8/7/72.]

The unit head has the option of charging the actual cost ($5.00 minimum) or an estimated cost ($5.00 minimum) determined on an item-by-item basis.

(3) The replacement charge for other types of material (serials and unbound issues, maps, pamphlets, etc.) will be established by the head, acquisitions division, at the beginning of each fiscal year. Pursuant to the authority granted by RCW 27.40.034 the board of regents of the University of Washington has established the following procedures for permanent acquisition of documents and materials on loan to the museum of the University of Washington (presently known as the Thomas Burke Memorial Washington State Museum).

[Title 478 WAC—p 47]
WAC 478-210-020 Procedures for permanent acquisition of loaned specimens. Acting on behalf of the board of regents, the museum will take the following steps:

1. Notice, requesting action, will be sent by certified mail, return receipt requested, to the lender at his last known address.
2. If the lender does not claim the loaned documents and/or materials within ninety days of notice mailing date; or
3. If notice letter is returned as undeliverable, then
4. Public notice shall be published once each week during two successive weeks in a daily newspaper circulating in the city of Seattle and the county of King describing the unclaimed documents and materials, giving the name of the reputed owner, and requesting all persons who may have knowledge of the whereabouts of such owner to contact the museum of the University of Washington. More than one item may be described in each of such notices.
5. If after sixty days of the date of the second publication the lender has not been located, then
6. The loaned documents and materials shall be deemed an unrestricted and irrevocable gift to the museum.

WAC 478-276-020 Purpose. This chapter is enacted by the board of regents of the University of Washington in compliance with the provisions of chapter 1, Laws of 1973 (Initiative 276), "Disclosure—Campaign finances—Lobbying—Records"; and in particular with §§ 25–32 of that act dealing with public records.

WAC 478-276-040 General course and method of government. The government of the University of Washington is vested in a board of regents, consisting of seven members appointed by the governor of the state pursuant to RCW 28B.20.100. Regular meetings of the board are held each month (except for the month of July) at a time established by resolution of the board in Room 301 of the Administration Building on the campus in Seattle, or at such other place as the board may direct.

The general course and method of government at the university, including all formal and informal procedures, are subject to the authority, bylaws, and standing orders of the board of regents.

WAC 478-276-050 Public records available. All public records of the University of Washington, as defined in WAC 478–276–020, are deemed to be available for public inspection and copying pursuant to these rules, except as otherwise provided by law.

WAC 478-276-060 Public records officer. For purposes of compliance with chapter 1, Laws of 1973, a public records officer shall be designated by the president of the university. The duties of the public records officer shall be as provided by the president of the university and may include but not be limited to: The implementation of the university's rules and regulations regarding release of public records, coordinating the staff of the visitors' information center in this regard, and generally coordinating compliance by the university with the public records disclosure requirements of chapter 1, Laws of 1973. The person so designated shall be
located in the Visitors' Information Center, 4014 University Way N.E., University of Washington, Seattle, Washington 98105.

WAC 478-276-070 Office hours. For the purposes of this chapter, the office hours of the visitors' information center shall be the regular business hours of the University of Washington.

WAC 478-276-080 Requests for public records. In accordance with requirements of chapter 1, Laws of 1973, that agencies prevent unreasonable invasions of privacy, protect public records from damage or disorganization, and prevent excessive interference with essential functions of the agency, public records required to be disclosed by chapter 1, Laws of 1973, may be inspected or copied, or copies of such records may be obtained, by members of the public upon compliance with the following procedures: All requests shall be directed to the public records officer at the address set forth in WAC 478-276-140. The request shall include the following information:

1. The name of the person requesting the records or some other means of identifying that person;
2. The time of day and calendar date on which the request was made; and
3. The public record(s) requested.

WAC 478-276-090 Commercial purposes. No provision of any regulation contained in this chapter 478-276 WAC shall be construed as giving authority to any faculty or staff member of the University of Washington to give, sell, or provide access to lists of individuals requested for commercial purposes.

WAC 478-276-100 Inspection of public records—Copying. (1) Public records of the University of Washington required to be disclosed by chapter 1, Laws of 1973, shall be made available for inspection and copying at the visitors' information center under the supervision of the public records officer.

(2) No fee shall be charged for the inspection of public records. The university may impose a charge for providing copies of public records. Such charges shall not exceed the amount necessary to reimburse the university for its actual costs incident to such copying.

(3) No person shall be provided a copy of a public record which has been copied by the university at the request of such person until and unless such person has tendered payment for the charge for providing such copying.

WAC 478-276-110 Exemptions—Court protection. (1) The University of Washington reserves the right to determine that a public record requested in accordance with the procedures outlined in WAC 478-276-080 is exempt under the provisions of section 31, chapter 1, Laws of 1973.

(2) In addition, pursuant to section 26, chapter 1, Laws of 1973, the University of Washington reserves the right to delete identifying details when it makes available or publishes any public record in any cases where there is reason to believe that disclosure of such details would be an invasion of personal privacy protected by chapter 1, Laws of 1973.

(3) Responses by the University of Washington refusing, in whole or in part, inspection of any record shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld.

(4) Pursuant to section 33, chapter 1, Laws of 1973, the University of Washington reserves the right to seek to enjoin the examination of any specific record, the examination of which the university determines would clearly not be in the public interest and would substantially and irreparably damage any person or would substantially and irreparably damage vital governmental functions.

WAC 478-276-120 Review of denials of public records requests. (1) The person who has been denied access to public records may submit to the public records officer a petition for prompt review of such decision. The written request shall specifically refer to the written statement by the public records officer or staff member which constituted or accompanied the denial.

(2) Immediately after receiving a written request for review of a decision denying a public record, the public records officer or other staff member denying the request shall refer it to the office of the president of the University of Washington. The petition shall be reviewed promptly and the action of the public records officer shall be approved or disapproved. Such approval or disapproval shall constitute final university action for purposes of judicial review.

WAC 478-276-130 University records. In accordance with section 26, chapter 1, Laws of 1973, the university has issued a formal order stating why it would be unduly burdensome to comply with the requirement to maintain a current index providing identifying information as to all the university's records issued since June 30, 1972. Instead, the visitors' information center provides for public inspection and copying the indexing devices maintained for the university's use.

The committee shall aid the university in complying with the State Environmental Policy Act (chapter 43.21C RCW) and State Environmental Policy Act rules (chapter 197–11 WAC), except for those actions pertaining to the metropolitan tract. The committee shall consist of members representing the students, faculty, and staff of the university and shall be appointed by the president. (b) In all cases, before a final decision has been made.

(4) Specifically, committee review shall occur:

(a) After completion of an environmental checklist but before threshold determination.

(b) Prior to the responsible official’s reconsideration of the threshold determination if substantive comments have been received regarding the DNS.

(c) Prior to the responsible official issuing a mitigated DNS.

(d) Prior to the publication of any draft EIS.

(e) Prior to the publication of any final EIS.

(5) At least one member representing the committee shall attend public hearings on the environmental impact of a proposal.

(6) To enable the SEPA advisory committee to be involved in the university’s SEPA procedures at the earliest possible time, the university environmental planning staff shall:

(a) Review capital project programs, project proposals, and nonproject proposals to identify potential environmental issues and/or constraints.

(b) Consult with the chairperson on significant issues to determine which issues should be reviewed with the full committee.

(7) The committee’s recommendations shall be advisory and shall not relieve the responsible officials of their responsibilities as established by these procedures.

(1) In consultation with the SEPA advisory committee, city–university community advisory committee, and other agencies with jurisdiction, the responsible official will determine if there are mitigating measures and clarifications or changes to the environmental checklist which would reduce impacts to the extent that a mitigated DNS could be issued.

(2) All mitigation measures in a mitigated DNS for a proposed project shall be included in the final project, with the exception of any measures clearly the responsibility of another agency.

[Statutory Authority: RCW 43.21C.120 and WAC 197–11–904, 84–20–074 (Order), § 478–324–070, filed 10/2/84.]

WAC 478-324-230 Severability. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of this chapter, or the application of the provision to other persons or circumstances, shall not be affected.

WAC 478-355-010 Authority. This chapter is enacted by the board of regents of the University of Washington pursuant to RCW 39.34.080, a section of the Interlocal Cooperation Act and RCW 28B.10.355, authorizing the university to establish a small works roster for public works projects with an estimated cost of less than fifty thousand dollars.

WAC 478-355-020 Purpose. The department of general administration of the state of Washington has established a small works roster and adopted regulations for its use. In order to avoid duplication of services and expense, the University of Washington vice president for finance and administration is authorized to execute an interlocal agreement with the department of general administration for the use of its small works roster by the university. Upon execution of the interlocal agreement, the small works roster created by the department of general administration shall constitute the established university small works roster.

WAC 478-355-030 Project construction cost. Whenever the estimated project construction cost of any University of Washington public work is less than fifty thousand dollars, the University of Washington vice president for finance and administration is authorized to use the small works roster in lieu of public advertisement for bids.

WAC 478-355-040 Procedure for use. When the small works roster procedure is utilized, bids will be solicited from a bidders list of at least five contractors from the small works roster randomly selected from those who registered the capability of performing the type of public work at the required location and, if required, are MWBE certified. Only the contractors identified on the bidders list will be eligible to bid on the public work. If all bids are rejected, new bids may be solicited either by again utilizing the small works roster or by public advertisement for bids.

WAC 478-355-050 Applicable statutes. All statutes pertaining to contracts for public works shall be otherwise fully applicable to contracts awarded through the small works roster procedure.

WAC 478-355-060 Administration. The vice president for finance and administration is authorized to establish procedures for university use of the small works roster, to terminate the interlocal agreement or to approve modifications to the interlocal agreement when deemed appropriate for the cooperative use of the small works roster.
