Chapter 132Y-125 WAC STUDENT DISCIPLINE

WAC

132Y-125-004 Disciplinary procedures.

WAC 132Y-125-004 Disciplinary procedures. Enrollment in Edmonds Community College carries with it the obligation that the student will be a responsible citizen of the college. At the same time the college has the responsibility of informing students of their rights and responsibilities, defining reasonable standards of behavior, and assuring substantive and procedural due process.

The following section establishes a procedure for administration of disciplinary action.

Most disciplinary proceedings will be conducted informally between the student and the dean for student services or the dean's designee. In some cases, at the discretion of the dean or the student, formal procedures may be invoked.

(1) **Responsibility.** The dean for student services is the executive officer of the college with regard to student affairs, including discipline and shall initiate all disciplinary procedures. The dean is responsible for assembling facts on cases referred to her/his office, making provisions for suitable hearings, convening the college discipline committee when it is requested, notifying students and others concerned, keeping confidential files and reports on cases, following up each discipline case until it is closed, and destroying out-of-date files on discipline cases.

(2) **Guidelines for student conduct.** The following are guidelines for acceptable student conduct. A student enrolling in the college assumes a responsibility for conduct compatible with the college's function as an educational institution. Although Edmonds Community College is dedicated to an open, free society, there are some actions incompatible with an institution of higher education.

Grounds for disciplinary action shall include, but not be limited to, the following:

(a) Dishonesty, including, but not limited to, cheating, plagiarism, or knowingly furnishing false information to the college.

(b) Forgery, alteration, or misuse of college documents, records, or identification.

(c) Obstruction or disruption of teaching, institutional or instructional research, administration of the college, disciplinary procedures, or other college activities, including but not limited to, meetings of the board of trustees, community service functions, or other authorized activities on college premises.

(d) Physical abuse of any person on college-owned or controlled property or at college-sponsored or supervised functions or conduct which threatens or endangers the health or safety of any such person.

(e) Theft of or damage to property of the college or of a member of the college community or of a visitor to the campus.

(f) Unauthorized entry or occupancy of college facilities or blocking access to or egress from such areas.

(g) Unauthorized use of college supplies or equipment.

(h) Violation of college policies or of campus regulations, including, but not limited to, campus regulations concerning student organizations, the use of college facilities, or the time, place and manner of public expression.

(i) Illegal use, possession, or distribution of drugs on campus or at any college-sponsored event, or appearance on campus or at any college-sponsored event while under the influence of illegally used drugs.

(j) Use, possession or distribution of alcoholic beverages on college property or appearance on campus or any college-sponsored event while under the influence of alcohol. Use or possession of alcoholic beverages at any college event shall be by approved permit and restricted to persons of legal age.

(k) Disorderly conduct; lewd, indecent, or obscene conduct or expression; breach of the peace; or aiding, abetting, or procuring another to breach the peace on college-owned or controlled property or at college-sponsored or supervised functions.

(l) Failure to comply with directions of college officials acting in the performance of their duties.

(m) Possession or use of firearms, explosives, dangerous chemicals, substances or instruments or other weapons which can be used to inflict bodily harm on any individual or damage upon a building or grounds of the college or college-owned or controlled property or at college-sponsored or supervised functions without written authorization.

(o) Hazing, whether it is physical or verbal, which interferes with the personal liberty of a fellow student, faculty member, or employee of the college.

(3) Disciplinary measures available to enforce standards of student conduct.

(a) **Reprimand.** A reprimand serves to place on record that a student's conduct in a specific instance does not meet the standards expected at the college. A person receiving a reprimand is notified in writing by the dean for student services that this serves as a warning that continued conduct of the type described in the reprimand may result in formal action against the student. S/he is further informed that records of reprimands are confidential property of Edmonds Community College and are destroyed two years after the last entry has been made concerning any disciplinary action against an individual student, and that such records are not considered part of a student's permanent records at the college.

(b) **Summary suspension.** (i) The dean for student services or designee may summarily suspend any student from the college for not more than ten academic calendar days pending investigation, action or prosecution of charges of an alleged violation or violations of the guidelines for student conduct, if the dean for student services has reason to believe that the student's physical or emotional safety and well-being, or the safety and well-being of other college community members, or the protection of college property requires such suspension.

(ii) During the period of summary suspension, suspended students shall not enter the campus of the college other than to meet with the dean for student services or to attend the disciplinary hearing. However, the dean may grant the student special permission to enter for the express purpose of meeting with faculty, staff, or students in preparation for the hearing.

(iii) If the dean for student services or designee finds it necessary to exercise the authority to summarily suspend a student s/he shall:

(A) Give an oral or written notice of the alleged misconduct and violation(s) of any provision of the guideline for student conduct;

(B) Give an oral or written explanation of the evidence in support of the charge(s) to the student;

(C) Give an oral or written explanation of the corrective action or punishment (up to a maximum of ten academic calendar days suspension) which may be imposed to the student;

(D) Notify the student that s/he may either accept the disciplinary action or, within forty-eight hours or two work days following receipt of this notification, file at the office of the dean for student services, a written request for a hearing by the committee on student conduct. If the request is not filed within the prescribed time, it will be deemed as waived.

(E) Notify the student that should the student request a hearing, s/he may bring an advocate to speak in his or her behalf.

(iv) If oral notice is given, it shall be followed by written notice within forty-eight hours.

(v) The processing of hearing actions shall be accomplished according to the provisions set forth in this code,

Article F, *Disciplinary and hearing procedures*, beginning with Section 5.

(c) **Disciplinary probation.** The dean for student services, after close evaluation of the individual case, may restrict the college-related activities of students or groups of students as s/he deems necessary and feasible by placing them on disciplinary probation. Disciplinary probation may be imposed for a period of not to exceed one year. Repetition during the probationary period of conduct resulting in disciplinary probation may be cause for suspension or other disciplinary action.

(d) **Disciplinary suspension.** Disciplinary suspension serves as a penalty against the student as a result of his conduct which fails to meet standards expected at the college. A suspended student is not to occupy any portion of the campus for a period to be specified in writing and is denied all college privileges including class attendance. Disciplinary suspension requires the approval of the president.

(e) **Expulsion.** An expelled student is denied all further college privileges. Students may be expelled only with the approval of the president.

(4) **Emergency procedure.** Nothing herein shall prevent faculty members or administrators from taking reasonable summary action as may be necessary to maintain order when they have reason to believe that such action is necessary for the physical safety and well-being of the student or the safety and protection of other students or of college property or where the student's conduct materially and substantially disrupts the educational process. The faculty member or administrator should immediately bring the matter to the attention of the dean for student services for appropriate disciplinary action.

(5) The committee on student conduct.

(a) A standing committee shall be established annually by the dean for student services to conduct hearings when requested by a student regarding disciplinary actions.

(b) The chairperson shall be elected by the committee.

(c) The committee shall include:

(i) Two students designated by the president of the associated students.

(ii) One administrator of the college designated by the college president, not to be the dean for student services.

(iii) Two persons representing the faculty, designated by the faculty association president.

(d) A quorum shall consist of four members.

(e) All committee members shall have voting rights with simple majority rule.

(6) Disciplinary and hearing procedures.

(a) Allegations of misconduct shall be filed in the dean for student services' office in writing. Upon investigation, the dean for student services shall initiate appropriate action.

(b) Students alleged to have conducted themselves inappropriately shall be provided with written notice to meet with the dean for student services or designee for a preliminary conference regarding the basis for possible disciplinary action. The notice must be given at least

twenty-four hours or one work day prior to the scheduled appointment, and shall contain a statement of the allegations.

(c) If after the preliminary conference and investigation, the dean for student services determines that the student's conduct has not been in violation of college standards, the dean will dismiss proceedings and exonerate the student.

(d) If after the student's preliminary conference, the recommendation of the dean for student services is for disciplinary action, the student shall receive the following in writing:

(i) Notification of the findings and conclusions of the investigation by the dean for student services.

(ii) Notification of the disciplinary action which is to be recommended.

(iii) Notification that the student may either accept the disciplinary action or, within forty-eight hours or two work days following receipt of this notification, file at the office of the dean for student services, a written request for a hearing by the committee on student conduct. If the request is not filed within the prescribed time, it will be deemed as waived.

(iv) Notification that should a student request a hearing s/he may bring an advocate to speak on his or her behalf.

(e) If the student does not request a hearing, the dean for student services shall carry out the disciplinary action.

(f) If the student decides to request a hearing, s/he shall file at the office of the dean for student services a written notice of this intent as specified above. Within forty-eight hours or two work days of requesting the hearing the student shall file at the office of the dean a specific written response to each of the charges.

(g) A meeting of the committee on student conduct shall be convened not earlier than twenty-four hours or one work day nor later than forty-eight hours or two work days after submission of the student's response to the charges for formal hearing and to make a recommendation in the case to the president.

(E) Upon completion of the presentation by the dean for student services, the student may make his/her presentation and may present any witness desired. Again, the committee or the dean may question any witness.

(F) After the completion of the presentation by the student, both sides shall then be permitted to make any closing arguments after which the committee may ask any questions.

(G) The hearing will then be closed and the committee will retire to executive session for deliberation.

(H) When a recommendation has been reached, the committee will reconvene and announce its recommendation. The meeting will then be adjourned.

(ii) Evidence.

(A) The committee may, upon agreement by both parties, receive sworn written statements in lieu of sworn oral testimony at the hearing.

(B) The committee has the right to control:

(iii) Recommendations of the committee.

(A) In making a recommendation, the committee shall consider the following issues:
