(2) Salary range schedules including the first, intervening, and maximum steps of each range.

(3) Assignment of each classification to a salary range giving full consideration to the prevailing rates in Washington state private industries, and other governmental units, for positions of a similar nature to provide like pay for like work.

(4) Work period designation of each classification, or individual positions within a classification.

(5) Rates of premium pay, shift premium, and standby pay schedules determined by the personnel board in the same manner as are basic salaries.

(6) Appropriate statistical standards and reporting requirements as outlined in chapter 356-14 WAC for comprehensive and trend salary/fringe benefit surveys.

WAC 356-14-015 Salary and fringe benefit surveys—Requirements. (1) The department of personnel shall undertake comprehensive salary and fringe benefit surveys to be planned and conducted on a joint basis with the higher education personnel board, with such surveys to be conducted in the year prior to the convening of every other one hundred five day regular session of the state legislature.

(2) In the year prior to the convening of each one hundred five day regular session during which a comprehensive salary and fringe benefit survey is not conducted, the department of personnel shall plan and conduct on a joint basis with the higher education personnel board a trend salary and fringe benefit survey. This survey shall measure average salary and fringe

benefit movement for broad occupational groups which has occurred since the last comprehensive salary and fringe benefit survey was conducted.

[Statutory Authority: RCW 41.06.150. 86-14-071 (Order 253), § 356-14-015, filed 7/1/86, effective 8/1/86.]

WAC 356-14-021 Salary and fringe benefit survey plans—Intentions—Content. (1) It is the intention of the legislature that salary and fringe benefit surveys be undertaken in a manner consistent with statistically accurate sampling techniques. For this purpose, a comprehensive salary and fringe benefit survey plan shall be submitted to the director of the office of financial management, employee organizations, the standing committees for appropriations of the senate and house of representatives, and to the legislative budget committee six months before the beginning of each periodic survey required before regular legislative sessions.

(2) The salary and fringe benefit plan shall include but not be limited to the following:

(a) A complete explanation of the technical statistical process to be used in the salary and fringe benefit survey including the percentage of accuracy expected from the planned statistical sample chosen for the survey and a definition of the term "prevailing rates" which is to be used in the planned survey; and

(b) A comprehensive salary and fringe benefit survey model based on scientific statistical principles which:

(i) Encompasses the interrelationships among the various elements of the survey sample including sources of salary and fringe benefit data by organization type, size, and regional location;

(ii) Is representative of private and public employment in Washington state;

(iii) Ensures that, wherever practical, data from smaller, private firms are included and proportionally weighted in the survey sample; and

(iv) Indicates the methodology to be used in application of survey data to job classes used by state government.

(c) A prediction of the increase or decrease in total funding requirements expected to result from the pending salary and fringe benefit survey based on consumer price index information and other available trend data pertaining to Washington state salaries and fringe benefits.

(3) Every comprehensive survey plan shall fully consider fringe benefits as an element of compensation in addition to basic salary data. The plans prepared under this section shall be developed jointly by the department of personnel in conjunction with the higher education personnel board. All comprehensive salary and fringe benefit survey plans shall be submitted on a joint signature basis by the department of personnel and the higher education personnel board. The legislative budget committee shall review and evaluate all survey plans before final implementation.

(4) Interim or special surveys shall conform when possible to the statistical techniques and principles developed for regular periodic surveys under this chapter.

(5) The term "fringe benefits" as used in this chapter and in conjunction with salary surveys shall include but not be limited to compensation for:

- (a) Leave time, including vacation, holiday, civil, and personal leave;
- (b) Employer retirement contributions;
- (c) Health and insurance payments, including life, accident, and health insurance, worker's compensation, and sick leave; and
- (d) Stock options, bonuses, and purchase discounts where appropriate.

[Statutory Authority: RCW 41.06.150. 86-14-071 (Order 253), § 356-14-021, filed 7/1/86, effective 8/1/86.]

WAC 356-14-026 Salary surveys--Application--Indexing. (1) Adjustments of state salaries to prevailing rates in Washington state private industries and other governmental units shall be determined by comparisons of weighted averages of salaries, including weighted averages of salaries from out-of-state sources when necessary to obtain statistically valid salary surveys.

(2) Determination of state salary changes from prevailing rate data collected in salary surveys shall be based on occupational group averages containing related job classes where appropriate rather than on comparisons of survey data to individual state job classes.

(3) All classes shall be identified and indexed (affixed) to a particular salary survey benchmark class (or group average of selected benchmark classes). Such indexing shall display the number of salary schedule ranges that each class is aligned above, the same, or below the respective benchmark class or group. Such class-by-class indexing shall be published on twenty-day notice and approved by the board.

(4) The salary relationships so established by indexing will remain the same upon application of the salary survey data to respective benchmark classes and groups: *Provided*, That the personnel board may approve exceptions to correct for inequities, substantial changes in duties and responsibilities, or recruiting and retention problems, consistent with other provisions of this chapter.

[Statutory Authority: RCW 41.06.150. 86-14-071 (Order 253), § 356-14-026, filed 7/1/86, effective 8/1/86.]

WAC 356-14-031 Compensation plan--Adoption. (1) The compensation plan as developed under this chapter shall be presented to the board for review and adoption after consultation with and consideration of proposals from employee representatives and agencies affected.

(2) Twenty calendar days prior to the open hearing on the plan, the director of personnel shall circulate notice of the hearing to enable employee representatives and agencies affected to present their views either orally or in writing. The notice shall state the date, time, and place of the hearing, and either the terms or a description of the proposed plan. The personnel board may amend and adopt the plan at the hearing.

[Statutory Authority: RCW 41.06.150. 86-14-071 (Order 253), § 356-14-031, filed 7/1/86, effective 8/1/86.]

WAC 356-14-035 Compensation plan submittal--Intentions--Content. (1) The results of each comprehensive and trend salary and fringe benefit survey (personnel board approved compensation plan) shall be completed and forwarded by September 30 with a recommended state salary schedule to the governor and director of the office of financial management for their use in preparing budgets to be submitted to the succeeding legislature. A copy of the data and supporting documentation shall be furnished by the department of personnel to the standing committees for appropriations of the senate and house of representatives.

(2) In the case of comprehensive salary and fringe benefit surveys, the department of personnel shall furnish the following supplementary data in support of its recommended salary schedule (compensation plan):

(a) A total dollar figure which reflects the recommended increase or decrease in state salaries as a direct result of the specific salary and fringe benefit survey that has been conducted and which is categorized to indicate what portion of the increase or decrease is represented by salary survey data and what portion is represented by fringe benefit survey data;

(b) An additional total dollar figure which reflects the impact of recommended increases or decreases to state salaries based on other factors rather than directly on prevailing rate data obtained through the survey process and which is categorized to indicate the sources of the requests for deviation from prevailing rates and the reasons for the changes;

(c) A list of class codes and titles indicating recommended monthly salary ranges for all state classes under the control of the department of personnel with:

(i) Those salary ranges which do not substantially conform to the prevailing rates developed from the salary and fringe benefit survey distinctly marked and an explanation of the reason for the deviation included; and

(ii) Those department of personnel classes which are substantially the same as classes being used by the higher education personnel board clearly marked to show the commonality of the classes between the two jurisdictions;

(d) A supplemental salary schedule which indicates the additional salary to be paid state employees for hazardous duties or other considerations requiring extra compensation under specific circumstances. Additional compensation for these circumstances shall not be included in the basic salary schedule but shall be maintained as a separate pay schedule for purposes of full disclosure and visibility; and

(e) A supplemental salary schedule which indicates those cases where the personnel board determines that prevailing rates do not provide similar salaries for positions that require or impose similar responsibilities, judgment, knowledge, skills, and working conditions. This supplementary salary schedule shall contain proposed salary adjustments necessary to eliminate any such dissimilarities in compensation. Additional compensation needed to eliminate such salary schedule but shall be maintained as a separate salary schedule for purposes of full disclosure and visibility.

(3) It is the intention of the legislature that requests for funds to support recommendations for salary deviations from the prevailing rate survey data shall be kept to a minimum, and that the requests be fully documented when forwarded by the department of personnel. Further, it is the intention of the legislature that the department of personnel and the higher education personnel board jointly determine job classes which are substantially common to both jurisdictions and that basic salaries for these job classes shall be equal based on salary and fringe benefit survey findings.

(4) Salary and fringe benefit survey information collected from private employers which identifies a specific employer with the salary and fringe benefit rates which that employer pays to its employees shall not be subject to public disclosure under chapter 42.17 RCW.

(5) The first comprehensive salary and fringe benefit survey required by this section shall be completed and forwarded to the governor and the director of the office of financial management by September 30, 1986. The first trend salary and fringe benefit survey required by this section shall be completed and forwarded to the governor and the director of the office of financial management by September 30, 1988.

[Statutory Authority: RCW 41.06.150. 86-14-071 (Order 253), § 356-14-035, filed 7/1/86, effective 8/1/86.]

WAC 356-14-045 Salaries--Comparable worth. (1) Salary changes necessary to achieve comparable worth shall be implemented during the 1983-85 biennium under a schedule developed by the department of personnel in cooperation with the higher education personnel board. Increases in salaries and compensation solely for the purpose of achieving comparable worth shall be made at least annually. Comparable worth for the jobs of all employees under chapter 41.06 RCW shall be fully achieved not later than June 30, 1993.

(2) Comparable worth entitlements shall comply with the December 31, 1985 settlement agreement between the state of Washington and the American Federation of State, County and Municipal Employees (AFSCME), et al., as approved by federal district court and ratified by the Washington legislature.

(3) Upon the establishment of new classes, or redefinition of existing classes, the following policy shall apply:

(a) When an existing class or class series that is covered by the settlement agreement is substantially revised, the comparable worth salary range involvement shall be determined by reevaluating the classes using the Willis methodology.

(b) The comparable worth salary range involvement for classes that were not covered by the settlement agreement and newly created classes or class series shall be determined based on internal indexing, or Willis evaluation, whichever is determined most appropriate by the director.

(c) Salary ranges for new or revised classes which are substantially common with higher education personnel board classes shall be equal, as applicable.

[Title 356 WAC—p 32]

(4) Comparable worth evaluation committee:

(a) Comparable worth evaluations using the Willis methodology shall be conducted by an evaluation committee composed of at least eight member representatives from operating agencies, employee organizations, and department of personnel staff.

(b) Members shall be experienced in agency programs or personnel administration. Members must also attend meetings on a regular basis a majority of the time.

(c) The director shall process committee appointments, appoint officers, establish meeting agendas, call meetings, and schedule (or reschedule) evaluations as he/she deems appropriate. Affected agency or employee representatives must submit any requests for evaluations or reevaluations in writing to the director for disposition and written response.

(5) Other administrative requirements regarding comparable worth adjustments include, but are not limited to, the following:

(a) The process for determining comparable worth class salary range involvement, if any, will be made a part of the regular monthly state personnel board meeting agenda.

(b) Requesting agencies and organizations should submit new and revised class proposals in sufficient time to accommodate a possible two-month review and evaluation period requirement.

(c) Agency requests should include proposed salary survey indexing and proposed comparable worth involvement, if any, at time of item submission. Indexing and comparable worth information will be included in board meeting agenda publications.

(d) For purposes of legal, fiscal, and legislative disclosure, comparable worth involvement salary ranges will be tracked and recorded by class.

[Statutory Authority: RCW 41.06.150. 87-09-037 (Order 273), § 356-14-045, filed 4/14/87, effective 6/1/87; 86-14-071 (Order 253), § 356-14-045, filed 7/1/86, effective 8/1/86.]

WAC 356-14-060 Compensation plan--Additional salary surveys and studies. (1) Upon the establishment of new classes, redefinition of existing classes, realignment or reorganization of duties and responsibilities, determination of recruitment and/or retention difficulties, receipt of employee or agency salary protests, or whenever the board or director find it necessary, the director may conduct additional salary surveys and/or alignment studies to determine salaries, or whether salary changes are needed.

(2) Consistent with other provisions of this chapter, interim surveys shall conform to the statistical techniques set forth in this chapter.

(3) Salary levels which are indicated by the results of these surveys or studies may be implemented upon approval of the board provided:

(a) The salary is for a new class; or

(b) Substantial changes to duties and responsibilities which affect salary are made to the class; or

(c) Significant salary-related recruiting and/or retention problems exist, as documented in historic records.

[Statutory Authority: RCW 41.06.150. 87-15-045 (Order 280), § 356-14-060, filed 7/13/87, effective 9/1/87; Order 36, § 356-14-060, filed 7/1/71, effective 8/1/71. Formerly WAC 356-08-185.]

WAC 356-14-062 Compensation plan--Fiscal impact. The board will not consider fiscal impact in determining salaries. However, salary changes are subject to approval by the director of the office of financial management in accordance with provisions of chapter 43.88 RCW.

[Statutory Authority: RCW 41.06.150. 87-15-045 (Order 280), § 356-14-062, filed 7/13/87, effective 9/1/87.]

WAC 356-14-065 Salary--Teachers of the deaf or blind. In accordance with RCW 72.05.140(2), teachers of the deaf or blind will be paid, beginning with their 1981-82 school year, the same salaries paid to certified employees of similar background and experience in School District #37, Vancouver, Washington.

New yearly schedules will be published when received from that school district.

[Statutory Authority: RCW 41.06.150(17). 81-23-031 (Order 163), § 356-14-065, filed 11/16/81.]

WAC 356-14-070 Salary--Limits. No employee shall be compensated at a basic salary rate greater than the maximum or less than the minimum step of the salary range to which the class had been allotted, unless the director authorizes a different rate in cases of reallocation downward or in other cases involving unusual circumstances where equity requires a different rate of pay. On appeals from reallocation downward the decision of the board may be made effective retrospectively to the effective date of the appealed reallocation. In all other cases the decision shall only be made effective prospectively. All such requests and justifications must be submitted to the board in writing within 15 calendar days from the effective date of the action from which the request originates.

WAC 356-14-075 Y-rate--Administration. (1) A Y-rate is a dollar amount that is treated as the basic salary for an employee.

(2) A Y-rate is set by the director of personnel or other provisions of the merit system rules at an amount other than that which would be paid if such action were not taken.

(3) Will remain in effect until one of the following occurs:

(a) A specific date established by the director of personnel is reached; or

(b) The employee leaves the class or voluntarily leaves the position he/she occupied when the Y-rate was approved except for transfers due to reduction-in-force; or

(c) The range for the employee's present class is increased to include the Y-rate amount which formerly exceeded the top of the range. At that time, the employee's basic salary shall become the maximum step of the salary range for the class; or

(d) The range for the employee's present class is increased, but had already encompassed the employee's Y-rate, which was between normal steps. At that time, the employee's basic salary shall advance to the normal step of the range which provides the closest to, but not greater than, the increase in the range; or

(e) The employee's salary is reduced pursuant to WAC 356-34-020; or

(f) The Y-rate is subsequently modified by the director of personnel.

(4) On its effective date, a Y-rate will cause the employee to lose his or her periodic increment date unless the salary is between steps of the range.

(5) Salary increases approved by the legislature shall not move the basic salary of a Y-rated employee higher than the top step of the salary range assigned to that employee's classification, unless the salary appropriations act specifically provides for increases above the top step for Y-rated employees.

(6) The director of personnel shall keep records of all Y-rate approvals.

[Statutory Authority: RCW 41.06.150. 86-17-038 (Order 256), § 356-14-075, filed 8/15/86, effective 10/1/86; 85-09-030 (Order 221), § 356-14-075, filed 4/12/85; Order 109, § 356-14-075, filed 9/7/77; Order 96, § 356-14-075, filed 12/10/76, effective 1/12/77; Order 92, § 356-14-075, filed 10/5/76, effective 11/5/76.]

WAC 356-14-080 Salary--Entrance. The entrance salary for an employee shall be the minimum salary step of the range unless the prospective employing agency has authorized a higher entrance salary step.

WAC 356-14-085 Salaries--Reduction in force register appointment. When an eligible is appointed from a certification off of a reduction in force register, his/her salary will be set as follows:

(1) If the employee was demoted due to a reduction in force action or the reallocation of a position downward, the salary will be the basic dollar amount the employee was being paid at the time he/she left the range to which he/she is being appointed, plus, whatever the periodic increases and the salary adjustments that would have been made had the employee remained in that classification and range. If the employee was separated from state service due to a reduction in force action, the separation will not be regarded as a break in service. The time during which employees are off the payroll will not be used in computing periodic increases except for practices in effect prior to October 14, 1980, for setting periodic increment dates for employees involving recurring reduction in force. An eligible still employed by the state will not be entitled to further increases in salary based on promotion as prescribed in WAC 356-14-140.

(2) Such increases above the basic dollar amount in (1) above shall not place the employee higher than the maximum salary for the range, except general salary increase specifically granted to Y rated employees.

WAC 356-14-110 Salary--Periodic increment dates--Original--Subsequent. (1) The periodic increment date (PID) is the date on which an employee automatically advances to a higher dollar amount in the range to which the employee's position is classified; provided

(a) The employee's basic salary is not already at or above the maximum step of the assigned range, or

(b) The employee's standards of performance are such as to permit retention in a job status.

(2) The dollar amount of the increase will be two salary schedule increments; except

(a) The amount shall be one salary schedule increment if a two-increment increase would place the employee's basic salary above the maximum of the range of the employee's classification, or

(b) A fractional part of an increment amount shall be regarded as a full increment advance, if the employee's basic salary was between salary schedule steps immediately prior to the increase, or

(c) The dollar amount increase is stated otherwise in the compensation plan appendix or chapter 15.

(3) The original periodic increment date for an employee is:

(a) Six continuous months from the date the employee began work at the first step of a salary range, or

(b) One calendar year from the date on which the employee began work at an intervening salary step; provided that in either (a) or (b):

(i) Any work period starting before the 16th of the month will count as a full month.

(ii) Any work period starting after the 15th of the month will not be counted.

(iii) An employee at or above the maximum step of a salary range does not have a periodic increment date.

(4) The periodic increment date shall be recomputed following leaves of absence without pay, in accordance with WAC 356-18-220, breaks in serve due to reduction in force or reversion action. In such adjustments, calendar months of pay status already spent at a step will be

credited toward the time required to advance to the next available increase in that range.

(5) An employee's periodic increment date shall be set and remain the same unless subsequently changed in accordance with the provisions of the merit system rules.

WAC 356-14-120 Salary--Periodic increment date--Promotion. Employees who receive a salary increase through promotion shall retain their present periodic increment date except:

(1) When the employee is placed at the first step, the employee either retains the same periodic increment date or assumes a new one six calendar months from the promotion, whichever date occurs first.

(2) An employee with no periodic increment date because of being promoted from a maximum step or a Y rated amount above the maximum step of a range, will assume a new periodic increment date if the employee is moving to a minimum or intervening salary step as provided in WAC 356-14-110.

WAC 356-14-130 Salary--Concurrence of probation, trial service, and periodic increment date. When the date of promotion and the periodic increment date coincide, the periodic increment shall be paid prior to the promotional increase. Periodic increment dates and completion dates for probationary and trial service periods shall be computed separately.

Formerly WAC 356-08-136 and 356-08-137.]

WAC 356-14-140 Salary--Increase on promotion.

(1) All promotional salary changes shall be determined as if the employee's old and new classes were both paid on the base ranges with the same whole-number designations as the point ranges which may be involved. Thus under the rules which follow in this section, a four-range promotion would be exemplified by movement from base range 30 to base range 34; not from base range 30 to point range 30.4. The following examples are cited to further clarify the intent of this rule:

(a) A four-range promotion from range 26.4 step i to range 30.2 would be determined as though the move

were from range 26 step i to range 30 step e (same dollar amount) plus two increments to step g; then to step g of range 30.2.

(b) A six-range increase would occur if an employee promoted from range 26.4 to range 32.2, even though the actual dollar amount of the range increase is less than a promotion from range 26 to range 32.

(c) A five-range increase would occur if an employee promoted from range 26 to range 31.4 even though the actual dollar amount of the increase appears to be closer to six ranges.

(d) Promotional movement from range 30.1 step d to range 30.3 would be made as though the movement were from range 30 step d to range 30 step f, then to range 30.3 step f.

(2) An employee who is promoted less than six salary ranges shall receive a two-increment salary increase on the date of promotion, or

(a) To the minimum step of the newly assigned range, if the minimum dollar amount is higher, or

(b) To the maximum step of the newly assigned range, if a two-increment increase would have otherwise placed the employee above the maximum step of the range, or

(c) To the next higher salary schedule dollar amount which would represent more than a one-increment increase but [no] [not] more than a two-increment increase, if the employee's basic salary in the former class was Y-rated between two salary schedule steps, and (a) or (b) above do not apply.

(3) An employee who is promoted six or more ranges shall receive a four-increment salary increase on the date of promotion.

(4) An employee who is working in a position that is included in an approved class series study and who accepts a promotion within that agency to a classification impacted by the same study, shall be paid not less than the salary that would have been paid had the employee remained in the former position and benefited from an upward reallocation. In no event, however, shall the employee receive a salary higher than the maximum step of the classification to which promoted. The higher salary shall become effective on the effective date of the class study.

(5) An employee who is promoted in either situation (a) or (b) below, shall receive a four-increment salary increase:

(a) When the employee is promoted over an intervening class in the same class series, or

(b) When the employee is promoted from one class series to a higher class series and over an intervening class in the new series which would have represented a promotion.

(6) An employee whose promotion requires a change of residence to another geographic area to be within a reasonable commuting distance of the new place of work shall receive a four-increment increase on the date of promotion.

(7) An employee will be entitled to only one of the increases of (3), (5) or (6) above within a 12 month period. An employee whose salary would otherwise be increased under (3), (5) or (6) above shall receive a salary increase as provided in (2) above when the promotions occur within 12 months of each other.

(8) When the increase prescribed in (3), (5) and (6) above would result in a salary above the maximum of a range or the increase was from an amount between the steps, then the same limitations prescribed in (2)(a), (b) or (c) will prevail.

(9) Any additional salary ranges that were afforded by a special assignment pay provision shall not be used in the above computations.

(10) The dollar amount increase is stated otherwise in the compensation plan appendix or chapter 15 but will not be used in the above computation.

(11) Increases will not be provided as above when teachers' salaries are prescribed in the teachers and principal salary schedules.

WAC 356-14-150 Salary--Adjustment upward--Status--Incumbents. The following provisions apply to employees occupying positions in classes which have been adjusted upward in salary ranges:

(1) Adjustment in salary range based on salary survey, no change in class concept, duties, and responsibilities.

(a) Employee retains existing appointment status.

(b) Salary is adjusted to the same step in new range as held in previous range.

(2) Adjustment in salary range based on a change in duties and responsibilities in all positions in the class.

(a) Employee retains existing appointment status.

(b) Employee's salary is adjusted in accordance with the rules governing promotion.

WAC 356-14-160 Salary--Voluntary demotion--Computation. (1) An employee accepting a demotion shall receive credit for all continuous employment in the higher range in determining the step in the lower salary range except that the employee who has not been employed in a lower salary range shall be reduced on a step-for-step basis.

(2) Exceptional qualifications or unusual circumstances may warrant a salary different than prescribed

above. In such cases, the employing agency may authorize a higher salary step within the lower salary range. Employing agencies shall retain records of such actions.

The employee is not entitled to separation pay for the accrued leave as a result of the change. Pay for the accrued vacation leave is due only when an employee separates from state service. Movement from one agency to another is not termination of employment with state government.

WAC 356-14-230 Salary--Duplicate payment. Nothing in this rule shall be interpreted in such a manner as to result in duplicate payment for the same work time. Where time worked by an employee would qualify for premium payment under more than one article, that article authorizing the highest compensation shall apply provided that: Nothing herein shall preclude payment of premiums for shift premium and overtime for the same hours. (1) Scheduled, nonscheduled, and law enforcement employees shall be compensated in cash or compensatory time off, both at the rate of time-and-one-half. Cash payment shall be at the overtime rate, while compensatory time shall be credited as 1.5 hours of compensatory time for each hour of overtime worked. (See WAC 356-14-265 for computing cash value compensatory time.)

Compensatory time off may be used in lieu of cash only when an agency and the employee agree, except as provided for law enforcement positions in WAC 356-15-030 (4)(a). When compensatory time off is utilized, it shall be liquidated in accord with WAC 356-14-260.

(2) Time during which an employee is excused from work for holidays, sick leave, vacations or compensatory

time shall be considered time worked for payroll purposes. However, time records shall indicate that the employee did not work during these excused absences.

(3) If assignment pay is earned during overtime hours which are credited as compensatory time, no additional credit or payment shall be made for the assignment pay. When compensatory time is utilized by an employee whose presently scheduled, regular assignment entitles the employee to full-time assignment pay, then the payment for the compensatory time off shall include the assignment pay.

WAC 356-14-250 Compensatory time--Maximum balance. The maximum compensatory time balance may not exceed 480 hours for employees engaged in public safety, emergency response, or seasonal activities (as may be defined in the Code of Federal Regulations chapter 29), or 240 hours for all other employees.

WAC 356-14-260 Compensatory time--Liquidation. Agencies may require that compensatory time off shall be scheduled as soon as possible after accrual and with due regard for the employee's needs, insofar as this can be accomplished without detracting from sound and orderly administration.

Agencies may require that accumulated compensatory time be liquidated before vacation leave is granted except in those instances where this procedure would result in loss of accumulated vacation leave.

WAC 356-14-265 Compensatory time cash-out. (1) All of an employee's accrued compensatory time shall be compensated in cash under the following circumstances:

(a) At the end of each biennium (June 30 of each odd-numbered year) or at more frequent intervals set by the employing agency.

(b) When the employee separates from state service for any reason, including death.

(c) When the employee moves from one state agency to another. Payment will be made by the agency in which the compensatory time was accrued; except that if

a function or program, together with assigned employees, is transferred from one to another agency, all accumulated compensatory time shall also be transferred.

(2) When accrued compensatory time is cashed out as the result of death or other termination of employment, it shall be at a rate of not less than:

(a) The average "regular rate" (defined in WAC 356-05-353) received by the employee during the last three years of employment; or

(b) The final regular rate received by the employee, whichever is higher.

WAC 356-15-020 Work period designations. (1) The personnel board shall assign a specific work period designation to each job class. In deciding which work period designation is appropriate, the personnel board shall consider the following factors:

(a) Whether the positions are exempt from the overtime provisions of the Fair Labor Standards Act as executive, administrative, professional, agricultural, outside sales, or recreational establishment personnel as summarized in chapter 356-05 WAC.

(b) Whether the positions have been historically paid overtime by the state.

(c) Whether the private sector or other governmental jurisdictions have a historical or prevailing overtime pay practice for direct counterpart positions.

(d) Other factors it may deem to be appropriate.

(2) The personnel board may authorize a work period designation for an individual position which differs from the class-wide designation when the position has atypical working conditions. When two or more designations are indicated for a job class, the first designation listed shall constitute the class-wide designation. Each position shall be assigned only one designation. The work period designation for persons on "in-training" and "underfill" appointments shall be the same as that of the position to which they are appointed, except that if the position is designated "exceptions," the employee's work period designation will be "nonscheduled."

(a) **Scheduled (S):**

(i) **Standard:** Full-time positions with conditions of employment which may be completed within five consecutive work days, each having the same starting time and lasting not more than eight working hours.

(ii) **Alternate:** Full-time positions with conditions of employment which may be completed within:

(A) Five work days lasting not more than eight working hours within the same workweek but which, because of operational necessity, cannot be scheduled with the same daily starting time or with consecutive days off; or

(B) Four work days lasting not more than ten working hours each within the same workweek; or

(C) Four nine-hour work days and one four-hour work day; or

(D) Ten consecutive work days with four consecutive days off; or

(E) Ten work days lasting not more than eight working hours and occurring within a scheduled fourteen consecutive day period. Positions are restricted to employees in the registered nurse class series who work in

an institutional hospital primarily engaged in the care of residents.

(F) Continuous five work-days-per-week shifts which rotate each 28 days to a different schedule of regular days and hours per week. The rotation involves extended or shortened time off between the ending shift of one schedule and the beginning shift of the next, but does not require more than eight hours work in any one 24-hour period within a schedule, nor more than fifty-two 40-hour workweeks per year. Positions are limited to communications officers and scheduled commercial vehicle enforcement officers of the state patrol.

After giving written notice to the employee and the certified exclusive representative, the employer may implement an alternate schedule provided the employer can document a program need for the alternate schedule or the alternate schedule is mutually agreeable to the employer and employee.

(iii) **Unlisted:** Full-time positions for which the director of personnel has approved a schedule or scheduling plan not allowed above. Such unlisted schedules may be approved by the director of personnel when both the agency and the affected employees are in agreement. Approval by the exclusive representative shall constitute approval of employees within a certified bargaining unit.

(b) **Nonscheduled (NS):** Full-time positions with conditions of employment which necessitate adjustment of hours by employees within forty working hours within the workweek. These positions may have preset schedules or task assignments which require their attendance at certain hours, but are generally responsible to adjust their hours to best accomplish their workload.

(c) **Law enforcement (1):** Full-time positions which meet the law enforcement criteria of section 7(k) of the Fair Labor Standards Act. (Defined as law enforcement personnel in WAC 356-05-210.)

(d) **Exceptions (e):** Full-time positions which are exempt from the overtime provisions of the Fair Labor Standards Act as executive, administrative, professional, agricultural, outside sales, or recreational establishment personnel as summarized in chapter 356-05 WAC.

WAC 356-15-030 Overtime provisions and compensation. (1) The following conditions constitute overtime:

(a) For full-time employees, work in excess of the workshift within the work day.

(b) Work in excess of forty nonovertime hours in one workweek or eighty nonovertime hours in a scheduled fourteen consecutive day period as authorized under WAC 356-15-020 (2)(a)(ii).

(c) Work on a holiday (except Sunday when it is within the scheduled workshift). Scheduled work performed on a Sunday which is coincidental with some other state holiday is overtime work.

(d) Work on a scheduled day off.

(e) Time worked in excess of the 28-day work period by law enforcement positions.

(2) Scheduled work period employees shall receive overtime compensation for work which meets subsection (1)(a) through (d) of this section.

(3) Nonscheduled work period employees shall receive overtime compensation for work which meets subsection (1)(b) through (d) of this section and may be paid overtime compensation for work which meets subsection (1)(a) of this section.

(4) Law enforcement positions have a one hundred sixty-hour, twenty-eight-day work period, rather than a forty-hour workweek.

(a) When the combination of credited work hours (vacation, sick leave, holidays, or compensatory time) and actual work hours exceeds one hundred sixty hours, the employee shall be compensated at time and one-half rates in cash or compensatory time at the option of the agency.

(b) Overtime compensation for actual work in excess of one hundred seventy-one hours in a work period may be in the form of compensatory time off if the employee and the agency agree.

(c) Assigned, actual work on a holiday shall be considered as work in excess of one hundred sixty hours.

(d) For the positions receiving assignment pay for an extended work period, the following special provisions apply:

(i) These law enforcement classes or positions have a one hundred seventy-one-hour, twenty-eight-day work period, for which they receive four ranges (approximately ten percent) above the base salary range.

(ii) When the combination of credited work hours and actual work hours exceeds one hundred seventy-one hours, the employee shall be compensated at time and one-half rates. Compensation may be in the form of compensatory time off if the employee and the agency agree.

(iii) Assigned, actual work on a holiday shall be considered as work in excess of one hundred seventy-one hours.

(5) Exceptions work period employees are not required to be [compensated] [compensation] beyond their regular monthly rate of pay for work which meets subsection (1)(a) through (d) of this section. However, they may be compensated or granted exchange time for any of those conditions if their appointing authority deems it appropriate.

(a) If overtime compensation is authorized, the appointing authority may fix the rate, not to exceed the overtime rate (WAC 356-05-231). As indicated in subsection (5) of this section, the agency and the employee may agree to use compensatory time off in lieu of cash; in that event, the rules covering liquidation of compensatory time apply.

(b) Exchange time may be authorized for any number of hours worked beyond the exceptions work period employee's normal hours of work. For those hours authorized, the rate shall be equal hours off for those worked. Exchange time can be accrued to a limit determined by each agency, not to exceed one hundred seventy-four hours. The exchange time accrual for incumbents in the class of youth development and conservation corps camp supervisor only may be increased to four hundred eighty hours by the employing agency.

(c) Employees must be allowed, and may be required, to use all exchange time in excess of eighty hours prior to each April 1 and October 1, or other semiannual dates fixed by an agency and made known to its employees and the director of personnel by that agency's director. As an exception to the above, the director of personnel may establish a single annual date based on the special needs of the requesting agency. Employees must exhaust their exchange time before using compensatory time or vacation leave unless this would result in a loss of accumulated leave.

(d) Employee absence on approved exchange time shall be considered as time worked for payroll purposes.

(e) Exchange time has no cash liquidation value. However, employees voluntarily terminating from state service or transferring to another agency must be offered the opportunity to postpone their cessation of employment by the granting agency until their accumulated, authorized exchange time has been used. Employees who were separated due to a reduction in force or disability separation are entitled to reinstatement of accumulated exchange time if they are rehired on a permanent basis by the granting agency within three years of separation.

(6) Overtime shall be compensated in accord with the provisions of WAC 356-14-230 through 356-14-265.

(7)(a) Part-time employees whose positions are in job classes designated as scheduled, nonscheduled, or law enforcement shall receive overtime compensation for work which meets subsection (1)(b) or (c) of this section.

(b) Hourly paid employees whose positions are in job classes designated as exceptions are not exempt from the overtime provisions of the Fair Labor Standards Act. For these employees, an agency must determine and notify the employee of the beginning of the workweek, must maintain the wage and hour records identified in WAC 356-14-220, and must pay overtime compensation for actual hours worked in excess of 40 nonovertime hours in a workweek.

WAC 356-15-035 Dual employment. An employee in a merit system position may accept simultaneous employment in a different position only if the hours of work do not overlap; and all merit system employers know and agree to the other employment; and one of the following three conditions applies.

(1) Regular dual employment—Related employers. The dual employment occurs on a regular basis either within merit system agencies, or among employers who use the employee on a project which is shared by a merit system employer of that person.

If the majority of work done in all such positions is covered by the overtime provisions of the Fair Labor Standards Act, then all work in all such positions is subject to the Fair Labor Standards Act, even though an entire position might otherwise have been exempt.

Overtime responsibility for FLSA-covered dual employment:

(a) Each state merit system agency shall calculate and pay any overtime earned on its own position, using the overtime rate as defined in WAC 356-05-231.

(b) In addition, each agency shall determine the number of hours actually worked each week by the employee on all dual employment positions. If the total of all hours worked exceeds forty, then dual employment overtime must be calculated.

(c) Dual employment overtime is calculated for the combination of positions as follows:

(i) Add together for the pay period: Straight-time pay for all hours actually worked, shift premium, assignment pay, standby pay, the cost of employees' personal expenses such as meals, if these are for the employees' own benefit and not for the benefit of the employer. Do not include: The extra half-time pay which would be part of a normal time-and-one-half calculation; pay for holidays not worked or any other hours which were not actually worked; penalty payments such as call back, which are not based on the number of hours worked; per diem or other expense reimbursement; discretionary bonuses such as suggestion awards; group incentive awards authorized by RCW 41.60.120.

(ii) Divide this straight-time pay for all hours worked by the total number of hours actually worked within the pay period or work period. (Do not include standby hours as hours worked.) The result is the "dual employment hourly rate."

(iii) Calculate one-half of the "dual employment hourly rate" for all hours actually worked in excess of forty in any workweek, and add that amount to the total straight-time pay. If the total is greater than all the normal merit system basic salary and any additional compensation due from the individual employing agencies, then the excess must be paid as "dual employment overtime pay."

(iv) If all employers of a shared employee reach an agreement which assures full payment for each instance of dual employment overtime, they may share the cost according to their agreement. Otherwise, each employing agency shall pay the same proportion of "dual employment overtime pay" as its proportion of the total straight-time pay. Nothing in chapter 356-15 WAC is

intended to lessen an agency's right to share part of an employee's services with another agency on an interagency reimbursement basis.

(2) Irregular dual employment—Same capacity or employer caused. A person is employed in any status in one merit system agency, and is also occasionally or sporadically employed in the same job class or capacity in the same or different merit system agency; or is obligated by one merit system position to be employed in another.

Overtime responsibility: Overtime is payable under the provisions of subsection (1) of this section.

(3) Unrelated occasional or sporadic dual employment. An employee in one merit system position is occasionally or sporadically (not regularly) employed in a second position in the same or a different agency and the following conditions are true.

(a) Employment in the second position is solely at the option of the employee.

(b) The occasional or sporadic employment is in a different capacity than the regular employment.

Overtime responsibility: Any overtime earned by the employee shall be the exclusive responsibility of the agency in which the overtime occurs. Time worked in the occasional or sporadic position shall not be combined with time worked in any other position for the purpose of calculating overtime.

WAC 356-15-040 Travel time. Travel time shall be considered as time worked when:

(1) It occurs during the employee's normal hours of work and is from one work site to another; or

(2) The employee has a regularly assigned work site, and the travel is to carry out a work assignment at a different location than the regularly assigned work site, to the extent that it exceeds normal home-to-work travel time, is outside of normal working hours, and does not exceed the shortest reasonable means for the employee to reach and return from the location.

WAC 356-15-050 Holiday compensation. (1) All full-time employees shall be compensated for the days that are designated as holidays, except Sundays, as listed in WAC 356-18-020 and 356-18-030 (2), (3) and (4) at a straight-time rate even though they do not work. In addition:

(a) Scheduled and nonscheduled work period employees shall be compensated for the hours actually worked on a holiday at the overtime rate.

(b) Exception work period employees, while not normally compensated additionally for work performed on a holiday, may be compensated for the hours actually worked on a holiday at a rate not to exceed the overtime rate, when their appointing authority deems it appropriate.

(2) Part-time employees shall be compensated for holidays in accord with WAC 356-18-030(5).

WAC 356-15-060 Shift premium provisions and compensation. (1) For purposes of this section, night shift and evening shift are defined as work shifts of eight or more hours which start by 3 a.m. or end at or after 10 p.m. respectively.

(2) Employees are entitled to shift premium in the amount specified in WAC 356-15-061 under the following circumstances only:

(a) Scheduled standard work period employees:

(i) For their scheduled hours which extend before 6 a.m. or after 6 p.m.

(ii) For all hours on their scheduled evening and/or night shift.

(iii) For all additional compensated hours worked by employees whose work schedules consist entirely of evening and/or night shifts.

(b) Scheduled alternate, unlisted, nonscheduled, exceptions, and law enforcement work period employees:

(i) For conditions mentioned in (a) of this subsection, shift premium is payable.

(ii) Employees who are scheduled to work at least one, but not all, night or evening shifts each week, are entitled to shift premium for those scheduled evening or night shifts, and for all adjoining hours which are worked and compensated.

(c) Part-time employees:

(i) For all assigned hours of work after 6 p.m. and before 6 a.m.

(ii) For assigned full night or evening shifts, as defined in subsection (1) of this section.

(d) Intermittent and temporary employees are entitled to shift premium depending on whether their assignment fits into the part-time category ((c) of this subsection) or into one of the full-time categories ((a) or (b) of this subsection).

(3) **Monthly shift premium rates:** In cases where shift premium hours are regularly scheduled over a year, agencies may pay shift premium at a monthly rate which is equal for all months of the year. Such monthly rates shall be calculated by dividing twelve into the amount of shift premium an employee would earn in a year if the hourly rules in subsection (1) of this section were applied. This option is granted to simplify bookkeeping and is not authorized to establish shift premium rates higher or lower than those set by the board.

(4) **Shift premium and overtime:** When an employee is compensated for working overtime during hours for which shift premium is authorized in subsection (2)(a) through (c) of this section, the overtime rate shall be calculated using the "regular rate" as defined in WAC 356-05-353.

(5) **Payment during leave periods:** Employees eligible for shift premium for all or part of their regular shifts

will receive the same proportion of shift premium for authorized periods of paid leave, i.e., vacation leave, sick leave, military leave, holiday leave, etc.

WAC 356-15-061 Shift premium schedule. (1) The shift premium is 50¢ an hour for evening and night shifts, and is payable only under conditions described in WAC 356-15-060.

(2) Registered nurses 1, 2, 3, and 4 receive a \$1.00 an hour shift differential (classes 5630-5636).

[Statutory Authority: RCW 41.06.150, 86-21-046 (Order 259), § 356-15-061, filed 10/10/86, effective 12/1/86; 85-14-008 (Order 224), § 356-15-061, filed 6/24/85.]

WAC 356-15-063 Supplemental shift premium for registered nurses. (1) For the classes of registered nurse 1, 2, 3, and 4 only, there shall be the following supplemental shift premium rates payable only in the amounts and under the conditions described in this section.

(a) \$0.50 an hour, payable alone or in any combination with shift premiums authorized in sections WAC 356-15-060, 356-15-061, and 356-15-063 (1)(b) during any hours worked from 11:00 p.m. until 7:00 a.m. and for no other hours.

(b) \$3.00 an hour, payable alone or in combination with shift premiums authorized in sections WAC 356-15-060, 356-15-061, and 356-15-063 (1)(a) during any hours worked from any Saturday morning midnight to Monday morning midnight, and for no other hours.

Example: A registered nurse 2 is scheduled to work from 10:00 p.m. to 6:00 a.m. Friday through Tuesday. On Friday from 10:00 p.m. to 11:00 p.m. the shift premium would be \$1.00 an hour as provided in WAC 356-15-060 and 356-15-061. From 11:00 p.m. until 12:00 midnight the supplemental \$0.50 an hour would be added, raising the premium rate to \$1.50 an hour. At midnight, the supplemental \$3.00 an hour for work on Saturday would be added, raising the premium to \$4.50 an hour until the end of the shift at 6:00 a.m.

If the employee is directed to work overtime until noon, the basic \$1.00 an hour night shift premium continues to be payable to this night shift employee. And the \$3.00 Saturday-Sunday premium continues. But the 11:00 p.m. to 7:00 a.m. \$0.50 stops at 7:00 a.m., reducing the premium to \$4.00 an hour until noon.

(2) These supplemental shift premiums are payable regardless of whether the work was previously scheduled, and regardless of whether the employee is full time or part time.

(3) These supplemental shift premiums are not payable during hours other than those specified, even though additional continuous hours may be worked by the employee.

WAC 356-15-070 Split shift provisions and compensation. When an employee's assigned workshift is split with a minimum of four intervening hours not worked, the employee shall receive the premium rate set in the shift premium rate designated in WAC 356-15-061 for all hours worked. The provisions of WAC 356-15-060 (3) through (5) shall apply to employees working split shifts.

WAC 356-15-080 Standby compensation. (1) Requirements:

(a) An employee is in standby status when not being paid for time actually worked and both of the following conditions exist:

(i) The employee is required to be present at a specified location. The location may be the employee's home or other specific location, but not a work site away from home. When the standby location is the employee's home, and the home is on the same state property where the employee works, the home is not considered a work site.

(ii) The agency requires the employee to be prepared to report immediately for work if the need arises, although the need might not arise.

Note: When the nature of a duty station confines an employee during off duty hours (e.g., a ship), and that confinement is a normal condition of work in the employee's position, standby compensation is not required merely because the employee is confined.

(b) An agency may issue a written policy stating that an employee is in standby status when not being paid for time worked while required to leave a telephone number with the agency or remain in communication with a dispatching authority to respond to a call to begin work in a specified time limit.

(c) Standby status shall not be concurrent with work time.

(2) **Payment:** Any scheduled or nonscheduled work period employee required to stand by shall be paid the hourly standby rate. Standby pay may be authorized by an agency for exceptions work period employees. Exceptions work period employee standby may be compensated with compensatory time. The compensatory time shall be equal in base salary to the dollar amount of standby pay earned.

(3) **Rate:** The standby hourly rate for each step of any range is calculated by dividing the maximum number of standby hours in a workweek (128 hours) into the difference between that step of the range and the same letter step of the range which is exactly two whole numbers higher. That is: $(28 - 26, \text{ or } 28.3 - 26.3)$ divided by 128 hours.

WAC 356-15-090 Schedule change and compensation. (1) The appointing authority shall schedule the working days and hours of scheduled work period employees. This schedule shall remain in effect for at least seven calendar days, and may be changed only with seven or more calendar days notice. If seven calendar days notice is not given, a new schedule does not exist until the notice period expires. Agencies may notify employees of more than one future schedule change in a single notice.

The seven calendar days notice of changes in working days and/or hours must be given to the affected employees during their scheduled working hours. The day that notification is given shall constitute a day of notice.

(2) If the appointing authority changes the assigned hours or days of scheduled work period employees without giving them at least seven days notice of the change, employees will be paid for all time worked outside the scheduled hours or days at the overtime rate for the duration of the notice period.

(a) When changes in employees' assigned hours or days are made without proper notice, employees may work their scheduled hours or days unless the appointing authority deems that:

(i) The employees are unable to perform satisfactorily as the result of excessive overtime hours; or

(ii) The work which normally would have been performed within the scheduled hours or days cannot be performed.

(b) The state is not obligated to pay for those scheduled hours or days not worked, unless the employee is on an authorized leave of absence with pay.

(c) Overtime pay and shift or schedule change pay shall not be paid for the same incident.

(3) Regardless of whether advance notice is given, an agency is not obligated to pay overtime due to a change in work schedule, when such a change is in response to a request from an employee, provided the employee works no more than forty hours in a workweek.

When the majority of employees in a work unit ask, in writing, for such a change, and the work unit can function properly only if all employees in the unit work the proposed schedule or scheduling plan, the agency is authorized to approve the change for the entire unit as an employee-initiated change. A written request for a schedule change from the exclusive representative shall constitute a request of employees within a certified bargaining unit.

(4) When an agency initiates a scheduled change from one scheduled standard work schedule to another scheduled standard work schedule, there is created a seven-day transition period.

(a) The transition period starts at the beginning of the shift of the previous schedule which would have begun a new five-consecutive-day work cycle.

(Example: An eight-to-five Tuesday through Saturday employee changes to a Sunday-Thursday schedule beginning on Sunday. The transition period starts at eight a.m. on the last Tuesday of the old schedule, and runs until eight a.m. on the first Tuesday under the new schedule.)

(b) If, during the transition period, the employee must work more than five of the seven workdays, then the work in excess of forty non-overtime hours will be paid at overtime rates.

(c) If, during the transition period, the schedule change causes an employee to begin work on an earlier day of the workweek or at an earlier hour of the workday than was required under the old schedule, the employee will be paid at the overtime rate for the first hours worked in the new schedule which precede the next hours which the employee would have worked under the old schedule.

(5) Contingency scheduling is allowed for employees having the following responsibilities: Highway snow, ice, and avalanche control, grain inspection, horticulture inspection; and in the departments of natural resources or corrections, controlling forest fires, or performing work in a fire camp in support of fire crews, "hoot owl," forest fuels management and aerial applications.

(a) Therefore: For non-forest-fire personnel in scheduled work period positions, the appointing authority shall not be bound by the above scheduled shift change notice requirement if the appointing authority notifies affected employees of the contingency schedule in writing when they enter the position or not less than 30 days prior to implementation.

When conditions mandate the activating of the contingency schedule, the appointing authority shall pay affected employees the overtime rate for all hours worked outside the original schedule at least for the employee's first shift of the contingency schedule and for other overtime hours covered by subsection (6) of this section.

(b) For forest-fire control and fire-camp support personnel in scheduled work period positions, the above schedule change notice requirement shall not apply if the appointing authority notifies affected employees in writing that they are subject to contingency scheduling when they enter the position or not less than 30 days prior to implementation.

When an employee's forest fire contingency schedule requires him or her to change working hours from the previous schedule, the appointing authority shall pay the affected employee the overtime rate for all hours worked outside the previous schedule for the employee's first shift of the new contingency schedule.

When such employees have completed the first eight hours of their assigned contingency shift (10 hours in the case of 10-40 work schedule employees), they shall receive overtime rates for all subsequent work performed until released from duty for a period of five consecutive hours.

(6) In the department of corrections, division of prisons, the agency and the employees may agree that employees sent to forest fire camps in charge of inmate fire fighters for a period of twenty four hours or more will be on "extended duty assignment." Employees on extended duty assignment will be considered to be on continuous duty from the time they commence such duty including travel time to the fire, until they are released from duty including travel time for return to their nonfire duty station.

(a) During the extended duty assignment, all time will be paid as work time, except that the employer may deduct up to eight hours of nonwork time each day for sleep, plus up to three hours for meals, provided that:

(i) The employee has no responsibility during time deducted for meal periods.

(ii) The time deducted for sleep includes a period of five continuous hours which are not interrupted by a call to work.

(iii) No sleep time shall be deducted if the employer does not furnish adequate sleeping facilities. Adequate sleeping facilities are those which are usual and customary for forest fire camps.

(b) Scheduled work period employees shall be entitled to call back pay to the extent described in WAC 356-15-100 and 356-15-110 for a maximum of one payment, equal to three straight-time hours, at the commencement of an extended duty assignment. No call-back payment shall be made for any work during the hours of an extended duty assignment, or the transition back to the regular work schedule.

(c) The beginning of each work week on extended duty assignment shall be unchanged from the last previous work week on the employee's regular work schedule. All compensable hours of work on extended duty assignment shall be at overtime rates except eight in any work day. All compensable hours on a holiday shall be at overtime rates.

(d) There are no scheduled days off during an extended duty assignment. However, compensable hours on a holiday, and all compensable hours in excess of forty straight time hours in any workweek (including hours worked within the same workweek either before or after the extended duty assignment), shall be paid at overtime rates.

(e) During an extended duty assignment, all hours are duty hours; there is no eligibility for standby pay.

(f) Employees whose regular scheduled work shift entitles them to shift premium for their full shift, or a portion thereof, shall be paid shift premium as follows:

(i) Employees whose regular schedules are all night shifts will continue to receive night shift premium for all paid hours of the extended duty assignment.

(ii) Employees whose regular schedules call for some, but less than four hours of, night shift work each day will continue to receive the same number of hours at shift premium during each workday of the extended duty assignment.

(iii) Employees whose regular schedules call for some, but not all, full night shifts each week will receive shift

premium for all paid hours on those same days during the extended duty assignment.

(7) When a scheduled or nonscheduled work period employee experiences a schedule change (within or between agencies) which causes an overlap in workweeks and requires work in excess of forty hours in either the old or the new workweek, the employee must receive overtime compensation at least equal to the amount resulting from the following calculations:

(a)(i) Starting at the beginning of the "old" workweek, count all hours actually worked before the end of that workweek, and calculate the straight-time pay and the overtime pay (based on "regular rate" as defined in WAC 356-05-353).

(ii) Starting at the conclusion of the "new" workweek, count back to include all hours actually worked since the beginning of that workweek, and calculate the straight-time and overtime (based on "regular rate" as defined in WAC 356-05-353).

(iii) Pay the larger amount calculated under (a)(i) and (ii) of this subsection.

(b) If any other combination of straight-time and time-and-one-half-rate pay required by these rules results in an amount of pay, for either workweek, which is greater than the amount calculated in (a)(iii) of this subsection, then only the larger amount should be paid.

(8) If overtime is incurred as a result of employee movement between state agencies, the overtime will be borne by the receiving agency.

WAC 356-15-095 Flexible time schedules. Each agency shall develop one or more flex-time schedules, all of which contain required fixed core hours of work, and each of which requires regular starting and quitting times other than 8 a.m. to 5 p.m., subject to the following conditions:

(1) No such schedules need be established if the agency head determines that such schedules would impede service to the public or impede the agency in accomplishing its mission.

(2) The agency may assign or reassign any employee or group of employees to any such schedule, subject to provisions of WAC 356-15-090.

(3) Employees may request assignment to flex-time schedules and the employing agency may grant or deny such assignment.

(4) Flex-time schedules affecting employees in a certified bargaining unit must be negotiated with the exclusive representative.

[Title 356 WAC—p 44]

WAC 356-15-100 Call-back for work preceding or following a scheduled workshift. (1) Scheduled work period employees shall be notified prior to their scheduled quitting time either to return to work after their workshift ends or to change the starting time of their next scheduled workshift.

(a) Lack of such notice for such work shall be considered call-back and shall result in a penalty of three hours of pay at the basic salary in addition to all other compensation due. This penalty shall apply to each call.

(b) The appointing authority may cancel a call-back notification to work extra hours at any time but cancellation shall not waive the penalty cited in this subsection.

(c) These provisions shall not apply to the mid-shift interval in a split shift and an employee called back while in standby status.

(2) Nonscheduled, exceptions, and law enforcement work period employees are not normally paid for call-back. However, if the appointing authority deems it appropriate, those employees may receive compensation, not to exceed the penalty cited above, for call-back.

[Statutory Authority: RCW 41.06.150. 86-12-025 (Order 248), § 356-15-100, filed 5/28/86, effective 7/1/86; 86-06-017 (Order 242), § 356-15-100, filed 2/24/86; 84-12-079 (Order 206), § 356-15-100, filed 6/6/84; Order 98, § 356-15-100, filed 1/13/77, effective 2/13/77; Order 86, § 356-15-100, filed 5/4/76, effective 10/1/76.*]

WAC 356-15-110 Call-back for work on scheduled days off or holidays. (1) Management may assign employees to work on a day off or holiday. Scheduled and nonscheduled work period employees shall be notified of such assignments at least prior to the employees' normal quitting times on their second work day preceding the day off or holiday (except Sunday when it is within the assigned workshift).

(a) If management does not give such notice, affected employees shall receive a penalty payment of three hours pay at the basic salary in addition to all other compensation due them.

(b) Management may cancel work assigned on a day off or holiday. However, if management does not notify affected employees of such cancellation at least prior to their normal quitting times on their second work day preceding the day off or holiday work assignment, affected employees shall receive a penalty payment of three hours pay at the basic salary.

(2) These provisions shall apply to employees in paid leave status.

(3) These provisions shall not apply to an employee assigned work on a day off or holiday while in standby status or on a contingency schedule as provided in WAC 356-15-090(3).

[Statutory Authority: RCW 41.06.150. 86-12-025 (Order 248), § 356-15-110, filed 5/28/86, effective 7/1/86; 84-12-079 (Order 206), § 356-15-110, filed 6/6/84; Order 98, § 356-15-110, filed 1/13/77, effective 2/13/77; Order 86, § 356-15-110, filed 5/4/76, effective 10/1/76.*]

WAC 356-15-125 Assignment pay provisions. The personnel board may grant additional pay to recognize assigned duties that exceed ordinary conditions. Hazards, equipment operations and other specialized skills

are examples of areas for personnel board consideration. Approved classes will have the letters "AP" appearing after their class title in the compensation plan.

Details of the affected classes or positions within a class, with the additional amount granted, will appear in the salary schedule section of the compensation plan.

Assignment pay provisions for additional ranges mean additional ranges in the same category of base or point ranges. That is, a range 30.3 class receiving four assignment pay ranges would be paid at range 34.3.

[Statutory Authority: RCW 41.06.150. 87-15-065 (Order 281), § 356-15-125, filed 7/16/87, effective 9/1/87. Statutory Authority: RCW 41.06.150(17). 81-23-031 (Order 163), § 356-15-125, filed 11/16/81.]

WAC 356-15-130 Special pay ranges. These ranges are used to equal or approximate prevailing rate practices found in private industry or other governmental units. An affected class is identified either by a letter designation following the basic salary range number or by a letter designation preceding a number. In the latter case, a special salary schedule will be used for such classes.

(1) **"E" range:** This range is used for classes having a prevailing pay range which is shorter than Washington's standard ranges. An "E" range is a standard range with the first four steps removed. Thus, the first step of such a range is the same as Step E of the standard range having the same range number. Periodic increases through the steps of this range are made at the same time intervals as through standard ranges, i.e., a two-step increase after six months at Step E and two annually thereafter up to the maximum step of the range.

(2) **"L" range:** This special range is used only for the class of liquor store clerk (0628). The "L" range was designed to more closely parallel the prevailing pay structure for retail clerks in private industry. Periodic increases through the steps of the "L" range are made at the same time intervals as through a standard range. Normal progression is Steps A, D, G and K, which represent ten percent per periodic increase.

(3) **"T" range:** Used only for the classes of institution teachers. These ranges are constructed by identifying Step K of the correspondingly numbered regular state ranges as "Step 10" of the "T" range; the lower nine steps of the "T" range are each two regular-range steps (approximately 5%) apart. Advancement through these ranges is at the rate of one step per year.

(4) **"V" range:** Used only for the classes of teachers of the deaf or blind and principals, school for the deaf or blind. "V" ranges are the same as the current ranges of Vancouver, Washington School District #37 for certificated employees of similar background and experience. Advancement through the range is at the rate of one step per year.

(5) **"I" range:** This range is always ten ranges higher than the range approved for lottery district sales representative or lottery telemarketing representative 1 and 2 and it may be applied only to those classifications. Use of this range is limited to sales incentive programs which: (a) May not exceed ten weeks for any program;

(b) may not exceed four programs in any consecutive twelve months; (c) require achievement of specific goals which are set for each program by the lottery, such goals to be in excess of normal performance standards for the class.

The lottery is authorized to compensate individual employees on the "I" range for not more than three months as a result of any one sales incentive program, with the number of months stipulated in the incentive program announcement. Within these limits, movement of any employee to and from the "I" range will be at the discretion of the lottery, and shall be from and to the same step, subject to change by the employee's periodic increment date.

WAC 356-15-140 School year contracts for non-teaching staff. (1) The school for the deaf and the school for the blind may contract with full-time, permanent (as opposed to temporary), noncertificated staff to retain them in pay status only during the school year, to grant them leave without pay during the student-vacation periods, and to spread the school-year base salary earnings evenly over a 12-month period. For employees who so contract, the following rules shall apply:

(a) Twelve-month, prorated pay will be calculated by the following steps:

(i) The total annual salary for scheduled work during the school year will be calculated for each employee, beginning with the first day of employment, for the new school year.

This calculation will include:

(a) Scheduled holidays which will occur between the beginning and the end of the school year.

(b) Any increment increases which will occur while the employee is in pay status.

It will not include:

(a) Sick leave or annual leave, or holidays which occur after the close of the school year.

(b) Anticipated general increases; but these will be included in a recalculation when they occur. The recalculation will affect only the remaining time in the 12-month contract.

(ii) The total annual salary will be divided by 24 to obtain 24 equal payments for a 12-month period. These equal payments are referred to hereafter as the "prorated salary."

(iii) General increases, when granted during the school year, shall be accommodated by recalculation of the prorated salary as it will be affected forward from the effective date of the increase.

(b)(i) Annual leave, compensatory time, paid holidays, and sick leave taken during scheduled days of work will be treated as hours worked.

(ii) Annual leave and paid holidays taken in lieu of leave without pay during periods of school closure, such as Christmas vacation, spring vacation, and summer months, will be paid at the full (not prorated) hourly rate.

The "full hourly rate" is determined by dividing the total annual salary by the number of contract work days in that school year, and dividing that by eight hours.

(iii) For each hour of leave without pay taken during a scheduled work day, an hour of pay at the full (not prorated) hourly rate will be deducted from the prorated salary for that pay period.

(c) The "regular rate" for overtime work shall be calculated in the manner described in WAC 356-05-053, except that the "basic salary" and any other components of the "regular rate" shall be the "full hourly rate" (not 12-month prorated salary). Shift premium will not be prorated.

(d) Compensatory time may be credited and utilized as described in WAC 356-14-240. If accrued compensatory time is liquidated as provided in WAC 356-14-265, the liquidation rate shall be based on the full hourly rate (not the prorated salary).

(e) Vacation leave and an employee's personal holiday which is unused at the end of the school year may be paid as extended employment beyond the contract period. Each hour of accumulated vacation thus taken will be compensated at the full hourly rate (rather than the prorated salary level) in addition to the continuing 12-month prorated salary. It will be paid at the end of the pay period in which it is taken. Hours for which vacation time is paid will be considered as hours worked for the purpose of accruing additional vacation and sick leave.

(f) Accrued sick leave may not be used between school years or during periods of leave without pay, even though accrued vacation may be being utilized during that period. Accrued sick leave which can be converted to monetary compensation as provided in WAC 356-18-050(3) shall be compensated at the employee's current actual salary rate, rather than the prorated salary rate.

(g) An employee's movement within and among the pay ranges shall be based on the actual salary (not the prorated salary).

(h) A 12-month pay agreement as described in this section may be terminated at the request of the employee only if the agency determines that a bona fide hardship is being created by its continuation, or by termination of employment. Accrued (withheld) salary, vacation, and compensatory time under the 12-month agreement is immediately payable on termination of employment.

(i) Nothing in this section shall result in an employee receiving more compensation for the same work performed than would an employee who did not have such a 12-month contract.

(2) (WAC 356-15-140 describes the effect of leave without pay on seniority and periodic increment dates for these employees.)

[Statutory Authority: RCW 41.06.150. 89-07-056 (Order 315), § 356-15-140, filed 3/15/89, effective 5/1/89.]

(b) The number of employees selecting a particular day off does not prevent an agency from providing continued public service.

(3) The personal holiday must be taken during the calendar year or entitlement to the day will lapse, except that the entitlement shall carry over to the following year when an otherwise qualified employee has requested a personal holiday and the request has been denied.

(4) Agencies may also establish qualifying policies for determining which of the requests for a particular day will or will not be granted when the number of requests for a personal holiday would impair operational necessity.

(5) Part-time employees who were employed during the month in which the personal holiday is taken will be compensated for the personal holiday in an amount proportionate to the time in pay status during the month to that required for full-time employment.

(6) A personal holiday for full-time employees shall be equivalent to their workshift on that day.

(a) Whenever any legal holiday falls on a Saturday, the preceding Friday shall be the holiday. Whenever any legal holiday falls on a Sunday, the following Monday shall be the holiday.

(4) For full-time employees not on a Monday through Friday work schedule:

(a) When a holiday as identified in WAC 356-18-020(1) falls on the employee's scheduled work day, that day will be considered the holiday.

(b) When a holiday as identified in WAC 356-18-020(1) falls on the employee's scheduled day off, agencies shall, with respect to each individual employee, treat either the last preceding or the next following work day as the holiday.

The determination shall be consistent for all employees in a facility unless there is agreement between the agency and one of more affected employees to do otherwise. Agreement by the exclusive representative shall constitute agreement of the employees.

(6) Part-time employees who were employed before and after the holiday and for a period of at least twelve calendar days during the month (but not including the holiday) will be compensated in cash, compensatory time, or exchange time for the holiday in an amount proportionate to the time in pay status during the month to that required for full-time employment.

(3) Employees shall be eligible to receive monetary compensation for accrued sick leave as follows:

(a) In January of each year, and at no other time, an employee whose sick leave balance at the end of the previous year exceeds four hundred eighty hours may elect to convert the sick leave hours earned in the previous calendar year, minus those hours used during the year, to monetary compensation.

(iii) All converted hours will be deducted from the employee's sick leave balance.

(4) Employees who separate for any reason other than retirement or death shall not be paid for their accrued sick leave.

(5) Former employees who are again employed within five years of their separation from service shall be

granted all unused sick leave credits, if any, to which they were entitled at time of separation for the purpose of using sick leave for the reasons prescribed in WAC 356-18-060. WAC 356-18-095 Vacation leave--Accumulation--Excess. Vacation leave may be accumulated to a maximum of 30 days (240 hours). However, there are two methods which allow vacation leave to be accumulated above the maximum.

(1) If an employee's request for vacation leave is denied by the employing agency, then the maximum of 30 working days' accrual shall be extended for each month that the leave is deferred, provided a statement of necessity justifying the denial is filed with the department of personnel.

(2) As an alternative to (1) above, employees may also accumulate vacation leave in excess of 30 days as follows:

(a) An employee may accumulate the vacation leave days between the time 30 days is accrued and his/her anniversary date of state employment.

(b) Such leave accumulated shall be used by the anniversary date and at a time convenient to the employing institution/agency. If such leave is not used prior to the employee's anniversary date, such leave shall be automatically extinguished and considered to have never existed.

(c) Such leave credit acquired and accumulated shall never, regardless of circumstances, be deferred by the employing institution/agency by filing a statement of necessity as described in (1) above.

or she is entitled to a lump sum payment of unused vacation leave. The compensation shall be computed by using the formula published by the office of financial management. No contributions are to be made to the department of retirement systems (DRS) for lump sum payment of excess vacation leave accumulated under the provisions of WAC 356-18-095(2), nor shall such payment be reported to the DRS as compensation.

(2) Employees may defer the payment of their accumulated vacation leave for which otherwise entitled for a period of 30 working days if the separation resulted from a reduction in force and there is a reasonable probability of reemployment, or if the separation resulted from employees returning to classified positions from exempt positions under the provision of RCW 41.06.070(22), 41.06.100, or WAC 356-06-055. Seasonal career employees, as defined in WAC 356-05-380, may defer payment of their accumulated vacation leave during the period between consecutive employment cycles.

(3) If employees are paid for the accumulated vacation leave and are reemployed within the period of time represented by the number of days for which vacation pay was received, employees must return the payment for the remaining vacation days. Employees will be credited with the number of vacation days represented by the returned payments at the rate of their last salary.

(4) The separation cited in subsection (2) of this section will not be regarded as a break in service for purposes of computing the rates of crediting vacation leave prescribed in WAC 356-18-090, provided the employees return to employment other than by certification from the open competitive register.

For purposes of the Washington state leave sharing program, the following definitions apply:

(a) "Employee's relative" normally shall be limited to the employee's spouse, child, step child, grandchild, grandparent, or parent.

(b) "Household members" is defined as persons who reside in the same home who have reciprocal duties to and do provide financial support for one another. This term shall include foster children and legal wards even if they do not live in the household. The term does not include persons sharing the same general house, when the living style is primarily that of a dormitory or commune.

(c) "Severe" or "extraordinary" condition is defined as serious or extreme and/or life threatening.

(2) An employee may be eligible to receive shared leave under the following conditions:

(a) The employee's agency head determines that the employee meets the criteria described in this section.

(b) The employee is not eligible for time loss compensation under chapter 51.32 RCW. If the time loss claim is approved at a later time, all leave received shall be returned to the donors, and the employee will return any and all overpayments to the agency.

(c) The employee has abided by agency policies regarding the use of sick leave.

(d) Donated vacation leave is transferable between employees in different state agencies with the agreement of both agency heads.

(3) An employee may donate vacation leave to another employee only under the following conditions:

(a)(i) The receiving employee has exhausted, or will exhaust, his or her vacation leave, and sick leave due to an illness, injury, impairment, or physical or mental condition, which is of an extraordinary or severe nature, and involves the employee, the employee's relative or household member; and

(ii) The condition has caused, or is likely to cause, the employee to go on leave without pay or terminate state employment; and

(iii) The agency head permits the leave to be shared with an eligible employee.

(b) The donating employee may donate any amount of vacation leave provided the donation does not cause the employee's vacation leave balance to fall below eighty hours.

(c) Employees may not donate excess vacation leave that the donor would not be able to take due to an approaching anniversary date.

(4) The agency head shall determine the amount of donated leave an employee may receive and may only authorize an employee to use up to a maximum of two hundred sixty one days of shared leave during total state employment.

(5) The agency head shall require the employee to submit, prior to approval or disapproval, a medical certificate from a licensed physician or health care practitioner verifying the severe or extraordinary nature and expected duration of the condition.

(6) Any donated leave may only be used by the recipient for the purposes specified in this section.

(7) The receiving employee shall be paid his or her regular rate of pay; therefore, one hour of shared leave may cover more or less than one hour of the recipient's salary. The calculation of the recipient's leave value shall be in accordance with office of financial management policies, regulations, and procedures. The dollar value of the leave is converted from the donor to the recipient. The leave received will be coded as shared leave and be maintained separately from all other leave balances.

(8) All forms of paid leave available for use by the recipient must be used prior to using shared leave.

(9) Any shared leave not used by the recipient during each incident/occurrence as determined by the agency director shall be returned to the donor(s). The shared leave remaining will be divided among the donors on a prorated basis based on the original donated value and returned at its original donor value and reinstated to each donor's vacation leave balance.

(10) All donated leave must be given voluntarily. No employee shall be coerced, threatened, intimidated, or financially induced into donating vacation leave for purposes of this program.

(11) Agencies shall maintain records which contain sufficient information to provide for legislative review.

WAC 356-22-090 Examinations--Composition. (1) The director of personnel, or designated representative, shall determine, by uniform standards, the appropriate examination for a register for a class and the tests, or combination of tests and relative weights to be assigned. Examinations shall be practical in nature and of such character as to determine the capacity of the applicant to perform the duties of the particular class of positions for which the applicant is competing as well as the applicant's general background and related knowledge, and shall be rated objectively. A passing score may be required on each test included in the examination.

Examinations shall normally consist of one or a combination of the following:

- (a) A written test.
- (b) A performance test.
- (c) An oral test.
- (d) An evaluation of experience and training.

(2) When the director of personnel determines that the number of applicants responding to an examination announcement is excessive in relation to the number of projected job openings, the director may limit admission to the oral test to those scoring highest on a preliminary test which may be a written test, performance test, or an evaluation of experience and training. The number admitted to the oral test shall be at least twice the number of anticipated vacancies for the subsequent year or 20% of those applicants with passing scores, whichever is greater; but never less than 16 or the entire body of passing applicants, whichever is less.

(3) When the director of personnel determines that the number of applicants to be admitted to the oral examination will be limited by a screening procedure as authorized by WAC 356-22-090(2), the department will ensure that, in addition, a representative number of those protected group members who were accepted under the examination announcement and who passed the preliminary test are also admitted to the oral examination.

(b) The devices are suitable for and actually allowed to be used in performing the duties of the class for which the applicant is being tested.

(c) The devices do not enhance a physical capability or a mental capability that the test designers intended should be measured unaided by such supplements.

(d) The devices do not supply knowledge to the applicants that the test designers intended should be measured unaided by such supplements.

(2) Unless the device has previously been determined by the director as allowable for use in the examination, applicants will not be allowed to use it.

(3) The use, when allowable, of such devices is optional by the applicants. The department of personnel shall not be required to furnish such devices or make special arrangements for their use.

Promotional examinations shall consist of any combination of written, performance or oral test, or rating of training and experience.

(2) The announcement of the promotional examination shall specify the desirable or minimum requirements, the parts of the examination and the method of rating. Announcements shall be prominently posted by all appropriate agencies to ensure that the information is reasonably available to all.

(3) For a class used by only one agency, a promotional evaluation may be used in promotional scores if the class is in workweek group E and all competing employees are employed by the same agency at the time of the examination.

(2) The director of personnel may admit to an examination an applicant who does not technically meet the published minimum qualifications if the director determines that the applicant's qualifications exceed the minimum qualifications of the class for which the examination is being conducted.

(3) The director of personnel may modify or substitute, for a handicapped applicant, an examination which in his/her judgment is substantially equivalent to the regular examination for the class and compensates for the handicap of the individual to be tested when, in the judgment of the director, all or portions of the examination constitutes an artificial barrier to the applicant's fully demonstrating his/her ability through the normal examination process due to the handicap.

(4) When a development plan established and administered by the division of human resource development is available for a classification, confirmed completion of this class development plan (CDP) admits the applicant to the next examination for that class.

WAC 356-26-050 Certification--Requests for. (1) Requests for certification will be submitted in the prescribed manner by the appointing authority to the director when filling vacancies in existing or newly allocated positions. Such requests shall constitute assurance to the director that funds are available for filling vacancies for which registers are requested.

(2) No permanent or probationary appointment to a classified position shall be made without prior authorization by the director or designee.

(3) No certification may be cancelled except for reasons filed with and approved by the director.

[Statutory Authority: RCW 41.06.150, 88-18-096 (Order 308), § 356-26-050, filed 9/7/88, effective 11/1/88; Order 40, § 356-26-050, filed 12/10/71; Order 36, § 356-26-050, filed 7/1/71, effective 8/1/71. Formerly WAC 356-20-010.]

WAC 356-26-060 Certification--General methods. Upon receipt of a request for certification, the director of personnel shall normally certify to the appointing authority a list of names equal in number to four more than there are vacancies to be filled from the ranked registers except:

(1) One name will constitute a complete certification when referrals are made from the agency reduction in force register, the service-wide reduction in force register, or the dual agency reversion register. When an appointing authority requests a selective certification for specialized qualifications, the eligible candidate must meet the selective criteria in order to be referred to the position, provided:

(a) The criteria were approved when the position was established, reallocated, or last filled; or

(b) The specialized qualifications were previously required for a classification that was later merged with other classifications that did not require them; or

(c) It has been determined that the position involves new duties that would warrant future selective certification. Such selective criteria shall not be applied for certification purposes until six months after the department of personnel approves the selective criteria for the position.

(d) In the case of (a), (b), or (c) of this subsection, the director of personnel or designee must determine that the specialized qualifications are still required for successful job performance and cannot be learned within a reasonable length of time.

(2) Where all names are certified exclusively from an open competitive register, the director of personnel may certify in ranked order up to all of the names from the open competitive register: *Provided*, That the appointing authority shall select from those eligibles available from the highest ranking names which constitute five names per vacancy to be filled.

(3) When more than one candidate has the same examination rating and when necessary to limit the number of names to four more than the number of vacancies, ties shall be broken by lot upon each instance of certification.

(4) An unranked register may be used to complete a certification. In such cases, all names appearing on that register shall be certified. Subsequent unranked registers shall not be used until the certification is again incomplete.

(5) The director of personnel, upon request and after consultation with the employing agency and employee representatives, may declare positions, groups of positions or classes of positions as in-training positions. The in-training designation is normally at the second level of a series. Such positions may be filled from the register for the entry level class in the series. The employee shall automatically advance to the higher level after completion of one year of service in the entry level class. When the classification specifications require completion of a formal training plan to advance, such positions may be filled from a register of any lower level class in the series; the employee shall automatically advance to the

next higher level in the series after completion of the training period designated in the specification.

(6) When the vacancy to be filled is identified as part of an agency's affirmative action goals as established by their approved affirmative action plan, the director of personnel may, except where there are employees on the reduction in force register, refer up to three additional names per vacancy of individuals who are on existing registers and who are members of the protected groups. This action may be taken when necessary to comply with the best standards of personnel administration as contemplated by chapter 41.06 RCW.

Prior to the utilization of this subsection, the agency shall determine if there are protected group members on the existing registers. If there are fewer than three protected group members on the register, the agency shall:

(a) Appoint one of the eligibles from the register; or

(b) Request assistance from the department of personnel in completing the certification. The department of personnel and the agency will then initiate targeted recruitment.

(7) When one or more of the following conditions exist, the director of personnel or designee may certify a sufficient number of names to assure that the requesting agency has not less than five names available for consideration:

(a) The position is in an isolated or undesirable location.

(b) The position has undesirable working conditions.

(c) The agency needs to fill several positions in the class.

(d) One or more agencies have had difficulty filling positions in the class.

(e) The director of personnel or designee determines that such certification is necessary to provide the requesting agency with efficient service.

If such certification contains five or more available promotional candidates, agencies shall appoint from the promotional candidates.

(8) Permanent employees certified from a ranked register for consideration of appointment shall be notified by the agency at the time of the referral. Upon appointment the agency shall advise those employees certified but not appointed of the action taken.

- (7) Voluntary demotion register.
- (8) Service-wide promotional register.
- (9) Reemployment unranked register.
- (10) Inter-system employment register.
- (11) Open competitive register.

However, if the director of personnel and appointing authority establish that it is in the best interest of the state to broaden the competition, agencies may request the director of personnel to certify names combined from registers (4), (8), (10), and (11) provided:

(a) That the written request to the director shall be evidence of assurance that:

(i) Such a request will not harmfully affect utilization of protected group members who are applicants for this class.

(ii) If the position is within a collective bargaining unit, the exclusive representative will be provided copy of the request.

(iii) That the request is in the best interest of the state and not solely intended to circumvent the policy of promotion from within the state as provided in WAC 356-30-150.

(b) Request for combined registers must be made on a position-by-position or a class basis and prior to recruitment.

WAC 356-26-080 Certification--Exhausted registers--Procedure. (1) While all names need not be taken from the same register, each register must be exhausted before using the next register.

(2) When there are fewer names than constitute a complete certification for the class, the director may substitute an allied series of registers if he determines the allied registers are sufficiently similar.

(3) When there are fewer names than constitute a complete certification for the class and no allied register is determined appropriate, the remaining names on all incomplete registers will be certified. However, an appointing authority may request a temporary appointment providing full and fair consideration has been given to those names certified, and the director determines that the person meets the announced qualifications and grants approval.

WAC 356-26-090 Certification--Underfill. (1) The director of personnel may authorize the underfilling of a position if a register does not have enough names for a complete certification following active recruiting. Upon such authorization, a certification shall be made from the next lower class in the series or an allied class as determined by the director. Only the number of eligibles needed to complete the certification will be referred from the lower level class in the series or the allied class.

(2) Eligibles so certified shall be advised during the employment interview with the appointing authority of the underfill status of the appointment, which shall be confirmed in writing.

(3) An underfilled position shall not be certified against from a subsequently developed higher register unless: The employee does not successfully complete the probationary or trial service period or the employee does not qualify for the higher level class within four months after being admitted to the examination.

(4) Should the employee not qualify for promotion, the rules regarding transfer, promotion, demotion, or reduction in force shall apply.

WAC 356-26-100 Certification--Local areas--Conditions. The appointing authority may request and the director of personnel may designate, by agency, classes of positions for which only persons living in the area of a vacancy will be considered available for employment. Such classes shall be only those for which there is evidence to show that certification on a state-wide basis constitutes a hindrance to efficient and economical hiring by the agency. If certification of at least five names from the register for that class is not possible, certification shall be from eligibles who have indicated willingness for consideration in that geographic area.

(1) Appropriate appointment of one of the names certified.

(2) Request for additional names to replace names of eligibles who:

(a) Were considered, provided they were only from unranked registers.

(b) Waived consideration, which shall be confirmed by the director.

[Title 356 WAC—p 64]

(2) In the event that a name is certified in error and the error is discovered before one of the named applicants is notified that he or she is appointed, the erroneous certification will be withdrawn and a correct certification made. If a certification is to fill more than one position, only that portion of it pertaining to positions for which applicants have not been notified that they are appointed will be withdrawn.

(3) In the event a name is certified in error and the error is discovered after one of the named applicants is notified that he or she is appointed but prior to the effective date of the appointment, the certification and appointment will be withdrawn as in subsection (2) of this section unless:

(a) Acceptance of the appointment caused the named applicant to change his or her place of residence.

(b) Acceptance of the appointment caused the named applicant to resign from a position that cannot be regained. When the named applicant is a state employee, the agency from which he or she resigned will reinstate the named applicant in his or her previous status.

(4) In the event a name is certified in error and the error is discovered after the effective date of the appointment of one of the named applicants, the director may revoke the appointment and make a proper certification of names. The error may be on the part of any party including erroneous information contained in the application.

(5) Falsification or misrepresentation of information on an application for employment will be cause to remove an applicant's name from the register. If the applicant has been appointed prior to the discovery of the falsification or misrepresentation, the director may revoke the appointment during the probationary period. WAC 356-26-140 Background inquiries--Department of social and health services. (1) Within the department of social and health services, a background inquiry shall be completed prior to an applicant's appointment to a position which is directly responsible for the supervision, care, or treatment of children, developmentally disabled persons, or mentally ill persons, except as provided in subsection (4) of this section. For purposes of this section, applicants shall also include employees who are notified they are scheduled for reduction in force who wish to consider options to positions covered by this section. The inquiry shall include an examination of the applicant's conviction records and pending criminal charges. Inquiry findings shall be used solely for the purpose of determining the character, suitability, and competence of the applicant and may result in denial of employment only for positions covered by this section.

(2) The department of social and health services shall ensure that all applicants being considered for positions covered by this section are aware of the background inquiry requirement.

(3) Positions covered by this section are all positions which have either a direct or supervisory accountability for the supervision, care, or treatment of residents or clients who are children, developmentally disabled, or mentally ill persons. Positions assigned duties that provide access to residents or clients who are either children or developmentally disabled, or mentally ill persons, but

which are not directly accountable for their supervision, care, or treatment are not covered by this section.

(4) A background inquiry shall be completed on the applicant prior to any permanent or nonpermanent appointment into a position covered by this section, except as waived by the secretary of the department of social and health services or designee. The inquiry shall be conducted only with the applicant's written authorization. Failure to provide written authorization shall disqualify the applicant for both appointment and referral to positions covered by this section. Employees who at the time of consideration for appointment have current probationary, trial service or permanent status in positions covered by this section are exempt from the background inquiry requirement.

(5) A background inquiry shall be completed on applicants prior to an intermittent appointment to a position covered by this section. Individuals on intermittent appointments in positions covered by this section may not exceed twelve continuous months in such an appointment unless they are cleared following a subsequent background inquiry.

(6) Inquiry findings to be considered in determining the applicant's character, suitability and competence to perform in the position shall be limited to:

(a) Conviction of a felony directly related to the position sought if the date of conviction is less than ten years ago. Such conviction will not be considered if it has been the subject of a pardon, annulment or other equivalent procedure based on a finding of innocence.

(b) Conviction of a felony directly related to the position sought, if the date of conviction is more than ten years ago but the date of prison release is less than seven years ago. Such conviction will not be considered if it has been the subject of a pardon, annulment or other equivalent procedure based on a finding of innocence.

(c) Pending felony charges directly related to the position.

For purposes of applying subsection (6)(a) through (c) of this section, the following offenses shall be considered directly related to all positions covered by this section: All crimes involving physical harm or threat of physical harm to persons; all sex related offenses; all public indecency/prostitution offenses; and all offenses identified as being against children or developmentally disabled persons, or mentally ill persons.

(d) Disciplinary board final decisions.

(e) Any combination of two or more felony convictions for drug related or malicious harassment offenses if the date of conviction is less than seven years ago. Such conviction will not be considered if it has been the subject of a pardon, annulment or other equivalent procedure based on a finding of innocence.

(f) Conviction of or pending charges for a gross misdemeanor or misdemeanor involving either a minor or prostitution for which the date of conviction or jail release, whichever is more recent, is less than seven years ago.

(7) If the inquiry reveals information listed under subsection (6) of this section, no appointment decision shall be made prior to providing the applicant with an

opportunity to present evidence to the appointing authority that the inquiry findings should have no bearing on the applicant's character, suitability and competence to perform in the position. In reviewing the inquiry findings, the appointing authority shall take into consideration the recentness and seriousness of the crime, the number of previous offenses, the likelihood of rehabilitation, as well as the vulnerability of the clients to be cared for in determining the applicant's character, suitability, and competence to perform in the position.

(8) An applicant who has been notified of inquiry findings may appeal, pursuant to WAC 356-34-090, the appointing authority's decision not to appoint him or her only after having requested and completed the review provided in subsection (7) of this section.

(4) Established registers, certification, and referral services are available and may be used when making temporary appointments. An employee certified from the register to fill a position in the absence of a permanent employee may enter a probationary or trial service period and subsequently gain permanent status when the permanent employee does not return to the position and the agency needs to fill the position permanently. The director of personnel must approve the change in status before it occurs. Time served in a temporary appointment will not be counted as part of the probationary or trial service period.

(5) Temporary appointees must meet the minimum qualifications of the class to which they are appointed unless the director of personnel determines that program needs demand otherwise. Upon termination of such temporary appointment, permanent or probationary employees shall have the right to resume a permanent position within their permanent agency at their former status. The employee's salary upon return will be determined as if the employee had remained in the permanent position.

(6) Temporary appointments made from within classified service will normally last no more than nine months or 1560 nonovertime hours for single or multiple appointments. An extension may be approved by the director when a temporary appointment is made to replace a permanent employee who has been granted a leave of absence, when temporarily filling a supervisory or managerial position when there is reorganization pending, or as otherwise approved by the director. WAC 356-30-145 Project employment. (1) Project employment when designated by the director, is the grouping together of employees whose length of employment is contingent on state, federal or other grant funding of specific and of time limited duration.

(2) Requests for the designation of project employment will be initiated by the proposing agency and made to the director. Such requests will include:

(a) The nature and scope of the program.

(b) Source and conditions of funding.

(c) Explanation of why project status should be used rather than regular classified service.

(d) Explanation of why competitive service is not practical to use if noncompetitive service is requested.

(e) Relationship of project to regular operations and programs of the agencies.

(f) Number of positions.

(g) Duration.

(h) Proof of notice to the employee organizations affected.

(i) Project employees benefits.

(3) The director may extend a project beyond its scheduled term.

(4) Permanent employees in regular positions may transfer, promote, or voluntarily demote into project employment positions as provided by these rules unless prohibited by the contract that established the project.

(5) Positions in project employment will be in the competitive service unless the director determines otherwise. Grounds such as special requirements of the project contract, insufficient time to recruit and unavailability of a register, or other circumstances where a competitive exam is not practicable may warrant use of the noncompetitive service.

(6) Employees hired into project positions must be notified, in writing, of the expected ending date of their employment.

(7) Project employees who have entered into project employment without permanent status, will gain permanent project status upon completion of their probationary period and shall be entitled to appropriate rights within project employment and to those outlined below.

(a) Once permanent project status has been gained, project employees may have their names placed on the transfer or voluntary demotion register for regular positions in the same or similar job classes for which permanent project status has been gained.

(b) Permanent project employees who entered project employment via the noncompetitive process must be certified from the appropriate register in order to transfer, voluntarily demote, or promote directly into regular positions. These employees may continue to apply for regular positions via the open competitive route.

(c) Permanent project employees who entered project positions via the competitive process may transfer, voluntarily demote, or apply as promotional candidates to regular classified positions as though they were permanent employees unless permanent employees have been prohibited from competing for the project positions.

(d) Project employees who have gained permanent project status, and transfer or voluntarily demote into a regular position, will not be required to serve a probationary period.

(e) Project employees who are currently on the registers will continue to be on the registers and may be certified as provided in these rules.

(8) Employees who left a state agency with permanent status and came directly into project employment will continue to have promotional opportunities and transfer rights of their former position as though they were still employed in that agency.

(9) Project employees will have reduction in force rights within their project boundaries only and will compete according to "seniority," except permanent employees who left regular classified positions to accept project employment will have the reduction in force rights of the position they left. Time spent in project employment will also be credited to the employees' seniority for use in competing in the regular state positions, provided there is no break in service. Names of project employees separated by reduction in force actions, who did not leave regular classified positions to accept project employment, will be placed on the reemployment register WAC 356-26-030(9) for the usual life of that register. Upon reduction in force from the project, project employees who entered the project through the competitive process and remain in project status for two years shall be eligible to have their names placed on the agency reduction in force registers for the classes in which permanent project status was attained. Bumping options will be limited to the project boundaries.

(10) The time spent in project employment will also be credited toward periodic increment dates, annual leave, sick leave and other benefits provided to employees in these rules.

(3) Agencies will utilize the standardized employee performance evaluation procedures and forms prescribed by the director of personnel. The procedures shall include provisions whereby individual agencies may, with the approval of the director of personnel, supplement the process with special performance factors peculiar to the specific organizational needs.

Formerly WAC 356-20-260.]

WAC 356-30-330 Reduction in force--Reasons, regulations--Procedure. (1) The reasons for reduction in force actions and the minimum period of notice are:

(a) Employees may be separated in accordance with the statutes and the agencies' approved reduction in force procedures after at least fifteen calendar days' notice in writing, without prejudice, because of lack of funds or curtailment of work, or good faith reorganization for efficiency purposes, ineligibility to continue in a position which has been reallocated, or when there are fewer positions than there are employees entitled to such positions either by statute or within other provisions of merit system rules.

(b) When employees have statutory and merit system rule rights to return to the classified service and the total number of employees exceeds the number of positions to be filled in the classification, those employees in excess will have the reduction in force rights prescribed in this section.

(2) The agencies shall develop a reduction in force procedure that is consistent with the following:

(a) For purposes of reduction in force (WAC 356-30-330), seniority shall be determined by the definition in WAC 356-05-390. Ties in seniority will be broken by first measuring the employees' last continuous time within their current classification; if the tie still exists, by measuring the employees' last continuous time in their current agency; and if the tie still exists, by lot.

(b) Clearly defined layoff units, either geographically or by administrative units or both, so as to limit the disruption of an agency's total operation; but not to unduly restrict the options available to employees with greater seniority. The definition of layoff units may be a series

of progressively larger units within an agency when a valid option in lieu of separation cannot be offered to respective employees within a lesser-sized unit. Employment projects, established under the provisions of WAC 356-30-145, Project employment, are distinct layoff units, separate and exclusive of any other defined layoff unit or employment project. Seasonal career layoff units, established under the provisions of WAC 356-30-130, Seasonal career employment, are distinct layoff units, separate and exclusive of any other defined layoff unit.

(c) Options in lieu of separation by reduction in force shall be offered by an agency only when such options are in accordance with the agency's reduction in force procedure which has been approved by the director of personnel.

(d) Agency reduction in force procedures shall specify the rights and obligations for employees to accept or reject options offered in lieu of separation due to reduction in force.

(e) "Bumping" by employees with greater seniority will be limited to:

- (i) The same layoff unit; and
- (ii) Classification in which the "bumping" employee previously held permanent status; and
- (iii) Position at the current salary range of the employee doing the bumping, or lower; and
- (iv) Employee with the least seniority within the same category of full-time or part-time employment; and
- (v) Competition at one progressively lower classification at a time.

(f) An employee may not exercise a bumping option in lieu of separation due to a reduction in force if there is within the agency a vacant position which satisfies all of the criteria set forth below.

The position is one which:

- (i) The agency intends to fill;
- (ii) Is in the current classification of the employee being offered the option, or in a classification within which the employee being offered the option previously held permanent status;
- (iii) Is at a salary range no lower than the range that would have otherwise been a bumping option;
- (iv) Is located within a reasonable commuting distance of the employee's permanent work location; and
- (v) Is on the same or similar workshift as the one which the employee currently holds.

(g) When an employee has previously held permanent status in more than one classification at the same salary range and is eligible to bump, then the employee shall be offered the option to bump into the position occupied by the employee with the least seniority.

(h) The right to actually "bump" shall be exercised only after the employee to be "bumped" has received at least fifteen calendar days' notice of the scheduled action.

(i) Options of full-time positions will be offered first to full-time employees before part-time positions are offered. For the purpose of these offers, employees who previously accepted part-time positions due to a reduction in force action or to lessen the impact of a reduction in force shall be considered full-time employees.

(j) Seniority for part-time employees will be computed on a basic payroll hour basis within the same provision and restrictions of the general definition of seniority. When part-time employees become full-time employees, their payroll hours will be integrated on a comparable time basis as full-time employees.

(k) Permanent employees who have been scheduled for reduction in force shall have the right to take a transfer or a voluntary demotion to a vacancy that is to be filled in their own layoff unit for which they qualify, as determined by the director of personnel. This right is to be exercised according to the seniority of those desiring the same vacancy.

(l) Options of other than permanent positions as named in (m) of this subsection are to be made if no permanent position to be filled is available within a reasonable commuting distance.

(m) The reduction in force procedure shall contain the statement that, "No permanent employee shall be separated from state service through reduction in force without being offered within fifteen calendar days prior to what would be the permanent employee's effective separation those positions at the same or lesser salary range within the layoff unit for which he/she qualifies, currently being held by emergency, temporary, probationary, or intermittent employees."

(n) The salary of an employee who has accepted a lower position will be reduced to the top of the range of the lower class unless the previous salary is within the range of the new class, in which case it will remain unchanged.

(3) The agency shall submit the procedure to the director of personnel for approval.

(4) Vacancies will not be filled either by local list procedures or on a temporary, intermittent, or seasonal basis without contacting the department of personnel in an effort to fill the positions by qualified employees who have been or are scheduled for separation due to reduction in force.

(5) When a majority of the positions in a layoff unit other than in project employment is to be eliminated because of a lack of funds and/or work, permanent employees in such positions shall be offered, according to their seniority, those positions in classes in which they have held permanent status which are currently being held by emergency, temporary, or probationary employees; provided they have not rejected offers of vacant positions made by certifications from the registers. Such options shall be offered in accordance with the following requirements:

(a) Positions in the employee's own agency and within a reasonable commuting distance shall be offered first; second, in the classified service within a reasonable commuting distance; third, anywhere within the employee's own agency; and fourth, throughout the classified service.

(b) A permanent employee's right to fill a position may be exercised only within fifteen calendar days prior to the effective date of separation.

(c) Offers will be made in accordance with a procedure established by the director of personnel.

(6) In order to exercise an option to a position which may require selective criteria, the following applies. The option may be exercised only by an employee who possesses the required specialized qualifications when:

(a) The criteria were approved when the position was established, reallocated or last filled; or

(b) The specialized qualifications were previously required for a classification that was later merged with other classifications that did not require them; or

(c) When, at a subsequent time, it was determined that the position requires the performance of specialized duties that would warrant future selective certification.

(d) In the case of (c) of this subsection, the selective criteria shall not be applied for the purposes of determining reduction in force options until six months after the notification of the new duties has been made to the department of personnel.

(e) In the case of (a), (b) and (c) of this subsection, the director of personnel or designee must have determined that the specialized qualifications are still essential for the successful job performance and the qualifications could not be learned within a reasonable length of time.

(7) Options to positions which are covered by WAC 356-26-140 may be exercised only by employees who, at the time they are notified they are scheduled for reduction in force:

(a) Are exempt from a background inquiry by WAC 356-26-140(4); or

(b) Authorize a background inquiry as provided for in WAC 356-26-140 and are cleared for the option as a result of the inquiry.

The appeal must be filed in writing to the personnel appeals board as provided in Title 358 WAC within thirty calendar days after notice of separation is given.

No persons or parties shall directly or indirectly interfere with, restrain, coerce or discriminate against any state employee or group of state employees in the free exercise of these rights. However, the right not to affiliate with employee organizations shall be modified by the certification of a union shop representative according to WAC 356-42-043.

(2) Any employee organization or person desiring to represent state employees before the state personnel board or in collective negotiations with an appointing authority must first file a notice of intent to represent state employees with the director of personnel. Such notice of intent to represent state employees must set forth the name of the person or employee organization, and if the latter, the name of an agent authorized to speak on its behalf; a mailing address and telephone number; a general description of the types of employment falling within the intended area of representation; and a copy of a constitution, by-laws, or any other documents defining powers and authorizing representation of the parties filing the notice of intent.

(3) An employee organization which is, or desires to be, an exclusive bargaining representative for a bargaining unit which has chosen to be a union shop must have a written procedure concerning representation fees which complies with applicable statutory and constitutional requirements. Such employee organization must provide to the director a written opinion of the employee organization's attorney that its representation fee procedure is in compliance with applicable statutory and constitutional requirements.

WAC 356-42-020 Determination of bargaining unit.

(1) Determination, alteration, or modification of an appropriate bargaining unit shall be made by the personnel board upon petition from an employee organization, or upon the board's own motion after 20 days' notice has been given to the appointing authority and to affected employees and their representatives.

(2) Prior to an employee organization petitioning the personnel board for creation or modification of a bargaining unit, the petitioning employee organization will confer with the appointing authority on the proposed unit creation or unit modification.

(3) If an appointing authority has reason to believe that an existing bargaining unit in the appointing authority's agency or department is no longer appropriate, the appointing authority may request the personnel board to consider modification of the bargaining unit. However, if there is an employee organization certified as exclusive bargaining representative for that unit, the appointing authority will first confer with the certified employee organization on the proposed modification prior to presenting the request to the personnel board. The personnel board may choose to consider such unit modification questions and would act on its own motion as designated in WAC 356-42-020(1).

(4) In determining a bargaining unit, the personnel board shall consider the following factors:

(a) Duties, skills and working conditions of the employees.

(b) History of collective bargaining by the employees and their representatives.

(c) Extent of organization among the employees.

(d) Desires of the employees.

(5) Any petition filed hereunder should set forth all pertinent facts and supporting reasons, as comprehensively as possible, to aid the personnel board in its determination.

(6) At the hearing on a petition, the personnel board shall make an oral determination regarding the proposed action. Thereafter, the board shall enter an appropriate order containing findings of fact and conclusions of law reflecting the oral determination. Unless otherwise provided, the effective date for the creation or modification of a bargaining unit shall be the date of the board's oral determination.

(7) Bargaining units normally shall not include both supervisory and nonsupervisory employees unless such inclusion is justified by application of the criteria identified in subsection (4) of this section. Employees will not be excluded from a bargaining unit based solely on their supervisory status where supervisors have historically been included in the unit.

Formerly WAC 356-32-020.]

WAC 356-42-030 Determination of bargaining unit—Of exclusive representative. (1) The director shall certify an employee organization as exclusive representative of the employees of a bargaining unit when such

organization shows proof that it represents a majority of such employees at the close of the last preceding payroll period and such proof is not contested by the appointing authority, the director, or any other interested party. Prior to certification, the director shall give ten calendar days' notice that an employee representative has petitioned to be named the exclusive representative of a bargaining unit. Such notice shall inform all other interested parties that an election may be requested as herein provided and that the proof of representation may be contested. In the event that proof of representation is not satisfactory to the director, he may require an election to be held.

(2) The director shall conduct a secret vote for selection of an exclusive representative of the employees of a bargaining unit upon request from an employee organization showing satisfactory proof of at least 30 percent representation within the unit at the close of the last preceding payroll period. Upon granting a request for an election, the director shall give notice thereof and allow ten calendar days for other employee organizations desiring their names placed on the ballot to show satisfactory proof of at least ten percent representation within the unit at the close of the last preceding payroll period.

(3) The director, after consultation with interested employee organizations and the appointing authority, shall promulgate rules for the conduct of the election and shall distribute sample ballots. The ballot shall contain the name of the requesting employee organization and the name of any other employee organization showing satisfactory proof of at least ten percent representation within the unit and shall provide a choice for any employee within the unit to designate that he does not desire any representation. Where more than one organization is on the ballot and none of the choices receives a majority of all votes cast in such election, a run-off election shall be held. The run-off ballot shall contain the two choices which received the largest and the second largest number of votes.

(4) An employee organization receiving a majority of all votes cast in such an election, or run-off election, shall be certified by the director of personnel as the exclusive representative of the employees of the bargaining unit. If no employee organization receives a majority of votes cast, the director will issue notification to that effect.

(5) When an employee organization has been certified as the exclusive representative of the employees of a bargaining unit, the employee organization shall be entitled to act for and to negotiate collective bargaining agreements covering all employees in the bargaining unit. The certified employee organization shall be responsible for representing the interests of all such employees. Individual grievances or group grievances of employees may, however, be presented by them to management and may be adjusted by management so long as the adjustment is not inconsistent with the collective bargaining agreement and the exclusive representative has had an opportunity to review such adjustments. Noncertified employee representatives may also present their views to the appointing authority.

(6) Upon request by the certified exclusive representative, the appointing authority shall provide that organization with the names and addresses of all employees in the bargaining unit. The appointing authority shall not be required to provide such lists more often than quarterly unless otherwise provided in a collective bargaining agreement.

[Statutory Authority: RCW 41.06.150. 89-02-011 (Order 312), § 356-42-030, filed 12/28/88, effective 2/1/89; Order 36, § 356-42-030, filed 7/1/71, effective 8/1/71. Formerly WAC 356-32-030.]

WAC 356-42-040 Decertification of exclusive representative. (1) Upon petition to the director by no less than thirty percent of the employees of a bargaining unit, decertification or a new certification shall be determined by an election as prescribed in WAC 356-42-030; provided however, that no petition shall be honored where:

(a) Less than twelve months have elapsed since the director last certified either the exclusive representative or the results of an exclusive representation certification election; or

(b) A valid collective bargaining agreement exists for the unit, except for that period of no more than ninety calendar days nor less than sixty calendar days prior to the expiration of the contract. This thirty-day open period shall apply to the initial, extended and automatically renewed contract periods.

(2) The election shall be conducted at the close of the contract term, or at an appropriate time, if no contract exists for the unit.

[Statutory Authority: RCW 41.06.150. 89-02-011 (Order 312), § 356-42-040, filed 12/28/88, effective 2/1/89; Order 49, § 356-42-040, filed 8/17/72; Order 36, § 356-42-040, filed 7/1/71, effective 8/1/71. Formerly WAC 356-32-040.]

WAC 356-42-042 Election provisions--General. (1) To provide that certification/decertification and union shop elections are truly representative of the desires of the employees and that all employees eligible to vote have every opportunity to do so, employee participation in these elections will be encouraged to the greatest extent possible.

(2) The director or designee shall administer all elections and be responsible for the processing and adjudication of all disputes that arise as a consequence of elections.

(3) Upon being notified by the director or designee that a valid petition for an election has been received, the affected appointing authority shall submit to the director or designee and the petitioning party and/or exclusive representative a list of all employees included in the bargaining unit as of the preceding payroll period. This list shall contain the employees' names, job classifications, work locations, and home mailing addresses. For purposes of an election, the director or designee shall also provide such listing to an affected employee organization which has submitted proof that it represents at least ten percent of the employees in the bargaining unit and/or to a group of affected employees who have submitted a written request signed by at least ten percent of the employees in the unit.

(4) Upon receipt of a valid petition for an election, the director or designee shall conduct a preelection conference which shall include representatives of the appointing authority, and representatives of the employee organization and/or petitioning party. At the preelection conference, determinations will be made on such matters as method of balloting, date(s) of election, absentee voting, eligibility of voters, locations, personnel at each election site, campaign activities, and any other matter that should be resolved concerning that election. Following the preelection conference, the director or designee will establish rules, regulations and procedures for holding the election.

(5) At least ten days prior to the scheduled date, the director or designee will distribute a notice of election for posting in the work areas of affected employees. Such notice will contain information regarding the date(s), time(s) and location(s) of balloting, the rules, regulations and procedures established for the election, and a sample ballot.

(6) To the extent feasible, as determined by the director or designee, on-site voting shall take place during the employees' regular work schedules. Eligible voters shall be given ample opportunity to vote during work time while the polls are open.

(7) An employee who cannot appear at the voting site on the date of the vote, may vote by absentee ballot. A request for an absentee ballot must be submitted to the director or designee prior to the close of voting at the employee's voting site. To be counted, absentee ballots must be postmarked within five calendar days thereafter and must be received by the department of personnel within ten calendar days of the close of the polls.

(8) Employees on leave of absence without pay for the entire calendar month preceding the start of the balloting shall not be eligible to vote.

(9) Rules governing campaign activities shall be determined at the preelection conference. Employees included in the affected bargaining unit and representatives of the petitioning party and/or the affected employee organization shall have the right to conduct such activities on the employer's grounds during work hours so long as the work of the employee and the operation of the employer are not disturbed.

(10) Electioneering shall not be permitted within twenty-five feet of the posted election area during the hours of voting or at any place after the close of the polls.

(11) Each party to an election may have one observer present during on-site voting to assist the election agent in identifying eligible voters. An employee who serves as such an observer shall be released with pay from duties normally performed during his/her work hours.

(12) The department of personnel will maintain the official voter eligibility list and will provide a copy of that list to each party. The official observer for either party may bring a copy of that list to the on-site polling place(s) for his/her own use, provided such use does not interfere with the conduct of the election.

(13) Within five working days of the date of the tally of the ballots, the petitioning party, the affected employee organization, or an employee in the bargaining unit may file objections to the election. Such objections must be in writing and must be received by the director within the five working day period. The director or designee shall investigate and determine an appropriate remedy if the objection is found to be meritorious.

(14) Any violation of these rules should be immediately reported to the director or designee. Upon receiving a complaint, the director or designee will immediately investigate; and if necessary, take steps to cause the violation to stop. If it is found by the director or designee that violations of these rules or the preelection agreements have affected the outcome of the election, the director may invalidate the election, order a new election, or take other appropriate remedial action.

WAC 356-42-043 Union shop requirements. (1) Once a majority of employees within a bargaining unit determine by election to require as a condition of employment membership in the employee organization designated as exclusive representative, all employees included in that unit, shall be required to pay to the employee organization the regular dues of the organization, or pay a representation fee or a nonassociation fee within thirty calendar days following their start of employment or thirty calendar days after an employee organization wins certification as union shop representative, whichever is later. The thirty calendar days starts the first day of the employee's employment within the bargaining unit which has a certified union shop representative or starts the date of the director's certification of the election results, whichever is later.

(2) Upon certification as a union shop representative, the employee organization shall notify all employees within the bargaining unit of the existence of the union shop requirement and the conditions of employment which arise under that requirement.

(3) Membership in the employee organization is satisfied by the payment of monthly or other periodic dues or representation fees and does not require payment of initiation, reinstatement, or any other fees or fines and includes full and complete membership rights.

(4) Employees who have a bona fide religious objection precluding them from membership in an employee organization, based on religious tenets, or teachings of a church or religious body of which they are members may satisfy the union shop requirement by paying to the union shop representative a nonassociation fee. This fee is an amount equivalent to the regular dues of the union shop representative, minus any monthly premiums for union sponsored insurance programs.

(5) Employees who wish to exercise the right of non-association from an employee organization, as provided in subsection (4) of this section, must submit their request to the union shop representative. If the union shop representative rejects the employee's request or fails to respond within ten working days, either the employee or

the union shop representative may submit the issue to the director or his designee who shall investigate and confer with the parties in an effort to resolve the dispute. If agreement is not reached, the director shall issue a written decision which shall be final.

(6) Once an employee has qualified to pay the nonassociation fee, the employee may designate that the fee go to that program or programs within the functions of the union shop representative in harmony with the employee's individual conscience.

(7) Employees who qualify for nonassociation shall not be members of the employee organization, but are entitled to the same representation rights as members of the employee organization.

(8) Employees who object to payment for activities of the exclusive representative which are supported by regular dues and which are not related to representation of the employees in the bargaining unit may pay a representation fee in lieu of regular dues in accordance with the procedure adopted by the employee organization. The representation fee is to be calculated by the representative in accordance with applicable constitutional and statutory requirements. See WAC 356-05-461.

(9) Failure of an employee to become a member of the employee organization which is the union shop representative or make payment of the union shop representation fee or the nonassociation fee within thirty calendar days following the employee's start of employment or within thirty calendar days after an employee organization has been certified as union shop representative, whichever is later, shall cause that employee to be dismissed as hereinafter provided.

(10) Employees on leave of absence without pay for an entire calendar month shall not be required to pay dues or union shop representation or nonassociation fees to the union shop representative during that month. When an employee returns from leave of absence to employment and pay status within the bargaining unit, he shall be considered included in the bargaining unit and required to pay the union dues or union shop representation or nonassociation fee.

(11) Once an employee organization has been certified by the director as a union shop representative, the affected appointing authority shall provide the employee organization with a monthly list of the employees in the bargaining unit.

(12) After written notification by the union shop representative that an employee has not complied with the union shop requirements, the appointing authority shall give written notification to the employee of fifteen calendar days' notice of his or her dismissal for failure to join the union or pay representation or nonassociation fees. The dismissal action shall be rescinded if an employee complies with the union shop requirements within those fifteen calendar days, or presents evidence that the union shop representative has not complied with WAC 356-42-010(3) or the representation fee or nonassociation fee requirements of this section.

(13) The appointing authority shall notify affected employees of existing union shop provisions prior to their

hire, promotion, or transfer into a bargaining unit where such provisions are in effect.

WAC 356-42-045 Union shop elections. (1) An employee organization is eligible to petition for a union shop representation election if the employee organization is certified as exclusive bargaining representative for a bargaining unit in accordance with WAC 356-42-030.

(2) Upon receipt of a valid petition from the certified exclusive bargaining representative, the director or designee shall order a union shop representation election. If the employee organization does not already have the opinion of counsel required by WAC 356-42-010(3) on file with the director, the petition shall not be considered complete until such an opinion is provided.

(3) The election will be conducted under the general procedures outlined in WAC 356-42-042.

(4) A petitioning employee organization will be certified as union shop representative if a majority of the employees who are included in the bargaining unit vote in favor of the union shop.

(5) The petitioning employee organization shall take great care to avoid making untrue statements concerning union shop election issues.

(6) The appointing authority shall cooperate with the director or designee to assure that eligible employees have a maximum opportunity to vote in union shop elections.

(7) The appointing authority, supervisors, and other representatives of management shall remain neutral on the questions, merits and issues of the union shop and the petitioning employee organization for the purposes of union shop elections; except that such individuals who are members of the bargaining unit shall have the right to express their personal opinions and beliefs regarding the issues when their positions are included in the bargaining unit. If an objection is made by the petitioning employee organization or by an employee included in the bargaining unit to written or oral statements made by the appointing authority, supervisors or other representatives of management, the director or designee shall investigate the objection and determine the appropriate remedy if the objection is found to be meritorious.

(8) When the board, pursuant to WAC 356-42-020, adds a new classification of employees into an existing bargaining unit which has a union shop provision in place, such action shall effect an automatic request for a new union shop certification election to determine the desires of the employees of the new unit unless fewer than twelve months have elapsed since the last union shop election and:

(a) The same employee organization is the certified union shop representative for each of the units being combined; or

(b) The results of the union shop election previously held still represent a majority vote in favor of the union shop provision in the new unit; or

(c) A majority of the incumbents in the positions to be added have signed a petition indicating acceptance of the union shop condition.

(9) No union shop election petition will be honored within twelve months following the director's certification of the results of a prior union shop certification election or a prior union shop decertification election.

[Statutory Authority: RCW 41.06.150. 89-02-011 (Order 312), § 356-42-045, filed 12/28/88, effective 2/1/89; 88-18-010 (Order 307), § 356-42-045, filed 8/26/88; Order 69, § 356-42-045, filed 9/30/74; Order 57, § 356-42-045, filed 7/31/73.]

WAC 356-42-047 Union shop decertification. (1) Upon petition of thirty percent or more of the employees included in a bargaining unit, a union shop decertification election will be conducted by the director or his designee to determine whether the employee organization which is the union shop representative will remain certified as union shop representative for a bargaining unit.

(2) The election will be conducted under the general procedures outlined in WAC 356-42-042.

(3) If a majority of the employees included in the bargaining unit vote to decertify the employee organization as union shop representative, the director will issue a notice of decertification. Once an employee organization has been decertified from a bargaining unit as union shop representative, all of its union shop rights cease in that unit.

(4) An employee organization is automatically decertified as union shop representative if it is decertified as exclusive bargaining representative in accordance with WAC 356-42-040 Decertification of exclusive bargaining representative.

(5) The appointing authority, supervisors, and other representatives of management shall remain neutral on the questions, merits, and issues of the union shop and the union shop representative for the purpose of union shop decertification elections; except that such individuals who are members of the bargaining unit shall have the right to express their personal opinions and beliefs regarding the issues when their positions are included in the bargaining unit. If an objection is made by the union shop representative or by an employee included in the bargaining unit to written or oral statements made by the appointing authority, supervisors or other representatives of management, the director or designee shall investigate the objection and determine the appropriate remedy if the objection is found to be meritorious.

(6) No union shop decertification election petition shall be honored within twelve months following the director's certification of the results of a prior union shop election or union shop decertification election.

[Statutory Authority: RCW 41.06.150. 89-02-011 (Order 312), § 356-42-047, filed 12/28/88, effective 2/1/89; Order 57, § 356-42-047, filed 7/31/73.]

WAC 356-42-049 Disclaimer of interest—Notice—Automatic termination of exclusive representation. (1) If an employee organization with a current certification as exclusive representative of employees in a bargaining

unit seeks to disclaim any interest in continuing to represent the affected employees as their exclusive representative, the employee organization may file a notice of disclaimer of interest and provide copies of the notice to the employees of the bargaining unit.

(2) The notice shall be filed on a form as specified and provided by the director and shall specifically state the date on which the employee organization will cease to be or act as the exclusive representative of the bargaining unit. The notice will be filed and provided to the bargaining unit not less than sixty days nor more than ninety days prior to the effective date of the disclaimer as provided in the notice.

(3) If a valid collective bargaining agreement exists for the unit, any disclaimer of interest will not be valid prior to the expiration date of the agreement.

(4) Following the proper filing of the notice, notification of employees and the expiration of the waiting period and effective date provided in the notice, the employee organization will automatically cease to be the exclusive bargaining representative of the unit.

WAC 356-42-050 Contents of written agreements.

(1) Written agreements may contain provisions covering all personnel matters over which the appointing authority of the appropriate bargaining unit of such agency may lawfully exercise discretion.

(2) Written agreements shall include a grievance procedure for processing individual and group grievances within the bargaining unit and shall provide for mediation by the director of personnel or his designee. Requests for mediation must be submitted in writing to the director of personnel no later than thirty calendar days from the date of the agency's written response at the final internal step of the procedure. Grievance procedures shall also provide for arbitration by the board in accordance with WAC 356-42-055.

(3) Written agreements may contain provisions for payroll deduction of employee organization dues upon authorization by the employee member. Any employee may cancel his payroll deduction of employee organization dues by filing a written notice with the appointing authority and the employee organization thirty calendar days prior to the effective date of such cancellation. Where union shop provisions exist, payroll deduction rights shall also extend to those employees who because of religious tenets pay a nonassociation fee, or employees who pay a representation fee.

(4) The initial term of written agreements shall not exceed three years. Automatic renewal or extension provisions may extend the period of the contract for a period not to exceed one year at a time.

(5) Written agreements shall be filed with the director. Provisions of such agreements shall not prevail if in conflict with the merit system rule, the state civil service law or other applicable law.

WAC 356-42-055 Arbitration--Grievance--Procedure. Whenever arbitration of a grievance is requested of the personnel board pursuant to an agreement as authorized by WAC 356-42-050(2), the procedure set forth below shall apply:

(1) The request for arbitration shall be in the form of a complaint. It shall be filed on a form supplied by the personnel board, or in a writing containing the same information as required on the form within thirty calendar days or less from the date the director of personnel or designee indicates in writing that the mediation is at impasse. The request shall state the following:

(a) The name, address and telephone number of the party filing the request, and the name, address and telephone number of any principal representative.

(b) The name, address and telephone number of the opposing party, and, if known, the opposing party's principal representative.

(c) Clear and concise statements of the facts upon which the grievance is based, including times, dates, places and participants in occurrences.

(d) A listing of the applicable sections of the collective bargaining agreement, rules, policies, etc., upon which the grievance is based and which are claimed to be violated. A copy of the collective bargaining agreement or of the pertinent sections of the agreement shall be attached to the request for arbitration.

(e) A statement of the relief sought.

(f) The signature and, if any, the title of the person filing the request for arbitration.

(2) By mutual agreement the parties to the grievance may extend the thirty-day time frame for requesting arbitration established in subsection (1) of this section. Agreements to extend the time frame shall be reported in writing by the parties to the director of personnel.

(3) A copy of the original grievance and the agency's last written response to the grievance shall be attached to the request for arbitration.

(4) The personnel board's hearings coordinator shall review the request for arbitration to determine compliance with subsection (1) of this section. If the personnel board's hearings coordinator determines the request to be incomplete, he or she shall notify the person filing the request of the portions of the request which need to be supplemented or changed to comply with subsection (1) of this section. When the personnel board's hearings coordinator is satisfied that the request substantially complies with subsection (1) of this section he or she shall mail, or otherwise cause to be served, the request on the opposing party(ies). Any refusal by the personnel board's hearings coordinator to serve the request for arbitration on the opposing party is reviewable by the personnel board upon motion of the requesting party.

(5) Within thirty calendar days of service of the request for arbitration, or within such longer period as the personnel board may allow, the party receiving the request shall answer the allegations of fact and contentions set forth in the request by admitting, denying, or setting

forth doubt as to the truth or falsity of any particular alleged fact or contention. The answer shall be served on the grievant or, if represented, on the grievant's representative, at the same time it is filed with the personnel board. Failure to answer an allegation of fact within the time required, or admission of a fact in the answer, shall constitute a waiver by the answering party of the right to contest the fact in the arbitration proceeding, unless for good cause shown, the personnel board provides otherwise. At the discretion of the personnel board for good cause shown, the request or the answer may be amended at any time prior to the end of the arbitration hearing.

(6) After receipt of the answer, or if no answer is timely filed, the personnel board's hearings coordinator shall set the matter for arbitration by the board or its designee. At least twenty days notice shall be given of the time and date of the arbitration unless both parties agree to a shorter time.

(7) The grievant shall have the burden of proof and shall go forward with the evidence.

(8) Upon stipulation between the parties, the board or designee may grant the grievant's request to waive the right to an evidentiary hearing and thereafter require the parties to submit written evidence upon which the board or designee may act without a hearing.

(9) If the matter is heard directly by the board, a final and binding decision will be issued. If the matter is heard by the board's designee, a recommended decision will be issued. Within thirty calendar days of its service, either party may request the board to review the designee's decision. The review will be limited to specific areas of the decision to which the party takes exception. The requesting party must provide written argument in support of the exceptions. The board will consider the exceptions and may in its discretion hear oral argument. Thereafter, the board will issue a decision which shall be final and binding on the parties. The designee's decision will become final and binding forty days after it was served on the parties if no exceptions are filed, unless the board calls a hearing to reconsider the decision.
