Reviser's note: Chapter 143, Laws of 1965, first codified as chapter 28.72 RCW was reenacted as chapter 28A.72 RCW by chapter 223, Laws of 1969 ex. sess., and was subsequently repealed by chapter 288, Laws of 1975 1st ex. sess.

Upon the receipt of such a request the board of trustees of the Community College District No. 20 will request some independent and neutral person or association to determine whether thirty percent or more of the certificated employees of Community College District No. 20 have indicated that they desire to be represented by that organization for such purposes. The independent and neutral person or association shall make such determination upon the basis of records of dues, paying memberships, signed authorizations to represent, or other reliable and probative evidence.

[Order 1, § 132T-16-006, filed 4/22/68.]

Reviser's note: Chapter 143, Laws of 1965, first codified as chapter 28.72 RCW was reenacted as chapter 28A.72 RCW by chapter 223, Laws of 1969 ex. sess., and was subsequently repealed by chapter 288, Laws of 1975 1st ex. sess.

WAC 132T-16-009 Notice of election—Organizations to be included on ballot—Time for filing. If the independent and neutral person or association determines that thirty percent or more of the certificated employees of Community College District No. 20 have indicated that they desire to be represented by that organization for such purposes, the board of trustees of Community College District No. 20 will publish a notice that it will hold an election to determine whether the certificated employees of Community College District No. 20 desire the requesting organization or any other organization to represent them for the purposes of chapter 143, Laws of 1965, RCW 28.72.010 — 28.72.090. Any other organization of certificated employees desiring to be designated as the majority organization representing such employees shall, within seven days after the publication of such notice by the board of trustees of Community College District No. 20, file with the board of trustees a request in writing that its name be included on the ballot in the election to be held. No organization shall be permitted to have its name placed on the ballot used in the election unless such a request has been received within

seven days after the publication of the notice that an election will be held.

[Order 1, § 132T-16-009, filed 4/22/68.]

Reviser's note: Chapter 143, Laws of 1965, first codified as chapter 28.72 RCW was reenacted as chapter 28A.72 RCW by chapter 223, Laws of 1969 ex. sess., and was subsequently repealed by chapter 288, Laws of 1975 1st ex. sess.

The notice published by the board of trustees of Community College District No. 20, pursuant to WAC 132T-16-030, shall state the date, hours, and polling places for the election. The notice shall also designate a chief election officer of the election and charge him with the duty of preparing the ballots and promulgating instructions concerning the details of the election to be conducted pursuant to these rules.

[Order 1, § 132T-16-012, filed 4/22/68.]

WAC 132T-16-015 List of certificated employees--Posting of list. In any election conducted pursuant to these rules, lists of certificated employees eligible to vote shall be prepared by the board of trustees listing certificated employees by voting places. Such lists shall be posted at least 24 hours before the election. Such lists shall be for informational purposes and shall not be conclusive as to the right of a certificated employee to vote in the election.

[Order 1, § 132T-16-015, part, filed 4/22/68.]

WAC 132T-16-016 Election inspectors--Duties--Right to challenge voter--Improper conduct. The election officer shall designate at least one inspector for each polling place to observe the conduct of the election. Any organization whose name shall appear on the ballot in the election shall also be entitled to have one inspector present at each polling place to observe the conduct of the election. Each organization shall also be entitled to have an inspector present at the college district office for the counting of the ballots cast. Such inspectors must refrain from electioneering during the election. They may challenge the eligibility of any person to vote in the election, and, upon such challenge, the ballot of that person shall be treated as provided in these rules. Inspectors shall also report in writing to the chief election officer any conduct which they observe in the course of balloting which they believe may have improperly affected the result of the voting at the polling place at which they serve as observers.

WAC 132T-16-021 Record of vote--Signature--Challenge. At the time of the election the name of each employee voting shall be recorded by his signature written beside his name on the voting list for the polling place at which he votes. Each certificated employee may cast only one ballot in any election held pursuant to these rules, and the presence of a signature beside the name of an employee desiring to vote shall automatically constitute grounds for challenge to his right to cast a ballot in an election.

[Order 1, § 132T-16-021, filed 4/22/68.]

WAC 132T-16-024 Incorrectly marked ballot. Any voter who incorrectly marks his ballot may obtain a new ballot by returning the incorrectly marked ballot to the chief election officer's inspector. Such incorrectly marked ballot shall be marked void in the presence of the inspectors of organizations participating in the election before the new ballot is delivered to the voter.

[Order 1, § 132T-16-024, filed 4/22/68.]

WAC 132T-16-027 Privacy for voter--Equipment. Voters shall be provided with tables or desks so arranged that a voter may mark his ballot without making it possible for other persons to observe the manner in which he has marked it.

[Order 1, § 132T-16-027, filed 4/22/68.]

WAC 132T-16-030 Folding ballot--Ballot box. Each voter shall fold his ballot so that the manner in which he has marked it cannot be observed and shall then place it in the locked ballot box provided at the designated voting place.

[Order 1, § 132T-16-030, filed 4/22/68.]

WAC 132T-16-033 Challenged ballot--Procedure. A challenged ballot shall be placed in an envelope bearing no identifying marks. It shall then be placed in another envelope upon which shall be written the name of the employee desiring to cast the ballot, the reasons for which the ballot was challenged, by whom it was challenged and the polling place at which it was challenged, and the envelope shall be sealed and initialed by the election inspectors.

[Order 1, § 132T-16-033, filed 4/22/68.]

WAC 132T-16-036 Employees present entitled to vote--Sealing ballot box--Unused ballots. At the time for closing the polls, all employees present and waiting at the polling place shall be entitled to vote. The ballot box shall then be sealed. All unused ballots shall then be counted in the presence of election inspectors.

[Order 1, § 132T-16-036, filed 4/22/68.]

WAC 132T-16-039 Election inspectors duties after voting has terminated. When all voting has terminated at a polling place, the election inspectors will bring to the chief election officer at the community college district office the following: (1) Signed voting list of eligible certificated employees, (2) all unused ballots, (3) all challenged ballots, and (4) the sealed ballot box containing all ballots cast.

[Order 1, § 132T-16-039, filed 4/22/68.]

WAC 132T-16-042 Disposition of challenged ballots—Tally sheets—Investigation by chief election officer. The challenged ballots previously placed in separate envelopes shall be placed in a sealed envelope marked "challenged ballots" and sent along with the tally sheet to the chief election officer. The challenged ballots shall not be opened or counted unless the counting of such ballots might affect the results of the election. If the challenged ballots might affect the results of the election, the chief election officer shall conduct an investigation into, or if necessary a formal hearing on, the validity of the challenges made. If he concludes that the challenge was properly made, that ballot shall be excluded from the count. Otherwise, such ballot shall be counted as cast.

[Order 1, § 132T-16-042, filed 4/22/68.]

WAC 132T-16-045 Counting of ballots—Procedure—Certification of results of election—Retention of ballots—Signed voting lists. When ballot boxes from all voting places have been received by the chief election officer's inspector, he shall open them and thoroughly mix all ballots cast so that it is impossible to identify the polling place from which any particular ballot came. The ballots cast shall be separated into the categories as they have been cast for organizations participating in the election, for no organization, and void ballots which are unintelligible or for an organization not participating in the election. The ballots in these categories shall be counted by the chief election officer with the assistance of such of his election inspectors as shall be necessary in the presence of the inspectors for the organizations participating in the election. After the ballots have been so counted the inspector designated by the organizations to serve at the community college district office shall indicate by his signature upon the tally sheet that he agrees with the count made, or in case of disagreement, he shall write a short statement of his grounds for disagreement with the count. The chief election officer shall certify to the board of trustees the results of the election within forty-eight hours after the polls have been closed. The used ballots, the unused ballots, the challenged ballots, and the signed voting lists of eligible certificated employees shall be kept by the chief election officer or some person designated by him for one year after the election.

[Order 1, § 132T-16-045, part, filed 4/22/68.]

[Title 132T WAC—p 18]

WAC 132T-16-046 Electioneering within the polls forbidden. No election signs, banners, or buttons shall be permitted in the room in which the balloting takes place, nor shall any person in that room discuss the advantages or disadvantages of representation by any organization whether on the ballot or otherwise, nor shall any person in that room engage in any other form of electioneering.

[Order 1, § 132T-16-045, part, filed 4/22/68.]

WAC 132T-16-048 Contest of election—Time for filing objections—Investigation of objections. Any organization, the name of which appears on the ballot, or any certificated employee may within five days after the certification of the results of an election under the provisions of this part, file objections to the conduct of the election with the chief election officer designated by the board of trustees pursuant to WAC 132T-16-012 of this part. The election officer shall investigate such objections and, if necessary, hold formal hearings thereon. He shall report thereon to the board of trustees. If the board of trustees shall conclude that the conduct objected to may have improperly affected the results of the election, it shall order a new election. Otherwise, it shall overrule the objections and the results of the election shall be considered final. Objections to the conduct of the election which are not filed in accordance with the provisions of this section shall be waived and of no effect.

[Order 1, § 132T-16-048, filed 4/22/68.]

WAC 132T-16-054 Election determined by majority of valid votes cast—Run-off election. An organization of certificated employees which receives a majority of the valid votes cast in an election held in accordance with the rules of this part shall be recognized as representing the certificated employees of Community College District No. 20 pursuant to RCW 28.72.010 — 28.72.090. If more than one organization of certificated employees has participated in an election and a majority of the valid votes cast has not been either for representation by one of the organizations or for no representation, a run-off election shall be held. In such a run-off, only those two choices receiving the highest number of valid votes cast in the initial election shall appear on the ballot.

[Order 1, § 132T-16-054, part, filed 4/22/68.]

(2) The student may offer oral testimony of himself or of any person, submit any statement sworn or affidavit on his own behalf, examine any sworn affidavit and cross examine any witness who may appear against him, and submit any matter in extenuation or mitigation of the offense or offenses charged.

Such determination shall be made in writing and may be accomplished in consultation with any of the records officers of the college. For purposes of this chapter the records officer

Upon receipt of a proper written objection to transfer of a student record, the college public records officer shall cause such records to not be transferred pending outcome of the hearing proceeding provided for in these regulations.

(2) Within ten days after receipt of the written request by a person petitioning for prompt review of a decision by a custodian of student records, the president of the college or his designee shall consider such petition.

(3) The president or his designee may at the end of the ten day period either meet the objecting party's objection and advise him of the same in writing, or in the alternative, set the matter up for a hearing before a hearing officer designated by the president or the president's designee. Such hearing shall be conducted within thirty days after the objecting party served his objections on the college's public records officer(s) and shall be an informal hearing. The president or his designee shall determine the time and place for such hearing. At the hearing, the objecting party shall further explain and identify his exact purpose for seeking the record he has been denied or why he has lodged objections to transfer of a student record. Failure by the person requesting the review to appear at such informal hearing shall be deemed a waiver of that person's right to insist upon completion of the review of his request.

(4) During the course of the informal hearing conducted by the president, his designee, or by anyone appointed by the president or his designee, the person conducting the hearing shall consider the obligation of the college to fully comply with the Family Educational Rights and Privacy Act, but shall also consider the exemptions provided in the course of these regulations. A record shall be made of the informal hearing by mechanical transcriptions or any other means satisfactory to the college.

(5) Within ten days after the hearing has occurred, the president, or his designee, or the hearing officer appointed to conduct the informal hearing shall provide the objecting party with a written decision, which decision shall be binding upon the college and upon the objecting party.

WAC 132T-190-010 Use of college facilities. Because the Walla Walla Community College is an educational institution provided and maintained by the people of the state, its campus, buildings, properties, and facilities shall be reserved at all times for those activities which either are related directly to its educational mission or are justifiable on the basis of their contributions to the cultural, social or economic development of the state.

[Order 78-6, § 132T-190-010, filed 10/24/77.]

WAC 132T-190-020 Limitation of use to school activities. The college buildings, properties and facilities, including those of the associated student body, may be used only for:

(1) The regularly established teaching, research or public service activities of the college and its departments or related agencies.

(2) Cultural, educational or recreational activities of the students or of the faculty or staff.

(3) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments.

(4) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation.

(5) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(1989 Ed.)

WAC 132T-190-030 Limitation of use. (1) Primary consideration shall be given at all times to activities specifically related to the college's mission, and no arrangements shall be made that may interfere with, or operate to the detriment of, the college's own teaching, research or public service programs.

(2) In general, the facilities of the college shall not be rented to, or used by, private or commercial organizations or associations, nor shall the facilities be rented to persons or organizations conducting programs for private gain.

(3) College facilities may not be used for commercial sales, advertising or promotional activities except when such activities clearly serve educational objectives (as in display of books of interest to the academic community or in the display or demonstration of technical or research equipment) and when they are conducted under the sponsorship or at the request of a college department or office or of the associated student body.

(4) College facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities. Rules, regulations, policies, procedures and practices regarding the use of college facilities shall not discriminate or promote discrimination among political parties, groups or candidates solely on the basis of their particular political viewpoint.

(5) Activities of commercial or political nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside rooms or facilities to which access-by be granted.

(6) Because of limitations imposed by the constitution of the state of Washington, the facilities of the college may not be used for the purpose of religious worship, exercise or instruction, except as provided in WAC 132T-190-030(7).

(7) College facilities are available to all recognized student groups and faculty or staff organizations, subject to these general policies, except as provided in WAC 132T-190-030(6), and to the rules and regulations of the college governing student, faculty and staff affairs.

(8) Handbills, leaflets and similar materials, except those which are commercial, obscene, or unlawful in character, may be distributed on the campus by regularly enrolled students, members of recognized student organizations or college personnel. Materials may be distributed only in designated areas on the campus where, and at times when, such distribution shall not interfere with the orderly administration of the college affairs or the free flow of traffic. Persons and organizations not connected with the college may not distribute handbills and similar materials.

(9) Exterior audio amplifying equipment is permitted only in locations and at times that will not interfere with the normal conduct of college affairs.

(10) No person or group may use or enter onto college facilities having in their possession firearms, even though licensed to do so, except commissioned police officers as prescribed by law.

WAC 132T-190-040 Administrative control. The board hereby delegates to the president authority to set up administrative procedures for proper review of the use of college facilities; to establish, within the framework of these policies, regulations governing such use; and to establish rental schedules where appropriate.

WAC 132T-190-050 Trespass. (1) Individuals who are not students or members of the faculty or staff and who violate these regulations will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the campus president, or his designee, to leave the college property. Such a request will be deemed to prohibit the entry of, withdraw the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave, and subject such individuals to arrest under the provisions of RCW 9.88.080.

(2) Members of the college community (students, faculty and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accord with established college policies.

(3) Any person who violates or is in violation of a district policy may have the license or privilege to be on district property revoked and ordered to withdraw from and refrain from entering upon any district property.
