WAC 118-33-080 Organization and functions. All state agencies charged with responsibilities under this plan will ensure compliance with 44 CFR 205.54.

(1) Notifying potential applicants. The assistant director of the division of emergency management shall publicize the availability of the IFG program to potential applicants by:

(a) Coordinating public information office activities with other agencies and the FCO;

(b) Providing news releases to local and state newspapers, radio, and television stations;

(c) Notifying local governments, private welfare and welfare related agencies, civic and church groups; and

(d) Establishing outreach programs.

(2) Disaster assistance centers (DAC).

(a) The FEMA shall provide staff for the purpose of taking IFG registration/applications, and flood plain map reading at DACs and the disaster field office (DFO). FEMA forms shall be used to take applications for the IFG program.

When the DFOs close, the state shall accept applications taken through the FEMA hotline (toll free telephone number) and at the office(s) designated by the assistant director for this purpose.

(b) Applications shall be taken for sixty days following a major disaster declaration from any disaster victim desiring to apply for grant assistance. The FEMA registrar shall explain the scope and purpose of the program to each applicant and will ensure each applicant identifies on his or her application the specific needs or expenses for which he or she is seeking assistance.

(3) The applicant's signature on the application form is acknowledgement of the certification/authorization statement verifying his/her understanding of the rules of the individual and family grant program.

(4) Verifying necessary expenses or serious needs.

(a) FEMA will provide most verification data to the state on individual and family grant applicants who were not required to first apply to the Small Business Administration (SBA), and on those who were required to apply to SBA but also had expenses unrelated to SBA's disaster loan program. The FEMA regional director shall be responsible for performing most of the required verifications in the categories of housing (to include documentation of home ownership and primary residency); personal property; and transportation (to include documentation of vehicle ownership and/or registration, as appropriate to the state's administrative plan).

(b) The state will not be required to recover funds, and will not be issued a bill for collection (BFC), when it makes a grant based on incorrect verification information provided by FEMA. A grant based on this incorrect information will not be subject to the state's normal recovery of funds procedures.

(c) Certain verifications may be required to be performed by the state, such as for medical, dental, or funeral applications, or on delayed applications or

reversifications, when FEMA and its contractors are no longer available.

(5) Eligibility determination functions shall be performed by the division of emergency management. The SBA will provide copies of verifications performed by SBA staff on housing and personal property (including vehicles) for those applicants who were first required to apply to SBA. This will enable the state administrative panel to make an eligibility determination on those applicants. When an applicant disagrees with the grant award, he/she may appeal to the state. The cost of any estimate provided by the applicant in support of his/her appeal is not eligible under the program.

Additional information may be obtained and the reconsideration officer may make a decision affirming, modifying, or reversing the administrative panel's decision within ten days of the receipt of the complaint.

(2) The request for reconsideration, additional facts and the reconsideration officer's decision will be documented in the case record.

[Statutory Authority: RCW 38.52.030(9). 87-24-005 (Order 87-21), § 118-33-100, filed 11/19/87.]

The appeal can be oral or in writing and must state the reasons for the appellant's dissatisfaction with the administrative panel's determination. The appellant must appeal as soon as possible not to exceed fifteen days from receipt of the administrative panel's determination.

(2) When an applicant has requested an appeal, the assistant director or designee shall examine the appellant's file and any additional information received or presented for review of the administrative panel's determination. WAC 118-40-010 Introduction. On October 17, 1986, the Superfund Amendments and Reauthorization Act of 1986 (SARA) was signed into law (P.L. 99-499). One part of the SARA provisions is Title III: "The Emergency Planning and Community Right-to-Know Act of 1986." Title III establishes requirements for federal, state, and local governments, and industry regarding emergency response planning and community right-to-know on hazardous chemicals.

The emergency planning provisions of Title III (Sections 301-305) are designed to develop state and local government hazardous chemical emergency preparedness and response capabilities through better coordination and planning, especially at the local level.

Community right-to-know provisions of Title III (Sections 311, 312, and 313) require the owners and/or operators of facilities to provide information about the nature, quantity, and location of chemicals manufactured, processed, stored, or used at their facility sites. The purpose of these provisions is to increase public knowledge of the presence of hazardous chemicals in communities and to better prepare for potential emergencies.

[Statutory Authority: RCW 38.52.030(2), 38.52.050 (1), (3) and 43.63A.060. 88-19-025 (Order 88-05), § 118-40-010, filed 9/12/88.]

WAC 118-40-020 Purpose and scope. It is the purpose of this chapter to implement the provisions of Title III in the state of Washington to establish a mechanism for compliance by state and local governmental agencies and industry with the provisions of Title III. Compliance with the requirements of Title III, as recognized by the United States Environmental Protection Agency, is regarded as compliance with the provisions of this chapter. Where federal regulations are duplicated or referred to in this chapter, Title III citations are provided. This chapter is not intended to mandate any new compliance requirements beyond those required by Title III.

[Statutory Authority: RCW 38.52.030(2), 38.52.050 (1), (3) and 43.63A.060. 88-19-025 (Order 88-05), § 118-40-020, filed 9/12/88.]
