**WAC 106-08-260 Depositions and interrogatories in contested cases—Authorization.** A party desiring to take the deposition of any person upon oral examination shall give reasonable notice of not less than three days in writing to the agency and all parties. The notice shall state the time and place for taking the deposition, the name and address of each person to be examined, if known, and if the name is not known, a general description sufficient to identify him or the particular class or group to which he belongs. On motion of a party upon whom the notice is served, the agency may for cause shown, enlarge or shorten the time. If the parties so stipulate in writing, depositions may be taken before any person, at any time or place, upon any notice and in any manner and when so taken may be used as other depositions.

[Order 3244, § 106-08-260, filed 12/8/71.]

**WAC 106-08-270 Depositions and interrogatories in contested cases—Protection of parties and deponents.** After notice is served for taking a deposition, upon its own motion or upon motion reasonably made by any party or by the person to be examined and upon notice and for good cause shown, the agency may make an order that the deposition shall not be taken, or that it may be taken only at some designated place other than that stated in the notice, or that it may be taken only on written interrogatories, or that certain matters shall not be inquired into, or that the scope of the examination shall be limited to certain matters, or that the examination shall be held with no one present except the parties to the action and their officers or counsel, or that after being sealed, the deposition shall be opened only by order of the agency, or that business secrets or secret processes, developments, or research need not be disclosed, or that the parties shall simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the agency; or the agency may make any other order which justice requires to protect the party or witness from annoyance, embarrassment, or oppression. At any time during the taking of the deposition, on motion of any party or of the deponent and upon a showing that the examination is being conducted in bad faith or in such manner as unreasonably to annoy, embarrass, or oppress the deponent or party, the agency may order the officer conducting the examination to cease forthwith from taking the deposition, or may limit the scope and manner of the taking of the deposition as above provided. If the order made terminates the examination, it shall be resumed thereafter only upon the order of the agency. Upon demand of the objecting party or deponent, the taking of the deposition shall be suspended for the time necessary to make a motion for an order.

[Order 3244, § 106-08-270, filed 12/8/71.]

**WAC 106-08-280 Depositions and interrogatories in contested cases—Oral examination and cross-examination.** Examination and cross-examination shall proceed as at an oral hearing. In lieu of participating in the oral examination, any party served with notice of taking a deposition may transmit written cross interrogatories to the officer who, without first disclosing them to any person, and after the direct testimony is complete, shall propound them seriatim to the deponent and record or cause the answers to be recorded verbatim.

[Order 3244, § 106-08-280, filed 12/8/71.]

**WAC 106-08-290 Depositions and interrogatories in contested cases—Recordation.** The officer before whom the deposition is to be taken shall put the witness on oath and shall personally or by someone acting under his direction and in his presence, record the testimony by typewriter directly or by transcription from stenographic notes, wire or record recorders, which record shall separately and consecutively number each interrogatory. Objections to the notice, qualifications of the officer taking the deposition, or to the manner of taking it, or to the evidence presented or to the conduct of the officer, or of any party, shall be noted by the officer upon the deposition. All objections by any party not so made are waived.

[Order 3244, § 106-08-290, filed 12/8/71.]

**WAC 106-08-300 Depositions and interrogatories in contested cases—Signing attestation and return.** (1) When the testimony is fully transcribed the deposition shall be submitted to the witness for examination and shall be read to or by him, unless such examination and reading are waived by the witness and by the parties. Any changes in form or substance which the witness desires to make shall be entered upon the deposition by the officer with a statement of the reasons given by the witness for making them. The deposition shall then be signed by the witness, unless the parties by stipulation waive the signing or the witness is ill or cannot be found or refuses to sign. If the deposition is not signed by the witness, the officer shall sign it and state on the record the fact of the waiver or of the illness or absence of the witness or the fact of the refusal to sign together with the reason, if any, given therefor; and the deposition may then be used as fully as though signed, unless on a motion to suppress the agency holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

(2) The officer shall certify on the deposition that the witness was duly sworn by him and that the deposition is a true record of the testimony given by the witness. He shall then securely seal the deposition in an envelope endorsed with the title of proceeding and marked "Deposition of (here insert name of witness)" and shall promptly send it by registered or certified mail to the agency for filing. The party taking the deposition shall give prompt notice of its filing to all other parties. Upon payment of reasonable charges therefor, the officer shall furnish a copy of the deposition to any party or to the deponent.
WAC 106-08-310 Depositions and interrogatories in contested cases—Use and effect. Subject to rulings by the agency upon objections a deposition taken and filed as provided in this rule will not become a part of the record in the proceeding until received in evidence by the agency upon its own motion or the motion of any party. Except by agreement of the parties or ruling of the agency, a deposition will be received only in its entirety. A party does not make a party, or the privy of a party, or any hostile witness his witness by taking his deposition. Any party may rebut any relevant evidence contained in a deposition whether introduced by him or any other party.

WAC 106-08-320 Depositions and interrogatories in contested cases—Fees of officers and deponents. Defendants whose depositions are taken and the officers taking the same shall be entitled to the same fees as are paid for like services in the superior courts of the state of Washington, which fees shall be paid by the party at whose instance the depositions are taken.

WAC 106-08-330 Depositions upon interrogatories—Submission of interrogatories. Where the deposition is taken upon written interrogatories, the party offering the testimony shall separately and consecutively number each interrogatory and file and serve them with a notice stating the name and address of the person who is to answer them and the name or descriptive title and address of the officer before whom they are to be taken. Within ten days thereafter a party so served may serve cross-interrogatories upon the party proposing to take the deposition. Within five days thereafter, the latter may serve redirect interrogatories upon the party who served cross-interrogatories.

WAC 106-08-340 Depositions upon interrogatories—Interrogation. Where the interrogatories are forwarded to an officer authorized to administer oaths as provided in WAC 106-08-250 the officer taking the same after duly swearing the deponent, shall read to him seriatim, one interrogatory at a time and cause the same and the answer thereto to be recorded before the succeeding interrogatory is asked. WAC 106-72-015 Annual workforce analysis. (1) The affirmative action office will conduct an annual workforce analysis for each department and a separate utilization analysis for minorities and women in each major job group. If underutilization exists, the university will set forth specific goals and timetables for minorities and women. Underutilization is defined as "having fewer women or minorities in a particular job than would reasonably be expected by their availability." (Higher Education Guidelines, Executive Order 11246.)

(2) The university and each organizational unit will make every possible effort to recruit and employ qualified minorities and women to fill vacancies in order to achieve its goals, searching for personnel in areas and channels previously unexplored to the extent necessary to overcome underutilization. Before each vacancy can be officially filled, a designee of the affirmative action office or the personnel and benefits office must certify that the appropriate recruitment and hiring procedures have been followed.

[Statutory Authority: RCW 28B.19.050 and 28B.35.120(11). 86-23-007 (Order 59), § 106-72-015, filed 11/7/86.]

The university shall include in the bid specifications for a public works contract a requirement that the prospective contractor and his subcontractors must agree to take affirmative action to employ minority group workers in the performance of the contract. The bid specifications shall express as precisely as possible what affirmative action a contractor will be obligated to take.

[Statutory Authority: RCW 28B.19.050 and 28B.40.120. 78-08-011 (Order 39), § 106-72-130, filed 7/11/78; Order 3274, § 106-72-130, filed 12/6/71.]

A sincere effort, however, must be made by those employing such students that the student work force be composed of a significant number of minority students and members of both sexes. Job placement and opportunity for promotion shall be no different for one student than for another but shall be solely a matter of competence.

[Statutory Authority: RCW 28B.19.050 and 28B.40.120. 78-08-011 (Order 39), § 106-72-150, filed 7/11/78; Order 3274, § 106-72-150, filed 12/6/71.]

WAC 106-72-220 Procedures, rules, and regulations—Academic program. It shall be the goal of this university to recruit and enroll a student body which reflects a significant number of minority group members. The test for significance shall be determined by the percentage of such minority groups in the population of the state. The university shall, in the fulfillment of this goal, make special efforts within its financial resources to bring about this desired student mix.

No students are to be given special consideration in fulfilling graduation requirements at the university, except as may be available for all students through established university policy.

(1) A person who believes he or she has been discriminated against by Central Washington University because of race, color, ethnic background, religion, national origin, sex, physical or mental handicap, or Vietnam era or disabled veteran status is encouraged to utilize the grievance procedures provided by Central Washington University. There are informal and formal means of addressing complaints through the affirmative action office. These should be used as soon as possible after the alleged act of discrimination.

(2) All persons who seek the advice and assistance of the affirmative action office shall have explained to them the informal and the formal grievance procedures available to them through the university as well as the existence of external complaint procedures available through state and federal agencies. Students are encouraged to discuss the matter with the appropriate department chair, dean, or the dean of students. The matter may be concluded by mutual consent at this point. However, complainants should feel free to bring the alleged act of discrimination to the attention of the director of affirmative action at any time.

(2) Any person may contact the affirmative action office for informal discussion, advice, and assistance. These contacts are kept confidential. The affirmative action director or a designee will assist the complainant(s) in determining whether there exists any
relationship of the complaint to civil rights legislation and the university's affirmative action program.

(3) With the consent of the complainant, there may be facilitation or informal intervention by the affirmative action director or a designee. Discussion of the grievance by the affirmative action director or a designee with the immediate supervisor of the respondent may follow the visit to the affirmative action office by the complainant. The discussion between the director of affirmative action and the immediate supervisor shall be confidential. The complainant may choose to participate in this discussion at his/her option. At this time it shall be the option of the director of affirmative action to notify the respondent's next higher supervisory authority of the complaint.

(4) All discussions held under this informal procedure shall have the goal of resolving the matter without the necessity of entering into a formal complaint procedure.

[Statutory Authority: RCW 28B.19.050 and 28B.35.120(11). 86-23-007 (Order 59), § 106-72-410, filed 11/7/86.]

[Order 19, § 106-116-801, filed 8/22/74; Order 15, § 106-116-801, filed 8/17/73.]

**WAC 106-116-850 Purpose.** The purposes of WAC 106-116-850 through 106-116-859 are:

1. To protect and control pedestrian traffic and traffic of persons using skateboards.
2. To protect wooden and concrete benches, ramps for the disabled, brick and paved walkways, stairs, steps, loading ramps, and plazas from physical damage and more than ordinary wear caused by use of skateboards.

**WAC 106-116-853 Definitions.** As used in WAC 106-116-850 through 106-116-859 "skateboard" means a device made of wood, plastic, metal or components thereof, with wheels, ridden, as down and incline, usually in a standing position. It may or may not be motorized.

**WAC 106-116-859 Enforcement.** A skateboard user who refuses to abide by these regulations will be asked to leave the campus. Refusal to obey will subject the person to being cited for trespass under the provisions of chapter 9A.52 RCW.

If the user is a student, the student will be asked to remove the skateboard from use on campus. If the student refuses, a proceeding may be initiated under chapter 106-120 WAC, the student judicial code.

**WAC 106-116-901 Bicycle parking and traffic regulations.** (1) The primary aim of the bicycle control program is safety, and this aim will be achieved by keeping bicycles out of buildings, away from building exits, and parking them off paths and sidewalks. Bicycles must never be parked in stairwells, hallways, or any place which will be a safety hazard or hinder exit from buildings.

(2) Bicycles must be parked in racks. At times, rack space may not be available and parking near the racks is permitted provided the parked bicycles do not interfere with pedestrian traffic.

(3) The following specific regulations must be observed while operating bicycles on campus:

(a) Do not ride bicycles inside buildings at any time.
(b) Do not lean or park bicycles near or against windows.
(c) Pedestrians have the right of way on all malls and sidewalk areas of the university. At all times and places of congested pedestrian traffic, the bicycle rider must go slowly and yield to pedestrians. A violation of this provision shall constitute a moving violation and shall be referred directly to the court of the judge of the Lower Kittitas County district court.
(d) Bicyclists must observe the 5 m.p.h. speed limits on malls and service drives.
(e) Bicyclists must ride in designated lanes where they exist.
(4) Impoundment policy:

[Title 106 WAC—p 22] (1989 Ed.)

(b) Impounded bicycles will be stored in a location determined by the chief of campus safety. Bicycles will be released at specific times and upon presentation of proof of ownership. Owners of impounded bicycles, if identifiable, will be notified immediately upon impoundment and must reclaim the bicycle within seven days.

(c) Abandoned, lost or found bicycles that have been impounded shall be subject to sale in accordance with the laws of the state of Washington.

(1989 Ed.)
time, students have protection through orderly procedures against arbitrary or capricious actions or decisions by university authorities. Due process is recognized as essential to the proper enforcement of university rules. The purpose of this chapter is to provide a procedure and rules by which a student will be afforded due process in the matter of alleged violations of university standards, rules and requirements governing academic and social conduct of students.

The university recognizes a responsibility to resolve behavior problems before they escalate into serious problems requiring the application of these rules. Therefore, the dean shall generally review and/or investigate student behavioral problems which are referred by university community members or any subsidiary judicial agencies to the campus judicial council, or which otherwise come to the attention of the dean through campus safety reports or other official university reports. The dean shall be as proactive as is possible concerning the resolution of student behavioral problems and use reasonable arbitration and conflict resolution methods in order to prevent such problems from further interfering with the university community or the student's own educational progress.

WAC 106-120-004 Definitions. (1) "University" shall mean Central Washington University.
(2) "Dean" shall mean the dean of students of the university or the dean's designee.
(3) "Student" shall mean a person enrolled at the university either full or parttime, pursuing undergraduate, graduate, or extension studies, or a person accepted for admission or readmission to the university.
(4) "University community" shall include the employees and students of Central Washington University and all property and equipment of the university.

WAC 106-120-005 Provision for due process. The dean shall provide for due process for students throughout the behavioral problem solving intervention by following the proper steps related to the initiation, investigation, and disposition of complaints against a student which is outlined in WAC 106-120-131.

WAC 106-120-006 Students subject to judicial code. Any student is subject to these rules, independent of any other status the individual may have with the university. Any action taken against a student under these rules shall be independent of other actions taken by virtue of another relationship with the university in addition to that of student.

[Title 106 WAC—p 26]

WAC 106-120-007 Cooperation with law enforcement agencies. Central Washington University distinguishes its responsibility for student conduct from the controls imposed by the larger community beyond the university, and of which the university is a part. The university does not have the responsibilities of a parent for the conduct of students, and is not responsible for conduct of students off campus. When students are charged with violations of laws of the nation or state, or ordinances of the county or city, the university will neither request nor agree to special consideration for students because of their status as students, but the university will cooperate with law enforcement agencies, courts, and any other agencies in programs for rehabilitation of students.

Central Washington University reserves the right to impose the provisions of this chapter and apply further sanctions before or after law enforcement agencies, courts, and other agencies have imposed penalties or otherwise disposed of a case.

[Statutory Authority: RCW 28B.19.050 and 28B.35.120(11). 85-07-032 (Order 58), § 106-120-007, filed 3/15/85.]

WAC 106-120-021 Campus judicial council. It has authority to impose the sanctions described in WAC 106-120-028.

WAC 106-120-022 Subsidiary judicial agencies. Other divisions of the university may elect to establish subsidiary judicial agencies over which the campus judicial council will have appellate jurisdiction. Subsidiary judicial agencies or persons levying sanctions should devise sanctions which are in proportion to both the nature and extent of the misconduct, and which redress injury, damage, expense, inconvenience and/or grievance as far as possible. Appeal from subsidiary councils or agencies must be made within five working days from the time of publication of findings by said subsidiary judicial agency. Failure to file such an appeal will constitute and be construed as full acceptance by all parties of the findings.

WAC 106-120-023 Campus judicial council—Membership. The campus judicial council shall consist of three faculty members holding the rank of assistant professor or above, and six students, at least one of whom should be a graduate student if a graduate student files for appointment to the council.

(14) Possession, use, or distribution on campus of any controlled substance as defined by the laws of the United States or the state of Washington except as expressly permitted by law.

(15) Violation of the university policy on alcoholic beverages which states:

[Title 106 WAC—p 27]
(a) Persons twenty-one years of age or older may possess and/or consume alcoholic beverages within the privacy of their residence hall rooms or apartments. Washington state law provides severe penalties for the possession or consumption of alcoholic beverages by persons under twenty-one years of age and for persons who furnish alcoholic beverages to minors. All university students should be aware of these laws and the possible consequences of violations.

(b) The university does not condone the consumption of alcoholic beverages by minors at functions sponsored by Central Washington University organizations. Organizations are held responsible for the conduct of their members at functions sponsored by the organization and for failure to comply with Washington state law.

(c) The campus judicial council may place on probation any organization or prohibit a specific campus social function when the consumption of alcoholic beverages has become a problem of concern to the university.

(16) Violation of clearly stated proscriptions in any published rule or regulation promulgated by any official campus committee or commission or council acting within the scope of its authority.

(17) Violation on campus of any state or federal law or violation of any state or federal law off campus while participating in any university sponsored activity.

WAC 106-120-028 Disciplinary sanctions. The following definitions of disciplinary terms have been established and may be the sanctions imposed by the dean or by the campus judicial council.

(1) Warning. Notice in writing that the student has violated university rules or regulations or has otherwise failed to meet the university's standard of conduct. Such warning will contain the statement that continuation or repetition of the specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described below.

(2) Disciplinary probation. Formal action specifying the conditions under which a student may continue to be a student at the university including limitation of specified activities, movement, or presence on the CWU campus. The conditions specified may be in effect for a period of time or for the duration of the student's attendance at the university.

(3) Restitution. An individual student may be required to make restitution for damage or loss to university or other property and for injury to persons. Failure to make restitution will result in suspension for an indefinite period of time as set forth in subsection (4) below provided that a student may be reinstated upon payment.

(4) Suspension. Dismissal from the university and from status as a student for a stated period. The notice suspending the student will state in writing the term of the suspension and any condition(s) that must be met before readmission is granted. The student so suspended must demonstrate that the conditions for readmission have been met. There is to be no refund of fees for the quarter in which the action is taken, but fees paid in advance for a subsequent quarter are to be refunded.

(5) Deferred suspension. Notice of suspension from the university with the provision that the student may remain enrolled contingent on meeting a specified condition. Not meeting the contingency shall immediately invoke the suspension for the period of time and under the conditions originally imposed.

(6) Expulsion. The surrender of all rights and privileges of membership in the college community and exclusion from the campus without any possibility for return.

WAC 106-120-033 Readmission after suspension. Any student suspended from the university under the provisions of the student judicial code may be readmitted upon expiration of the time period specified in the document of original suspension.

If circumstances warrant reconsideration of the suspension prior to its time of expiration, the student may be readmitted following approval of a written petition submitted to the dean. Such petitions must state reasons which either provide new evidence concerning the situation which resulted in the suspension, or demonstrate that earlier readmission was in the best interest of the student and the university. Approval for such readmission must be given by the dean or by the campus judicial council.

Students who have been suspended and whose suspension upon appeal is found to have been unwarranted shall be provided full opportunity to reestablish their academic and student standing to the extent possible within the abilities of the university, including an opportunity to retake examinations or otherwise complete course offerings missed by reason of such action.

WAC 106-120-131 Initiation, investigation, and disposition of complaints. The following rules will govern the processing of alleged violations of the proscribed conduct listed in the campus judicial code.

(1) A complaint alleging misconduct against any student at the university may be filed by anyone at the office of the dean. Students, faculty members, administrators and other employees of the university shall have concurrent authority to request the commencement of the disciplinary proceedings provided for in this chapter. A person filing a complaint shall be complainant of record.

(2) Any student charged in a complaint shall receive oral or written notification from the dean. Such notice shall:

(a) Inform the student that a complaint has been filed alleging that the student violated specific provisions of the students judicial code and the date of the violation(s); and
(b) Set forth those provisions allegedly violated; and
(c) Specify a time and date the student is required to meet with the dean; and
(d) Inform the student that failure to appear at the appointed time at the dean's office may subject the student to suspension from the university.

(3) When the dean meets with the student, the dean shall:
(a) Provide for the student a copy of the student judicial code;
(b) Review the facts of the alleged violation with the student; and
(c) Conduct an investigation into the alleged violation.
(4) Upon completion of the review with the student and/or the investigation, the dean may:
(a) Drop the charges, when they appear to be invalid or without substance or capricious;
(b) Issue a verbal warning;
(c) Apply any of the sanctions as outlined in WAC 106-120-028 if such sanction is warranted by the evidence;
(d) Refer the case to the campus judicial council; or
(e) Invoke the summary suspension procedure as outlined in WAC 106-120-143 when deemed appropriate.

The dean shall inform the student that the dean's sanction may be appealed to the campus judicial council, and that if an appeal is made, the dean shall take no action nor make any determination, except for summary suspension, in the matter other than to inform the student of the time, date, and location of the hearing by the campus judicial council.

WAC 106-120-132 Procedures for hearing before the campus judicial council. (1) When a case is referred to the campus judicial council the dean shall forward to the council:
(a) A statement describing the alleged misconduct;
(b) The name and address of the complainant;
(c) The name and address of the student charged; and
(d) All relevant facts and statements.
(2) The council chair shall call a special meeting of the council and arrange for a hearing in the following manner:
(a) The council shall determine the time and place of the hearing, which shall be at least ten days after delivery of written notice to the student. Time and place shall be set to make the least inconvenience for all interested parties. The chair may change the time and place of the hearing for sufficient cause.
(b) The council shall draw lots to determine a hearing board, consisting of four student members and two faculty members of the council, and the chair acting as hearing officer.
(c) No case shall be heard unless the full membership of the hearing board is present.
(d) All cases will be heard de novo, whether the case be an appeal from a subsidiary judicial body or is heard as an original complaint.

(3) The council chair shall send written notice by certified mail of the hearing to the student to the student's last known address. The notice shall contain:
(a) A statement of the date, time, place and nature of the hearing;
(b) To the extent known, a list of witnesses who will appear; and
(c) A summary description of any documentary or other physical evidence that would be presented by the university.

(4) The student shall have all authority possessed by the university to obtain information he/she specifically describes in writing and tenders to the council chair no later than two days prior to the hearing or to request the presence of witnesses, or the production of other evidence relevant to the hearing. However, the university shall not be liable for information requested by the student or the presence of any witnesses when circumstances beyond the control of the university prevent the obtaining of such information or the attendance of such witnesses at the hearing.

(5) Hearings will ordinarily be held in closed session unless the hearing board determines there is a compelling reason for the hearing to be open, or the student requests an open hearing. A closed hearing shall include only members of the hearing board, persons directly involved in the hearing as parties and persons called as witnesses.

(6) The hearing shall be audio tape recorded, and the tape shall be on file at the office of the dean for a period of three years.

(7) The university shall be represented by the dean who shall present the university's case against the student.

(8) The student may be accompanied by counsel, or another third party, who may offer advice. If the student utilizes an attorney as advisor, the student must give to the dean two days notice of intent to do so. If the student elects to be advised by an attorney, the dean may elect to have the university advised by an assistant attorney general.

(9) The council chair shall insure that:
(a) The hearing is held in an orderly manner giving full care that the rights of all parties to a full, fair and impartial hearing are maintained.
(b) The charges and supporting evidence or testimony shall be presented first, and that there is full opportunity for the accused student to challenge the testimony and/or evidence, and to cross examine appropriately.
(c) The student charged shall next present evidence or testimony to refute the charge, and that there is full opportunity for the accuser to challenge testimony and/or evidence, and to cross examine appropriately.
(d) Only those materials and matters presented at the hearing will be considered as evidence. The hearing officer shall exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence.

(10) Any person disruptive of the hearing or any other procedure described in this document may be excluded from the process by the chair of the campus judicial
council or by the dean, using such means as are necessary to insure an orderly process. Any student engaging in such interference shall be in contempt and may be summarily suspended from the university by the campus judicial council or the dean immediately. The student shall be subject to a suspension or any lesser sanction as may be determined by the campus judicial council or the dean at the time the interference takes place or within fifteen working days thereafter.

(11) The student has a right to a fair and impartial hearing, but the student's failure to cooperate with or attend a hearing procedure shall not preclude the committee from making its finding of facts, conclusions, and recommendations. Failure by the student to cooperate may be taken into consideration by the campus judicial council and the dean in deciding the appropriate disciplinary action.

(12) Upon conclusion of the hearing, the hearing board in closed session shall consider all the evidence presented and decide by majority vote to exonerate the student or to impose one of the sanctions authorized by this document.

(13) The student shall be provided with a copy of the board's findings of fact and conclusions regarding whether the student did violate any rule or rules of the student judicial code and the board's decision as to the appropriate sanction to be imposed.

(14) If a student charged with misconduct under this code has been charged with a crime for the same act or closely related acts by federal, state, or local authorities, or if it appears that such criminal charge is under consideration, the campus judicial council may postpone action on the complaint until there has been a disposition of the criminal charge or of the consideration of filing such charge. However, prior to action by other agencies, the council may proceed to hear and decide the case if in the judgment of the council, the nature of the alleged misconduct and the circumstances surrounding it pose a serious risk to the health or well being of the student or other members of the university. If there is a determination of guilt by the council and if the subsequent criminal proceedings result in a judgment of acquittal, the student may petition the campus judicial council for a rehearing.

WAC 106-120-143 Summary suspension proceedings. The dean may summarily suspend any student from the university pending investigation, action of prosecution of charges of an alleged proscribed conduct violation or violations, if the dean has reason to believe that the student's physical or emotional safety and well-being, or the safety and well-being of other university community members, or the protection of property requires such suspension.

(1) If the dean finds it necessary to exercise the authority to summarily suspend a student the dean shall:

(a) Give to the student an oral or written notice of intent to determine if summary suspension is an appropriate action;

(b) Give an oral or written notice of the alleged misconduct and violation(s) to the student;

(c) Give an oral or written explanation of the evidence in support of the charge(s) to the student;

(d) Give an oral or written notice of the time and place of the summary suspension hearing before the dean; and

(b) Provide the student with an opportunity to show why continued presence on campus does not constitute a danger to the physical and emotional well being of self or others, or a danger to property;

(c) Give immediate oral notice of his decision to the student to be followed by written notice; and

(d) If summary suspension is warranted, summarily suspend the student for no more than 15 working days with a judicial council hearing of the allegations to have commenced by the end of the suspension period.

(4) During the period of summary suspension, the suspended student shall not enter the campus of the university other than to meet with the dean. (2) Applicants who have graduated from a high school in other states must meet the standards of admission as established by the board of trustees or the president as published in the appropriate university catalog and may be considered for admission to the university only if space and facilities permit. Such applicants are encouraged to file the "uniform application for admission to colleges and universities in the state of Washington" after which applications for admission on or after the date established under subsection (1) above.

(3) Applicants who have not graduated from a high school may be considered for admission to the university on the basis of the results of the "general education development examination" which they may be required to take after having conferred with the appropriate university officials, provided they are at or over the age established by the board of trustees or president for admission of such applicants; all other applicants are encouraged to

   b. The reasons for such release;
   c. The names of the parties to whom such records will be released; and

(3) The university shall maintain a record which will indicate all parties, other than those parties specified in WAC 106–172–735 (1)(a), who have been granted access to a student's education records. The record will:

   a. Indicate specifically the legitimate interest that each such party has in obtaining the information.
   b. Be available only to the student, to the employees of the university responsible for maintaining the records, and to the parties identified under WAC 106–172–735(1)(a) and (d).

WAC 106–172–761 Right to a hearing. (1) The university shall provide students an opportunity for a hearing in order to challenge the content of a student's
education records to insure that the records are not inaccurate, misleading, or otherwise in violation of the privacy or other rights of students.

(2) A student shall have the right, in accordance with the procedures set forth in WAC 106–172–763 and 106–172–765, to:

(a) Correct or delete inaccurate, misleading, or otherwise inappropriate data contained within education records;

(b) Challenge the release of education records to specific persons as contrary to the provisions of this chapter; and

(c) Challenge a decision by the university to deny the student access to particular types of records.

(3) A student shall not be permitted under this chapter to contest grades given in academic courses, except on the grounds that, as a result of clerical error, the records fail to accurately reflect the grades actually assigned by an instructor.

WAC 106–172–763 Informal proceedings. (1) Whenever possible the university shall attempt to settle disputes regarding requests to amend education records through informal proceedings.

(2) A student who wishes to exercise the rights set forth in WAC 106–172–761(2) shall:

(a) First, attempt a resolution with the university official who has custody of the education records; and

(b) Second, discuss with the dean of students or his/her designee the nature of the corrective action recommended by the student.

WAC 106–172–765 Conduct of the hearing. (1) If informal proceedings fail to resolve the complaint of a student, the student may file with the dean of students a written request for the hearing before a hearing officer of the university to be designated by the dean of students, and who does not have a direct interest in the outcome of the hearing.

(2) The hearing shall be held within a reasonable time (not to exceed twenty working days) after the university has received the request and the student shall be given notice of the date, place and time reasonably in advance of the hearing.

(3) The student shall be given an opportunity to present evidence relevant to the issues raised in WAC 106–172–761(2) and may be represented by any person (including an attorney) of the student's choosing at his or her expense.

(4) A decision in writing shall be prepared within a reasonable period of time (not to exceed ten working days), which decision shall be based solely upon the evidence presented, and which includes a summary of the evidence and the reasons for the decision.

(5) If, as a result of the hearing, the decision is:

(a) To amend the record, the university must do so accordingly and give notice to the student.

(b) Not to amend, the student must be allowed to place a written comment or explanation in the student's file, and it must be kept in the file as long as the file itself is kept. If the contested portion of the file is disclosed to anybody, the student's statement must also be disclosed.

(c) To deny the request, the student must be given the opportunity to present evidence relevant to the issues raised in WAC 106–172–761, and the university must make a decision in writing which includes a summary of the evidence and the reasons for the decision.

(d) Not to deny the request, the student must be given an opportunity to present evidence relevant to the issues raised in WAC 106–172–761, and the university must make a decision in writing which includes a summary of the evidence and the reasons for the decision.

WAC 106–172–777 Limitation on liability. The university shall not be liable for student records when in a position to deal with the emergency; and

(d) The extent to which time is of the essence in dealing with the emergency.

(f) Information revealing the identity of persons who file complaints with investigative, law enforcement or penology agencies, other than the public disclosure commission, if disclosure would endanger any person's life, physical safety, or property: Provided, That if at the time the complaint is filed the complainant indicates a desire for disclosure or nondisclosure, such desire shall govern: Provided further, That all complaints filed with the public disclosure commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath.

No exemption shall be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

(3) Inspection or copying of any specific records exempt under the provisions of this section may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

(1) Central Washington University is located on a campus in and near the city of Ellensburg, Washington. This campus comprises the central headquarters for all operations of the university; any "field" activities of the university are administered by personnel located on the campus at Ellensburg. The university is governed by a board of trustees appointed by the governor; such board meets at regular intervals, as provided in WAC 106-08-001. The board employs a president, his assistants, members of the faculty and other employees. It establishes such organizational units as are necessary to carry out the purposes of the university, provides the necessary property, facilities and equipment and promulgates such rules, regulations and policies as are necessary to the administration of the university.

Academic matters and student affairs are the concern of the vice president for academic affairs; business and physical planning functions are the concern of the vice president for business and financial affairs; university services are the concern of the executive assistant to the president. These offices report to the president of the university.

(2) Overall responsibility for coordinating responses to requests for examination of public records shall be the responsibility of the person known as the "public records officer." The person holding such position will be headquartered in Mitchell Hall at the university. (3) For purposes of this chapter, the custody of the university's records shall be deemed divided into the following divisions:

(a) Office of the president;
(b) Office of the vice president for academic affairs;
(c) Office of the vice president for business and financial affairs;
(d) Office of the dean of students. The above-designated division head shall be deemed custodian of the records in the possession or control of agencies, departments, officers and employees of his division and responsible for the care and custody of records within his division even though such person is not in actual possession or control of such records. Such division heads shall be known as the university "records custodians."

(4) In any cases where a question arises as to whether a given public record is a responsibility of one records custodian or another, the determination of such ministerial responsibility shall for the purposes of this chapter be made by the public records officer, or the president of the university.

(2) No record shall be copied by photostatic process or otherwise reproduced until and unless the person requesting the copying or reproduction of the public record
has tendered payment for such copying or reproduction to the records official from whom the public record was obtained, or to any person designated by such records official.

WAC 106-276-100 Determination regarding exempt records. (1) The university reserves the right to determine that a public record requested in accordance with the procedures of this chapter is exempt under the provisions of RCW 42.17.310. Such determination may be made in consultation with any of the records officers of the university, president of the university, or an assistant attorney general assigned to the university.

(2) Responses to requests for records must be made promptly. For the purpose of these rules, a prompt response occurs if the person requesting the public record is notified within one business day as to whether or not his request for a public record will be granted or denied.

(3) No denial of a request for public records shall be valid unless accompanied by a written statement, signed by the public records officer or his designee, specifying the specific reasons therefor.

Such written request by a person or his duly authorized representative demanding prompt review shall specifically reference the written statement by the university denying that person's request for a public record.

(2) Within two business days after receiving the written request by a person or his duly authorized representative petitioning for prompt review of a decision denying a public record, the president of the university or any of his designees, which for the purposes of this section may include the public records officer or the records custodians, shall consider such petition.

(3) During the course of the two business days in which the president or his designee reviews the decision of the public records officer denying the request for a public record, the president or his designee may conduct an informal hearing. During the course of such informal hearing, the president or his designee may require that the person requesting the public record or his duly authorized representative appear at a reasonable time and place located on the campus and further explain and identify the exact nature of the public record he is seeking. Failure by the person requesting the review hearing or his duly authorized representative to appear at such informal hearing shall be deemed a waiver of that person's right to insist upon completion of the review of his request within two business days. If the petitioner requesting review or his duly authorized representative does appear at such informal hearing, then the period for review by the university shall be extended to a period not exceeding twenty-four hours after such person requesting review or his duly authorized representative has appeared before the president or his designee.

(4) During the course of the informal hearing conducted by the president or his designee under this section, the hearing officer shall consider the obligations of the university fully to comply with the intent of chapter 42.17 RCW insofar as it requires providing public access to official records, but shall also consider the exemptions provided in RCW 42.17.310 and the requirement of RCW 42.17.290 insofar as it requires the university to protect public records from damage or disorganization, prevent excessive interference with essential functions of the agency, and to prevent any unreasonable invasion of personal privacy by deleting identifying details.
