All bicycle owners are encouraged to register their bicycles at the university police department.

(2) Bicycles shall be parked in racks. - (2) If the alleged violator chooses to forfeit the fine(s) he or she may do so by mail, forwarding the appropriate amount by check or money order or bringing such amount in cash to the university parking violations division. Such forfeiture shall constitute a waiver of the right to a hearing.
- (3) If the alleged violator chooses to contest, he or she may do so by contacting the parking violations division and requesting a date to appear in court. Such request may be made by telephone, mail or in person.
- (4) If an alleged violator has received one or more parking violation notice(s) amounting to \$20.00 or more and has neither paid the fines nor requested a court date, the parking violations division shall send a notice of election to forfeit or contest to the alleged violator not less than seven calendar days following service of the unanswered summons or parking violations notice. This notice shall direct the individual to either (a) pay the fine in the amount specified or, (b) request an appearance before the university parking court. Such action must be taken within ten calendar days of the date the

notice of election to forfeit or contest was posted. Failure to comply with either (a) or (b) within the specified time limit will result in a default judgment, and the university parking judge may impose such penalty or fines appropriate under the schedule of fines established pursuant to WAC 478-116-520.

(5) Failure of an alleged violator to appear in the university parking court on the date set or to apply for a continuance of the hearing date or to pay and forfeit fines prior to the hearing date shall, unless lawful excuse is established before the university parking court, constitute a plea of guilty to the complaint or information and such penalty or fine may be imposed by the parking judge as is appropriate under the schedule of fines established pursuant to WAC 478-116-520.

[Statutory Authority: RCW 28B.10.560 and 28B.20.130. 87-16-037 (Order 87-1), § 478-116-450, filed 7/28/87, effective 9/1/87. **WAC 478-116-520 Fines and penalties.** (1) The fines or penalties which may be assessed for violations of these regulations are those detailed in WAC 478-116-601.

(2) Fines.

(a) Persons cited for violation of these regulations may respond either by arranging for a university parking court date or by paying and forfeiting a fine within fifteen calendar days of service of the citation in accordance with WAC 478-116-450. Forfeitures submitted by mail must be postmarked within fifteen calendar days of the date of issue of the citation in order to avoid additional penalties.

(b) An additional fine of \$7.00 per offense shall be assessed for each parking citation which is not responded to within the fifteen calendar day limit provided in WAC 478-116-520 (2)(a).

(c) The manager of the parking division shall cause these regulations or a reasonable summary thereof to be:

(i) Published in the University of Washington *Daily* at least twice each calendar year.

(ii) Prominently displayed in the offices of the university parking violations division, the university police department, and the parking division.

(d) The fine schedule shall be printed on the parking violation notices served on alleged violators.

(3) In any case where an alleged violator within a period of three months or less has a combined total of five or more violations with respect to which he/she has either forfeited the fine or been convicted of the violation, the parking judge may, in addition to whatever fines are appropriate under the applicable fine schedule, impose the following sanctions:

(a) Suspension of permit parking privileges on campus for a specified time;

(b) Direct a report of the offense to be forwarded to the appropriate dean or administrative officer.

**WAC 478-116-582 Impoundment for failure to pay fines.** Any vehicle may be impounded for outstanding fines when, after fifteen calendar days after judgment of the university parking court imposing liability for fines, the owner has neither paid such fines nor requested a hearing before the university parking court to contest the judgment. In no case shall failure to comply with a judgment of the parking court constitute grounds for impoundment unless notice is sent to the registered owner or alleged violator prior to the hearing informing him of the violations with which he/she was charged and of his/her right to elect between paying the fine prior to the date set for hearing before the parking court or appearing on that date to contest such fines. Such notice shall clearly indicate that failure to respond by either payment of the fines or appearance in court will result in a judgment against the owner and that failure to comply with an order of the parking court will subject the vehicle to impoundment if it is found parked on university lands.

[Statutory Authority: RCW 28B.10.560 and 28B.20.130. 87-16-037 (Order 87-1), § 478-116-582, filed 7/28/87, effective 9/1/87. **WAC 478-116-584 Impoundment without prior notice.** A vehicle may be impounded without reasonable attempt having been made to notify the owner of the possibility of this action only in the following circumstances:

- (a) When in the judgment of a university police officer the vehicle is obstructing or may impede the flow of traffic, or is parked unattended in a posted fire lane, or
- (b) When in the judgment of a university police officer the vehicle poses an immediate threat to public safety, or
- (c) When a university police officer has probable cause to believe the vehicle is stolen, or
- (d) When a university police officer has probable cause to believe that the vehicle contains or constitutes evidence of a crime, and in his judgment impoundment is necessary to obtain or preserve such evidence.
- (e) When a driver is arrested and/or deprived of the right to leave with his/her vehicle, and the university police are responsible for the "safekeeping" of the vehicle.

[Statutory Authority: RCW 28B.10.560 and 28B.20.130. 87-16-037 (Order 87-1), § 478-116-584, filed 7/28/87, effective 9/1/87. Statutory Authority: RCW 28B.10.560. 78-07-019 (Order 78-3), § 478-116-584, filed 6/15/78; Order 76-3, § 478-116-584, filed 10/6/76.]

**WAC 478-116-588 Notice and redemption of impounded vehicles.** (1) Not more than twenty-four hours after impoundment of any vehicle, the University of Washington police department shall mail a notice to the registered owner of the vehicle, as may be disclosed by the vehicle license number, if such be obtainable, and to any other person who claims the right to possession of

the vehicle, if such a claim is known to an officer, agent or employee of the University of Washington police department who has knowledge of the impoundment. The notice shall be mailed to the registered owner at the address provided by the Washington state department of licensing or the corresponding agency of any other state or province. If a police officer who has knowledge of the impoundment has reason to believe that an owner, or one who claims to be an owner, is residing or in custody at some different address which is known to the officer, a copy of the notice shall be mailed or personally delivered to such owner or claimant in a manner designed, as nearly as may be practicable, to give actual notice to him or her. The notice shall contain the full particulars of the impoundment, redemption, and an opportunity for a hearing to contest the propriety of the impoundment as hereinafter provided.

Similar notice shall be given to each person who seeks to redeem an impounded vehicle. If a vehicle is redeemed prior to the mailing of notice, the notice need not be mailed.

(2) Vehicles impounded shall be redeemed only under the following circumstances:

(a) Only the registered owner who has a valid driver's license or person authorized by the registered owner who has a valid driver's license and who produces proof of authorization and signs a receipt therefor, may redeem an impounded vehicle.

(b) Any person so redeeming a vehicle impounded shall pay the cost of such impoundment (towing and storage), together with such fines as are outstanding against the vehicle if impoundment was made pursuant to WAC 478-116-582 prior to redemption, except as provided in subsection (c) of this regulation.

(c) Any person seeking to redeem a vehicle impounded under WAC 478-116-582, 478-116-584 or 478-116-586 has a right to a hearing to contest the validity of impoundment or the amount of towing and storage charges and shall have his or her vehicle released upon making a written request for a hearing to the university parking court, paying any outstanding fines, and executing a promissory note, naming the University of Washington as payee, in an amount to include both the costs of towing and storage and a civil penalty of fifty dollars which promissory note shall immediately become due and owing in the event such person either:

- (i) Fails to appear at the requested hearing, or
- (ii) Fails to pay by 6:00 p.m. the next business day following the hearing any towing and storage charges for which such person may be found liable.

(A) In addition to any other penalty which may be imposed as a result of actions described in subsections (i) or (ii), campus parking privileges shall be suspended until all such debts are paid.

(B) The promissory note shall be automatically cancelled and discharged when a person either:

- (i) Pays the towing and storage charges and cancels his or her request for a hearing, or
- (ii) Pays the towing and storage charges by 6:00 p.m. the next business day after having been found liable therefore at the hearing provided for in this section.

(2) Faculty, staff, registered or official student organizations may use university facilities to present educational forums regarding ballot propositions and/or candidates who have filed for public office as long as the audience is limited to university faculty, staff and students. However, state law (RCW 42.17.130) prohibits "the use of any of the facilities of a public office or agency, directly or indirectly, for the purpose of assisting a campaign for election of any person to any office or for the promotion of or opposition to any ballot proposition."

(3) University facilities may not be used for private or commercial purposes such as sales, advertising, or promotional activities unless such activities serve an educational purpose, as determined by the committee on the use of university facilities.

(4) The distribution of handbills, pamphlets and similar materials is not permitted in those areas of campus to which access by the public is restricted or where such distribution would significantly impinge upon the primary business being carried on. Handbills and similar printed materials may not be left in the *Daily* distribution boxes or left for distribution anywhere else on campus.

(5) Charitable solicitation is not permitted in those areas of the campus to which access by the public is restricted or where such solicitation would significantly impinge upon the primary business being carried on.

(6) Electronic amplification on the grounds of the campus is prohibited with the following exceptions:

Use of the student union building lawn site will be available to registered or official student organizations and faculty or staff groups on a first-come, first-served basis. The amplification system will be issued upon presentation of a currently valid student, faculty or staff identification card at the Student Union Reservation Office, 104C Student Union Building.

(b) The committee on the use of university facilities may grant permission, under special circumstances, for the use of other amplification equipment on the lawn site west of the student union building or in other outdoor locations. Permission should be requested through the Secretary to the Committee, 400 Administration Building (AI-10), 543-2560, sufficiently in advance of the program to allow timely consideration.

**WAC 479-13-025 Six-year financial plan.** At the beginning of each biennium the board shall update their six-year financial plan to determine the amount of estimated revenue to be available for new project starts in the ensuing biennium. The estimate of funds for new project starts shall take into consideration programming of funds after July 1, 1987, for projects approved by the board for the preliminary phase where construction funding approval is pending.

[Statutory Authority: Chapter 47.26 RCW. 87-21-068 (Order 87-01, Resolution No. 955), § 479-13-025, filed 10/19/87.]

**WAC 479-13-035 Value engineering study requirements.** A value engineering (VE) study shall be required on all urban arterial board projects whose total cost exceeds one million dollars as reflected in the six-year program. Upon request from a local agency, the board may grant a variance from this requirement. The board may also require a VE study for a project whose total cost is one million dollars or less upon a determination by the board that a VE study is warranted.

An agency that proposes to obtain a variance from the requirement shall submit justification to the board by the first day of the month preceding the month in which project authorization is proposed unless a later receipt date is specified and permitted, in writing, by the chairman.

The board shall not authorize funds for a project until the VE study has been performed by an interagency study team approved by the board.

The VE study shall be accomplished in accordance with the following requirements:

(1) The team will be jointly selected by the urban arterial board staff and the local agency and approved by the board. The team should consist of five to seven individuals, including a facilitator, with diverse backgrounds and carefully selected to assure a variety of creative input. The team should not include members who have had previous intimate involvement with the project. The local agency will designate the agency official who has the responsibility for considering and implementing the VE recommendations provided by the study team.

(a) At least one member should be a nonengineer to give greater objectivity to the VE study.

(b) The public works department and/or financial managers of the local agency should have representation on the team.

(c) At least one member must be from an outside governmental agency.

(d) Team members may be suitably qualified individuals from the community.
