There shall be no fee for filing an amended application as required by this section.

(2) Exemption from filing a completed return. WAC 434-24-150 Subsidies for establishment of
automated voter registration systems. Pursuant to section
13, chapter 127, Laws of 1974, and subject to the ap­
proval of the automated voter registration system as
provided by WAC 434-24-160, the office of the secre­
tary of state shall pay, from the voter registration assist­
ance account, to each county, with fewer than thirty
thousand registered voters at the time of the state gen­
eral election held in the previous calendar year, which
has established an automated voter registration system
after February 19, 1974, and prior to July 1, 1975, an
amount equal to thirty cents times the number of regis­
tered voters in that county at the time of that election. A
county shall be deemed to have established an auto­
mated voter registration system when all of the voter
registration records of that county are maintained on the
automated system and no original, manual records are
used at the precinct in the conduct of the election. One
half of the subsidy to any county shall be paid upon ap­
proval of the automated voter registration system as
provided by WAC 434-24-160 and the remainder shall
be paid when all of the existing voter registration records
of that county have been converted to maintenance
solely on the automated system.

[Order 74-4, § 434-24-150, filed 6/3/74.]
WAC 434-24-155  Subsidies for maintenance of records on automated voter registration systems. Pursuant to section 13, chapter 127, Laws of 1974, and subject to the approval of the operating system as provided by WAC 434-24-160, and 434-27-170, the office of the secretary of state shall pay annually, from the voter registration assistance account, to each county with fewer than ten thousand registered voters at the time of the state general election held in the previous calendar year, an amount equal to thirty cents times the number of registered voters in that county at the time of that election: Provided, That prior to July 1, 1975, the office of the secretary of state shall pay quarterly, from the voter registration assistance account, to each such county for each full calendar quarter after all of the existing voter registration records of that county have been converted to maintenance on the automated system, an amount equal to seven and one-half cents times the number of registered voters in that county at the time of the state general election held in the previous calendar year.

WAC 434-24-160  Approval of automated voter registration systems. Each county which maintains voter registration records on electronic data processing systems under the provisions of RCW 29.07.150(2) and provides precinct lists of registered voters at the precinct polling place as submitted by RCW 29.48.030 shall submit to the office of the secretary of state a summary description of the automated voter registration system used by that county or by the governmental unit or firm with which the county contracts for maintenance of voter registration records. Such summary description shall contain, but not be limited to the following:

1. Input formats;
2. Data storage formats or record layouts;
3. Output formats;
4. Samples of the outputs required by WAC 434-24-080, 434-24-085, 434-24-105, 434-24-110, 434-24-120, and 434-24-130;
5. Samples of any edit listings or other working output not specifically required by these regulations; and
6. Any manuals of administrative procedure prepared for use by the elections staff of the county auditor or the data processing staff of that county or the governmental unit or firm with which the county contracts for maintenance of voter registration records.

If the automated voter registration system conforms to all of the requirements of state law and of these regulations, the office of the secretary of state shall approve and certify that system for use. If the automated voter registration system fails to conform to all of the requirements of state law and these regulations, the office of the secretary of state shall notify the county auditor of the nature of the nonconformity. The county auditor shall correct the nonconforming aspects of the automated voter registration system and provide to the office of the secretary of state such evidence of the change or changes in the system as that office may deem appropriate.

WAC 434-24-170  Continuing review of automated voter registration systems. (1) Whenever, through action of the state legislature, federal congress or any division of the state or federal judiciary, changes occur in the voter registration laws which require modifications of the automated voter registration systems of the counties which maintain voter registration records on electronic data processing systems, the office of the secretary of state shall notify each county auditor of the nature of the modifications required. The county auditor shall effect such modifications to the operating system and provide to the office of the secretary of state such evidence of those modifications as he may deem appropriate.

(2) Whenever a county substantially modifies the input formats, data storage formats, output formats, or manuals of administrative procedure for its automated voter registration system, it shall notify the office of the secretary of state. Such modifications shall be reviewed and approved in the manner provided for review and approval of new automated voter registration systems in WAC 434-24-160.

[Order 8, § 434-32-010, filed 6/15/72.]

**Chapter 434-36 WAC**  
**VOTE-BY-MAIL**

**WAC 434-36-010 Authority and purpose.** These rules are adopted under the authority of section 8, chapter 71, Laws of 1983 1st ex. sess., for the purpose of establishing standards and procedures to prevent fraud and to facilitate the accurate processing of mail ballot elections, to ensure that standards and procedures are established to insure the secrecy of the ballot, and to ensure that uniformity exists among the counties in the conduct of mail ballot elections.

**WAC 434-36-020 Definitions.** As used in this chapter:

(1) "County auditor" means the county auditor in a noncharter county or the officer, irrespective of title, having the overall responsibility to maintain voter registration information and conduct state and local elections in a charter county, and his or her deputies or staff, where the context indicates;

(2) "Mail ballot special election" means an election conducted entirely by mail ballot where:
   (a) Only issues or nonpartisan offices are on the ballot;
   (b) The election is not being held in conjunction with a primary or general election; and
   (c) The election involves precincts not regularly voting by mail at primary and general elections.

(3) "Mail ballot" means a ballot used in a mail ballot special election and does not include a ballot used in a precinct with fewer than one hundred registered voters regularly voting by mail in primary and general elections or an absentee ballot issued at the request of the voter;

(4) "Ballot security envelope" means the envelope which fits inside of the return envelope and in which the voter is instructed to seal his or her ballot so that, following the verification of the signature of that voter, the ballot cannot be distinguished from other valid ballots;

(5) "Return envelope" means the envelope in which the voter is instructed to seal his or her ballot security envelope and on which the voter signs and dates the affidavit that he or she has cast a vote in that special election;

(6) "Transmittal envelope" means the envelope in which the ballot, ballot security envelope, return envelope, and instructions are sent to the voter in a mail ballot special election; and

(7) "Secure storage" means a locked room, cabinet, or other space, where access is controlled by the county auditor and where a record is maintained by the auditor of the date, time, and name of any person, other than an employee of the auditor's office, to whom access is permitted.

**WAC 434-36-030 Request for mail ballot special election.** At any nonpartisan, special election not conducted in conjunction with a primary or general election, the jurisdiction requesting the election may also request that the election be conducted entirely by mail ballot. Such a request may be included in the resolution calling for the special election adopted pursuant to RCW 29.13.010 or 29.13.020, or it may be done by separate resolution. Not less than forty days prior to the date for which a mail ballot special election has been requested, the county auditor shall inform the requesting jurisdiction, in writing, that either (1) the request for the mail ballot special election is granted, pending approval of an election plan by the secretary of state, or (2) that the request for the mail ballot special election is not granted, for reasons specified. At the same time, the county auditor shall mail to the secretary of state a copy of the resolution for the mail ballot special election and a copy of the auditor's response.

**WAC 434-36-040 Mail ballot special election plan.** A county auditor planning to conduct mail ballot special elections shall, not less than sixty days prior to the first such election, submit a standard mail ballot special election plan to the secretary of state. This plan shall remain on file in the office of the secretary of state and shall remain in effect for all mail ballot special elections unless amended by the county auditor. The election plan shall be in check list form and shall specify the number of days before the election when certain activities are expected to be completed. The checklist may contain other activities, in addition to those listed here and may be arranged in a different chronological order, but otherwise shall be in substantially the following form:

[Title 434 WAC—p 44] (1989 Ed.)
The standard mail ballot election plan may be amended at any time up to thirty-five days before the date of any mail ballot special election by notifying the secretary of state, in writing, of any changes. In addition to the standard mail ballot special election plan, the county auditor shall, for the first three mail ballot special elections in his or her county, provide the secretary of state with the following material:

1. A brief narrative of the arrangements made with the postal authorities;
2. A copy of the ballot layout, including the ballot title(s);
3. A brief narrative of the procedures to be followed from the time the ballots are received until they are tabulated;
4. A floor plan of the working area where ballots will be processed, including approximate dimensions;
5. Samples of ballot materials, instructions, legal notices, press releases, newspaper articles, and any other printed materials as they become available; and
6. An estimate of the number of additional personnel to be hired.

The notice shall also list:
- The precincts that are voting by mail ballot only;
- The location where voters may obtain replacement ballots; and
- The location(s) where unmailed ballots may be deposited between the hours of 7:00 a.m. and 8:00 p.m. on the day of the election.

The auditor shall additionally notify local radio, television, and newspapers, if applicable, that the election is to be conducted by mail ballot only.

WAC 434-36-050 Review of the plan by the secretary of state. (1) Within five business days after the receipt of a standard mail ballot special election plan, an amendment to a special election plan, or election materials for a specific election, the secretary of state shall review the plan. If the secretary of state finds that, in his or her judgment, elements of the election plan, amendments to a plan, or election materials do not adequately provide for secrecy of the ballots, prevention of fraud, or the accurate processing and canvassing of ballots, he or she shall immediately notify the county auditor of these exceptions. The county auditor and the secretary of state shall attempt to reach mutually acceptable modifications to the election plan, amendments to a plan, or election materials. In the event that no mutually acceptable agreement is reached, the secretary of state shall notify the county auditor, in writing, that he or she takes formal exception to the disputed elements of the plan, amendment to a plan, or election materials and of the reasons for his or her objections. He or she shall also provide copies of that notification to the other members of the county canvassing board and, if he or she deems appropriate, to the governing body of any jurisdiction for which a mail ballot special election has been scheduled in that county.

(2) The secretary of state may not take formal exception to any policies, procedures, or materials developed by the county auditor for the conduct of a mail ballot special election which do not directly affect secrecy of the ballot, prevention of fraud, or accurate processing and canvassing of the ballots. He or she may recommend changes to these policies, procedures, or materials where, in his or her judgment, such changes would improve the administration of the election.

WAC 434-36-060 Notice of election. In any mail ballot special election, the notice of election published pursuant to RCW 29.27.080 shall include the following:

1. The title of each office to be voted upon, if any;
2. The names and addresses of all candidates; and
3. The ballot titles of all ballot measures.

The notice shall also list:
(a) The precincts that are voting by mail ballot only;
(b) The location where voters may obtain replacement ballots; and
(c) The location(s) where unmailed ballots may be deposited between the hours of 7:00 a.m. and 8:00 p.m. on the day of the election.

The auditor shall additionally notify local radio, television, and newspapers, if applicable, that the election is to be conducted by mail ballot only.

WAC 434-36-070 Delivery of ballot to voter. Not sooner than twenty-five days nor later than fifteen days before any mail ballot special election, the county auditor shall send to each registered voter in the election district a ballot, a return envelope, a ballot security envelope, and instructions regarding the mail ballot election.

[Title 434 WAC—p 45]
WAC 434-36-080 Envelope specifications. All ballots, ballot security envelopes, and return envelopes shall be of uniform color and size for each jurisdiction conducting a mail ballot special election. The county auditor may, however, use ballots, security envelopes, and return envelopes of uniform size for all jurisdictions conducting a mail ballot special election should he or she so desire. The envelope in which the ballot is mailed to the voter shall be clearly marked, "DO NOT FORWARD — RETURN TO SENDER — RETURN POSTAGE GUARANTEED." The return envelope shall bear the address of the issuing officer and the words, "OFFICIAL BALLOT — DO NOT DELAY" prominently displayed on the front, and shall also bear the words "POSTAGE REQUIRED" in the upper right hand corner. The envelope shall contain a space for the voters name and address to be listed and shall also contain the following statement:

I, the undersigned, hereby state that I am a registered voter in Washington; that I am entitled to vote in this election; that I have not voted another ballot; and that I have completed this ballot in secret. I further understand that any person attempting to vote when he or she is not entitled or who falsely signs this affidavit shall be guilty of a felony, punishable by imprisonment of not more than five years or a fine of not more than five thousand dollars, or both such fine and imprisonment.

(signed) .........................
(date of oath) ..................

WAC 434-36-090 Instructions to voters. Instructions shall be included with the mail ballot, the return envelope, and ballot envelope delivered to the voter. The instructions shall detail the mechanical process which must be followed in order to properly cast the ballot. The instructions shall also:

(1) Advise the voter that the election is to be by mail ballot, the amount of postage required on the return envelope, and that regular polling places will not be open;

(2) List the location of the place where the voter may obtain a replacement ballot if his or her ballot is destroyed, spoiled, or lost;

(3) List the location of the place(s) where the voter may deposit his or her ballot on election day in the event the ballot is not mailed;

(4) Advise the voter that in order for his or her ballot to be counted it must be either postmarked not later than the day of the election or deposited at the designated place between the hours of 7:00 a.m. and 8:00 p.m. on the day of the election;

(5) Advise the voter that his or her ballot must be marked in secret; and

(6) Advise the voter that any person attempting to vote when he or she is not entitled or who falsely signs the affidavit shall be guilty of a felony, punishable by imprisonment for not more than five years or a fine of not more than five thousand dollars, or both such fine and imprisonment.

WAC 434-36-100 Depositing of ballots. Ballots may be deposited in the auditor's office at any time, during normal business hours, prior to the day of the election and from 7:00 a.m. to 8:00 p.m. on election day. The county auditor shall designate at least one other place of deposit within the jurisdiction holding the mail ballot special election whenever, in his or her judgment, having only the auditor's office as a place of deposit would unduly inconvenience the voter. If other places of deposit are designated, each shall be staffed by an employee of the auditor's office or by another person designated by the auditor. The person designated by the auditor shall not be an employee of the jurisdiction conducting the special election and shall subscribe to an oath regarding the discharge of his or her duties, administered by the county auditor. All designated place of deposit shall be open from 7:00 a.m. until 8:00 p.m. on the day of the election and shall have a secure ballot box. The ballot box shall be constructed in such a manner that return envelopes, once deposited, may be removed only by the county auditor or the person appointed to staff the place of deposit. That person shall ensure that the affidavit on the return envelope is signed before the ballot is deposited in the ballot box. On election day, the person(s) staffing the designated place(s) of deposit shall place their initials and time of deposit on the return envelope.

[Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-100, filed 11/1/83.]

WAC 434-36-110 Obtaining replacement ballots. Each county auditor shall designate his or her office or any other location within the jurisdiction requesting the mail ballot special election as the single place where voters may obtain a replacement ballot. Any voter seeking a replacement ballot must, prior to 8:00 p.m. on election day, return the original ballot if it was spoiled and sign a sworn statement in substantially the following form:

REPLACEMENT BALLOT REQUEST

I, ..........., do hereby request a replacement ballot for the mail ballot special election to be held on ..... in ............ county, Washington, for the following reason (check one):

☐ I did not receive the ballot mailed to me.

or

☐ The ballot mailed to me has been damaged, lost, or destroyed.

I hereby certify, under penalty of law, that the above information is true and correct, and that I understand that attempting to vote more than once
in any election is a violation of Washington election law.

Signature of voter

Address at which I am registered to vote

The above named individual appeared before me and has been issued a replacement ballot pursuant to the provisions of chapter 71, Laws of 1983 1st ex. sess.

Signature of issuing officer

Date

The county auditor shall maintain a record of each replacement ballot so issued. Any absentee ballot request made wherein the voter lists an address different from that to which his or her mail ballot has been or is to be mailed shall be handled as provided by RCW 29.36.030.

WAC 434-36-120 Unsigned affidavit. If the voter neglects to sign the affidavit on the return envelope, the auditor shall notify the voter, either by telephone or by first class mail, of that fact. He or she shall advise the voter that, in order for the ballot to be counted, the voter must appear in person at the auditor's office not later than 8:00 p.m. on election day. A record shall be kept on the return envelope of the date on which the voter was contacted or on which the notice was mailed. Any notice by mail shall be in substantially the following form:

Dear Voter:

Your ballot for the forthcoming mail ballot special election to be held on .......... has been received by this office. Unfortunately, you neglected to sign the affidavit on the reverse side of the return envelope, as required by state law.

Please appear in person at the location listed on this card and sign this affidavit no later than 8:00 p.m. on .......... Your ballot cannot be counted unless the return envelope is signed.

ADDRESS: .................................................

WAC 434-36-130 Signature verification—Personnel. A mail ballot shall be counted only if:

(1) It is returned in the return envelope;

(2) The envelope is signed by the registered voter to whom it was issued;

(3) The signature has been verified by the county auditor; and

(4) It is postmarked not later than the day of the election or deposited not later than 8:00 p.m. on election day.

The auditor must compare the signature on the return envelope with the voter's signature as it appears on the voter registration card, and shall hire as many persons as he or she deems necessary to assist in this process. All personnel assigned to the duty of signature verification shall subscribe to an oath regarding the discharge of his or her duties, administered by the county auditor. The auditor shall instruct his or her employees in the signature verification process prior to actually canvassing any signatures and may request that local law enforcement officials instruct those employees in techniques used to identify forgeries.

WAC 434-36-140 Verification of signatures—Process. If the auditor determines that the signature on the return envelope matches that on the voter registration card, he or she shall indicate on the envelope that a signature comparison has been made. No indication of a voter having cast a ballot shall be made on the voter registration file until a signature comparison has been made. In the event the auditor determines that the signatures do not match, or that the voter has voted more than once, he or she shall refer all such ballots and any other related materials to the county canvassing board.

No ballot so referred shall be counted unless subsequent investigation reveals it to be a valid ballot and the canvassing board directs the auditor to accept it. The signature verification process shall be open to the public, subject to reasonable procedures promulgated by the county auditor to insure that order is maintained and to safeguard the integrity of the process.

WAC 434-36-150 County canvassing board. The county canvassing board shall examine each ballot and related material referred by the auditor and shall determine whether or not the ballot is to be counted. The canvassing board may employ local law enforcement officials or any other persons they deem necessary to assist them in this effort. In the event the canvassing board determines that the ballot is to be counted, they shall direct the county auditor to do so. In the event the canvassing board determines that the signature on the ballot was not made by the voter to whom the ballot was issued or that the voter has attempted to vote more than once, they shall direct the auditor to refer all such ballots and related materials to the prosecuting attorney. The county auditor must also notify the attorney general of any persons attempting to vote more than once.

WAC 434-36-160 Master list of voters. The county auditor shall maintain in his or her office a list of all

[Title 434 WAC—p 47]
voters eligible to vote in any mail ballot election. An indication shall be made on this master list of the status of all ballots returned and verified, and this list shall be available for public inspection and copying at a reasonable cost.

WAC 434-36-170 Logic and accuracy test. At least three days before any mail ballot special election, if an electronic vote tallying system is to be used, the auditor shall conduct a logic and accuracy test of all programming. Wherever applicable, this test shall be conducted in accordance with RCW 29.34.163, except that the secretary of state need not be present. The test shall be repeated immediately prior to any tabulation of ballots on election day.

WAC 434-36-180 Tallying of ballots. The county canvassing board, upon the request of the county auditor, may direct that, after 12:00 noon on election day, mail ballots on hand be counted. Any such count made prior to 8:00 p.m. must be done in secret and the results not revealed until after 8:00 p.m. Whenever any ballot is to be counted, the county auditor shall ensure that at least three election officers are present. Such officers shall be appointed as provided by RCW 29.45.010. Any violation of the secrecy of the count shall be subject to the penalties provided in RCW 29.54.035. During either the early count of ballots or the regular tabulation of ballots on election night in counties using electronic voting devices, political party observers may select up to ten precincts and count by hand either the total number of ballots or the total number of votes cast for any single office or issue. This hand count may take place at any time after the ballots have been officially tabulated by the electronic vote tallying system, but must take place prior to the official certification of the election results.

WAC 434-36-190 Canvassing of ballots. Except as otherwise provided by law, mail ballots shall be canvassed in the same manner as absentee ballots issued at the request of the voter. To be counted such mail ballots must be deposited at the designated place not later than 8:00 p.m. on election day or postmarked not later than the day of the election. In the event the postmark is missing or illegible, the county canvassing board may rely on the date of the oath signed by the voter on the outside of the return envelope. Any mail ballot may be challenged in the same manner as absentee ballots are challenged, and the county canvassing board must determine that any challenged ballot is valid before it may be counted.

[Statutory Authority: 1983 1st ex.s. c 71. 83-22-055 (Order 83-2), § 434-36-190, filed 11/1/83.]

WAC 434-36-200 Maintenance of records. Each county auditor conducting a mail ballot special election shall maintain and retain complete documentation of that election. The documentation maintained shall include, but not be limited to, the following:

1. A copy of the resolution calling for the mail ballot election;
2. A copy of the legal notice identifying the election as a mail ballot election;
3. The return envelopes which have been marked to indicate the signature had been verified;
4. The sworn statement of each voter issued a replacement ballot; and
5. The master list indicating which voters cast ballots.

Whenever any voter whose name has been so marked attempts to vote at the polling place, the precinct election officers shall issue that voter a questioned ballot. The questioned ballot shall be placed in an envelope, on the outside of which the words "QUESTIONED BALLOT" shall be printed. The envelope should then be sealed and care shall be taken to ensure that no marks appear on the outside of that envelope which might identify that voter. This envelope should then be placed in a larger envelope, on the outside of which shall be printed the words "QUESTIONED BALLOT." There shall also be space on this outer envelope for the precinct election officers to indicate the name and number of the precinct, the printed name, address, and telephone number of the questioned voter, and the reason why the ballot is being questioned. The ballot should then be referred to the canvassing board for their disposition.

This regulation and WAC 434-40-260 shall not apply to any county that does not tabulate absentee ballots until the poll books have been examined to ensure that no voter has voted twice.

VOTER’S REGISTRATION CHALLENGES

A SUMMARY OF ADMINISTRATIVE PROCEDURES

CHALLENGES FILED THIRTY OR MORE DAYS PRIOR TO A PRIMARY, SPECIAL OR GENERAL ELECTION

State law (RCW 29.10.140) requires the county auditor to notify, by certified mail, any voter whose registration has been challenged.

The notification must be mailed to the address at which the challenged voter is registered, to any address provided by the challenger as required by RCW 29.10.130, and to any other address that the auditor could reasonably expect the challenged voter might receive such notification.

Included with the notification must be a request that the voter appear at a hearing to be held within ten days of the mailing of the request, at the place and time specified, in order to assist the auditor in determining the validity of the challenge.

THE PERSON MAKING THE CHALLENGE MUST BE PROVIDED WITH A COPY OF THE NOTIFICATION AND REQUEST MAILED TO THE CHALLENGED VOTER.

If either the challenger or the challenged voter, or both, are unable to appear in person they may file affidavits, stating UNDER OATH the reasons they believe the challenge to be valid or invalid.

The county auditor shall determine the validity of the challenge based on his or her evaluation of the evidence presented by both parties to the challenge. The decision of the auditor is final, subject only to a petition for judicial review under chapter 34.04 RCW.

CHALLENGES FILED WITHIN THIRTY DAYS OF A PRIMARY, SPECIAL OR GENERAL ELECTION

State law (RCW 29.10.130) provides that in the event the challenge is made within thirty days of an election, the voter and the precinct election officers within the voter's precinct are to be notified.

Both the challenged voter and the precinct election officers are also to be informed that in the event the voter attempts to vote at the ensuing election, he or she will be provided with a CHALLENGED BALLOT.

The validity of the challenge and the disposition of the challenged ballot will be determined by the county canvassing board and both the challenger and the challenged voter may either appear in person or submit affidavits in support of their respective positions.

In the event the challenged voter does NOT vote at the ensuing election, the challenge shall be processed in the same manner as challenges made more than thirty days prior to the election.

In the event the challenge is filed more than thirty days prior to a primary or election, the challenge shall
be processed in the manner provided by RCW 29.10-140. If the voter votes and returns his or her absentee ballot prior to the county auditor making his or her determination as to the validity of the challenge, the returned ballot shall be segregated from other absentee ballots and not processed until such a determination is made. In the event the challenge is made within thirty days of a primary or election and prior to the absentee ballots being separated from the return envelopes, the challenge and the returned ballot shall be forwarded to the canvassing board and processed in the manner provided by RCW 29.10.127. If the challenge is made within thirty days of a primary or election but after the ballots have been separated from the return envelopes, the challenge shall be processed by the county auditor in the manner provided by law for challenges made more than thirty days prior to the primary or election.

Following the tabulation of absentee ballots, they shall be kept in sealed or locked containers and in secure storage until the expiration of any time deadlines for a legal challenge to the results of the primary or election, and then should be retained by the county as long as required by state or federal law.

[Statutory Authority: RCW 29.36.150. 88-03-019 (Order 88-1), § 434-40-290, filed 1/12/88.]

WAC 434-40-310 Absentee ballot—Credit for having voted. Each county auditor shall credit any person requesting an absentee ballot with having voted. This credit shall be given solely for the purpose of maintaining the voter as an active voter, and in no instance should such voters be included with the total number of votes cast at a primary or election, or in any way be a part of the votes cast total for the purposes of validating a special election.

DISPOSITION OF SECTIONS FORMERLY CODIFIED IN THIS CHAPTER

WAC 434-55-010 Purpose and authority. These regulations are adopted pursuant to RCW 25.10.600 — 25.10.610 and chapter 55, Laws of 1987, to implement a centralized system for limited partnership filings at the office of the secretary of state.

WAC 434-55-015 Filing office location and address. (1) Effective October 1, 1982, limited partnership filings under chapter 25.10 RCW are to be made at the Corporations Division of the Office of the Secretary of State, Olympia, Washington, rather than at the offices of the respective county clerks.

(2) Mail address for the corporations division is: Corporations Division, Office of the Secretary of State, 505 E. Union St., Olympia, WA 98504. Use of any other address may delay mail delivery.

(3) The offices of the corporations division are located at Republic Building, 2nd Floor, 505 E. Union St., Olympia, WA.

WAC 434-55-016 Office hours. (1) Hours of operation for personnel in the division are 8:00 a.m. to 12 noon and 1:00 to 4:30 p.m., Monday through Friday.

(2) Over-the-counter or walk-in, same-day processing of documents is available only between 8:30 – 11:30 a.m. and 1:00 to 3:30 p.m. each day. Documents can be received, but not processed on a same-day basis, at other times when the office is open. Same-day or expedited counter service is available at other hours only under exigent circumstances or by approval of the administrator of the corporations division.

(3) Certain expedited or over-the-counter services are subject to the special service fees established elsewhere in these regulations.

WAC 434-55-030 Filing domestic limited partnerships—Optional index sheet. A new domestic limited partnership filing may use an index sheet or cover sheet to assist the secretary of state’s review of the documents presented for filing, and to qualify for reduced filing fees.

The index sheet shall be on the form provided by the secretary of state or list the following and provide a reference to the article and page number of the underlying document on which the information requested will be set out:

(1) The name of the limited partnership;

(2) The address of the office where records under RCW 25.10.040(1) are to be kept;

(3) For service of process, the registered agent’s name and address;

(4) The page or pages of the underlying document whereon the name(s) and the geographical and mailing addresses of each general partner appear;

(5) The latest date upon which the partnership is to dissolve; and
WAC 434-55-030 Title 434 WAC: Secretary of State

(6) The page or pages on which executing signatures are located.

The index sheet may be, but is not required to be, submitted in duplicate.

[Statutory Authority: RCW 25.10.610 and 1987 c 55. 87-17-002 (Order 87-04), § 434-55-030, filed 8/6/87. Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-030, filed 10/6/82.]

WAC 434-55-040 Execution of documents, duplicate originals and reproduction quality. (1) At any time that the statute requires a limited partnership document filing with the secretary of state to be in duplicate form, the secretary of state will accept the following:

(a) Two original copies, each with original signatures; or

(b) Two original copies, one with original signatures and one with true and correct copies of the original signatures; or

(c) One original with original signatures and a true and correct photocopy thereof.

In the case of duplicate originals submitted with only one original and one copy thereof, the secretary of state will retain as its official file copy the certificate or document with original signatures and will return to the limited partnership for its records the document version bearing copied signatures.

(2)(a) Certificates for domestic limited partnerships shall be executed as provided in RCW 25.10.110.

(b) Filings for foreign limited partnerships must be signed and sworn to by at least one general partner of the foreign limited partnership. The secretary of state will accept as a "sworn" document an application or amendment witnessed or attested to by an appropriate notary or official of the foreign limited partnership's home state, or a statement that the signature of the general partner is executed under penalties of perjury, and is, to the best of his or her knowledge, true and correct.

(3) All documents presented to the secretary of state for filing under the limited partnership act shall be of no larger size than standard legal paper (8-1/2 x 14). The materials shall be submitted in form and quality which is suitable for future microfilming or reproduction by a similar photographic process. The secretary of state will not accept documents for filing which are not typed, or with illegible text.

[Statutory Authority: RCW 25.10.610 and 1987 c 55. 87-17-002 (Order 87-04), § 434-55-040, filed 8/6/87. Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-040, filed 10/6/82.]

WAC 434-55-050 Name reservation or registration. A name for a limited partnership may be reserved by filing an application therefor and paying the applicable fee. The applicant may use the secretary of state's regular form for reservation of name, or may submit a written request. A written request must identify the name desired, the fact that it is requested for a limited partnership, the entity for which the name is to be reserved, the agent making the request and his/her address, and must be signed by the agent, partner or other authorized representative of the limited partnership.

In view of the increasing competition for business names, persons making name reservation requests are advised to submit up to three prioritized names per request. The secretary of state will review the names requested in order of priority indicated and will reserve the available name of highest priority. If no name reservation can be accepted, the reservation fee is returned to the requestor.

[Statutory Authority: RCW 25.10.600 - 25.10.610, 1982 c 35 §§ 187(2), 191 and 193. 82-20-075 (Order 82-7), § 434-55-050, filed 10/6/82.]

WAC 434-55-055 Pre-October 1, 1982, limited partnership filings. (1) Except as otherwise provided by law or these regulations, limited partnership filings originally made at the respective county clerks' offices before October 1, 1982, shall be deemed to be filings at the secretary of state's office, and shall continue in full force and effect as when previously filed at the respective county clerks' offices.

(2) Pre-October 1, 1982, conflicts between limited partnership names in the separate 39 counties' files, between filings in the same county, and between pre-October 1, 1982, limited partnership filings and active corporation filings since 1889 render a satisfactory integration of pre-October 1, 1982, limited partnership filings into the corporate name protection system impossible. Except as provided below, the secretary of state will therefore not consider or research the name of any pre-October 1, 1982, limited partnership in determining whether a proposed name for a post-October 1, 1982, limited partnership is acceptable under RCW 25.10.020. The post-October 1, 1982, name will be checked as against other post-October limited partnership names and the names of active profit and nonprofit corporations registered at the office of the secretary of state.

Nothing in this section is intended to limit any judicial remedies which may be available to a pre-October 1, 1982, limited partnership for protection of its business name. In addition, if the probable existence of a name conflict between (a) a specific pre-October 1, 1982, limited partnership, and (b) a post-October 1, 1982, limited partnership filing that would have been filed in that same county if the centralized system had not been established, is brought to the attention of the secretary of state, the secretary of state may determine that an unacceptable conflict exists and/or would be perpetuated if the proposed name of the post-October 1, 1982, limited partnership were accepted. Under those circumstances, the secretary of state may refuse to accept the proposed name without modification, or without consent of the existing pre-October 1, 1982, limited partnership, sufficient to comply with RCW 25.10.020.

(3) Pre-October 1, 1982, limited partnerships are not prohibited from "refiling" under chapter 25.10 RCW. Such optional "refiling" is accomplished by submitting a
(1989 Ed.)

WAC 434-55-065 In-person or expedited counter service—Special fees. (1) Same-day processing of limited partnership documents is available during counter-service hours (8:30 - 11:30 a.m., 1:00 - 3:30 p.m.) at the offices of the corporations division.

(2) Fees for same-day services provided in-person, over-the-counter at the corporations division are as follows:

(a) A copy of limited partnership records: Five dollars expedited service fee plus regular fees;

(b) Certificate or certified copies: Five dollars expedited service fee, plus regular fee;

(c) Same-day processing of limited partnership charter documents: Ten dollars expedited service fee per document, plus regular fees for the form of the filing;

(d) Same-day processing of name reservation or registration requests: Ten dollars expedited service fee, plus regular filing fee for each action or document processed;

(e) Processing of service-of-process on the secretary of state on a same-day basis: Ten dollars expedited service fee, plus regular $25.00 service-of-process fee, for each action or document filed;

(f) Same-day processing of any other documents or materials submitted for filing under the limited partnership laws: Ten dollars expedited service fee, plus any other applicable statutory fee, for each action or document processed;

(g) Search of pre-October 1, 1982, limited partnerships: Ten dollars expedited search fee, for each request.

(3) (a) Special service fees, as established above, will be charged when same-day, over-the-counter service is requested. (Allow four-hour turn-around time for same-day service.) If the office of the secretary of state is unable to complete the requested action, by approval, denial or other definite disposition of the matter, by 4:30 p.m. of the day of receipt, the documents or other work will be processed first on the following business day.

(b) If special emergency services beyond same-day or over-the-counter services are provided by the division, including but not limited to delivery of documents, employee overtime, special copying, certifying or approval of materials, special research, or making long-distance phone calls related to the emergency situation, a special emergency fee of $75.00 per hour will be charged, in addition to regular fees which may be due for the form of the filing. When a request qualifying as an emergency is received by the agency, the agency will notify the requestor of the emergency service fee. The requestor must agree to the fee and any other reasonable conditions set by the agency before emergency services will be provided. Emergency requests require intensive amounts of agency effort for a short period, and will not be accepted by the agency except under exigent and compelling circumstances.

(4) Because of limited staff, the corporations division reserves the right to limit the availability of counter service or to limit the number of service requests submitted by one person during one day.

(5) There are no fees or other expedited service charges for:

(a) In-person inspection or review of limited partnership or other public records located at the corporation division offices;

(b) Documents or other service requests left at the corporations division for regular, nonexpedited processing. Such documents will be receipt stamped only, and reviewed and processed as if otherwise received in the mail.

WAC 434-55-066 Miscellaneous charges—Special service fees. (1) Dishonored checks. If a person, corporation or other submitting entity has attempted to pay any fee due to the secretary of state by means of a
check, and the check is dishonored by the financial institution when presented, the secretary of state will impose a seven-dollar reprocessing fee, payable to the secretary of state.

In the event a valid replacement check and dishonor charge is not received in the office of the secretary of state within the time prescribed by its accounting division, the transaction covered by the dishonored check will be cancelled and all other late filing fees and penalties will be instituted.

(2) Error in document — Resubmission fees. If a person or limited partnership submits a limited partnership document for filing to the office of the secretary of state and the document must be returned to sender for correction of one or more of the errors identified below, a resubmission fee of three dollars to cover postage and handling will be assessed by the secretary of state when the documents are returned to sender. Reasons for document rejection which will trigger a resubmission fee are:
   (a) Submission of limited partnership document(s) lacking required signature(s), required duplicate copies, information required by the limited partnership statute for the form of the filing, or required supportive documents.
   (b) Submission of limited partnership filings without proper document filing fees (WAC 434–55–060) attached.

434–57–130 Voting and registration instructions.
434–57–150 Notice of accessibility.

WAC 434–57–010 Purpose. These regulations are adopted pursuant to RCW 29.57.170 to implement the provisions of chapter 29.57 RCW and the requirements of Public Law 98–435 regarding the accessibility of polling places and voter registration facilities for federal elections.

[Title 434 WAC—p 62] (1989 Ed.)
polling place or permanent voter registration facility and is no less than twelve feet six inches wide. The area surrounding the [designated] parking place(s) [for voters with disabilities] is a firm, stable surface and generally level, with a maximum slope in any direction of one inch in fifty inches. A slope of one inch in thirty inches in the area surrounding the designated parking place(s) is considered accessible only if all other potential polling places within [the] [a] precinct [or group of precincts] are not and cannot be made to meet this standard.

(2) ACCESSIBLE ROUTE OF TRAVEL. A continuous, unobstructed pathway exists from the accessible parking place(s), where provided, to and through the accessible building entrance and to the polling place or permanent voter registration facility. The accessible route of travel is a minimum of thirty-six inches of clear width and seventy-nine inches in clear height unless otherwise specified in these standards.

(a) WALKWAYS AND RAMPS. Walkways or ramps which occur within the accessible route of travel have a minimum clear width of forty-four inches, no abrupt edge over one-half inch in height, no grating with openings larger than one-half inch, and a maximum slope in the direction of travel less than one inch in twenty inches with a cross slope no more than one inch in fifty inches. The width of walkways and ramps may be thirty-six inches only in instances where it is impractical or unreasonable to provide forty-four inches. If the slope of the accessible route of travel is between one inch in twenty inches and one inch in twelve inches, a level five foot by five foot landing is provided for each thirty inches of rise. Ramps and curb cuts have a slope no more than one inch in twelve inches. Ramps one inch wide or steeper have handrails. Curb cuts have a clear width of thirty-six inches and side slopes no more than one inch in six inches.

(b) ENTRANCES. The entrance to the building containing the polling place or permanent voter registration facility is at least thirty-two inches of clear width with a threshold no more than one-half inch in height. The entrance to the building containing a polling place with a threshold of one and one-half inches in height is considered accessible if there is no other equally accessible alternative polling place where the entrance with a threshold of one-half inch in height is available which would be suitable for a precinct or a group of precincts. There is a level, firm, stable and slip resistant surface at least fifteen inches wide, at least eighteen inches of which is directly adjacent to the latch side of the door, and five feet deep on both the inside and outside of the door. If the entrance to the building containing the polling place remains in an open position during polling hours, the requirement for the eighteen inches adjacent to the latch side of the door does not apply. If the door is power operated, it is equipped with a time delay.

(c) INTERIOR CORRIDORS. If the entrance to the building containing the polling place or permanent voter registration facility does not open directly to the polling place or permanent voter registration facility, there is an unobstructed route of travel from the entrance of the building to the entrance of the polling place or permanent voter registration facility which is at least forty-four inches wide. If there is an elevator on the only accessible route of travel, it is in close proximity to the entrance to the building, it has a minimum interior depth of forty-eight inches, the doors have at least thirty-two inches clear width, and the floor has a firm, stable surface.

(3) POLLING PLACE. There is seating and adequate, unobstructed space for reasonable movement of voters who are elderly or disabled within the polling place.

(4) VOTING EQUIPMENT. In polling places in which ballots are cast on voting machines or voting devices, there is at least one machine or device which is no higher than thirty inches with at least twenty-seven inches minimum height knee clearance under the machine, device or table for a seated person. Voters may also be provided with paper ballots and a voting booth with a horizontal surface which is no higher than thirty inches with at least twenty-seven inches minimum height knee clearance under the booth or table.

(5) ILLUMINATION. There is sufficient illumination at all points along the accessible route of travel and within the polling place or permanent voter registration facility.

(6) SIGNS. There are signs with large, high contrast lettering which identify any available accessible parking spaces and the accessible route of travel to the polling place or permanent voter registration facility if it is different from the primary route of travel to the polling place or permanent voter registration facility. Signs shall prominently display the international symbol of access as provided by RCW 70.92.120.

Reviser's note: RCW 34.05.395 requires the use of underlining and deletion marks to indicate amendments to existing rules, and deems ineffectual changes not filed by the agency in this manner. The bracketed material in the above section does not appear to conform to the statutory requirement.

WAC 434-57-040 Use of public buildings as polling places. A county auditor may request the legislative authority of a county, municipality or special district for the use of their facility as a polling place when, in the judgment of the county auditor, that facility would provide a location that would best satisfy the requirements of chapter 29.57 RCW. The county auditor shall notify the secretary of state if authorization to use such a facility is not granted and no other accessible location is available.

This report shall specify those polling places which are inaccessible, a summary of the efforts to locate alternative polling places and any measures taken to temporarily modify existing inaccessible polling places.

(2) In 1986, the secretary of state may, on the request of a county auditor, extend the deadline of this report to no later than July 1.

(3) No later than thirty days before the next election in an even-numbered year, a county auditor shall notify the secretary of state of any changes in polling place locations. No changes in polling place locations may be made after that time except where it has been determined that a state of emergency exists.

[Statutory Authority: RCW 29.57.170. 86-08-045 (Order 86-02), § 434-57-070, filed 3/27/86.]

WAC 434-57-080 Examination of inaccessible polling places. (1) No later than July 1 in each even-numbered year, or August 1, 1986 when the reporting deadline has been extended, the secretary of state shall review the reports of polling places submitted by each county auditor. The secretary of state shall verify that every effort has been made to locate alternative polling places for each inaccessible polling place and shall check each inaccessible polling place to verify its inaccessibility.

(2) Any polling place for which a report has not been submitted shall be considered inaccessible and shall not be used in an election unless it has been determined that a state of emergency exists.

[Statutory Authority: RCW 29.57.170. 86-08-045 (Order 86-02), § 434-57-080, filed 3/27/86.]

WAC 434-57-090 Accessible polling places—Exceptions. An inaccessible polling place shall not be used in federal elections unless the following conditions have been met:

(1) The secretary of state has reviewed and verified the inaccessible polling place, that a reasonable effort has been made to locate an alternative polling place and that measures to temporarily modify the existing polling place are not feasible, and

(2) The registered voters assigned to such an inaccessible polling place have been notified as required, or

(3) It has been determined that a state of emergency exists.

[Statutory Authority: RCW 29.57.170. 86-08-045 (Order 86-02), § 434-57-090, filed 3/27/86.]

WAC 434-57-100 Procedures for inaccessible polling places. (1) No later than thirty days before a special election for a federal office or a primary in each even-numbered year, the county auditor shall mail a notice to each registered voter assigned to an inaccessible polling place which has been authorized for use under these rules and shall contain the following information:

(a) The polling place for that precinct is inaccessible, for the election or elections indicated in the notice, according to the accessibility standards established for voters who are elderly and disabled. The extent and nature of inaccessibility shall be specified.

(b) No later than twenty days before the election or elections indicated in the notice, voters who are elderly or disabled may request to be assigned to an alternative polling place as listed in the notice, or may request to vote by absentee ballot.

(c) An absentee ballot request form or instructions for requesting an absentee ballot for the specific election or elections indicated in the notice.

(2) Subsequent to the transmittal of a notice under (1) of this section and no later than thirty days before the next election, the county auditor shall also notify any person who registers to vote and is assigned to a precinct for which the polling place is inaccessible.

(3) The county auditor shall make the following accommodations in voting procedures necessary to allow the use of alternative polling places by voters who are elderly and disabled:

(a) The county auditor shall assemble election materials for voters who request to vote at an alternative polling place. The following materials shall be separated according to the precinct in which the voters are registered and placed into an envelope which clearly identifies that precinct:

(i) A poll book or precinct list which contains the names of only those voters from that precinct assigned to the alternative polling place;

(ii) A ballot for each voter from the precinct in which that voter is registered;

(iii) An envelope for voted ballots which is clearly marked "Ballots for Precinct ________ from Alternative Polling Place _________, for Elderly and Disabled Voters";

(iv) Instructions for the precinct election officers.

(b) The procedures for voting and ballot tabulation for all ballots cast by a voter who is elderly or disabled at an alternative polling place shall be as follows:

(ii) After the voter has cast his or her ballot, the ballot shall be placed in a separate ballot box or an envelope designated for ballots cast in an alternative polling place.

(iii) Following the close of the polls, ballots shall be transmitted in the designated envelopes to the county auditor's office. Within each county, all ballots cast at alternative polling places shall be canvassed and reported by legislative district separately from absentee or question ballots.

This list shall identify those facilities which meet the accessibility standards as provided in these rules. Each county auditor shall submit this list with the report of polling places. The secretary of state shall review such lists and determine if the number of accessible permanent voter registration facilities is adequate to meet the needs of persons who are elderly or disabled. If the secretary of state determines that the number of facilities is inadequate, he or she shall notify the county auditor and request additional facilities be provided.

[Statutory Authority: RCW 29.57.170. 86-06-045 (Order 86-02), § 434-57-120, filed 3/27/86.]

2. "County canvassing board" is that body charged by law with the duty of canvassing absentee ballots, of ruling on the validity of questioned or challenged ballots, of the verifying all unofficial returns as listed in the auditor's abstract of votes, and the producing of the official county canvass report; it shall be composed of the county auditor, prosecuting attorney, and chairman of the board of the county legislative authority, or their designated representatives.

3. "Preliminary abstract of votes" is that report prepared by the county auditor which lists registered voters, votes cast, and all vote totals by precinct, or by combination of precincts if applicable, but it shall not include any absentee ballot totals or any subtotals or county-wide totals.

4. "Auditor's abstract of votes" is that report prepared by the county auditor which lists registered voters, votes cast, all of the vote totals by precinct, or by combination of precincts if applicable, and which includes absentee ballot totals, legislative district subtotals, if any, and county-wide totals. Vote totals in the auditor's abstract of votes shall be unofficial until verified and certified by the county canvassing board.

5. "Verification of the auditor's abstract of votes" is that process whereby the county canvassing board determines that all of the individual precinct and absentee ballot totals, as shown on the auditor's abstract of votes, have been correctly listed and that the various subtotals are an accurate reflection of the sum of those individual precinct and absentee ballot totals.

(1989 Ed.)
WAC 434-62-020 Preliminary abstract of votes. Following the election and prior to the official canvass, the county auditor shall prepare an abstract of votes, listing registered voters and votes cast, votes cast for and against measures, and votes cast for candidates, by precinct or groups of precincts in the event precincts have been combined pursuant to RCW 29.04.055.

WAC 434-62-030 Auditor’s abstract of votes. No later than the tenth day following any primary or special election and the fifteenth day following any general election the county canvassing board shall meet and canvass all absentee ballots not previously processed under the provisions of chapter 29.36 RCW, together with all questioned and challenged ballots. Upon completion of this canvass the board shall direct the county auditor to include all absentee ballot totals and all challenged and questioned ballot totals, or legislative district subtotals if applicable, in the preliminary abstract of votes prepared pursuant to WAC 434-62-020. The county auditor shall then add these totals to the existing precinct totals. The ensuing report, containing a count of all ballots cast in the election, subtotal reports by legislative district, and county-wide totals shall constitute the auditor’s abstract of votes.

WAC 434-62-040 Verification of auditor’s abstract of votes. The county canvassing board shall examine the auditor’s abstract of votes and shall verify that all of the individual precinct and absentee ballot totals have been included in the abstract and that the subtotals and county-wide totals for registered voters and votes cast are an accurate reflection of the sum of those individual precinct and absentee ballot totals. This verification shall be accomplished, in counties with fewer than 100,000 registered voters, by directing the county auditor or his or her representative to add these individual precinct and absentee ballot totals in the presence of the canvassing board manually or by using an adding machine. The canvassing board shall then compare the subtotals and totals produced in this manner against the subtotals and totals as they appear on the auditor’s abstract of votes and verify that the figures are identical. In counties with more than 100,000 registered voters the adding machine tapes or manual totals may be produced prior to the meeting of the canvassing board, but in such counties the canvassing board shall carefully compare the preproduced subtotals and totals against the subtotals and totals as they appear on the official abstract of votes and verify that the two sets of figures are identical.

WAC 434-62-050 Errors or discrepancies discovered during the verification of the auditor’s abstract of votes. In the event that the county canvassing board, during the verifications process, discovers that errors exist in the auditor’s abstract of votes or that discrepancies exist between that abstract and the manual or adding machine totals for registered voters and votes cast produced pursuant to WAC 434-62-040, the board shall investigate those errors and discrepancies. They shall be empowered to take whatever corrective steps a majority of the board deems necessary, including changing or modifying the auditor’s abstract of votes if the error or discrepancy is discovered in that document. The canvassing board may then proceed to verify votes cast on measures or for candidates if a majority of the board believes that the nature of the errors or discrepancies discovered warrant such further action on their part.

WAC 434-62-060 Documentation of corrective action taken. If the canvassing board decides to take corrective action with respect to any part of the auditor’s abstract of votes, they shall prepare a written narrative of the errors or discrepancies discovered, the cause of those errors, if known, and the corrective action taken. In the event the auditor’s abstract of votes is altered or modified by the canvassing board, those alterations and modifications shall be initialed by each member of the canvassing board, additionally, the written narrative shall be signed by each member of the board.

WAC 434-62-070 Official county canvass report. Upon completion of the verification of the auditor’s abstract of votes and the documentation of any corrective action taken, the county canvassing board shall sign a certification that the abstract is a full, true, and correct representation of the votes cast for the issues and offices listed thereon. The certification shall also state the total number of registered voters and votes cast in the county. The certification shall contain the oath required by RCW 29.62.040, signed by the county auditor and attested to by the chairman of the board of the county legislative authority, and shall have a space where the official seal of the county shall be attached. This certification, the auditor’s abstract of votes, any adding machine tapes produced during the verification process, and the written narrative of errors and discrepancies discovered and corrected, if applicable, shall constitute the official county canvass report. This report may not be subsequently amended or altered, except in the event a...
WAC 434-62-080 Auditor's abstract of votes—Secretary of state to receive certified copy—Transmittal. No later than the next business day following the certification of the returns of any primary, special, or general election at which votes were cast for or against state measures or for candidates for federal and state-wide office or for offices whose jurisdiction encompasses more than one county, the county auditor shall send a certified copy of that part of the auditor's abstract of votes covering those issues and offices to the secretary of state. This copy must be no larger than fourteen inches by fourteen inches and have a certificate identical to that accompanying the official county canvass report, bearing the county seal and original signatures of the officers required to sign that document attached or affixed thereto. A copy of the written narrative documenting errors and discrepancies discovered and corrective action taken shall accompany the abstract if applicable. Copies of the adding machine tapes used during the verification process need not be sent to the secretary of state.

WAC 434-62-090 Receipt of certified copy of auditor's abstract of votes by secretary of state. The secretary of state shall ensure that all material required to be submitted pursuant to state law and these regulations has been included in the certified copy of the auditor's abstract of votes transmitted to his or her office. In the event the secretary of state determines that the certified copy of the auditor's abstract of votes is incomplete, he or she shall notify the county auditor of that fact and shall request that the missing part of the abstract be forwarded immediately. No county's certified copy of the abstract of votes shall be considered as complete for acceptance by the secretary of state until all of the material required by statute and regulation has been received by the secretary of state. In the event the certified copy of the official abstract is illegible or in improper form, the secretary of state shall return that abstract and require an immediate re-submission of the abstract in proper or legible form.

WAC 434-62-100 Canvass of returns by the secretary of state—Powers and duties. Upon receipt of a complete certified copy of the auditor's abstract of votes from a county auditor, the secretary of state shall proceed to include the results from that abstract in the official canvass of the primary, special, or general election prepared by that office. This shall be done by adding the certified returns from each completed county abstract of votes in order to determine the final results for those offices and issues he or she is required by law to certify. The secretary of state shall accept the certified copy of the official abstract of votes from each county as being full, true, and correct in all respects. The secretary of state may include in the official canvass, a narrative which details or describes any apparent discrepancies discovered during the canvassing procedure, and may notify the county or counties involved of such discrepancies.

WAC 434-62-110 Certification of primary returns by the secretary of state. Upon completion of the canvass of each county's certified copy of the auditor's abstract of votes and no later than the third Tuesday following the primary, the secretary of state shall certify to the appropriate county auditors the returns for all candidates for federal and state-wide offices, for those offices whose jurisdiction encompasses more than one county, and the ballot titles for all state measures. In the event the secretary of state is unable to certify all or part of a primary election by the third Tuesday following that primary because he or she has not received completed certified copies of the auditor's abstract of votes from one or more counties, he or she shall certify the state ballot measures and those candidates for which completed abstracts have been received. The secretary of state shall also set forth, by letter to the county auditors, those reasons which render him or her unable to certify the entire primary. The certification of the remainder of the primary shall take place when all outstanding certified copies of official abstracts have been received and filed.

WAC 434-62-120 Certification of general election returns by the secretary of state. Upon completion of the canvass of each county's certified copy of the auditor's abstract of votes and no later than the thirtieth day following a general election the secretary of state shall certify to the governor the returns for all candidates for federal and statewide offices, for those offices whose jurisdiction encompasses more than one county, and for all state ballot measures. In the event the secretary of state is unable to certify all or part of a general election by the thirtieth day following that election because he or she has not received completed certified copies of the auditor's abstract of votes from one or more counties, he or she shall certify those candidates for which completed abstracts have been received. The secretary of state shall also set forth, by letter to the governor, those reasons which render him or her unable to certify the entire election. The certification of the remainder of the election shall take place when all outstanding certified copies of official abstracts have been received.

VERIFICATION OF SIGNATURES ON REFERENDUM AND INITIATIVE PETITIONS

WAC 434-79-010 Random sampling procedure.

WAC 434-79-010 Random sampling procedure. In the verification of signatures on initiative and referendum petitions, pursuant to RCW 29.79.200 and 29.79.220, when the number of signatures submitted is more than 110 percent of the number of signatures required by Article II, Section 1A of the Washington State Constitution, the following statistical test may be employed:

(1) Take an unrestricted random sample of the signatures submitted;
(2) Check each signature sampled to determine the number of valid signatures in the sample, the number of signatures in the sample which are invalid because the individual signing is not registered or the signature is improper in form, and the number of signatures which are duplicated in the sample;
(3) Calculate an allowance for the chance error of sampling by multiplying the square root of the number of invalid signatures in the sample by 1.5;
(4) Estimate the upper limit of the number of signatures in the population which are invalid by dividing the sum of the invalid signatures in the sample and the allowance for the chance error of sampling by the sampling ratio, i.e. the number of signatures sampled divided by the number of signatures submitted;
(5) Determine the maximum allowable number of pairs of signatures in the population by subtracting the sum of 110 percent of the number of signatures required by Article II, Section 1A of the Washington state constitution and the estimate of the upper limit of the number of invalid signatures in the population from the number of signatures submitted;
(6) Determine the expected number of pairs of signatures in the sample by multiplying the square of the sampling ratio by the maximum allowable number of pairs of signatures in the population;
(7) Determine the acceptable number of pairs of signatures in the sample by subtracting 1.65 times the square root of the expected number of pairs of signatures in the sample from the expected number of pairs of signatures in the sample;
(8) If the number of pairs of signatures in the sample is greater than the acceptable number of pairs of signatures in the sample, each signature shall be canvassed to determine the exact number of valid signatures;
(9) If the number of pairs of signatures in the sample is less than the acceptable number of pairs of signatures in the sample, the petition shall be deemed to contain sufficient signatures and the serial number and ballot title shall be certified to the state legislature as provided in RCW 29.79.200 or to the county auditors as provided in RCW 29.79.230.
