-------------------	--

WAC 440-44-001 Purpose and authority. Chapter 440-44 WAC establishes fees for all license activities of the department of social and health services. Chapter 440-44 WAC is adopted under authority of RCW 43-.20A.____ [43.20A.055] (section 2, chapter 201, Laws of 1982).

Pursuant to this authority, the secretary is required to establish fees for obtaining a license. The term "license" is defined as the "exercise of regulatory authority by the secretary to grant permission, authority, or liberty to do or to forebear certain activities."

Pursuant to this authority, fees may be waived when, in the discretion of the secretary, the fees would not be in the best interest of public health and safety, or when the fees would be to the financial disadvantage of the state. No fees may be charged to municipal corporations for licensing of emergency medical care and transportation services under chapter 18.73 RCW.

[Statutory Authority: 1982 c 201. 82-13-011 (Order 1825), § 440-44-001, filed 6/4/82.]

WAC 440-44-002 Waiver of fees. Any person or agency subject to license fees under chapter 440-44 WAC, and organizations in the person's or agency's behalf, may submit a sworn, notarized petition seeking waiver of fees for a licensee or distinguishable class of licensee.

The petition shall be mailed or delivered to the office of the secretary. Following receipt of the petition, the secretary may require submission of additional information considered relevant.

[Statutory Authority: 1982 c 201. 82-13-011 (Order 1825), § 440-44-002, filed 6/4/82.]

Except as otherwise provided in these rules, fees shall be paid for a minimum of one year.

(2) Fees for licenses issued for other than yearly periods shall be prorated based on the stated annual fee.

(3) When the department issues a license for more than one year:

(a) Fees may be paid for the entire licensing period by paying at the rate established at the time the application was submitted, or

(b) If the licensee does not pay the fee for the entire license period, annual fees shall be due thirty days prior to each annual anniversary date of the license, at the annual fee rate established by these rules at the time such fee is paid.

(4) Except as otherwise provided in these rules, if an application is withdrawn prior to issuance or denial, one-half of the fee shall be refunded.

(5) If there is a change of or by the licensee requiring a new license, the fee paid for a period beyond the next license anniversary date shall be refunded. Changes requiring a new license shall require a new application and payment of fee as provided herein.

(6) If there is a change by the applicant or licensee that requires an amendment placing the licensee in a higher fee category, the additional fee shall be prorated for the remainder of the license period.

(7) Fees becoming due on or after the effective date of this chapter shall be at the rates provided herein.

(8) To the extent fees are reduced through regular rule adoption of this chapter on or before December 31, 1982, fees shall be refunded.

(9) Fee payments shall be by mail. Payment shall be by check, draft, or money order made payable to the department of social and health services.
