WAC 174-120-020 The social contract—College philosophy. (1) **GENERAL:** Evergreen is an institution and a community that continues to organize itself so that it can clear away obstacles to learning. In order that both creative and routine work can be focused on education, and so that the mutual and reciprocal roles of campus community members can best reflect the goals and purposes of the college, a system of governance and decision-making consonant with those goals and purposes is required.

(2) **PURPOSE:**

(a) Evergreen can thrive only if members respect the rights of others while enjoying their own rights. Students, faculty, administrators, and staff members may differ widely in their specific interests, in the degree and kinds of experiences they bring to Evergreen, and in the

functions which they have agreed to perform. All must share alike in prizing academic and interpersonal honesty, in responsibly obtaining and in providing full and accurate information, and in resolving their differences through due process and with a strong will to collaboration.

(b) The Evergreen community should support experimentation with new and better ways to achieve Evergreen's goals. Specifically, it must attempt to emphasize the sense of community and require members of the campus community to play multiple, reciprocal, and reinforcing roles in both the teaching/learning process and in the governance process.

(3) **FREEDOM AND CIVILITY:** The individual members of the Evergreen community are responsible for protecting each other and visitors on campus from physical harm, from personal threats, and from uncivil abuse. Civility is not just a word; it must be present in all our interactions. Similarly, the institution is obligated, both by principle and by the general law, to protect its property from damage and unauthorized use and its operating processes from interruption. Members of the community must exercise the rights accorded them to voice their opinions with respect to basic matters of policy and other issues. The Evergreen community will support the right of its members, individually or in groups, to express ideas, judgments, and opinions in speech or writing. The members of the community, however, are obligated to make statements in their own names and not as expressions on behalf of the college. The board of trustees or the president speaks on behalf of the college and may at times share or delegate the responsibility to others within the college. Among the basic rights of individuals are freedom of speech, freedom of peaceful assembly and association, freedom of belief, and freedom from intimidation, violence, and abuse.

(4) **INDIVIDUAL AND INSTITUTIONAL RIGHTS:** Each member of the community must protect:

(a) The fundamental rights of others in the community as citizens;

(b) The right of each member in the community to pursue different learning objectives within the limits defined by Evergreen's curriculum or resources of people, materials, equipment and money;

(c) The rights and obligations of Evergreen as an institution established by the state of Washington; and

(d) Individual rights to fair and equitable procedures when the institution acts to protect the safety of its members.

(5) **SOCIETY AND THE COLLEGE:**

(a) Members of the Evergreen community recognize that the college is part of the larger society as represented by the state of Washington, which funds it, and by the community of greater Olympia, in which it is located. Because the Evergreen community is part of the larger society, the campus is not a sanctuary from the general law or invulnerable to general public opinion.

(b) All members of the Evergreen community should strive to prevent the financial, political, or other exploitation of the campus by any individual or group.

(c) Evergreen has the right to prohibit individuals and groups from using its name, its financial or other resources, and its facilities for commercial, or political activities.

(6) PROHIBITION AGAINST DISCRIMINATION: There may be no discrimination at Evergreen with respect to race, sex, age, handicap, sexual orientation, religious or political belief, or national origin in considering individuals' admission, employment, or promotion. To this end the college has adopted an affirmative action policy approved by the state human rights commission and the higher education personnel board. Affirmative action complaints shall be handled in accordance with state law, as amended (e.g. chapter 49.74 WAC [RCW]; RCW 28B.16.100; chapter 251-23 WAC).

(7) RIGHT TO PRIVACY:

(a) All members of the college community have the right to organize their personal lives and conduct according to their own values and preferences, with an appropriate respect for the rights of others to organize their lives differently.

(b) All members of the Evergreen community are entitled to privacy in the college's offices, facilities devoted to educational programs, and housing. The same right of privacy extends to personal papers, confidential records, and personal effects, whether maintained by the individual or by the institution.

(c) Evergreen does not stand in loco parentis for its members.

(8) INTELLECTUAL FREEDOM AND HONESTY:

(a) Evergreen's members live under a special set of rights and responsibilities, foremost among which is that of enjoying the freedom to explore ideas and to discuss their explorations in both speech and print. Both institutional and individual censorship are at variance with this basic freedom. Research or other intellectual efforts, the results of which must be kept secret or may be used only for the benefit of a special interest group, violate the principle of free inquiry.

(b) An essential condition for learning is the freedom and right on the part of an individual or group to express minority, unpopular, or controversial points of view. Only if minority and unpopular points are [of] view are listened to, and are given opportunity for expression will Evergreen provide bona fide opportunities for significant learning.

(c) Honesty is an essential condition of learning, teaching or working. It includes the presentation of one's own work in one's own name, the necessity to claim only those honors earned, and the recognition of one's own biases and prejudices.

(9) OPEN FORUM AND ACCESS TO INFORMATION:

(a) All members of the Evergreen community enjoy the right to hold and to participate in public meetings, to post notices on the campus, and to engage in peaceful demonstrations. Reasonable and impartially applied rules may be set with respect to time, place and use of Evergreen facilities in these activities.

(b) As an institution, Evergreen has the obligation to provide open forum for the members of its community to present and to debate public issues, to consider the

problems of the college, and to serve as a mechanism of widespread involvement in the life of the larger community.

(c) The governance system must rest on open and ready access to information by all members of the community as well as on the effective keeping of necessary records.

(d) In the Evergreen community, individuals should not feel intimidated or be subject to reprisal for voicing their concerns or for participating in governance or policy making.

(e) Decision making processes must provide equal opportunity to initiate and participate in policy making, and Evergreen policies apply equally regardless of job description, status or role in the community. However, college policies and rules shall not conflict with state law or statutory, regulatory and/or contractual commitments to college employees.

(10) POLITICAL ACTIVITIES: The college is obligated not to take a position, as an institution, in electoral politics or on public issues except for those matters which directly affect its integrity, the freedom of the members of its community, its financial support, and its educational programs. At the same time, Evergreen has the obligation to recognize and support its community's members' rights to engage, as citizens of the larger society, in political affairs, in any way that they may elect within the provision of the general law.

WAC 174-120-030 Student conduct code--Specific examples of social contract violations. In addition to the social contract, students must abide by the rules below in order to maintain community membership. Specific violations are set forth in writing in order to provide notice to students. They are not designed to define violations in exhaustive terms. Students may be accountable to both civil/criminal authorities and the college for acts which constitute violations of law occurring on or off campus.

(4) FALSE ALARMS: Intentionally causing a false police or fire alarm that involves college property or a college sponsored event.

This includes causing physical harm to any person or property on college premises or at any college sponsored activity, or causing reasonable apprehension of such harm to another person.

(7) **HOUSING CONTRACT VIOLATIONS:** Violation of residence hall contracts.

(8) **LIQUOR:** Use, possession or distribution of liquor on college property. This is not intended to apply to use by students of legal age in a residence or at a college sponsored event provided the event has an approved alcoholic beverage banquet permit (chapter 174-157 WAC, as amended). However, public appearance on campus or at any college-sponsored event while intoxicated, as defined by state law, will be considered a violation.

(9) **SMOKING:** Smoking in a prohibited area on college property as defined by college rules (WAC 174-136-160 to 174-136-170, as amended).

(10) **THEFT OR CONVERSION:** Deprivation of another's property, including college property or services, without that individual's or the college's authorization.

(11) **TRESPASS:** Unauthorized presence in or use of college premises, facilities, services or property.

[Statutory Authority: RCW 28B.40.120(12), 88-17-069 (Order 88-1, Motion No. 88-25), § 174-120-030, filed 8/18/88.]

WAC 174-120-040 Student conduct code—Corrective action. The primary purpose for imposing corrective measures is to protect the college community. Notification of corrective action shall be in writing, indicating the terms of any suspension or termination and any special conditions which must be met before readmission. Violations of WAC 174-120-030 (1) through (5), (6), (8), (10) through (12), inclusive, may result in expulsion or suspension, unless specific and significant mitigating factors are present. Factors to be considered in mitigation shall be the present demeanor and past disciplinary record of the student, as well as the nature of the offense and the severity of any damage, injury, or harm resulting from it. Repeated or aggravated violations of any rule may also result in expulsion or suspension or in the imposition of such lesser corrective measures as may be appropriate. A student's off-campus criminal conduct may also be considered in determining what discipline is warranted for similar on-campus conduct.

(1) **EXPULSION:** Permanent separation from the college and termination of community membership. The student may also be barred from college premises and/or college sponsored events.

(2) **REPRIMAND:** Warning(s) that further misconduct may result in more severe sanctions.

(3) **RESTITUTION:** Payment to the college or to other persons, groups, or organizations for damages incurred as a result of prohibited conduct.

(4) **SUMMARY SUSPENSION:** Students presenting imminent danger to themselves, others, college property and/or the educational process may be immediately suspended from the college by the president, vice president, or their designee(s) for a period of time not to exceed ten days. At the time of the suspension, the student shall be notified in writing, if possible, otherwise orally of the circumstances constituting prohibited conduct and of their right to petition for a formal hearing. If oral notification is given at the time of the summary suspension, written notification shall be personally delivered or sent to the student's last known address within 24 hours.

(5) **SUSPENSION:** Temporary dismissal from the college and temporary termination of community membership for a stated period of time, but no longer than one year. The student shall not participate in any college-sponsored activity and may be barred from college premises. Suspension implies that the student may eventually return if evidence or other assurances are presented that prohibited conduct will not be repeated.

(6) **OTHER SANCTIONS:** Other sanctions may be imposed if related to the violation. For example, extracurricular activities may be limited; registration of motor vehicles may be restricted; and/or community service may be assigned. Students may also be removed from college housing for social contract violations.

[Statutory Authority: RCW 28B.40.120(12), 88-17-069 (Order 88-1, Motion No. 88-25), § 174-120-040, filed 8/18/88.]

WAC 174-120-050 Student conduct code—Informal conflict resolution. (1) **VOLUNTARY MEDIATION/ARBITRATION:** Community members who come into conflict with one another should make a determined effort to resolve problems peacefully and constructively between themselves. To facilitate this objective, the college encourages voluntary mediation and/or arbitration through the campus mediator or any mutually agreed upon third party.

(2) **SETTLEMENT:** If the grievance officer decides to pursue a case in the name of the college, the student may accept or deny responsibility for the violation. If the student accepts responsibility, in writing, she or he may propose a sanction to resolve the case. The grievance officer may also propose a sanction. If agreement on responsibility and sanction are reached, the agreement shall be made in writing and signed by the student and grievance officer. The agreement may be withdrawn in writing, within one working day. If the agreement is not withdrawn within one working day, the student waives her or his right to a formal hearing.

(3) **SETTLEMENT AGREEMENT:** An agreement on responsibility and sanctions shall be written and contain:

(a) A description of the violation for which responsibility is accepted;

(b) The agreed sanction;

(c) Signatures of the student and the grievance officer.

(4) FAILURE TO REACH AN AGREEMENT: If no agreement is reached on responsibility or sanction, the grievance officer shall bring the case before the trier of fact or shall dismiss the case.

[Statutory Authority: RCW 28B.40.120(12). 88-17-069 (Order 88-1, Motion No. 88-25), § 174-120-050, filed 8/18/88.]

WAC 174-120-060 Student conduct code--Grievance officer. (1) PURPOSE: The basic role of the grievance office is to seek justice and not convictions. The grievance officer receives and investigates complaints and proposes corrective action, if warranted. The grievance officer has the responsibility of making a decision of who and when to charge with a violation.

(2) PROCEDURE: If the grievance officer is satisfied that sufficient evidence exists to substantiate a violation and if a settlement has not been reached, he/she shall send a notice of the formal charges, recommended corrective action and the right to a hearing to the student. If the student is charged with a violation potentially punishable by suspension or termination, the vice-president shall institute formal hearing procedures unless otherwise waived by the student. If a student is not charged with a violation potentially punishable by suspension or termination, he/she must petition the vice-president for a formal hearing within 10 days after receipt of the grievance officer's charges. If the student fails to petition the vice-president for a formal hearing, the recommended disciplinary action shall go into effect unless summary suspension has already occurred.

[Statutory Authority: RCW 28B.40.120(12). 88-17-069 (Order 88-1, Motion No. 88-25), § 174-120-060, filed 8/18/88.]

WAC 174-120-070 Student conduct code--Formal hearing notice and rights. Notice of the hearing, including a statement of the particular rules involved and matters asserted, shall be provided at least ten days before any hearing, as called for by RCW 28B.19.120(1), as amended or superseded. Both parties may submit to the designated trier of fact brief written position statements. Both parties have:

(1) The right to question witnesses; have someone appear on their behalf to defend them; and that they may have a maximum of three character witnesses appear on their behalf. The parties shall inform each other of their witnesses and representatives at least three days before the hearing. Representatives may not appear in lieu of the student charged.

(2) The right to have subpoena(s) issued by the vice-president and/or trier of fact, subject to a convincing showing of the general relevance and reasonable scope of the evidence sought;

(3) That failure to appear will result in a default judgment. Failure to provide a list of witnesses or/and the name(s) of their representatives at least three days before the hearing will result in disqualification of those witnesses and/or representatives.

[Statutory Authority: RCW 28B.40.120(12). 88-17-069 (Order 88-1, Motion No. 88-25), § 174-120-070, filed 8/18/88.]

WAC 174-120-080 Student conduct code--Formal procedures. (1) GENERAL: Students have a right to a fair and impartial hearing on any charge of prohibited conduct potentially punishable by suspension or termination. Pursuant to state law, the college president authorizes the vice-president to determine the trier of fact. Unless the vice-president determines otherwise, the formal hearing shall be conducted by the hearing board. Any such hearing shall be conducted pursuant to state law, RCW 28B.19.110 - 28B.19.150, as amended or superseded. Hearings will be closed to the public, except for the immediate members of the student's family and his/her representative. An open hearing may be held, in the discretion of the trier of fact, if requested by the student.

(2) CHALLENGES: Each party has the right to one preemptory challenge. Any party may challenge any trier of fact based on cause, such as personal bias. The hearing board advisor may also challenge a hearing board committee member. Except for preemptory challenges, hearing board members may be disqualified upon majority vote of the remaining board members. The trier(s) of fact should not discuss the case outside of the hearing, and shall base their decision upon the evidence presented at the hearing.

(3) BURDEN OF PROOF: The burden of proof shall be on the college which must establish, by a preponderance of the evidence, that the student is responsible for a violation of these rules.

(4) FORMAL RULES OF EVIDENCE DO NOT APPLY: Formal procedural rules of evidence shall not be applicable nor shall harmless procedural errors necessarily invalidate a decision or proceeding, unless significant prejudice to the rights of the student or the college would result. The trier of fact shall recognize rules of confidentiality and privilege, but shall otherwise admit all matters into evidence which reasonable persons would accept as having probative value in the conduct of their affairs. Undue repetitious or irrelevant evidence may be excluded. Illegally obtained evidence cannot be used.

(5) FINAL DECISION: The trier of fact shall reach a final decision within 30 days of receipt of the petition or within 15 days of the close of the hearing, whichever is greater. Final decisions of the hearing board shall be by majority vote of the members present and voting. The trier of fact's written findings and conclusions shall be delivered to the student by hand or certified mail to his/her last known address.

(6) STATUS PENDING FINAL ACTION: Except in cases of summary suspension, the student's status shall not be altered pending final decision by the trier of fact.

The department of information services (DIS) of the state of Washington has acquisition authority for computing equipment, software and supportive services. The DIS has delegated the authority for purchases of computing resources up to \$50,000 to the director of computer services at the college.

(1) The director of computer services must sign all purchase requisitions for computing resources. Computer services must submit a monthly report describing acquisition activity to the DIS. Normally, all computing resources must be competitively acquired via a bidding process (RCW 43.19.190 et seq.; chapter 43.105 RCW; as amended).

(2) For acquisitions in excess of \$50,000 approval must be obtained from the department of information services through the director of computer services. Normally, a formal acquisition plan will be required with a cost/benefit analysis.

[Statutory Authority: RCW 28B.40.120(12). 89-01-063 (Order 88-4, Resolution No. 88-41), § 174-132-040, filed 12/19/88.]

WAC 174-132-050 Academic computing. (1) General philosophy The Evergreen State College has a strong commitment to a liberal arts education in which students develop fundamental intellectual abilities and problem-solving techniques rather than merely acquire knowledge of a particular body of facts. Out of this educational philosophy and the growing importance of the computer as an analytic tool and as a social phenomenon, computer services has a strong commitment to supporting Evergreen students with a variety of computer resources. Evergreen's modes of study are highly individualized, interdisciplinary, and project oriented.

(a) That they are individualized implies that the college attempts to serve students having widely differing abilities, motivations, and interests and must call on all available resources within the college to provide breadth.

(b) That they are interdisciplinary implies that much instruction is a team effort involving the coordination of staff, faculty, and material resources directed at a student interest group rather than a traditional discipline.

(i) That they are project-oriented implies that many students are involved in work on real-world problems. In order to equitably provide such resources to the Evergreen community, a set of general and specific operational policies are required.

[Statutory Authority: RCW 28B.40.120(12). 89-01-063 (Order 88-4, Resolution No. 88-41), § 174-132-050, filed 12/19/88.]

WAC 174-132-060 General policies. (1) All students, faculty, and staff at The Evergreen State College are provided with free or low cost access to the academic computing resources with academic usage limited by available resources.

(2) No commercial work of any kind will be accepted. It is contrary to the intent of this policy and to state law for college computing resources to be used for the direct personal financial gain (real or intended) of any individual.

(3) TESC computer services recognizes that the TESC modes of study are in many ways unique. Consequently, computer services is committed to a policy of flexibility in meeting the needs of TESC students, faculty, and staff.

(4) Academic computing resources are provided to currently enrolled students to facilitate program research and project completion. Computer-oriented credit-generating programs, when computer resources are limited, have priority access to computing resources. Otherwise, an open access policy prevails circumscribed by necessary class/lab and exercise practice reserve times.

[Statutory Authority: RCW 28B.40.120(12). 89-01-063 (Order 88-4, Resolution No. 88-41), § 174-132-060, filed 12/19/88.]

WAC 174-132-070 Privacy. A student's data, existing in an academic computer account, will be released to a third party only when required by law (rather than not being released only when prohibited by law). Student accounts on academic computing systems will be administered and reviewed by academic computing staff as required for system management and administration.

WAC 174-132-080 Abuse of college computing resources. Users of computer services are expected to use its resources in a responsible manner and with regard for other user rights. Computer services relies on peer pressure, individual responsibility, Evergreen rules and policies, and the general body of law to prevent abuse of the college's computing resources.

WAC 174-132-100 Account usage and lifetimes. As a user of academic computing resources and a participatory member of the user community, the account holder agrees to abide by current rules and procedures for utilization of computing resources available through academic computing; the account holder agrees to abide by all of the rules and policies established by TESC and computer services.

(1) Further, the account holder will hold account access/usage to himself/herself and not loan or authorize any other person usage of the account. Failure to comply will result in immediate termination of the account and contents and loss of computing access privileges. The college may also require reimbursement of costs which, if not paid, may necessitate further disciplinary action, as provided for by college rules including, but not limited to, withholding transcripts, registration denial, suspension or expulsion.

(2) Student accounts, with program suffixes, will exist on an academic system as long as a student is enrolled in the particular program or course. Generic student accounts will exist for one quarter after the student is no longer registered as an Evergreen student or is matriculated. Backed-up account data will be maintained for one year after a student is no longer registered as an Evergreen student; system changes and updates may prevent the data from being reloadable.

WAC 174-132-110 Administrative computing. General administrative computing provides computing support to administrative users in the areas of systems and programming, microcomputer acquisitions, training and support, office automation, data communications and computer operations.

(1) Policies administrative users are not billed for computer support. Funding is secured via the college budget request process. Allocations of resources are made in consultation with the administrative computing users group, president and vice presidents.

(2) Software developed for administrative computing at Evergreen will be made available to other state institutions. Likewise, Evergreen will seek to purchase software and to use common systems such as the Washington community college consortium payroll/personnel system when they are cost effective for the college.

(3) Administrative computing will support a small number of commonly used microcomputers and

microcomputer software such as Wordperfect and Lotus 1-2-3 and will encourage standardization of hardware and software used on campus.

(4) In the interest of providing high quality and reliable services, administrative computing will work with DIS and electronic maintenance and engineering to acquire maintenance contracts on major computing hardware and software in situations where it is not cost-effective or feasible to maintain the hardware and software on campus. Reliance on electronics maintenance and engineering will be made for maintenance of communications equipment, microcomputers, printers and other commonly used equipment.

WAC 174-132-120 Requests for services. Requests for systems development services are initiated by users and must include the following information:

(1) Description and scope of the project and objectives to be accomplished;

(2) Benefits to be realized including quantified cost savings as well as intangible benefits;

(a) Contact for additional information;

(b) Desired implementation date;

(c) Authorizing/approving signatory;

(d) Approval/request date.

(3) Administrative computing will assess the operational, technical and economic impact of the request and develop a preliminary estimate of costs including labor, computing, telecommunications and ongoing operational costs. This information will then be reviewed with the requesting user and prioritized.

(4) Requests for access/connection to computing resources are initiated by users and include:

(a) Date, unit, person to contact, location/room telephone number;

(b) Number and type of devices to be connected;

(c) Purpose and justification.

(5) Administrative computing assesses the technical requirements such as system load and configuration and coordinates the request with electronic maintenance and engineering and the individuals responsible for access to data bases. The request is then reviewed with the requesting user for development of an implementation schedule if the connection is feasible and resources are available.

THE EVERGREEN STATE COLLEGE LIBRARY CIRCULATION POLICY (FACILITIES PLANNING AND UTILIZATION POLICY)

WAC 174-136-060 Access and use of library resources. Any person has access to the public areas of the library. Library resources (except those noted below) may be borrowed by members of the Evergreen community with a valid Evergreen State College identification card, and by members of the local community who have suitable identification (e.g., driver's license).

[Statutory Authority: RCW 28B.40.120(12), 89-01-064 (Order 88-5, Resolution No. 88-43), § 174-136-060, filed 12/19/88; Order 72-2, § 174-136-060, filed 6/16/72.]

WAC 174-136-070 Repealed. See Disposition Table at beginning of this chapter.

WAC 174-136-080 Loan periods and fines. (1) GENERAL USE LIBRARY RESOURCES (PRINT AND NON-PRINT).

(a) Due dates will not exceed one academic quarter. Requests for extended loan periods should be cleared through the head of circulation. Renewals should be requested before due date.

(b) Users are guaranteed the use of the material for ten days, after which it may be recalled to meet the needs of another user. A \$5.00 service charge will be levied if the recall due date is not honored. If an item is not returned within 60 days, a replacement charge and processing fee will be levied.

(2) Limited use library resources.

(a) Limited use library resources (e.g., video tapes) will only be loaned for specific periods.

(b) Slides are checked out for showings only.

(c) 16mm films and video cassettes will be checked out for showings only and are circulated through the services of the Washington state film library.

(d) Media services resources.

(i) The first priority for use of media services resources is for coordinated and contracted studies. Resource requests will be handled by and administered in accordance with policy formulated by the coordinator of media services.

(ii) Charges consistent with current commercial rates will be made to users outside The Evergreen State College community and to nonacademic workshops, seminars, conferences or self-sustaining programs.

(e) Portable media loan equipment. Media loan circulates audio/visual equipment to students, staff, and faculty of the college to support academic work and college business. The first priority for use of media loan resources is for coordinated and contracted studies. Borrowers are liable for loss or damage of equipment and any associated processing fees.

(i) Media loan reserves the right to deny privileges if a borrower is in violation of state operating procedures (see media loan policy statement). Campus security may be asked to contact the borrower in cases where equipment is more than two weeks overdue.

(ii) To assure borrowers that equipment will be available for reservations, overdue fines will be assessed for late equipment. Fines are uniform regardless of the kind of equipment. A \$3 charge per transaction will be levied when equipment is one day overdue. A \$5 additional charge will be levied once a week for the next two weeks. If equipment is more than two weeks overdue, the borrower may lose privileges and \$20 weekly fines (up to the cost of the items) will be assessed until the equipment is returned.

(iii) If the borrower keeps equipment out over the end of the academic quarter, the replacement cost and a two dollar service fee will be charged to his or her account. This replacement fee will be rescinded when the equipment is returned, but accumulated overdue fees and service fees will be not rescinded.

(iv) When equipment is returned and all fees and charges have been paid, a borrower may make an appointment with the Head of Media Loan to review policies and procedures in order to determine if borrowing privileges may be restored.

(v) Late fees, replacement charges and service fees are deposited in a library account for replacement of media loan equipment.

(vi) Charges will be made to funded workshops, seminars, conferences or self-sustaining programs. Charges will be consistent with current commercial rates.

(vii) Borrowers may be required to carry insurance for large packages of equipment (the college has no insurance). Insurance is a requirement if equipment is to leave the country.

(f) Other library resources can circulate by special arrangement with the head of circulation or appropriate account manager and are subject to recall and replacement charges.

(3) Borrowers who repeatedly ignore the rights of other borrowers or abuse the responsibilities inherent in sharing library resources with the rest of the Evergreen community, shall be denied the privilege of borrowing those resources for the remainder of the quarter.

[Statutory Authority: RCW 28B.40.120(12). 89-01-064 (Order 88-5, Resolution No. 88-43), § 174-136-080, filed 12/19/88; Order 72-2, § 174-136-080, filed 6/16/72.]

WAC 174-136-090 Lost and damaged library resources. (1) The borrower is responsible for loss.

(2) The borrower is responsible for damage.

(3) The borrower is responsible for the proper operation of media loan equipment.

(4) It is the borrower's responsibility to pay for lost resources before the end of the quarter. The cost of lost resources shall be their replacement value and a processing fee (\$12.00 for library books).

[Statutory Authority: RCW 28B.40.120(12). 89-01-064 (Order 88-5, Resolution No. 88-43), § 174-136-090, filed 12/19/88; Order 72-2, § 174-136-090, filed 6/16/72.]

PET POLICY

WAC 174-136-300 Pet policy—Purpose. This policy and its implementation procedures intend to govern the control and treatment of pets and other animals on and in The Evergreen State College's campus and buildings. This policy expects that pets and other animals must at all times be treated with due care and consideration for their well being. This policy allows for a pet-owner initiated formation of a pet owner's association which could in its charter provide for:

- (1) Complaint resolution about enforcement;
- (2) Support for enforcement activities;
- (3) Fund-raising and advocacy for the renovation/expansion of kennels and/or a large enclosed dog run subject to facilities approval.

[Statutory Authority: RCW 28B.40.120(12). 88-17-071 (Order 88-2, Motion No. 88-26), § 174-136-300, filed 8/18/88.]

WAC 174-136-310 Pet policy—Definitions. (1) "Pets and other pet animals" means any animal other than:

- (a) A human being;
 - (b) A caged bird; and
 - (c) A fish in an aquarium.
- (2) "Physical control" means control by means of a leash, cage, bridle, bowl, or other restraining device held by or leading from the pet animal to the owner or keeper. Voice control or indirect control by, for example,

tying a leash to a railing, shall not constitute physical control.

(3) "Owner or keeper" means the person the pet or other animal is accompanying.

[Statutory Authority: RCW 28B.40.120(12). 88-17-071 (Order 88-2, Motion No. 88-26), § 174-136-310, filed 8/18/88.]

WAC 174-136-320 Pet policy--Animal control. All persons bringing animals onto college property shall be subject to Thurston County Code 9.10.050 et seq., as amended, relating to the keeping and control of pet animals. Pets and other animals will not be allowed in campus buildings except for: Guide animals accompanying disabled persons; shows or other similar approved events; or research or other study of animals sponsored as part of the instructional program. Pets and other animals may be on campus only when under the physical control of their owners or keepers. No animal shall be permitted to run at large; animals left tied up in the absence of the owner shall not be considered under direct control but, rather, to be running at large. Any pet animal found in a college building, or on campus not under direct physical control is subject to impounding according to provisions of the Thurston County Code, as amended, attached to and made a part of this policy.

[Statutory Authority: RCW 28B.40.120(12). 88-17-071 (Order 88-2, Motion No. 88-26), § 174-136-320, filed 8/18/88.]

WAC 174-136-330 Pet policy--Enforcement. Any pet or other animal in a college building, or on the campus, not under the direct physical control of its owner or keeper, is subject to impounding by the campus police chief or his/her designee. Owners or keepers may be subject to disciplinary action. Although principal responsibility rests with campus security, community support is urged in reminding pet owners of their obligation if a violation is observed by a community member. Impounded animals may be turned over to the Thurston County animal control if left unclaimed, and fines may be imposed by county animal control.

[Statutory Authority: RCW 28B.40.120(12). 88-17-071 (Order 88-2, Motion No. 88-26), § 174-136-330, filed 8/18/88.]
