WAC 132L-20-090 Student records. In compliance with the Family Educational Rights and Privacy Act (20 U.S.C. § 1232g and its implementing regulations, 45 CFR § 99), this policy has been created to insure continued confidentiality of student records at the college

and govern the release of personally identifiable information contained within.

(1) **EDUCATION RECORDS.** Education records are defined as those records, files, and documents containing information directly pertaining to a student. At Centralia College these are:

(a) Records pertaining to admission, advisement, registration, grading, and progress to a degree that are maintained by the registrar.

(b) Testing information used for advisement purposes by the counseling center.

(c) Information concerning payment of fees as maintained by the cashier.

(d) Financial aid information as collected by the financial aid office.

(e) Information regarding students participating in student government or athletics that is maintained by the student programs office or the athletics office.

(2) **ACCESS TO EDUCATION RECORDS.** Students who are or have attended the college have the right to examine or review their personal records, as defined above, by submitting to the registrar a written request indicating education records to which access is desired. (Charges for reproduced copies of education records are found in the current catalog.)

(3) **DIRECTORY INFORMATION.** The following information is considered "directory information" and thus may be disclosed without consent of the student, unless otherwise directed by the student, at any time, to the registrar in writing: The student's name, address, telephone number, date and place of birth, major field of study, eligibility for and participation in officially recognized activities, organizations, and sports, weight and height of members of athletic teams, dates of attendance, honor roll, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

(4) **DISCLOSURE FROM EDUCATION RECORDS.** In addition to "directory information" the college will, at its discretion, make disclosures from education records of students with the student's prior written consent or to the following listed parties:

(a) College officials including college administrative and clerical staff, faculty, and students where officially elected or appointed to the Associated Students of Centralia College senate or employed by the college. Access or release of records to the above is permissible only when the information is required for advisement, counseling, recordkeeping, reporting, or other legitimate educational interest consonant with their specific duties and responsibilities.

(b) To officials of another school in which the student seeks or intends to enroll.

(c) To authorized federal, state, or local officials as required by law.

(d) In connection with financial aid for which the student has applied or received.

(e) To accrediting organization, or organizations conducting studies for or on behalf of the institution.

(f) To appropriate parties in a health or safety emergency.

In cases where consent of the student is required for release of education records, the student shall in writing, signed and dated by the student, specify: The records to be disclosed, the purpose or purposes of the disclosure, and the name of the party or parties to whom the disclosure can be made.

When personally identifiable information is released without prior consent of the student, other than "directory information" and information released to college officials or the student, the college official in charge of these records will record the names of the parties who have requested information from educational records and the nature of the interest in that information.

Education records released to third parties shall be accompanied by a statement indicating that the information cannot be subsequently released in a personally identifiable form to other parties without obtaining the consent of the student. The college is not precluded from permitting third party disclosures to other parties listed in (a) through (f) of this subsection.

(5) CHALLENGE OF EDUCATION RECORDS. Students who believe that information contained in their education records is inaccurate, misleading or violates the privacy or other rights of the student may request in writing to the appropriate college official that the college amend their record(s). The college official(s) will make every effort to settle disputes through informal meetings and discussion with the student.

In instances where disputes regarding contents of education records cannot be resolved by the parties concerned, the college official involved shall advise the student of the right to a hearing by the student services committee through a written request to the registrar. Should the student services committee deem that the education records in question are inaccurate or misleading, the committee can ask that the records be amended by the appropriate college official. If the education records are held to be accurate, the student shall be granted the opportunity to place within those records a personal statement commenting upon the information contained within.

Each eligible student is afforded the right to file a complaint concerning alleged failures by the college to comply with the requirements of the act. The address of the office designated to investigate, process, and review violations and complaints which are filed is:

WAC 132L-22-020 Nonacademic disciplinary procedures. (1) **Initiation of disciplinary action.** Anyone may report, orally or in writing, violations to the dean of educational services, or designee, who may initiate disciplinary action.

(2) **Notice.** Any student charged with a violation shall receive written notice delivered to the student personally or by registered or certified mail to the student's last known address no later than two weeks after a reported violation. This notice shall not be ineffective if presented later due to the student's absence. The notice shall contain:

(a) The time, date, place, and nature of the alleged misconduct;

(b) Set forth those specific provisions allegedly violated;

(c) The time and date the student is required to meet with the dean of educational services or designee;

(d) That anything the student says at the meeting with the dean or designee may be used against the student;

(e) Inform the student that failure to appear may subject the student to any sanction authorized by this code.

(3) **Meeting with the dean of educational services.**

(a) At the meeting with the dean of educational services the student shall be informed of provisions of the code of student rights and responsibilities that are involved, that the student may appeal any sanction imposed by the dean of educational services, and that if a hearing is required it may be open to the public at the chairperson's discretion, if requested by the student. If the student requests a formal hearing, the dean of educational services shall take no action nor make any determination in the matter other than to inform the student again of the time, date, and location of the formal hearing.

(b) After considering the evidence in the case and interviewing the student or students involved, the dean of educational services may take any of the following actions:

Impose any sanction; exonerate a student or students; refer the case to the student services committee with or without a recommendation; or dismiss the case (after whatever counseling or advice may be appropriate.)

(c) **Dean's decision - notice:** The student shall receive written notice of the dean's decision, as well as a summary of the evidence and notice of the right to appeal within ten days to the student services committee.

(d) **Disciplinary action taken by or at the recommendation of the dean of educational services or designee is final unless the student appeals.**

(4) **Student services committee.** A standing committee composed of eight members: Two administrators chosen by the president; two faculty members chosen by the faculty representative; two students chosen by the student senate; and two classified employees chosen by the classified representative. The committee shall select a chairperson from their membership and make decisions according to a majority vote.

(5) **Hearing procedures.**

(a) The student services committee will hear, de novo, and make recommendations to the college president or designee on all disciplinary cases appealed to the committee by the student or referred to it by the dean of educational services or designee. Recommendations involving suspension, dismissal, or expulsion will be referred to the college president or designee.

(b) The student may be represented by counsel of the student's own choosing provided that the student shall bear the cost and shall tender three days' notice thereof to the dean of educational services.

(c) The college may be represented by the dean of educational services or designee, including an assistant attorney general.

(d) The chairperson shall exercise control over the hearing to avoid needless consumption of time and to prevent the harassment or intimidation of witnesses. Any person, including the student, who disrupts the hearing or who fails to adhere to the rulings of the chairperson or committee advisor may be excluded from the proceedings.

(e) Hearings will be closed to the public, except for the dean and/or designee; immediate members of the student's family; and the student's representative. An open hearing may be held, at the discretion of the chairperson, if requested by the student. All parties, the witnesses, and the public shall be excluded during committee deliberations.

(f) The student may: Question witnesses; bring an advocate to defend him/her, including legal counsel; and have a maximum of three character witnesses appear on the student's behalf.

(g) The burden of proof shall be on the dean or designee, who must establish the guilt of the student by preponderance of the evidence.

(h) Formal rules of evidence and procedures shall not be applicable to disciplinary proceedings conducted pursuant to this code. The chairperson shall admit all matters into evidence which reasonable persons would accept as having probative value in the conduct of their affairs.

Unduly repetitious or irrelevant evidence may be excluded.

(i) The dean may appoint a special presiding officer to the committee in complex cases or in any case in which the respondent is represented by legal counsel. Special presiding officers may participate in committee deliberations but shall not vote.

(j) Final decisions of the student services committee shall be by majority vote of the members present and voting. A tie vote will result in an affirmation of the original decision.

(k) Final decisions of the committee, including findings of fact or reasons for the decision, shall be accompanied by a brief written opinion which will be delivered to the student personally or by registered or certified mail to the student's last known address.

(l) In order that a complete record of the proceedings, including all evidence presented, can be made, hearings may be tape recorded or transcribed. If a recording or transcription is made, a copy thereof shall be on file at the office of the dean of educational services. If a recording or transcription is not made, the decision of the committee, president, or designee should include a summary of the testimony and should be sufficiently detailed to permit appellate review.

(6) **Appeals.** All appeals by a student must be made in writing and presented to the dean or designee within ten calendar days after the student has been notified of the action from which he/she has the right to appeal. Appeals contesting the dean's decision to suspend, dismiss or expel or appeals contesting disciplinary recommendations by the student services committee may be taken to the college president. Appeals contesting disciplinary recommendations by the college president may only be taken to the Community College District Twelve board of trustees whose decision is final.

WAC 132L-22-060 Sanctions. The following definitions of disciplinary terms have been established and shall be the sanctions imposed upon violators of the code of student rights and responsibilities:

(1) **Warning.** Notice to a student, either verbally or in writing, that the student has been in violation of college rules or regulations or has otherwise failed to meet the college's standards of conduct. Such warnings will include the statement that continuation or repetition of the specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described below.

(2) **Reprimand.** Formal action censuring a student for violation of the college rules or regulations or for failure to meet the college's standards of conduct. Reprimands shall be made in writing to the student by the officer or agency taking action, with copies filed in the office of the dean of educational services. A reprimand will include the statement that continuation or repetition of the

specific conduct involved or other misconduct will normally result in one of the more serious disciplinary actions described below.

(3) **Restitution.** An individual student may be required to make restitution for damage or loss to college or other property and for injury to persons. Failure to make restitution within thirty days will result in suspension for an indefinite period of time as set forth in subsection (5) of this section provided that a student may be reinstated upon payment.

(4) **Disciplinary probation.** Formal action placing conditions upon the student's continued attendance for violation of college rules or regulations or the failure to meet the college standards of conduct. The office or agency placing the student on disciplinary probation will specify, in writing, the period of probation and the conditions, such as limiting the student's participation in extracurricular activities. Disciplinary probation warns the student that any further misconduct will automatically raise the question of suspension from the college. Disciplinary probation may be for a specified period which may extend to graduation or other termination of the student's enrollment in the college.

(5) **Suspension/dismissal.** Temporary, indefinite, or permanent dismissal from the college of a student for violation of college rules and regulations. The notification suspending/dismissing a student will indicate, in writing, the term of the suspension, if applicable, and any special conditions which must be met before readmission. Copies of the notification shall be kept on file in the office of the dean of educational services and in the student's official educational record.

Refund of fees for the quarter in which disciplinary action is taken shall be in accord with the college's refund policy.

Students who are suspended or dismissed from the college may be denied access to all or any part of the campus or other facility during the duration of the period of suspension.

WAC 132L-22-070 Readmission after suspension. Any student suspended from the college for disciplinary reasons may be readmitted upon expiration of the time period for which the suspension was issued. If the student has been suspended for an indefinite period, or feels that circumstances warrant reconsideration of the temporary suspension prior to its expiration, the student may be readmitted following approval of a written petition submitted to the dean of educational services. Such petitions must state reasons which support a reconsideration of the matter. Before readmission may be granted, such petitions must be reviewed and approved by the college president or designee, or by the board of trustees in those cases in which it made the final disciplinary action decision.

CENTRALIA COLLEGE--STUDENT CONDUCT CODE--POLICY

WAC

132L-120-010 Student attendance policy.
132L-120-020 Implementation.

WAC 132L-120-010 Student attendance policy. Students are expected to attend all classes for which they enroll during the particular quarter. Nonattendance by a student may cause him to forfeit his right to continue in any class. He may be subject to withdrawal from the class roll and be assigned a grade of "W" by his instructor should he, without prior arrangement or without early report to the college, be absent the first four calendar days after his class begins, be absent during the quarter for four consecutive class days in a course of 3 credits or more, or for two consecutive days in a course of 2 credits or less, or be absent in a consistent manner during the quarter.

Integral components of this policy which faculty members should give consideration are:

(1) Unavoidable absence due to emergencies, such as illness or bereavement. These should be reported, by the student, to the Registrar by letter or telephone so that arrangements with the student's instructors for the necessary extension of absence can be made.

[Title 132L WAC--p 18]

(2) Hardships beyond the student's control which cause him to miss class. The instructor may approve alternative methods for the student to satisfy the attendance requirements of the course.

(3) Courses oriented more toward student proficiency and achieved competency than they are toward exposing subject matter to the students. Prior to or during the first week of the quarter the instructor shall set forth the conditions under which competency or proficiency may be considered in lieu of student class attendance.

(4) The student who has received eight hours or one-half of his class load or more of "W" in his preceding quarter. The administration will request his instructors to keep an account of his attendance pursuant to *Academic Standards* more fully described under that heading in the Handbook.

(5) Students whose tuition fees are paid by a state or federal agency. These students may have their attendance records reported at the request of their benefactor.

[Order 72-1, § 132L-120-010, filed 1/19/72.]

WAC 132L-120-020 Implementation. The success in implementing both this policy and its exceptions rests heavily on communications between the instructor and his students. As the student has fewer instructors than the instructor has students, the burden of initiating the communication relating to exceptions in reality becomes that of the student.
