The deposition shall then be signed by the witness, unless the parties by stipulation waive the signing or the witness is ill or cannot be found or refuses to sign. If the deposition is not signed by the witness, the officer shall sign it and state on the record the fact of the waiver or of the illness or absence of the witness or the fact of the refusal to sign together with the reason, if any, given therefor; and the deposition may then be used as fully as though signed, unless on a motion to suppress the agency holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

(2) The officer shall certify on the deposition that the witness was duly sworn by him and that the deposition is a true record of the testimony given by the witness. **WAC 516-11-030 Description of central and field organization at Western Washington State College.** (1) Western Washington State College is located on a campus within the city of Bellingham, Washington. This campus comprises the central headquarters for all operations of the college; any "field" activities of the college are directed and administered by personnel located on the campus at Bellingham. The college is governed by a board of trustees appointed by the governor; such board normally meets at least once every calendar month, as provided in WAC 516-04-010. The board employs a president, his assistants, members of the faculty and other employees. It establishes such divisions, schools or departments necessary to carry out the purposes of the college, provides the necessary property, facilities and

equipment and promulgates such rules, regulations and policies as are necessary to the administration of the college.

(2) The board of trustees, either directly or by delegation, has caused to be created various administrative, academic and support divisions to enable the college to discharge its obligations. Academic matters are the concern of the provost; business and physical planning functions are the concern of the business manager; student affairs are the concern of the dean of students. These offices report to the president of the college.

(3) There is in existence at the college an all-college senate composed of representatives of the faculty, students, staff and administrators, which by the terms of its constitution and bylaws (on file in the office of the president)

" . . . shall be the legislative body for recommending policies to the board of trustees. It shall review and recommend internal policy. It shall recommend to the board of trustees and the president procedures for implementing policies."

(b) Which establishes, alters, or revokes any procedures, practice, or requirement relating to institutional hearings; or

(c) Which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law;

are implemented through the procedures of the HEAPA and appear in Title 516 WAC: *Provided, however,* That in accordance with RCW 28B.19.020(2), the college reserves the right to promulgate as internal rules not created or implemented in accordance with the HEAPA, the following: Rules, regulations, orders, statements, or policies relating primarily to the following: Standards for admissions; academic advancement, academic academic credits, graduation and the granting of degrees; tuition and fees, scholarships, financial aids, and similar academic matters; employment relationships; fiscal processes; or matters concerning only the internal management of an institution and not affecting private rights or procedures available to the general public; and such matters need not be established by rule adopted under HEAPA unless otherwise required by law. Internal rules and regulations to the extent not already set forth in the college's published catalogs and handbooks (on file in the reference room of the library) are in the

process of being collected in a general college handbook a copy of which shall, upon its completion, also be filed in the reference room of the college library and be available to the public.

(2) Methods of human persuasion utilized by any member of the college's constituencies or of the public to attempt to influence one in power to make decisions within that person's scope of responsibility.

[Order 73-5, § 516-11-050, filed 4/12/73.]

**WAC 516-11-060 Designation of public records officers.** (1) In accordance with the requirements of Initiative 276, insofar as such initiative requires state agencies to adopt and enforce reasonable rules and regulations to provide full public access to official records while yet protecting the same from damage and to prevent excessive interference with essentials of the agency, all public records at the college shall be in the charge of persons holding positions as records officers.

(2) Overall responsibility for coordinating responses to requests for examination of public records shall be the responsibility of the person known as the "public records officer." The person holding such position will be headquartered in the administration building of the college; his exact location and name may be determined by inquiry at the office of the president of the college. The public records officer shall also be responsible for compiling and maintaining the index required by Initiative 276.

(3) For purposes of this chapter, the custody of the college's records shall be deemed divided into the following divisions:

- (a) Office of the provost;
- (b) Office of the president;
- (c) Office of the dean of students;
- (d) Office of the business manager.

The above-designated division head shall be deemed custodian of the records in the possession or control of agencies, departments, officers and employees of his division and responsible for the care and custody of records within his division even though such person is not in actual possession or control of such records. Such division heads shall be known as the college "records custodians."

(4) In any cases where a question arises as to whether a given public record is a responsibility of one records custodian or another, the determination of such ministerial responsibility shall for the purposes of this chapter be made by the public records officer, or the president of the college.

(1986 Ed.)

[Order 73-5, § 516-11-060, filed 4/12/73.]

**WAC 516-11-070 Availability for public inspection and copying of public records.** (1) Public records shall be available for inspection and copying during the customary office hours of the college. For the purposes of this chapter, the customary office hours shall be from 9 a.m. to noon and from 1 p.m. to 4 p.m., Monday through Friday, excluding legal holidays, unless the person making the request and the college, acting through the public records officer or a records custodian, agree on a different time.

[Order 73-5, § 516-11-070, filed 4/12/73.]

**WAC 516-11-080 Requests for public records.** In accordance with the Initiative 276 requirements that agencies prevent unreasonable invasions of privacy, protect public records from damage or disorganization, and prevent excessive interference with essential functions of the agency, public records are only obtainable by members of the public when those members of the public comply with the following procedures:

(1) A request shall be made in writing upon a form which shall be available at the office of the public records officer and shall be presented to the public records officer or any other of the persons designated by this chapter as a custodian of certain college records, per WAC 516-11-060. Such request shall include the following:

- (a) The name of the person requesting the record;
- (b) The time of day and calendar date on which the request was made; and
- (c) If the matter requested is referenced within the current index maintained by the college records officer, a reference to the requested record as it is described in such index;
- (d) If the requested matter is not identifiable by reference to the college records current index, a statement that succinctly describes the record requested;
- (e) A verification that the records requested shall not be used to compile a commercial sales list.

(2) In all cases in which a member of the public is making a request, it shall be the obligation of the college person to whom the request is being made to assist the member of the public in succinctly identifying the public record requested.

[Order 73-5, § 516-11-080, filed 4/12/73.]

**WAC 516-11-090 Charges for copying.** (1) No fee shall be charged for inspection of public records. The college may impose a reasonable charge for providing copies of public records and for the use by any person of agency equipment to copy public records; such charges shall not exceed the amount necessary to reimburse the college for its actual costs incident to such copying.

(2) No person shall be released a record which has been copied by photostatic process until and unless the person requesting the copied public record has tendered payment for such copying to the records official from whom the public record was obtained, or to any person designated by such records official.

[Title 516 WAC—p 13]

[Order 73-5, § 516-11-090, filed 4/12/73.]

**WAC 516-11-100 Determination regarding exempt records.** (1) The college reserves the right to determine that a public record requested in accordance with the procedures of this chapter is exempt under the provisions of section 31 of Initiative 276. Such determination may be made in consultation with any of the records officers of the college, president of the college, or an assistant attorney general assigned to the college.

(2) Responses to requests for records must be made promptly. For the purpose of these rules, a prompt response occurs if the person requesting the public record is notified within one business day as to whether his request for a public record will be honored.

(3) No denial of a request for public records shall be valid unless accompanied by a written statement, signed by the public records officer or his designee, specifying the specific reasons therefor.

[Order 73-5, § 516-11-100, filed 4/12/73.]

**WAC 516-11-110 Review of denials of public records requests.** (1) Any person who objects to the denial of a request for a public record shall petition for prompt review of such decision by tendering a written request for a review of such denial. Such written request by a person demanding prompt review shall specifically reference the written statement by the college denying that person's request for a public record.

(2) Within two business days after receiving the written request by a person petitioning for prompt review of a decision denying a public record, the president of the college or any of his designees, which for the purposes of this section may include the public records officer or the records custodians, shall consider such petition.

(3) During the course of the two business days in which the president or his designee reviews the decision of the public records officer denying the request for a public record, the president or his designee may conduct an informal hearing. During the course of such informal hearing, the president or his designee may require that the person requesting the public record appear in person at a reasonable time and place located on the campus and further explain and identify the exact nature of the public record he is seeking. Failure by the person requesting the review hearing to appear at such informal hearing shall be deemed a waiver of that person's right to insist upon completion of the review of his request within two business days. If the petitioner requesting review does appear at such informal hearing, then the period for review by the college shall be extended to a period not exceeding twenty-four hours after such person requesting review has appeared before the president or his designee.

(5) During the course of the informal hearing conducted by the president or his designee under this section, he shall consider the obligations of the college fully to comply with the intent of Initiative 276 insofar as it requires providing full public access to official records, but shall also consider the exemptions provided in section 31 of Initiative 276 and the requirement of section

29 of that same initiative insofar as it requires the college to protect public records from damage or disorganization, prevent excessive interference with essential functions of the agency, and to prevent any unreasonable invasion of personal privacy by deleting identifying details.

**WAC 516-12-420 Authority.** The board of trustees of Western Washington University is granted authority under Title 28B of the Revised Code of Washington to establish regulations to govern pedestrian and vehicular traffic and parking on the campus of the university. The administration of the parking regulations is the responsibility of the parking manager. Moving violations are the responsibility of the director of public safety.

(1) All regulations in this chapter and all motor vehicle and other traffic laws of the state of Washington will apply on the campus.

(2) The traffic code of the city of Bellingham will apply on city streets which cross the campus.

(3) The parking manager is authorized to:

(a) Issue and/or sell parking permits to employees, students, guests, visitors, and others when necessary, and to provide special parking for the physically disabled.

(b) Impose and/or suspend traffic and parking regulations and restrictions when appropriate to the mission of the university.

(c) Erect signs, barricades, and other structures to designate and mark the various parking or no parking areas on campus; and to paint marks and other directions on the streets and roadways for the regulation of traffic and parking.

(d) Establish procedures, including time schedules and deadlines, to govern the purchase of annual, academic year, and quarterly permits, and to assign the limited parking spaces.

(4) The authority conferred upon the parking manager under this chapter may be delegated by the parking manager to other personnel within the transportation and parking department under guidelines established by business and financial affairs.

(5) The university reserves the right to change or close, either temporarily or permanently, any campus parking area. Notice of change will be provided whenever practical.

**WAC 516-12-430 General regulations.** (1) The registered owner(s) and the operator of a vehicle or the person to whom a permit is issued involved in a violation of these regulations will be jointly and severally responsible for the violation.

(2) All vehicles, attended or unattended, must display a valid Western Washington University parking permit when parked on the campus unless parked in a metered parking space (with meter payment), a time-limited space, or, with approval by the parking services office, a space designated for visitors.

(3) Policy on assignments to parking lots will be established by the parking manager.

(4) If a parking permit holder cannot locate a parking space in the assigned lot, he/she may park in the nearest visitor area and then must call the parking services office. Motorcycle permit holders will go to the next nearest motorcycle lot.

(5) The university reserves the right to refuse issuance of a parking permit to anyone who has

(7) The operator of a vehicle must yield the right-of-way to pedestrians crossing streets and roadways within the campus, and at intersections or clearly marked crosswalks or city streets which cross the campus. Pedestrians must not cross any street or roadway except at an intersection or clearly marked crosswalk. Pedestrians must utilize sidewalks where provided on streets and roadways. If no sidewalk is provided, pedestrians will utilize the extreme left-hand side and move to their left and clear of the roadway or street upon meeting an oncoming vehicle.

(8) Vehicles owned by or assigned on a permanent basis to administrative units on campus and bearing "B" or "M" license plates or a university insignia may be parked in "G" or "P" lots for brief periods while the driver is on university business. Long-term parking is not permitted, nor is any parking allowed in reserved spaces except when a space is designated for that specific vehicle. University vehicles may be parked in metered spaces provided that meter regulations are observed. Violations incurred will be the responsibility of the driver. All operators of these or other state vehicles will abide by all traffic and parking regulations.

(9) No person may utilize any vehicle parked on campus as a living unit without specific approval from the parking manager. Violators will be cited and/or towed.

(10) Vehicles are to be maintained in operating condition at all times on university property. Repairs will not be made on campus unless authorization has been received in advance from the parking manager. (11) The university rents space to individuals who wish to park on campus and who are issued a parking permit. The university assumes no responsibility or liability under any circumstances for vehicles or bicycles parked on campus nor does it assume any personal liability in connection with its parking program. No bailment of any sort is created by the issuance of a permit.

(12) The person who obtains a permit is responsible for assuring that the vehicle, regardless of who drives it, is parked in conformance with these regulations.

[Statutory Authority: RCW 28B.10.560. 85-14-098 (Resolution No. 85-05), § 516-12-430, filed 7/2/85. Statutory Authority: RCW 28B.35.120(11). 83-14-014 (Order 6-02-83, Motion No. 6-02-83), § 516-12-430, filed 6/28/83, effective 9/19/83.]

(12) Resident student (C) lots are restricted to permit holders 24 hours per day.

(13) All parking spaces are defined by signs, painted surface lines, traffic "buttons," and/or wheelstops. All other areas are no parking zones. Using more than one space when parking is prohibited.

(14) The fact that other vehicles are parked improperly does not constitute a valid excuse. Should an individual parked in violation of any regulation not receive a citation, it does not indicate that such parking is authorized, that the regulation is no longer in effect, or that a future ticket is invalid.

(15) The fact that one vehicle is parked in such a manner as to occupy more than one parking space is not an acceptable excuse for another operator to do the same.

[Statutory Authority: RCW 28B.10.560. 85-14-098 (Resolution No. 85-05), § 516-12-440, filed 7/2/85. Statutory Authority: RCW 28B.35.120(11). 83-14-014 (Order 6-02-83, Motion No. 6-02-83), § 516-12-440, filed 6/28/83, effective 9/19/83.]

parking permit to the parking services office immediately.

(2) A valid permit means an unexpired parking permit authorized by the parking manager, properly registered and displayed on the vehicle.

(3) Hanging parking permits are to be displayed from the rear-view mirror according to instructions on the permit. (4) Motorcycle permits will be permanently attached to the top of the taillight. If taillight does not conform to current federal law, permits must be attached so as to be easily seen from the rear of the vehicle.

(5) The theft or loss of a parking permit should be reported immediately upon discovery.

A stolen permit will be replaced the first time at no cost providing a theft report has been filed with the public safety department. The second time the replacement fee will be \$10.00; the third time \$20.00; and thereafter at the original cost of the highest priced permit plus \$5.00.

A lost permit will be replaced the first time for \$5.00; the second time \$10.00; the third time \$20.00; and thereafter at the original cost of the highest priced permit plus \$5.00.

Recovered lost or stolen permits should be returned to the parking services office immediately.

(6) To enhance the business and operation of the university "all lots" decals or official business permits may be issued by the parking manager. Requests for all lots decals require annual written justification and the signature of the dean, director, or chairperson of the department with which the person is associated. Requests may also require the approval of the transportation and parking advisory committee. Issuance requires purchase of a "G" parking permit and permits will be in effect the same period of time. These permits are valid for brief periods of time only when on university business and are not valid in metered lots, specifically reserved spaces, or small capacity lots.

(7) Persons with a temporary or permanent physical disability who require special parking consideration must furnish to the parking manager a physician's certification of the request on forms provided by the parking services office. (This certification does not apply to persons whose vehicles bear a state-issued handicapped license or permit.)

(11) Faculty, staff, or students who have purchased a hanging parking permit but forget to place it on the vehicle they are driving to campus and those who have not purchased a permit must obtain a temporary permit from the parking services office or the visitor information center at the cost of a daily visitor permit. Temporary permits are issued for the lot assigned or, if no permit has been purchased, for available spaces, not for visitor lots.

(12) Faculty, staff, or students who purchase an annual, academic, or quarterly parking permit may use the permit on any vehicle but may not transfer ownership of the permit. The individual to whom a permit is issued is responsible for parking violations by any vehicle bearing the permit.

**WAC 516-14-200 Policy and procedure.** A parking appeals board has been established composed of one administrator, one faculty member, and one staff member, to be appointed by the administrators, faculty, and staff respectively, and four students to be appointed by the associated students. Each will be appointed for a one-year term. The board will choose its own chairperson from its members.

(1) The board will meet throughout the academic year dependent upon the volume of appeals.

(2) The parking appeals board has jurisdiction to hear and decide only those cases involving alleged violations of Western Washington University's parking regulations, chapters 516-12 and 516-13 WAC.

(3) Moving violations, violations of the motor vehicle and other traffic laws of the state of Washington, and traffic code of the city of Bellingham are referred to the Bellingham police department and district justice court.

(4) The parking appeals board may adopt its own bylaws. However, these bylaws may not conflict with the WAC or the policies and procedures of related offices except by recommendation in writing, and subsequent approval of the office involved, through established university channels. The board shall be considered autonomous to the the university governance system as to its judgment of appeals only. The board chairperson shall prepare an annual report for informational purposes to be submitted to the vice-president of business and financial affairs by May 31 each year.

(a) Payment of a parking fine shall not constitute a waiver of the right to a hearing with regard to the underlying violation.

(b) Those receiving a university parking citation may appeal the citation by completing an official appeal form

available at the parking services office. The form must be completed within seven days of the issuance of the citation or the citation will be considered valid. (WAC 516-12-480)

(c) The appeal form must include a full explanation of the basis for the appeal. The only proper basis for an appeal is a contention that the cited regulations were not violated.

(d) The parking manager (or designee) will review the appeal and may recommend dismissal of the citation. If dismissal is not recommended, the appeal will be sent to the board for adjudication. The parking manager has the authority to waive completion of the appeal form.

(d) Should a personal appearance before the board be desired, it should be indicated on the form, otherwise the citation will be adjudicated on the basis of the written submission only.

(e) If a personal appearance is requested, and the appellant cannot appear on the date scheduled, the appellant must notify the transportation and parking department in writing at least 24 hours before the scheduled time and request a new date. Only on such rescheduling is permitted. If the appellant does not appear at a scheduled hearing without notification, the appeal will be adjudicated on the basis of the written appeal only.

(f) The parking appeals board operates according to the rights of due process of law. If desired, the appellant has the right to be represented by counsel, the right to cross-examine witnesses, and the right to an open and impartial hearing.

(g) The transportation and parking department has the right to be represented at hearings and to cross-examine witnesses.

(h) The appeals board may examine witnesses for either side.

(i) At the conclusion of a hearing, and in an open meeting, the board will specify the charge(s) against the alleged violator, pronounce a judgment of guilty or not guilty as to each charge, and include a rationale for each judgment. The board has the authority to deny the appeal, void or refund the citation fine(s) in part or in full, and/or refund the towing charge(s) in part or in full, according to the pronounced judgement of guilty or not guilty.

(j) The decision of the appeals board will be in writing and will be final.

(k) Failure to comply with a decision of the parking appeals board constitutes a ground for revocation of campus parking privileges. Any unpaid fine will be deducted from any refund due as a result of revocation of parking privileges or a judgment of the board.

(l) A written record of the judgment, rationale, and fine imposed, if any, shall be furnished the transportation and parking department by the parking appeals board chairperson. These records will then be maintained by the transportation and parking department.

(m) Within the Revised Code of Washington, the alleged violator may appeal the decision of the appeals board to the state district court within ten days after written notice of the final decision has been given.

In all cases, the student is entitled to a hearing before the appropriate conduct officer or board as soon as such hearing can be held, but not to exceed five school days after the beginning date of interim suspension unless the student should request an extension. There should be written indication that such attempts at assistance have been offered and that other students or faculty or the educational mission of the university has been adversely affected by the individual's behavior.

(2) The vice-president will confer with the student to determine whether there has been such repeated disruptive behavior, and to determine an appropriate course of action. A student may bring a nonlawyer advocate to speak in his/her behalf to the meeting with the vice-president. In the absence of such an advocate, the vice-president may appoint a person to assist the student before and during the meetings with the vice-president.

- (a) Continued enrollment
- (b) Treatment to be determined by the student with the vice-president's concurrence
